**2023 REGULAR SESSION**

**ENROLLED**

**House Bill 2533**

By Delegate Linville

(By Request of the Department of Transportation)

[Passed February 6, 2023; in effect ninety days from passage.]

1 AN ACT to amend and reenact §17C-13-6 of the Code of West Virginia, 1931, as amended,  
2 relating to a permanent windshield placard to be valid for the duration of the applicant's life.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 13. STOPPING, STANDING AND PARKING.**

**§17C-13-6. Stopping, standing, or parking privileges for persons with a mobility impairment; disabled veterans; definitions; qualification; special registration plates and removable windshield placards; expiration, application; violation; penalties.**

1 (a)(1) The commissioner may issue up to two special registration plates or removable  
2 windshield placards to a person with a mobility impairment or a West Virginia organization which  
3 transports persons with disabilities and facilitates the mobility of its customers, patients, students,  
4 or persons otherwise placed under its responsibility.

5 (2) Special registration plates or placards may only be issued for placement on a Class A  
6 or Class G motor vehicle registered under the provisions of §17A-3-1 *et seq.* of this code.

7 (3) The applicant shall specify whether he or she is applying for a special registration plate,  
8 a removable windshield placard, or both on the application form prescribed and furnished by the  
9 commissioner.

10 (4) The applicant shall submit, with the application, a certificate issued by any physician,  
11 chiropractor, advanced nurse practitioner, or physician's assistant who is licensed in this state,  
12 stating that the applicant has a mobility impairment, or that the applicant is an organization which  
13 regularly transports a person with a mobility impairment as defined in this section. The physician,  
14 chiropractor, advanced nurse practitioner, or physician's assistant shall specify in the certificate  
15 whether the disability is temporary or permanent. A disability which is temporary is one expected  
16 to last for a limited duration and improve during the applicant's life. A disability which is permanent  
17 is one which is expected to last during the duration of the applicant's life.

18 (5) Upon receipt of the completed application, the physician's certificate and the regular  
19 registration fee for the applicant's vehicle class, if the commissioner finds that the applicant

20 qualifies for the special registration plate or a removable windshield placard as provided in this  
21 section, he or she shall issue to the applicant a special registration plate (upon remittance of the  
22 regular registration fee) or a removable windshield placard (red for temporary and blue for  
23 permanent), or both. Upon request, the commissioner shall also issue to any otherwise qualified  
24 applicant one additional placard having the same expiration date as the applicant's original  
25 placard. The placard shall be displayed by hanging it from the interior rearview mirror of the motor  
26 vehicle so that it is conspicuously visible from outside the vehicle when parked in a designated  
27 accessible parking space. The placard may be removed from the rearview mirror whenever the  
28 vehicle is being operated to ensure clear vision and safe driving. Only in the event that there is no  
29 suitable rearview mirror in the vehicle may the placard be displayed on the dashboard of the  
30 vehicle.

31 (6) Organizations which transport people with disabilities will be provided with a placard  
32 which will permit them to park in a designated area for the length of time necessary to load and  
33 unload passengers. These vehicles must be moved to a nondesignated space once the loading or

125 day of a given month and year, to be valid for a minimum of one year but not more than five years,

127 receives the new application, signed by a certified physician, chiropractor, advanced nurse  
128 practitioner, or physician's assistant if required under this subsection, the commissioner shall  
129 issue: (i) A new special registration plate or new permanent or temporary removable windshield  
130 placard; or (ii) official labels imprinted with the new expiration date and designed so as to be  
131 placed over the old dates on the original registration plate or windshield placard: *Provided*, That a  
132 new application under this subsection must not be accompanied by a certificate pursuant to §17C-  
133 13-6(a)(4) of this code if a prior application is on file with the commissioner, such application  
134 includes a certificate issued pursuant to §17C-13-6(a)(4) of this code, such certificate specifies

138 placards to be valid for a period of approximately six months after the application was received and  
139 approved by the commissioner. Permanent removable windshield placards are valid for the

141 (e) The commissioner shall issue to each applicant who is granted a special registration  
142 plate or windshield placard an identification card bearing the applicant's name, assigned  
143 identification number, and expiration date. The applicant shall thereafter carry this identification  
144 card on his or her person whenever parking in an accessible parking space. The identification card  
145 shall be identical in design for both registration plates and removable windshield placards.

146 (f) An accessible parking space should comply with the provisions of the Americans with  
147 Disabilities Act accessibility guidelines, contained in 28 C.F.R. 36, Appendix A, Section 4.6. In

148 particular, the parking space should be a minimum of eight feet wide with an adjacent eight-foot  
149 access aisle for vans having side mounted hydraulic lifts or ramps, or a five-foot access aisle for  
150 standard vehicles. Access aisles should be marked using diagonal two- to four-inch-wide stripes  
151 spaced every 12 or 24 inches apart along with the words "no parking" in painted letters which are  
152 at least 12 inches in height. All accessible parking spaces must have a signpost in front or adjacent  
153 to the accessible parking space displaying the international symbol of access sign mounted at a  
154 minimum of eight feet above the pavement or sidewalk and the top of the sign. Lines or markings  
155 on the pavement or curbs for parking spaces and access aisles may be in any color, although blue  
156 is the generally accepted color for accessible parking.

157 (g) A vehicle displaying a disabled veterans special registration plate issued pursuant to  
158 §17A-3-14(c)(6) of this code shall be recognized and accepted as meeting the requirements of this  
159 section.

161 officially issued special registration plate, placard, or decal bearing the international symbol of  
162 access shall be recognized and accepted as meeting the requirements of this section, regardless  
163 of where the plate, placard, or decal is mounted or displayed on the vehicle.

165 shall be designated in close proximity to all public entities, including state, county, and municipal

167 places shall be reserved solely for persons with a mobility impairment and disabled veterans at all  
168 times.

170 or removable windshield placard may park the vehicle for unlimited periods of time in parking  
171 zones unrestricted as to length of parking time permitted: *Provided*, That this privilege does not  
172 mean that the vehicle may park in any zone where stopping, standing, or parking is prohibited or  
173 which creates parking zones for special types of vehicles or which prohibits parking during heavy

174 traffic periods during specified rush hours or where parking would clearly present a traffic hazard.  
175 To the extent any provision of any ordinance of any political subdivision of this state is contrary to  
176 the provisions of this section, the provisions of this section take precedence and apply.

177         The parking privileges provided for in this subsection apply only during those times when  
178 the vehicle is being used for the loading or unloading of a person with a mobility impairment. Any  
179 person who knowingly exercises, or attempts to exercise, these privileges at a time when the  
180 vehicle is not being used for the loading or unloading of a person with a mobility impairment is  
181 guilty of a misdemeanor and, upon first conviction thereof, in addition to any other penalty he or  
182 she may otherwise incur, shall be fined \$200; upon second conviction thereof, in addition to any  
183 other penalty he or she may otherwise incur, shall be fined \$300; and upon third and subsequent  
184 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined  
185 \$500.

186         (k) Any person whose vehicle does not display a valid, special registration plate or  
187 removable windshield placard may not stop, stand, or park a motor vehicle in an area designated,  
188 zoned, or marked for accessible parking with signs or instructions displaying the international  
189 symbol of access, either by itself or with explanatory text. The signs may be mounted on a post or  
190 a wall in front of the accessible parking space and instructions may appear on the ground or  
191 pavement, but use of both methods is preferred. Accessible parking spaces for vans having an  
192 eight-foot adjacent access aisle should be designated as "van accessible" but may be used by any  
193 vehicle displaying a valid special registration plate or removable windshield placard.

194         Any person who violates the provisions of this subsection is guilty of a misdemeanor and,  
195 upon conviction thereof, shall be fined \$200; upon second conviction thereof, in addition to any  
196 other penalty he or she may otherwise incur, shall be fined \$300; and upon third and subsequent  
197 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined  
198 \$500.

199 (l) All signs that designate areas as "accessible parking" or that display the international  
200 symbol of access shall also include the words "Up to \$500 fine".

201 (m) No person may stop, stand, or park a motor vehicle in an area designated or marked off  
202 as an access aisle adjacent to a van-accessible parking space or regular accessible parking  
203 space. Any person, including a driver of a vehicle displaying a valid removable windshield placard  
204 or special registration plate, who violates the provisions of this subsection is guilty of a  
205 misdemeanor and, upon conviction thereof, shall be fined \$200; upon second conviction thereof,  
206 in addition to any other penalty he or she may otherwise incur, shall be fined \$300; and upon third  
207 and subsequent convictions thereof, in addition to any other penalty he or she may otherwise  
208 incur, shall be fined \$500.

209 (n) Parking enforcement personnel who otherwise enforce parking violations may issue  
210 citations for violations of this section and shall reference the number on the vehicle's license plate,  
211 since the driver normally will not be present.

212 (o) Law-enforcement agencies may establish a program to use trained volunteers to  
213 collect information necessary to issue citations to persons who illegally park in designated  
214 accessible parking spaces. Any law-enforcement agency choosing to establish a program shall  
215 provide for workers' compensation and liability coverage. The volunteers shall photograph the  
216 illegally parked vehicle and complete a form, to be developed by supervising law-enforcement  
217 agencies, that includes the vehicle's license plate number, date, time, and location of the illegally  
218 parked vehicle. The photographs must show the vehicle in the accessible space and a readable  
219 view of the license plate. Within the discretion of the supervising law-enforcement agency, the  
220 volunteers may issue citations or the volunteers may submit the photographs of the illegally  
221 parked vehicle and the form to the supervising law-enforcement agency, who may issue a citation,  
222 which includes the photographs and the form, to the owner of the illegally parked vehicle.  
223 Volunteers shall be trained on the requirements for citations for vehicles parked in marked, zoned,  
224 or designated accessible parking areas by the supervising law-enforcement agency.

225           (p) Local authorities who adopt the basic enforcement provisions of this section and issue  
226 their own local ordinances shall retain all fines and associated late fees. These revenues shall be  
227 used first to fund the provisions of subsection (o) of this section, if adopted by local authorities, or  
228 otherwise shall go into the local authorities' General Revenue Fund. Otherwise, any moneys  
229 collected as fines shall be collected for and remitted to the state.

230           (q) The commissioner shall prepare and issue a document to applicants describing the  
231 privileges accorded a vehicle having a special registration plate and removable windshield placard  
232 as well as the penalties when the vehicle is being inappropriately used as described in this section  
233 and shall include the document along with the issued special registration plate or windshield  
234 placard. In addition, the commissioner shall issue a separate document informing the general  
235 public regarding the new provisions and increased fines being imposed either by way of  
236 newspaper announcements or other appropriate means across the state.

237           (r) The commissioner shall propose rules for legislative approval in accordance with the  
238 provisions of §29A-3-1 *et seq.* of this code.
