Be it enacted by the Legislature of West Virginia:

CHAPTER 20. NATURAL RESOURCES.

ARTICLE 17A. MOUNTAINEER TRAIL NETWORK RECREATION AUTHORITY.

§20-17A-1. Legislative findings; purpose.

1 The Legislature further finds that, with the cooperation of private landowners, there is an
2 opportunity to provide trail-oriented recreation facilities primarily on private property in the
3 mountainous terrain of the Potomac Highlands and north central West Virginia and that the
4 facilities will provide significant economic and recreational benefits to the state and to the
5 communities in the Potomac Highlands and north central West Virginia through increased tourism
6 in the same manner as whitewater rafting, snow skiing, and utility terrain motor vehicle riding
7 benefit the state and communities surrounding those activities.

8 The Legislature further finds that the creation and empowering of a joint development
9 entity to work with the landowners, county officials and community leaders, state and federal
10 government agencies, recreational user groups, adjacent neighboring states and counties, and
11 other interested parties to enable and facilitate the implementation of the facilities will greatly
12 assist in the realization of these potential benefits.

13 The purpose of this article is to provide additional opportunities and regulatory
14 authorization for recreational trail networks and to provide for increased access to recreational
15 areas, including, but not limited to, creating a contiguous trail system that connects to the Upper
16 Ohio Valley Trail Network Recreation Authority, the Elk River Trail, the Chesapeake and Ohio
17 Canal Tow Path and any other trails in adjacent neighboring states that can be feasibly connected.

**§20-17A-2. Continuation of Mountaineer Trail Network Recreation Authority and
establishment of recreation area.**

1 (a) There is hereby continued the Mountaineer Trail Network Recreation Authority
2 consisting of representatives from the counties of Barbour, Doddridge, Grant, Harrison, Lewis,
3 Marion, Mineral, Monongalia, Preston, Randolph, Ritchie, Taylor, Tucker, Upshur, and Wood
4 organized pursuant to the provisions of §20-17-1 *et seq.* of this code. This authority is authorized
5 to establish a Mountaineer Trail Network Recreation Area within the jurisdictions of those counties
6 and the authority shall be subject to the powers, duties, immunities, and restrictions provided in
7 §20-17-1 *et seq.* of this code. Visitors and participants in recreational activities within the trail
8 network shall, in similar respects, be subject to the user requirements and prohibitions of §20-17-
9 7 of this code.

10 (b) Notwithstanding subsection (a) of this section, an adjacent county may join the
11 Mountaineer Trail Network Recreation Authority pursuant to the procedures set forth in §20-17-
12 3(b) of this code.

13 (c) Notwithstanding subsection (a) of this section, the Mountaineer Trail Network
14 Recreation Authority may merge with another multicounty trail network authority, pursuant to the
15 procedures set forth in §20-17-3(c) of this code.

16 (d) The Mountaineer Trail Network Recreation Authority may set goals of connecting to
17 the Upper Ohio Valley Trail Network Recreation Authority, the Elk River Trail, the Chesapeake

18 and Ohio Canal Tow Path and any other trails in adjacent neighboring states that can be feasibly
19 connected.
