**§18-7A-13a. Resumption of service by retired teachers.**

1 (a) For the purpose of this section, reemployment of a former or retired teacher as a  
2 teacher may in no way impair the teacher's eligibility for a prior service pension or any other benefit  
3 provided by this article.

4 (b) Retired teachers who qualified for an annuity because of age or service may not receive  
5 prior service allowance from the retirement board when employed as a teacher and when regularly  
6 employed by the State of West Virginia. The payment of the allowance shall be discontinued on  
7 the first day of the month within which the employment begins and shall be resumed on the first  
8 day of the month succeeding the month within which the employment ceases. The annuity paid the  
9 teacher on first retirement resulting from the Teachers' Accumulation Fund and the Employers'  
10 Accumulation Fund shall continue throughout the governmental service and thereafter according  
11 to the option selected by the teacher upon first retirement.

12 (c) Retired teachers who qualified for an annuity because of disability may receive no  
13 further retirement payments if the retirement board finds that the disability of the teacher no longer

14 exists; payment shall be discontinued on the first day of the month within which the finding is  
15 made. If the retired teacher returns to service as a teacher, he or she shall contribute to the  
16 Teachers' Accumulation Fund as a member of the system. His or her prior service eligibility, if any,  
17 shall not be impaired because of his or her disability retirement. His or her accumulated  
18 contributions which were transferred to the benefit fund upon his or her retirement shall be  
19 returned to his or her individual account in the Teachers' Accumulation Fund, minus retirement  
20 payments received which were not supported by such contributions and interest. Upon  
21 subsequent retirement, he or she shall receive credit for all contributory experience, anything to  
22 the contrary in this article notwithstanding.

23 (d) Notwithstanding any provision of this code to the contrary, a person who retires under  
24 the system provided by this article may subsequently become employed on either a full-time basis,  
25 part-time basis, or contract basis by any institution of higher education without any loss of  
26 retirement annuity or retirement benefits if the person's retirement commences between the  
27 effective date of the enactment of this section in 2002 and December 31, 2002: *Provided*, That the  
28 person may not be eligible to participate in any other state retirement system provided by this  
29 code.

30 (e) The retirement board may require of the retired teachers and their employers such  
31 reports as it deems necessary to effectuate the provisions of this section.

32 (f) Prior to any retirant subsequently becoming employed with an employer on a permanent  
33 (regularly employed for full-time service), substitute, or temporary basis, the employer shall notify  
34 the retirement board and the retirant, in writing, when the retirant's potential permanent, substitute,  
35 or temporary employment will negatively impact the retirant's retired status or benefits. Upon the  
36 retirant's acceptance of either permanent, substitute, or temporary employment, the employer  
37 shall notify the retirement board, in writing, of the retirant's subsequent employment.

**§18-7A-15. Collection of membership contributions.**

1 Each employer shall each month deduct six percent from the salary of each employee who

2 is a member of the retirement system, in an amount not to exceed the amount named in §18-7A-14  
3 of this code, and shall at the end of each month remit to the retirement board the amounts so  
4 deducted, and shall transmit therewith a list of all new members employed and the name and  
5 number of members transferring from another county. At such times as the retirement board may  
6 deem advisable each employer shall report to the retirement board the total amount so deducted  
7 from the salary of each employee. The monthly payments which members would receive from  
8 employers as compensation for service in the absence of this article shall be decreased by the  
9 amount of the contribution due hereunder.

10 Each employer shall be held accountable for the sum composing the contributions made  
11 by its member employees. Whenever any county board of education or electing charter school  
12 fails to make timely remittance of the member contributions deducted as provided in this section,  
13 the retirement board may take such steps as are necessary and authorized pursuant to § 5-10D-  
14 13 of this code.

**§18-7A-17. Statement and computation of teachers' service.**

1 (a) Under rules adopted by the retirement board, each teacher and nonteaching member  
2 shall file a detailed statement of his or her length of service as a teacher or nonteacher for which he  
3 or she claims credit. The retirement board shall determine what part of a year is the equivalent of a  
4 year of service. In computing the service, however, it shall credit no period of more than a month's  
5 duration during which a member was absent without pay, nor shall it credit for more than one year  
6 of service performed in any calendar year.

7 (b) For service as a teacher in the employment of the federal government, or a state or  
8 territory of the United States, or a governmental subdivision of that state or territory, the retirement  
9 board shall grant credit to the member: *Provided*, That the member shall pay to the system 12  
10 percent of that member's gross salary earned during the first full year of current employment  
11 whether a member of the Teachers Retirement System or the Teachers' Defined Contribution  
12 Retirement System, times the number of years for which credit is granted, plus interest at a rate to

13 be determined by the retirement board. The interest shall be deposited in the reserve fund and  
14 service credit granted at the time of retirement may not exceed the lesser of 10 years or 50 percent  
15 of the member's total service as a teacher in West Virginia. Any purchase of out-of-state service,  
16 as provided in this article, may not be used to establish eligibility for a retirement allowance and the  
17 retirement board shall grant credit for the purchased service as additional service only: *Provided,*  
18 *however,* That a purchase of out-of-state service is prohibited if the service is used to obtain a  
19 retirement benefit from another retirement system: *Provided further,* That salaries paid to  
20 members for service prior to entrance into the retirement system may not be used to compute the  
21 average final salary of the member under the retirement system.

22 (c) No members may be considered absent from service while serving as a member or  
23 employee of the Legislature of the State of West Virginia during any duly constituted session of  
24 that body or while serving as an elected member of a county commission during any duly  
25 constituted session of that body.

26 (d) No member may be considered absent from service as a teacher or nonteacher while  
27 serving as an officer with a statewide professional teaching association, or who has served in that  
28 capacity, and no retirant, who served in that capacity while a member, may be considered to have  
29 been absent from service as a teacher by reason of that service: *Provided,* That the period of  
30 service credit granted for that service may not exceed 10 years: *Provided, however,* That a  
31 member or retirant who is serving or has served as an officer of a statewide professional teaching  
32 association shall make deposits to the Teachers Retirement System, for the time of any absence,  
33 in an amount double the amount which he or she would have contributed in his or her regular  
34 assignment for a like period of time.

35 (e) The Teachers Retirement System shall grant service credit to any former or present  
36 member of the West Virginia Public Employees Retirement System who has been a contributing  
37 member of the Teachers Retirement System for more than three years, for service previously  
38 credited by the Public Employees Retirement System upon his or her written request and: (1) Shall

39 require the transfer of the member's Public Employees Retirement System accumulated  
40 contributions to the Teachers Retirement System; or (2) shall require a repayment of the amount  
41 withdrawn from the Public Employees Retirement System, plus interest at a rate to be determined  
42 by the retirement board, compounded annually from the date of withdrawal to the date of payment,  
43 any time prior to the member's effective retirement date: *Provided*, That there shall be added by  
44 the member to the amounts transferred or repaid under this subsection an amount which shall be  
45 sufficient to equal the contributions he or she would have made had the member been under the  
46 Teachers Retirement System during the period of his or her membership in the Public Employees  
47 Retirement System, plus interest at a rate determined by the retirement board, compounded  
48 annually from the date the additional contribution would have been made had the member been  
49 under the Teachers Retirement System to the date of payment: *Provided, however*, That members  
50 of the Public Employees Retirement System who first became a member of the Public Employees  
51 Retirement System on or after July 1, 2023, may only transfer service credit to the Teachers  
52 Retirement System if they first became a member of the Teachers Retirement System on or after  
53 July 1, 2015. All interest paid or transferred shall be deposited in the reserve fund.

54 (f) For service as a teacher in an elementary or secondary parochial school, located within  
55 this state and fully accredited by the West Virginia Department of Education, the retirement board  
56 shall grant credit to the member: *Provided*, That the member shall pay to the system 12 percent of  
57 that member's gross salary earned during the first full year of current employment whether a  
58 member of the Teachers Retirement System or the Teachers' Defined Contribution Retirement  
59 System, times the number of years for which credit is granted, plus interest at a rate to be  
60 determined by the retirement board. The interest shall be deposited in the reserve fund and  
61 service granted at the time of retirement may not exceed the lesser of 10 years or 50 percent of the  
62 member's total service as a teacher in the West Virginia public school system. Any purchase of  
63 parochial school service, as provided in this section, may not be used to establish eligibility for a  
64 retirement allowance and retirement board shall grant credit for the purchase as additional service

65 only: *Provided, however,* That a purchase of parochial school service is prohibited if the service is  
66 used to obtain a retirement benefit from another retirement system.

67 (g) Active members who previously worked in Comprehensive Employment and Training  
68 Act (CETA) may receive service credit for time served in that capacity: *Provided,* That in order to  
69 receive service credit under the provisions of this subsection the following conditions shall be met:

70 (1) The member shall have moved from temporary employment with the participating employer to  
71 permanent full-time employment with the participating employer within 120 days following the  
72 termination of the member's CETA employment; (2) the retirement board shall receive evidence  
73 that establishes to a reasonable degree of certainty as determined by the retirement board that the  
74 member previously worked in CETA; and (3) the member shall pay to the retirement board an  
75 amount equal to the employer and employee contribution plus interest at the amount set by the  
76 retirement board for the amount of service credit sought pursuant to this subsection: *Provided,*  
77 *however,* That the maximum service credit that may be obtained under the provisions of this  
78 subsection is two years: *Provided further,* That a member shall apply and pay for the service credit  
79 allowed under this subsection and provide all necessary documentation by March 31, 2003: *And*  
80 *provided further,* That the retirement board shall exercise due diligence to notify affected  
81 employees of the provisions of this subsection.

82 (h) If a member is not eligible for prior service credit or pension as provided in this article,  
83 then his or her prior service may not be considered a part of his or her total service.

84 (i) A member who withdrew from membership may regain his or her former membership  
85 rights as specified in §18-7A-13 of this code only in case he or she has served two years since his  
86 or her last withdrawal.

87 (j) Subject to the provisions of subsections (a) through (k), inclusive, of this section, the  
88 retirement board shall verify as soon as practicable the statements of service submitted. The  
89 retirement board shall issue prior service certificates to all persons eligible for the certificates  
90 under the provisions of this article. The certificates shall state the length of the prior service credit,

91 but in no case shall the prior service credit exceed 40 years.

92 (k) Notwithstanding any provision of this article to the contrary, when a member is or has  
93 been elected to serve as a member of the Legislature, and the proper discharge of his or her duties  
94 of public office require that member to be absent from his or her teaching or administrative duties,  
95 the time served in discharge of his or her duties of the legislative office are credited as time served  
96 for purposes of computing service credit: *Provided*, That the retirement board may not require any  
97 additional contributions from that member in order for the retirement board to credit him or her with  
98 the contributing service credit earned while discharging official legislative duties: *Provided*,  
99 *however*, That nothing in this section may be construed to relieve the employer from making the  
100 employer contribution at the member's regular salary rate or rate of pay from that employer on the  
101 contributing service credit earned while the member is discharging his or her official legislative  
102 duties. These employer payments shall commence as of June 1, 2000: *Provided further*, That any  
103 member to which the provisions of this subsection apply may elect to pay to the retirement board  
104 an amount equal to what his or her contribution would have been for those periods of time he or  
105 she was serving in the Legislature. The periods of time upon which the member paid his or her  
106 contribution shall then be included for purposes of determining his or her final average salary as  
107 well as for determining years of service: *And provided further*, That a member using the provisions  
108 of this subsection is not required to pay interest on any contributions he or she may decide to  
109 make.

110 (l) The Teachers Retirement System shall grant service credit to any former member of the  
111 State Police Death, Disability and Retirement System who has been a contributing member for  
112 more than three years for service previously credited by the State Police Death, Disability and  
113 Retirement System; and: (1) Shall require the transfer of the member's contributions to the  
114 Teachers Retirement System; or (2) shall require a repayment of the amount withdrawn any time  
115 prior to the member's retirement: *Provided*, That the member shall add to the amounts transferred  
116 or repaid under this paragraph an amount which is sufficient to equal the contributions he or she

117 would have made had the member been under the Teachers Retirement System during the period  
118 of his or her membership in the State Police Death, Disability and Retirement System plus interest  
119 at a rate to be determined by the retirement board compounded annually from the date of  
120 withdrawal to the date of payment. The interest paid shall be deposited in the reserve fund.
