# Foreword

In the preparation of this Volume 43 of the West Virginia Blue Book, the editor has endeavored to expand the information contained on the various Departments of our State Government.

Statistics concerning the Department of Motor Vehicles, Conservation, Hospitals, Liquor Control, and Taxation, are much more complete than in the former editions and should be of interest to the users of this Blue Book.

As usual, an up-to-date West Virginia Road map, provided through the courtesy of the State Road Commission, is included. The frontispiece is the new and official forty-nine star Flag of our Country.

Without the help of the many and varied agencies, County, State and Federal, which has been so graciously given in preparing this book, the task would have been almost impossible. My most sincere thanks for their generous assistance.

I hope and trust that the 1959 Blue Book of West Virginia will be a valuable aid to all those who have need of it.

Sincerely,

J. HOWARD MYERS.

## DEPARTMENT OF EMPLOYMENT SECURITY

F. DUANE HILL, Director

State Office Building No. 2, 112 California Avenue

F. DUANE HILL, (R), of Charleston, was born December 13, 1915, at Middlebourne, West Virginia; son of Thomas P. and Cora (Allen) Hill; education received in the Kanawha County public schools, West Liberty College, and West Virginia University (A.B. degree 1937 and LL.B. degree 1939); married Charlotte L. Crighton, June 20, 1953; one child—Elizabeth Ann; Methodist; member of Charleston and West Virginia Bar Associations; served in U. S. Army 1943-1945 Criminal Investigation Division in the European theatre; practiced law in Charleston, 1939-1957 (member of law firm of Hill, Shepherd and Hunter, 1947-1957); law clerk to Judge McClintic and Judge Moore (U. S. District Court), 1940-1942; Assistant City Solicitor, City of Charleston, 1954-1957; General Counsel, West Virginia Department of Employment Security, 1957-1959; appointed Director of Employment Security, April 1, 1959, for unexpired term ending December 31, 1960.

*Salary of Director: \$9,000.00 per year. Appointed by Governor, by and with advice and consent of Senate. Term: Six years, subject to will and pleasure of Governor.*

*Advisory Council: \$25 per day for each day actually served in discharge of duties, also necessary expenses. Six members appointed by Governor, by and with advice and consent of Senate. Term: Six years, subject to will and pleasure of Governor. Two members represent employer interests, two employee interests and two the interests of the general public. Meets first Monday in January, April, July and October. Limit of 30 days' service in any year.*

*Board of Review: \$7,000.00 per year each. Three members appointed by Governor, with advice and consent of Senate. Term: Six years. Nonpartisan. Governor designates chairman.*

Purpose is to promote social and economic security by reducing, as far as possible, the hazards of unemployment. Through compulsory system of unemployment reserves, it provides measures of security to families of unemployed persons and guards against menace to health, morals and welfare arising from unemployment. To fulfill these purposes the Department pays weekly unemployment benefits to workers who are unemployed due to lack of work and who are in the labor market. The funds for payment of benefits are derived from a payroll tax paid by West Virginia employers under the terms of the Social Security Act.

Council serves as advisory body to Director. Board of Review hears and determines disputed claims, appoints examiners, organizes appeal tribunals and exercises such additional powers as may be necessary for the proper conduct of a system of administrative review of disputed claims.

The Department of Public Safety is a state police department with state-wide general police power, created in 1919 to preserve the peace, protect life and property, prevent crime and apprehend criminals. With at least one detachment in each county and a fleet of two-way radio equipped vehicles, the state police handle a large share of the investigation of major crime and apprehension of dangerous criminals, and take primary responsibility for patrolling the highways, enforcing the traffic laws and preventing motor vehicle accidents, besides many miscellaneous services in the public interest, including duty at the scene of emergencies, riots or disaster.

The Board of Commissioners hears charges filed against any officer or member of the department, including the Superintendent, or appeals of charges filed against officers or members with the Superintendent if the Superintendent fails to suspend or dismiss any officer or member after such charges are filed.

The Retirement Board has power to make, revise and terminate awards from the Department Death, Disability and Retirement Fund to retired or disabled members, or to beneficiaries of deceased members.

**THE WEST VIRGINIA STATE BAR (Integrated)****Offices: State Capitol—Telephone DI 6-8414**

Created by the Supreme Court of Appeals under its inherent rule-making power as authorized by Chapter 44, Acts of the Legislature, 1945. The court adopted and promulgated a definition of the practice of law; a code of professional ethics, a code of judicial ethics and a constitution and by-laws for the government of the State Bar, effective May 1, 1947. Its membership consists of all persons lawfully admitted to the practice of law in West Virginia. No person can practice law in the State of West Virginia unless he is a member in good standing of The West Virginia State Bar. There are two classes of membership—active and inactive. The annual active membership fee is now \$15.00 for members who have been admitted to practice for more than five years, and \$10.00 for members who have been admitted to practice for not more than five years.

The objects of the State Bar are to protect the interests of the public; to advance the administration of justice and the science of jurisprudence; to improve the relations between the public and the Bench and the Bar; to uphold and elevate the standards of honor, integrity, competency and courtesy in the legal profession; and to encourage cordial relations among its members. It is its declared purpose to give effect to pertinent rules of the Supreme Court of Appeals, and to perform the functions expressed in its Constitution and By-Laws. A principal duty of the State Bar is to uphold the standards of professional ethics and to diligently and vigilantly investigate and prosecute violations of these standards.

The State Bar is governed by a Board of Governors, consisting of all officers, except the secretary-treasurer, as *ex officio* members, and sixteen Governors, one Governor being elected by the members of the Bar by a secret mail ballot in each of the sixteen State Bar Districts. Officers are a president, chairman of the board, first vice president, second vice president and secretary-treasurer.

## ARTICLE I

### Relations to the Government of the United States

1. The State of West Virginia is, and shall remain, one of the United States of America. The Constitution of the United States of America, and the laws and treaties made in pursuance thereof, shall be the supreme law of the land.

### Internal Government and Police

2. The Government of the United States is a government of enumerated powers, and all powers not delegated to it, nor inhibited to the States, are reserved to the States or to the people thereof. Among the powers so reserved by the States is the exclusive regulation of their own internal government and police; and it is the high and solemn duty of the several departments of government, created by this Constitution, to guard and protect the people of this State from all encroachments upon the rights so reserved.

### Continuity of Constitutional Operation

3. The provisions of the Constitution of the United States, and of this State, are operative alike in a period of war as in time of peace, and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government, and tends to anarchy and despotism.

### Representatives to Congress

4. For the election of representatives to congress, the State shall be divided into districts, corresponding in number with the representatives to which it may be entitled; which districts shall be formed of contiguous counties, and be compact. Each district shall contain, as nearly as may be, an equal number of population, to be determined according to the rule prescribed in the Constitution of the United States.

## ARTICLE II

### The State

1. The territory of the following counties, formerly parts of the Commonwealth of Virginia, shall constitute and form the State of West Virginia, viz:

The counties of Barbour, Berkeley, Boone, Braxton, Brooke, Cabell, Calhoun, Clay, Doddridge, Fayette, Gilmer, Grant, Greenbrier, Hampshire, Hancock, Hardy, Harrison, Jackson, Jefferson, Kanawha, Lewis, Lincoln, Logan, Marion, Marshall, Mason, McDowell, Mercer, Mineral, Monongalia, Monroe, Morgan, Nicholas, Ohio, Pendleton, Pleasants, Pocahontas, Preston, Putnam, Raleigh, Randolph, Ritchie, Roane, Summers, Taylor, Tucker, Tyler, Upshur, Wayne, Webster, Wetzel, Wirt, Wood and Wyoming. The State of West Virginia includes the bed, bank and shores of the Ohio River, and so much of the Big Sandy River as was formerly included in the Commonwealth of Virginia; in all territorial rights and property in, and jurisdiction over the same, heretofore reserved by, and vested in, the Commonwealth of Virginia, are vested in and shall hereafter be exercised by the State of West Virginia. And such parts of the said beds, banks and shores as lie opposite, and adjoining the several counties of this State, shall form parts of said several counties respectively.

[All of the territory of West Virginia was taken from the commonwealth of Virginia and in the first constitution forty-four of the above named counties were designated as forming the State of West Virginia, and in addition the counties of Berkeley, Hampshire, Hardy, Jefferson, Morgan and Pendleton were to be admitted should the constitution be adopted by a vote of the people of the districts comprising the counties. The districts adopted the constitution and these six counties became a part of the State.

The remaining five counties were created by acts of the Legislature as follows: Mineral County, from Hampshire County, on February 1, 1866; Grant County, from Hardy County, on February 14, 1866; Lincoln County from parts of Cabell, Putnam, Kanawha and Boone Counties, on February 23, 1867; Summers County, from parts of Greenbrier, Monroe, Mercer and Fayette Counties, on February 27, 1871; and Mingo County, from Logan County, on February 23, 1895.]

### Powers of Government in Citizens

2. The powers of government reside in all the citizens of the State, and can be rightfully exercised only in accordance with their will and appointment.

### Requisites of Citizenship

3. All persons residing in this State, born, or naturalized in the United States, and subject to the jurisdiction thereof, shall be citizens of this State.

### Equal Representation

4. Every citizen shall be entitled to equal representation in the government, and, in all apportionments of representation, equality of numbers of those entitled thereto shall, as far as practicable, be preserved.

### Provisions Regarding Property

5. No distinction shall be made between resident aliens and citizens as to the acquisition, tenure, disposition or descent of property.

### Treason, What Constitutes—Penalty

6. Treason against the State shall consist only in levying war against it, or in adhering to its enemies, giving them aid and comfort. No person shall be convicted of treason, unless on the testimony of two witnesses to the same overt act,

or on confession in open court. Treason shall be punished according to the character of the acts committed, by the infliction of one, or more, of the penalties of death, imprisonment or fine, as may be prescribed by law.

#### **“Montani Semper Liberi”—State Seal**

7. The present seal of the State, with its motto “*Montani Semper Liberi*,” shall be the great seal of the State of West Virginia, and shall be kept by the Secretary of State, to be used by him officially, as directed by law.

8. Writs, grants and commissions, issued under the authority of this State shall run in the name of, and official bond shall be made payable to the State of West Virginia. Indictments shall conclude, “Against the peace and dignity of the State.”

### **ARTICLE III**

#### **Bill of Rights**

1. All men are, by nature, equally free and independent, and have certain inherent rights, of which, when they enter into a state of society, they cannot by any compact, deprive or divest their posterity, namely: the enjoyment of life and liberty, with the means of acquiring and possessing property, and of pursuing and obtaining happiness and safety.

#### **Magistrates Servants of People**

2. All power is vested in, and consequently derived from the people. Magistrates are their trustees and servants, and at all times amenable to them.

#### **Rights Reserved to People**

3. Government is instituted for the common benefit, protection and security of the people, nation or community. Of all its various forms, that is the best which is capable of producing the greatest degree of happiness and safety, and is most effectually secured against the danger of maladministration; and when any government shall be found inadequate or contrary to these purposes, a majority of the community has an indubitable, inalienable and indefeasible right to reform, alter or abolish it in such manner as shall be judged most conducive to the public weal.

#### **Writ of Habeas Corpus**

4. The privilege of the writ of *habeas corpus* shall not be suspended. No person shall be held to answer for treason, felony or other crime, not cognizable by a justice, unless on presentment or indictment of a grand jury. No bill of attainder, *ex-post facto* law, or law impairing the obligation of a contract, shall be passed.

#### **Excessive Bail Not Required**

5. Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishment inflicted. Penalties shall be proportioned to the character and degree of the offense. No person shall be transported out of, or forced to leave the State for any offense committed within the same; nor shall any person, in any criminal case, be compelled to be a witness against himself, or be twice put in jeopardy of life or liberty for the same offense.

#### **Unreasonable Search and Seizure Prohibited**

6. The rights of the citizens to be secure in their houses, persons, papers and effects, against unreasonable searches and seizures, shall not be violated. No warrant shall issue except upon probable cause, supported by oath or affirmation, particularly describing the place to be searched, or the person or thing to be seized.

#### **Freedom of Speech and Press Guaranteed**

7. No law abridging the freedom of speech, or of the press, shall be passed; but the Legislature may, by suitable penalties, restrain the publication or sale of ob-

#### **Relating to Civil Suits for Libel**

8. In prosecutions and civil suits for libel, the truth may be given in evidence; and if it shall appear to the jury, that the matter charged as libelous is true, and was published with good motives, and for justifiable ends, the verdict shall be for the defendant.

#### **Private Property, How Taken**

9. Private property shall not be taken or damaged for public use, without just compensation; nor shall the same be taken by any company, incorporated for the purposes of internal improvement, until just compensation shall have been paid, or secured to be paid, to the owner; and when private property shall be taken, or damaged for public use, or for the use of such corporations, the compensation to the owner shall be ascertained in such manner as may be prescribed by general law: *Provided*, That when required by either of the parties, such compensation shall be ascertained by an impartial jury of twelve freeholders.

#### **Safeguards for Life, Liberty and Property**

10. No person shall be deprived of life, liberty, or property, without due process of law, and the judgment of his peers.

#### **Political Tests Condemned**

11. Political tests, requiring persons, as a prerequisite to the enjoyment of their civil and political rights, to purge themselves by their own oaths, of past alleged offenses, are repugnant to the principles of free government, and are cruel and oppressive. No religious or political test oath shall be required as a prerequisite or qualification to vote, serve as a juror, sue, plead, appeal, or pursue any profession or employment. Nor shall any person be deprived by law of any right or privilege, because of any act done prior to the passage of such law.

#### **Military Subordinate to Civil Power**

12. Standing armies, in time of peace, should be avoided as dangerous to liberty. The military shall be subordinate to the civil power; and no citizen unless engaged in the military service of the State, shall be tried or punished by any military court, for any offense that is cognizable by the civil courts of the State. No soldier shall, in time of peace, be quartered in any house, without the consent of the owner, nor in time of war, except in the manner to be prescribed by law.

#### **Right of Jury Trial**

13. In suits at common law, where the value in controversy exceeds twenty dollars exclusive of interest and costs, the right of trial by jury, if required by either party, shall be preserved; and in such suit before a justice a jury may consist of six persons. No fact tried by a jury shall be otherwise re-examined in any case than according to the rules of the common law.

[The amendment of this section was proposed by joint resolution of March 7, 1879, Acts 1879, p. 182 and adopted at the next election. Prior to being amended the section read as follows: "In suits at common law, where the value in controversy, exclusive of interest and costs, exceeds twenty dollars, the right of trial by a jury of twelve men, if required by either party, shall be preserved; except that in appeals from judgments of justices, a jury of a less number may be authorized by law; but in trials of civil cases before a justice no jury shall be allowed and no fact tried by a jury shall in any case, be otherwise reexamined than according to the rules of common law."]

#### **Trial of Crimes—Provisions in Interest of Accused**

14. Trials of crimes, and of misdemeanors, unless herein otherwise provided, shall be by a jury of twelve men\*, public, without unreasonable delay, and in the

In all such trials, the accused shall be fully and plainly informed of the character and cause of the accusation, and be confronted with the witnesses against him, and shall have the assistance of counsel, and a reasonable time to prepare for his defense; and there shall be awarded to him compulsory process for obtaining witnesses in his favor.

#### **Religious Freedom Guaranteed**

15. No man shall be compelled to frequent or support any religious worship, place or ministry whatsoever; nor shall any man be enforced, restrained, molested or burthened, in his body or goods or otherwise suffer, on account of his religious opinions or belief, but all men shall be free to profess, and, by argument, to maintain their opinions in matters of religion; and the same shall, in no wise, affect, diminish or enlarge their civil capacities; and the legislature shall not prescribe any religious test whatever, or confer any peculiar privileges or advantages on any sect or denomination, or pass any law requiring or authorizing any religious society, or the people of any district within this State, to levy on themselves, or others, any tax for the erection or repair of any house for public worship, or for the support of any church or ministry, but it shall be left free for every person to select his religious instructor, and to make for his support such private contract as he shall please.

#### **Right of Public Assembly Held Inviolable**

#### **Courts Open to All—Justice Administered Speedily**

17. The courts of this State shall be open, and every person, for an injury done to him, in his person, property or reputation, shall have remedy by due course of law; and justice shall be administered without sale, denial or delay.

#### **Jury Service for Women**

Section 21. Regardless of sex all persons, who are otherwise qualified, shall be eligible to serve as petit jurors, in both civil and criminal cases, as grand jurors and as coronor's jurors.

[This section was proposed by House Joint Resolution No. 2, Acts, Regular Session 1955, p. 571, and ratified at the General Election November 6, 1956. Vote on the amendment: For ratification, 327,113; Against ratification, 202,002; Majority, 125,111.]

### **ARTICLE IV**

#### **Elections and Officers**

1. The \*male citizens of the State shall be entitled to vote at all elections held within the counties in which they respectively reside but no person who is a

minor, or of unsound mind, or a pauper, or who is under conviction of treason, felony, or bribery in an election, or who has not been a resident of the State for one year, and of the county in which he offers to vote, for sixty days next preceding such offer, shall be permitted to vote while such disability continues; but no person in the military, naval or marine service of the United States, shall be deemed a resident of this State by reason of being stationed therein.

#### **Mode of Voting by Ballot**

2. In all elections by the people, the mode of voting shall be by ballot; but the voter shall be left free to vote by either open, sealed or secret ballot, as he may elect.

#### **Voter Not Subject to Arrest on Civil Process**

3. No voter, during the continuance of an election at which he is entitled to vote, or during the time necessary and convenient for going to and returning from the same, shall be subject to arrest upon civil process, or be compelled to attend any court, or judicial proceeding, as suitor, juror or witness; or to work upon the public roads; or except in time of war or public danger to render military service.

#### **Persons Entitled to Hold Office—Age Requirements**

4. No person, except citizens entitled to vote, shall be elected or appointed to any State, county or municipal office; but the Governor and Judges must have attained the age of thirty, and the Attorney General and Senators the age of twenty-five years, at the beginning of their respective terms of service; and must have been citizens of the State for five years next preceding their election or appointment, or be citizens at the time this Constitution goes into operation.

#### **Oath or Affirmation to Support the Constitution**

5. Every person elected or appointed to any office, before proceeding to exercise the authority, or discharge the duties thereof, shall make oath or affirmation that he will support the Constitution of the United States and the Constitution of this State, and that he will faithfully discharge the duties of his said office to the best of his skill and judgment; and no other oath, declaration or test shall be required as a qualification, unless herein otherwise provided.

#### **Provisions for Removal of Officials**

6. All officers elected or appointed under this Constitution, may, unless in cases herein otherwise provided for, be removed from office for official misconduct, incompetence, neglect of duty, or gross immorality, in such manner as may be prescribed by general laws, and unless so removed they shall continue to discharge the duties of their respective offices until their successors are elected, or appointed and qualified.

#### **General Elections, When Held—Terms of Officials**

7. The general elections of State and county officers, and of members of the legislature, shall be held on the Tuesday next after the first Monday in November, until otherwise provided by law. The terms of such officers, not elected, or appointed to fill a vacancy, shall, unless herein otherwise provided, begin on the first day of January; and of the members of the Legislature, on the first day of December next succeeding their election. Elections to fill vacancies, shall be for the unexpired term. When vacancies occur prior to any general election, they shall be filled by appointments in such manner as may be prescribed herein, or by general law, which appointments shall expire at such time after the next general election as the person so elected to fill such vacancy shall be qualified.

[The amendment of this section was proposed by joint resolution of February 21, 1883, Acts 1883, p. 137, and ratified at the next election. The original section provided that the general election should be held on "the second Tuesday of October," and the change was made in order that the election of State officers would fall on the same day as the presidential election. As a consequential amendment the term of office of members of the Legislature was made to begin on the first day of December instead of the first day of November, as in the original article.]

### **Further Provisions Regarding State's Officers and Agents**

The House of Delegates shall have the sole power of impeachment. The Senate shall have the sole power to try impeachments and no person shall be convicted without the concurrence of two-thirds of the members elected thereto. When sitting as a court of impeachment, the President of the Supreme Court of Appeals, or, if from any cause it be improper for him to act, then any other judge of that court, to be designated by it, shall preside; and the Senators shall be on oath or affirmation, to do justice according to law and evidence. ### **Fighting of Duels Prohibited**

10. [The amendment of this section was proposed by joint resolution of February 22, 1901, Acts 1901, p. 472, and adopted at the next election. The original section read as follows: "No citizen shall ever be denied or refused the right or privilege of voting at an election, because his name is not, or has not been registered or listed as a qualified voter."]

## **ARTICLE V**

### **Division of Powers**

1. The Legislative, Executive and Judicial Departments shall be separate and distinct, so that neither shall exercise the powers properly belonging to either of the others; nor shall any person exercise the powers of more than one of them at the same time, except that justices of the peace shall be eligible to the Legislature.

## **ARTICLE VI**

### **Legislature**

1. The legislative power shall be vested in a Senate and House of Delegates. The style of their Acts shall be, "Be it enacted by the Legislature of West Virginia."

### Composition of Senate and House of Delegates

2. The Senate shall be composed of twenty-four, and the House of Delegates of sixty-five members subject to be increased according to the provisions hereinafter contained.

[The Senate is now composed of thirty-two, and the House of Delegates of one hundred members.]

### Senators and Delegates—Term of Office

3. Senators shall be elected for the term of four years, and Delegates for the term of two years. The Senators first elected shall divide themselves into two classes, one Senator from every district being assigned to each class; and of these classes, the first to be designated by lot in such manner as the Senate may determine, shall hold their seats for two years, and the second for four years, so that after the first election, one-half of the Senators shall be elected biennially.

### Division of State Into Senatorial Districts

4. For the election of Senators, the State shall be divided into twelve Senatorial districts which number shall not be diminished, but may be increased as hereinafter provided. Every district shall elect two Senators, but where the district is composed of more than one county, both shall not be chosen from the same county. The districts shall be compact, formed of contiguous territory, bounded by county lines, and, as nearly as practicable, equal in population, to be ascertained by the census of the United States. After every such census, the Legislature shall alter the Senatorial Districts, so far as may be necessary to make them conform to the foregoing provision.

[There are now sixteen senatorial districts, as provided by Acts of 1937, Ch. 128.]

### Senatorial Districts Designated

5. Until the Senatorial Districts shall be altered by the Legislature as herein prescribed, the counties of Hancock, Brooke and Ohio, shall constitute the first Senatorial District; Marshall, Wetzel and Marion, the second; Ritchie, Doddridge, Harrison, Gilmer and Calhoun, the third; Tyler, Pleasants, Wood and Wirt, the fourth; Jackson, Mason, Putnam and Roane, the fifth; Kanawha, Clay, Nicholas, Braxton and Webster, the sixth; Cabell, Wayne, Lincoln, Boone, Logan, Wyoming, McDowell and Mercer, the seventh; Monroe, Greenbrier, Summers, Pocahontas, Fayette and Raleigh, the eighth; Lewis, Randolph, Upshur, Barbour, Taylor and Tucker, the ninth; Preston and Monongalia, the tenth; Hampshire, Mineral, Hardy, Grant and Pendleton, the eleventh; Berkeley, Morgan and Jefferson, the twelfth.

[By the provisions of the reapportionment act of 1937 (Acts 1937, Ch. 128) the number of senatorial districts was increased to sixteen, the number of senators to thirty-two, and the counties rearranged in the various districts.]

### Provision for Delegate Representation

6. For the election of Delegates, every county containing a population of less than three-fifths of the ratio of representation for the House of Delegates, shall at each apportionment, be attached to some contiguous county or counties, to form a delegate District.

[By the provisions of the Acts of 1901, Ch. 10, the House of Delegates consisted of eighty-six members, each county having at least one member. From 1916 to 1952, the House of Delegates consisted of ninety-four members. The House of Delegates now consists of one hundred members. See ch. 166, p. 666, Acts of the Legislature, 1951, Regular Session.]

### After Census, Delegate Apportionment

7. After every census the Delegates shall be apportioned as follows: The ratio of representation for the House of Delegates shall be ascertained by dividing the whole population of the State by the number of which the House is to consist and rejecting the fraction of a unit, if any, resulting from such division. Dividing the population of every delegate District, and of every county not in-

cluded in a Delegate District, by the ratio thus ascertained, there shall be assigned to each a number of Delegates equal to the quotient obtained by this division, excluding the fractional remainder. The additional Delegates necessary to make up the number of which the House is to consist, shall then be assigned to those Delegate Districts, and counties not included in a Delegate District, which would otherwise have the largest fractions unrepresented; but every Delegate District and county not included in a Delegate District shall be entitled to at least one Delegate.

#### **Designation of Delegate Districts**

8. Until a new apportionment shall be declared, the counties of Pleasants and Wood shall form the first Delegate District, and elect three Delegates; Ritchie and Calhoun the second, and elect two Delegates; Barbour, Harrison and Taylor the third, and elect one Delegate; Randolph and Tucker the fourth, and elect one Delegate; Nicholas, Clay and Webster the fifth, and elect one Delegate; McDowell and Wyoming the sixth, and elect one Delegate.

[There are now no delegate districts, each county having at least one member.]

#### **Further Apportionments**

9. Until a new apportionment shall be declared, the apportionment of Delegates to the counties not included in Delegate Districts, and to Barbour, Harrison and Taylor counties, embraced in such districts, shall be as follows:

To Barbour, Boone, Braxton, Brooke, Cabell, Doddridge, Fayette, Hampshire, Hancock, Jackson, Lewis, Logan, Greenbrier, Monroe, Mercer, Mineral, Morgan, Grant, Hardy, Lincoln, Pendleton, Putnam, Roane, Gilmer, Taylor, Tyler, Upshur, Wayne, Wetzel, Wirt, Pocahontas, Summers and Raleigh counties one Delegate each.

To Berkeley, Harrison, Jefferson, Marion, Marshall, Mason, Monongalia and Preston counties, two Delegates each.

To Kanawha County, three Delegates.

To Ohio County, four Delegates.

[Many changes have been made in this apportionment. Kanawha County, the largest in population, now has eleven delegates. For the present apportionment, see chapter 166, Acts of the Legislature, 1951, Regular Session.]

#### **Arrangement of Senatorial and Delegate Districts**

10. The arrangement of the Senatorial and Delegate Districts, and apportionment of Delegates, shall hereafter be declared by law, as soon as possible after each succeeding census, taken by authority of the United States. When so declared they shall apply to the first general election for members of the Legislature, to be thereafter held, and shall continue in force unchanged, until such Districts shall be altered, and Delegates apportioned, under the succeeding census.

#### **Additional Territory May Be Admitted Into State**

11. Additional territory may be admitted into, and become part of this State, with the consent of the Legislature and a majority of the qualified voters of the State, voting on the question. And in such case provision shall be made by law for the representation thereof in the Senate and House of Delegates, in conformity with the principles set forth in this Constitution. And the number of members of which each house of the Legislature is to consist, shall thereafter be increased by the representation assigned to such additional territory.

#### **Senators and Delegates Required to be Residents of District**

Nor shall any member of the Legislature be interested, directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the term for which he shall have been elected.

### **Oath of Senators and Delegates**

16. Members of the Legislature before they enter upon their duties, shall take and subscribe the following oath or affirmation: "I do solemnly swear (or affirm) that I will support the Constitution of the United States, and the Constitution of the State of West Virginia, and faithfully discharge the duties of Senator (or Delegate) according to the best of my ability;" and they shall also take this further oath, to-wit: "I will not accept or receive, directly or indirectly, any money or other valuable thing, from any corporation, company, or person for any vote or influence I may give or withhold, as Senator (or Delegate), on any bill, resolution, or appropriation, or for any act I may do or perform as Senator (or Delegate)." These oaths shall be administered in the hall of the house to which the member is elected, by a Judge of the Supreme Court of Appeals, or of a Circuit Court, or by any other person authorized by law to administer an oath; and the Secretary of State shall record and file said oaths subscribed by each member; and no other oath or declaration shall be required as a qualification. Any member who shall refuse to take the oath herein prescribed, shall forfeit his seat; and any member who shall be convicted of having violated the oath last above required to be taken, shall forfeit his seat and be disqualified thereafter from holding any office of profit or trust in this State.

### **Members of Legislature Privileged from Civil Arrest**

### **Homestead Exemption**

48. Any husband or parent residing in this State, or the infant children of deceased parents, may hold a homestead of the value of one thousand dollars, and personal property to the value of two hundred dollars, exempt from forced sale subject to such regulations as shall be prescribed by law: *Provided*, That such homestead exemption shall in no wise affect debts or liabilities existing at the time of the adoption of this Constitution: and *Provided, further*, That no property shall be exempt from sale for taxes due thereon, or for the payment of purchase money due upon said property, or for debts contracted for the erection of improvements thereon.

### **Property of Married Women**

49. The Legislature shall pass such laws as may be necessary to protect the property of married women from the debts, liabilities and control of their husbands.

### **Plan of Proportional Representation**

50. The Legislature may provide for submitting to a vote of the people at the general election to be held in 1876, or at any general election thereafter, a plan or scheme of proportional representation in the Senate of this State; and if a majority of the votes cast at such election be in favor of the plan submitted to them, the Legislature shall, at its session succeeding such election, rearrange the Senatorial Districts in accordance with the plan so approved by the people.

### The Budget System

51. The Legislature shall not appropriate any money out of the treasury except in accordance with the following provisions:

#### Sub-Section A

Every appropriation bill shall be either a budget bill, or a supplementary appropriation bill, as hereinafter mentioned.

#### Sub-Section B

*First:* Within ten days after the convening of the Legislature, unless such time shall be extended by the Legislature for the sessions at which the budget is to be submitted, the Board of Public Works, which shall consist of the Governor, Secretary of State, Auditor, Treasurer, Attorney General, Superintendent of Free Schools and Commissioner of Agriculture, shall submit to the Legislature, \*two budgets, one for each of the ensuing fiscal years: Each budget shall contain a complete plan of proposed expenditures and estimated revenues for the particular fiscal year to which it relates; and shall show the estimated surplus or deficit of revenues at the end of such year. Accompanying each budget shall be a statement showing: (1) the revenues and expenditures for each of the two fiscal years next preceding; (2) the current assets, liabilities, reserves and surplus or deficit of the State; (3) the debts and funds of the State; (4) an estimate of the State's financial condition as of the beginning and end of each of the fiscal years covered by the two budgets above provided; (5) any explanation the Board of Public Works may desire to make as to the important features of any budget and any suggestion as to methods for the reduction or increase of the State's revenue.

*Second:* Each budget shall be divided into two parts, and the first part shall be designated "Governmental Appropriations" and shall embrace an itemized estimate of the appropriations: (1) for the Legislature as certified to the Board of Public Works in the manner hereinafter provided; (2) for the Executive Department; (3) for the judiciary department as provided by law, certified to the Governor by the Auditor; (4) to pay and discharge the principal and interest of any debt of the State of West Virginia hereafter created in conformity with the Constitution and all laws enacted in pursuance thereof; (5) for the salaries payable by the State under the Constitution and laws of the State; (6) for the aid of the public schools in conformity with the laws of the State; (7) for such other purposes as are set forth in the Constitution and laws made in pursuance thereof.

*Third:* The second part shall be designated "General Appropriations," and shall include all other estimates of appropriations.

The Board of Public Works shall deliver to the presiding officer of each House the budgets and a bill for all proposed appropriations of the budgets clearly itemized and classified; and the presiding officer of each House shall promptly cause said bill to be introduced therein, and such bill shall be known as the "Budget Bill." The Board of Public Works may, before final action thereon by the Legislature, amend or supplement either of said budgets to correct an oversight or in case of an emergency, with the consent of the Legislature by delivering such an amendment or supplement to the presiding officers of both Houses; and such amendment or supplement shall thereby become a part of said budget bill as an addition to the items of said bill or as a modification of or a substitute for any item of said bill such amendment or supplement may affect.

The Legislature shall not amend the budget bill so as to create a deficit but may amend the bill by increasing or diminishing the items therein relating to the Legislature, and by increasing the items therein relating to the judiciary, but except as hereinbefore specified, may not alter the said bill except to strike out or reduce items therein: *Provided, however,* That the salary or compensation of any public officer shall not be increased or diminished during his term of office; and such bill when and as passed by both Houses shall be a law immediately without further action by the Governor.

---

\*This provision has been modified by the amendment of section eighteen of this article, requiring an annual budget.

*Fourth:* The governor and such representatives of the boards, officers and commissions of the State expending or applying for State's money as have been designated by the Board of Public Works for this purpose, shall have the right, and when requested by either House of the Legislature it shall be their duty to appear and be heard with respect to any budget bill during the consideration thereof, and to answer inquiries relative thereto.

#### **Sub-Section C—Supplementary Appropriation Bills**

Neither House shall consider other appropriations until the budget bill has been finally acted upon by both Houses, and no such other appropriations shall be valid except in accordance with the provisions following:

(1) Every such appropriation shall be embodied in a separate bill limited to some single work, object or purpose therein stated and called herein a supplementary appropriation bill; (2) each supplementary appropriation bill shall provide the revenue necessary to pay the appropriation thereby made by a tax, direct or indirect, to be laid and collected as shall be directed in said bill unless it appears from such budget that there is sufficient revenue available; (3) no supplementary appropriation bill shall become a law unless it be passed in each House by a vote of a majority of the members present, and the yeas and nays recorded on its final passage. Each supplementary appropriation bill shall be presented to the Governor of the State as provided in section fourteen of article seven of the Constitution and thereafter all the provisions of said section shall apply.

Nothing in this amendment shall be construed as preventing the Legislature from passing in time of war an appropriation bill to provide for the payment of any obligation of the State of West Virginia within the protection of section ten of article one of the Constitution of the United States.

#### **Sub-Section D—General Provisions**

*First:* If the "Budget Bill" shall not have been finally acted upon by the Legislature three days before the expiration of its regular session, the Governor may, and it shall be his duty to issue a proclamation extending the session for such further period as may, in his judgment, be necessary for the passage of such bill; but no other matter than such bill shall be considered during such extended session except a provision for the cost thereof.

*Second:* The Board of Public Works for the purpose of making up its budgets shall have the power, and it shall be its duty, to require from the proper State officials, including herein all executive departments, all executive and administrative officers, bureaus, boards, commissions and agencies expending or supervising the expenditure of, and all institutions applying for state monies and appropriations, such itemized estimates and other information, in such form and at such times as said board shall direct. The estimates for the legislative department, certified by the presiding officer of each House, of the judiciary, as provided by law, certified by the Auditor, and for the public schools, as provided by law, shall be transmitted to the Board of Public Works, in such form and at such times as it shall direct, and shall be included in the budget.

The Board of Public Works may provide for public hearings on all estimates and may require the attendance at such hearings of representatives of all agencies, and all institutions applying for state monies. After such public hearings, it may, in its discretion, revise all estimates except those for the legislative and judiciary departments, and for the public schools as provided by law.

*Third:* The Legislature may, from time to time, enact such laws, not inconsistent with this section, as may be necessary and proper to carry out its provisions.

*Fourth:* In the event of any inconsistency between any of the provisions of this section and any of the other provisions of the Constitution, except amendments thereto heretofore made and ratified by the people, the provisions of this section shall prevail. But nothing herein shall be construed as preventing the Governor

[This section—added to Article VI—was authorized to be submitted by Senate Joint Resolution No. 1, adopted May 23, 1917 (Acts 1917, p. 69, ex. sess.) and was ratified by a vote of the people at the general election held on the fifth day of November, 1918, as an amendment to the Constitution known as "The Budget Amendment." If any item of any appropriation bill passed under the provisions of this section shall be held invalid upon any ground, such invalidity shall not affect the legality of the bill or of any other item of such bill or bills.

### Motor Fuel and Motor Vehicle Revenue

52. Revenue from gasoline and other motor fuel excise and license taxation, motor vehicle registration and license taxes, and all other revenue derived from motor vehicles or motor fuels shall, after the deduction of statutory refunds and cost of administration and collection authorized by legislative appropriation, be appropriated and used solely for construction, reconstruction, repair and maintenance of public highways, and also the payment of the interest and principal on all road bonds heretofore issued or which may be hereafter issued for the construction, reconstruction or improvement of public highways, and the payment of obligations incurred in the construction, reconstruction, repair and maintenance of public highways.

### Forestry

53. The Legislature may by general law define and classify forest lands and provide for cooperation by contract between the State and the owner in the planting, protection, and harvesting thereof. Forest lands embraced in any such contract may be exempted from all taxation or be taxed in such manner, including the imposition of a severance tax or charge as trees are harvested, as the Legislature may from time to time provide. But any tax measure by valuation shall not exceed the aggregate rates authorized by section one of article ten of this Constitution.

[This section was proposed by House Joint Resolution No. 7, (Acts, Regular Session, 1945, p. 640) and ratified at the General Election November 5, 1946. Vote on the amendment: For ratification, 179,150; against ratification, 148,104; majority, 31,046.]

Contested elections for the office of Governor shall be determined by both Houses of the Legislature by joint vote, in such manner as may be prescribed by law.

[The amendment of this section was proposed by Joint Resolution of February 15, 1901 (Acts 1901, p. 460) and ratified at the next election. The effect of the amendment was to strike out the following at the end of the original section: "The Secretary of State shall be appointed by the Governor, by and with the advice and consent of the Senate, and shall continue in office, unless sooner removed, until the expiration of the official term of the Governor by whom he shall have been appointed."]

### **Eligibility**

[The amendment of this section was proposed by joint resolution of February 15, 1901, Acts 1901, p. 460, and adopted at the next election. The section prior to being amended, read as follows: "Neither the Governor, State Superintendent of Free Schools, Auditor, Treasurer, nor Attorney General, shall hold any other office during the term of his service. The Governor shall nominate, and by and with the advice and consent of the Senate, (a majority of all the Senators elected concurring by yeas and nays) appoint all officers whose offices are established by this Constitution, or shall be created by law, and whose appointment or election is not otherwise provided for; and no such officer shall be appointed or elected by the Legislature.

### **Recess Vacancies—How Filled**

9. In case of a vacancy, during the recess of the Senate, in any office which is not elective, the Governor shall, by appointment, fill such vacancy, until the next meeting of the Senate, when he shall make a nomination for such office, and the person so nominated, when confirmed by the Senate, (a majority of all the Senators elected concurring by yeas and nays) shall hold his office during the remainder of the term, and until his successor shall be appointed and qualified. No person, after being rejected by the Senate, shall be again nominated for the same office, during the same session, unless at the request of the Senate; nor shall such person be appointed to the same office during the recess of the Senate.

### **Governor's Power of Removal**

When any State officer has executed his official bond, the Governor shall, for such causes and in such manner as the Legislature may direct, require of such officer reasonable additional security; and if the security is not given as required, his office shall be declared vacant, in such manner as may be provided by law.

### **How Bills Become Laws**

14. Every bill passed by the Legislature shall, before it becomes a law, be presented to the Governor. If he approve, he shall sign it, and thereupon it shall become a law; but if not, he shall return it, with his objections, to the House in which it originated, which House shall enter the objections at large upon its journal, and proceed to reconsider it. If, after such reconsideration, a majority of the members elected to that House agree to pass the bill, it shall be sent, together with the objections to the other House, by which it shall likewise be reconsidered,

and if approved by a majority of the members elected to that House, it shall become a law, notwithstanding the objections of the Governor. But in all such cases, the vote of each House shall be determined by yeas and nays to be entered on the journal. Any bill which shall not be returned by the Governor within five days (Sundays excepted) after it shall have been presented to him, shall be a law, in like manner as if he had signed it, unless the Legislature shall, by their adjournment, prevent its return, in which case it shall be filed with his objections in the office of the Secretary of State, within five days after such adjournment, or become a law.

15. Every bill passed by the Legislature making appropriations of money, embracing distinct items, shall before it becomes a law, be presented to the Governor, if he disapproves the bill, or any item or appropriation therein contained, he shall communicate such disapproval with his reasons therefor to the House in which the bill originated; but all items not disapproved shall have the force and effect of a law according to the original provisions of the bill. Any item or items so disapproved shall be void, unless re-passed by a majority of each House according to the rules and limitations prescribed in the preceding section in reference to other bills.

### Vacancy in Governorship, How Filled

16. In case of the death, conviction or impeachment, failure to qualify, resignation, or other disability of the Governor, the President of the Senate shall act as Governor until the vacancy is filled, or the disability removed; and if the President of the Senate, for any of the above named causes, shall become incapable of performing the duties of Governor, the same shall devolve upon the Speaker of the House of Delegates; and in all other cases where there is no one to act as Governor, one shall be chosen by joint vote of the Legislature. Whenever a vacancy shall occur in the office of Governor before the first three years of the term shall have expired, a new election for Governor shall take place to fill the vacancy.

### Vacancies in Other Executive Departments

17. If the office of Secretary of State, Auditor, Treasurer, Commissioner of Agriculture, or Attorney General, shall become vacant by death, resignation, or otherwise, it shall be the duty of the Governor to fill the same by appointment, and the appointee shall hold his office until his successor shall be elected and qualified in such manner as may be prescribed by law. The subordinate officers of the executive department and the officers of all public institutions of the State shall keep an account of all monies received or disbursed by them, respectively, from all sources, and for every service performed, and make a semi-annual report thereof to the Governor under oath or affirmation; and any officer who shall wilfully make a false report shall be deemed guilty of perjury.

[This section originally read as follows: "If the office of Auditor, Treasurer, State Superintendent of Free Schools, or Attorney General, shall become vacant by death, resignation, or otherwise, it shall be the duty of the Governor to fill the same by appointment, and the appointee shall hold his office until his successor shall be elected and qualified in such manner as may be provided by law. The subordinate officers of the executive department and the officers of all public institutions of the State shall keep an account of all monies received or disbursed by them respectively, from all sources, and for every service performed, and make a semi-annual report thereof to the Governor under oath or affirmation, and any officer who shall wilfully make a false report shall be deemed guilty of perjury."

In the first amendment of this section, proposed by House Joint Resolution No. 5 (Acts, Regular Session, 1901, p. 460) and ratified at the general election 1902, the only change in the original section was the insertion of the words "Secretary of State" in the first line, and by substitution of the word "prescribed" for the word "provided" in the eighth line.

Under Senate Joint Resolution No. 1 (Acts, Regular Session, 1957, p. 837), and ratified at the general election November 4, 1958, the section was again amended to read as given in the text. Vote on the amendment: For ratification, 230,879; Against ratification, 206,201; Majority, 24,678.]

[The amendment of this section was proposed by joint resolution adopted February 13, 1901, Acts 1901, p. 459, and ratified at the next election. This section, prior to amendment read as follows: "The Governor shall receive for his services, a salary of twenty-seven hundred dollars per annum and no additional emolument, allowance or perquisite shall be paid or made to him, on any account. Any person acting as Governor shall receive the emoluments of that office. The Secretary of State shall receive one thousand; the State Superintendent of Free Schools, fifteen hundred; the Treasurer, fourteen hundred; the Auditor, two thousand, and the Attorney General thirteen hundred dollars per annum; and no additional emolument or allowance, except as herein otherwise provided, shall be paid or made out of the treasury of the State to any of the foregoing executive officers on any account."]

### WEST VIRGINIA CHILDREN'S HOME

#### Elkins

*Superintendent: Guy H. Bambrick. Financial Secretary: Betty Lou Bambrick. Children: 57.*

The West Virginia Children's Home, located in Elkins, was established by an act of the Legislature in 1899 and formally opened in 1911. In 1935 an additional unit was built to the two-story brick structure located on the 20-acre tract of land. The purpose of the Home is to provide for orphaned and neglected children between the ages of six to twenty-one years and such other children of like age who may be surrendered by the Department of Public Assistance or court order to be kept, maintained, educated and trained until they can be placed in foster homes, returned to their homes or released at the proper age to adequately care for themselves. In addition to the original 20 acres, the institution now owns 10 acres of farm land located on Leading Creek, and 117 acres, known as the Darby Memorial Farm, situated at the head of Woolwine Hollow. This acreage furnishes vegetables and grazing for stock cattle. At the present time a two-room school is operated on the county unit plan, under the supervision of the Randolph County Board of Education. After the completion of the seventh grade the children attend the Junior and Senior High schools in the city. The boys and girls of the Home are integrated into the Boy and Girl Scouts including Cub Scouts, also the Order of the Rainbow Girls. There is a close cooperation between the Department of Education of Davis and Elkins College and the faculty of the Elementary school to provide every educational advantage for the curriculum. Religious training is provided by the local churches and the children are transported to Sunday School and Church services each Sunday morning. An open air swimming pool with a beautiful concrete basin with circulatory chlorinating system and an electric lift pump, attracts every child to its waters during the months of operation. The 1956 Legislature enacted a bill, moving and integrating institutions which come under the supervision of the Office of Public Institutions. At the present time there are eight colored children in the home, and no problems have resulted from this integration. The Home maintains a high standard of sanitation and the health and morale of the children are excellent.

### WEST VIRGINIA TRAINING SCHOOL

#### St. Marys

*Superintendent: Colin A. Anderson, M.D. Resident Children: 400.*

The West Virginia Training School is located three miles north of St. Marys on State Route 2. It was established in 1921 by an act of the Legislature. The property consists of 694 acres, part of which is under cultivation. The school is operated for the purpose of providing complete care for the mentally deficient and retarded child. Medical and psychiatric care is offered along with training in the school room. It is recognized that some children will continue to need the protection of a structured environment indefinitely. This is true not because they are "hopeless" or "useless", but because their potential abilities can be utilized and recognized only by those specially trained to understand their problems. Located on these grounds are an Administration Building, a Children's Cottage Ward, one large Dormitory Building and a Staff Apartment Building of twenty-seven rooms. It has a staff of 120 people. A complete new water system has been installed.

### WEST VIRGINIA INDUSTRIAL HOME FOR GIRLS

#### Industrial

*Superintendent: Emma Houchins. Business Manager: Elizabeth Allen. Capacity: 200. Enrollment: 151.*

West Virginia Industrial Home for Girls is located one mile west of Salem, on U. S. Route 50. It was established by an act of the Legislature on February 18, 1897, and formally opened May 5, 1899. It is built on a 72-acre tract of which 38 acres were donated by the citizens of Salem.

From Jones Cottage, the first building, the plant has grown to include the following: Silver Hall Cottage in 1914; Sutton Cottage in 1928; Ava Stanard Cottage in 1942; McCullough Cottage built in 1905, is being replaced by a new modern cottage which will house fifty girls when completed. The Administration Building also built in 1942, includes offices and visiting rooms on the first floor. Living quarters for the Superintendent, Business Manager and Social Worker, together with guest suite comprise the second floor. The plant also includes the school building erected in 1915, which is called the Johnston School, with a very modern gymnasium completed in 1951. A large four-temperature storage building was completed in 1953. The Home also has its own clinic.

The girls receive standard elementary and accredited first class high school training in the very fine and well planned school program. Classes are offered from the first grade through the twelfth grade. The school is under the close supervision of the State Department of Education and Harrison County School officials. The high school has operated as a first class high school since 1937. Some of the courses offered are food, clothing, nutrition, home planning, English, journalism, library training, algebra, mathematics, business training, art, music, physical education, history, civics, sociology, biology and geography. To date 299 girls have been graduated from high school and 708 from eighth grade. The school building includes a well equipped practice kitchen. A Hot-lunch Program under the direction of the Home Economics Department at the school was instituted in September 1928. The school affords a year-round recreational program (softball, badminton, shuffle board, roller skating, basketball, ballet dancing, etc.) All girls are members of the Harrison County Junior Red Cross Chapter. They take an active part in making many things such as tray mats, stuffed animals and dolls, tray favors, water glass collars, Christmas baskets, etc., to be sent to Veterans Hospitals, orphanages, overseas and homes for the aged. The school also has a well stock library, auditorium with seating capacity of 270, and a movie projector for showing 16 MM films, film strip projector and screen.

Since the fall of 1957, the Human Relations Department of Salem College, under the auspices of the American Humanics Foundation, has worked in cooperation

with the Home to provide some recreational activities throughout the year. They also organized a Y-Teen Club in each of the four cottages.

The girls receive domestic training by actual practice in the cottages where they live. They also receive religious training with chapel services conducted by a minister each Sunday. A program of rehabilitation is being carried out through the carefully planned work of the school, the dormitories in which the girls live, and the administration of the institution.

## WEST VIRGINIA INDUSTRIAL SCHOOL FOR BOYS

### Grafton

*Superintendent: William Rollins. Business Manager: E. L. Frum. Enrollment: 273.*

The West Virginia Industrial School for Boys is located at Pruntytown, three miles west of Grafton on U. S. Route 50. It was established by an Act of the Legislature in 1889 and formally opened July 21, 1891. In addition to the principal buildings, which are located on the main campus consisting of approximately 55 acres, the school owns and operates a farm of approximately 1,900 acres, on which are located a considerable number of farm buildings. The boys work on the farms during the farming season at which time emphasis is placed on the training value of such a program, directed toward improving work habits and maintaining discipline standards. At the present time, a new dairy herd has been established and a modern pasteurization plant has been installed for processing dairy products. The school also has an approved herd of Hereford beef cattle, as well as a hog farm and poultry farm.

The school is now in the process of setting up a vocational rehabilitation training program. Due to a recent increase in budget funds the school will be able to provide four certified vocational instructors for full time vocational instruction in the fields of industrial arts, printing, simple mechanics, welding and plumbing. In addition to this, there are training units in shoe repairing and baking. The school also maintains the following units in which the boys receive a certain amount of training: Painting, plumbing, printing, laundering, woodwork, canning, auto mechanics and carpentry. The academic school is operated on approved state standards and contains grades one through ten. In compliance with the state law, those under sixteen years of age are required to attend academic school for a term of nine months each year. A well planned recreation and physical education program operates under the supervision of competent men. Football, basketball (indoor and outdoor), baseball, softball, volleyball and horseshoe pitching form the backbone of this program.

A Social Service Department classifies each boy upon his reception, presents him for parole and/or discharge at the proper time and maintains liaison between County and State Authorities. In most instances, the boys are placed in cottages according to their age or size or both. An Honor System has been established as a stimulant to good behavior and achievement for the boys and it is working well. There is a 4-H Club and arrangements have made it possible for the forming of a Boy Scout Troop. A Drum and Bugle Corps, consisting of approximately 40 boys, is in operation and appears at many parades and festivals throughout the year. A full-time Chaplain, especially trained for this work, offers instruction in religious education in the academic school and holds weekly religious services for the boys.

## PENAL

### WEST VIRGINIA PENITENTIARY

#### Moundsville

*Warden: Donivon E. Adams. Business Manager: John Rector. Inmates: 1739. Prisoners assigned to Camp Fairchance and other institutions: 161. Total: 1,900.*

West Virginia Penitentiary, located in the City of Moundsville, just off State Route 2, was established in 1866 by an act of the Legislature. The Penitentiary

proper is a six-acre enclosure on a ten-acre tract of land, surrounded by a solid wall of hand-cut sandstone, 675 x 395 feet, 24 feet high.

Approximately 80% of the all-male population are employed by State Prison Industries and operation of the institution. Commodities manufactured are of top-grade quality, ideally suited for such institutional uses as comprise their source of demand and outlet. While such items of manufacture are not sold on the open market, they are legally available to all State, County and City agencies throughout the State. Such vital items as clothing of inmate-type (denim, khaki, etc.), soaps, detergents, mattresses, pillows, chewing and smoking tobaccos individually packaged, and an array of superlative paints contribute toward a tally of some 116 finished products available to qualified outlets and users. Besides manufacturing license plates, the newly installed Tag Plant likewise produces handsome road-signs and markers to size and specification. Proceeds from sales help support the institution. Wide use of such products also provides working opportunity for more inmates, and is therefore advocated among all state governmental agencies.

Camp Fairchance is an honor camp beyond the prison walls. The 130 men assigned there work at the prison farm and mine, extensively. Staple food items are raised and canned for institutional use. The mine has a tonnage output of 14,000 tons annually. Fairchance inmates also tend the spacious outer grounds of the prison and are available for use on projects in the locale which contribute to the community good. The camp is regarded as an adjunct to rehabilitation. While the accent within the prison is placed upon providing work for inmates to relieve the monotony and hazards of idleness, an educational program is fully encouraged. Interested inmates can receive a High School Equivalency Diploma through use of facilities available. Religious services are conducted regularly on a voluntary attendance basis. Public interest in the Penitentiary is wholeheartedly invited.

## MEDIUM SECURITY PRISON

### Huttonsville

*Warden: Howard Perine. Business Manager: James L. English. Inmates: 500.*

The Medium Security Prison is located on a farm near Huttonsville and is 18 miles south of Elkins on U. S. Routes 219 and 250. It was established by an act of the Legislature in 1937 and was designed to relieve over-crowding at the West Virginia Penitentiary and at the same time aid in the rehabilitation of prisoners. The majority of the inmates are employed in general farm work but many are employed in other vocational trades. They are quartered in modernly equipped dormitories in which there are no cells. The farm consists of 5,000 acres of which approximately 2,000 acres are suitable for cultivation and pasture. The farm products produced are in excess of the needs of the institution and are sold to other state institutions. The 1947 session of the Legislature separated the Medium Security Prison Farm from the West Virginia Penitentiary and established it as a separate institution. All provisions of the law applicable to the Penitentiary are in effect, except that criminal proceedings against inmates of this institution are brought in the Circuit Court of Randolph County.

## WEST VIRGINIA STATE PRISON FOR WOMEN

### Pence Springs

*Superintendent: Mrs. Evelyn J. Smithson. Financial Secretary: Mrs. Margaret R. Boone. Capacity: 60 Inmates. Present population: 48.*

Established by an act of the Legislature in 1947, the West Virginia State Prison for Women is located at Pence Springs, Summers County, near the City of Hinton. Prior to 1947, all female prisoners were housed in one wing of the West Virginia Penitentiary at Moundsville. It is situated on a 203.6-acre tract (119 acres, which is mostly mountainous land, was acquired in 1954).

The physical plant consists of the prison proper, which includes one large main building housing the inmates, women employees, offices, infirmary, kitchen, dining room, storeroom, security unit of solitary, recreation room, freezing and cooler lockers and class rooms; one smaller building containing the cannery in the basement with modern fixtures for the mass production of canned and frozen foods. On the main floor is an auditorium with a seating capacity of one hundred where religious services are held each Saturday night, by visiting ministers and a devotional program each Sunday morning conducted by the inmates. Movie projector equipment is provided for showing 16 mm films each week and on all holidays. Also, on the main floor are the sewing machines and looms for weaving. Garments are made for the use of the institution. Classes in weaving are taught where rugs are woven for inmates rooms and materials for upholstery.

In addition to these two buildings, there is a cottage for the superintendent, a duplex to house guests of the institution and an apartment for the financial secretary, a storage house and garage. Approximately 50 acres of river bottom land, where farming is done on a large scale, supplying the institution with fresh vegetables in the summer and canned as well as frozen vegetables and fruits for the winter months. The surplus is sold to other institutions. The crafts are utilized for the relief of idleness in addition to giving vocational training. Inmates are taught the art of cooking and serving through the food service; classes are taught in sewing, typing and a class is being established for the illiterate. Tennis and badminton equipment are available in addition to softball.

A complete program of rehabilitation is carried out in this institution and all inmates are on their honor from the day of admission. As a means of public relations the inmates started serving civic and church dinners to nearby organizations through the use of their commissary funds, which has paid good dividends. The inmate choir and sextette are now much in demand and make public appearances which has become one of the best means of acquainting the average citizen of West Virginia with the modern work in penology.

## BERKELEY SPRINGS SANITARIUM

### Berkeley Springs

*Superintendent: Eston D. Vanosdale.*

Berkeley Springs Sanitarium is located in the City of Berkeley Springs. It offers baths and swimming pools which utilize the warm and medicinal waters of Berkeley Springs. Histories of colonists mentioned the qualities of the water as early as 1736, and prior to that, Americans Indians, who were subject to rheumatism knew of its medical qualities and called it the "healing waters." It was the first health and pleasure resort in the colonies. The temperature of the spring water is 74.3 degrees and is invariable, and is helpful in the treatment of rheumatism, gout, diabetes, and skin diseases. The springs have been expanded to include a modern open air swimming pool with modern dressing facilities and sunbathing, and an additional new bath house which has Roman Baths and all other types of baths for year-round use. The new bath house also has a solarium or sun deck, which is modern and meets present day requirements. The sanitarium has no facilities for housing patients, but for those who visit Berkeley Springs for baths, there are adequate hotel and boarding house facilities.

At no time in the more than two hundred and twenty-five years of resort history, which included patronage of George Washington and Lord Fairfax, were the famous springs so well equipped to treat patients or accommodate the vacationist, as they are today.

*Superintendent (Acting): Edith Cserny, M.D. Business Manager: Emil E. Baldwin. Total Number of Patients: 1,300.*

Huntington State Hospital, located in the City of Huntington, was established in 1897 by an act of the Legislature as a Home for Incurables. The name of the institution was changed in 1901 to the West Virginia Asylum and in 1916 to Huntington State Hospital.

The hospital is devoted to the treatment of the mental illness in adults. The hospital receives both voluntary and legally committed patients, and the prevailing types of treatment are administered. Individuals are also evaluated for the Courts.

The physical plant includes six ward buildings for patients, two of these being original buildings, one new building for 192 patients that will be completed this year; an administration building; two buildings used for quarters for employees (one of these being the original administration building), residence for the superintendent; three residences for physicians a short distance from the hospital grounds; power house; laundry; building for occupational therapy and recreation; main kitchen; shops for maintenance in the basement of one ward building. Medical-surgical services for the hospital were recently transferred to one of the new ward buildings as part of a general move to house all bed and non-ambulatory patients in fire-resistant buildings.

The U. S. Public Health Service, in cooperation with the hospital, opened a three-chair dental service in 1958 to give patients complete dental care. This is a research project, predominantly financed by federal funds, to ascertain the needs, cost, and results of dental care in the chronically ill.

A hospital farm, consisting of 698 acres plus other leased lands, is located on the Guyandotte River a mile southeast of Barboursville, and is served by State Route 10. The farm is devoted to providing poultry, eggs, pork and milk to the hospital. A registered herd of Holstein milk cows is maintained.

## LAKIN STATE HOSPITAL

(Mental)

Lakin

*Superintendent: M. Mitchell Bateman, M.D. Business Manager: G. E. Chamberlain, Jr. Number of patients: 502.*

This institution is located in Mason County, nine miles north of Point Pleasant on State Route 62. It was founded by an act of the Legislature in 1923 and was opened in 1926 for the reception and treatment of Negroes suffering from mental and nervous disorders; however, the hospital staff and patient population have been integrated for approximately five years. Presently, the institution is the district hospital for Mason County, but receives emergency referrals from other counties through the Department of Mental Health.

There are two main buildings of three stories each, one housing male and the other female patients. Other fireproof structures include a two-story office building, a storeroom, two recently constructed modern dormitories, heating plant, duplex for physicians and a new medical center which is presently being used for short term in-hospital study diagnosis and treatment and also for out-patient services. In addition, there are on the immediate hospital grounds, six frame reconditioned structures in which certain allied functions of the hospital such as laundry, canteen, recreational hall and work shops are conducted.

The hospital is a member of the Mental Hospital Institute of the American Psychiatric Association and in 1952 received the Hospital of the Year Award, a national recognition by the American Psychiatric Association, and for eight years, 1951, 1952, 1953, 1954, 1955, 1956, 1957 and 1958, a psychiatric side of the hospital has been cited for excellency in the care of mentally handicapped patients.

Significant strides along the lines of reorganization and reform have been made. This has resulted from the interest and coordinated efforts of higher calibre workers and has been reflected in more scientific treatment and general rehabilitation programs, reduced mortality and a large and consistent release of improved patients to their homes and occupations.

Persistent attempts have been and are still being followed through to secure and maintain community understanding, support and interest. Out-patient services, mental hygiene clinic services, hospital auxiliaries and participation in community civic activities have proved most effective in morale building and have tended to enhance more wholesome hospital-community relations.

Most of the accepted methods of treatment including electroconvulsive therapies, insulin shock therapy, recreational therapy and music therapy in addition to full utilization of the tranquilizing drugs are employed to advantage in an effort to make the institution a treatment hospital rather than an institution of custodial care.

**WESTON STATE HOSPITAL****(Mental)****Weston**

*Superintendent: R. P. Hagerman, M.D. Business Manager: Ralph N. Steele.*  
*Patients: 2,300.*

The Weston State Hospital is located in the City of Weston. It is the oldest state institution in West Virginia, authorized on March 22, 1858, by an act of the Virginia Assembly. There was considerable delay in the construction of the hospital due to the Civil War, and the first patients were received on October 22, 1864. The hospital has grown from an initial capacity of 35 patients to 2,300.

The hospital is maintained and equipped to provide adequate treatment for all types of mental and nervous illness, both voluntary and court committed; in addition, all mentally ill tubercular patients in the entire state are cared for in a specially constructed building which now houses 279 patients. A surgical section has been added whereby all types of tubercular surgery are provided. In addition, a modern specially constructed building has been erected to take care of all criminally insane in the State. A 106-bed neuropsychiatric clinic building is in operation and the hospital is equipped to provide all types of treatment, including psychotherapy, hydrotherapy, occupational and recreational therapies, electro-shock therapy and psychosurgery. The facilities consist of laboratory, general surgery, X-ray, social services and psychology departments, and an active out-patient clinic. A new personnel building has recently been opened and two new constructions to house patients replace old buildings which have outlived their usefulness. Plans are underway for the construction of an auditorium and recreation hall and a new medical treatment building. A beautician and a chiropodist have been added to the staff. The medical staff is augmented by a group of medical and surgical consultants in the various specialties. On May 20, 1955, a section of the male wards was designated as the West Virginia Soldiers' Home and is administered by the medical hospital staff, all war veterans being admitted here for treatment.

A registered herd of Holstein and Guernsey cows is maintained, thus providing the hospital with an adequate supply of high grade milk, processed in the modern pasteurizing plant fully approved by the State Board of Health.

The building and outlying farms occupy some 600 acres of land in Lewis County. The hospital grounds are large and spacious with many shade trees and provide excellent recreational facilities for the patients.

## FIRST, SECOND AND THIRD CLASS POST OFFICES

The postmasters of these offices are appointed by the President and confirmed by the Senate.

C, offices having city delivery; G, offices located in Government buildings; V, offices having village delivery.

Public Law 68, effective December 3, 1955, sets the following salary schedules for Postmasters of the 1, 2 and 3, classes. Postmasters at that time were converted to the step corresponding to their salaries as of December 2, 1955. Starting salaries of all postmasters appointed from outside the service are at the first step of the salary range shown for the level applicable to the office. After 1 year's service, the postmaster is advanced to step 2, and a year later to step 3, etc., until he reaches the maximum step for his position level, except that advancement of postmasters in level 10 and above, beyond step 4, is based on superior performance.

# OFFICIAL MUNICIPAL REGISTER

### Salem—Harrison County

It was originally New Salem, so named because the settlers who established the town came in a body from Salem, New Jersey. They arrived in the spring of 1792. Two years later, in 1794, it was incorporated.

The first civilized habitation on the land now occupied by the City of Salem was a hunter's camp established by Nicholas Carpenter in 1785 who used it for a hunting and trapping center. He also used it for a sort of crude hotel for himself and his men who drove cattle from Clarksburg to the Ohio River at Marietta which was the nearest market.

Samuel Fitz Randolph purchased the property on which the village was founded in 1790. Mr. Randolph had started with a caravan of pioneer settlers from Salem, New Jersey, who crossed the mountains in 1789 and made their first stop at Woodbridgetown, Pennsylvania. Mr. Randolph, a number of Davises, some Maxsons, and others came on to what is now Salem, after a two and one-half year trek from the sea coast.

Salem was the first settlement of Seventh Day Baptists west of the mountains. It is now the home of Salem College, founded in 1888, and the Industrial Home for Girls established in 1898. Glass has been a major industry. The Baltimore & Ohio Railroad and the George Washington highway and state highway Route No. 23 pass through it. It is the birthplace of Congressman Jennings Randolph and the great writer, Granville Davison Hall, author of *Daughter of the Elm, The Rending of Virginia*, and many other historical books.

## U. S. ARMY ENGINEER DISTRICT, HUNTINGTON CORPS OF ENGINEERS

**237 Fourth Avenue, Huntington 18, West Virginia**

The U. S. Army Engineer District, Huntington, West Virginia, Corps of Engineers, has a two-fold mission in the State of West Virginia, including civil works and military construction responsibility.

The area encompassed under the Civil Works Program is defined on the basis of watershed drainage, being that stretch between mile 109.0, Ohio River, located downstream from Moundsville, West Virginia, to mile 438.0, Ohio River, located near Foster, Kentucky.

Congress has delegated to the Corps of Engineers responsibility for the development, construction, operation and maintenance of navigation facilities, flood control structures, and related improvements.

Nineteen of the forty-six navigation dams on the Ohio River border the State of West Virginia, and include three high lift dams on the Kanawha River and five navigation structures on the Monongahela River.

Improvement of the navigation facilities include construction of modern high lift structures to replace existing obsolete dams.

Those navigation structures now under construction on the Ohio River are: Greenup Locks and Dam, Greenup, Kentucky, which will replace existing Locks and Dams 27, 28, 29 and 30, New Cumberland Locks and Dam, New Cumberland, West Virginia, which will replace existing Locks and Dams 7, 8 and 9; Markland Locks and Dam, Markland, Indiana, which will replace existing Locks and Dams 35, 36, 37, 38 and 39; and New Richmond Locks and Dam, Chilo, Ohio, which will replace existing Locks and Dams 31, 32, 33 and 34. Reconstruction of the locks is now under way for the improvement of Locks and Dam 41, Louisville, Kentucky. West Virginia will benefit from the construction of these modern navigation improvements. Construction of Hildebrand Locks and Dam on the Monongahela River was initiated in April 1956.

Flood control reservoirs within the State constructed by the Corps of Engineers are Bluestone Reservoir on New River near Hinton, and Tygart Reservoir on Tygart River near Grafton. Sutton Dam and Reservoir on the Elk River near Sutton, is presently under construction. Summersville Dam and Reservoir to be located on Gauley River is in the planning stage.

Floodwalls completed by the Corps of Engineers in West Virginia, are located at Parkersburg, Point Pleasant, Huntington and Ceredo-Kenova. An additional floodwall is under construction at the present for the protection of Ridgeley, West Virginia, and Cumberland, Maryland, on the North Branch of the Potomac River. In addition, several completed channel improvement projects have reduced or alleviated flood damage along the smaller tributaries of the main rivers within the State.

United States Marine Corps activities in West Virginia include five organized reserve companies with a total authorized strength of 899 officers and men, and a regular Marine Corps recruiting station in South Charleston with sub-officers located in nine major West Virginia cities.

All of the state's present Marine reserve units were organized during and after the Korean conflict. There were two Marine Reserve companies in the state prior to Korea. Both were activated after hostilities broke out there in June, 1950.

Each reserve unit has a staff of regular Marine officers and enlisted men to instruct, support, and advise. This staff is called the Inspector-Instructor staff.

Marine reserve units are an active part in any community. They are always ready for parades, color guards, funeral details, and other civic functions where military personnel can be of service.

The annual "Toys for Tots" campaign is one of the proudest achievements of each Reserve unit. The Marine reserves collect, repair and distribute toys to thousands of children in West Virginia each Christmas. Over 100,000 toys were thus distributed last year in West Virginia, and the total for the nation was in excess of 5,000,000 toys.

A breakdown of the state's Marine reserve companies and recruiting station is as follows:

**FEDERAL REFORMATORY FOR WOMEN****Alderson***Warden:* Nina Kinsella*Associate Warden:* Gladys V. Bowman*Business Manager:* Kelcy E. Garner

The Federal Reformatory for Women is situated in the foothills of the Allegheny Mountains in Summers and Monroe Counties. It was established by Act of Congress June 7, 1924, and the buildings and grounds have a value in excess of \$2,000,000. It was designed to take care of all women Federal sentenced prisoners in the United States and the insular possessions and has a capacity of 500. There are fifteen buildings housing inmates, a hospital, administration building, a garment shop, laundry, dressmaking and arts, school building and auditorium, home economics department, crafts, cannery, storehouse, shops and an extensive farm with modern dairy and truck gardens. The Enabling Act specified that each inmate should be given training that would fit her to be self-supporting on her return to society, and the entire program of the institution is based upon this plan for rehabilitation. An intelligent and sincere attempt is made to supplant the old-time theory of punishment with a program of cleanliness, industry and education in citizenship. Classification and casework are highly developed to provide for adequate training within the institution and proper placement in jobs after release.

## GOVERNOR'S COMMITTEE

### On Employment of the Physically Handicapped Office of Chairman, Room 616, State Office Building, 112 California Avenue, Charleston 6

The Governor's Committee is affiliated with the President's Committee on Employment of the Physically Handicapped, and promotes programs in the interest of handicapped persons seeking employment opportunities within the state.

Federal, State and private agencies, whose activities are coordinated in serving handicapped persons and disabled veterans, cooperate fully in effecting programs such as “National Employ the Physically Handicapped Week,” High

School Essay Contests (pertaining to the handicapped); Awards of Merit and Outstanding Service; Physicians' awards; Handicapped Employer Awards; high school poster contests; and community planning for handicapped groups.

Participating actively are the following agencies: Veterans Administration, Department of Veterans Affairs, organized labor, Division Vocational Rehabilitation, Department Employment Security, State Executive Department, veterans organizations, and the Veterans Employment Service.

The Committee Chairman serves at the will and pleasure of the Governor. Individual members recommended by local community committees are either reappointed or newly appointed each year by the Chief Executive.

West Virginia has one of the largest state committees in the nation and its members are representative of Federal, State and municipal government, industry, labor, civic, veterans, fraternal, medical, ministerial, women, and other groups throughout the state.

The committee is a non-dues paying organization and at times when finances are necessary for contest prizes the required amounts are secured from generous employers who have been responsible for so many successful programs.

The Governor's Committee attempts to secure an outstanding and well known speaker for its annual meeting, usually held in September, and prior to NEPH Week, at which time all members are notified and invited to attend.

Congress has determined that the first full week in each October shall be observed as "National Employ the Physically Handicapped Week" throughout the Nation. This week's observance is intended to be a reminder to those employers who remain reluctant in employing handicapped workers. National, state and local media of press, radio and television have carried the message of the handicapped in an excellent coverage of the various programs.

## WEST VIRGINIA NATIONAL GUARD

(Corrected to July 1, 1959)

CECIL H. UNDERWOOD, *Governor*  
*Commander-in-Chief*

WILLIAM E. BLAKE, *Brigadier General*  
*The Adjutant General*

The West Virginia National Guard is authorized and governed by Article I, Chapter 15, of the West Virginia Code and is constituted as both State and Federal force by authority of the National Defense Act approved June 3, 1916, as amended to January 1, 1945, inclusive. The National Guard is a reserve component of the Army of the United States and is composed of officers and enlisted men who volunteer for duty and are qualified in accordance with Federal and State regulations governing same. In time of peace, the National Guard is a State force, controlled by the Adjutant General as a principal military representative of the Commander-in-Chief. The Adjutant General issues, in the name of the Governor, all orders to the National Guard, disburses funds appropriated by the State Legislature for this purpose and acts as Chief of Staff for the Commander-in-Chief. In the event of war, insurrection, rebellion, invasion, tumult or a case of imminent danger of said events, or in the event of public disaster, the Governor has the power to order the West Virginia National Guard or any part thereof, into the active service of the State and to cause them to perform such duty as he shall deem proper. The National Guard is equipped and paid by the Federal Government, but must meet certain organizational and training standards to qualify for Federal-recognition. When Congress declares a national emergency and authorizes the use of armed forces requiring troops in excess of those in the Regular Army, the President of the United States may order the National Guard into the active military service of the United States. Initial enlistments in the National Guard are for a period of three years with reenlistments authorized for either one or three years.

## STATE FLAG

Before the design of the present State Flag was officially adopted by the Legislature on March 7, 1929, West Virginia had been represented by several flags which had proved impractical.

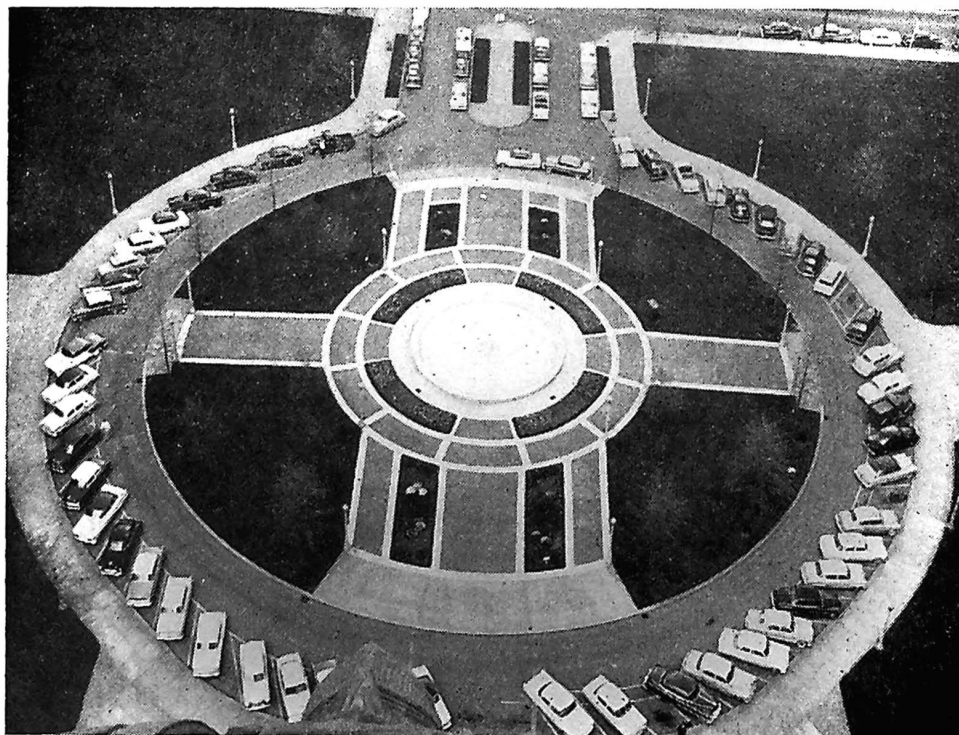

Prominently displayed on the pure white field of today's flag and emblazoned in proper colors is the Coat of Arms, the lower half of which is wreathed by Rhododendron. Across the top, lettered on a ribbon, is the constitutional designation—"State of West Virginia." The white field is bordered on four sides by a strip of blue, and for parade purposes all but the staff side are to be trimmed with gold fringe.

## GREAT SEAL OF WEST VIRGINIA

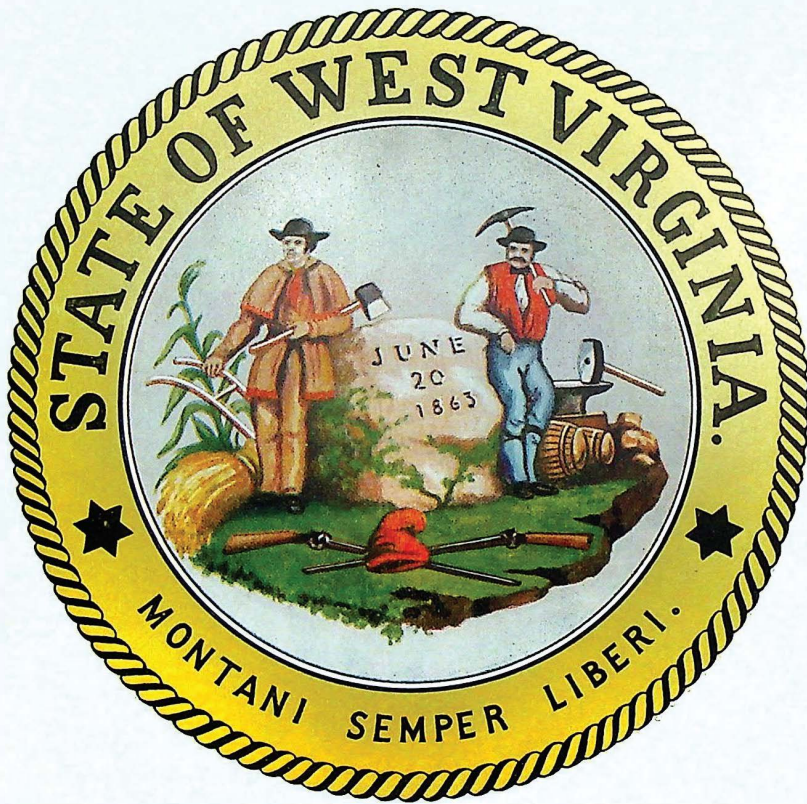

The Great Seal of West Virginia, which also is the Coat of Arms, symbolizes the principal pursuits and resources of West Virginia. Described briefly, the obverse side of the Seal bears the legend, "State of West Virginia," together with the motto, "Montani Semper Liberi" (Mountaineers Are Always Free); a farmer stands to the right and a miner to the left of a large ivy-draped rock bearing the date of the state's admission to the Union; in front of the rock are two hunter's rifles upon which rests a Phrygian Cap, or "Cap of Liberty."

The reverse side of the Seal is not in common use today. It was intended to be employed when the Seal was attached to documents by ribbons and suspended in the manner of a medal.

Joseph H. Diss Debar, of Doddridge County, designed the State Seal in 1863 at the request of the first West Virginia Legislature.

## STATE CAPITOL

West Virginia's Capitol Building, one of the world's beautiful examples of Italian Renaissance architecture, stands on the north bank of the historic Great Kanawha River in the capital city of Charleston. Its golden dome, rising 300 feet, is a landmark visible both day and night from a number of distant points in the city.

Completed in 1932 at a cost of nearly \$10,000,000, the building was designed by Cass Gilbert, an architect of international prominence.

The huge U-shaped structure consists of a main unit and two wings which are situated on 16 acres of ground. There are 333 rooms and a total floor space of 535,000 square feet. Unlike the exterior of Indiana buff limestone, the interior is laid with Imperial Danby Vermont marble.

In the rotunda is a two-ton crystal chandelier which has 15,000 candle power. It is suspended 180 feet above the floor by a gold chain 54 feet long. Sparkling chandeliers in the House and Senate chambers are made of 10,000 separate pieces of rock crystal.

A specially-prepared paint, "Governor's Blue," covers the walls of the outer reception room of the governor's suite, the show room of the Capitol. A tan rug, 26x60 feet and weighing 1,800 pounds, carpets the floor and is said to be the third largest seamless rug in the world.

Directly beneath the executive suite is the State Museum containing numerous exhibits to illustrate the history, science and social conditions of early West Virginia.

---

## STATE FLOWER

Rhododendron maximum, West Virginia's floral emblem, was designated the State Flower by joint resolution of the Legislature on January 23, 1903. This was during the administration of Governor Albert Blakeslee White.

Sometimes called "big laurel," rhododendron maximum is a shrub of the heath family, noted for big beautiful blossoms and evergreen foliage. It has large dark green leaves and clusters of pale pink or white blossoms delicately spotted with red or yellow. At all proper times and places it is displayed as the State Flower.

---

## STATE BIRD AND TREE

The brilliantly costumed cardinal and the majestic sugar maple are the state bird and tree of West Virginia.

These were officially declared state emblems by a legislative committee of five on June 18, 1949, after tabulating votes cast by public school children, college students and representatives of civic, sportsmen and bird study groups. Both the bird and the tree are found in virtually all parts of the State.

**U. S. DEPARTMENT OF AGRICULTURE**

**Forest Service  
Monongahela National Forest  
Headquarters: Elkins**

Monongahela National Forest was proclaimed by President Woodrow Wilson on April 28, 1920, under the Weeks Law. This law of 1911 provides for the cooperation by states with the United States, and the protection of watersheds of navigable streams. (a) In West Virginia, the national forest was established for flood protection in the Ohio and Potomac River valleys. It is one of a system of nearly 150 national forests and the only national forest wholly in West Virginia. The Clark-McNary Act of June 7, 1924, broadened the objectives to provide for reforestation and production of timber. Hunting, fishing and other forms of recreation are encouraged.

The public forest is dedicated to the protection, development, and management of all its resources for the greatest good to the greatest number.

Within the proclaimed boundary there are 1,641,981 acres of which 805,668 acres are owned by the United States. Directly in charge of the national forest is the Forest Supervisor. In the national forest are six ranger districts, each in charge of a district ranger.

Counties in the National Forest, and their current acreage in National Forest ownership are:

Grant .....	14,126	Pocahontas .....	277,037
Greenbrier .....	98,939	Preston .....	3,391
Nicholas .....	23,434	Randolph .....	170,412
Pendleton .....	60,170	Tucker .....	92,962
	Webster .....		64,697

The public forest is administered in cooperation with several conservation agencies, including the West Virginia Conservation Commission. By law, twenty-five per cent of receipts from the sale of timber and other products and use fees is returned to the nine national forest counties for schools (80%) and roads (20%).

At Parsons is one of the largest forest tree nurseries east of the Mississippi River. It is used by the West Virginia Conservation Commission.

**FISHING STREAMS AND SPECIES**

For the benefit of anglers who desire information relative to stocked fishing streams and nearest towns in which hotel accommodations can be found, the following list has been prepared. Numerous other streams and tributaries other than these listed have received substantial stockings of fish. These, however, are the largest, most important and probably the most capable of supporting extra heavy angling pressure. It must be understood that the order in which they are listed does not indicate the number of fish placed in the stream or the anglers chances of catching fish. Fishing in any of these streams does not necessarily indicate that the Conservation Commission promises the limit of fish to each fisherman. This is intended merely as a guide.

# Oil and Gas Developments in West Virginia in 1958

By R. C. Tucker, Assistant State Geologist, Morgantown

## ABSTRACT

The total number of wells drilled in West Virginia in 1958 reported to January 31, 1959, was 838, an increase of 6, or 0.7 per cent. Permits to drill or deepen totaled 913, an increase of 14, or 1.56 per cent. Abandoned during the year were 116 gas wells and 83 oil wells, or a total of 199 wells. These abandonments are all wells drilled before permits were required (May 1929). No information as to exact number of abandonments of wells drilled since May 1929 is available as these wells are abandoned under original drilling permit numbers. Wells completed were: gas, 485; oil, 64; oil and gas, 111; storage, water-injection, brine, and pressure wells, 58; dry holes, 120; total, 838. Compared with 1957, gas wells decreased 19, or 3.77 per cent; oil wells increased 1, or 1.6 per cent; oil and gas wells increased 37, or 50 per cent; storage and other wells increased 12, or 20 per cent; dry holes decreased 25, or 17.3 per cent. Depth of wells ranged from 200 to 8,410, compared with 281 to 7,391 feet in 1957. Total footage drilled (2,260,030) increased 22,603 feet, 1.01 per cent over 1957 (2,237,427 feet). The average depth of wells (2,697 feet) decreased 20 feet under the 1957 average (2,717 feet), or 0.7 per cent. The total initial daily open flow of the gas wells was 338,819 M. cu. ft., a decrease of 248,146 M. cu. ft., or 42.64 per cent under the 1957 total (581,965 M. cu. ft.). The size of the gas wells ranged from 2 to 17,250 M. cu. ft., compared with 5 to 34,500 M. cu. ft. in 1957. The total daily initial oil was 4,494 bbls., an increase of 905 bbls. over 1957 (3,589 bbls.), or 25.22 per cent. The size of the oil wells ranged from 0½ bbl. to 550 bbls. daily, compared with ½ bbl. to 340 bbls. in 1957. The number of wells drilling or unreported if completed at the end of the year was 353,033 more than in 1957, an increase of 10.31 per cent.

Letters were sent to 58 operators regarding 77 wells not reported. Replies were received from 24 operators (41 per cent) regarding 97 wells (37 per cent), leaving 34 operators (59 per cent) unheard from regarding 40 wells (51 per cent). The average size of gas wells was 627 M. cu. ft., compared with 1,076 M. cu. ft. in 1957, a decrease of 449 M. cu. ft., or 41.7 per cent. The average size of the oil wells was 37.5 bbls., compared with 32.6 bbls. in 1957, an increase of 4.9 bbls., or 15 per cent. Preliminary estimates of production for 1958: gas, 197,250,000 M. cu. ft., compared with 189,000,000 M. cu. ft. in 1957, or 8,250,000 M. cu. ft., an increase of 4.36 per cent; oil, 2,186,500 bbls., a decrease of 38,500 bbls. under the 1957 estimate (2,225,000 bbls.), or 1.73 per cent. The estimated number of producing wells at the end of 1958: gas, 15,403; oil, 12,808. The table of operations gives statistics by counties. We had drilling or scout reports on the other 276 wells reported as drilling or uncompleted at the end of the year.

\* \* \* \* \*

The table of oil and gas operations in West Virginia by counties in 1958 gives the pertinent facts regarding results. Comparison totals for the preceding four years are also shown in the bottom four lines of the table.

Permits to drill or deepen issued by the State Department of Mines totaled 913, or 14 more than in 1957, an increase of 1.56 per cent. There were 37 cancellations of drilling permits during the year, (by counties): Braxton 3, Calhoun 4, Doddridge 2, Jackson 2, Kanawha 2, Lincoln 1, Mingo 1, Pleasants 3, Ritchie 8, Roane 3, Tyler 3, Wayne 1, Wirt 2, and Wood 1.

Abandonments of gas wells during the year (wells drilled before May 1929) (by counties): Boone 6, Braxton 1, Calhoun 5, Doddridge 11, Gilmer 7, Harrison 8, Kanawha 4, Lewis 22, Lincoln 6, Marion 6, Marshall 4, Monongalia 3, Putnam 1, Ritchie 12, Roane 8, Tyler 6, Wayne 1, and Wetzel 5; total, 116.

Abandonments of oil wells during the year (wells drilled prior to May 1929) (by counties): Boone 7, Doddridge 5, Jackson 1, Kanawha 6, Marion 8, Monongalia 7, Ritchie 1, Roane 21, Tyler 12, Wetzel 2, Wood 13; total, 83.

Nineteen less gas wells, 1 more oil well, 37 more oil and gas wells, 12 more storage and other wells, and 25 less dry holes were completed in 1958 than in 1957.

In 1958, the percentages were: Gas wells, 58 per cent; oil wells, 7.6 per cent; oil and gas wells, 13.2 per cent; storage et al. wells, 6.9 per cent; and dry holes, 14.3 per cent. If the storage et al. wells are left out of the total completions (838 minus 58—780 wells), the percentages would be: gas wells, 62.2 per cent; oil wells, 8.2 per cent; oil and gas wells, 14.2 per cent; and dry holes, 15.4 per cent.

Total completions were 838 as against 832 in 1957, an increase of 6, or 0.7 per cent. Ritchie County, with 131 completions, topped the list of completions by counties, followed by Calhoun 80, Wayne 73, Logan 58, Mingo 53, Lewis 51. These six counties accounted for 446 completions, or 53.2 per cent of the total completions.

116 gas wells (those drilled before May 1929) were abandoned during the year, while 83 oil wells were abandoned in 1958. No information as to exact number of abandonments of wells drilled since May 1929 is available as these wells are abandoned under original drilling permit numbers. Of the wells (353) uncompleted or unreported if completed at the end of the year, 173, or 50.4 per cent, were from six counties (Ritchie, Calhoun, Wayne, Logan, Upshur, and Mingo).

Drilling depths ranged from 200 to 8,410 feet, as against 281 to 7,391 feet in 1957.

The total footage drilled (2,260,030 feet) increased 22,603 feet over the 1957 total (2,237,427 feet), or 1.01 per cent. The total footage drilled does not include any footage for wells tabulated as drilling. The actual footage drilled would be slightly less than given if the original depths of wells deepened were known and subtracted from the total given. For comparative purposes, footage for deeper drilling would likely be nearly the same from year to year. The average depth (2,697 feet) is 20 feet less than in 1957 (2,717 feet), or 0.7 per cent.

The total initial daily open flow of the gas wells was 338,819 M. cu. ft., a decrease of 248,146 M. cu. ft. under the 1957 total, or 42.64 per cent.

The range in size of the gas wells was 2 to 17,250 M. cu. ft., compared with 5 to 34,500 M. cu. ft. in 1957.

The average size of the gas wells was 627 M. cu. ft., compared with 1076 M. cu. ft. in 1957, a decrease of 449 M. cu. ft., or 41.7 per cent.

The daily initial oil was 4,494 bbls., 905 bbls. more than in 1957 (3,589 bbls.), or 25.22 per cent. The increase was probably due in large part to fracturing and acidizing.

The range in size of the oil wells was 0½ to 550 bbls. daily, compared with 0½ to 340 bbls. in 1957.

The average size of the oil wells was 37.5 bbls., compared with 32.6 bbls. in 1957, an increase of 4.9 bbls., or 15 per cent.

In calculating the average size of the wells, half the total number of oil and gas wells (fifth column in table) was added to the total gas wells and total oil wells as given in the third and fourth columns of the table.

At the end of the year, 353 wells were drilling or unreported if completed. This was 33 more than in 1957 (320), an increase of 10.31 per cent.

Six counties (Logan, Mingo, Ritchie, Tucker, Pocahontas, and Calhoun) had a daily initial open flow of 203,608 M. cu. ft. of gas, or approximately 60 per cent of the total for the State.

Five counties (Jackson, Wirt, Ritchie, Pleasants, and Calhoun) had daily initial oil of 3,780 bbls., or approximately 84 per cent of the total for the State.

Preliminary estimates of production for 1958: gas, 197,500,000 M. cu. ft. an increase of 8,250,000 M. cu. ft. over the 1957 estimate (189,000,000 M. cu. ft.), or 4.36 per cent; oil, 2,186,500 bbls., a decrease of 38,500 bbls. under the 1957 estimate (2,225,000 bbls.), or 1.73 per cent. Estimates for both oil and gas production are averages of two or more published estimates since they were not very close together.

Gas production can be increased materially when pipe-lines are completed to the new gas fields which potentially have large open flows.

The estimated number of producing wells at the end of the year 1958: gas, 15,403; oil, 12,808. The number might be reduced somewhat if number of wells abandoned under drilling permit numbers (drilled since May 1929) were known.

Several wells drilling are to be storage wells, in Kanawha, Lewis, Marshall, Putnam, Roane, and Wetzel Counties.

Deep wildcat tests are drilling in several of the eastern counties of the State, and have been very successful in Randolph, Pocahontas, and Tucker Counties.

A few additional Oriskany Sand gas wells were drilling in Jackson, Putnam, eastern Randolph, Tucker, and Wood Counties.

Several Devonian Shale gas wells were drilled in the southwestern part of the State, during the year, in Cabell, Lincoln, Logan, Mingo, Putnam, and Wayne Counties.

Many new wells and several old ones are being fractured in the State with generally favorable results. Studies are now being made by the West Virginia University on declines in production after fracturing.

Secondary recovery operations for oil are continuing in the State.

24 Benson Sand gas wells were completed in 1958 in Barbour, Lewis, and Upshur Counties.

The large gas well in Ritchie County completed by the Hope Natural Gas Co. on the Volcano Anticline near the Wood County line will probably encourage other operators to drill wells much deeper, since comparatively few wells have been drilled in the State below the Oriskany Sand.

# ANALYSIS OF RECEIPTS AND EXPENDITURES

Department of Finance and Administration

Henry L. Ash, Commissioner

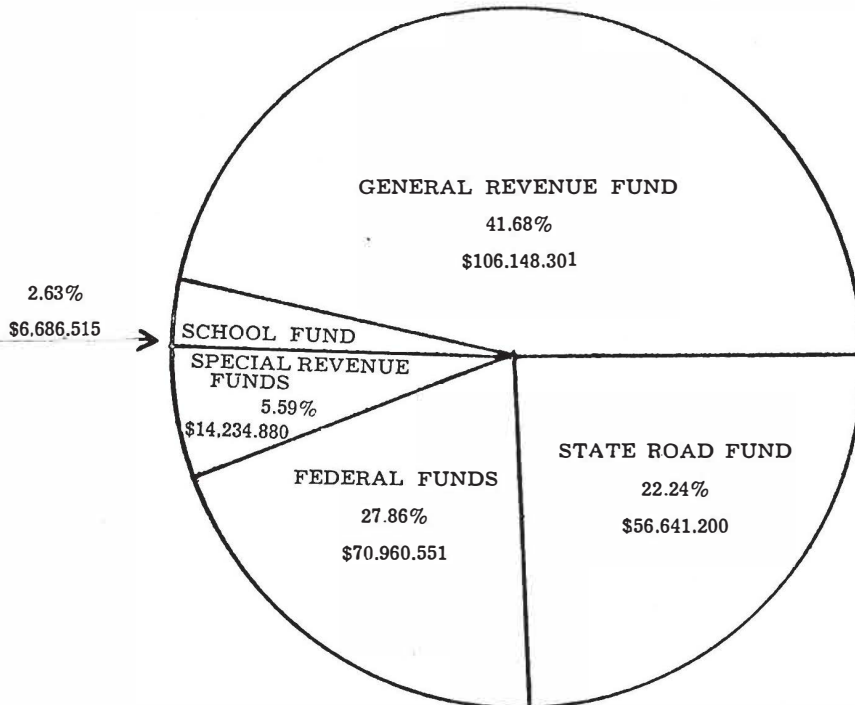

## SECTION I—SUMMARY

### INCOME

Revenues collected for the operation of state government are deposited into various funds as provided by statute and the constitution. Many of these funds are dedicated for specific purposes and are carried in separate accounts and expended only for the purposes authorized by law. These include the General School Fund, State Road Fund, Federal Funds and various others designated as Special Revenue Funds. Approximately 58% of all revenues, collected during the 1958-59 fiscal year, is within this group of dedicated funds. All revenues not dedicated for specific purposes are deposited into the General Revenue Fund, from which the Legislature makes appropriations for the operation of the various departments, schools and institutions.

Total revenues for the fiscal year ended June 30, 1959, amounted to 254 million dollars as compared to 225 million for the previous year, an increase of some 29 million dollars. Of this increase approximately 22.5 million is reflected in additional Federal Funds for road purposes, 3 million in Sale of Road Bonds and the remainder from various other sources.

While the main source of General Revenue Funds, the Gross Sales Tax, was down some 2.1 million from the previous year an increase in Insurance Tax of .9 million and 1.6 million in Racing Fees together with other smaller increases gave the General Revenue Fund an increase of 1.4 million over the previous year.

SECTION II—SUMMARY

EXPENDITURES

The expenditures shown in this section are itemized to show total expenditures by function of state government without regard to the fund from which paid. Inter-fund transfers are eliminated so as to reflect actual operating costs.

All expenditures from appropriated accounts shown in this report include those for the 30 day period, (July, 1959), as well as those from July 1, 1958 to June 30, 1959.

Total expenditures for the appropriation year 1958-59 amounted to 262 million dollars as compared to 226 million for the previous year, an increase of some 36 million dollars. Of this increase approximately 22.4 million was for highway purposes, 5 million for capital outlay, 3.5 for health and welfare, 1.9 for education and 3.2 million for other functions.

As shown in this section the major portion, approximately 33%, of the state dollar was expended for highways. Education expenditures were second accounting for 32% and these are followed by expenditures for health and welfare, which accounted for 20% of the state dollar. The remaining 15% covers all other costs of state government including capital outlay, veterans' bonus bonds, and operations of the legislative, judicial and executive branches.

## COLLECTION OF REVENUE, BUSINESS AND OCCUPATION TAX AND TRANSPORTATION PRIVILEGE TAX

West Virginia has imposed since 1921 a Business and Occupation Tax in some form. This tax has been known erroneously as the "Gross Sales Tax," a designation which has included the privilege tax imposed on certain carrier corporations by the terms of Article 12-A, Chapter XI of the Code of West Virginia, as well as the Business and Occupation Tax imposed by the terms of Article 13 of said Chapter XI. Collections by virtue of these two tax laws are deposited to the credit of the general revenue fund of the State, and constitute the largest single source of the State's general revenue raised by so-called "indirect" taxation.

These taxes are license taxes imposed for the privilege of engaging in business in West Virginia. The amount of tax to be paid is usually measured by the amount of gross income received before the deduction of any expense whatsoever. Under the production and manufacturing classifications of the Business and Occupation Tax Law the measure of the tax is the value of the article produced or manufactured as shown by the gross proceeds derived from the sale thereof, provided, the proceeds of sale are indicative of the true value of the article. Every person in business is subject to the tax and if more than one person engages in a single activity or transaction, as in the case of the contractor and subcontractor, each must pay the tax measured by his entire income regardless of the tax paid by the other.

Business activities under Article 13 are classed and taxed as follows:

A. Production of Coal and Other Natural Resource Products. The tax is measured by the value of the articles mined or produced as shown by the gross proceeds derived from the sale thereof by the producer, the rates being applied against the value of the entire production in West Virginia, regardless of the place of sale or the fact that deliveries are made to points outside the State.

Coal .....	On each \$100.00 value, \$1.35
Sand, gravel, or other mineral products not quarried or mined; oil, blast furnace slag .....	On each 100.00 value, 3.95
Natural gas (exemptions include deduction of \$5,000 annually) .....	On each 100.00 value, 7.85
Limestone or sandstone quarried or mined; and timber .....	On each 100.00 value, 2.00
Other natural resource products .....	On each 100.00 value, 2.60

B. Manufacturing. The tax is measured by the value of the articles manufactured, compounded or prepared for sale in West Virginia, as shown by the gross proceeds derived from the sale thereof by the manufacturer or person compounding or preparing the same. The rate, 40 cents on each \$100.00 value, applies against the value of the entire production in West Virginia, regardless of the place of the sale or the fact that deliveries are made to points outside the State.

C. (1) Business of Selling Tangible Property, Other Than at Wholesale. The rate, 50 cents on each \$100.00 value, applies against the gross income of the business, without any deduction on account of the cost of the goods sold, operating or other expenses, or losses.

C. (2) Business of Selling Tangible Property at Wholesale. The rate, 25 cents on each \$100.00 value, applies against the gross income of the business, without any deduction on account of the cost of the goods sold, operating, or other expenses, or losses.

D. Public Service or Utility Business. The rates set out below apply against the gross income of the business without deduction of cost of operation, expenses or losses of any kind.

Street Interurban and Electric Railways .....	On each \$100.00 value, \$1.30
Electric Light and Power Companies (sales and demand charges, domestic purposes and commercial lighting) .....	On each 100.00 value, 5.20

Water Companies .....	On each 100.00 value, 4.00
Electric Light and Power Companies (all other sales and demand charges): .....	On each 100.00 value, 3.90
Natural Gas Companies: Toll Bridges .....	On each 100.00 value, 3.90
Other Public Utilities—(Except telegraph and telephone companies, railways and other transportation companies) .....	On each 100.00 value, 2.60

E. Contracting Business. The rate, \$2.50 on each \$100.00 value, applies against the gross income of the business. The term "gross income" is defined as meaning total receipts of the business without deduction for the cost of labor or material, operating, or other expenses, or losses.

G. Amusement Business. The rate, 65 cents on each \$100.00 value, applies against the gross income of the business, "gross income" being defined as including the total receipts without any deduction on account of the cost of operation, or other expenses, or losses.

H. Service Business or Calling Not Otherwise Specifically Taxed. The rate, \$1.05 on each \$100.00 value, applies against the entire gross income of the business, with no deduction on account of cost of operation, taxes, losses or other expenses.

I. Business of Furnishing Property for Hire. The rate, \$1.05 on each \$100.00 value, applies against the entire gross income of the business, with no deduction on account of cost or operation, taxes, losses or other expenses.

J. Small Loan Business. The rate, \$1.05 on each \$100.00 value, applies against the entire gross income of the business, with no deduction on account of cost of operation, taxes, losses or other expenses.

Business activities under Article 12-A are classed and taxed as follows:

A. Motor Vehicle Carriers, Railroad Car Corporations, Express Corporations or Companies. \$1.50 on each \$100.00 of gross intra-state income, and \$1.50 on each \$100.00 or pro-rated (to determine part derived from West Virginia business) net income from all business.
