Subject: Independent Commission for Redistricting!

To My Legislators,

I am a resident of Kanawha County, West Virginia. I am very concerned about what is happening with the way my congressional district is being redrawn! I want this craziness to stop! Political gerrymandering is wrong, yet it is happening right in front of our eyes!

We need you to pass a bill that creates a fund to pay for an independent commission to redraw our district lines. That is the only way to get this done in a way that truly represents the electorate in West Virginia!

Thank you!
