

Maybe legal size Drawer

The Files somewhere on both sides

Maybe this is a legal size Filing Drawer w/ an open write I might put the Diplomas on that wall but Don't know

EXHIBIT

Clothing like Nurse

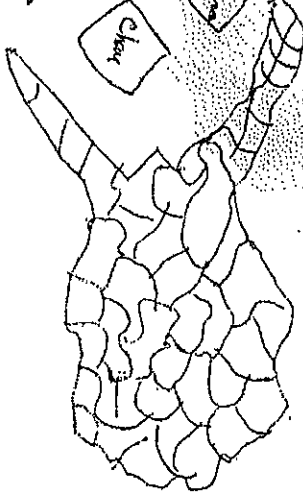

Smaller Radiator

Smaller Radiator

Keyboard Computer Monitor

Machine or comfortable Chair

Desk  
Filing

Standing Desk

Stone to P Single Radiator

Tablet

I am open to suggestions on this wall. I had thought about drawers, + a cabinet small closet but with all of the space in Vic's office, I may not need all of that.

Maybe cabinet space or drawers on the kitchen

Wall of Cabinets similar to Workman and Ketchum

Jordan Blinks' special images from Justice Surgery  
Smaller Radiator

This could be a window. I have some ideas for a window. I would like to have a window in the middle. I just want to make it look professional and be Center  
I am open to suggestions on this wall. I had thought about drawers, + a cabinet small closet but with all of the space in Vic's office, I may not need all of that.

Hide Ketchum's name  
Maybe space wall above for Art of some type.
