Hi, Magistrate Means:

Please find attached your contract for continued work past the statutory cap (i.e. which makes you no longer paid as a state employee, but a "vendor.")

Please fill out the information at the bottom right corner, and then scan and e-mail it back to me for the Chief Justice's signature.

Thank you for your patience!

Jennifer Singletary

p.s. I went with the start date you provided, as Chris Workman informed me that she and her staff are currently too busy to verify dates provided for accuracy.
