Foreword

Since 1916, the West Virginia Blue Book has been published annually, except for 1932, 1988 and 1990.

It is my hope that the Blue Book will continue its long tradition of providing information of interest about the various aspects of our state, county and municipal governments, and other facts, figures and historical information relating to West Virginia.

As the 9th editor of the West Virginia Blue Book, I take pride in the contents of this edition. I certainly appreciate the efforts of my staff who have tried to keep the Blue Book in its original style.

Sincerely,
DARRELL E. HOLMES
Editor

JOE MANCHIN III
Governor of West Virginia

Joe Manchin III (D) of Fairmont, Marion County, was sworn in as West Virginia's 34th Governor on January 17, 2005. He also served as the state's 27th Secretary of State from 2000-2004. After graduating from Farmington High School in 1965, he attended West Virginia University on a football scholarship. He received his bachelor's degree in business and economics from the university in 1970 and returned to Marion County to operate a chain of family-owned retail stores. He later created Enersystems, Inc., a privately held natural resources company. Elected in 1982 to the House of Delegates; elected to the State Senate in 1986, 1988 and 1992. As Governor, Joe Manchin has taken responsibility for improving our state's economic climate so that we can retain and create good paying jobs with health care benefits for our state's workforce. As a result, under his leadership, West Virginia has become "Open for Business" with 19,000 new jobs being created since 2005 along with \$3.73 billion of new investments. Since becoming governor, West Virginia has maintained record-low unemployment rates and experienced a series of significant economic announcements from businesses - both large and small - that have chosen to either locate or expand operations in the state, including many international investors. Married to Gayle Conelly Manchin of Beckley, Raleigh County; children: Heather, Joseph IV and Brooke; six grandchildren.

**STATE DEVELOPMENTAL DISABILITIES COUNCIL
110 Stockton Street
Charleston 25302-2521**

On March 6, 1972, Governor Moore established through Executive Order the State Developmental Disabilities Planning Council as required by the Developmental Disabilities Services and Facilities Construction Act, Public Law 91-517. The State Commission on Mental Retardation was designated as the agency to assist the State Council in the development and subsequent revision of the State Plan and to administer the State Formula Grant Program for planning and services. The State Health Department became the administering agency for the program when the Commission was merged with the newly reorganized State Health Department on July 1, 1977. The Department of Health and Human Resources was named the Council's Designated State Agency in the Executive Department reorganization of July 1, 1989. On December 17, 1999, Governor Underwood issued an Executive Order that renamed the Council the "West Virginia Developmental Disabilities Council". The federal Developmental Disabilities Act has undergone several revisions which have strengthened the role and autonomy of the Council. The current DD Act is Public Law 106-402, the Developmental Disabilities Assistance and Bill of Rights Act of 2000. Currently over 60 percent of the Council's 32 members must be consumers or family members.

Website: www.wvf.state.wv.us/wvdoc

The Division of Corrections, formerly a major division within the Department of Public Institutions, was established under Chapter 70, Acts, in 1977. Under the executive reorganization of 1989, Corrections became a division of the Department of Public Safety (now the Department of Military Affairs and Public Safety). The Commissioner of the Division of Corrections directs the state's adult correctional system. In November 1997, oversight of the juvenile correctional institutions was transferred to the newly created Division of Juvenile Services. The Division of Corrections' system consists of 14 adult facilities: Mount Olive Correctional Complex at Mount Olive, Northern Regional Jail and Correctional Facility at Moundsville, Ohio County Correctional Center at Wheeling, St. Marys Correctional Center at St. Marys, Huttonsville Correctional Center at Huttonsville, Pruntytown Correctional Center at Grafton, Denmark Correctional Center at Hillsboro, Beckley Correctional Center at Beckley, Lakin Correctional Center at West Columbia, Welch Facility at Welch, Martinsburg Correctional Center at Martinsburg, Stevens Correctional Center at Welch and Work Release Centers at Huntington and Charleston. The agency also operates one young adult offender facility—Anthony Correctional Center at Neola. The Commissioner is also responsible for the supervision of parolees assigned to the Division's custody or accepted through interstate compact. The State's correctional system is responsible for approximately 5,300 incarcerated adults, 140 youthful offenders and approximately 1,700 persons under probation and parole supervision.

DIVISION OF JUVENILE SERVICES

**2nd Floor, 1200 Quarrier Street
Charleston 25301**

Website: www.wvdjs.state.wv.us

The West Virginia Division of Juvenile Services, assuming responsibilities formerly charged to both the Division of Corrections and the Department of Health and Human Resources, was established under Chapter 53, Acts of the Legislature, Regular Session, 1997, and amended by Chapter 5, Acts, First Extraordinary Session, 1999. Designed to serve the needs of West Virginia's juveniles, the Division operates six detention centers, three staff secure centers, two correctional facilities and two diagnostic centers. The detention centers are responsible for the nonadjudicated or predispositional youth. These centers are designed for the short-term secure detention of males and females between the ages of 10 and 18 years of age. The mission of the detention centers is to ensure safe, secure facilities with sufficient space and quality services and progressive programming to achieve positive outcomes for detention residents. The detention facilities provide for the general care and welfare of youths awaiting disposition of felony charges. The Division additionally provides case management, counseling and a variety of programs designed to reduce recidivism and aid in the youths' successful transition back into their respective communities. These services include classes in anger control, coping skills and problem solving. Division staff work closely with the Department of Health and

Human Resources, juvenile probation, community care providers and education in formulating treatment plans designed to enhance the youths' probability of success in becoming responsible citizens. The staff secure centers provide a level of care to nonaggressive, cogender juveniles who are detained pending felony criminal charges and those status offenders with a history of running from placements or shelters. These centers have a strong emphasis of therapeutic intervention and provide life skills, positive peer culture groups, therapeutic recreation and basic education. The correctional facilities utilize a unit management approach in addressing identified needs of incarcerated youths. The Division of Juvenile Services provides for the general care and welfare of residents sentenced to indeterminate terms of incarceration as youthful offenders and those juveniles tried as adult offenders and awaiting placement in adult facilities. The diagnostic units currently provide comprehensive evaluation services to adjudicated youth. A 60-day assessment and diagnostic information is completed and utilized by committing jurisdictions to determine a youth's next best step in returning to a healthy and productive life. (Code 49-5E)

DEPARTMENT OF REVENUE

James Robert Alsop, Cabinet Secretary
State Capitol
Building 1, Room 300 West
Charleston 25305

The Secretary of Revenue is appointed by the Governor, by and with the advice and consent of the Senate, to serve, at the will and pleasure of the Governor, for the term for which the Governor is elected and until a successor has been appointed and has qualified. The Secretary's salary is set by statute at \$85,000 per year.

The Department of Revenue, previously known as the Department of Tax and Revenue, was created by the 1989 Legislature, which combined the following departments and agencies under the leadership of the Secretary of Tax and Revenue: Alcohol Beverage Control Commissioner, Division of Banking, Board of Banking and Financial Institutions, Lending and Credit Rate Board, Insurance Commissioner, State Lottery, Racing Commission and State Tax Division. The Department began operations on July 1, 1989. On June 11, 2004, legislation took effect reorganizing the Department and changing its name to the Department of Revenue. This legislation clarified the powers and duties of the Secretary. The Secretary is now also the director of the state budget and an ex officio member of the Council for Finance and Administration. The State Budget Office was moved from the Department of Administration to the Department of Revenue. Additionally, the legislation makes the State Athletic Commission and the Municipal Bond Commission part of the Department of Revenue. The Department, through the Alcohol Beverage Control Administration, licenses manufacturers and sellers of beer, wine and liquor in this state and regulates the sale of these products. The Alcohol Beverage Control Commissioner also operates the state liquor warehouse. The Department, through the Division of Banking, regulates and supervises state banking institutions, industrial banks, industrial loan companies, credit unions, supervised lenders and other financial institutions, which have been or may be placed under its supervision. The Department, through the Insurance Commissioner, collects insurance premium taxes and regulates and oversees the insurance industry within the state, including, but not limited to, workers' compensation, hospital service corporations, dental service corporations, medical service corporations, other health service corporations, health maintenance organizations and other entities, which by statute are under the jurisdiction of the Insurance Commissioner. The Department, through the Lottery Commission and State Lottery Office, operates the state lottery, including racetrack video lottery and limited video lottery. The Department, through the Municipal Bond Commission, serves as fiscal agent for all issuers of general obligation bonds issued by West Virginia counties, county boards of education and municipalities and by other government entities when the commission is specifically named as the fiscal agent by statute. The Department, through the Office of Tax Appeals, hears contested tax cases from the State Tax Division. The Department, through the State Athletic Commission, regulates all amateur, professional and semiprofessional boxing, sparring matches and exhibitions conducted or held in this state by any person. "Boxing" is broadly defined. The Secretary of Revenue is director of the state budget and, under supervision of the Governor through the State Budget Office, prepares the Governor's annual budget for state departments, agencies, boards, commissions and offices, including state-operated institutions of higher education. The State Budget Office administers the budget after it is passed by the Legislature. The Department, through the State Tax Division, administers, collects and enforces various state taxes including the beer barrel tax, the business and occupation tax, the business franchise tax, the cigarette tax, the consumers sales and service tax, the corporation license tax, the corporation net income tax, the estate tax, the gasoline and special fuels tax, the health care provider tax, the motor carrier road tax, the personal income tax, the severance tax, the soft drinks tax, the telecommunication tax and the wine liter tax. The State Tax Division also appraises industrial and natural resource properties throughout the state for ad valorem property tax purposes, supervises the work of county assessors, prepares for the Board of Public Works tentative ad valorem property tax assessments for all public utilities operating within

the state, and issues permits for and regulates charitable bingo occasions and charitable raffles held in the state. The Department, through the West Virginia Racing Commission, regulates greyhound and horse racing and pari-mutuel wagering at the state's four pari-mutuel racetracks. The Racing Commission also regulates the sending and receiving of simulcast races in this state and pari-mutuel wagering in this state on simulcast races. (Code 11B-1-2)

JAMES ROBERT ALSOP was appointed as Cabinet Secretary for the West Virginia Department of Revenue effective December 1, 2006. He previously served as General Counsel for the West Virginia Department of Revenue. He received his bachelor's degree in political science from West Virginia University in 1999. He is also a 2002 graduate of the West Virginia College of Law, and served as Editor-in-Chief of the West Virginia Law Review. Following his graduation from law school, Mr. Alsop served as a law clerk for the United States Court of Appeals, Fourth Circuit, for the Honorable Robert Bruce King. He also practiced law for Jackson Kelly PLLC for two years before serving as Deputy General Counsel to Governor Manchin in 2005. He is Governor Manchin's designee on the West Virginia Investment Management Board and the West Virginia Board of Treasury Investments.

MISCELLANEOUS STATE BOARDS AND COMMISSIONS

GENERAL PROVISIONS

Under Chapter 30, Article 1 of the Code of West Virginia, all boards of examination and registration are governed by the following general rules, unless otherwise specifically provided:

Each board is required to adopt an official seal, make such rules and regulations, not inconsistent with law, as it deems best, and hold at least two meetings each year. Each board is also given power to compel the attendance of witnesses, and its officers are authorized to administer oaths.

Each applicant for license or registration must transmit with his application an examination fee of \$20, unless a different fee is especially provided by law. Each board is allowed to charge \$5 for each license or certificate issued and the same sum for every duplicate thereof. All licenses or certificates of registration are required to be numbered serially and to be signed by a majority of the members of the board, and each board has power to revoke, for cause, the certificate it issues. An applicant who has been refused a license or a licensee whose certificate has been revoked has the right to appeal from the action of the board to the circuit court of the county in which he or she resides.

Unless otherwise specified by law, members of boards are allowed for each day actually spent in attending sessions of the board or its committees and in necessary travel, an amount not less than \$35 per day but not more than the amount paid to members of the Legislature for their interim duties as recommended by the Citizens Legislative Compensation Commission and authorized by law. Members of boards are also entitled to reimbursement for all actual and necessary expenses in carrying out their official duties.

Each board is required to make a report annually to the Governor on or before the first day of January, and the secretary of each board is required to prepare and maintain a complete roster of all persons licensed or registered by it.

FAMILY COURT JUDGES

The Family Court System was created, in part, by a constitutional amendment ratified in November 2000, and by Chapter 5, Acts of the Legislature, Fifth Extraordinary Session, 2001, effective September 19, 2001. The Family Court System replaces the family law master system created by Chapter 2, Acts of the Legislature, Second Extraordinary Session, 1986.

Under the new system, West Virginia is divided into 26 family court circuits served by 35 court judges. The family court judges were appointed by the Governor to a one-year term to run from January 1, 2002, through December 31, 2002. During 2002, family court judges were elected for an initial term in office of six years ending December 31, 2008. Subsequent terms will run eight years. Salary: \$82,500, effective July 1, 2005.

MAGISTRATE COURTS

Magistrate Courts supplanted the justice-of-the-peace system through the 1974 Judicial Reorganization Amendment. There are 158 magistrates statewide, with at least two in every county and ten in the largest county.

All of the magistrates hear about 300,000 cases a year. Each magistrate has jurisdiction of most misdemeanors, including traffic and natural resource offenses; preliminary hearings in felony cases; civil cases in which \$5,000 or less is in dispute; domestic violence proceedings involving protective orders; brief commitments under mental hygiene law; and initial hearings in juvenile cases if designated as a juvenile referee.

Magistrates are elected for four-year terms. Terms expire December, 2008. Salaries, in two tiers, are \$43,625 and \$50,000, effective July 1, 2005.

Preamble

Since through Divine Providence we enjoy the blessings of civil, political and religious liberty, we, the people of West Virginia, in and through the provisions of this Constitution, reaffirm our faith in and constant reliance upon God and seek diligently to promote, preserve and perpetuate good government in the State of West Virginia for the common welfare, freedom and security of ourselves and our posterity.

[**Editor's note.**—This preamble was proposed by House Joint Resolution No. 8, Acts, Regular Session, 1959, p. 659; submitted by Acts, Regular Session, 1960, c. 4; and ratified November 8, 1960.]

ARTICLE I

Relations to the Government of the United States

§1. The State of West Virginia is, and shall remain, one of the United States of America. The Constitution of the United States of America, and the laws and treaties made in pursuance thereof, shall be the supreme law of the land.

Internal Government and Police

§2. The government of the United States is a government of enumerated powers, and all powers not delegated to it, nor inhibited to the States, are reserved to the States or to the people thereof. Among the powers so reserved to the States is the exclusive regulation of their own internal government and police; and it is the high and solemn duty of the several departments of government, created by this Constitution, to guard and protect the people of this State from all encroachments upon the rights so reserved.

Continuity of Constitutional Operation

§3. The provisions of the Constitution of the United States, and of this State, are operative alike in a period of war as in time of peace, and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government, and tends to anarchy and despotism.

Representatives to Congress

§4. For the election of representatives to Congress, the State shall be divided into districts, corresponding in number with the representatives to which it may be entitled; which districts shall be formed of contiguous counties, and be compact. Each district shall contain, as nearly as may be, an equal number of population, to be determined according to the rule prescribed in the Constitution of the United States.

ARTICLE II

The State

§1. The territory of the following counties, formerly parts of the commonwealth of Virginia, shall constitute and form the State of West Virginia, viz:

The counties of Barbour, Berkeley, Boone, Braxton, Brooke, Cabell, Calhoun, Clay, Doddridge, Fayette, Gilmer, Grant, Greenbrier, Hampshire, Hancock, Hardy, Harrison, Jackson, Jefferson, Kanawha, Lewis, Lincoln, Logan, Marion, Marshall, Mason, McDowell, Mercer, Mineral, Monongalia, Monroe, Morgan, Nicholas, Ohio, Pendleton, Pleasants, Pocahontas, Preston, Putnam, Raleigh, Randolph, Ritchie, Roane, Summers, Taylor, Tucker, Tyler, Upshur, Wayne, Webster, Wetzel, Wirt, Wood and Wyoming. The State of West Virginia includes the bed, bank and shores of the Ohio River, and so much of the Big Sandy River as was formerly included in the Commonwealth of Virginia; and all territorial rights and property in, and jurisdiction over, the same, heretofore reserved by, and vested in, the Commonwealth of Virginia, are vested in and shall hereafter be exercised by the State of West Virginia. And such parts of the said beds, banks and shores as lie opposite, and adjoining the several counties of this State, shall form parts of said several counties respectively.

[**Editor's note.**—All of the territory of West Virginia was taken from the Commonwealth of Virginia, and in the Constitution of 1863 forty-four of the above-named counties were designated as forming the State of West Virginia, and in addition, the counties of Berkeley, Hampshire, Hardy, Jefferson, Morgan and Pendleton were to be admitted should that Constitution be adopted by a vote of the people of the districts comprising those counties. The districts adopted the Constitution, and these six counties became part of the State.

The remaining four counties mentioned above were created by Acts of the Legislature as follows: Mineral County, from Hampshire County, on February 1, 1866; Grant County, from Hardy County, on February 14, 1866; Lincoln County, from parts of Cabell, Putnam, Kanawha and Boone Counties, on February 23, 1867; and Summers County, from parts of Greenbrier, Monroe, Mercer and Fayette Counties, on February 27, 1871. After the ratification of the Constitution of 1872, Mingo County was created by an act of the Legislature from Logan County, on February 23, 1895, to make a total of fifty-five counties.]

Powers of Government in Citizens

§2. The powers of government reside in all the citizens of the State, and can be rightfully exercised only in accordance with their will and appointment.

Requisites of Citizenship

§3. All persons residing in this State, born, or naturalized in the United States, and subject to the jurisdiction thereof, shall be citizens of this State.

Equal Representation

§4. Every citizen shall be entitled to equal representation in the government, and, in all apportionments of representation, equality of numbers of those entitled thereto, shall as far as practicable, be preserved.

Provisions Regarding Property

§5. No distinction shall be made between resident aliens and citizens, as to the acquisition, tenure, disposition or descent of property.

Treason, What Constitutes—Penalty

§6. Treason against the State shall consist only in levying war against it, or in adhering to its enemies, giving them aid and comfort. No person shall be convicted of treason, unless on the testimony of two witnesses to the same overt act, or on confession in open court. Treason shall be punished according to the character of the acts committed, by the infliction of one, or more, of the penalties of death, imprisonment or fine, as may be prescribed by law.

“Montani Semper Liberi”—State Seal

§7. The present seal of the State, with its motto, “Montani Semper Liberi,” shall be the great seal of the State of West Virginia, and shall be kept by the secretary of state, to be used by him officially, as directed by law.

Writs, Commissions, Official Bonds—Indictments

§8. Writs, grants and commissions, issued under the authority of this State, shall run in the name of, and official bonds shall be made payable to the State of West Virginia. Indictments shall conclude, “Against the peace and dignity of the State.”

ARTICLE III

Bill of Rights

§1. All men are, by nature, equally free and independent, and have certain inherent rights, of which, when they enter into a state of society, they cannot, by any compact, deprive or divest their posterity, namely: The enjoyment of life and liberty, with the means of acquiring and possessing property, and of pursuing and obtaining happiness and safety.

Magistrates Servants of People

§2. All power is vested in, and consequently derived from, the people. Magistrates are their trustees and servants, and at all times amenable to them.

Rights Reserved to People

§3. Government is instituted for the common benefit, protection and security of the people, nation or community. Of all its various forms that is the best, which is capable of producing the greatest degree of happiness and safety, and is most effectually secured against the danger of maladministration; and when any government shall be found inadequate or contrary to these purposes, a majority of the community has an indubitable, inalienable, and indefeasible right to reform, alter or abolish it in such manner as shall be judged most conducive to the public weal.

Writ of Habeas Corpus

§4. The privilege of the writ of habeas corpus shall not be suspended. No person shall be held to

answer for treason, felony or other crime, not cognizable by a justice, unless on presentment or indictment of a grand jury. No bill of attainder, ex post facto law, or law impairing the obligation of a contract, shall be passed.

Excessive Bail not Required

§5. Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishment inflicted. Penalties shall be proportioned to the character and degree of the offence. No person shall be transported out of, or forced to leave the State for any offence committed within the same; nor shall any person, in any criminal case, be compelled to be a witness against himself, or be twice put in jeopardy of life or liberty for the same offence.

Unreasonable Searches and Seizures Prohibited

§6. The rights of the citizens to be secure in their houses, persons, papers and effects, against unreasonable searches and seizures, shall not be violated. No warrant shall issue except upon probable cause, supported by oath or affirmation, particularly describing the place to be searched, or the person or thing to be seized.

Freedom of Speech and Press Guaranteed

§7. No law abridging the freedom of speech, or of the press, shall be passed; but the Legislature may, by suitable penalties, restrain the publication or sale of obscene books, papers, or pictures, and provide for the punishment of libel, and defamation of character, and for the recovery, in civil actions, by the aggrieved party, of suitable damages for such libel, or defamation.

Relating to Civil Suits for Libel

§8. In prosecutions and civil suits for libel, the truth may be given in evidence; and if it shall appear to the jury, that the matter charged as libelous is true, and was published with good motives, and for justifiable ends, the verdict shall be for the defendant.

Private Property, How Taken

§9. Private property shall not be taken or damaged for public use, without just compensation; nor shall the same be taken by any company, incorporated for the purposes of internal improvement, until just compensation shall have been paid, or secured to be paid, to the owner; and when private property shall be taken, or damaged for public use, or for the use of such corporation, the compensation to the owner shall be ascertained in such manner as may be prescribed by general law: Provided, That when required by either of the parties, such compensation shall be ascertained by an impartial jury of twelve freeholders.

Safeguards for Life, Liberty and Property

§10. No person shall be deprived of life, liberty, or property, without due process of law, and the judgment of his peers.

Political Tests Condemned

§11. Political tests, requiring persons, as a prerequisite to the enjoyment of their civil and political rights, to purge themselves by their own oaths, of past alleged offences, are repugnant to the principles of free government, and are cruel and oppressive. No religious or political test oath shall be required as a prerequisite or qualification to vote, serve as a juror, sue, plead, appeal, or pursue any profession or employment. Nor shall any person be deprived by law, of any right, or privilege, because of any act done prior to the passage of such law.

Military Subordinate to Civil Power

§12. Standing armies, in time of peace, should be avoided as dangerous to liberty. The military shall be subordinate to the civil power; and no citizen, unless engaged in the military service of the State, shall be tried or punished by any military court, for any offence that is cognizable by the civil courts of the State. No soldier shall, in time of peace, be quartered in any house, without consent of the owner; nor in time of war, except in the manner to be prescribed by law.

No fact tried by a jury shall be otherwise reexamined in any case than according to the rule of court or law.

[**Editor's note.**—The first amendment of this section was proposed by Joint Resolution No. 11, Acts, Regular Session, 1879, p. 182; submitted by Acts, Regular Session, 1879, c. 50; and ratified October 12, 1880.

[**Editor's note.**—The Nineteenth Amendment to the United States Constitution now provides that the right of citizens of the United States to vote shall not be denied or abridged on account of sex. Va. Const. art. IV, §4.]

[XXVI amendment of 1971 to the United States Constitution now provides that the rights of citizens of the United States who are eighteen years of age or older shall not be denied or abridged on account of age.]

Persons Entitled to Hold Office—Age Requirements

§4. No person, except citizens entitled to vote, shall be elected or appointed to any state, county or municipal office; but the governor and judges must have attained the age of thirty, and the attorney general and senators the age of twenty-five years, at the beginning of their respective terms of service; and must have been citizens of the State for five years next preceding their election or appointment, or be citizens at the time this Constitution goes into operation.

Elections to fill vacancies, shall be for the unexpired term. When vacancies occur prior to any general election, they shall be filled by appointments, in such manner as may be prescribed herein, or by general law, which appointments shall expire at such time after the next general election as the person so elected to fill such vacancy shall be qualified.

[**Editor's note.**—The amendment of this section was proposed by Joint Resolution No. 9, Acts, 1883, p. 137; submitted by Acts, 1883, c. 43; and ratified October 14, 1884. Prior to the amendment, this section provided that the general election should be held on the second Tuesday in October and that terms of members of the Legislature began on the first day of November.]

Any citizen of this State, who shall, after the adoption of this Constitution, either in or out of the State, fight a duel with deadly weapons, or send or accept a challenge so to do, or who shall act as a second or knowingly aid or assist in such duel, shall, ever thereafter, be incapable of holding any office of honor, trust or profit in this State.

Safeguards for Ballots

§11. The Legislature shall prescribe the manner of conducting and making returns of elections, and of determining contested elections; and shall pass such laws as may be necessary and proper to prevent intimidation, disorder or violence at the polls, and corruption or fraud in voting, counting the vote, ascertaining or declaring the result, or fraud in any manner, upon the ballot.

The original section read as follows: "No citizen shall ever be denied or refused the right or privilege of voting at an election, because his name is not, or has not been registered or listed as a qualified voter."]

ARTICLE V

Division of Powers

§1. The legislative, executive and judicial departments shall be separate and distinct, so that neither shall exercise the powers properly belonging to either of the others; nor shall any person exercise the powers of more than one of them at the same time, except that justices of the peace shall be eligible to the Legislature.

ARTICLE VI

The Legislature

§1. The legislative power shall be vested in a Senate and House of Delegates. The style of their acts shall be, "Be it enacted by the Legislature of West Virginia."

Composition of Senate and House of Delegates

§2. The Senate shall be composed of twenty-four, and the House of Delegates of sixty-five members, subject to be increased according to the provisions hereinafter contained.

[Editor's note.—The Senate is now composed of thirty-four, and the House of Delegates of one hundred members.]

Senators and Delegates—Terms of Office

§3. Senators shall be elected for the term of four years, and delegates for the term of two years. The senators first elected, shall divide themselves into two classes, one senator from every district being assigned to each class; and of these classes, the first to be designated by lot in such manner as the Senate may determine, shall hold their seats for two years and the second for four years, so that after the first election, one half of the senators shall be elected biennially.

Division of State Into Senatorial Districts

§4. For the election of senators, the State shall be divided into twelve senatorial districts, which number shall not be diminished, but may be increased as hereinafter provided. Every district shall elect two senators, but, where the district is composed of more than one county, both shall not be chosen from the same county. The districts shall be compact, formed of contiguous territory, bounded by county lines, and, as nearly as practicable, equal in population, to be ascertained by the census of the United States. After every such census, the Legislature shall alter the senatorial districts, so far as may be necessary to make them conform to the foregoing provision.

Senatorial Districts Designated

§5. Until the senatorial districts shall be altered by the Legislature as herein prescribed, the counties of Hancock, Brooke and Ohio, shall constitute the first senatorial district; Marshall, Wetzel and Marion, the second; Ritchie, Doddridge, Harrison, Gilmer and Calhoun, the third; Tyler, Pleasants, Wood and Wirt, the fourth; Jackson, Mason, Putnam and Roane, the fifth; Kanawha, Clay, Nicholas, Braxton and Webster, the sixth; Cabell, Wayne, Lincoln, Boone, Logan, Wyoming, McDowell and Mercer, the seventh; Monroe, Greenbrier, Summers, Pocahontas, Fayette and Raleigh, the eighth; Lewis, Randolph, Upshur, Barbour, Taylor and Tucker, the ninth; Preston and Monongalia, the tenth; Hampshire, Mineral, Hardy, Grant and Pendleton, the eleventh; Berkeley, Morgan and Jefferson, the twelfth.

[**Editor's note.**—There are now seventeen senatorial districts. See § 1-2-1 of the Code, as last amended by c. 10, p. 2981, Acts, Fifth Extraordinary Session, 2001.]

Provision for Delegate Representation

§6. For the election of delegates, every county containing a population of less than three fifths of the ratio of representation for the House of Delegates, shall, at each apportionment, be attached to some contiguous county or counties, to form a delegate district.

After Census, Delegate Apportionment

§7. After every census the delegates shall be apportioned as follows: The ratio of representation for the House of Delegates shall be ascertained by dividing the whole population of the state by the number of which the House is to consist and rejecting the fraction of a unit, if any, resulting from such division. Dividing the population of every delegate district, and of every county not included in a delegate district, by the ratio thus ascertained, there shall be assigned to each a number of delegates equal to the quotient obtained by this division, excluding the fractional remainder. The additional delegates necessary to make up the number of which the House is to consist, shall then be assigned to those delegate districts, and counties not included in a delegate district, which would otherwise have the largest fractions unrepresented; but every delegate district and county not included in a delegate district, shall be entitled to at least one delegate.

Designation of Delegate Districts

§8. Until a new apportionment shall be declared, the counties of Pleasants and Wood shall form the first delegate district, and elect three delegates; Ritchie and Calhoun, the second, and elect two delegates; Barbour, Harrison and Taylor, the third, and elect one delegate; Randolph and Tucker, the fourth, and elect one delegate; Nicholas, Clay and Webster, the fifth, and elect one delegate; McDowell and Wyoming, the sixth, and elect one delegate.

Further Apportionments

§9. Until a new apportionment shall be declared, the apportionment of delegates to the counties not included in delegate districts, and to Barbour, Harrison and Taylor counties, embraced in such district, shall be as follows:

To Barbour, Boone, Braxton, Brooke, Cabell, Doddridge, Fayette, Hampshire, Hancock, Jackson, Lewis, Logan, Greenbrier, Monroe, Mercer, Mineral, Morgan, Grant, Hardy, Lincoln, Pendleton, Putnam, Roane, Gilmer, Taylor, Tyler, Upshur, Wayne, Wetzel, Wirt, Pocahontas, Summers and Raleigh counties, one delegate each.

To Berkeley, Harrison, Jefferson, Marion, Marshall, Mason, Monongalia and Preston counties, two delegates each.

To Kanawha county, three delegates.

To Ohio county, four delegates.

[**Editor's note.**—Many changes have been made in the apportionment. There are 58 delegate districts. For the present apportionment, see Acts, Fifth Extraordinary Session, 2001, c. 10, p. 2981.]

Arrangement of Senatorial and Delegate Districts

§10. The arrangement of the senatorial and delegate districts, and apportionment of delegates, shall hereafter be declared by law, as soon as possible after each succeeding census, taken by authority of the United States. When so declared they shall apply to the first general election for members of the Legislature, to be thereafter held, and shall continue in force unchanged, until such districts shall be altered, and delegates apportioned, under the succeeding census.

Additional Territory May Be Admitted Into State

§11. Additional territory may be admitted into, and become part of this State, with the consent of the Legislature and a majority of the qualified voters of the state, voting on the question. And in such case provision shall be made by law for the representation thereof in the Senate and House of Delegates, in conformity with the principles set forth in this Constitution. And the number of members of which each house of the Legislature is to consist, shall thereafter be increased by the representation assigned to such additional territory.

Senators and Delegates Required to Be Residents of Districts

§13. No person holding any other lucrative office or employment under this State, the United States, or any foreign government; no member of Congress; and no person who is sheriff, constable, or clerk of any court of record, shall be eligible to a seat in the Legislature.

[**Editor's note.**—The amendment of this section was proposed by House Joint Resolution No. 8, Acts, Regular Session, 1970, p. 456; and ratified November 3, 1970.

This section prior to its amendment, read:

"No person holding a lucrative office under this State, the United States, or any foreign government; no member of Congress; no person who is a salaried officer of any railroad company, or who is sheriff, constable, or clerk of any court of record, shall be eligible to a seat in the Legislature."

Bribery Conviction Forfeits Eligibility

§14. No person who has been, or hereafter shall be convicted of bribery, perjury, or other infamous crimes, shall be eligible to a seat in the Legislature. No person who may have collected or been entrusted with public money, whether state, county, township, district, or other municipal organization, shall be eligible to the Legislature, or to any office of honor, trust, or profit in this State, until he shall have duly accounted for and paid over such money according to law.

Senators and Delegates Not to Hold Civil Office For Profit

§15. No senator or delegate, during the term for which he shall have been elected, shall be elected or appointed to any civil office of profit under this State, which has been created, or the emoluments of which have been increased during such term, except offices to be filled by election by the people. Nor shall any member of the Legislature be interested, directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the term for which he shall have been elected.

Oath of Senators and Delegates

§16. Members of the Legislature, before they enter upon their duties, shall take and subscribe the following oath or affirmation: "I do solemnly swear (or affirm) that I will support the Constitution of the United States, and the Constitution of the State of West Virginia, and faithfully discharge the duties of Senator (or Delegate) according to the best of my ability"; and they shall also take this further oath, to wit: "I will not accept or receive, directly or indirectly, any money or other valuable thing, from any corporation, company, or person for any vote or influence I may give or withhold, as Senator

(or Delegate) on any bill, resolution or appropriation, or for any act I may do or perform as Senator (or Delegate)." These oaths shall be administered in the hall of the house to which the member is elected, by a judge of the supreme court of appeals, or of a circuit court, or by any other person authorized by law to administer an oath; and the secretary of state shall record and file said oaths subscribed by each member; and no other oath or declaration shall be required as a qualification. Any member who shall refuse to take the oath herein prescribed, shall forfeit his seat; and any member who shall be convicted of having violated the oath last above required to be taken, shall forfeit his seat and be disqualified thereafter from holding any office of profit or trust in this State.

Members of Legislature Privileged From Civil Arrest

§17. Members of the Legislature shall, in all cases except treason, felony, and breach of the peace, be privileged from arrest during the session, and for ten days before and after the same; and for words spoken in debate, or any report, motion or proposition made in either house, a member shall not be questioned in any other place.

Time and Place of Assembly of Legislature

§18. The Legislature shall assemble annually at the seat of government, and not oftener unless convened by the governor. But a smaller number may adjourn from day to day, and shall be authorized to compel the attendance of absent members, as each house may provide. Each house shall determine the rules of its proceedings and be the judge of the elections, returns and qualifications of its own members. The Senate shall choose, from its own body, a president; and the House of Delegates, from its own body, a speaker. Each house shall appoint its own officers, and remove them at pleasure. The oldest delegate present shall call the house to order at the opening of each new House of Delegates, and preside over it until the speaker thereof shall have been chosen and has taken his seat. The oldest member of the Senate present at the commencement of each regular session thereof shall call the Senate to order, and preside over the same until a president of the Senate shall have been chosen and has taken his seat."

Authority to Punish Members

§25. Each house may punish its own members for disorderly behavior, and with the concurrence of two thirds of the members elected thereto, expel a member, but not twice for the same offence.

Provisions for Undisturbed Transaction of Business

§26. Each house shall have power to provide for its own safety, and the undisturbed transaction of its business, and may punish, by imprisonment, any person not a member, for disrespectful behavior in its presence; for obstructing any of its proceedings, or any of its officers in the discharge of his duties, or for any assault, threat or abuse of a member, for words spoken in debate. But such imprisonment shall not extend beyond the termination of the session, and shall not prevent the punishment of any offence, by the ordinary course of law.

Accounting for State Moneys

§27. Laws shall be enacted and enforced, by suitable provisions and penalties, requiring sheriffs, and all other officers, whether state, county, district or municipal, who shall collect or receive, or whose official duty it is, or shall be, to collect, receive, hold or pay out any money belonging to, or which is, or shall be, for the use of the State or of any county, district, or municipal corporation, to make annual account and settlement therefor. Such settlement, when made, shall be subject to exceptions, and take such direction, and have only such force and effect, as may be provided by law; but in all cases such settlement shall be recorded, and be open to the examination of the people at such convenient place or places as may be appointed by law.

Origination of Bills

§28. Bills and resolutions may originate in either house, but may be passed, amended or rejected by the other.

Requirement for Reading of Bills

§29. No bill shall become a law until it has been fully and distinctly read, on three different days, in each house, unless in case of urgency, by a vote of four fifths of the members present, taken by yeas and nays on each bill, this rule be dispensed with: Provided, in all cases, that an engrossed bill shall be fully and distinctly read in each house.

Acts to Embrace But One Object—Time of Effect

§30. No act hereafter passed shall embrace more than one object, and that shall be expressed in the title. But if any object shall be embraced in an act which is not so expressed, the act shall be void only as to so much thereof as shall not be so expressed, and no law shall be revived, or amended, by reference to its title only; but the law revived, or the section amended, shall be inserted at large, in the new act. And no act of the Legislature, except such as may be passed at the first session under this Constitution, shall take effect until the expiration of ninety days after its passage, unless the Legislature shall by a vote of two thirds of the members elected to each house, taken by yeas and nays, otherwise direct.

How Bills May Be Amended

§31. When a bill or joint resolution, passed by one house, shall be amended by the other, the question on agreeing to the bill, or joint resolution, as amended, shall be again voted on, by yeas and nays, in the house by which it was originally passed, and the result entered upon its journals; in all such cases, the affirmative vote of a majority of all the members elected to such house shall be necessary.

“Majority” Defined

§32. Whenever the words, “a majority of the members elected to either house of the Legislature,” or words of like import, are used in this Constitution, they shall be construed to mean a majority of the whole number of members to which each house is, at the time, entitled, under the apportionment of representation, established by the provisions of this Constitution.

Compensation and Expenses of Members

§33. Members of the Legislature shall receive such compensation in connection with the performance of their respective duties as members of the Legislature and such allowances for travel and other expenses in connection therewith as shall be (1) established in a resolution submitted to the Legislature by the Citizens Legislative Compensation Commission hereinafter created, and (2) thereafter enacted into general law by the Legislature at a regular session thereof, subject to such requirements and conditions as shall be prescribed in such general law. The Legislature may in any such general law reduce but shall not increase any item of compensation or expense allowance established in such resolution. All voting on the floor of both houses on the question of passage of any such general law shall be by yeas and nays to be entered on the journals.

The Citizens Legislative Compensation Commission is hereby created. It shall be composed of seven members who have been residents of this State for at least ten years prior to the date of appointment, to be appointed by the governor within twenty days after ratification of this amendment, no more than four of whom shall be members of the same political party. The members shall be broadly representative of the public at large. Members of the Legislature and officers and employees of the State or of any county, municipality or other governmental unit of the State shall not be eligible for appointment to or to serve as members of the commission. Each member of the commission shall serve for a term of seven years, except of the members first appointed, one member shall be appointed for a term of one year, and one each for terms ending two, three, four, five, six and seven years after the date of appointment. As the term of each member first appointed expires, a successor shall be appointed for a seven-year term. Any member may be reappointed for any number of terms, and any vacancy shall be filled by the governor for the unexpired term. Any member of the commission may be removed by the governor prior to the expiration of such member's term for official misconduct, incompetency or neglect of duty. The governor shall designate one member of the commission as chairman. The members of the commission shall serve without compensation, but shall be entitled to be reimbursed for all reasonable and necessary expenses actually incurred in the performance of their duties as such members.

The commission shall meet as often as may be necessary and shall within fifteen days after the beginning of the regular session of the Legislature in the year one thousand nine hundred seventy-one and within fifteen days after the beginning of the regular session in each fourth year thereafter submit by resolution to the Legislature its determination of compensation and expense allowances, which resolution must be concurred in by at least four members of the commission.

Notwithstanding any other provision of this Constitution, such compensation and expense allowances as may be provided for by any such general law shall be paid on and after the effective date of such general law. Until the first such general law becomes effective, the provisions of this section in effect immediately prior to the ratification of this amendment shall continue to govern.

[Editor's note.]—The first amendment of this section was proposed by Senate Joint Resolution No. 3, Acts 1919, p. 498; submitted by Acts 1919, c. 127; and ratified November 2, 1920. Subsection D—General Provisions

(8) If the budget bill shall not have been finally acted upon by the Legislature three days before the expiration of its regular session, the governor shall issue a proclamation extending the session for such further period as may, in his judgment, be necessary for the passage of the bill; but no matter other than the bill shall be considered during such an extension of a session except a provision for the cost thereof.

(9) For the purpose of making up the budget, the governor shall have the power, and it shall be his duty, to require from the proper state officials, including herein all executive departments, all executive and administrative officers, bureaus, boards, commissions and agencies expending or supervising the expenditure of, and all institutions applying for state moneys and appropriations, such itemized estimates and other information, in such form and at such times as he shall direct. (10) The governor may provide for public hearings on all estimates and may require the attendance at such hearings of representatives of all agencies and all institutions applying for state moneys. After such public hearings he may, in his discretion, revise all estimates except those for the legislative and judiciary departments.

(11) Every budget bill or supplementary appropriation bill passed by a majority of the members elected to each house of the Legislature shall, before it becomes a law, be presented to the governor. The governor may veto the bill, or he may disapprove or reduce items or parts of items contained

therein. If he approves he shall sign it and thereupon it shall become a law. The bill, items or parts thereof, disapproved or reduced by the governor, shall be returned with his objections to each house of the Legislature.

Each house shall enter the objections at large upon its journal and proceed to reconsider. If, after reconsideration, two thirds of the members elected to each house agree to pass the bill, or such items or parts thereof, as were disapproved or reduced, the bill, items or parts thereof, approved by two thirds of such members, shall become law, notwithstanding the objections of the governor. In all such cases, the vote of each house shall be determined by yeas and nays to be entered on the journal.

A bill, item or part thereof, which is not returned by the governor within five days (Sundays excepted) after the bill has been presented to him shall become a law in like manner as if he had signed the bill, unless the Legislature, by adjournment, prevents such return, in which case it shall be filed in the office of the secretary of state, within five days after such adjournment, and shall become a law; or it shall be so filed within such five days with the objections of the governor, in which case it shall become law to the extent not disapproved by the governor.

(12) The Legislature may, from time to time, enact such laws, not inconsistent with this section, as may be necessary and proper to carry out its provisions.

(13) In the event of any inconsistency between any of the provisions of this section and any of the other provisions of the Constitution, the provisions of this section shall prevail. But nothing herein shall be construed as preventing the governor from calling extraordinary sessions of the Legislature, as provided by section nineteen of this article, or as preventing the Legislature at such extraordinary sessions from considering any emergency appropriation or appropriations.

(14) If any item of any appropriation bill passed under the provisions of this section shall be held invalid upon any ground, such invalidity shall not affect the legality of the bill or of any other item of such bill or bills.

Governor to Nominate Certain Officers

§8. The governor shall nominate, and by and with the advice and consent of the Senate, (a majority of all the senators elected concurring by yeas and nays) appoint all officers whose offices are established by this Constitution, or shall be created by law, and whose appointment or election is not otherwise provided for; and no such officer shall be appointed or elected by the Legislature.

Recess Vacancies—How Filled

§9. In case of a vacancy, during the recess of the Senate, in any office which is not elective, the governor shall, by appointment, fill such vacancy, until the next meeting of the Senate, when he shall make a nomination for such office, and the person so nominated, when confirmed by the Senate, (a majority of all the senators elected concurring by yeas and nays) shall hold his office during the remainder of the term, and until his successor shall be appointed and qualified. No person, after being rejected by the Senate, shall be again nominated for the same office, during the same session, unless at the request of the Senate; nor shall such person be appointed to the same office during the recess of the Senate.

Governor's Power of Removal

§10. The governor shall have power to remove any officer whom he may appoint in case of incompetency, neglect of duty, gross immorality, or malfeasance in office; and he may declare his office vacant and fill the same as herein provided in other cases of vacancy.

Executive May Remit Fines and Forfeitures

§11. The governor shall have power to remit fines and penalties in such cases and under such regulations as may be prescribed by law; to commute capital punishment and, except where the prosecution has been carried on by the House of Delegates to grant reprieves and pardons after conviction; but he shall communicate to the Legislature at each session the particulars of every case of fine or penalty remitted, or punishment commuted and of reprieve or pardon granted, with his reasons therefor.

Governor Commander-in-chief of Military Forces

§12. The governor shall be commander-in-chief of the military forces of the State, (except when they shall be called into the service of the United States) and may call out the same to execute the laws, suppress insurrection and repel invasion.

Official Bond of State Officers

§13. When any state officer has executed his official bond, the governor shall, for such causes and in such manner as the Legislature may direct, require of such officer reasonable additional security; and if the security is not given as required, his office shall be declared vacant, in such manner as may be provided by law.

Governor's Approval or Disapproval of Bills Passed by the Legislature

§14. Subject to the provisions of section fifteen of this article, every bill passed by the Legislature shall, before it becomes a law, be presented to the governor. If he approves, he shall sign it, and thereupon it shall become a law; but if not, he shall return it, with his objections, to the house in which it originated, which house shall enter the objections at large upon its journal, and may proceed to reconsider the returned bill. Notwithstanding the provisions of section fifty-one, article six of this Constitution, any such bill may be reconsidered even if the Legislature is at the time in extended session for the sole purpose of considering the budget bill, as specified in said section fifty-one. If after any such reconsideration, a majority of the members elected to that house agree to pass the bill, it shall be sent, together with the objections of the governor to the other house, by which it may likewise be reconsidered, and if approved by a majority of the members elected to that house, it shall become a law, notwithstanding the objections of the governor. If upon any such reconsideration the bill is amended and reenacted, then it shall be again sent to the governor and he shall act upon it as if it were before him for the first time. In all cases, the vote of each house shall be determined by yeas and nays to be entered on the journal.

Any bill which shall not be returned by the governor within five days, Sundays excepted, after it shall have been presented to him shall be a law, in the same manner as if he had signed it, unless the Legislature shall, by adjournment *sine die*, prevent its return, in which case it shall be filed with his objections in the office of the secretary of state within fifteen days, Sundays excepted, after such adjournment, or become a law.

[Editor's note.—A budget bill or supplementary appropriation bill, disapproved by the governor, requires a vote of two thirds of the members elected to each house in order to become a law, notwithstanding the objections of the governor: See "Modern Budget Amendment," Art. VI, § 51, Subsection D (11).

The amendment of this section was proposed by House Joint Resolution No. 8, Acts, Regular Session, 1970, p. 456; submitted by Acts, Regular Session, 1970, c. 22; and ratified November 3, 1970. The amendment was designated the "Legislative Improvement Amendment."

This section, prior to its amendment, read:

"Every bill passed by the Legislature shall, before it becomes a law, be presented to the governor. If he approves, he shall sign it, and thereupon it shall become a law; but if not, he shall return it with his objections, to the house in which it originated, which house shall enter the objections at large upon its journal, and proceed to reconsider it. If, after such reconsideration, a majority of the members elected to that house agree to pass the bill, it shall be sent, together with the objections to the other house, by which it shall likewise be reconsidered, and if approved by a majority of the members elected to that house, it shall become a law, notwithstanding the objections of the governor. But in all such cases, the vote of each house shall be determined by yeas and nays to be entered on the journal. Any bill which shall not be returned by the governor within five days (Sundays excepted) after it shall have been presented to him shall be a law, in like manner as if he had signed it, unless the Legislature shall, by their adjournment, prevent its return, in which case it shall be filed with his objections in the office of the secretary of state, within five days after such adjournment, or become a law."]

Governor's Approval or Disapproval of Bills Making Appropriations of Money

§15. A bill passed by the Legislature making appropriations of money must be submitted to the governor for his approval or disapproval to the extent and only to the extent required by section fifty-one, article six of this Constitution, and any provision therein contained as to such approval or disapproval shall govern and control as to any such bill.

[Editor's note.—The amendment of this section was proposed by House Joint Resolution No. 8, Acts, Regular Session, 1970, p. 456; submitted by Acts, Regular Session, 1970, c. 22; and ratified November 3, 1970.

This section, prior to its amendment, read:

"Every bill passed by the Legislature making appropriations of money, embracing distinct items, shall before it becomes a law, be presented to the governor; if he disapproves the bill, or any item or appropriation therein contained, he shall communicate such disapproval with his reasons therefor to the house in which the bill originated; but all items not disapproved shall have the force and effect of law according to the original provisions of the bill. Any item or items so disapproved shall be void, unless repassed by a majority of each house according to the rules and limitations prescribed in the preceding section in reference to other bills."]

Vacancy in Governorship, How Filled

§16. In case of the death, conviction on impeachment, failure to qualify, resignation, or other disability of the governor, the president of the Senate shall act as governor until the vacancy is filled, or the disability removed; and if the president of the Senate, for any of the above named causes, shall become incapable of performing the duties of governor, the same shall devolve upon the speaker of the House of Delegates; and in all other cases where there is no one to act as governor, one shall be chosen by joint vote of the Legislature. Whenever a vacancy shall occur in the office of governor before the first three years of the term shall have expired, a new election for governor shall take place to fill the vacancy.

Vacancies in Other Executive Departments

§17. If the office of secretary of state, auditor, treasurer, commissioner of agriculture or attorney general shall become vacant by death, resignation, or otherwise, it shall be the duty of the governor to fill the same by appointment, and the appointee shall hold his office until his successor shall be elected and qualified in such manner as may be prescribed by law. The subordinate officers of the executive department and the officers of all public institutions of the State shall keep an account of all moneys received or disbursed by them, respectively, from all sources, and for every service performed, and make a semiannual report thereof to the governor under oath or affirmation; and any officer who shall wilfully make a false report shall be deemed guilty of perjury.

[**Editor's note.**—The first amendment of this section was proposed by House Joint Resolution No. 5, Acts, Regular Session, 1901, p. 459; submitted by Acts, Regular Session, 1901, c. 153; and ratified November 4, 1902. The amendment inserted "secretary of state" near the beginning of the section and substituted "prescribed" for "provided" near the end of the first sentence.

The second amendment of this section was proposed by Senate Joint Resolution No. 1, Acts, Regular Session, 1957, p. 837; submitted by Acts, Regular Session, 1957, c. 19; and ratified November 4, 1958. This amendment deleted "State superintendent of free schools" and inserted "commissioner of agriculture" in the first sentence.]

Executive Heads to Make Reports

§18. The subordinate officers of the executive department and the officers of all the public institutions of the State, shall, at least ten days preceding each regular session of the Legislature, severally report to the governor, who shall transmit such report to the Legislature; and the governor may at any time require information in writing, under oath, from the officers of his department, and all officers and managers of state institutions, upon any subject relating to the condition, management and expenses of their respective offices.

Salaries of Officials

§19. The officers named in this article shall receive for their services a salary to be established by law, which shall not be increased or diminished during their official terms, and they shall not, after the expiration of the terms of those in office at the adoption of this amendment, receive to their own use any fees, costs, perquisites of office or other compensation, and all fees that may hereafter be payable by law, for any service performed by any officer provided for in this article of the Constitution, shall be paid in advance into the state treasury.

[**Editor's note.**—The amendment of this section was proposed by House Joint Resolution No. 2, Acts 1901, p. 459; submitted by Acts 1901, c. 153; and ratified November 4, 1902.

This section, prior to its amendment, read as follows:

"The governor shall receive for his services, a salary of twenty-seven hundred dollars per annum and no additional emolument, allowance or perquisite, shall be paid or made to him, on any account. Any person acting as governor shall receive the emoluments of that office. The secretary of state shall receive one thousand; the State superintendent of free schools, fifteen hundred; the treasurer, fourteen hundred; the auditor, two thousand; and the attorney general, thirteen hundred dollars per annum; and no additional emolument or allowance, except as herein otherwise provided, shall be paid or made out of the treasury of the State to any of the foregoing executive officers on any account."

ARTICLE VIII

Judicial Power

§1. The judicial power of the State shall be vested solely in a supreme court of appeals and in the circuit courts, and in such intermediate appellate courts and magistrate courts as shall be hereafter established by the Legislature, and in the justices, judges and magistrates of such courts.

Supreme Court of Appeals

§2. The supreme court of appeals shall consist of five justices. A majority of the justices of the court shall constitute a quorum for the transaction of business.

The justices shall be elected by the voters of the State for a term of twelve years, unless sooner removed or retired as authorized in this article. The Legislature may prescribe by law whether the election of such justices is to be on a partisan or nonpartisan basis.

Provision shall be made by rules of the supreme court of appeals for the selection of a member of the court to serve as chief justice thereof. If the chief justice is temporarily disqualified or unable to serve, one of the justices of the court designated in accordance with the rules of the court shall serve temporarily in his stead.

When any justice is temporarily disqualified or unable to serve, the chief justice may assign a judge of a circuit court or of an intermediate appellate court to serve from time to time in his stead.

Supreme Court of Appeals; Jurisdiction and Powers; Officers and Employees; Terms

§3. The supreme court of appeals shall have original jurisdiction of proceedings in habeas corpus, mandamus, prohibition and certiorari.

The court shall have appellate jurisdiction in civil cases at law where the matter in controversy, exclusive of interest and costs, is of greater value or amount than three hundred dollars unless such value or amount is increased by the Legislature; in civil cases in equity; in controversies concerning the title or boundaries of land; in proceedings in quo warranto, habeas corpus, mandamus, prohibition and certiorari; and in cases involving personal freedom or the constitutionality of a law. It shall have appellate jurisdiction in criminal cases, where there has been a conviction for a felony or misdemeanor in a circuit court, and such appellate jurisdiction as may be conferred upon it by law where there has been such a conviction in any other court. In criminal proceedings relating to the public revenue, the right of appeal shall belong to the State as well as to the defendant. It shall have such other appellate jurisdiction, in both civil and criminal cases, as may be prescribed by law.

The court shall have power to promulgate rules for all cases and proceedings, civil and criminal, for all of the courts of the State relating to writs, warrants, process, practice and procedure, which shall have the force and effect of law.

The court shall have general supervisory control over all intermediate appellate courts, circuit courts and magistrate courts. The chief justice shall be the administrative head of all the courts. He may assign a judge from one intermediate appellate court to another, from one circuit court to another, or from one magistrate court to another, for temporary service. The court shall appoint an administrative director to serve at its pleasure at a salary to be fixed by the court. The administrative director shall, under the direction of the chief justice, prepare and submit a budget for the court.

The officers and employees of the supreme court of appeals, including the clerk and the law librarian, shall be appointed and may be removed by the court. Their duties and compensation shall be prescribed by the court.

The number, times and places of the terms of the supreme court of appeals shall be prescribed by law. There shall be at least two terms of the court held annually.

Writ of Error, Supersedeas and Appeal; Scope and Form of Decisions

§4. A writ of error, supersedeas or appeal shall be allowed by the supreme court of appeals, or a justice thereof, only upon a petition assigning error in the judgment or proceedings of a court and then only after the court, or a justice thereof, shall have examined and considered the record and is satisfied that there probably is error in the record, or that it presents a point proper for the consideration of the court.

No decision rendered by the court shall be considered as binding authority upon any court, except in the particular case decided, unless a majority of the justices of the court concur in such decision.

When a judgment or order of another court is reversed, modified or affirmed by the court, every point fairly arising upon the record shall be considered and decided; the reasons therefor shall be concisely stated in writing and preserved with the record; and it shall be the duty of the court to prepare a syllabus of the points adjudicated in each case in which an opinion is written and in which a majority of the justices thereof concurred, which shall be prefixed to the published report of the case.

Circuit Courts

§5. The judge or judges of each circuit court shall be elected by the voters of the circuit for a term of eight years, unless sooner removed or retired as authorized in this article. The Legislature may prescribe by law whether the election of such judges is to be on a partisan or nonpartisan basis. Upon the effective date of this article, each statutory court of record of limited jurisdiction existing in the State immediately prior to such effective date shall become part of the circuit court for the circuit in which it presently exists, and each such judge of such statutory court of record of limited jurisdiction shall thereupon become a judge of such circuit court. During his continuance in office, a judge of a circuit court shall reside in the circuit of which he is a judge.

The Legislature may increase, or other than during term of office decrease, the number of circuit judges within any circuit. The judicial circuits in existence on the effective date of this article shall remain as so constituted until changed by law, and the Legislature, at any session thereof held in the odd-numbered year next preceding the time for the full-term election of the judges thereof, may rearrange the circuits and may increase or diminish the number of circuits. A judge of a circuit court in office at the time of any such change shall continue as a judge of the circuit in which he shall continue to reside after such change until his term shall expire, unless sooner removed or retired as authorized in this article.

There shall be at least one judge for each circuit court and as many more as may be necessary to transact the business of such court. If there be two or more judges of a circuit court, provision shall be made by rules of such circuit court for the selection of one of such judges to serve as chief judge thereof. If the chief judge is temporarily disqualified or unable to serve, one of the judges of the circuit court designated in accordance with the rules of such court shall serve temporarily in his stead.

The supreme court of appeals shall provide for dividing the business of those circuits in which there shall be more than one judge between the judges thereof so as to promote and secure the convenient and expeditious transaction of such business.

In every county in the State the circuit court for such county shall sit at least three times in each year. The supreme court of appeals shall designate the times at which each circuit court shall sit, but until this action is taken by the supreme court of appeals, each circuit court shall sit at the times prescribed by law. If there be two or more judges of a circuit court, such judges may hold court in the same county or in different counties within the circuit at the same time or at different times.

Circuit Courts; Jurisdiction, Authority and Power

§6. Circuit courts shall have control of all proceedings before magistrate courts by mandamus, prohibition and certiorari.

Circuit courts shall have original and general jurisdiction of all civil cases at law where the value or amount in controversy, exclusive of interest and costs, exceeds one hundred dollars unless such value or amount is increased by the Legislature; of all civil cases in equity; of proceedings in habeas corpus, mandamus, quo warranto, prohibition and certiorari; and of all crimes and misdemeanors. On and after January one, one thousand nine hundred seventy-six, the Legislature may provide that all matters of probate, the appointment and qualification of personal representatives, guardians, committees and curators, and the settlements of their accounts, shall be vested exclusively in circuit courts or their officers, but until such time as the Legislature provides otherwise, jurisdiction in such matters shall remain in the county commissions or tribunals existing in lieu thereof or the officers of such county commissions or tribunals.

Circuit courts shall have appellate jurisdiction in all cases, civil and criminal, where an appeal, writ of error or supersedeas is allowed by law to the judgment or proceedings of any magistrate court, unless such jurisdiction is conferred by law exclusively upon an intermediate appellate court or the supreme court of appeals.

Circuit courts shall also have such other jurisdiction, authority or power, original or appellate or concurrent, as may be prescribed by law.

Subject to the approval of the supreme court of appeals, each circuit court shall have the authority and power to establish local rules to govern the court.

Subject to the supervisory control of the supreme court of appeals, each circuit court shall have general supervisory control over all magistrate courts in the circuit. Under the direction of the chief justice of the supreme court of appeals, the judge of the circuit court, or the chief judge thereof if there be more than one judge of the circuit court, shall be the administrative head of the circuit court and all magistrate courts in the circuit.

General Provisions Relating to Justices, Judges and Magistrates

§7. All justices, judges and magistrates must be residents of this State and shall be commissioned by the governor. No person may hereafter be elected as a justice of the supreme court of appeals unless he has been admitted to practice law for at least ten years prior to his election, and no person may hereafter be elected as a judge of a circuit court unless he has been admitted to practice law for at least five years prior to his election.

Justices, judges and magistrates shall receive the salaries fixed by law, which shall be paid entirely out of the state treasury, and which may be increased but shall not be diminished during their term of office, and they shall receive expenses as provided by law. The salary of a circuit judge shall also not be diminished during his term of office by virtue of the statutory courts of record of limited jurisdiction of his circuit becoming a part of such circuit as provided in section five of this article.

Any justice of the supreme court of appeals and any judge of any circuit court, including any statutory court of record of limited jurisdiction which becomes a part of a circuit court by virtue of section five of this article, in office on the effective date of this article shall continue in office until his term shall expire, unless sooner removed or retired as authorized in this article: *Provided*, That as to the term of any judge of a statutory court of record of limited jurisdiction which does not expire on the thirty-first day of December, one thousand nine hundred seventy-six, the following provisions shall govern and control unless any such judges shall be sooner removed or retired as authorized in this article: (1) If the term would otherwise expire before the thirty-first day of December, one thousand nine hundred seventy-six, such term shall continue through and expire on said thirty-first day of December; one thousand nine hundred seventy-six, (2) if the term would otherwise expire on the first day of January, one thousand nine hundred seventy-seven, such term shall terminate and expire on the thirty-first day of December, one thousand nine hundred seventy-six, and (3) if the term would otherwise expire after the thirty-first day of December, one thousand nine hundred seventy-six, but other than on the first day of January, one thousand nine hundred seventy-seven, such term shall continue through and expire on the thirty-first day of December, one thousand nine hundred eighty-four.

No justice, judge or magistrate shall hold any other office, or accept any appointment or public trust, under this or any other government; nor shall he become a candidate for any elective public office or nomination thereto, except a judicial office; and the violation of any of these provisions shall vacate his judicial office. No justice of the supreme court of appeals or judge of an intermediate appellate court or of a circuit court shall practice the profession of law during the term of his office, but magistrates who are licensed to practice this profession may practice law except to the extent prohibited by the Legislature.

If from any cause a vacancy shall occur in the office of a justice of the supreme court of appeals or a judge of a circuit court, the governor shall issue a directive of election to fill such vacancy in the manner prescribed by law for electing a justice or judge of the court in which the vacancy exists, and the justice or judge shall be elected for the unexpired term; and in the meantime, the governor shall fill such vacancy by appointment until a justice or judge shall be elected and qualified. If the unexpired term be less than two years, or such additional period, not exceeding a total of three years, as may be prescribed by law, the governor shall fill such vacancy by appointment for the unexpired term.

Censure, Temporary Suspension and Retirement of Justices, Judges and Magistrates; Removal

§8. Under its inherent rule-making power, which is hereby declared, the supreme court of appeals shall, from time to time, prescribe, adopt, promulgate and amend rules prescribing a judicial code of ethics, and a code of regulations and standards of conduct and performances for justices, judges and magistrates, along with sanctions and penalties for any violation thereof, and the supreme court of appeals is authorized to censure or temporarily suspend any justice, judge or magistrate having the judicial power of the State, including one of its own members, for any violation of any such code of ethics, code of regulations and standards, or to retire any such justice, judge or magistrate who is eligible for retirement under the West Virginia judges' retirement system (or any successor or substituted retirement system for justices, judges and magistrates of this State) and who, because of advancing years and attendant physical or mental incapacity, should not, in the opinion of the supreme court of appeals, continue to serve as a justice, judge or magistrate.

No justice, judge or magistrate shall be censured, temporarily suspended or retired under the provisions of this section unless he shall have been afforded the right to have a hearing before the supreme court of appeals, nor unless he shall have received notice of the proceedings, with a statement of the cause or causes alleged for his censure, temporary suspension or retirement, at least twenty days before the day on which the proceeding is to commence. No justice of the supreme court of appeals may be temporarily suspended or retired unless all of the other justices concur in such temporary sus-

pension or retirement. When rules herein authorized are prescribed, adopted and promulgated, they shall supersede all laws and parts of laws in conflict therewith, and such laws shall be and become of no further force or effect to the extent of such conflict.

A retired justice or judge may, with his permission and with the approval of the supreme court of appeals, be recalled by the chief justice of the supreme court of appeals for temporary assignment as a justice of the supreme court of appeals, or judge of an intermediate appellate court, a circuit court or a magistrate court.

A justice or judge may be removed only by impeachment in accordance with the provisions of section nine, article four of this Constitution. A magistrate may be removed from office in the manner provided by law for the removal of county officers.

Clerks of Circuit Courts

§9. The voters of each county shall elect a clerk of the circuit court, whose term of office shall be six years; his duties, responsibilities, compensation and the manner of removing him from office shall be prescribed by law. Whenever the clerk shall be so situated as to make it improper for him to act in any matter, a clerk to act therein shall be appointed by the judge of the circuit court or the chief judge thereof, if there be more than one judge of the circuit court. Vacancies shall be filled in the manner prescribed by law. A clerk of the circuit court in office on the effective date of this article shall continue in office until his term shall expire, unless sooner removed in the manner prescribed by law.

§10. The Legislature shall establish in each county a magistrate court or courts with the right of appeal as prescribed by law. Such courts shall be courts of record if so prescribed by law.

The Legislature shall determine the qualifications and the number of magistrates for each such court to be elected by the voters of the county, and the Legislature may prescribe by law whether the election of such magistrates is to be on a partisan or nonpartisan basis: *Provided*, That any person in office as a justice of the peace of this State on the effective date of this article and who has served as a justice of the peace of this State for at least one year prior to such effective date shall, insofar as any qualifications established by the Legislature for the office of magistrate are concerned and notwithstanding the same, be deemed qualified for life to run for election as a magistrate of any such court: *And provided further*, That the Legislature shall not have the power to require that a magistrate be a person licensed to practice the profession of law, nor shall any justice or judge of any higher court establish any rules which by their nature would dictate or mandate that a magistrate be a person licensed to practice the profession of law. The magistrates of such courts shall hold their offices for the term of four years unless sooner removed or retired as authorized in this article. The Legislature shall also determine the number of officers to be selected for each such court and the manner of their selection. During his continuance in office a magistrate or officer of such a court shall reside in the county for which he is elected or selected. The Legislature shall prescribe by law for the filling of any vacancy in the office of a magistrate or officer of such court.

The jurisdiction of a magistrate court shall extend throughout the county for which it is established, shall be uniform for all counties of the State and shall be subject to such regulations as to venue of actions and the counties in which process may be executed or served on parties or witnesses as may be prescribed by law. The times and places for holding such courts shall be designated or determined in such manner as shall be prescribed by law.

Magistrate courts shall have such original jurisdiction in criminal matters as may be prescribed by law, but no person shall be convicted or sentenced for a felony in such courts. In criminal cases, the procedure may be by information or warrant of arrest, without presentment or indictment by a grand jury. Such courts shall have original jurisdiction in all civil cases at law wherein the value or amount in controversy, exclusive of interest and costs, shall not exceed fifteen hundred dollars, unless such amount and value shall be increased by the Legislature, except such civil matters as may be excluded from their jurisdiction by law; and, to the extent provided by law, in proceedings involving real estate when the title thereto is not in controversy. No judgment of a magistrate in any proceeding involving real estate or any right pertaining thereto shall bar the title of any party or any remedy therefor.

The division of the business of a magistrate court in any county in which there shall be more than one magistrate of such court between the magistrates thereof so as to promote and secure the convenient and expeditious transaction of such business shall be determined in such manner or by such method as shall be prescribed by the judge of the circuit court of such county, or the chief judge thereof, if there be more than one judge of such circuit court.

In a trial by jury in a magistrate court, the jury shall consist of six jurors who are qualified as prescribed by law.

No magistrate or any officer of a magistrate court shall be compensated for his services on a fee basis or receive to his own use for his services any pecuniary compensation, reward or benefit other than the salary prescribed by law.

Municipal Courts

§11. The Legislature may provide for the establishment in incorporated cities, towns or villages of municipal, police or mayors' courts, and may also provide the manner of selection of the judges of such courts. Such courts shall have jurisdiction to enforce municipal ordinances, with the right of appeal as prescribed by law. Until otherwise provided by law, all such courts heretofore established shall remain and continue as now constituted, and with the same right of appeal, insofar as their jurisdiction to enforce municipal ordinances is concerned; but on and after January one, one thousand nine hundred seventy-seven, any other jurisdiction now exercised by such courts shall cease. No judge of a municipal, police or mayor's court or any officer thereof shall be compensated for his services on a fee basis or receive to his own use for his services any pecuniary compensation, reward or benefit other than the salary prescribed therefor.

Issuance and Execution of Writs, Warrants and Process; Admission to Bail

§12. The Legislature may designate the courts and officers or deputies thereof who shall have the power to issue, execute or serve such writs, warrants or any other process as may be prescribed by law, and may specify before what courts or officers thereof such writs, warrants or other process shall be returnable. The Legislature may also designate the courts and officers or deputies thereof who shall have the power to admit persons to bail. No person exercising such powers shall be compensated therefor on a fee basis.

Parts of Existing Law Effective

§13. Except as otherwise provided in this article, such parts of the common law, and of the laws of this State as are in force on the effective date of this article and are not repugnant thereto, shall be and continue the law of this State until altered or repealed by the Legislature.

Pending Causes; Transfer of Causes; Records

§14. Until otherwise provided by law, all matters pending in any court on the effective date of this article shall remain and be prosecuted in the court in which they are pending.

Whenever the jurisdiction, powers or duties of any court are terminated or changed, the Legislature shall provide by law for the transfer of all matters pending therein as to which the court shall not thereafter act, together with all of the records and papers pertaining thereto, to a court having jurisdiction, powers or duties as to such matters, and shall provide for the prosecution therein of such matters as if then and there pending.

All records and papers pertaining to matters already disposed of in any court shall be preserved or disposed of in a manner prescribed by law.

No person shall be elected to the office of justice of the peace or constable at the general election to be held in the year one thousand nine hundred seventy-six, and said offices shall cease to exist as of January one, one thousand nine hundred seventy-seven.

This article shall take effect from the time of ratification, but in any case where it is specified in this article that a provision shall become operable on and after a certain date, such date shall govern and control as to the operable date of such provision.

The provisions of this article shall supersede and prevail over all other provisions of this Constitution which are expressly or impliedly in conflict or inconsistent therewith.

[**Editor's note.**—The amendment of this article was proposed by Senate Joint Resolution No. 6, Acts, Regular Session, 1974, p. 946; submitted under authority of art. 11, c. 3, of the West Virginia Code; and ratified November 5, 1974. For a full and comprehensive comparison of the foregoing art. 8, see sections 1 through 30, art. 8, West Virginia Code, 1972.]

Family Courts

§16. There is hereby created under the general supervisory control of the supreme court of appeals a unified family court system in the state of West Virginia to rule on family law and related matters. The person holding the office of sheriff when this section is ratified shall not be prevented from holding the office of sheriff during the term immediately following the term he is then serving.

[**Editor's note.**—The amendment of this section was proposed by House Joint Resolution No. 3, Acts, Regular Session, 1973, p. 700; and ratified at a special election on November 6, 1973.

This section, prior to its amendment, read:

"The same person shall not be elected sheriff for two consecutive full terms; nor shall any person who acted as his deputy be elected successor to such sheriff, nor shall any sheriff act as deputy of his successor; nor shall he during his term of service, or within one year thereafter, be eligible to any other office. The retiring sheriff shall finish all business remaining in his hands, at the expiration of his term; for which purpose his commission and official bond shall remain in force. The duties of the office of sheriff shall be performed by him in person, or under his superintendence."]

§4. The presidents of the county courts, the justices of the peace, sheriffs, prosecuting attorneys, clerks of the circuit and of the county courts, and all other county officers shall be subject to indictment for malfeasance, misfeasance, or neglect of official duty and upon conviction thereof, their office shall become vacant.

Commissioning of Officers Not Otherwise Provided For

§5. The Legislature shall provide for commissioning such of the officers herein mentioned, as it may deem proper, not provided for in this Constitution, and may require any class of them to give bond with security for the faithful discharge of the duties of their respective offices.

§7. The president of the county court and every justice and constable shall be a conservator of the peace throughout his county.

Formation of New Counties

§8. No new county shall hereafter be formed in this State with an area of less than four hundred square miles; nor with a population of less than six thousand; nor shall any county, from which a new county, or part thereof shall be taken, be reduced in area below four hundred square miles, nor in population below six thousand. Nor shall a new county be formed without the consent of a majority of the voters residing within the boundaries of the proposed new county, and voting on the question.

County Commissions

§9. The office of county court or tribunal in lieu thereof heretofore created is hereby continued in all respects as heretofore constituted, but from and after the effective date of this amendment shall be designated as the county commission and wherever in this Constitution, the code of West Virginia, acts of the Legislature or elsewhere in law a reference is made to the county court of any county, such reference shall be read, construed and understood to mean the county commission.

Except as otherwise provided in section eleven or thirteen of this article, there shall be in each county of the state a county commission, composed of three commissioners, and two of said commissioners shall be a quorum for the transaction of business. It shall hold four regular sessions in each year, and at such times as may be fixed and entered of record by the said commission. Provisions may be made by law for holding special sessions of said commissions.

Terms of Office of County Commissioners

§10. The commissioners shall be elected by the voters of the county, and hold their office for a term of six years, except that at the first meeting of said commissioners they shall designate by lot, or otherwise in such manner as they may determine, one of their number, who shall hold his office for a term of two years, one for four years, and one for six years, so that one shall be elected every two years; but no two of said commissioners shall be elected from the same magisterial district. If two or more persons residing in the same district shall receive the greater number of votes cast at any election, then only the one of such persons receiving the highest number shall be declared elected, and the person living in another district, who shall receive the next highest number of votes, shall be declared elected. Said commissioners shall annually elect one of their number as president. The commissioners of said commissions, now in office, shall remain therein for the term for which they have been elected, unless sooner removed therefrom, in the manner prescribed by law.

§11. The county commissions, through their clerks, shall have the custody of all deeds and other papers presented for record in their counties, and the same shall be preserved therein, or otherwise disposed of, as now is, or may be prescribed by law. They shall also, under such regulations as may be prescribed by law, have the superintendence and administration of the internal police and fiscal affairs of their counties, including the establishment and regulation of roads, ways, bridges, public landings,

ferries and mills, with authority to lay and disburse the county levies: *Provided*, That no license for the sale of intoxicating liquors in any incorporated city, town or village, shall be granted without the consent of the municipal authorities thereof, first had and obtained. Until otherwise prescribed by law, they shall, in all cases of contest, be the judge of the election, qualification and returns of their own members, and of all county and district officers, subject to such regulations, by appeal or otherwise, as may be prescribed by law. Such commissions may exercise such other powers, and perform such other duties, not of a judicial nature, as may be prescribed by law. Such existing tribunals as have been heretofore established by the Legislature to act as to police and fiscal matters in lieu of county commissions in certain counties shall remain and continue as now constituted in the counties in which they have been respectively established until otherwise provided by law, and they shall have and exercise the powers which the county commissions have under this article, and, until otherwise provided by law, such clerk as is mentioned in section twelve of this article shall exercise any powers and discharge any duties, heretofore conferred on, or required of, any such tribunal or the clerk of such tribunal respecting the recording and preservation of deeds and other papers presented for record and such other matters as are prescribed by law to be exercised and discharged by the clerk thereof.

Clerk of County Commission

§12. The voters of each county shall elect a clerk of the county commission, whose term of office shall be six years. His duties and compensation and the manner of his removal shall be prescribed by law. But the clerks of said commissions, now in office, shall remain therein for the term for which they have been elected, unless sooner removed therefrom, in the manner prescribed by law.

Reformation of County Commissions

§13. The Legislature shall, upon the application of any county, reform, alter or modify the county commission established by this article in such county, and in lieu thereof, with the assent of a majority of the voters of such county voting at an election, create another tribunal for the transaction of the business required to be performed by the county commission created by this article. Whenever a county commission shall receive a petition signed by ten percent of the registered voters of such county requesting the reformation, alteration or modification of such county commission, it shall be the mandatory duty of such county commission to request the Legislature, at its next regular session thereafter, to enact an act reforming, altering or modifying such county commission and establishing in lieu thereof another tribunal for the transaction of the business required to be performed by such county commission, such act to take effect upon the assent of the voters of such county, as aforesaid. Whenever any such tribunal is established, all of the provisions of this article in relation to the county commission shall be applicable to the tribunal established in lieu of said commission. When such tribunal has been established, it shall continue to act in lieu of the county commission until otherwise provided by law.

[**Editor's note.**—The foregoing article was amended by adding sections 9, 10, 11, 12 and 13 and was proposed by Senate Joint Resolution No. 6, Acts, Regular Session, 1974, p. 946; and ratified November 5, 1974. The purpose of the foregoing sections 9, 10, 11, 12 and 13 is to remove the county court from the Judicial Department, art. 8, as amended, and to transfer the office of county court or tribunal to art. 9, County Organization.]

ARTICLE X

Taxation and Finance

§1. Subject to the exceptions in this section contained, taxation shall be equal and uniform throughout the State, and all property, both real and personal, shall be taxed in proportion to its value to be ascertained as directed by law. No one species of property from which a tax may be collected shall be taxed higher than any other species of property of equal value; except that the aggregate of taxes assessed in any one year upon personal property employed exclusively in agriculture, including horticulture and grazing, products of agriculture as above defined, including livestock, while owned by the producer, and money, notes, bonds, bills and accounts receivable, stocks and other similar intangible personal property shall not exceed fifty cents on each one hundred dollars of value thereon and upon all property owned, used and occupied by the owner thereof exclusively for residential purposes and upon farms occupied and cultivated by their owners or *bona fide* tenants, one dollar; and upon all other property situated outside of municipalities, one dollar and fifty cents; and upon all other property situated within municipalities, two dollars; and the Legislature shall further provide by general law for increasing the maximum rates, authorized to be fixed, by the different levying bodies upon all classes of property, by submitting the question to the voters of the taxing units affected, but no

increase shall be effective unless at least sixty percent of the qualified voters shall favor such increase, and such increase shall not continue for a longer period than three years at any one time, and shall never exceed by more than fifty percent the maximum rate herein provided and prescribed by law; and the revenue derived from this source shall be apportioned by the Legislature among the levying units of the State in proportion to the levy laid in said units upon real and other personal property; but property used for educational, literary, scientific, religious or charitable purposes, all cemeteries, public property, the personal property, including livestock, employed exclusively in agriculture as above defined and the products of agriculture as so defined while owned by the producers may by law be exempted from taxation; household goods to the value of two hundred dollars shall be exempted from taxation. The Legislature shall have authority to tax privileges, franchises, and incomes of persons and corporations and to classify and graduate the tax on all incomes according to the amount thereof and to exempt from taxation, incomes below a minimum to be fixed from time to time, and such revenues as may be derived from such tax may be appropriated as the Legislature may provide. After the year nineteen hundred thirty-three, the rate of the state tax upon property shall not exceed one cent upon the hundred dollars valuation, except to pay the principal and interest of bonded indebtedness of the State now existing.

[**Editor's note.**—The amendment of this section was proposed by House Joint Resolution No. 3, Acts, Extraordinary Session, 1932, p. 72; submitted by Acts, Extraordinary Session, 1932, c. 10; and ratified November 8, 1932. The amendment, known as the "Tax Limitation Amendment", rewrote this section.]

Exemptions From and Additional Adjustments to Ad Valorem Property Taxation

§1a. Notwithstanding the provisions of sections one and one-b of this article, household goods and personal effects, if such household goods or personal effects are not held or used for profit, and all intangible personal property shall be exempt from ad valorem property taxation: *Provided*, That intangible personal property may be made subject to such taxation only to the extent provided by the Legislature by general law not inconsistent with this section.

The Legislature shall not impose ad valorem property taxation upon money, bank deposits and other investments determined by such law to be in the nature of deposits in a bank or other financial institution, or upon pensions, moneys or investments determined by the Legislature in such law to be in lieu of or otherwise in the nature of pensions.

The Legislature by general law may exempt from such taxation any amount of the value of all or certain intangible personal property and any type, group or class of such intangibles but such exemptions shall be uniform throughout the State. No tax imposed upon such intangibles shall be at a rate or rates in excess of the maximum rate permitted to be imposed upon personal property employed exclusively in agriculture as provided in sections one, one-b or ten of this article, as the case may be, in the county wherein the intangible personal property has situs, as such situs is determined by the Legislature in such general law.

The valuations with respect to property acquired or created subsequent to any statewide reappraisal and the valuations with respect to any intangible personal property subjected to ad valorem property taxation pursuant to this section shall be allocated and phased-in over a period of years and be valued with respect to the same base year as other property subject to ad valorem property taxation in order to provide for equitable and similar treatment of such property subsequently acquired or created or such intangible personal property as compared to similarly situated previously existing property of similar value whose owner is receiving the benefit of any allocation and phase-in allowed pursuant to section one-b of this article.

Any intangible personal property which would be subject to ad valorem property taxation under prior provisions of this Constitution shall continue to be subjected to such taxation as provided by and in accordance with current statutory law for the assessment of such taxes upon such property, which laws are hereby validated for such purpose or purposes, until the first day of July in the year one thousand nine hundred eighty-five or until the first statewide reappraisal of property pursuant to section one-b of this article shall be first implemented and employed to fix values for ad valorem property taxation, whichever shall last occur, and thereafter no intangible personal property shall be subject to such taxation save for and except as provided by the Legislature by general law enacted after the ratification of the amendment of this section in the year one thousand nine hundred eighty-four.

[**Editor's note.**—This section was proposed by Senate Joint Resolution No. 4, Acts, Regular Session, 1957, p. 839; submitted by Acts, Regular Session, 1957, c. 16; and ratified November 4, 1958.

The first amendment of the section was proposed by Senate Joint Resolution No. 11, Acts, Regular Session, 1972, p. 737; and ratified November 7, 1972.

It inserted the exemption of "household goods and personal effects if such household goods and personal effects are not held or used for profit" from ad valorem property taxation.

The second amendment of this section was proposed by Committee Substitute for House Joint Resolution No. 21, Acts, Regular Session, 1984; p. 1113; and ratified November 6, 1984.

This section, prior to its amendment, read:

"Notwithstanding the provisions of the preceding section, bank deposits, money, and household goods and personal effects if such household goods and personal effects are not held or used for profit, shall be exempt from ad valorem property taxation."

This section was amended to read as set out above.]

Property Tax Limitation and Homestead Exemption Amendment of 1982

§1b. Ad valorem property taxation shall be in accordance with this section and other applicable provisions of this article not inconsistent with this section.

Subsection A—Value; Rate of Assessment; Exceptions

Notwithstanding any other provisions of this Constitution and except as otherwise provided in this section, all property subject to ad valorem taxation shall be assessed at sixty percent of its value, as directed to be ascertained in this section, except that the Legislature may from time to time, by general law agreed to by two thirds of the members elected to each house, establish a higher percentage for the purposes of this paragraph, which percentage shall be uniform as to all classes of property defined in section one of this article, but not more than one hundred percent of such value.

Notwithstanding the foregoing, for the first day of July, one thousand nine hundred eighty-two, and the first day of July of each year thereafter until the values may be fixed as a result of the first statewide reappraisal hereinafter required, assessments shall be made under the provisions of current statutory law, which is hereby validated for such purpose until and unless amended by the Legislature. Assessment and taxation in accord with this section shall be deemed to be equal and uniform for all purposes.

Subsection B—Determination of Value

The Legislature shall provide by general law for periodic statewide reappraisal of all property, which reappraisal shall be related for all property to a specified base year which, as to each such reappraisal, shall be uniform for each appraisal for all classes of property and all counties. In such law, the Legislature shall provide for consideration of (1) trends in market values over a fixed period of years prior to the base year, (2) the location of the property, and (3) such other factors and methods as it may determine: *Provided*, That with respect to reappraisal of all property upon the base year of one thousand nine hundred eighty, such reappraisals are deemed to be valid and in compliance with this section: *Provided, however*, That with respect to farm property, as defined from time to time by the Legislature by general law, the determination of value shall be according to its fair and reasonable value for farming purposes, as may be defined by general law.

The results of each statewide appraisal shall upon completion be certified and published and errors therein may be corrected, all as provided by general law. The first such statewide appraisal shall be completed, certified and published on or before the thirty-first day of March, one thousand nine hundred eighty-five, for use when directed by the Legislature.

The Legislature shall further prescribe by general law the manner in which each statewide reappraisal shall be employed to establish the value of the various separately assessed parcels or interests in parcels of real property and various items of personal property subject to ad valorem property taxation, the methods by which increases and reductions in value subsequent to the base year of each statewide reappraisal shall be ascertained, and require the enforcement thereof.

Subsection C—General Homestead Exemption

Notwithstanding any other provisions of this Constitution to the contrary, the first twenty thousand dollars of assessed valuation of any real property, or of personal property in the form of a mobile home, used exclusively for residential purposes and occupied by the owner or one of the owners thereof as his residence who is a citizen of this state and who is sixty-five years of age or older or is permanently and totally disabled as that term may be defined by the Legislature, shall be exempt from ad valorem property taxation, subject to such requirements, limitations and conditions as shall be prescribed by general law.

Notwithstanding any other provision of this Constitution to the contrary, the Legislature shall have the authority to provide by general law for an exemption from ad valorem property taxation in an amount not to exceed the first twenty thousand dollars of value of any real property, or of personal

property in the form of a mobile home, used exclusively for residential purposes and occupied by the owner or one of the owners thereof as his residence who is a citizen of this state, and who is under sixty-five years of age and not totally and permanently disabled: *Provided*, That upon enactment of such general law, this exemption shall only apply to such property in any county in which the property was appraised at its value as of the first day of January, one thousand nine hundred eighty, or thereafter, as determined by the Legislature, and this exemption shall be phased in over such period of time not to exceed five years from the date such property was so appraised, or such longer time as the Legislature may determine by general law: *Provided, however*, That in no event shall any one person and his spouse, or one homestead be entitled to more than one exemption under these provisions: *Provided further*, That these provisions are subject to such requirements, limitations and conditions as shall be prescribed by general law.

The Legislature shall have the authority to provide by general law for property tax relief to citizens of this State who are tenants of residential or farm property.

Subsection D—Additional Limitations on Value

With respect to the first statewide reappraisal, pursuant to this section, the resulting increase in value in each and every parcel of land or interest therein and various items of personal property subject to ad valorem property taxation over and above the previously assessed value shall be allocated over a period of ten years in equal amounts annually.

The Legislature may by general law also provide for the phasing in of any subsequent statewide reappraisal of property.

Subsection E—Levies for Free Schools

In equalizing the support of free schools provided by state and local taxes, the Legislature may require that the local school districts levy all or any portion of the maximum levies allowed under section one of this article which has been allocated to such local school districts.

Within the limits of the maximum levies permitted for excess levies for schools or better schools in sections one and ten of this article, the Legislature may, in lieu of the exercise of such powers by the local school districts as heretofore provided, submit to the voters, by general law, a statewide excess levy, and if it be approved by the required number of voters, impose such levy, subject however to all the limitations and requirements for the approval of such levies as in the case of a district levy. The law submitting the question to the voters shall provide, upon approval of the levy by the voters, for the assumption of the obligation of any local excess levies for schools then in force theretofore authorized by the voters of a local taxing unit to the extent of such excess levies imposed by the state and so as to avoid double taxation of those local districts. The Legislature may also by general law reserve to the school districts such portions of the power to lay authorized excess levies as it may deem appropriate to enable local school districts to provide educational services which are not required to be furnished or supported by the state. If a statewide excess levy for the support of free schools is approved by the required majority, the revenue from such a statewide excess levy shall be deposited in the state treasury and be allocated first for the local obligations assumed and thereafter for such part of the state effort to support free schools, by appropriation or as the law submitting the levy to the voters shall require, as the case may be.

The defeat of any such proposed statewide excess levy for school purposes shall not in any way abrogate or impair any local existing excess levy for such purpose nor prevent the adoption of any future local excess levy for such purpose.

Subsection F—Implementation

In the event of any inconsistency between any of the provisions of this section and other provisions of this Constitution, the provisions of this section shall prevail. The Legislature shall have plenary power to provide by general law for the equitable application of this article and, as to taxes to be assessed prior to the first statewide reappraisal, to make such laws retroactive to the first day of July, one thousand nine hundred eighty-two, or thereafter.

[Editor's note.]—This section was proposed by House Joint Resolution No. 7, Acts, Regular Session, 1973, p. 582; and ratified at a special election November 6, 1973.

The first amendment of this section was proposed by House Joint Resolution No. 39, Acts, Regular Session, 1980, p. 740; and ratified November 4, 1980.

The purpose of this section is to increase the allowable homestead exemption on real property or mobile home to the first ten thousand dollars of assessed valuation of a residence occupied by the owner thereof who is sixty-five year of age or older or permanently and totally disabled.

This section, prior to its amendment, read:

"Notwithstanding any other provision of this Constitution to the contrary, the first five thousand dollars of assessed valuation of any real property used exclusively for residential purposes and occupied by the owner or one of the owners thereof as his residence who is a citizen of this State and who is sixty-five years of age or older shall be exempt from ad valorem property taxation, subject to such requirements, limitations and conditions as shall be prescribed by general law."

The second amendment of this section was proposed by House Joint Resolution No. 1, Second Extraordinary Session, 1982; and ratified November 2, 1982.

The purpose of this section is to provide for assessment of property for purposes of ad valorem taxation at sixty percent of its value upon statewide reappraisal; to provide for assessment of property under current statutory law until the results of such reappraisal and to validate such law; to provide for the determination of market value, and to permit the Legislature by a vote of two thirds of the members elected to each house to set higher percentages for all classes of property; to authorize the Legislature by general law to permit the results of any reappraisal to be phased in over such period of time after the year in which the reappraisal is completed in such manner as the Legislature may specify; to provide the Legislature with the power to protect the levies for free schools and to provide for statewide levies for such purpose; to require an exemption from ad valorem taxation amounting to twenty thousand dollars of assessed value of any real property or mobile home occupied as a resident by persons who are sixty-five years of age or older or permanently disabled; to authorize an exemption of up to twenty thousand dollars of value for owners of homes or mobile homes who are under sixty-five years of age and not disabled; and to provide for a phase-in period for the latter exemption after appraisal of property at its value as of the first day of January, one thousand nine hundred eighty or thereafter, as determined by the Legislature.

This section, prior to its amendment, read:

"Notwithstanding any other provision of this Constitution to the contrary, the first ten thousand dollars of assessed valuation of any real property, or of personal property in the form of a mobile home, used exclusively for residential purposes and occupied by the owner or one of the owners thereof as his residence who is a citizen of this State and who is sixty-five years of age or older or is permanently and totally disabled as that term may be defined by the Legislature shall be exempt from ad valorem property taxation, subject to such requirements, limitations and conditions as shall be prescribed by general laws: *Provided*, That the Legislature annually shall appropriate state funds in an amount sufficient to pay to each levying body in this State the amount of tax revenue lost by reason of this amendment to such body during the preceding year: *Provided, however*, That such levying bodies shall be reimbursed by the Legislature only for that portion of the ad valorem taxation exemption above and beyond the exemption for the initial five thousand dollar valuation of real property owned and occupied by a citizen who is sixty-five years of age or older."

This section was amended to read as set out above.]

Exemption From Ad Valorem Taxation of Certain Personal Property of Inventory and Warehouse Goods, With Phase In to Full Exemption Over Five-year Period

§1c. Notwithstanding any other provisions of this Constitution, tangible personal property which is moving in interstate commerce through or over the territory of the State of West Virginia, or which was consigned from a point of origin outside the State to a warehouse, public or private, within the State for storage in transit to a final destination outside the State, whether specified when transportation begins or afterward, but in any case specified timely for exempt status determination purposes, shall not be deemed to have acquired a tax situs in West Virginia for purposes of ad valorem taxation and shall be exempt from such taxation, except as otherwise provided in this section. Such property shall not be deprived of such exemption because while in the warehouse the personal property is assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled, or repackaged for delivery out of state, unless such activity results in a new or different product, article, substance or commodity, or one of different utility. Personal property of inventories of natural resources shall not be exempt from ad valorem taxation unless required by paramount federal law.

The exemption allowed by the preceding paragraph shall be phased in over a period of five consecutive assessment years, at the rate of one fifth of the assessed value of the property per assessment year, beginning the first day of July, one thousand nine hundred eighty-seven.

[**Editor's note.**—This section was proposed by House Joint Resolution No. 1, Second Extraordinary Session, 1986; and ratified November 4, 1986.]

Capitation Tax

§2. Repealed.

[**Editor's note.**—This section was repealed by virtue of the Capitation Tax Repeal Amendment, proposed by House Joint Resolution No. 6, Acts, Regular Session, 1970, p. 455; submitted by Acts, Regular Session, 1970, c. 21; and ratified November 3, 1970.]

This section, prior to its repeal, read:

"The Legislature shall levy an annual capitation tax of one dollar upon each male inhabitant of the State who has attained the age of twenty-one years, which shall be annually appropriated to the support of free schools. Persons afflicted with bodily infirmity may be exempted from this tax."

Receipts and Expenditures of Public Moneys

§3. No money shall be drawn from the treasury but in pursuance of an appropriation made by law, and on a warrant issued thereon by the Auditor; nor shall any money or fund be taken for any other purpose than that for which it has been or may be appropriated or provided. A complete and detailed statement of the receipts and expenditures of the public moneys shall be published annually.

Limitation on Contracting of State Debt

§4. No debt shall be contracted by this State, except to meet casual deficits in the revenue, to redeem a previous liability of the State, to suppress insurrection, repel invasion or defend the State in time of war; but the payment of any liability other than that for the ordinary expenses of the State, shall be equally distributed over a period of at least twenty years.

Power of Taxation

§5. The power of taxation of the Legislature shall extend to provisions for the payment of the state debt, and interest thereon, the support of free schools, and the payment of the annual estimated expenses of the State; but whenever any deficiency in the revenue shall exist in any year, it shall, at the regular session thereof held next after the deficiency occurs, levy a tax for the ensuing year, sufficient with the other sources of income, to meet such deficiency, as well as the estimated expenses of such year.

Credit of State Not to Be Granted in Certain Cases

§6. The credit of the State shall not be granted to, or in aid of any county, city, township, corporation or person; nor shall the State ever assume, or become responsible for the debts or liabilities of any county, city, township, corporation or person. The investment of state or public funds shall be subject to procedures and guidelines heretofore or hereafter established by the Legislature for the prudent investment of such funds.

[Editor's note.—The amendment of this section was proposed by Senate Joint Resolution No. 4, Acts, Regular Session, 1997, p. 1780; and ratified at the special election held on September 27, 1997. The purpose of the amendment known as the "Modern Investment Management Amendment", was to authorize the investment of state or public funds in common stocks and other equity investments and to further require the Legislature to establish guidelines and procedures for the prudent investment of such funds.

This section, prior to its amendment, read:

"The credit of the State shall not be granted to, or in aid of any county, city, township, corporation or person; nor shall the State ever assume, or become responsible for the debts or liabilities of any county, city, township, corporation or person; nor shall the State ever hereafter become a joint owner, or stockholder in any company or association in this State or elsewhere, formed for any purpose whatever."

Appropriations and Taxation for the Benefit of Counties, Municipalities or Other Political Subdivisions of the State

§6a. Notwithstanding the provisions of section six of this article, (1) the Legislature may appropriate state funds for use in matching or maximizing grants-in-aid for public purposes from the United States or any department, bureau, commission or agency thereof, or any other source, to any county, municipality or other political subdivision of the State, under such circumstances and subject to such terms, conditions and restrictions as the Legislature may prescribe by law, and (2) the Legislature may impose a state tax or taxes or dedicate a state tax or taxes or any portion thereof for the benefit of and use by counties, municipalities or other political subdivisions of the State for public purposes, the proceeds of any such imposed or dedicated tax or taxes or portion thereof to be distributed to such counties, municipalities or other political subdivisions of the State under such circumstances and subject to such terms, conditions and restrictions as the Legislature may prescribe by law.

[Editor's note.—This section was proposed by House Joint Resolution No. 18, Acts, Regular Session, 1972, p. 734; and ratified November 7, 1972.]

Duties of County Authorities in Assessing Taxes

§7. County authorities shall never assess taxes, in any one year, the aggregate of which shall exceed ninety-five cents per one hundred dollars valuation, except for the support of free schools; payment of indebtedness existing at the time of the adoption of this Constitution; and for the payment of any indebtedness with the interest thereon, created under the succeeding section, unless such assessment, with all questions involving the increase of such aggregate, shall have been submitted to the vote of the people of the county, and have received three fifths of all the votes cast for and against it.

Bonded Indebtedness of Counties, etc.

§8. No county, city, school district, or municipal corporation, except in cases where such corporations have already authorized their bonds to be issued, shall hereafter be allowed to become indebted, in any manner, or for any purpose, to an amount, including existing indebtedness, in the aggregate, exceeding five per centum on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness; nor without, at the same time, providing for the collection of a direct annual tax on all taxable property therein, in the ratio, as between the several classes or types of such taxable property, specified in section one of this article, separate and apart from and in addition to all other taxes for all other purposes, sufficient to pay, annually, the interest on such debt, and the principal thereof, within, and not exceeding thirty-four years. Such tax, in an amount sufficient to pay the interest and principal on bonds issued by any school district not exceeding in the aggregate three per centum of such assessed value, may be levied outside the limits fixed by section one of this article: *Provided*, That no debt shall be contracted under this section, unless all questions connected with the same, shall have been first submitted to a vote of the people, and have received three fifths of all the votes cast for and against the same.

[**Editor's note.**—The amendment of this section was proposed by Committee Substitute for Senate Joint Resolution No. 1, Acts 1949, p. 716; submitted by Acts 1949, c. 18; and ratified November 7, 1950. The amendment known as the "School Bond Amendment", inserted in the first sentence the provision as to property subject to the tax. It also added the part of the second sentence which precedes the proviso.]

§8a. Notwithstanding any other provision of this Constitution to the contrary, the Legislature by general law may authorize the issuance of revenue bonds or other obligations by counties and municipalities to assist in financing qualified economic development or redevelopment projects that benefit public health, welfare and safety subject to conditions, restrictions or limitations as the Legislature may prescribe by general law.

The bonds or other obligations are payable from property tax revenues generated by the increases in value of property located within the development or redevelopment project area or district due to capital investment in the project. The Legislature shall prescribe by general law the manner in which these increases are determined.

The term for any bonds or other obligations issued may not exceed thirty tax years. Where a deceased veteran's death was connected with the service and resulted from the service during the time period specified, however, the surviving relatives shall be paid, in accordance with the same order of entitlement, the sum of two thousand dollars in lieu of any bonus to which the deceased might have been entitled if living. The person receiving the bonus shall not be required to include the bonus as income for state income tax purposes.

The principal amount of any bonds issued for the purpose of paying the bonuses provided for in this amendment shall not exceed the principal amount of eight million dollars, but may be funded or refunded either on the maturity dates of the bonds or on any date on which the bonds are callable prior to maturity, and if any of the bonds have not matured or are not then callable prior to maturity, the Legislature may nevertheless provide at any time for the issuance of refunding bonds to fund or refund the bonds on the dates when the bonds mature or on any date on which the bonds are callable prior to maturity and for the investment or reinvestment of the proceeds of the refunding bonds in direct obligations of the United States of America until the date or dates upon which the bonds mature or are callable prior to maturity. The principal amount of any refunding bonds issued under the provisions of this paragraph shall not exceed the principal amount of the bonds to be funded or refunded thereby.

The bonds may be issued from time to time for the purposes authorized by this amendment as separate issues or as combined issues.

Whenever the Legislature shall provide for the issuance of any bonds under the authority of this amendment, it shall at the same time provide for the levy, collection and dedication of an additional tax, or enhancement to another tax as the Legislature may determine, in an amount as may be required to pay annually the interest on the bonds and the principal thereof within and not exceeding fifteen years, and all taxes or charges so levied shall be irrevocably dedicated for the payment of the principal of and interest on the bonds until the principal of and interest on the bonds are finally paid and discharged and any of the covenants, agreements or provisions in the acts of the Legislature levying the taxes or charges shall be enforceable in any court of competent jurisdiction by any of the holders of said bonds. Any revenue generated in excess of that which is required to pay the bonuses herein and to pay any administrative cost associated with the payment shall be used to pay the principal and interest on any bonds issued as soon as is economically practicable.

The Legislature shall have the power to enact legislation necessary and proper to implement the provisions of this amendment: *Provided*, That no bonus may be issued until the Governor certifies a list of veterans and relatives of deceased veterans eligible to receive such bonus to the Legislature at any regular or special session of the Legislature as the Legislature will provide by general law.

WEST VIRGINIA CORRECTIONS ACADEMY

Ripley 25271

Director: James R. Perdue.

The West Virginia Corrections Academy was administratively created in September 1982, and began operations in Randolph County near the Huttonsville Correctional Center. In August 1987, the Academy was moved to the campus of West Liberty State College near Wheeling. It was relocated once again in August 1996, to its current location on the campus of West Virginia University of Technology in Montgomery, Fayette County.

The Corrections Academy provides a four-phase training program for sworn and civilian staff of the Division of Corrections. These phases are orientation, basic, in-service and specialized training. Corrections officers employed by county and other state agencies complete basic training and attend specialized training programs sponsored or conducted at the Academy.

Orientation training for newly hired employees occurs at the facility level and is overseen by institutional training officers supervised by the Academy's director. Basic training is conducted in a six-week residential format with a minimum of 189 hours. In service training programs meet professional standards and hours may be obtained at the employee's facility, the academy or other approved course of study. Specialized curricula is developed and conducted pursuant to the needs of the agency, such as supervisory and management courses.

In conjunction with the Apprenticeship Program and its own course work, the Academy has entered into agreements with state colleges for credit toward Associate Degrees, including WVU-Tech, Fairmont State College, Mountain State University, Bluefield State College and Excelsior.

BECKLEY CORRECTIONAL CENTER

Beckley 25801

Administrator: Jamie Estep. *Capacity:* 68.

Established in 1974 as Beckley Work Release Center, the facility was reorganized in 1997 and renamed Beckley Correctional Center (BCC). BCC is a minimum-security community correctional facility located on the grounds of Pinecrest State Hospital. BCC houses both male and female inmates. Inmates assigned to BCC must be within 18 months of possible release.

BCC operates two main components consisting of a Residential Substance Abuse Treatment Unit and a Work Release Unit. All BCC inmates must participate in a regimented and intense treatment program. Inmates are required to work assigned jobs while at the facility as well as perform a minimum 80 hours of Community Service work. BCC provides community service to a variety of state and local agencies/organizations.

WORK/STUDY RELEASE CENTERS

Work/Study Release Centers are community-based correctional facilities operated by the Division of Corrections, which is an agency under the Department of Military Affairs and Public Safety.

There are two Centers in the State, located in Charleston and Huntington, that house both male and female offenders. Each Center has the capacity to house approximately sixty-six inmates.

Inmates are carefully screened through a risk assessment classification method for participation in the work release program.

The program's primary objective is to assist the inmate in making a successful transition from incarceration to the community. This is accomplished by providing them an opportunity to take advantage of educational/vocational and work programs within the community. As they are gradually readjusting, the program's intent is to reduce anxieties and frustrations often associated with immediate release back into society. Offenders become responsible for themselves and less of a burden to WV taxpayers while at work release. They are required to pay rent, medical expenses, child support, restitution and any fines they've incurred. They are also required to give back to the community by performing a minimum of eighty (80) hours of community service work. Once community service is completed, inmates are permitted to seek employment in the local job market. Due to the demands of taking responsibility, meaningful employment is of primary importance, assuring the offender a successful work release experience. The two facilities are listed below:

Charleston Work/Study Release Center
607 Brooks Street
Charleston 25301-1319

Administrator: Jeff A. Stinnett.

Secretary: Juanita Drake.

Huntington Work/Study Release Center
1236 5th Avenue
Huntington 25701-2207

Administrator: Renae Stubblefield.

MOUNT OLIVE CORRECTIONAL COMPLEX

Mount Olive 25185

Warden: Thomas McBride. *Capacity:* 980.

Built as a replacement for the aging West Virginia Penitentiary at Moundsville, the Mount Olive Correctional Complex is situated on a 120 acre site about seven miles from Smithers in Fayette County. Total construction cost was approximately \$61.8 million. Approximately 80 acres are inside the secure perimeter. Electronic and computerized security controls are used extensively throughout the complex and are coordinated by a Central Control station.

Mount Olive is a level 5 maximum-security facility and was designed to operate upon the principles of unit management and direct supervision. These principles are used in the daily administration and operation of the facility. Unit management is a team approach to offender management in which a multidisciplinary team of staff is assigned to each housing unit. Direct supervision is based upon frequent, informal contact between staff and offenders, staff modeling appropriate behaviors for offenders and offenders being held accountable for their actions. The combination of up-to-date design and construction, unit management and direct supervision has increased supervision of the offender population and dramatically decreased the number of assaults by offenders on employees and other offenders in comparison to the old penitentiary.

A number of program opportunities are available to assist offenders with the adjustment to either institutional life or eventual return to society. These include substance abuse, sex offender, crime victim awareness, religious services, AA/NA and others. Educational programs are administered by the West Virginia Department of Education and the Correctional Education Association has accredited the Mount Olive Correctional Complex Education Department. A matriculation agreement is in place with the West Virginia University Institute of Technology in Montgomery. Inmate medical, dental, mental health and food services are provided or managed by contractual agreement.

Mount Olive serves the Division of Corrections in several systemic roles housing all male offenders sentenced to the custody of the Commissioner of Corrections who are in need of long-term maximum security segregation housing, those who are considered escape risks or are otherwise considered inappropriate for housing at a less secure facility, or those who have a long term need for around-the-clock medical or mental health supervision.

DENMAR CORRECTIONAL CENTER

Hillsboro 24946

The Denmark Correctional Center is located five miles from Hillsboro in the pristine hills of Pocahontas County. In February 1993, the Pocahontas County Commission conveyed the deed for the former Denmark Hospital to the West Virginia Division of Corrections for conversion to a state correctional facility. The funds were appropriated to the Division of Corrections for renovation and occupation of the facility known as the Denmark Correctional Center.

The medium security prison currently houses up to 210 adult males and employs approximately 89 persons. Inmates are housed in two and four-man rooms.

Our rustic pastoral setting is conducive to an enriched atmosphere wherein the inmates may engage in a successful adjustment in preparation for their return to free society. The various treatment programs offered include: All substance abuse programs, Aladue I, II and III, AA/NA, HOPE, sex offender therapy, group and individual counseling, as well as other programs designed to address social skills deficits, impulse control, establish a sober, legitimate lifestyle, and facilitate a smooth transition from incarceration to free society. Staff and offenders go out into the community and make presentations to schools, church groups, etc. on the effects of drugs and alcohol and about proper decision-making. There is also an Education Department that gives our inmates the opportunity to learn computer and keyboarding skills, LIFESKILLS and the chance to obtain their GED, further developing and enhancing their academic and employability skills. College classes are available through Concord College.

Recreation is also offered and includes softball and basketball teams along with other activities available with the equipment in our recreation facility.

Anthony Correctional Center is located in Greenbrier County at Neola on Route 92, 15 miles north of White Sulphur Springs. The construction of a new 65,000 square foot facility was completed and opened in August 1998 on the 40-acre site. In addition, an existing dormitory was renovated to house 64 residents in a structured, intensive substance abuse program. At the present time, Anthony Correctional Center has a capacity of up to 220 offenders (male and female).

Residents are committed to the Anthony Correctional Center as a result of their sentencing judge suspending the original sentence of their specific crime and handing down a sentence of six months to two years at the Anthony Correctional Center. Those sentenced to the Anthony Correctional Center must have committed their crime (any crime other than an offense punishable by a life sentence) on or after their eighteenth birthday and sentenced prior to their twenty-third birthday. If, in the opinion of the Warden, the offender proves to be an unfit person to remain in the center, the offender is returned to the committing court to be dealt with further according to the law.

The institution provides therapeutic programming including Victim Awareness, Anger Control, Parenting and individual and group counseling, Substance Abuse programming, a comprehensive academic and vocational training curriculum, job and/or educational placement, Life Skills and Work Readiness, religious opportunities, and a recreational program, all under a unit management system.

Life skills and Work Readiness are both mandatory programs that all residents must complete prior to completing the Anthony Correctional Center program. The Keys to Innervision curriculum, which is a part of the Life Skills program, is a social skills curriculum on "change" and "goal setting", portfolio preparation, job skills development and career counseling and is mandatory for all residents.

The year-round recreational program consists of softball, horseshoes, volleyball, basketball, football and weightlifting. The spacious gymnasium makes it possible for residents to participate in indoor sports during the winter months. This program is based on 100 percent participation.

Academically, the Education Program stresses basic skill enhancement and general educational development, specific vocational skills training, job skills training and career planning with an emphasis on a student's ability to change behavior and their development of the decision-making process. The GED program is mandatory for any resident not possessing a high school diploma or GED.

Each resident at the Center must choose a vocational major in which to pursue and complete during his or her stay at Anthony Correctional Center. The vocational programs available to residents are: Auto Mechanics, General Building Construction (Drafting, Carpentry, Electricity, Plumbing, Painting/Wall Covering, Floor Covering and Roofing), Welding, Business Education and Quantity Foods. HUTTONSVILLE CORRECTIONAL CENTER

Huttonsville 26273

Warden: Teresa Waid. *Capacity:* 965.

The Huttonsville Correctional Center is located on a farm near Huttonsville, in Randolph County, approximately 18 miles south of Elkins on U.S. Route 250. It was created by an act of the Legislature in 1937 to relieve overcrowding at the West Virginia Penitentiary. It remained a branch of the parent institution until 1947, at which time the Legislature established as a separate entity of the West Virginia Medium Security Prison. In 1970, the Center received its current name by legislative act.

The primary form of employment for the inmates has always been general farm work. By Act of the Legislature in 1977, the 5,000-acre farm was turned over to the Farm Management Commission with a resultant change of agricultural emphasis from labor-intensive general purpose farming to beef cattle production; the largest single inmate labor effort is community service projects.

In January 2000, two new 120-bed additions were opened which made provisions for single cell housing. These additions increased the capabilities for segregation and intake, as well as housing long-term general population inmates. All other housing consists of military barracks-style dormitories.

A Therapeutic Community was opened which consists of 100 beds for inmates who express a sincere desire for rehabilitation. In this unit the criminogenic thinking pattern or the criminal mentality is the focus of attention. Emphasis is placed on cognitive restructuring as a means to modify behavior utilizing the power of education through social learning. Inmates live in this program intensive environment for a period of 9-12 months.

Many educational programs, both vocational and academic, are offered by the State Department of Education to interested inmates. These classes provide an opportunity to engage in rehabilitative efforts. Through the Department of Education's Adult Basic Education program, inmates are provided classes in remedial reading and are able to work toward, and obtain GED certificates. A Special Education program offers remediation to students with learning disabilities. Vocational courses

include auto mechanics, auto body repair, welding, metal technology, machine shop, typing, electricity, horticulture, aquaculture, Milling and Cabinet Making, Computer Repair, Drafting, auto CAD. College classes are offered through Fairmont State College. The Arts and Crafts shop provides opportunities for leather working and wood working crafts and enjoys strong participation.

Correctional Industries operates a Braille transcribing program, a furniture plant, automotive parts shop and a welding shop with the utilization of inmate workers.

PRUNTYTOWN CORRECTIONAL CENTER

Grafton 26354

Warden: Jim Ielapi. Capacity: 376.

The Pruntytown Correctional Center, formerly known as the West Virginia Industrial School for Boys, is located at Pruntytown near Grafton in Taylor County. The facility which first opened in 1891 operated as a state correctional institution for delinquent boys until January 1983, when it was closed and the juveniles were transferred to the West Virginia Industrial Home for Youth near Salem. Pruntytown remained vacant and idle until mid-year 1985.

After much renovation and remodeling, the facility was reopened as Pruntytown Correctional Center in November 1985, to house minimum-security male inmates. In December 1988, the Division of Corrections began moving nearly sixty female inmates to the Pruntytown Correctional Center, creating a co-ed facility. These females had previously been housed under contract with the Federal Correctional Institution for Women in Alderson, WV. With the addition of a new 128 bed unit in March 1999, the facility now houses a capacity of 376 inmates with all custody levels of adult females, as well as minimum and medium custody adult males.

In the early spring of 1998, the Division of Corrections began the transition to house approximately 400 adult male minimum to medium security inmates at this facility. In addition to general population offenders, the targeted population includes aging, geriatric, special needs and chronic medical offenders with lower custody classifications.

The first corrections training academy began with 25 former Colin Anderson employees on June 1, 1998.

LAKIN CORRECTIONAL FACILITY FOR WOMEN

West Columbia 25287

Warden: David Ballard. Capacity: 400.

Lakin Correctional Facility for Women is the only all female prison in the State of West Virginia located six miles north of Point Pleasant on State Route 62.

A local family donated the land on which Lakin Correctional Facility sets to the State in the early 1920s. The cemetery behind the facility was the family cemetery of the people who donated the property. The State built Lakin State Hospital on the land in 1926. There were three buildings setting in the spot where the new Lakin Correctional facility is now. The medical center and rehabilitation center buildings were both torn down and the activity building was incorporated into the facility, which is now the gymnasium.

Phase I construction of Lakin Correctional Facility began in February 1999 and was completed in August 2002. The facility was dedicated on September 25, 2002, and received its first female inmates January 2003.

Lakin Correctional Facility for Women currently houses 290 minimum to maximum security adult female felons. The facility operates Special Housing Unit (SHU), housing segregation. An intake and substance abuse unit will be opening in the future.

Phase II of Lakin Correctional Facility is in its final planning stages and will be a college dormitory style housing unit for minimum security inmates that will hold approximately 120 inmates. Also, a Correctional Industries building will be built during Phase II. This phase should be completed by September of 2006.

The Department of Education provides many educational and vocational programs for the inmate population such as GED, Life Skills, Computer Classes and Industrial Shop Classes.

MARTINSBURG CORRECTIONAL CENTER

Martinsburg 25401

Warden: Scott Paugh.

The Martinsburg Correctional Center is slated to accept its first inmates in summer 2005, with 120 inmates when operating at full capacity. The center will serve as an intake facility. Male inmates convicted of felony crimes and sentenced to the custody of the Division of Corrections will be processed through the Martinsburg Correctional Center. Here a determination will be made whether they spend their remaining sentence at a minimum, medium, or maximum security facility. After about 60-90 days, the inmates will be scheduled to be sent to their destination facility. Due to the fact that inmate stays at the center will be of short duration, there is not a full complement of inmate programs in operation.

The facility itself is located approximately 3 mile east of Martinsburg off State Route 9 and was originally the Eastern Regional Jail, the first regional jail in the state to open. The limited capacity soon became a problem, however, and a new Eastern Regional Jail was constructed.

WEST VIRGINIA INDUSTRIAL HOME FOR YOUTH

**7 Industrial Boulevard
Industrial 26375**

Superintendent: Joe Merendino. Capacity: 170.

The West Virginia Industrial Home for Youth is located one mile west of Salem on old U.S. Route 50 at Industrial. It was established by an act of the Legislature on February 18, 1897, and formally opened May 5, 1899. It was built on a 61-acre tract. Eleven acres have since been returned to the city of Salem for use as a city park.

From Jones Cottage, the first building, the physical plant grew to include the following buildings: Silver Hall Cottage (1914); Sutton Cottage (1928); Ava Standard Cottage (1942); New Jones Cottage (1961); and the Administration Building (1942).

In December 2000, a new 170-bed state-of-the-art facility was opened upon the grounds. This building comprises the latest technology in use today and provides for greater security, in-house medical services and treatment programs for all residents. This building also includes closed-circuit video for remote court hearings, legal procedures and other teleconferencing needs. In addition, there is also telemedicine video conferencing permitting consultation and diagnosis of residents without need to leave the facility. A separate vocational and technical center was built as part of the expansion project. The center increases the likelihood of meaningful trade skill education for the youths' successful return to communities with valuable job skills. The facility also provides an after-care program that follows youths back to their communities and coordinates care and support to assist youths in remaining crime free. This endeavor represents a partnership with families, education, juvenile probation, community care providers and churches to enhance the youths' probability of success in becoming responsible citizens.

Renovation is under way to several older structures. Once completed, the West Virginia Industrial Home for Youth will have an operational capacity of 270 residents.

The West Virginia Industrial Home for Youth is a maximum security juvenile facility. The resident population consists of regular commitments, males ages ten to eighteen and females ages twelve to eighteen. All adjudicated juveniles committed to the Division of Juvenile Services are received at the West Virginia Industrial Home for Youth. Although some males sixteen years of age or older may be transferred to Davis Center, the West Virginia Industrial Home for Youth maintains six distinct populations: Males adjudicated delinquent and committed for a rehabilitation program; males and females who have been adjudicated as adult commitments and will remain until their eighteenth birthday; and males and females who have been adjudicated delinquent and sent temporarily to the Diagnostic Center.

The facility provides a Diagnostic Center for Juveniles pursuant to West Virginia Code 49-5-13(a). The Center houses predispositional youth adjudicated delinquent and committed for not more than a sixty-day period. The Center provides the committing court with a complete psychological evaluation, educational evaluation, medical evaluation and social summary for each child. A Multi-Disciplinary Team meeting is held on each diagnostic resident prior to release. The Multi-Disciplinary Team recommendations are also forwarded to the committing court.

The facility also provides a Special Programs Unit for adjudicated sexual offenders who have failed in other forms of treatment. This is an 18- to 24-month program for males ages eighteen to twenty-one.

Treatment at the West Virginia Industrial Home for Youth focuses on a Cognitive Behavior approach to changing the residents' behavior. Staff utilizes psychological evaluations and various assessments to determine each resident's individual needs. Individual and group counseling are then implemented to assist the residents in meeting their goals.

The education needs of the youths are met by the Office of Institutional Education in the West Virginia Department of Education. The Education Department offers a traditional high school curriculum. Classes are offered in the core areas of Language Arts, Mathematics, Physical Education/Health, Science and Social Studies. Vocational classes are offered in the areas of Business Education, Technology Education and Quality Foods. In addition, students have the opportunity to earn national certification with ServeSafe through the Quality Foods program and Associated Builders and Contractors, Inc. through the Technology Education program. Students can earn a high school diploma through their home county. The General Education Diploma (GED) and American College Test (ACT) are offered to interested students.

The West Virginia Industrial Home for Youth is committed to a philosophy of helping youths learn appropriate conduct, develop respect for themselves and others, increase their self-esteem and discover positive alternatives for their lives.

DAVIS CENTER

**Blackwater Falls Road
Davis 26260**

Superintendent: Stephanie Bond. Capacity: 60.

Davis Center, located near the entrance to Blackwater Falls State Park in Tucker County, was authorized by an act of the Legislature in 1955. It is a minimum-security facility that houses youthful male offenders between the ages of sixteen and eighteen who have been adjudicated delinquent by the various courts of record in the state. The period of confinement averages eight months, but can be longer if deemed advisable by the Center Superintendent.

Davis Center operates a Unit Management Concept and a Peer Group Interaction Counseling Program. Residents are placed in groups of eight to ten in which primary emphasis is directed toward developing responsibility for their actions and rebuilding their lives, compatible with socially acceptable behavior and goals. Each resident receives five weekly one and one-half hour group sessions.

A diagnostic program is offered to assess each resident's strengths and weaknesses in academic, vocational and personality areas. Individual counseling and drug and alcohol classes are provided.

The education component of the Davis Center program is provided by the West Virginia Department of Education. This is an administrative change as a result of action of the Legislature in the spring of 1988. This change has greatly increased the resources available to provide a thorough education program for Center residents.

All residents are required to attend one-half day in academic school and one-half day in a vocational program. Class sizes are small, five to seven residents, and instruction in all areas is individualized to meet the needs of the learner. The academic program is designed and equipped to teach at all levels from basic remediation through post-high school. Vocational programs offered at Davis Center include auto mechanics, welding, computer science and construction.

A full range of recreational activities is offered, including basketball, volleyball, weightlifting, swimming and softball. Recreational activities also utilize nearby state parks and the natural mountain beauty of the Monongahela National Forest. Nondenominational religious services are held each Sunday.

Through the use of the Unit Management Concept and the Peer Group Interaction Program, young men receive counseling and guidance by their peers with adult assistance. A young man's stay depends on developing responsibility for caring and concern for group members, as well as fulfilling his contract. Ultimately, a major goal is to enhance the young man's capabilities of making socially accepted choices and decisions after his release into society.

NEW RIVER COMMUNITY AND TECHNICAL COLLEGE

Beckley, Bluefield, Lewisburg and Summersville

New River Community and Technical College (NRCTC) is West Virginia's newest independently accredited institution of higher education. Founded July 1, 2003 by the WV Legislature, the college was independently accredited February 8, 2005, by the Higher Learning Commission of the North Central Association of Colleges and Schools. Although newly founded and named, the college's origins span more than one hundred thirty years of service to West Virginia through its two parent institutions, Bluefield State and Glenville State Colleges. With the incorporation of the historic Greenbrier Valley Campus, NRCTC also continues the tradition of Greenbrier Women's College, a tradition that reaches back to the founding of the Lewisburg Female Seminary in 1812.

New River Community and Technical College was created by combining the community and technical college component of Bluefield State College with Glenville State College's community and technical college campus in Nicholas County (Summersville), as mandated by HB 2224 and later refined by SB 448. NRCTC serves an area including Fayette, Greenbrier, Mercer, Monroe, Nicholas, Pocahontas, Raleigh, Summers, and Webster counties.

Dedicated to improving the quality of life among citizens in southeastern and south-central West Virginia, New River Community and Technical College provides comprehensive, affordable, high-quality post-secondary education, workforce training programs, and services that are geographically or electronically accessible and that meet the individual, business, and community needs of the diverse population in the college's region of responsibility.

New River Community and Technical College grants 12 Associate of Applied Science (A.A.S.) degrees, 11 Associate of Science (A.S.) degrees, and one Associate of Arts (A.A.) degree, 12 Collegiate Certificate Programs, and thirteen Skill Set Certificates. A number of the A.S. degrees are articulated with and will transfer to four-year baccalaureate programs. The A.A.S. degrees, often considered terminal for immediate workforce deployment, are offered in the areas of laboratory science, child care practitioner, paraprofessional in education, banking, and computer science among others. Customized training and workforce development programs are offered under the auspices of Skill Set Certificates and include the areas of phlebotomy, medical/dental front office specialist, medical transcriptionist, and industrial maintenance.

A multi-campus entity headquartered at Beckley, West Virginia, New River Community and Technical College combines tradition with innovation to meet the needs of its diverse service area. Combining a talented faculty with the latest in technological advances, the college provides a broad range

of instructional methods, including distance learning and web-based courses. The college's four campus facilities bridge the latest in Interactive Network (IVN) technologies through its distance learning labs and through web-based instruction in conjunction with various partners throughout the United States. In addition to the Beckley Campus, a full range of community college programs and services are offered at the Bluefield Campus (co-located on the campus of Bluefield State College), at the Greenbrier Valley Campus (Lewisburg), and at the Nicholas County Campus (Summersville).

The college's Center for Workforce and Business Development offers a variety of customized training and workforce development programs that address the training needs of employers within the college's designated service district. Programs and training have been provided that impact more than 7,000 employees from more than sixty companies. In addition, New River Community and Technical College hosts a CISCO Regional Networking Academy that provides technology training for students through a network of local academies housed at regional vocational education centers. This program also provides accelerated training opportunities for professionals currently working in the networking and information technology industry. In partnership with local vocational centers, NRCTC has designed programs that emphasize industries and skills in which and by which participants can obtain employment quickly and can meet important workforce needs as identified by the local workforce investment board. These programs are designed specifically for adults with little or no postsecondary education, thus increasing adult access to higher education while providing training that is immediately relevant to the adult's employment goal.

SHEPHERD UNIVERSITY

Shepherdstown 25443

When the county seat of Jefferson County, West Virginia, was moved from Shepherdstown to Charles Town in July 1871, the people in the area decided to use the vacant courthouse for educational purposes. An article of incorporation for a school to be known as Shepherd College, designed to instruct students "in languages, arts and sciences", was drawn up by the Board of Trustees. Joseph McMurrin, principal, and two assistant professors were hired to teach the 42 students who began classes in September 1871.

On February 27, 1872, the state Legislature passed an act which made the private institution a part of the state college system. In 1930 Shepherd became a four-year college dedicated to the training of teachers and it was accredited to grant the Bachelor of Arts degree. A liberal arts program was approved in 1943 and in 1950 the Bachelor of Science degree was added. On April 7, 2004, Governor Bob Wise signed legislation which changed Shepherd's name to Shepherd University.

Academic programs are available in more than 75 different fields of study, and the University currently serves over 3,900 students. The University offers the following degrees: Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Arts in Elementary Education, Bachelor of Arts in Secondary Education, Bachelor of Science, Bachelor of Science in Nursing, Bachelor of Music Education, Bachelor of Social Work, Regents Bachelor of Arts, Master of Arts, Master of Arts in Teaching, Master of Business Administration and Master of Music, Music Education.

WEST VIRGINIA SCHOOL OF OSTEOPATHIC MEDICINE

Lewisburg 24901

The West Virginia School of Osteopathic Medicine (WVSOM) was incorporated in 1972 as Greenbrier College of Osteopathic Medicine. The Greenbrier Military School, which had been in continuous operation for 160 years, closed in May 1972 and was purchased in July by the West Virginia Society of Osteopathic Medicine. In December, a charter for the Greenbrier College of Osteopathic Medicine was obtained from the State of West Virginia, and the school opened in October 1974 as a private institution with a charter class of 36 students. In January 1976, the college was brought into the state system of higher education as the West Virginia School of Osteopathic Medicine.

The West Virginia School of Osteopathic Medicine educates primary care physicians for rural communities. The school is dedicated first and foremost to service for West Virginia and addresses the special health care needs of West Virginia's elderly. The WVSOM program is comprehensive—two years of basic science education, two years of clinical training, one year of rotating internship, followed by two or more years of residency training.

The WVSOM Admissions Committee reviews files of all qualified applicants. First preference for admission is given to residents of West Virginia. Historically, just over half of each class has been composed of West Virginia residents.

The WVSOM curriculum is designed to produce physicians who are competent in rural practice settings while assuring they have the education and legal status required for licensure in all states.

The West Virginia School of Osteopathic Medicine is accredited by the Commission on Osteopathic College accreditations (COCA). COCA is recognized by the Council for Higher Education Accreditation and the United States Department of Education as the only official accrediting agency for colleges of osteopathic medicine in America.

WEST VIRGINIA STATE UNIVERSITY

Institute 25112-1000

West Virginia State University, WVSU, with a fall 2006 enrollment of 3502, is the largest public higher education institution in the Charleston metropolitan area. Founded in 1891 as a land-grant institution, WVSU voluntarily desegregated in 1954, creating a "Living Laboratory of Human Relations." This event attracted the most racially and culturally diverse student body, faculty, and staff in the state, a distinction that has been maintained to this day. The University cherishes its noble history, its reputation for safeguarding academic freedom, for being innovative in its scholastic programs, for removing barriers to education, and for providing leadership opportunities for women, minorities, and the handicapped.

West Virginia State University offers 19 baccalaureate degree programs and two masters degree programs. The Bachelor of Arts degree is offered with majors in art, economics, English, history, political science, psychology, and sociology. The Regents BA program allows students to earn credit for life and work experiences. The Bachelor of Science degree is offered in biology, business administration, chemistry, communications, computer science, criminal justice, education, mathematics, recreation, health science, and social work. The Master of Science and Master of Arts degrees are offered in biotechnology. The Master of Arts degree is offered in media studies.

West Virginia State University is accredited by the North Central Association of Colleges and Schools. Academic program accreditations include chemistry by the American Chemical Society; education by the National Council for Accreditation of Teacher Education, recreation by the National Council of Accreditation of the National Recreation and Parks Association, and social work by the Council on Social Work Education.

The Drain-Jordan Library is a primary academic support facility, with more than 222,520 volumes and 396 current publication titles. It has a computerized catalog system with electronic search capabilities and automated circulation. The campus has 23 state-of-the-art computer laboratories as well as computer equipped classrooms that make hands-on computer applications possible in almost every discipline. Campus satellite facilities permit both down-link and up-link access to communications satellites.

The Wilson University Union provides an atmosphere where commuter and resident students alike may relax. The facility houses a cafeteria, snack bar, recreational facilities, lounge, bookstore, and meeting rooms for students' use. Services provided to students include a child development facility. A variety of scholarships and other types of financial assistance are available. For both instructional and recreational use, students have access to a gymnasium, swimming pool, football stadium, track tennis courts, and baseball and football fields. Opportunities exist to participate in music and drama groups, the student newspaper, the literary review, and yearbook staff. Nineteen academic honor societies recognize outstanding academic performance.

With a consistent and determined effort since 1988, WVSU was redesignated at the federal level as one of the two land-grant institutions in West Virginia on March 28, 1994. Senator Robert C. Byrd introduced legislation in the Fiscal Year 2000 agricultural appropriations Bill; and on October 22, 1999, the bill was signed by President Clinton, authorizing funding for land-grant programs related to research and extension at West Virginia State University.

With the passage of Senate Bill 448 and the official signing by Governor Bob Wise on April 7, 2004, the institution formally changed its name from West Virginia State College to West Virginia State University. It is now one of six universities in the state of West Virginia. The beautiful, approximately 95 acre campus, with 41 buildings, is located in the suburban community of Institute, eight miles west of (I-64 exit 50) of Charleston and approximately 40 miles east of Huntington.

West Virginia State Community and Technical College (WVSTC) is a comprehensive community and technical college that provides a broad spectrum of associate degrees, certificates, industry certifications, continuing education, community service, employee training, developmental and transfer education. Through the various divisions within the institution, WVSTC has the ability to meet the rapidly changing educational, training and/or career needs of individuals, business and communities of the Kanawha Valley and surrounding regions.

WVSTC grants 23 Associate in Applied Science (A.A.S.) Degrees with 33 options, two Associate in Science (A.S.) Degrees with four options, one Associate in Arts (A.A.) Degree, 14 Certificate Degree Programs and 13 Collegiate Skill Set Certificates. Additionally, the Workforce and Economic Development Division offers noncredit and credit workshops and courses for business and industry. The Associate in Applied Science degrees are offered in several fields, including nuclear medicine technology, power plant technology and information technology. Among the 14 Certificate Degree programs, certificates are available in accounting, community behavioral health technology, gerontology and technical studies. To meet the expressed need for nurses in the region, WVSTC began its first Associate Degree in Nursing (A.D.N.) in the fall of 2005. Many of the Associate in Arts and Associate in Science degrees transfer to baccalaureate degree programs at WVSU and other colleges and universities throughout the state and the region.

West Virginia State Community and Technical College has met the recommended criteria to become an independently accredited institution by the North Central Association of Colleges and Schools. In October 2004, the Higher Learning Commission (HLC) of the North Central Association approved WVSTC to receive the maximum five-year initial accreditation. Additional Academic Program accreditations include nuclear medicine technology by the Joint Committee on Educational Programs in Nuclear Medicine Technology and electronics engineering technology by the Technology Accreditation Commission (TAC) of the Accreditation Board for Engineering and Technology (ABET). The Associate Degree in Nursing received the required accreditation from the West Virginia State Board of Examiners for Registered Professional Nurses in July 2005. WEDD offers noncredit courses on topics such as software applications, lean manufacturing, problemsolving, digital photography, web page design and offers certified training programs that lead to certification in the areas of information technology and industry certifications. The industry certifications are in A+ (PC maintenance), Microsoft Computer Systems Engineer (MCSE), Network+ and other industry-recognized certifications. The WEDD also develops and maintains working agreements, cooperative arrangements and partnerships with local business and industry, vocational and technical schools, community-based organizations, school systems and governmental entities. These partnerships provide the basis for developing and maintaining training programs for incumbent, dislocated, initial entry workers, the economically disadvantaged and others needing employment training or retraining.

West Virginia State Community and Technical College is co-located on the campus of West Virginia State University and its history is deeply embedded in the history of WVSU, an 1891 land-grant and historically black institution. The unique administratively and academically linked relationship between WVSTC and WVSU allows for community and technical college students to have access to shared facilities, resources and services on the campus of WVSU. WVSU students have access to developmental education, continuing education, Adult Basic Education (ABE) services and a plethora of unique noncredit and community service programs provided by WVSTC. WVSTC students share 23 state-of-the-art computer laboratories as well as computer-equipped classrooms that make hands-on computer applications possible in almost every discipline. The campus facilities permit both down-link and up-link access to communications satellites for distance learning activities. The Drain-Jordan Library, which is a primary academic support facility, has more than 221,184 volumes and 495 current publication titles. It has a computerized catalog system with electronic search capabilities and automated circulation. The Wilson University Union provides an atmosphere where commuter students may relax. WVSTC's distinctive continuing education division asserts the College's growing commitments of service to governmental agencies, business and industry, senior citizens, children, youth and the disadvantaged. The exceptionally flexible curriculum allows students to overcome prior educational deficiencies, develop unique program combinations that prepare them for careers or for advanced education and recognizes the educational value of life experiences.

WEST VIRGINIA UNIVERSITY

Morgantown 26506

Established in 1867, West Virginia University is the state's major research, doctoral degree-granting, land-grant institution. WVU provides high-quality programs of instruction, offering 179 degree programs at the undergraduate, graduate and professional levels, including the state's only law school and the world's premiere degree offering in forensic identification. The University fosters basic and applied research and scholarship and engages in and encourages other creative and artistic work. A wide range of health science programs are offered at the Robert C. Byrd Health Sciences Center through schools of medicine, dentistry, nursing and pharmacy, including allied health programs and graduate programs in the basic health sciences.

WVU combines the breadth of academic opportunities offered by a major research institution with the atmosphere of a small school. Enrollment in one of the University's 15 colleges and schools offers students the warmth and friendliness of a small academic community.

Students at WVU may choose from among more than 300 student organizations, including 19 fraternities, 10 sororities and over 40 honor societies. In addition to extensive informal recreational opportunities and organized intramural programs, WVU has 17 intercollegiate varsity athletic programs, including a football team that regularly participates in post-season bowl games. WVU is a member of the Big East Conference, except for gymnastics and wrestling, which are associated with the Eastern Athletic Gymnastic League and the Eastern Wrestling League, respectively.

WVU's fall 2006 main campus enrollment was 27,115. Students came from all 55 counties of West Virginia, all 50 states, the District of Columbia, Puerto Rico, the Virgin Islands and close to 100 other nations. Among WVU's proudest distinctions are the 25 students who have been chosen to receive Rhodes Scholarships to study at Oxford University, the 18 Truman Scholars who have been recognized for their public service efforts, the 30 Goldwater Scholars who have demonstrated academic excellence in the sciences, two British Marshall Scholars and two Morris K. Udall Scholars.

The first-year experience is giving freshmen one of the top undergraduate experiences in the country by placing them in residence halls according to similar majors and interests. Advising, entertainment and some classes take place in the residence halls, and resident faculty leaders help serve as mentors to ensure a positive WVU experience. Professionals at the Career Success Academy explore career options with students, while WVU alumni serve as mentors. A Mountaineer Parents Club further supports students and their families. A student Web portal, the MIX, connects students and faculty with each other and the Internet.

The faculty at WVU is impressive; faculty members are nationally and internationally recognized experts in their fields. Eighty-six percent of the full-time faculty hold doctorates or the highest degree offered in their fields. WVU is a Research University (High Research Activity), as classified by the Carnegie Foundation for the Advancement of Teaching. This distinction recognizes the complexity, breadth, and contribution of WVU's mission. In the last fiscal year, funding for sponsored projects and research hit the highest levels in WVU's history at \$150 million.

The University commits nearly \$4 million each year to support the WVU Scholars Program, a comprehensive scholarship program that supports thousands of students through awards ranging from one-time, \$1,000 scholarships to the full cost of a four-year education. These awards are designed to encourage the state's outstanding students to attend college and remain in West Virginia. In addition, about 70 percent of WVU's students receive some \$239 million in financial aid.

WVU serves the state by bringing the resources of the University to all segments of society through the WVU Extension Service, through continuing education programs and through other public service activities, including a comprehensive health care delivery system and extensive economic development efforts.

WVU's libraries contain more than 3 million volumes and microforms and 100 electronic databases. The Downtown Library Complex combines computer access with thousands of shelved books.

WVU's campuses in Morgantown combine traditional and modern architectural styles, and more than a dozen of the 170 buildings are listed on the National Register of Historic Places. An impressive Student Recreation Center includes two pools, a 50-foot climbing wall, fitness equipment, and basketball, volleyball, badminton, squash, and racquetball courts. A new Life Sciences Building opened in 2002. One Waterfront Place, a new office complex, is located along the Monongahela River. Lincoln Hall, a brand-new residence hall, houses over 300 students and features a residential college where dedicated faculty and local experts mentor students.

Parts of the campus are linked by the Personal Rapid Transit (PRT) system which consists of computer-directed, electric-powered cars that operate on a concrete and steel guideway permitting quick and easy access to major locations within the University and the downtown area of Morgantown.

WVU's programs and services are accessibly located throughout the state through fully integrated divisions in Keyser, WV, (Potomac State College of West Virginia University and the West Virginia University Institute of Technology; and the Community and Technical College of West Virginia University Institute of Technology in Montgomery. WVU also operates a regional campus, WVU at Parkersburg, the Robert C. Byrd Health Sciences Center - Charleston Division and the Robert C. Byrd Health Sciences Center - Eastern Division (in Martinsburg). In addition, there are four Extended Learning Centers in Charleston, Clarksburg, Parkersburg, Shepherdstown and Martinsburg.

West Virginia University also operates eight experimental farms in Hardy, Jefferson, Monongalia, Monroe and Preston counties; four experimental forests in Monongalia, Preston, Randolph and Wetzel counties; the State 4-H Camp and museum of mid-nineteenth century life at Jackson's Mill in Lewis County.

WEST VIRGINIA UNIVERSITY INSTITUTE OF TECHNOLOGY

Montgomery 25136

The institution, West Virginia's only state-operated Institute of Technology, was established through an act of the Legislature in 1895.

The college opened January 4, 1887, as Montgomery Preparatory School, a branch of West Virginia University and was renamed West Virginia Trades School in 1917.

In 1921, state authorities decided that a junior college was needed in the upper Kanawha Valley, especially for the training of much needed elementary school teachers. Enrollment rose in the newly named New River State School. By 1929, New River was a four-year college and had its A.B. graduates. A name change occurred in 1931 to New River State College. By 1941, in response to demands

for personnel from industries and businesses, the institution added technical and business programs. Recognizing this new role, the State Legislature renamed the college the West Virginia Institute of Technology that year. In 1952, the college began to offer bachelors degrees in engineering. This marked the first instance in which a West Virginia four-year college had developed a specialized role in providing educational services to its constituencies. In response to regional needs, Tech established community college programming in 1966. A master of engineering program was added in 1978. In 2003, the Community and Technical College at West Virginia Institute of Technology became a separate, but administratively-linked, institution.

By an act of the 1996 Legislature, on July 1, 1996, the college became a regional campus of West Virginia University and was renamed West Virginia University Institute of Technology.

The school, popularly known as WVU Tech, is a coeducational college, authorized to offer four-year studies leading to Bachelor of Arts and Bachelor of Science degrees ad two-plus-two degree programs in a wide variety of areas in coordination with the Community and Technical College at WVU Tech. A program for a master's degree in Control Systems Engineering is offered. The institution is accredited by the North Central Association Higher Learning Commission, and individual programs are accredited as follows: Engineering programs by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology, Baltimore, Maryland; Engineering Technology programs by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology, Baltimore, Maryland; the Nursing BSN program by the Commission on Collegiate Nursing Education, Washington, D.C.; and the Dental Hygiene program by the Commission on Dental Accreditation of the American Dental Association, Chicago, Illinois.

WVU Tech offers the Bachelor of Arts degree in history and government and in the Regents B.A. program. Bachelor of Science degrees are offered for majors in accounting, management information systems, business management, technology management, industrial relations and human resources, printing management, engineering technology, engineering technology-civil/environmental/ mechanical, electronic engineering technology, biology, chemistry, mathematics, nursing, engineering physics, public service administration and health services administration. WVU Tech also offers the Master of Engineering and the Bachelor of Science in chemical engineering, civil engineering, computer science, electrical engineering and mechanical engineering.

The 2004 edition of the U.S. News and World Report ranked WVU Tech as follows: fourth among all public comprehensive universities in the southern region; and 49th in the nation among baccalaureate engineering programs.

COMMUNITY AND TECHNICAL COLLEGE AT WEST VIRGINIA UNIVERSITY INSTITUTE OF TECHNOLOGY

Montgomery 25136

The historic involvement of WVU Tech in the delivery of career-technical education programs and the growth of the community college movement nationwide in the 1960s led to the authorization of the community and technical college division in 1966. Tech's Community and Technical College was the first such division of a four-year college established in West Virginia. Since its inception, programs have been added and deleted to meet labor market changes.

In an effort to consolidate the programs and personnel involved in the delivery of community and technical college programs, Davis Hall was dedicated in 1971. This building, designed and equipped to support technical programs, has served as the center of community and technical college education on the Tech campus.

Since the mid 1990s, legislation has addressed the component community colleges, seeking greater autonomy and flexibility for those institutions located within a four-year institution. Ten essential conditions were defined and the component institutions restructured the administration of the associate programs; moved developmental education to the community college; and developed separate budgets, personnel policies, and tuition and fee differentials. Independent North Central Association accreditation was mandated.

The Community and Technical College at West Virginia University Institute of Technology (CTC at WVU Tech) attained independent accreditation in February 2004.

Six nationally accredited associate of science (AS) programs are currently offered; four in Engineering Technology (Civil, Computerized Drafting and Design, Electrical, and Mechanical), and two in the health area: Dental Hygiene and Respiratory Therapy. Additional A.S. programs include Business Technology (with emphases in Accounting, Business Supervision, Computer Information Systems, and Restaurant Management); General Studies (with a specific emphasis in Public Service Administration); Printing Technology; Office Technology Management (with emphases in Executive, Medical, Computer Specialist, Medical Assistant, Medical Office); Computer Science; and Computer and Information Technology.

Associate of Applied Science (A.A.S.) program offerings include Diesel Technology, Applied Technology, Building Construction, Technical Studies (automotive service technology, para-educator specialist, information technology, manufacturing, corrections, and applied technology) and Occupational Development (Culinary Arts, Child Development Specialist); and the Board of Governors Adult Degree Completion program, which provides credit for experiential learning.

One-year certificates are available in Claims Processing, Electrical Mining Specialist, Mechanical Mining Specialist, Electro-mechanical Mining Specialist, Medical Transcription, Press Technology, Pre-press Technology, Entrepreneurship, Help Desk, Electrical Computer-Network Specialist, Inter-networking and Computer Security Specialist, Network Security Administrator Specialist, and Manufacturing.

Additionally, the college serves the needs of area business, industry, government, and labor for workforce training and retraining through short- and long-term programs. Customized training seminars or courses are offered in areas such as web press, flexography, basic or specialized computer skills, A+, Cisco (CCNA, CCNP) certifications, blueprint reading, rigging, team building, medical coding, claims processing, programmable logic controller training, OSHA, and industrial, mechanical, and controls training at business and industry sites.

Support courses in humanities, social sciences, math, science, business, and management are contracted with WVU Tech. Plus-two baccalaureate programs are available for all A. S. programs through WVU Tech.

WEST VIRGINIA UNIVERSITY AT PARKERSBURG

Parkersburg 26104

West Virginia University at Parkersburg was founded in 1961 as the Parkersburg branch of West Virginia University. It became one of the state's first comprehensive community colleges in July 1971, as Parkersburg Community College. The institution assumed its current designation as a regional campus of WVU in 1989 following a reorganization of West Virginia's public higher education system.

Located four miles east of the city of Parkersburg, the college offers a blend of academic and career programs, ranging from certificate to select bachelors programs. The Parkersburg campus is the only community college in West Virginia accredited to offer baccalaureate programs. WVU Parkersburg serves the seven counties of Jackson, Pleasants, Ritchie, Roane, Tyler, Wirt and Wood. The Jackson County Center, an off-campus center established at Ripley in 1974, serves the educational needs of the Jackson-Roane area.

As an open admission institution, WVU at Parkersburg is a "close to home" entry point to higher education for area residents. The college also serves as a regional workforce development hub. Its Caperton Center for Applied Technology features a high school to college seamless curriculum unique to the region. WVU Parkersburg's Cooperate and Community Education division works with business and industry in delivering workforce development training and programming to impact the Mid-Ohio Valley's economic vitality. In addition, WVU offers several graduate programs on the Parkersburg campus.

The college is accredited by the North Central Association of Colleges and Schools, the National Association of Realtors, National Council for Accreditation of Teacher Education, National League for Nursing, West Virginia Department of Education, West Virginia Real Estate Commission and West Virginia State Board of Examiners for Registered Professional Nurses.

WEST VIRGINIA SCHOOLS FOR THE DEAF AND THE BLIND

Romney 26757

The West Virginia Schools for the Deaf and the Blind were established by an Act of the Legislature March 3, 1870. The School for the Deaf and the School for the Blind offer comprehensive educational programs for hearing impaired and visually impaired students respectively. There is also a unit for Deaf-Blind/Multihandicapped children.

Students may be enrolled at the age of three. Students must be residents of West Virginia and have a hearing or visual loss sufficient to prevent normal progress in the usual public school setting.

In addition to the state-approved elementary and secondary curricula, courses focusing on special skills needed by hearing and/or visually impaired students are offered in accordance with their respective needs. These academic, vocational and special courses are taught by members of the staff with expertise in education of hearing and/or visually impaired students as well as certification in their subject areas which are appropriate to their teaching assignments. Preschool and other specialized programs are also offered. The school calendar is similar to that followed by county school systems.

Outreach and technical assistance services are available to county school staff providing programs to hearing and/or visually impaired students. A statewide Instructional Resource Center also provides instructional materials and equipment for visually impaired children attending county programs. The Sub-Regional Library for the Blind and Physically Handicapped of the Library of Congress, located on the campus, provides talking books and other similar reading materials to individuals with visual or physical disabilities.

These schools are supervised by the West Virginia Board of Education and supported by the State of West Virginia. There are no costs to students, or parents, with the exception of clothing, transportation to the schools and other incidental expenses. Information concerning the schools or enrollment procedures may be obtained by contacting the Superintendent. Interested persons are invited to visit any time the schools are in operation.

Both schools are fully accredited by the North Central Association for Colleges and Schools at the elementary and secondary levels.

ALDERSON-BROADDUS COLLEGE

Philippi 26416

Alderson-Broaddus College is an accredited, renowned leader in health-related, pre-professional higher education institution routed in the liberal arts. Located in Philippi, it is the picturesque site of the first land battle of the Civil War. The residential coeducational, independent College is accredited by the Higher Learning Commission and affiliated with the West Virginia Baptist Convention and the American Baptist Churches/USA. The College is committed in charter and bylaws to three main purposes: Excellent academic instruction, a Christian environment for learning and instilling a service motivation in its students.

Its enrollment is approximately 800 students and the total full-time College faculty numbers 50.

Each field of study requires a thorough grounding in the liberal arts and sciences. Over the years, health sciences, teacher education, music and business have been the central focus of the institution.

In 1945, the College inaugurated the State's first degree program in nursing. In 1967, the school initiated the nation's first degree program for physician assistants, and inaugurated the nation's first post-baccalaureate master's degree for physician assistants in 1991. These health programs, along with other allied health majors, are enhanced by a close affiliation with West Virginia University.

Alderson-Broaddus has one of the most comprehensive computing environments of any college in the state. In cooperation with six other schools, the College also owns a corporate computer company (ICE). All faculty, staff and students (regardless of major) are granted full access to both the internet and local facilities, which are used heavily in day-to-day activities, both administrative and instructional. In addition, the College offers telemedicine training in nursing and medical science, has a cadaver lab, and as a Clay/Yamaha School of Music Excellence, offers dislavier pianos for music.

The College operates on a semester system, emphasizing concentration of learning, efficient utilization of facilities and enrichment for students through a number of opportunities which include: Independent study; internship opportunities with business and industry, and various health and social agencies; a Salzburg international program; and Christian and humanitarian service projects.

About 70 percent of the students at Alderson-Broaddus are from West Virginia, with 25 percent from Pennsylvania, Maryland and Ohio, and the balance from 32 other states and eight foreign countries. While the College is proud of its Baptist heritage and its active church relatedness, its religious emphasis is conceived in broad terms to serve all backgrounds with the intent of exposing rather than imposing a belief system. Total student costs for the 2006-07 academic year are \$24,980. All students receive significant scholarships, grant-in-aid and work opportunity assistance. Ninety percent of the single students reside on campus, and married couple facilities are available in modern College-owned apartments. The College was ranked in the Top Tier of southern region liberal arts colleges by *U. S. News and World Report* in 2006.

The main campus of the College occupies approximately 130 acres of land, on which are located 12 academic, religious, administrative and auxiliary enterprise buildings. Modern academic buildings provide excellent laboratory facilities in addition to space for classrooms and offices. There are 3 residence halls for men and women and a campus center. All structures in use on the campus have been completed since 1956, with most having been completed between 1967 and 2004. The most recently developed buildings on the campus include the Robert C. Byrd Technology Center (1991) and the Erickson Alumni Center (1992). Kincaid Residence Center (1994), Benedum Hall (1997), Priestley Hall (1998), the Hamer Center (1999), and the Kemper/Redd Science Center (2005) have also recently been renovated.

Students are encouraged to study abroad as the college is committed to providing students with international experience. With students enrolled from 35 states and 20 countries, Wesleyan's campus supports diverse perspectives and encourages students to explore the world.

Residents may leave on a pass for up to three days or a leave of absence for up to 30 days on request.

Alderson Plant Materials Center**P. O. Box 390, Alderson 24910**

Established in 1967 and moved to the current site in West Virginia in 1998, the Alderson Plant Materials Center, a facility of the U. S. Department of Agriculture—Natural Resources Conservation Service, serves the Appalachian region of West Virginia, Kentucky, Tennessee, Pennsylvania, Ohio, Virginia, North Carolina, South Carolina, Georgia, Alabama and Maryland. Most conservation problems arise from agricultural, industrial and residential development and other actions by man and nature on the natural resources. The center provides native plant solutions for the rugged landscape of the Appalachian region by evaluating predominately indigenous plants for their ability to solve specific natural resource conservation problems related to the rugged topography, soil limitations and economic conditions of the area. Technical assistance to stabilize mine lands, protect stream banks and wildlife habitat, improve hillside pastures, develop permanent cover crops and protect the quality of surface and groundwater is also provided by the center.

ECONOMIC DEVELOPMENT ADMINISTRATION

Regional Office

405 Capitol Street, Room 411, Charleston 25301

The Economic Development Administration is authorized under Public Law #105-393 to generate new jobs, help retain existing jobs and stimulate industrial and commercial growth in economically distressed areas of the United States. To accomplish its mandate, the agency uses an array of program tools to address the challenges faced by economically distressed communities. EDA assistance is available to rural and urban areas of the nation that are experiencing long-term economic deterioration, high unemployment, low-income levels or sudden and severe economic distress such as is caused by plant closures, military base closures or natural events such as flooding and hurricane disasters.

EDA's primary focus is the United States, but assistance is also provided, by legislative mandate, to the Commonwealth of Puerto Rico, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, American Samoa, Federated States of Micronesia, the Republic of the Marshall Islands and Guam.

In fulfilling its mission, the Economic Development Administration is guided by the basic principle that distressed communities must be enabled to develop and implement their own economic development and revitalization strategies. Based on these locally and regionally developed priorities, the agency works in partnership with state and local governments. Economic development districts, universities, trade adjustment assistance centers, Indian tribes and public and private nonprofit organizations. As such, the agency acts as a catalyst to assist distressed communities and areas in achieving their long-term competitive economic potential.

ARMY CORPS OF ENGINEERS

U. S. Army Engineer District, Huntington

502 Eighth Street, Huntington 25701-2070

Congress has delegated to the Corps of Engineers responsibility for the development, construction, operation and maintenance of navigation facilities, flood damage reduction structures, and related improvements, and services for water resources management.

The Civil Works Program of the Corps of Engineers is divided geographically by watershed drainage areas. All of West Virginia except for the Eastern Panhandle lies within the Ohio River drainage basin. The Eastern Panhandle lies within the Potomac River Basin. The Huntington District of the Great Lakes and Ohio River Division is responsible for the areas of West Virginia that drain to the Ohio River downstream of New Martinsville in Wetzel County. The Pittsburgh District has responsibility for areas of the state that drain to reaches above New Martinsville. This includes the Monongahela River Basin. The Potomac River Basin lies entirely within the Baltimore District. Emergency Management responsibilities for the State of West Virginia rest with the Huntington District.

All military construction in West Virginia is the responsibility of the Baltimore District.

Navigation system development within the State of West Virginia presently includes three lock-and-dam structures each on the Kanawha and Monongahela rivers.

On the Kanawha River, locks and dams are located at Winfield, Marmet and London. These projects, built in the 1930s, have twin 360 by 56 foot lock chambers. These lock chambers have been or will be added to or modified. An 800 by 110 foot main lock chamber is being added at Marmet and a 40-foot extension to an existing lock chamber at London is complete. These three structures, along with the slackwater pool from the Robert C. Byrd Locks and Dam, on the Ohio River, provide a commercially navigable channel for a distance of about 90 miles along the Kanawha.

Navigation on the West Virginia portion of the Monongahela is provided by the Opekiska, Hildebrand and Morgantown lock-and-dam facilities. Each of these facilities has a single 600 by 84 foot lock. These facilities, in combination with the pool from the Pt. Marion Lock and Dam, in Pennsylvania, extend commercial navigation to the city of Fairmont (river mile 128).

Along the portion of the Ohio River bordering West Virginia, navigation is provided by eight lock-and-dam structures. All have parallel locks with dimensions of 1,200 feet by 110 feet and 600 feet by 110 feet. In river-descending order, the structures are New Cumberland Locks and Dams at New

Cumberland; Pike Island Locks and Dam near Wheeling; Hannibal Locks and Dam near New Martinsville; Willow Island Locks and Dam near Waverly; Belleville Locks and Dam near Belleville; Racine Locks and Dam near Letart; and Robert C. Byrd Locks and Dam near Apple Grove. The pool of the eighth structure, Greenup Locks and Dam near Greenup, Kentucky, borders Kentucky, Ohio and West Virginia and extends to the Robert C. Byrd Dam. Studies are underway to extend the auxiliary lock chamber from 600 feet to 1,200 feet and to rehabilitate the main lock.

All navigation dams on the Ohio, Monongahela and Kanawha rivers serve only to contain pools of navigable depth; they have no flood control function.

Flood damage reduction projects constructed by the Army Corps of Engineers within the state include Bluestone Lake on New River at Hinton; Sutton Lake on Elk River at Sutton; Tygart Lake on Tygart Valley River near Grafton; Summersville Lake on Gauley River near Summersville; East Lynn Lake on East Fork of Twelvepole Creek near Wayne; R. D. Bailey Lake on Guyandotte River near Gilbert; Burnsville Lake on Little Kanawha River near Burnsville; Beech Fork Lake on Beech Fork of Twelvepole Creek near Huntington; Jennings Randolph Lake on North Branch Potomac River near Piedmont; and Stonewall Jackson Lake on West Fork River near Weston.

Local protection projects completed by the Corps of Engineers in West Virginia are located at Parkersburg, Point Pleasant, Huntington, Ceredo-Kenova, Ridgeley, Buckhannon, Elkins, Princeton, West Williamson, Williamson, Matewan and East Rainelle. Nonstructural flood damage reduction projects which include floodproofing and floodplain evacuation features are ongoing in Mingo County, Wayne County and McDowell County along the Tug Fork River. In addition, several completed smaller flood control projects and snagging and clearing projects have reduced or alleviated flood damage along smaller tributaries of main rivers within the state.

Services provided include those related to floodplain management and disaster relief assistance. The floodplain management services program provides for preparation of floodplain information reports for communities of the state upon their request and help to any community, agency or individual in evaluating flood hazards at individual locations.

The National Energy Technology Laboratory (NETL) is the lead laboratory for the United States Department of Energy's Office of Fossil Energy. NETL is a science, technology and energy laboratory owned and operated by DOE. As part of DOE's national laboratory system, NETL supports DOE's mission to advance the national, economic and energy security of the United States.

Using unique capabilities in energy system dynamics, geological and environmental systems, computational and basic sciences, and materials science, NETL conducts cutting-edge research and technology development on site. Extensive technology- and project-management capabilities are applied to shape, fund and manage research in 47 states and more than 40 foreign countries. NETL's portfolio of onsite and contracted research includes more than 1,400 projects; nearly one-half are carried out by private sector organizations. This emphasis on the private sector is essential to NETL's mission. The laboratory's ultimate success comes when the advanced technologies emerging from the NETL's research activities are commercialized in the private sector.

Twelve hundred employees work at NETL's five sites in West Virginia, Pennsylvania, Oklahoma, Oregon and Alaska; roughly half are federal employees and half are site-support contractors. Devoted to developing technologies that use our nation's abundant fossil resources more cleanly and efficiently, NETL's efforts enable domestic coal, natural gas and oil supplies to economically power America's homes, industries, businesses and transportation while protecting our environment and enhancing our energy independence.

The Bluestone National Scenic River is a 10.5 mile section of the Bluestone River, between Pipestem Resort State Park and Bluestone State Park, in southern West Virginia. It was created in 1988 under the Wild and Scenic Rivers Act and is protected by the National Park Service as a free-flowing river. This stretch of river is now preserved as a living landscape that provides an unspoiled experience for visitors and a haven for a variety of plants and animals.

The Bluestone National Scenic River is best reached from the neighboring state parks. The river and its gorge support an abundance of aquatic life, a variety of birds and mammals and a diverse mix of forest types. The resources, size and location of the scenic river make it attractive for daytime visits. It is not open for camping. Hunting is permitted in the state-operated Wildlife Management Area of Bluestone National Scenic River.

The Bluestone River is a warm water fishery for catfish and smallmouth bass. Occasionally water levels are suitable for canoeing or kayaking.

The Bluestone Turnpike Trail follows the river for eight miles between Pipestem's Mountain Creek Lodge and Bluestone State Park. The trail is open to hikers, mountain bikers and horseback riders.

The Federal Prison Camp in Alderson was originally opened in 1927 as the Federal Industrial Institution for Women. Dr. Mary B. Harris served as the first warden and, under her direction, the facility was officially dedicated in 1928.

The architectural structure and the surrounding grounds resembles that of a college or university. The facility made a later transition to the Federal Reformatory for Women and in November 1988 became the Federal Prison Camp (FPC). Approximately 180 full-time staff members are employed at FPC Alderson, with a rated capacity of 950 inmates.

Federal Prison Industries (UNICOR) recently changed operations from a manufacturing factory to a service oriented call center and will employ an estimated 150-200 inmate workers. The Mechanical Services Division employs inmates in various maintenance and construction-related trades to include established apprenticeship positions. The facility is primarily maintained by these inmate workers with staff supervision.

Two Unit Teams provide general oversight of two new buildings which serve as housing units for the inmate population. Education opportunities are offered in the area of vocational training, apprenticeships, ABLE, GED, ESL and college-level courses with applicable accreditation. Extracurricular programs and recreational activities vary by season, but include crafting, Reading/Law Library, inter-mural sporting events and a music program. There is a community-based program which allows inmates to make knit and woven clothing items as gifts to underprivileged children.

NATIONAL RADIO ASTRONOMY OBSERVATORY

Route 28/92, P. O. Box 2, Green Bank 24944

Website: www.gb.nrao.edu

The National Radio Astronomy Observatory (NRAO) was established in 1956 by contract between Associated Universities, Inc., and the National Science Foundation to design, construct, operate and maintain a radio observatory in Green Bank, Pocahontas County.

The Observatory's mission statement is: The National Radio Astronomy Observatory enables forefront research into the Universe. In partnership with the scientific community, we provide world leading telescopes, instrumentation and expertise; train the next generation of scientists and engineers and promote astronomy to foster a more scientifically literate society.

The facility maintains eight unique radio telescopes, including one solely dedicated to public and teacher education. Additionally, the Robert C. Byrd Green Bank Telescope (GBT) is currently the premier single dish radio telescope in the world. Dedicated on August 25, 2000, the GBT is the largest fully steerable radio telescope in the world and is the largest moving structure on land.

For the purpose of minimizing harmful radio frequency interference for the telescopes, in 1958 the Congress, through the Federal Communications Commission and the Interdepartment Radio Advisory Committee, established the National Radio Quiet Zone, which encloses a land area of approximately 13,000 square miles near the state border between Virginia and West Virginia. It is the only such protective area in the Northern Hemisphere.

A Science Center is open to the public for the purposes of education, tourist programs and hands-on teaching and learning projects.

RANDOLPH

Randolph County was formed from the county of Harrison in 1787 and included all of the present county of Tucker, all of Barbour County east of the river, all of Upshur County east of Buckhannon River and a considerable portion of Pocahontas and Webster counties. It lost territory in 1821 when Pocahontas was formed; again in 1843 when Barbour came into existence; in 1851 it gave up some of its territory to Upshur; five years later 350 square miles were cut off to form Tucker; and another portion was incorporated in Webster County when it was formed in 1860. After all of these losses Randolph still is the largest county in the state. It was named for Edmund Jennings Randolph, Governor of Virginia 1786-1788. The first white man who settled in what is now West Virginia built his home on the waters of the Monongahela. In this county occurred the first Indian massacre in the state. From that beginning, the county has been a historical center down to the present.

OFFICIAL MUNICIPAL REGISTER

(Corrected to July 1, 2007)

CLASS I, II AND III CITIES

Under the provisions of Chapter 56, Acts of the Legislature, regular session, 1937, municipal corporations are classified by population as follows: Population in excess of 50,000, Class I city; population more than 10,000 and not more than 50,000, Class II city; and population more than 2,000 and not more than 10,000, Class III city. Municipal corporations not included in these classifications are known as towns or villages.

Transition from one to another class of municipal corporation occurs automatically when the requisite population qualification has been met. Population is determined on the basis of the last preceding census taken under the authority of the Congress of the United States or the Legislature of West Virginia. Census of 1990 is used as a basis in determining class of cities listed in this Register.

Information for this section supplied by various municipal mayors, clerks or recorders and the West Virginia Municipal League. Population figures are from the 2000 census, unless designated otherwise.

Benwood—Marshall County

Zip Code 26031

(Magisterial District: Union).

In the course of time, early settlers began to occupy the vast, fertile lands along the mighty Ohio River. Small towns began to form. There were no settlers in this part of the valley prior to the coming of the Ebenezer Zane family in 1769.

Sometime in 1771, Captain William McMechen and his wife, Sidney Johnson McMechen, came and settled upon a vast tract of land along the Ohio River where Benwood and McMechen now stand. It was due to their son, Benjamin, for whom our town is named. Benjamin inherited several hundred acres of his father's estate and it was upon this land "Ben's Woods" that he built his homestead and farm.

Reference books indicate that this land was once occupied by Shawnee and Delaware Tribes and the Mingo branch of the Iroquois Indians.

Throughout the beginning of the industrial boom, many manufacturing companies and rail services began to spring up at an alarming rate. The beginning of midwestern railroad development reached Benwood in 1852 when the Baltimore and Ohio Railroad finally decided to bridge the Ohio at Benwood. Shortly after 1882, Benwood began to experience a remarkable change. Industrial development had brought in the largest steel mills. Thousands of workers and their families came to live within this great industrial town of its time.

Originally chartered on February 28, 1853, and incorporated on March 2, 1853, by Acts of the General Assembly of the Commonwealth of Virginia. Trustees of the town were William McMechen, George Blake, David B. McMechen, Dr. Smith Holloway, William H. Powell, Samuel H. Norton and A. Wilson Kelley. The assembly authorized these gentlemen to hold office until successors would be appointed by the first election that was to be held on the first Monday in April, 1853. The city was again incorporated on February 25, 1882, and the final incorporation being February 22, 1895, by Acts of the West Virginia Legislature.

Thriving businesses of the day were Benwood Manufacturing, 1853; B & O Railroad, 1852; Benwood and McMechen Electric Light, Heat and Power Company, 1897; Benwood Iron Works, 1887; Benwood Southern Street Railway Company, 1893; Benwood Water Company, 1897; Moundsville, Benwood and Wheeling Railway Company, 1894; Wheeling Steel & Iron Company, 1892; and Wheeling Steel Works, 1885.

Ceredo was founded in 1857 and incorporated in 1866 by an Act of the Legislature. One of Ceredo's first settlers was Z.D. Ramsdell who built a two story brick residence in 1857. The house has been restored by the Ceredo Historical Landmarks Commission and has become a center of Civil War Era activities. Several other buildings of the Civil War period still exist in the town, some in excellent condition. An example is the former residence of Dr. J. T. Wharton, a Civil War surgeon and one of Ceredo's first physicians, located on First Street East.

The town boasts one of the oldest official beautification commissions in the state. Partly due to the efforts of this commission, Ceredo was selected as the winner of the first Governor's Award in 1979, as "Outstanding All-West Virginia City", and has recently been honored

as "Tree City U. S. A.". In rapid succession, a new garage, a beautiful historical museum and a magnificent city hall have been built since 1992. Ceredo is served by air, rail and the interstate highway system, all adjacent.

Pratt—Kanawha County

Zip Code 25162

(Magisterial District: District I).

Pratt's recorded history dates to 1792 when John Jones, a Revolutionary War veteran, took out a patent for acreage that included the site of the present town. Many Indian relics have been unearthed in and around the town, indicating that in an earlier age Indians roamed the land bordering Paint Creek and the south bank of the Great Kanawha River.

In the 1840s, Dickinson Morris, grandson of Kanawha Valley pioneer William Morris, purchased the land from Jones. Morris later divided his property into lots and streets so a town could be established. He designated one lot to be used as a public square as long as it benefited the townspeople. The property continues to be used for town activities which are held in Pratt's historic Old Town Hall, built on the town square in 1875.

Originally called Clifton, then DeGo, the town adopted the surname of Charles K. Pratt at the turn of the century. Pratt's New York company owned timber and mineral rights in the area and maintained offices in the town. On June 4, 1905, Pratt was incorporated.

Gracious old homes are scattered throughout the town, each contributing significantly to Pratt's rich heritage. The town's only church, Old Kanawha Baptist, celebrated the 200th anniversary of its founding in 1993. In the hillside cemetery, weathered stones mark graves that date as far back as 1835. Many of today's residents can trace their ancestry to the town's pre-Civil War settlers.

During the mine war of 1912-13, the little town was thrust into national prominence

when Mary Harris Jones ("Mother" Jones), fiery labor organizer, was imprisoned in Pratt. Tents of the state militia sent to enforce martial law dotted the open fields near the boarding-house where "Mother" Jones was kept. When the plight of the well-known agitator was telegraphed around the country, the United States Congress was forced to take action.

Focusing on the town's role in the history of unionization, the Pratt Old Town Hall Association commissioned a play to be written about "Mother" Jones during her confinement in the town. The play is presented annually during the Pratt Fall Festival.

Because of its historic importance, a part of the town was designated a historic district in 1984 and placed on the National Register of Historic Places.

Zip Code 26426

Incorporated in 1794. Originally named New Salem because the settlers who established the town came in a body from Salem, New Jersey, arriving in the spring of 1792.

The first civilized habitation on the land now occupied by the City of Salem was a hunter's camp established in 1785 by Nicholas Carpenter, who used it for a hunting and trapping center. He also used it as a crude hotel for himself and his men who drove cattle from Clarksburg to the Ohio River at Marietta which was the nearest market.

Samuel Fitz Randolph purchased the property on which the village was founded in 1790. Randolph had started with a caravan of pioneer settlers from Salem, New Jersey, who crossed the mountains in 1789 and made their first stop at Woodbridgetown, Pennsylvania. Randolph, a number of Davises, some Maxsons, and others came on to what is now Salem, after a two and one-half year trek from the sea coast.

Salem was the first settlement of Seventh Day Baptists west of the mountains. It is now the home of Salem International University, founded in 1888, and the Industrial Home for Youth, established in 1898. Glass has been a major industry. It is the birthplace of United States Senator Jennings Randolph and writer Granville Davison Hall, author of *Daughter of the Elm, The Rending of Virginia*, and many other historical books.

Wheeling—Ohio and Marshall Counties

Zip Code 26003

(Magisterial Districts: Washington-Clay-Union-Madison, Center-Webster-Ritchie).

County seat. Settled in 1769 by Ebenezer Zane and followers. Name derived from Indian word, "Wheeling", which name was used for years prior to the Zane settlement to designate the creek which bisects the city. In 1793 the existence of Wheeling as a town became evident when Zane divided the settlement into lots, but Wheeling was not incorporated as a town until 1806 by the General Assembly of Virginia.

Although the peace treaty with the Indians was still in effect when Zane settled here, he and his followers immediately built a fort, which they called "Fort Henry". Here was fought in September, 1782, the last battle of the American Revolution. It was during this siege that the famous legend of Betty Zane was established, when she braved a storm of gunfire to carry powder from the Zane cabin to the fort.

Wheeling was the state's capital until 1870 and again from 1875 to 1880 when the government was moved to Charleston.

THE AMERICAN FLAG

The Flag of the United States has 13 horizontal stripes—7 red and 6 white—the red and white stripes alternating, and a union which consists of white stars of five points on a blue field placed in the upper quarter next to the staff and extending to the lower edge of the fourth red stripe from the top. The number of stars is the same as the number of States in the Union. The canton or union now contains 50 stars. On the admission of a State into the Union, a star will be added to the union of the Flag and such addition will take effect on the 4th day of July next succeeding such admission.

PLEDGE OF ALLEGIANCE

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

STATE FLAG

Before the design of the present State Flag was officially adopted by the Legislature on March 7, 1929, by Senate Joint Resolution No. 18, West Virginia had been represented by several flags which had proved impractical.

Prominently displayed on the pure white field of today's flag and emblazoned in proper colors is a Coat of Arms, the lower half of which is wreathed by Rhododendron. Across the top, lettered on a ribbon, is the constitutional designation—"State of West Virginia". The white field is bordered on four sides by a strip of blue, and for parade purposes all but the staff side are to be trimmed with gold fringe.

GREAT SEAL OF WEST VIRGINIA

The Great Seal of West Virginia, which also is the Coat of Arms, was adopted by the Legislature on September 26, 1863, and symbolizes the principal pursuits and resources of West Virginia. Described briefly, the obverse side of the Seal bears the legend, "State of West Virginia", together with the motto, "Montani Semper Liberi" (Mountaineers Are Always Free); a farmer stands to the right and a miner to the left of a large ivy-draped rock bearing the date of the state's admission to the Union, in front of the rock are two hunters' rifles upon which rests a Phrygian Cap, or "Cap of Liberty".

The reverse side of the Seal is not in common use today. It was intended to be employed when the Seal was attached to documents by ribbons and suspended in the manner of a medal.

Joseph H. Diss Debar, of Doddridge County, designed the State Seal in 1863 at the request of the first West Virginia Legislature.

STATE SONGS

"THE WEST VIRGINIA HILLS", "THIS IS MY WEST VIRGINIA" and "WEST VIRGINIA, MY HOME SWEET HOME" were designated as the official State Songs of West Virginia, each ranking equally with the others in official status, by House Concurrent Resolution No. 19, adopted by the Legislature on February 28, 1963.

OFFICIAL COLORS

OLD GOLD and BLUE were designated as Official State colors by Senate Concurrent Resolution No. 20, adopted by the Legislature on March 8, 1963.

STATE DAY

“West Virginia Day”

On January 1, 1863, President Abraham Lincoln approved the Statehood Bill for West Virginia on the condition that it would gradually abolish slavery. West Virginia was proclaimed a State on April 20, 1863, with the bill becoming effective sixty days later on June 20, 1863.

“West Virginia Day” became a legal holiday by Chapter 59, Acts of the Legislature, Regular Session, 1927. (Code 2-2-1)

STATE TREE

The Sugar Maple or ACER SACCHARUM, as it is known scientifically, was made West Virginia's official tree by House Concurrent Resolution No. 12, adopted by the Legislature on March 7, 1949, authorizing a vote by pupils of public schools and civic organizations. It produces an excellent wood for future as well as maple syrup. A single tree is 70 to 120 feet high and produces two to three pounds of sugar when “sugared off”; has a five-lobed leaf and produces a small wing-shaped pod.

STATE BIRD

The Cardinal or RICHMONDENA CARDINALIS, as it is known scientifically, was made West Virginia's official bird by House Concurrent Resolution No. 12, adopted by the Legislature on March 7, 1949, authorizing a vote by pupils of public schools and civic organizations. The male of the species is a rich scarlet with a mask and shading of black, while the young birds and females are a less brilliant color. The adult bird measures approximately eight inches long. It can be found from New York State to the Gulf of Mexico and as far west as Oklahoma.

STATE FLOWER

The RHODODENDRON MAXIMUM of “Big Laurel” was made the official State Flower of West Virginia by House Joint Resolution No. 19, adopted by the Legislature on January 29, 1903, following a recommendation by the Governor and a vote by the pupils of public schools. It is a shrub of the heath family and may be recognized by its large evergreen leaves and delicate pale pink or white bloom, mottled with either red or yellow flecks.

STATE ANIMAL

The BLACK BEAR or URSUS AMERICANUS was selected as the official State Animal of West Virginia by a poll of students, teachers and sportsmen conducted by the Department of Natural Resources in 1954-55 and officially adopted by the Legislature, Regular Session, 1973, by House Concurrent Resolution No. 6. It is the only species of bear found in the State. While commonly referred to as the “black bear” its coloring is actually deeply tinted with brown. Its habitat in the State is primarily in the eastern mountain region. A litter usually consists of one or two cubs, rarely three, each weighing about eight ounces at birth. The adult reaches an average maximum weight of 250 pounds.

STATE FISH

The BROOK TROUT was designated the State Fish by House Concurrent Resolution No. 6, adopted during the Regular Session, 1973, following a poll of sportsmen who favored the Brook Trout. The Brook Trout is a native West Virginia species.

STATE FRUIT

The GOLDEN DELICIOUS APPLE was designated as the official State Fruit by Senate Concurrent Resolution No. 7, adopted by the Legislature on February 20, 1995. This apple variety was discovered by Anderson Mullins in Clay County, West Virginia, in 1905. The plain apple had been previously designated as the official State Fruit by House Concurrent Resolution No. 56, adopted March 7, 1972.

STATE BUTTERFLY

The MONARCH BUTTERFLY was declared the official butterfly of West Virginia by Senate Concurrent Resolution No. 11, adopted by the Legislature on March 1, 1995.

STATE SOIL

The official State Soil was declared to be MONONGAHELA SILT LOAM by Senate Concurrent Resolution No. 5, adopted by the Legislature on April 2, 1997.

STATE INSECT

The HONEY BEE was declared the official insect of West Virginia by Senate Concurrent Resolution No. 9, adopted by the Legislature on March 7, 2002.

STATE PARKS AND FORESTS

WEST VIRGINIA'S RECREATION PARADISE

West Virginia's State Park and Forest System is a living legacy of recreation, cultural, and vacation opportunities for all citizens and for growing numbers of vacationers from other states. For the past 73 years, the system has been maintained and expanded to provide quality recreation that our citizens appreciate as a major ingredient of the "good life."

The system began in 1929 with the establishment of the site of a major state Civil War engagement, Droop Mountain, as the first state park area. Shortly afterwards, during the years of the Great Depression, major emphasis was placed on creation of a system of parks and vacation lands in the Mountain State. By the mid-1930's parks such as Cacapon, Lost River, Babcock, Holly River, and Watoga were begun. The development of vacation cabins, roads, trails, lakes and swimming pools was undertaken by the state, in cooperation with the old Civilian Conservation Corps (CCC) and the National Park Service. It was the beginning of the fine system that has continued to rank at the top nationally among state park facilities.

Vacation cabins became one of the most popular attractions from the first. To this day, most park and forest cabins are booked to capacity months before the traditional summer vacation season. Now, with the expansion of winter sports facilities, longer vacation periods, and public awareness of a four-season concept of recreation, cabins are filled at many parks year-round. Cabins, whether the old-time log style or of modern construction, provide quality family outdoor lodging as well as the perfect choice for those persons on a budget.

The greatest period of demand for recreational facilities followed World War II. While most states had the opportunity of developing a basic park system in the 1930's, only a very few, among them West Virginia, chose to expand and develop to meet the growing demand for more parks, more acres, and more facilities for their accommodation.

By the mid-1950's, the parks boasted of year-round public facilities, with the completion of dozens of modern cabins, and lodges at Blackwater Falls and Cacapon state parks. Funds to build these facilities came from the state's first revenue bond program, whereby money was borrowed for construction and repaid over a score of years from earnings through public rental.

Blackwater Falls State Park is a typical example. The region was ravaged in the early 1900's by logging, then by a series of disastrous forest fires, and further by exploitation and strip mining which occurred during the unregulated demand for coal during World War II. The lodge and 25 modern cabins formed the nucleus of a major state park, which preserved for all time the rich natural beauty of a portion of the deep gorge of Blackwater River, the famous falls of which are a natural landmark in West Virginia, and provided miles of trails for hiking and riding. By 1970, the park was one of the leading year-round facilities in the entire park system.

In the early 1960's the older, but highly popular, log vacation cabins throughout the park system which were largely constructed by hand as the final example of mountain skill at stonemasonry and log home building were totally remodeled. The biggest addition at this time was the construction of modern kitchens. Many state forest cabins were also upgraded in a similar manner, but at two forests—Kumbrabow and Seneca—the older facilities were left intact for those family visitors who wanted to share the traditional mountain heritage of kerosene lighting and water pumped from a well.

By 1963, it was evident that the emergence of the Appalachian region as a vacationland was only a matter of time. Demands on the public and private sector of recreation were unprecedented, but development had not occurred. Accordingly, an agreement was reached between the federal and state governments for a demonstration program. The multi-million dollar program was designed, in part, to demonstrate to the private sector that recreation was a major future source of jobs, and that this industry would eventually emerge as a major factor in the State's highlands region. The "State Parks for the 1970's" program, as it was termed, eventually added three new state parks to the system and provided for major expansion to three others.

By 1968, a major expansion program was completed at the Cass Scenic Railroad. This old logging line, remnant of thousands of miles of such railway which crisscrossed the mountains,

became a state park facility in 1961. From 1963 through 1967 it operated only on a four-mile segment. Beginning in 1968, as a result of renovation of trackage, the full 11 mile line to the area of Bald Knob (West Virginia's second highest point) was opened to public use. Additional public facilities included a 300-car parking lot. Funds to accomplish this project were borrowed and repaid through income from the sale of tickets to ride the old logging trains. Now the entire town of Cass is managed by the state, and 16 of the company houses have been restored and made into guest cabins.

Hawks Nest, a spectacular overlook high atop the famed New River Gorge, has long been one of the Mountain State's most popular park attractions. Under the "State Parks for the 1970's" program this park was greatly expanded. New facilities include a 31-room lodge overlooking the canyon, new overlook at Lovers' Leap, a boat dock on the lake at the bottom of the deep chasm, and a unique aerial cable tramway to carry visitors from the rim to the bottom of the gorge. In 2000, the 9-hole executive golf course near Gauley Bridge, once known as the Carbide Country Club, was extensively restored. In 2005, public boater's access was added.

Pipestem Resort State Park has become one of the leading state park recreational attractions in eastern America. Breathtaking in almost every dimension, Pipestem is set along a rolling plateau overlooking the rugged and undeveloped Bluestone River Gorge near Hinton and Princeton.

The park features two comfortable lodges—the 113-room McKeever Lodge perched on the edge of the river canyon and Mountain Creek Lodge, a secluded 30-room facility at the bottom of the deep gorge. The Mountain Creek facility is accessible only via the park's canyon aerial tramway system which sweeps over a thousand feet down into the valley from the visitor center. Conference facilities for 600 people are available at the McKeever Lodge.

Other recreational facilities include a challenging 18-hole championship golf course and an enjoyable par-3 course. Clubhouse facilities rank second to none and highlight golf as a major attraction of state parks.

The visitor center, also features a native West Virginia arts and crafts demonstration and sales center which is a major outlet for Appalachian crafts. Nearby is a 550-seat outdoor amphitheater where outdoor drama and music concerts are performed regularly, Olympic-size outdoor swimming pool, indoor swimming and saunas, and indoor recreation rooms.

Remaining major facilities include an overlook atop Pipestem Knob, highest peak of the region, an 82-unit, completely equipped campground, archery range, nature center, horse riding stable and the park information and headquarters building.

Twin Falls Resort, near Mullens and Pineville, provides year-round recreation in the state's southern highlands for the first time. The park features a 20-room guest lodge and 14 comfortable, heated guest cottages for year-round occupancy. Other highlights are an 18-hole regulation golf course, archery and a recreation center building that includes a large swimming pool.

Canaan Valley Resort, located in a deep, high mountain valley near Blackwater Falls State Park, is one of the premier winter sports centers in the east. The valley, which exceeds 3000 feet in average elevation, is surrounded by 4000-4500 foot high mountain peaks.

Accommodations available at Canaan Valley include a 250-room lodge, with deluxe conference center which offers a wide variety of meeting rooms, indoor pool and fitness area, restaurant with a seating capacity of 500 and gift shop, 24 modern cabins, and 34 deluxe campsites. The lodge overlooks the scenic valley and the park's 18-hole championship golf course.

The park's winter sports center includes miles of ski trails, most serviced by snow-making equipment. Another very popular facility located at the ski area is a tube park. One quad chair and two triple chair ski lifts are operated all winter and also in summertime as a scenic tourist attraction. The ski center includes a retail shop, restaurant, skiers' pub, lounge, and other public facilities.

West Virginia state parks provide a varied and widespread set of attractions statewide. The Cacapon Resort State Park 18-hole championship golf course is attracting thousands of golfers to this fine year-round eastern panhandle attraction. Eight year-round guest cabins, more campsites and handicapped hiking trails are available at North Bend, the State's major Ohio Valley parkland.

Of historical interest is the reconstruction of a grist mill on Glade Creek at Babcock State Park. The mill, completed in 1976, was created by combining parts and pieces from several old mills which once dotted the state. The basic structure of the mill, originally the Stoney Creek Grist Mill, was moved to Babcock from a spot near Campbelltown, Pocahontas County. From the Spring Run Grist mill near Petersburg, Grant County, the overshot water wheel was acquired; several other parts came from the Roaring Creek Grist Mill near Onego, Pendleton County. Cornmeal and buckwheat flour are ground at the Gladé Creek Mill and may be purchased there.

West Virginia frontier life of the late 1700's is the main attraction at Prickett's Fort State Park. The fort was reconstructed to look as it was believed to have looked in 1774, the date of its original completion. There are 16 one-room cabins, a meeting hall and storehouse within the fort, demonstrating the lifestyle of the settlers who relied upon the security of its sturdy walls to protect them from Indians. Visitors can view demonstrations of 18th Century crafts including open hearth cookery and baking; carding, spinning and weaving of wool; basket making, candle dipping and wood lye soap making; horn and leatherworking; gunsmithing, blacksmithing and coopering.

Other unique features of the park system are the Greenbrier River Trail and the North Bend Rail Trail. Though not actually referred to as a state park, the 1980 session of the West Virginia Legislature designated an abandoned rail-line of the Chesapeake and Ohio System, the Greenbrier River Trail, and allowed the Division of Parks and Recreation to acquire the land for the purpose of developing a hiking-biking trail. The rails and ties were removed, and 77 miles of the trail resurfaced with finely crushed limestone. As well as for backpacking and biking, the trail may be used as access to the Greenbrier River by fishermen and canoers, and as a cross-country ski trail in the winter. Motorized vehicles are not allowed. Camping areas, lean-to-shelters, water and sanitary facilities, and interpretive signing are being developed. The North Bend Rail Trail, designated in 1990, covers 72 miles from Parkersburg in Wood County to Wilsonburg in Harrison County.

By the end of 1999, another major phase of state park development was completed. This included new conference centers at Pipestem, Cacapon, and Blackwater Falls, 22 new cabins systemwide; three new swimming pools; new utility infrastructure; substantial building modifications to comply with the Americans with Disabilities Act; lake and pond sediment removal, dam repairs, and many other projects. All of this was financed by state lottery revenue bonds. In addition, a new conference center funded from this bond sale for Chief Logan State Park was completed in 2002.

Opening in 2001, Stonewall Jackson Resort is one of the newest entries into the West Virginia State Park system's menu of resort parks. This park is a major vacation complex complete with an Arnold Palmer signature golf course, 198 room hotel/conference complex, indoor/outdoor pool, day spa, full-service restaurant, lounge and 10 villas complete with a 374-slip marina, houseboat and pontoon rentals, boat rentals, snack bar/bait shop, hiking trails, picnic shelter and 34-site campground. Additional premier facilities added in 2004 included the golf clubhouse featuring Lightburn's Restaurant and an excursion boat which will accommodate 100 passengers for sightseeing or 66 for dinner cruises.

West Virginia's recreation system is a source of pride and enjoyment to West Virginians and other visitors. Millions of tourists visit West Virginia parks and forests each year for quality family recreation in the scenic outdoors.

ACCOMMODATIONS IN STATE PARKS AND FORESTS

LODGE AND CABIN RESERVATIONS

Lodge, cottage or cabin reservations may be made by calling or writing a park or forest directly or by calling (toll free) 1-800-CALL-WVA and requesting the park or forest of your choice. This toll free line may be used in West Virginia, any other state in the continental United States and Canadian provinces in the Eastern time zone and is open Monday from 8:00 a.m. to 6:00 p.m.; Saturday, 9:00 a.m. to 5:00 p.m.; and Sunday, closed, Eastern time, (most federal holidays excluded). Lodge and resort park reservations can be made online at the individual park website.

When making cabin reservations for four nights or more, a deposit of one half the rental fee is required with the remainder due upon arrival; the full rental fee is required for three nights or less. For any lodge room, the first night's charge is required as deposit. If you make your reservation by telephone, you will have ten days in which to make payment, unless it is a last minute reservation. In case of cancellations, deposits will be returned (except for a \$15 handling fee for cabins) if notice is given at least 30 days in advance for cabins and 48 hours in advance for lodge rooms. At Canaan Valley, 72 hours advance notice is required. All major credit cards are accepted. Not applicable at Stonewall Resort.

Only weekly cabin reservations are taken at most areas from the second Monday in June through Labor day. Some parks offer 3 and 4 night summer rentals. Contact the areas for more details. Weekend reservations in most of the more popular areas must be for a minimum of two days on the busier weekends.

U. S. DEPARTMENT OF AGRICULTURE

Forest Service

Monongahela National Forest

Headquarters: Elkins

The Monongahela National Forest was proclaimed by President Woodrow Wilson on April 28, 1920, under the Weeks Law. This law of 1911 provides for the cooperation by states with the United States, and the protection of watersheds of navigable streams. In West Virginia, the National Forest was established for flood protection in the Ohio and Potomac River valleys. It is one of a system of 156 National Forests. The Clark-McNary Act of June 7, 1924, broadened the objectives to provide for reforestation and production of timber. The Multiple Use Act of June 12, 1960, provides that National Forests shall be managed for outdoor recreation, range, timber, watershed, hunting and fishing. The Spruce Knob-Seneca Rocks National Recreation Area Act of September 28, 1965, established the 100,000 acre National Recreation Area on the Forest and authorized land acquisition and an accelerated program of outdoor recreation facilities. On January 3, 1975, Public Law 93-622 made Dolly Sods and Otter Creek parts of the National Wilderness Preservation System and the Monongahela National Forest became responsible for the management of these Wilderness Areas. On January 13, 1983, Public Law 97-466 added the Cranberry and Laurel Fork Wilderness Areas to the National Wilderness Preservation System.

The Forest and Rangeland Renewable Resources Planning Act of 1974 (the Resources Planning Act) authorized a national assessment of Forest resources and set up a system of long range plans to assure that the American People enjoy adequate supplies of water, recreation, forage, timber and wildlife in the decades ahead. The National Forest Management Act of 1976 strengthened the planning process and updated the authorization for resource management. The Forest is currently operated under the 1986 Forest Land Management Plan. The Plan is undergoing revision. The newly revised Plan is expected to be completed in 2006. Planning on the Monongahela National Forest is an interdisciplinary process that includes involvement of the public.

This public forest is dedicated to the long-term protection, development and management of all its resources.

Within the proclaimed boundary and authorized purchase units of the Monongahela National Forest there are 1,673,700 acres of which 919,128 are owned by the United States as of September, 2006. There are also 109 acres of other land acquired and administered as part of the National Forest. Directly in charge of the National Forest is the Forest Supervisor. In the National Forest are four Ranger Districts, each administered by a District Ranger.

National Forest acreage, by county, are:

| <i>County</i> | <i>Acres</i> <i>Monongahela N.F.</i> | <i>*Total National</i> <i>Forest Acres</i> |
|---------------------|---|---|

| Webster | 65,800 | 65,800 |
| TOTALS | 919,128 | 1,042,757 |

**MONONGAHELA NATIONAL FOREST
RECREATION ATTRACTIONS**

Special areas of interest include Seneca Rocks, a 900 foot Tuscorora Sandstone formation which rises above the North Fork Valley near the community of Seneca Rocks. Besides its appeal to sight-seers, Seneca Rocks is considered by many climbers to be the best rock climb in the East. The Seneca Rocks Discovery Center is located in the area along with picnic and camping facilities. Exhibits and programs are provided for public enjoyment at the Visitor Center.

Spruce Knob, the highest point in West Virginia, rises 4,861 feet above sea level. It is an area of windblown red spruce and rock outcrops and is accessible by road. It affords excellent views to the east and west. Visitors will enjoy the Spruce Knob Observation Tower and interpretive trail and nearby Spruce Knob Lake.

The Smoke Hole is a rugged scenic canyon through which the South Branch of the Potomac River flows for about 20 miles. Over half of the distance is flanked by a narrow scenic road. In the Smoke Hole are located the Big Bend Campground and the Smoke Hole picnic area.

The Dolly Sods Wilderness, 10,215 acres, is located in the northeastern portion of the Forest, and is comprised of the rich second-growth hardwood forests of the Red Creek drainage.

The Otter Creek Wilderness comprises 20,000 acres and is located in the northwestern section of the Forest. It includes almost the entire drainage of Otter Creek and contains rich hardwood stands intermingled with patches of red spruce and eastern hemlock. A large bog is also situated within the area.

The Laurel Fork Wilderness contains 12,200 acres in two sections north and south of the Laurel Fork Campground on the Greenbrier Ranger District. It includes the upper drainage area of the Laurel Fork and a rich northern hardwood forest.

The Cranberry Wilderness contains 35,600 acres and is located on the Gauley Ranger District. It is the largest Wilderness on the Monongahela National Forest and contains a rich mixture of hardwood trees interspersed with red spruce on the higher elevations.

The Cranberry Glades Botanical Area contains four bogs whose plant and animal life is similar to that found in the Canadian bogs or *Omuskegs* of the North. A boardwalk trail with interpretive signs has been constructed for visitor enjoyment and to protect the fragile ecology.

The Cranberry Mountain Nature Center is located a few miles from Cranberry Glades along the Highland Scenic Highway. Exhibits and programs are provided for the visitors' benefit.

Seneca Shadows Campground provides a wide variety of campsites, including electrical hookups. Located south of Seneca Rocks on Rt. 33.

Stuart Recreation Area, east of Elkins, contains extensive day use activities, including a swimming beach and pavilions, as well as a campground with electrical hookups.

The Gaudineer Scenic Area is a remnant of a vast virgin spruce forest. These spruce trees attain a height of 100 feet and grow to 35 inches in diameter. This 140 acre primeval stand is over 250 years old. Adjacent is the Gaudineer picnic area, located in a stand of second growth red spruce.

The Lake Sherwood Recreation Area contains a man-made lake covering 164 acres. In addition to camping and picnicking facilities, there is a boating site and rental boats, swim site with beach and bath house, and a network of hiking trails near the campground.

The Highland Scenic Highway runs from the outskirts of Richwood to U.S. Highway 219 at the top of Elk Mountain, a distance of about 45 miles. DEPARTMENT OF TAX AND REVENUE COLLECTION OF REVENUE

CORPORATION INCOME TAX

The West Virginia Corporation Net Income Tax, Chapter 11, Article 24, West Virginia Code of 1931, as amended, is a conformity statute which imposes a tax on the net income of corporations and similar business organizations. The tax rate is 8.75 percent. Being a statute correlated to the Federal Internal Revenue Code will simplify preparation of state corporation net income tax returns by taxpayers, improve enforcement and aid in interpretation of the law through increased use of federal judicial and administrative determinations and precedents.

The tax is paid in four equal installments, the taxpayers preparing an annual declaration of estimated tax and reconciling the same through the filing of an annual return. The due date of the declaration is the fifteenth day of the fourth month of the tax year. The following quarterly payments are due on the fifteenth day of the sixth, ninth and twelfth months of the taxable year. The annual return is due on the fifteenth day of the third month following the close of the taxable year.

BUSINESS FRANCHISE TAX

PERSONAL INCOME TAX

The West Virginia Personal Income Tax Act (West Virginia Code, Chapter 11, Article 21) was enacted by the 1961 Regular Session of the Legislature on February 10, 1961, and signed by the Governor on February 14, 1961. The provisions of the Act applied to all taxable years ending on or after December 31, 1961, including that part which elapsed prior to the effective date of the Act.

Description of the Tax. The West Virginia Income Tax Act imposes a personal income tax on the taxable income of all resident individuals, and resident estates and trust, irrespective of income derived from West Virginia sources. Corporations and partnerships are not subject to the West Virginia Personal Income Tax. A trust or other unincorporated organization which by reason of its activities is exempt from Federal Income Tax is also exempt from West Virginia Personal Income Tax.

The nature of the Act was to adopt for West Virginia Personal Income Tax the provision of the Federal Income Tax laws relating to the determination of income. As adopted, it can be stated that the West Virginia Income Tax Act is a conformity statute. The same general concepts of income, gain and loss are employed in the West Virginia Act as are employed in the Federal Income Tax Law. The

method used to make reference to the federal law is general in scope. With the exception of several modifications generally described hereinbelow, West Virginia adjusted gross income is Federal adjusted gross income. Amendments made to the Federal Income Tax Law which affect income, gain and loss are reflected in the West Virginia Tax Law by periodic legislative enactments. The conformity with the Federal Income Tax Law was adopted to simplify preparation of state income tax returns, to improve enforcement of the State Income Tax through better use of information obtained from federal income tax audits, and to aid interpretation of the state tax law through increased use of federal and administrative determinations and precedents.

Modifications to Income. West Virginia adjusted gross income is determined by applicable modifications increasing or decreasing Federal adjusted gross income. Among the modifications which reduce Federal adjusted gross income are items that benefit persons who are sixty-five years of age or older and individuals receiving benefits under certain retirement systems.

Deductions. There is no provision for either itemized or standard deductions in the West Virginia Personal Income Tax Law of 1987.

Personal Exemptions. An individual, resident or nonresident is allowed an exemption of \$2,000 for each exemption to which he is entitled for federal income tax purposes. A husband and wife who file a joint federal return but separate West Virginia returns may each claim only the exemptions to which he or she would have been entitled if separate federal returns had been filed. The exemption for an estate or trust is \$600. Persons claimed as dependents on another's return are allowed a \$500 exemption.

Low Income Exclusion. Individuals with federal adjusted gross income below \$10,000 (\$5,000 for married filing separate taxpayers) may exclude up to 100% of earned income from tax.

Rate of Tax. For all taxable years or portions thereof ending prior to January 1, 1963, the West Virginia Income Tax rate was six percent of the Federal Income Tax which would have been imposed on an identical amount of federal taxable income. For taxable years beginning on or after January 1, 1963, and before January 1, 1970, West Virginia Income Tax was imposed on West Virginia taxable income at rates graduated from 1.2% to 5.5%. For taxable years beginning on or after January 1, 1970, and before January 1, 1971, West Virginia Income Tax was imposed at rates graduated from 1.65% to 7.6%. For taxable periods beginning on or after January 1, 1971, and before April 1, 1983, West Virginia Income Tax was imposed at rates graduated from 2.1% to 9.6%. Effective April 1, 1983, the rates were changed to graduate from 2.1% to 13.0%. Between April 1, 1983, and June 30, 1985, a 12% surtax was imposed on all individuals, estates, trusts and heads of households with taxable incomes over \$10,000 and all married taxpayers filing jointly with taxable incomes over \$20,000. For taxable years beginning before January 1, 1983, the West Virginia Tax Act provided only two rate schedules; one for joint returns and one for individuals, estates, trusts and heads of households. For taxable years beginning on or after January 1, 1983, three rate schedules are provided; one for individuals, estates and trusts, one for joint returns and one for heads of households. Beginning on or after January 1, 1987, the West Virginia Income Tax rate graduated from 3.0% to 6.5%. Two rate schedules are provided: one for joint returns, individuals, heads of household, estates and trusts; and one for married taxpayers filing separate returns.

CONSUMERS SALES AND SERVICE TAX

The Consumers Sales and Service Tax, Chapter 11, Article 15, West Virginia Code of 1931, as amended, is a general sales tax that applies to all sales and leases of tangible personal property and the furnishing of certain service consummated within West Virginia for use, consumption or any other purpose. Services rendered by an employee to his employer; services furnished by public service businesses and professional or personal services are exempt. Most rentals, excluding those of real estate, are taxable as though they were sales. The measure of the tax is based upon the total sales price of all articles and services purchased during a particular transaction with the rate of tax being derived from a rounding methodology. For sales of food and food ingredients intended for human consumption (exclusive of prepared food, food sold in a heated state, or food sold with eating utensils) the value of the sale is multiplied by four percent. For all other sales, the six-percent tax rate is multiplied by price and rounded to the nearest cent based upon the third place decimal value. Third place decimal values equal to five or more are rounded up, and values equal to four or less are rounded down. For example, the application of the six-percent rate on \$12.92 yields \$0.775 [i.e., 77.5 cents], or a sales tax of 78 cents. However, the application of the six-percent rate on \$12.91 yields \$0.774 [i.e., 77.4 cents], or a sales tax of 77 cents. No tax applies to sales of eight cents or less.

The law provides that the vendor shall collect the tax due from the purchaser at the time of sale and that the purchaser shall pay such tax unless he presents to the vendor a properly executed certificate of exemption or his direct pay permit number. Should either party fail to comply with the law in this regard, the liability becomes a personal debt due the State, and if the taxpayer is an association or corporation, its officers are personally liable jointly and severally in case of default.

Consumers Sales Tax is to be paid by ultimate consumers; sellers collect the tax and remit their collections to the Tax Department. Only one collection of Consumers Sales Tax should occur in the channel from production to ultimate consumption for any consumer good or service. Any seller who fails to collect the Consumers Sales Tax must pay the tax himself unless the sale was exempt.

Exempt sales are three main types:

1. Exemption because of the nature of the buyer to whom the sale is made;
2. Exemption because of the nature of the article which is sold; and
3. Exemption because of the nature of the sale.

There are several distinct methods by which the exemptions must be claimed. Based on the method by which the exemption must be claimed, exemptions are categorized into three classifications: *Per se* exemptions, exemptions for which exemption certificates are required, and refundable exemptions.

"*Per se*" exemptions are those for which no separate exemption document is required as proof of the exempt status. The following sales and services are exempt "*per se*" from Consumers Sales Tax:
