

Public Submission to the West Virginia Legislature Joint Committee on Redistricting

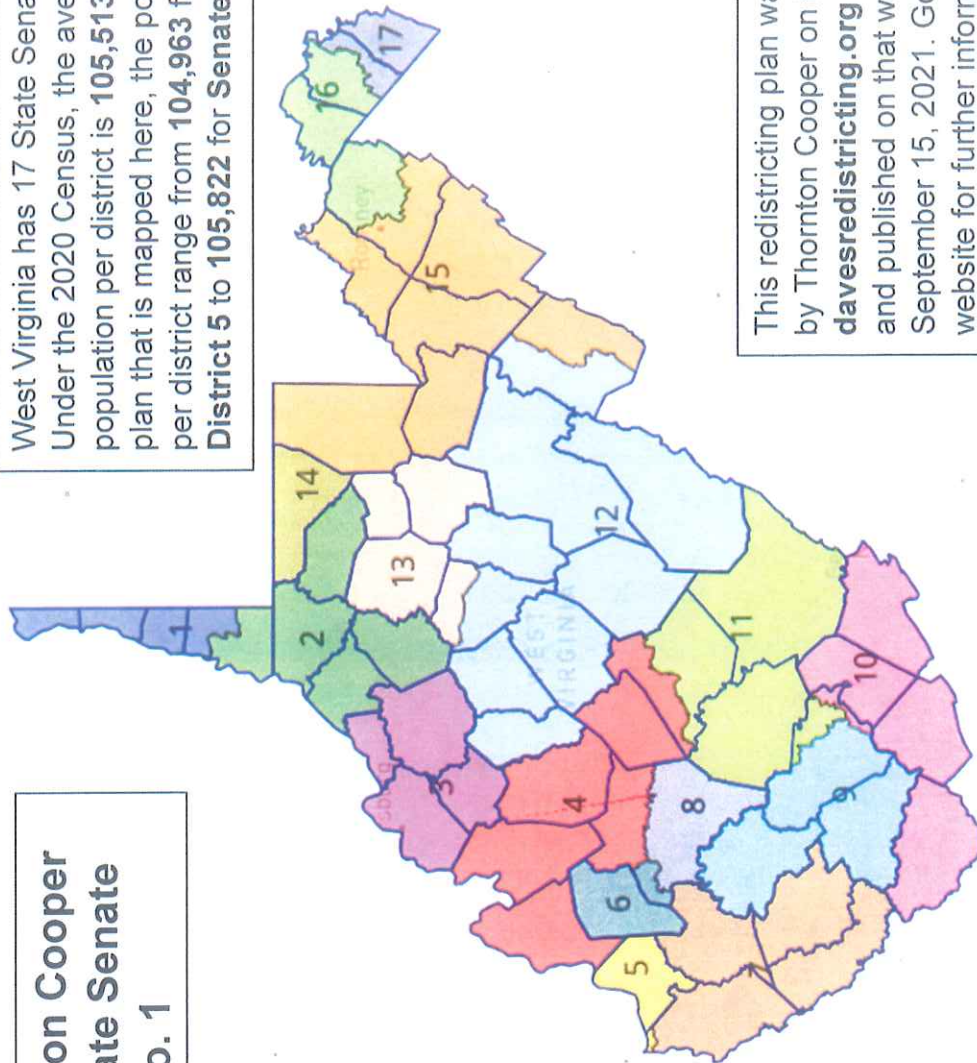

Date Document Received: September 16, 2021

Description: 1 Page

Disclaimer of Liability and Endorsement: The attached document was prepared by a private citizen or organization and submitted to the West Virginia Legislature Joint Committee on Redistricting as part of the information-gathering process. The views, content, and opinions expressed in this document are solely those of the third-party preparers and do not reflect the views, legal opinions, or in any way represent official action of the West Virginia Legislature Joint Committee on Redistricting, the West Virginia Senate, the West Virginia House of Delegates, the West Virginia Legislature, or their members (collectively, "the West Virginia Legislature"). The attached document is provided for information and convenience of the public. Reference to any specific redistricting plan, map, district, or process does not constitute endorsement or recommendation by the West Virginia Legislature. The West Virginia Legislature makes no claims, promises, guarantees, or warranties about the contents, errors, or omissions in the content of the attached document. The West Virginia Legislature expressly disclaims responsibility for the content of the attached document.

**Thornton Cooper
WV State Senate
Map No. 1**

West Virginia has 17 State Senate Districts. Under the 2020 Census, the average population per district is **105,513**. Under the plan that is mapped here, the populations per district range from **104,963** for **Senate District 5** to **105,822** for **Senate District 14**.

This redistricting plan was designed by Thornton Cooper on the davesredistricting.org website and published on that website on September 15, 2021. Go to that website for further information about this plan.
