11 AN ACT to amend and reenact §7-7-1 and §7-7-4 of the Code of West
12 Virginia, 1931, as amended, all relating to salaries for
13 elected county officials; providing for a salary increase for
14 elected county officials; finding that additional duties have
15 been imposed on county officials which justify the increased
16 compensation to prosecuting attorneys generally; and providing
17 that a prosecuting attorney for a class VI county which
18 subsequently becomes a class V county may remain part-time and
19 compensated at the class VI county level.

20 *Be it enacted by the Legislature of West Virginia:*

21 That §7-7-1 and §7-7-4 of the Code of West Virginia, 1931, as
22 amended, be amended and reenacted, all to read as follows:

23 **ARTICLE 7. COMPENSATION OF ELECTED COUNTY OFFICIALS.**

24 **§7-7-1. Legislative findings and purpose.**

25 (a) The Legislature finds that it has, since the first day of
26 January, two thousand three, consistently and annually imposed upon

1 the county commissioners, sheriffs, county and circuit clerks,
2 assessors and prosecuting attorneys in each county board, new and
3 additional duties by the enactment of new provisions and amendments
4 to this code. The new and additional duties imposed upon the
5 aforesaid county officials by these enactments are such that they
6 would justify the increases in compensation as provided in section
7 four of this article, without violating the provisions of section
8 thirty-eight, article VI of the Constitution of West Virginia.

9 (b) The Legislature further finds that there are, from time to
10 time, additional duties imposed upon all county officials through
11 the acts of the Congress of the United States and that such acts
12 constitute new and additional duties for county officials and, as
13 such, justify the increases in compensation as provided by section
14 four of this article, without violating the provisions of section
15 thirty-eight, article VI of the Constitution of West Virginia.

16 (c) The Legislature further finds that there is a direct
17 correlation between the total assessed property valuations of a
18 county on which the salary levels of the county commissioners,
19 sheriffs, county and circuit clerks, assessors and prosecuting
20 attorneys are based, and the new and additional duties that each of
21 these officials is required to perform as they serve the best
22 interests of their respective counties. Inasmuch as the
23 reappraisal of the property valuations in each county has now been
24 accomplished, the Legislature finds that a change in classification
25 of counties by virtue of increased property valuations will occur
26 on an infrequent basis. However, it is the further finding of the

1 Legislature that when such change in classification of counties
2 does occur, that new and additional programs, economic
3 developments, requirements of public safety and the need for new
4 services provided by county officials all increase, that the same
5 constitute new and additional duties for county officials as their
6 respective counties reach greater heights of economic development,
7 as exemplified by the substantial increases in property valuations
8 and, as such, justify the increases in compensation provided in
9 section four of this article, without violating the provisions of
10 section thirty-eight, article VI of the Constitution of West
11 Virginia.

12 (d) The Legislature further finds and declares that the
13 amendments enacted to this article are intended to modify the
14 provisions of this article so as to cause the same to be in full
15 compliance with the provisions of the Constitution of West Virginia
16 and to be in full compliance with the decisions of the Supreme
17 Court of Appeals of West Virginia.

18 **§7-7-4. Compensation of elected county officials and county**
19 **commissioners for each class of county; effective**
20 **date.**

21 (a) (1) All county commissioners shall be paid compensation
22 out of the county treasury in amounts and according to the schedule
23 set forth in subdivision (2) of this subsection for each class of
24 county as determined by the provisions of section three of this
25 article: *Provided*, That as to any county having a tribunal in lieu

12 without violating the provisions of section thirty-eight, article
13 VI of the Constitution of West Virginia.

14 (9) The Legislature further finds that the duties imposed upon
15 circuit clerks by the provisions of chapters sixty-one and one

6 rate of compensation as that of a prosecuting attorney in a Class

26 requirements must be met:

1 (A) The auditor has certified that the proposed annual county
2 budget for the fiscal year beginning the first days of July, two

3 certification was sought.

12 (8) Any county clerk, circuit clerk, joint clerk of the county
13 commission and circuit court, if any, county assessor or sheriff of
14 a Class I through Class V county, inclusive, any assessor or any
15 sheriff of a Class VI through Class IX county, inclusive, shall
16 devote full-time to his or her public duties to the exclusion of
17 any other employment: *Provided*, That any public official, whose
18 term of office begins when his or her county's classification
19 imposes no restriction on his or her outside activities, may not be
20 restricted on his or her outside activities during the remainder of
21 the term for which he or she is elected.

22 (9) In the case of a county that has a joint clerk of the
23 county commission and circuit court, the salary of the joint clerk
24 shall be fixed in an amount twenty-five percent higher than the
25 salary would be fixed for the county clerk if it had separate
26 offices of county clerk and circuit clerk.

1 (10) Any prosecuting attorney of a Class I through Class V
2 county, inclusive, shall devote full-time to his or her public
3 duties to the exclusion of any other employment: *Provided, That*
4 any county which under the prior provisions of this section was
5 classified as a Class II county and elected to maintain a part-time
6 prosecutor may continue to maintain a part-time prosecutor, until
7 such time as the county commission, on request of the part-time
8 prosecutor, approves and makes a finding, by proper order entered,
9 that the prosecuting attorney shall devote full-time to his or her
10 public duties. The county commission shall then compensate said
11 prosecutor at the same salary as that of a prosecuting attorney in
12 a Class V county: *Provided, however, That* any county which under
13 the prior provisions of this section was classified as a Class II
14 county and which did not elect to maintain a part-time prosecutor
15 shall maintain a full-time prosecuting attorney and shall
16 compensate said prosecuting attorney at the same salary as that of
17 a prosecuting attorney in a Class V county: *Provided further,*
18 *That,* until the first day of January, two thousand three, when a
19 vacancy occurs in the office of prosecuting attorney prior to the
20 end of a term, the county commission of a Class IV or Class V
21 county may elect to allow the position to become part-time for the
22 end of that term and thereafter the position of prosecuting
23 attorney shall become full-time: *And provided further, That* a
24 prosecuting attorney for a Class VI county which subsequently
25 becomes a Class V county on or before the first day of July, two
26 thousand ten, may continue as a part-time attorney, and continue to

1 be compensated at the Class VI county level, until such time as
2 determined by the prosecuting attorney and the county commission
3 that a full-time prosecuting attorney is needed.

4 (e) (1) The increased salaries to be paid to the county
5 commissioners and the other elected county officials described in
6 this subsection on and after the first day of July, two thousand
7 six, are set out in subdivisions (5) and (7) of this subsection.
8 Every county commissioner and elected county official in each
9 county, whose term of office commenced prior to or on or after the
10 first day of July, two thousand six, shall receive the same annual
11 salary by virtue of legislative findings of extra duties as set
12 forth in section one of this article.

13 (2) Before the increased salaries, as set out in subdivisions
14 (5) and (7) of this subsection, are paid to the county
15 commissioners and the elected county officials, the following
16 requirements must be met:

17 (A) The auditor has certified that the proposed annual county
18 budget for the fiscal year beginning the first days of July, two
19 thousand six, has increased over the previous fiscal year in an
20 amount sufficient for the payment of the increase in the salaries,
21 set out in subdivisions (5) and (7) of this subsection, and the
22 related employment taxes: *Provided*, That the auditor may not
23 approve the budget certification for any proposed annual county
24 budget containing anticipated receipts which are unreasonably
25 greater or lesser than that of the previous year. For purposes of
26 this subdivision, the term "receipts" does not include unencumbered

1 fund balance or federal or state grants; and

2 (B) Each county commissioner or other elected official
3 described in this subsection in office on the effective date of the
4 increased salaries provided by this subsection who desires to
5 receive the increased salary has prior to that date filed in the
6 office of the clerk of the county commission his or her written
7 agreement to accept the salary increase. The salary for the person
8 who holds the office of county commissioner or other elected
9 official described in this subsection who fails to file the written
10 agreement as required by this paragraph shall be the salary for
11 that office in effect immediately prior to the effective date of
12 the increased salaries provided by this subsection until the person
13 vacates the office or his or her term of office expires, whichever
14 first occurs.

15 (3) If there is an insufficient projected increase in revenues
16 to pay the increased salaries and the related employment taxes,
17 then the salaries of that county's elected officials and
18 commissioners shall remain at the level in effect at the time
19 certification was sought.

20 (4) In any county having a tribunal in lieu of a county
21 commission, the county commissioners of that county may be paid
22 less than the minimum salary limits of the county commission for
23 that particular class of the county.
