

1 machine extraction apparatus, including, but not limited to, long
2 wall sheers and cutter heads. The Office shall study the benefits
3 and appropriateness of requiring the installation of these devices,
4 to determine if there are safety benefits, and whether the Office
5 recommends to the Legislature that requirements regarding mandating
6 these devises in underground mines is warranted. The Office shall
7 report to the Legislature's Joint Committee on Government and
8 Finance by December 31, 2011 with recommendations regarding whether
9 it is appropriate to implement any requirements.
