82 as provided in subsection (a) of this section shall be
83 expended for awards and purses except as otherwise provided
84 in this section. Annually, the first \$800,000 shall be
85 available for distribution for a minimum of fourteen

90 races shall be weight for age. One of the stakes races shall be
91 the West Virginia Futurity and the second shall be the Frank
92 Gall Memorial Stakes. For the purpose of participating in the
93 West Virginia Futurity only, all mares, starting with the

94 breeding season beginning February 1 through July 31, 2004,
95 and each successive breeding season thereafter shall be bred
96 back that year to an accredited West Virginia stallion only

99 chosen by the committee set forth in subsection (f) of this
100 section.

101 (e) Awards and purses shall be distributed as follows:

102 (1) The breeders/raisers of accredited thoroughbred
103 horses that earn a purse at a participating West Virginia meet
104 shall receive a bonus award calculated at the end of the year
105 as a percentage of the fund dedicated to the breeders/raisers,
106 which shall be sixty percent of the fund available for
107 distribution in any one year. The total amount available for
108 the breeders'/raisers' awards shall be distributed according to
109 the ratio of purses earned by an accredited race horse to the
110 total amount earned in the participating races by all
111 accredited race horses for that year as a percentage of the
112 fund dedicated to the breeders/raisers. However, no

113 breeder/raiser may receive from the fund dedicated to
114 breeders'/raisers' awards an amount in excess of the earnings
115 of the accredited horse at West Virginia meets. In addition,
116 should a horse's breeder and raiser qualify for the same
117 award on the same horse, they will each be awarded one half
118 of the proceeds. The bonus referred to in this subdivision
119 may only be paid on the first \$100,000 of any purse and not
120 on any amounts in excess of the first \$100,000.

121 (2) The owner of an accredited West Virginia sire of an
122 accredited thoroughbred horse that earns a purse in any race
123 at a participating West Virginia meet shall receive a bonus
124 award calculated at the end of the year as a percentage of the
125 fund dedicated to sire owners, which shall be fifteen percent
126 of the fund available for distribution in any one year. The
127 total amount available for the sire owners' awards shall be
128 distributed according to the ratio of purses earned by the
129 progeny of accredited West Virginia stallions in the
130 participating races for a particular stallion to the total purses
131 earned by the progeny of all accredited West Virginia

132 stallions in the participating races. However, no sire owner
133 may receive from the fund dedicated to sire owners an
134 amount in excess of thirty-five percent of the accredited
135 earnings for each sire. The bonus referred to in this
136 subdivision shall only be paid on the first \$100,000 of any
137 purse and not on any amounts in excess of the first \$100,000.

138 (3) The owner of an accredited thoroughbred horse that
139 earns a purse in any participating race at a West Virginia
140 meet shall receive a restricted purse supplement award
141 calculated at the end of the year, which shall be twenty-five
142 percent of the fund available for distribution in any one year,
143 based on the ratio of the earnings in the races of a particular
144 race horse to the total amount earned by all accredited race
145 horses in the participating races during that year as a
146 percentage of the fund dedicated to purse supplements.
147 However, the owners may not receive from the fund
148 dedicated to purse supplements an amount in excess of
149 thirty-five percent of the total accredited earnings for each
150 accredited race horse. The bonus referred to in this

151 subdivision shall only be paid on the first \$100,000 of any
152 purse and not on any amounts in excess of the first \$100,000.

153 (4) In no event may purses earned at a meet held at a
154 track which did not make a contribution to the Thoroughbred
155 Development Fund out of the daily pool on the day the meet
156 was held qualify or count toward eligibility for an award
157 under this subsection.

158 (5) Any balance in the breeders/raisers, sire owners and
159 purse supplement funds after yearly distributions shall first
160 be used to fund the races established in subsection (f) of this
161 section. Any amount not so used shall revert into the general
162 account of the Thoroughbred Development Fund for each
163 racing association or licensee for distribution in the next year.

164 Distribution shall be made on the fifteenth day of each
165 February for the preceding year's achievements.

166 (f)(1) Each pari-mutuel thoroughbred horse track shall
167 provide at least one restricted race per racing day: *Provided,*
168 That sufficient horses and funds are available. For purposes
169 of this subsection, there are sufficient horses if there are at

170 least seven single betting interests received for the race:
171 *Provided further* That, if sufficient horses and funds are
172 available, any thoroughbred horse racetrack whose licensee
173 participated in the Thoroughbred Development Fund for at
174 least four consecutive calendar years prior to December 31,
175 1992, shall provide two restricted races per racing day, at
176 least one of which may be split at the discretion of the racing
177 secretary. The restricted race required by this section must
178 be included in the first nine races written in the condition
179 book for that racing day.

180 (2) The restricted races established in this subsection
181 shall be administered by a three-member committee at each
182 track consisting of:

183 (A) The racing secretary at each track;

184 (B) A member appointed by the authorized representative
185 of a majority of the owners and trainers at the thoroughbred
186 track; and

187 (C) A member appointed by the West Virginia
188 Thoroughbred Breeders Association.

189 (3) Restricted races shall be funded by each racing
190 association from:

191 (A) Moneys placed in the general purse fund: *Provided,*
192 That a thoroughbred horse racetrack which did not participate
193 in the West Virginia Thoroughbred Development Fund for a
194 period of more than four consecutive years prior to December
195 31, 1992, may fund restricted races in an amount not to
196 exceed \$1,000,000 per year.

197 (B) Moneys as provided in subdivision (5), subsection (e)
198 of this section, which shall be placed in a special fund called
199 the “West Virginia Accredited Race Fund”.

200 (4) The racing schedules, purse amounts and types of
201 races are subject to the approval of the West Virginia Racing
202 Commission.

203 (5) If less than seventy-five percent of the restricted races
204 required by this subsection fail to receive enough entries to
205 race, the Racing Commission shall, on a quarterly basis,
206 dedicate funds in each fund back to the general purse fund of
207 the racing association or licensee: *Provided,* That no moneys

208 may be dedicated back to a general purse fund if the
209 dedication would leave less than \$250,000 in the fund.

210 (g) As used in this section, “West Virginia bred-foal”
211 means a horse that was born in the State of West Virginia.

212 (h) To qualify for the West Virginia Accredited Race
213 Fund, the breeder must qualify under one of the following:

214 (1) The breeder of the West Virginia bred-foal is a West
215 Virginia resident;

216 (2) The breeder of the West Virginia bred-foal is not a
217 West Virginia resident, but keeps his or her breeding stock in
218 West Virginia year round; or

219 (3) The breeder of the West Virginia bred-foal is not a
220 West Virginia resident and does not qualify under
221 subdivision (2) of this subsection, but either the sire of the
222 West Virginia bred-foal is a West Virginia stallion, or the
223 mare is covered only by a West Virginia accredited stallion
224 or stallions before December 31 of the calendar year
225 following the birth of that West Virginia bred-foal.

226 (i) From July 1, 2001, West Virginia accredited
227 thoroughbred horses have preference for entry in all

228 accredited races at a thoroughbred race track at which the
229 licensee participates in the West Virginia Thoroughbred
230 Development Fund.

231 (j) Beginning July 1, 2006, any racing association
232 licensed by the Racing Commission to conduct thoroughbred
233 racing and permitting and conducting pari-mutuel wagering
234 under the provisions of this article must have a West Virginia
235 Thoroughbred Racing Breeders Program.
