20 precincts; providing an option to have more poll workers and  
21 commissioners; and permitting fewer poll workers in precincts

24 *Be it enacted by the Legislature of West Virginia:*

1 That §3-1-5 and §3-1-29 of the Code of West Virginia, 1931, as  
2 amended, be amended and reenacted, all to read as follows:

3 **ARTICLE 1. GENERAL PROVISIONS AND DEFINITIONS.**

4 **§3-1-5. Voting precincts and places established; number of voters**  
5 **in precincts; precinct map; municipal map.**

6 (a) The precinct ~~shall be~~ is the basic territorial election  
7 unit. The county commission shall divide each magisterial district  
8 of the county into election precincts, shall number the precincts,  
9 shall determine and establish the boundaries thereof and shall  
10 designate one voting place in each precinct, which place shall be  
11 established as nearly as possible at the point most convenient for  
12 the voters of the precinct. Each magisterial district shall contain  
13 at least one voting precinct and each precinct shall have but one  
14 voting place therein.

15 Each precinct within any urban center shall contain not less  
16 than three hundred nor more than one thousand five hundred  
17 registered voters. Each precinct in a rural or less thickly  
18 settled area shall contain not less than two hundred nor more than  
19 seven hundred registered voters~~7.~~ ~~unless upon a written finding by~~  
20 ~~the county commission that establishment of or retention of a~~  
21 ~~precinct of less than two hundred voters would prevent undue~~  
22 ~~hardship to the voters, the Secretary of State determines that such~~  
23 ~~precinct be exempt from the two hundred voter minimum limit. Upon~~  
24 a written finding by the county commission that establishment of or

1 retention of a precinct of less than the minimum numbers allowed in  
2 this subsection would prevent undue hardship to the voters, the  
3 Secretary of State may determine that the precinct be exempt from  
4 the minimum numbers allowed. If, at any time the number of  
5 registered voters exceeds the maximum number specified, the county  
6 commission shall rearrange the precincts within the political  
7 division so that the new precincts each contain a number of  
8 registered voters within the designated limits: Provided, That any  
9 precincts with polling places that are within a one mile radius of  
10 each other on or after July 1, 2012, may be consolidated, at the  
11 discretion of the county clerk and county commission, into one or  
12 more new precincts that contain not more than three thousand  
13 registered voters in any urban center, nor more than one thousand  
14 five hundred registered voters in a rural or less thickly settled  
15 area: Provided, however, That no precincts shall be consolidated  
16 pursuant to this section if the consolidation would create a  
17 geographical barrier or path of travel between voters in a precinct  
18 and their proposed new polling place that would create an undue  
19 hardship to voters of any current precinct.

20 If a county commission fails to rearrange the precincts as  
21 required, any qualified voter of the county may apply for a writ of  
22 mandamus to compel the performance of this duty: Provided, That  
23 when in the discretion of the county commission, there is only one  
24 place convenient to vote within the precinct and when there are

1 more than seven hundred registered voters within the existing  
2 precinct, the county commission may designate two or more precincts  
3 with the same geographic boundaries and which have voting places  
4 located within the same building. The county commission shall  
5 designate alphabetically the voters who ~~will be~~ are eligible to  
6 vote in each precinct so created. Each ~~such~~ precinct shall be  
7 operated separately and independently with separate voting booths,  
8 ballot boxes, election commissioners and clerks, and whenever  
9 possible, in separate rooms. No two of ~~such~~ the precincts may use  
10 the same counting board.

11 (b) In order to facilitate the conduct of local and special  
12 elections and the use of election registration records therein,  
13 precinct boundaries shall be established to coincide with the  
14 boundaries of any municipality of the county and with the wards or  
15 other geographical districts of the municipality except in  
16 instances where found by the county commission to be wholly  
17 impracticable so to do. Governing bodies of all municipalities  
18 shall provide accurate and current maps of their boundaries to the  
19 clerk of any county commission of a county in which any portion of  
20 the municipality is located.

21 (c) To facilitate the federal and state redistricting process,  
22 precinct boundaries ~~must~~ shall be comprised of intersecting  
23 geographic physical features or municipal boundaries recognized by  
24 the U. S. Census Bureau. For purposes of this subsection,

1 geographic physical features include streets, roads, streams,  
2 creeks, rivers, railroad tracks and mountain ridge lines. The  
3 county commission of every county ~~must~~ shall modify precinct  
4 boundaries to follow geographic physical features or municipal  
5 boundaries and submit changes to the ~~West Virginia Office of~~  
6 Legislative Services Division of the Joint Committee on Government  
7 and Finance by June 30, 2007, and by June 30, every ten calendar  
8 years thereafter. The county commission ~~must~~ shall also submit  
9 precinct boundary details to the U.S. Census Bureau upon request.

10 The ~~West Virginia Office of~~ Legislative Services Division of  
11 the Joint Committee on Government and Finance shall be available  
12 for consultation with the county commission regarding the precinct  
13 modification process: *Provided*, That nothing in this subsection  
14 removes or limits the ultimate responsibility of the county  
15 commission to modify precinct boundaries to follow geographic  
16 physical features.

17 ~~(d) The provisions of this section are subject to the~~  
18 ~~provisions of section twenty-eight, article four of this chapter~~  
19 ~~relating to the number of voters in precincts in which voting~~
