

Senate Bill No. 533

(By Senator Barnes)

[Introduced February 7, 2012; referred to the Committee on the
Judiciary.]

A BILL to amend and reenact §1-2-1 of the Code of West Virginia,
1931, as amended, relating to the state and its subdivisions;
apportionment of representation; and providing that the
Secretary of State may prohibit a person from filing a
certificate of candidacy for election to the Senate if filing
would violate the residency requirements of this section of
said code and may refuse to certify a person for the ballot or
subsequently remove that person from the ballot if that
person's certificate of candidacy for election to the Senate
violates the residency requirements of this section of said
code.

Be it enacted by the Legislature of West Virginia:

That §1-2-1 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 2. APPORTIONMENT OF REPRESENTATION.

1 **§1-2-1. Senatorial districts.**

2 (a) This section shall be known and may be cited as the Senate
3 Redistricting Act of 2011.

4 (b) As used in this section:

5 (1) "County" means the territory comprising a county of this
6 state as such county existed on January 1, 2010, notwithstanding
7 any boundary changes thereof made subsequent thereto;

8 (2) "Block" and "voting district" mean those geographic areas
9 as defined by the Bureau of the Census of the United States
10 Department of Commerce for the taking of the 2010 census of
11 population and described on census maps prepared by the Bureau of
12 the Census. Such maps are, at the time of this enactment,
13 maintained by the Bureau of the Census and filed in the
14 Redistricting Office of the Joint Committee on Government and
15 Finance;

16 (3) "Incumbent senator" means a senator elected at the general
17 election held in the year 2010 or at any general election
18 thereafter, with an unexpired term of at least two years in
19 duration.

20 (c) The Legislature recognizes that in dividing the state into
21 senatorial districts, the Legislature is bound not only by the
22 United States Constitution but also by the West Virginia
23 Constitution; that in any instance where the West Virginia
24 Constitution conflicts with the United States Constitution, the

1 United States Constitution must govern and control, as recognized
2 in section one, article I of the West Virginia Constitution; that
3 the United States Constitution, as interpreted by the United States
4 Supreme Court and other federal courts, requires State Legislatures
5 to be apportioned so as to achieve equality of population as near
6 as is practicable, population disparities being permissible where
7 justified by rational state policies; and that the West Virginia
8 Constitution requires two senators to be elected from each
9 senatorial district for terms of four years each, one such senator
10 being elected every two years, with one half of the senators being
11 elected biennially, and requires senatorial districts to be
12 compact, formed of contiguous territory and bounded by county
13 lines. The Legislature finds and declares that it is not possible
14 to divide the state into senatorial districts so as to achieve
15 equality of population as near as is practicable as required by the
16 United States Supreme Court and other federal courts and at the
17 same time adhere to all of these provisions of the West Virginia
18 Constitution; but that, in an effort to adhere as closely as
19 possible to all of these provisions of the West Virginia
20 Constitution, the Legislature, in dividing the state into
21 senatorial districts, as described and constituted in subsection
22 (d) of this section, has:

23 (1) Adhered to the equality of population concept, while at
24 the same time recognizing that from the formation of this state in

1 the year 1863, each Constitution of West Virginia and the statutes
2 enacted by the Legislature have recognized political subdivision
3 lines and many functions, policies and programs of government have
4 been implemented along political subdivision lines;

5 (2) Made the senatorial districts as compact as possible,
6 consistent with the equality of population concept;

7 (3) Formed the senatorial districts of "contiguous territory"
8 as that term has been construed and applied by the West Virginia
9 Supreme Court of Appeals;

10 (4) Deviated from the long-established state policy,
11 recognized in subdivision (1) above, by crossing county lines only
12 when necessary to ensure that all senatorial districts were formed
13 of contiguous territory or when adherence to county lines produced
14 unacceptable population inequalities and only to the extent
15 necessary in order to maintain contiguity of territory and to
16 achieve acceptable equality of population; and

17 (5) Also taken into account in crossing county lines, to the
18 extent feasible, the community of interests of the people involved.

19 (d) The Senate shall be composed of thirty-four senators, one
20 senator to be elected at the general election to be held in the
21 year 2012, and biennially thereafter for a four-year term from each
22 of the senatorial districts hereinafter in this subsection

19 (e) The West Virginia Constitution further provides, in
20 section four, article VI thereof, that where a senatorial district
21 is composed of more than one county, both senators for such
22 district shall not be chosen from the same county, a residency
23 dispersal provision which is clear with respect to senatorial
24 districts which follow county lines, as required by such

1 Constitution, but which is not clear in application with respect to
2 senatorial districts which cross county lines. However, in an
3 effort to adhere as closely as possible to the West Virginia
4 Constitution in this regard, the following additional provisions,
5 in furtherance of the rationale of such residency dispersal
6 provision and to give meaning and effect thereto, are hereby
7 established:

8 (1) With respect to a senatorial district which is composed of
9 one or more whole counties and one or more parts of another county
10 or counties, no more than one senator shall be chosen from the same
11 county or part of a county to represent such senatorial district;

12 (2) With respect to a senatorial district which does not
13 contain any whole county but only parts of two or more counties, no
14 more than one senator shall be chosen from the same part to
15 represent such senatorial district; and

16 (3) With respect to superimposed senatorial districts which
17 contain only one whole county, all senators shall be chosen from
18 such county to represent such senatorial districts.

19 (f) Candidates for the Senate shall be nominated as provided
20 in section four, article five, chapter three of this code, except
21 that such candidates shall be nominated in accordance with the
22 residency dispersal provisions specified in section four, article
23 VI of the West Virginia Constitution and the additional residency
24 dispersal provisions specified in subsection (e) of this section.

1 Candidates for the Senate shall also be elected in accordance with
2 the residency dispersal provisions specified in said section and
3 the additional residency dispersal provisions specified in
4 subsection (e) of this section. In furtherance of the foregoing
5 provisions of this subsection, no person may file a certificate of
6 candidacy for election from a senatorial district described and
7 constituted in subsection (d) of this section if he or she resides
8 in the same county and the same such senatorial district wherein
9 also resides an incumbent senator, whether the senatorial district
10 wherein such incumbent senator resides was described and
11 constituted by chapter ten, Acts of the Legislature, Fifth
12 Extraordinary Session 2001, or was described and constituted in
13 subsection (d) of this section or its immediately prior enactment.
14 The Secretary of State may prohibit a person from filing a
15 certificate of candidacy for election to the Senate if filing would
16 violate this subsection. Also, the Secretary of State may refuse to
17 certify a person for the ballot or subsequently remove that person
18 from the ballot if that person's certificate of candidacy for
19 election to the Senate violates this subsection. Any vacancy in a
20 nomination shall be filled, any appointment to fill a vacancy in
21 the Senate shall be made and any candidates in an election to fill
22 a vacancy in the Senate shall be chosen so as to be consistent with
23 the residency dispersal provisions specified in section four,
24 article VI of the West Virginia Constitution and the additional

1 residency dispersal provisions specified in subsection (e) of this
2 section.

3 (g) Regardless of the changes in senatorial district
4 boundaries made by the provisions of subsection (d) of this
5 section, all senators elected at the general election held in the
6 year 2008 and at the general election held in the year 2010 shall
7 continue to hold their seats as members of the Senate for the term,
8 and as representatives of the senatorial district, for which each
9 thereof, respectively, was elected. Any appointment made or
10 election held to fill a vacancy in the Senate shall be for the
11 remainder of the term and as a representative of the senatorial
12 district, for which the vacating senator was elected or appointed,
13 and any such election shall be held in the district as the same was
14 described and constituted at the time the vacating senator was
15 elected or appointed.

16 (h) The Secretary of State may promulgate rules and
17 regulations to implement the provisions of this section, including
18 emergency rules and regulations promulgated pursuant to the
19 provisions of section five, article three, chapter twenty-nine-a of
20 this code.

NOTE: The purpose of this bill is to provide that the Secretary of State may prohibit a person from filing a certificate of candidacy for election to the Senate if filing would violate the residency requirements of this section of said code and may refuse to certify a person for the ballot or subsequently remove that

person from the ballot if that person's certificate of candidacy for election to the Senate violates the residency requirements of this section of the code.
