11 December 31, 1992. The weights for all accredited stakes races
12 shall be weight for age. One of the stakes races shall be the West
13 Virginia Futurity and the second shall be the Frank Gall Memorial

15 Futurity only, all mares, starting with the breeding season
16 beginning February 1 through July 31, 2004, and each successive

2 receive a bonus award calculated at the end of the year as a
3 percentage of the fund dedicated to the breeders/raisers, which
4 shall be sixty percent of the fund available for distribution in
5 any one year. The total amount available for the breeders'/raisers'
6 awards shall be distributed according to the ratio of purses earned
7 by an accredited race horse to the total amount earned in the
8 participating races by all accredited race horses for that year as
9 a percentage of the fund dedicated to the breeders/raisers.
10 However, no breeder/raiser may receive from the fund dedicated to
11 breeders'/raisers' awards an amount in excess of the earnings of
12 the accredited horse at West Virginia meets. In addition, should
13 a horse's breeder and raiser qualify for the same award on the same
14 horse, they will each be awarded one half of the proceeds. The
15 bonus referred to in this subdivision may only be paid on the first
16 \$100,000 of any purse and not on any amounts in excess of the first
17 \$100,000.

18 (2) The owner of an accredited West Virginia sire of an
19 accredited thoroughbred horse that earns a purse in any race at a
20 participating West Virginia meet shall receive a bonus award
21 calculated at the end of the year as a percentage of the fund
22 dedicated to sire owners, which shall be fifteen percent of the
23 fund available for distribution in any one year. The total amount

1 available for the sire owners' awards shall be distributed
2 according to the ratio of purses earned by the progeny of
3 accredited West Virginia stallions in the participating races for
4 a particular stallion to the total purses earned by the progeny of
5 all accredited West Virginia stallions in the participating races.
6 However, no sire owner may receive from the fund dedicated to sire
7 owners an amount in excess of thirty-five percent of the accredited
8 earnings for each sire. The bonus referred to in this subdivision
9 shall only be paid on the first \$100,000 of any purse and not on
10 any amounts in excess of the first \$100,000.

11 (3) The owner of an accredited thoroughbred horse that earns
12 a purse in any participating race at a West Virginia meet shall
13 receive a restricted purse supplement award calculated at the end
14 of the year, which shall be twenty-five percent of the fund
15 available for distribution in any one year, based on the ratio of
16 the earnings in the races of a particular race horse to the total
17 amount earned by all accredited race horses in the participating
18 races during that year as a percentage of the fund dedicated to
19 purse supplements. However, the owners may not receive from the
20 fund dedicated to purse supplements an amount in excess of thirty-
21 five percent of the total accredited earnings for each accredited
22 race horse. The bonus referred to in this subdivision shall only
23 be paid on the first \$100,000 of any purse and not on any amounts

1 in excess of the first \$100,000.

2 (4) In no event may purses earned at a meet held at a track
3 which did not make a contribution to the Thoroughbred Development
4 Fund out of the daily pool on the day the meet was held qualify or
5 count toward eligibility for an award under this subsection.

6 (5) Any balance in the breeders/raisers, sire owners and purse
7 supplement funds after yearly distributions shall first be used to
8 fund the races established in subsection (f) of this section. Any
9 amount not so used shall revert into the general account of the
10 Thoroughbred Development Fund for each racing association or
11 licensee for distribution in the next year.

12 Distribution shall be made on February 15 for the preceding
13 year's achievements.

14 (f) (1) Each pari-mutuel thoroughbred horse track shall
15 provide at least one restricted race per racing day: *Provided,*
16 That sufficient horses and funds are available. For purposes of
17 this subsection, there are sufficient horses if there are at least
18 seven single betting interests received for the race: *Provided,*
19 *however,* That if sufficient horses and funds are available, any
20 thoroughbred horse racetrack whose licensee participated in the
21 Thoroughbred Development Fund for at least four consecutive
22 calendar years prior to December 31, 1992, shall provide ~~two~~ three
23 restricted races per racing day, at least one of which may be split

1 at the discretion of the racing secretary: Provided further, That
2 any thoroughbred horse racetrack whose current or former licensee
3 or combination thereof participated in the Thoroughbred Development
4 Fund for at least four consecutive calendar years prior to December
5 31, 1992 is not required to provide two restricted races per racing
6 day under this subsection on a racing day in which the racetrack
7 provides two or more accredited stakes races as established in
8 subsection (d) of this section or West Virginia thoroughbred
9 breeders classic stakes races as established in paragraph (1) ,
10 subsection (b), section thirteen-c of this article. The restricted
11 race required by this section must be included in the first nine
12 races written in the condition book for that racing day.

13 (2) The restricted races established in this subsection shall
14 be administered by a three-member committee at each track
15 consisting of:

16 (A) The racing secretary at each track;

17 (B) A member appointed by the authorized representative of a
18 majority of the owners and trainers at the thoroughbred track; and

19 (C) A member appointed by the West Virginia Thoroughbred
20 Breeders Association.

21 (3) Restricted races shall be funded by each racing
22 association from:

23 (A) Moneys placed in the general purse fund: *Provided, That*

1 a thoroughbred horse racetrack which did not participate in the
2 West Virginia Thoroughbred Development fund for a period of more
3 than four consecutive years prior to December 31, 1992, may fund
4 restricted races in an amount not to exceed \$1 million per year.

5 (B) Moneys as provided in subdivision (5), subsection (e) of
6 this section, which shall be placed in a special fund called the
7 "West Virginia Accredited Race Fund".

8 (4) If a thoroughbred wins a restricted race established in
9 this subsection or an accredited stakes race established in
10 subsection (d) of this section or a West Virginia thoroughbred
11 breeders classic stakes race established in paragraph (1),
12 subsection (b), section thirteen-c of this article, the win shall
13 not be considered in determining eligibility and weights for open
14 races, except for maiden races, run at thoroughbred horse
15 racetracks in this state.

16 ~~(4)~~ (5) The racing schedules, purse amounts and types of races
17 are subject to the approval of the West Virginia Racing Commission.

18 ~~(5)~~ (6) If less than ~~seventy-five~~ fifty percent of the
19 restricted races required by this subsection fail to receive enough
20 entries to race, the racing commission shall, on a quarterly basis,
21 dedicate funds in each fund back to the general purse fund of the
22 racing association or licensee: *Provided*, That no moneys may be
23 dedicated back to a general purse fund if the dedication would

1 leave less than \$250,000 in the fund.

2 (g) As used in this section, "West Virginia bred-foal" means
3 a horse that was born in the State of West Virginia.

4 (h) To qualify for the West Virginia Accredited Race Fund, the
5 breeder must qualify under one of the following:

6 (1) The breeder of the West Virginia bred-foal is a West
7 Virginia resident;

8 (2) The breeder of the West Virginia bred-foal is not a West
9 Virginia resident, but keeps his or her breeding stock in West
10 Virginia year round; or

11 (3) The breeder of the West Virginia bred-foal is not a West
12 Virginia resident and does not qualify under subdivision (2) of
13 this subsection, but either the sire of the West Virginia bred-foal
14 is a West Virginia stallion, or the mare is covered only by a West
15 Virginia accredited stallion or stallions before December 31 of the
16 calendar year following the birth of that West Virginia bred-foal.

17 (i) From July 1, 2001, West Virginia accredited thoroughbred
18 horses have preference for entry in all accredited races at a
19 thoroughbred race track at which the licensee participates in the
20 West Virginia Thoroughbred Development Fund.

21 (j) Beginning July 1, 2006, any racing association licensed by
22 the racing commission to conduct thoroughbred racing and permitting
23 and conducting pari-mutuel wagering under the provisions of this

1 article must have a West Virginia Thoroughbred Racing Breeders
2 Program.

NOTE: The purpose of this bill is to increase opportunities for West Virginia accredited thoroughbred racehorses at any thoroughbred racetrack that participated in the West Virginia Thoroughbred Development Fund for at least four consecutive years prior to December 31,1992, by adding one West Virginia accredited race per day and having West Virginia accredited races not count in condition eligibility for open races at that thoroughbred racetrack. The economic advantages for passing this bill include increasing value for all accredited West Virginia racehorses. The cost of implementation of this legislation is minimal.
