from receiving that credit.

*Be it enacted by the Legislature of West Virginia:*

(a) (1) ~~The Legislature recognizes the men and women of this  
state who have served in the Armed Forces of the United States  
during times of war, conflict and danger. It is the intent of this  
section to confer military service credit upon persons who are~~

1 eligible at any time for public employees retirement benefits for  
2 any time served in active duty in the Armed Forces of the United  
3 States. ~~when the duty was during any period of compulsory military~~  
4 ~~service or during a period of armed conflict, as defined in this~~  
5 ~~section.~~

6 (2) In addition to any benefit provided by federal law, any  
7 member of the retirement system who has previously served in or  
8 enters the active service of the Armed Forces of the United States  
9 during any period of ~~compulsory military service or during a period~~  
10 ~~of armed conflict~~ shall receive credited service for the time spent  
11 in the Armed Forces of the United States, not to exceed five years  
12 if the member:

13 (A) Has been honorably discharged from the Armed Forces; and

14 (B) Substantiates by appropriate documentation or evidence his  
15 or her active military service. ~~and entry into military service~~  
16 ~~during any period of compulsory military service or during periods~~  
17 ~~of armed conflict.~~

18 (3) Any member of the retirement system who enters the active  
19 service of the Armed Forces of the United States ~~during any period~~  
20 ~~of compulsory military service or during a period of armed conflict~~  
21 shall receive the credit provided by this section regardless of  
22 whether he or she was a public employee at the time of entering the  
23 military service.

24 (4) If a member of the Public Employees Retirement System

1 enters the active service of the United States ~~and serves during~~  
2 ~~any period of compulsory military service or during any period of~~  
3 ~~armed conflict,~~ during the period of ~~the armed~~ service and until  
4 the member's return to the employ of a participating public  
5 employer, the member's contributions to the retirement system is  
6 suspended and any credit balance remaining in the member's deposit  
7 fund shall be accumulated at regular interest: *Provided, That*  
8 notwithstanding any provision in this article to the contrary, if  
9 an employee of a participating political subdivision serving in the  
10 military service ~~during any period of compulsory military service~~  
11 ~~or armed conflict~~ has accumulated credited service prior to the  
12 last entry into military service, in an amount that, added to the  
13 time in active military service while an employee equals nine or  
14 more years, and the member is unable to resume employment with a  
15 participating employer upon completion of duty due to death during  
16 or as a result of active service, all time spent in active military  
17 service, up to and including a total of five years, is considered  
18 to be credited service and death benefits are vested in the member.  
19 ~~*Provided, however, That the active service during the time the*~~  
20 ~~member is an employee must be as a result of an order or call to~~  
21 ~~duty, and not as a result of volunteering for assignment or~~  
22 ~~volunteering to extend the time in service beyond the time required~~  
23 ~~by order or call.~~

24 (5) No member may receive duplicate credit for service. ~~for a~~

1 ~~period of compulsory military service which falls under a period of~~  
2 ~~armed conflict.~~

3 (6) In any case of doubt as to the period of service to be  
4 credited a member under the provisions of this section, the board  
5 of trustees have final power to determine the period.

6 ~~(7) The Board may consider a petition by any member whose tour~~  
7 ~~of duty, in a territory that would reasonably be considered hostile~~  
8 ~~and dangerous, was extended beyond the period in which an armed~~  
9 ~~conflict was officially recognized, if that tour of duty commenced~~  
10 ~~during a period of armed conflict, and the member was assigned to~~  
11 ~~duty stations within the hostile territory throughout the period~~  
12 ~~for which service credit is being sought. The Board has the~~  
13 ~~authority to evaluate the facts and circumstances peculiar to the~~  
14 ~~petition, and rule on whether granting service credit for the~~  
15 ~~extended tour of duty is consistent with the objectives of this~~  
16 ~~article. In that determination, the board may grant full credit~~  
17 ~~for the period under petition subject to the limitations otherwise~~  
18 ~~applicable, or to grant credit for any part of the period as the~~  
19 ~~board considers appropriate, or to deny credit altogether.~~

20 ~~(8)~~ (7) The Board of Trustees may propose legislative rules  
21 for promulgation in accordance with the provisions of article
