9  
10 A BILL to amend and reenact §19-12E-5 of the Code of West Virginia,  
11 1931, as amended, relating to removing the provision that  
12 requires an applicant to meet federal requirements concerning  
13 the production, distribution and sale of industrial hemp prior  
14 to being licensed to grow hemp for industrial purposes in the  
15 state.

16 *Be it enacted by the Legislature of West Virginia:*

17 That §19-12E-5 of the Code of West Virginia, 1931, as amended,  
18 be amended and reenacted to read as follows:

19 **ARTICLE 12E. INDUSTRIAL HEMP DEVELOPMENT ACT.**

20 **§19-12E-5. Industrial hemp - licensing.**

21 (a) A person growing industrial hemp for commercial purposes  
22 shall apply to the commissioner for license on a form prescribed by  
23 the commissioner.

24 (b) The application for a license must include the name and  
25 address of the applicant and the legal description of the land area

1 to be used for the production of industrial hemp.

2 (c) The commissioner shall require each first-time applicant  
3 for a license to file a set of the applicant's fingerprints, taken  
4 by a law-enforcement officer, and any other information necessary  
5 to complete a statewide and nationwide criminal history check with  
6 the criminal investigation bureau of the department of justice for  
7 state processing and with the federal Bureau of Investigation for  
8 federal processing. All of the costs associated with the criminal  
9 history check are the responsibility of the applicant. Criminal  
10 history records provided to the department under this section are  
11 confidential. The commissioner may use the records only to  
12 determine if an applicant is eligible to receive a license for the  
13 production of industrial hemp.

14 ~~(d) Prior to issuing a license under the provisions of this~~  
15 ~~article, the commissioner shall determine that the applicant has~~  
16 ~~complied with all applicable requirements of the United States~~  
17 ~~department of justice, drug enforcement administration for the~~  
18 ~~production, distribution and sale of industrial hemp.~~

19 ~~(e)~~ (d) If the applicant has completed the application process  
20 to the satisfaction of the commissioner, the commissioner shall  
21 issue the license which is valid until December 31, of the year of  
22 application. An individual licensed under this section is presumed  
23 to be growing industrial hemp for commercial purposes.

NOTE: The purpose of this bill is to remove the provision that requires an applicant to meet federal requirements concerning the production, distribution and sale of industrial hemp prior to being licensed to grow hemp for industrial purposes in the state.

Strike-throughs indicate language that would be stricken from the present law, and underscoring indicates new language that would be added.
