10 A BILL to amend the Code of West Virginia, 1931, as amended, by
11 adding thereto a new section, designated §30-7-21, relating to
12 allowing the mandatory federal background check of registered
13 professional nurses to be done by a name search after two sets
14 of fingerprints are rejected as unreadable.

15 *Be it enacted by the Legislature of West Virginia:*

16 That the Code of West Virginia, 1931, as amended, be amended
17 by adding thereto a new section, designated §30-7-21, to read as
18 follows:

19 **ARTICLE 7A. PRACTICAL NURSES.**

20 **§30-7-21. Federal background check by name search permitted if two**
21 **sets of fingerprints rejected as unreadable.**

22 A person seeking to be licensed as a registered professional
23 nurse may have the required federal background check completed
24 based on a name search after two sets of fingerprints have been
25 rejected as unreadable.

NOTE: The purpose of this bill is to permit the federal background check mandated for licensing registered professional nurses to be completed based on a name search after two sets of fingerprints have been rejected as unreadable.

This section is new; therefore, it has been completely underscored.
