7 **ARTICLE 1C. INTERSTATE MEDICAL LICENSURE COMPACT.**

8 **§30-1C-1. Purpose.**

9           In order to strengthen access to health care, and in recognition of the advances in the delivery  
10 of health care, the member states of the Interstate Medical Licensure Compact have allied in  
11 common purpose to develop a comprehensive process that complements the existing licensing and  
12 regulatory authority of state medical boards, provides a streamlined process that allows physicians  
13 to become licensed in multiple states, thereby enhancing the portability of a medical license and  
14 ensuring the safety of patients. The Compact creates another pathway for licensure and does not  
15 otherwise change a state's existing medical practice statutes. The Compact also adopts the prevailing  
16 standard for licensure and affirms that the practice of medicine occurs where the patient is located  
17 at the time of the physician-patient encounter, and therefore, requires the physician to be under the  
18 jurisdiction of the state medical board where the patient is located.

19           State medical boards that participate in the Compact retain the jurisdiction to impose an  
20 adverse action against a license to practice medicine in that state issued to a physician through the  
21 procedures in the Compact.

14 member boards shall be suspended, automatically and immediately without further action necessary  
15 by the other member boards, for ninety days upon entry of the order by the disciplining board, to

17 that state. A member board may terminate the automatic suspension of the license it issued prior to  
18 the completion of the ninety day suspension period in a manner consistent with the Medical Practice  
19 Act of that state.

14 act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred,  
15 within the scope of Interstate Commission employment, duties, or responsibilities; provided that such  
16 person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the  
17 intentional or willful and wanton misconduct of such person.

18 (1) The liability of the executive director and employees of the Interstate Commission or  
19 representatives of the Interstate Commission, acting within the scope of such person's employment  
20 or duties for acts, errors, or omissions occurring within such person's state, may not exceed the limits  
21 of liability set forth under the Constitution and laws of that state for state officials, employees, and  
22 agents. The Interstate Commission is considered to be an instrumentality of the states for the

1 purposes of any such action. Nothing in this subsection may be construed to protect such person from  
2 suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton  
3 misconduct of such person.

4 (2) The Interstate Commission shall defend the executive director, its employees, and subject  
5 to the approval of the Attorney General or other appropriate legal counsel of the member state  
6 represented by an Interstate Commission representative, shall defend such Interstate Commission  
7 representative in any civil action seeking to impose liability arising out of an actual or alleged act,  
8 error or omission that occurred within the scope of Interstate Commission employment, duties or  
9 responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope  
10 of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged  
11 act, error, or omission did not result from intentional or willful and wanton misconduct on the part  
12 of such person.

13 (3) To the extent not covered by the state involved, member state, or the Interstate  
14 Commission, the representatives or employees of the Interstate Commission shall be held harmless  
15 in the amount of a settlement or judgment, including attorney's fees and costs, obtained against such  
16 persons arising out of an actual or alleged act, error, or omission that occurred within the scope of  
17 Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable  
18 basis for believing occurred within the scope of Interstate Commission employment, duties, or  
19 responsibilities, provided that the actual or alleged act, error, or omission did not result from  
20 intentional or willful and wanton misconduct on the part of such persons.

21 **§30-1C-15. Rule making functions of the Interstate Commission.**

22 (a) The Interstate Commission shall promulgate reasonable rules in order to effectively and

1 efficiently achieve the purposes of the Compact. Notwithstanding the foregoing, in the event the  
2 Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the  
3 purposes of the Compact, or the powers granted hereunder, then such an action by the Interstate  
4 Commission shall be invalid and have no force or effect.

5 (b) Rules deemed appropriate for the operations of the Interstate Commission shall be made  
6 pursuant to a rulemaking process that substantially conforms to the "Model State Administrative  
7 Procedure Act" of 2010, and subsequent amendments thereto.

8 (c) Not later than thirty days after a rule is promulgated, any person may file a petition for  
9 judicial review of the rule in the United States District Court for the District of Columbia or the  
10 federal district where the Interstate Commission has its principal offices, provided that the filing of  
11 such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court  
12 finds that the petitioner has a substantial likelihood of success. The court shall give deference to the  
13 actions of the Interstate Commission consistent with applicable law and shall not find the rule to be  
14 unlawful if the rule represents a reasonable exercise of the authority granted to the Interstate  
15 Commission.

16 **§30-1C-16. Oversight of Interstate Compact.**

17 (a) The executive, legislative, and judicial branches of state government in each member state  
18 shall enforce the Compact and shall take all actions necessary and appropriate to effectuate the  
19 Compact's purposes and intent. The provisions of the Compact and the rules promulgated hereunder  
20 shall have standing as statutory law but shall not override existing state authority to regulate the  
21 practice of medicine.

22 (b) All courts shall take judicial notice of the Compact and the rules in any judicial or

1 administrative proceeding in a member state pertaining to the subject matter of the Compact which  
2 may affect the powers, responsibilities or actions of the Interstate Commission.

3 (c) The Interstate Commission shall be entitled to receive all service of process in any such  
4 proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide  
5 service of process to the Interstate Commission shall render a judgment or order void as to the  
6 Interstate Commission, the Compact, or promulgated rules.

7 **§30-1C-17. Enforcement of Interstate Compact.**

8 (a) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the  
9 provisions and rules of the Compact.

10 (b) The Interstate Commission may, by majority vote of the Commissioners, initiate legal  
11 action in the United States District Court for the District of Columbia, or, at the discretion of the  
12 Interstate Commission, in the federal district where the Interstate Commission has its principal  
13 offices, to enforce compliance with the provisions of the Compact, and its promulgated rules and  
14 bylaws, against a member state in default. The relief sought may include both injunctive relief and  
15 damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all  
16 costs of such litigation including reasonable attorney's fees.

17 (c) The remedies herein shall not be the exclusive remedies of the Interstate Commission. The  
18 Interstate Commission may avail itself of any other remedies available under state law or the  
19 regulation of a profession.

20 **§30-1C-18. Default procedures.**

21 (a) The grounds for default include, but are not limited to, failure of a member state to perform  
22 such obligations or responsibilities imposed upon it by the Compact, or the rules and bylaws of the

1 Interstate Commission promulgated under the Compact.

2 (b) If the Interstate Commission determines that a member state has defaulted in the  
3 performance of its obligations or responsibilities under the Compact, or the bylaws or promulgated  
4 rules, the Interstate Commission shall:

5 (1) Provide written notice to the defaulting state and other member states, of the nature of the  
6 default, the means of curing the default, and any action taken by the Interstate Commission. The  
7 Interstate Commission shall specify the conditions by which the defaulting state must cure its default;  
8 and

9 (2) Provide remedial training and specific technical assistance regarding the default.

10 (c) If the defaulting state fails to cure the default, the defaulting state shall be terminated from  
11 the Compact upon an affirmative vote of a majority of the Commissioners and all rights, privileges,  
12 and benefits conferred by the Compact shall terminate on the effective date of termination. A cure  
13 of the default does not relieve the offending state of obligations or liabilities incurred during the  
14 period of the default.

15 (d) Termination of membership in the Compact shall be imposed only after all other means  
16 of securing compliance have been exhausted. Notice of intent to terminate shall be given by the  
17 Interstate Commission to the Governor, the majority and minority leaders of the defaulting state's  
18 Legislature, and each of the member states.

19 (e) The Interstate Commission shall establish rules and procedures to address licenses and  
20 physicians that are materially impacted by the termination of a member state, or the withdrawal of a  
21 member state.

22 (f) The member state which has been terminated is responsible for all dues, obligations, and

1 liabilities incurred through the effective date of termination including obligations, the performance  
2 of which extends beyond the effective date of termination.

3 (g) The Interstate Commission shall not bear any costs relating to any state that has been found  
4 to be in default or which has been terminated from the Compact, unless otherwise mutually agreed  
5 upon in writing between the Interstate Commission and the defaulting state.

6 (h) The defaulting state may appeal the action of the Interstate Commission by petitioning the  
7 United States District Court for the District of Columbia or the federal district where the Interstate  
8 Commission has its principal offices. The prevailing party shall be awarded all costs of such  
9 litigation including reasonable attorney's fees.

10 **§30-1C-19. Dispute resolution.**

11 (a) The Interstate Commission shall attempt, upon the request of a member state, to resolve  
12 disputes which are subject to the Compact and which may arise among member states or member  
13 boards.

14 (b) The Interstate Commission shall promulgate rules providing for both mediation and  
15 binding dispute resolution as appropriate.

16 **§30-1C-20. Member states, effective date and amendment.**

17 (a) Any state is eligible to become a member state of the Compact.

18 (b) The Compact shall become effective and binding upon legislative enactment of the  
19 Compact into law by no less than seven states. Thereafter, it shall become effective and binding on  
20 a state upon enactment of the Compact into law by that state.

21 (c) The governors of nonmember states, or their designees, shall be invited to participate in  
22 the activities of the Interstate Commission on a nonvoting basis prior to adoption of the Compact by

1 all states.

2 (d) The Interstate Commission may propose amendments to the Compact for enactment by  
3 the member states. No amendment shall become effective and binding upon the Interstate  
4 Commission and the member states unless and until it is enacted into law by unanimous consent of  
5 the member states.

6 **§30-1C-21. Withdrawal.**

7 (a) Once effective, the Compact shall continue in force and remain binding upon each and  
8 every member state; provided that a member state may withdraw from the Compact by specifically  
9 repealing the statute which enacted the Compact into law.

10 (b) Withdrawal from the Compact shall be by the enactment of a statute repealing the same,  
11 but shall not take effect until one year after the effective date of such statute and until written notice  
12 of the withdrawal has been given by the withdrawing state to the governor of each other member state.

13 (c) The withdrawing state shall immediately notify the chairperson of the Interstate  
14 Commission in writing upon the introduction of legislation repealing the Compact in the withdrawing  
15 state.

16 (d) The Interstate Commission shall notify the other member states of the withdrawing state's  
17 intent to withdraw within sixty days of its receipt of notice provided under subsection (c) of this  
18 section.

19 (e) The withdrawing state is responsible for all dues, obligations and liabilities incurred  
20 through the effective date of withdrawal, including obligations, the performance of which extend  
21 beyond the effective date of withdrawal.

22 (f) Reinstatement following withdrawal of a member state shall occur upon the withdrawing

1 state reenacting the Compact or upon such later date as determined by the Interstate Commission.

2 (g) The Interstate Commission is authorized to develop rules to address the impact of the  
3 withdrawal of a member state on licenses granted in other member states to physicians who  
4 designated the withdrawing member state as the state of principal license.

5 **§30-1C-22. Dissolution.**

6 (a) The Compact shall dissolve effective upon the date of the withdrawal or default of the  
7 member state which reduces the membership in the Compact to one member state.

8 (b) Upon the dissolution of the Compact, the Compact becomes null and void and shall be of  
9 no further force or effect, and the business and affairs of the Interstate Commission shall be concluded  
10 and surplus funds shall be distributed in accordance with the bylaws.

11 **§30-1C-23. Severability and construction.**

12 (a) The provisions of the Compact shall be severable, and if any phrase, clause, sentence, or  
13 provision is deemed unenforceable, the remaining provisions of the Compact shall be enforceable.

14 (b) The provisions of the Compact shall be liberally construed to effectuate its purposes.

15 (c) Nothing in the Compact shall be construed to prohibit the applicability of other interstate  
16 compacts to which the states are members.

17 **§30-1C-24. Binding effect of Compact and other laws.**

18 (a) Nothing herein prevents the enforcement of any other law of a member state that is not  
19 inconsistent with the Compact.

20 (b) All laws in a member state in conflict with the Compact are superseded to the extent of  
21 the conflict.

22 (c) All lawful actions of the Interstate Commission, including all rules and bylaws

1 promulgated by the Commission, are binding upon the member states.

2 (d) All agreements between the Interstate Commission and the member states are binding in  
3 accordance with their terms.

4 (e) In the event any provision of the Compact exceeds the Constitutional limits imposed on  
5 the Legislature of any member state, such provision shall be ineffective to the extent of the conflict  
6 with the Constitutional provision in question in that member state.
