18 appointment exceeds one hundred twenty-five percent of the federal designated poverty level. A
19 member shall not be eligible for reappointment under this subdivision unless he or she meets the
20 original qualifications for appointment: *Provided*, That such member may be reappointed pursuant
21 to qualification under subdivision (1) or (2) of this subsection if the member meets the requirements
22 of subdivision (1) or (2), respectively.

1 (d) *Limitations; terms of members; appointments.* --

2 (1) Not more than four members, exclusive of the chairperson, shall be appointed from any

17 (g) *Duties of the board.* --

18 (1) *Administrative duties.* -- The board shall be responsible for advising the West Virginia
19 Development Office concerning the administrative obligations of the program.

20 (2) *Project evaluation and approval; prohibition on project promotion.* --

21 (A) The board shall select and approve projects, which may then be certified by the director
22 of the West Virginia Development Office pursuant to section four of this article.

7 as a charitable organization under Section 501(c)(3) of the Internal Revenue Code shall result in
8 automatic denial of project approval and denial of project certification under this article.

9 (3) *Criteria for evaluation.* -- In evaluating projects for approval, the board shall give priority
10 to projects based upon the following criteria. A proposed project shall be favored if:

4 project would provide, and produces convincing documentation of that need.

10 (5) *Project approval by the board.* -- Proposed projects shall be approved or denied approval
11 by a majority vote of the board after competitive comparison with proposed projects of other
12 applicants.

13 (h) *Project certification by the Director of the West Virginia Development Office.* --

14 (1) Upon issuance of approval for a project by the board, the approved project shall be
15 certified by the Director of the West Virginia Development Office: *Provided,* That no certification
16 may issue for any project, even though the project may have been approved by the board, if the
17 issuance of certification for such project will cause the aggregate amount of tax credits certified to
18 exceed the limitation set forth in this article. No certification may be issued by the Director of the
19 West Virginia Development Office for any project which has not been approved by the board.

20 (2) The West Virginia Development Office shall promptly notify applicants of the issuance
