7 **ARTICLE 3F. INTERSTATE MEDICAL LICENSURE COMPACT.**

8 **§30-3F-1. Purpose.**

9           In order to strengthen access to health care, and in recognition of the advances in the delivery  
10 of health care, the member states of the Interstate Medical Licensure Compact have allied in  
11 common purpose to develop a comprehensive process that complements the existing licensing and  
12 regulatory authority of state medical boards, provides a streamlined process that allows physicians  
13 to become licensed in multiple states, thereby enhancing the portability of a medical license and  
14 ensuring the safety of patients. The Compact creates another pathway for licensure and does not  
15 otherwise change a state's existing medical practice statutes. The Compact also adopts the prevailing  
16 standard for licensure and affirms that the practice of medicine occurs where the patient is located  
17 at the time of the physician-patient encounter, and therefore, requires the physician to be under the  
18 jurisdiction of the state medical board where the patient is located.

19           State medical boards that participate in the Compact retain the jurisdiction to impose an  
20 adverse action against a license to practice medicine in that state issued to a physician through the  
21 procedures in the Compact.

7 revoked, surrendered or relinquished in lieu of discipline, or suspended, then all licenses issued to the  
8 physician by member boards shall automatically be placed, without further action necessary by any  
9 member board, on the same status. If the member board in the state of principal license subsequently  
10 reinstates the physician's license, a license issued to the physician by any other member board shall  
11 remain encumbered until that respective member board takes action to reinstate the license in a  
12 manner consistent with the Medical Practice Act of that state.

13 (c) If disciplinary action is taken against a physician by a member board not in the state of  
14 principal license, any other member board may deem the action conclusive as to matter of law and

1 member boards shall be suspended, automatically and immediately without further action necessary  
2 by the other member boards, for ninety days upon entry of the order by the disciplining board, to  
3 permit the member boards to investigate the basis for the action under the Medical Practice Act of  
4 that state. A member board may terminate the automatic suspension of the license it issued prior to  
5 the completion of the ninety day suspension period in a manner consistent with the Medical Practice  
6 Act of that state.

12 and shall have all the responsibilities, powers, and duties set forth in the Compact, and such additional  
13 powers as may be conferred upon it by a subsequent concurrent action of the respective legislatures  
14 of the member states in accordance with the terms of the Compact.

15 (d) The Interstate Commission shall consist of two voting representatives appointed by each  
16 member state who shall serve as Commissioners. In states where allopathic and osteopathic

12 may delegate voting authority for a specified meeting to another person from that state who shall meet  
13 the requirements of subsection (d) of this section.

14 (h) The Interstate Commission shall provide public notice of all meetings and all meetings  
15 shall be open to the public. The Interstate Commission may close a meeting, in full or in portion,

7 (I) The Interstate Commission shall keep minutes which shall fully describe all matters  
8 discussed in a meeting and shall provide a full and accurate summary of actions taken, including  
9 record of any roll call votes.

10 (j) The Interstate Commission shall make its information and official records, to the extent  
11 not otherwise designated in the Compact or by its rules, available to the public for inspection.

2 (a) The Interstate Commission may levy on and collect an annual assessment from each  
3 member state to cover the cost of the operations and activities of the Interstate Commission and its  
4 staff. The total assessment must be sufficient to cover the annual budget approved each year for

3 the Interstate Commission.

4 (d) The officers and employees of the Interstate Commission shall be immune from suit and  
5 liability, either personally or in their official capacity, for a claim for damage to or loss of property  
6 or personal injury or other civil liability caused or arising out of, or relating to, an actual or alleged

13 responsibilities, provided that the actual or alleged act, error, or omission did not result from  
14 intentional or willful and wanton misconduct on the part of such persons.

15 **§30-3F-15. Rulemaking functions of the Interstate Commission.**

16 (a) The Interstate Commission shall promulgate reasonable rules in order to effectively and  
17 efficiently achieve the purposes of the Compact. Notwithstanding the foregoing, in the event the  
18 Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the  
19 purposes of the Compact, or the powers granted hereunder, then such an action by the Interstate  
20 Commission shall be invalid and have no force or effect.

21 (b) Rules deemed appropriate for the operations of the Interstate Commission shall be made

1 pursuant to a rulemaking process that substantially conforms to the "Model State Administrative  
2 Procedure Act" of 2010, and subsequent amendments thereto.

3 (c) Not later than thirty days after a rule is promulgated, any person may file a petition for  
4 judicial review of the rule in the United States District Court for the District of Columbia or the  
5 federal district where the Interstate Commission has its principal offices, provided that the filing of  
6 such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court  
7 finds that the petitioner has a substantial likelihood of success. The court shall give deference to the  
8 actions of the Interstate Commission consistent with applicable law and shall not find the rule to be  
9 unlawful if the rule represents a reasonable exercise of the authority granted to the Interstate  
10 Commission.

11 **§30-3F-16. Oversight of Interstate Compact.**

12 (a) The executive, legislative, and judicial branches of state government in each member state  
13 shall enforce the Compact and shall take all actions necessary and appropriate to effectuate the  
14 Compact's purposes and intent. The provisions of the Compact and the rules promulgated hereunder  
15 shall have standing as statutory law but shall not override existing state authority to regulate the  
16 practice of medicine.

17 (b) All courts shall take judicial notice of the Compact and the rules in any judicial or  
18 administrative proceeding in a member state pertaining to the subject matter of the Compact which  
19 may affect the powers, responsibilities or actions of the Interstate Commission.

20 (c) The Interstate Commission shall be entitled to receive all service of process in any such  
21 proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide

1 service of process to the Interstate Commission shall render a judgment or order void as to the  
2 Interstate Commission, the Compact, or promulgated rules.

3 **§30-3F-17. Enforcement of Interstate Compact.**

4 (a) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the  
5 provisions and rules of the Compact.

6 (b) The Interstate Commission may, by majority vote of the Commissioners, initiate legal  
7 action in the United States District Court for the District of Columbia, or, at the discretion of the  
8 Interstate Commission, in the federal district where the Interstate Commission has its principal  
9 offices, to enforce compliance with the provisions of the Compact, and its promulgated rules and  
10 bylaws, against a member state in default. The relief sought may include both injunctive relief and  
11 damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all  
12 costs of such litigation including reasonable attorney's fees.

13 (c) The remedies herein shall not be the exclusive remedies of the Interstate Commission. The  
14 Interstate Commission may avail itself of any other remedies available under state law or the  
15 regulation of a profession.

16 **§30-3F-18. Default procedures.**

17 (a) The grounds for default include, but are not limited to, failure of a member state to perform  
18 such obligations or responsibilities imposed upon it by the Compact, or the rules and bylaws of the  
19 Interstate Commission promulgated under the Compact.

20 (b) If the Interstate Commission determines that a member state has defaulted in the  
21 performance of its obligations or responsibilities under the Compact, or the bylaws or promulgated

1 rules, the Interstate Commission shall:

2 (1) Provide written notice to the defaulting state and other member states, of the nature of the  
3 default, the means of curing the default, and any action taken by the Interstate Commission. The  
4 Interstate Commission shall specify the conditions by which the defaulting state must cure its default;  
5 and

6 (2) Provide remedial training and specific technical assistance regarding the default.

7 (c) If the defaulting state fails to cure the default, the defaulting state shall be terminated from  
8 the Compact upon an affirmative vote of a majority of the Commissioners and all rights, privileges,  
9 and benefits conferred by the Compact shall terminate on the effective date of termination. A cure  
10 of the default does not relieve the offending state of obligations or liabilities incurred during the  
11 period of the default.

12 (d) Termination of membership in the Compact shall be imposed only after all other means  
13 of securing compliance have been exhausted. Notice of intent to terminate shall be given by the  
14 Interstate Commission to the governor, the majority and minority leaders of the defaulting state's  
15 legislature, and each of the member states.

16 (e) The Interstate Commission shall establish rules and procedures to address licenses and  
17 physicians that are materially impacted by the termination of a member state, or the withdrawal of a  
18 member state.

19 (f) The member state which has been terminated is responsible for all dues, obligations, and  
20 liabilities incurred through the effective date of termination including obligations, the performance  
21 of which extends beyond the effective date of termination.

1 (g) The Interstate Commission shall not bear any costs relating to any state that has been found  
2 to be in default or which has been terminated from the Compact, unless otherwise mutually agreed  
3 upon in writing between the Interstate Commission and the defaulting state.

4 (h) The defaulting state may appeal the action of the Interstate Commission by petitioning the  
5 United States District Court for the District of Columbia or the federal district where the Interstate  
6 Commission has its principal offices. The prevailing party shall be awarded all costs of such  
7 litigation including reasonable attorney's fees.

8 **§30-3F-19. Dispute resolution.**

9 (a) The Interstate Commission shall attempt, upon the request of a member state, to resolve  
10 disputes which are subject to the Compact and which may arise among member states or member  
11 boards.

12 (b) The Interstate Commission shall promulgate rules providing for both mediation and  
13 binding dispute resolution as appropriate.

14 **§30-3F-20. Member states, effective date and amendment.**

15 (a) Any state is eligible to become a member state of the Compact.

16 (b) The Compact shall become effective and binding upon legislative enactment of the  
17 Compact into law by no less than seven states. Thereafter, it shall become effective and binding on  
18 a state upon enactment of the Compact into law by that state.

19 (c) The governors of nonmember states, or their designees, shall be invited to participate in  
20 the activities of the Interstate Commission on a nonvoting basis prior to adoption of the Compact by  
21 all states.

1 (d) The Interstate Commission may propose amendments to the Compact for enactment by  
2 the member states. No amendment shall become effective and binding upon the Interstate  
3 Commission and the member states unless and until it is enacted into law by unanimous consent of  
4 the member states.

5 **§30-3F-21. Withdrawal.**

6 (a) Once effective, the Compact shall continue in force and remain binding upon each and  
7 every member state; provided that a member state may withdraw from the Compact by specifically  
8 repealing the statute which enacted the Compact into law.

9 (b) Withdrawal from the Compact shall be by the enactment of a statute repealing the same,  
10 but shall not take effect until one year after the effective date of such statute and until written notice  
11 of the withdrawal has been given by the withdrawing state to the governor of each other member state.

12 (c) The withdrawing state shall immediately notify the chairperson of the Interstate  
13 Commission in writing upon the introduction of legislation repealing the Compact in the withdrawing  
14 state.

15 (d) The Interstate Commission shall notify the other member states of the withdrawing state's  
16 intent to withdraw within sixty days of its receipt of notice provided under subsection (c) of this  
17 section.

18 (e) The withdrawing state is responsible for all dues, obligations and liabilities incurred  
19 through the effective date of withdrawal, including obligations, the performance of which extend  
20 beyond the effective date of withdrawal.

21 (f) Reinstatement following withdrawal of a member state shall occur upon the withdrawing

1 state reenacting the Compact or upon such later date as determined by the Interstate Commission.

2 (g) The Interstate Commission is authorized to develop rules to address the impact of the  
3 withdrawal of a member state on licenses granted in other member states to physicians who  
4 designated the withdrawing member state as the state of principal license.

5 **§30-3F-22. Dissolution.**

6 (a) The Compact shall dissolve effective upon the date of the withdrawal or default of the  
7 member state which reduces the membership in the Compact to one member state.

8 (b) Upon the dissolution of the Compact, the Compact becomes null and void and shall be of  
9 no further force or effect, and the business and affairs of the Interstate Commission shall be concluded  
10 and surplus funds shall be distributed in accordance with the bylaws.

11 **§30-3F-23. Severability and construction.**

12 (a) The provisions of the Compact shall be severable, and if any phrase, clause, sentence, or  
13 provision is deemed unenforceable, the remaining provisions of the Compact shall be enforceable.

14 (b) The provisions of the Compact shall be liberally construed to effectuate its purposes.

15 (c) Nothing in the Compact shall be construed to prohibit the applicability of other interstate  
16 compacts to which the states are members.

17 **§30-3F-24. Binding effect of Compact and other laws.**

18 (a) Nothing herein prevents the enforcement of any other law of a member state that is not  
19 inconsistent with the Compact.

20 (b) All laws in a member state in conflict with the Compact are superseded to the extent of  
21 the conflict.

1           (c) All lawful actions of the Interstate Commission, including all rules and bylaws  
2 promulgated by the Commission, are binding upon the member states.

3           (d) All agreements between the Interstate Commission and the member states are binding in  
4 accordance with their terms.

5           (e) In the event any provision of the Compact exceeds the constitutional limits imposed on  
6 the legislature of any member state, such provision shall be ineffective to the extent of the conflict  
7 with the constitutional provision in question in that member state.
