

Senate Bill No. 368

(By Senator Nohe)

[Introduced January 29, 2015; referred to the Committee on Banking and Insurance; and then to the Committee on the Judiciary.]

A BILL to amend and reenact §33-24-4 of the Code of West Virginia, 1931, as amended; to amend and reenact §33-25-6 of said code; to amend and reenact §33-25A-24 of said code; to amend and reenact §33-25D-26 of said code; to amend and reenact §33-40-1, §33-40-2, §33-40-3, §33-40-6 and §33-40-7 of said code; and to amend said code by adding thereto a new article, designated §33-40A-1, §33-40A-2, §33-40A-3, §33-40A-4, §33-40A-5, §33-40A-6, §33-40A-7, §33-40A-8, §33-40A-9, §33-40A-10, §33-40A-11, §33-40A-12 and §33-40A-13, all relating to risk-based capital reporting for health organizations; making health organizations subject to statutory provisions concerning risk-based capital reporting; defining terms associated with risk-based capital reporting for health organizations; requiring domestic health organization to file risk-based capital report with the Insurance Commissioner; requiring health organization to perform certain actions if risk-based capital report indicates a negative financial trend or hazardous financial condition; requiring the

1 Insurance Commissioner to conduct certain actions if risk-based capital report of a health
 2 organization indicates negative financial trend or hazardous financial condition; providing
 3 health organization right to confidential hearing with respect to its risk-based capital report;
 4 making risk-based capital reports confidential; prohibiting use of risk-based capital reports
 5 in ratemaking of health organization; granting the Insurance Commissioner authority to
 6 promulgate rules; requiring foreign health organization to file risk-based capital report with
 7 the Insurance Commissioner; and providing immunity to the Insurance Commissioner and
 8 his employees or agents for actions taken with respect to monitoring financial stability of
 9 health organization.

10 *Be it enacted by the Legislature of West Virginia:*

11 That §33-24-4 of the Code of West Virginia, 1931, as amended, be amended and reenacted;
 12 that §33-25-6 of said code be amended and reenacted; that §33-25A-24 of said code be amended and
 13 reenacted; that §33-25D-26 of said code be amended and reenacted; that §33-40-1, §33-40-2,
 14 §33-40-3, §33-40-6 and §33-40-7 of said code be amended and reenacted; and that said code be
 15 amended by adding thereto a new article, designated §33-40A-1, §33-40A-2, §33-40A-3, §33-40A-4,
 16 §33-40A-5, §33-40A-6, §33-40A-7, §33-40A-8, §33-40A-9, §33-40A-10, §33-40A-11, §33-40A-12
 17 and §33-40A-13, all to read as follows:

18 **ARTICLE 24. HOSPITAL MEDICAL AND DENTAL CORPORATIONS.**

19 **§33-24-4. Exemptions; applicability of insurance laws.**

20 Every corporation defined in section two of this article is hereby declared to be a scientific,
 21 nonprofit institution and exempt from the payment of all property and other taxes. Every corporation,

1 to the same extent the provisions are applicable to insurers transacting similar kinds of insurance and
2 not inconsistent with the provisions of this article, shall be governed by and be subject to the
3 provisions as herein below indicated, of the following articles of this chapter: Article two (Insurance
4 Commissioner); article four (general provisions), except that section sixteen of said article may not
5 be applicable thereto; section twenty, article five (borrowing by insurers); section thirty-four, article
6 six (fee for form, rate and rule filing); article six-c (guaranteed loss ratios as applied to individual
7 sickness and accident insurance policies); article seven (assets and liabilities); article eight-a (use of
8 clearing corporations and federal reserve book-entry system); article eleven (unfair trade practices);
9 article twelve (insurance producers and solicitors), except that the agent's license fee shall be
10 twenty-five dollars; section two-a, article fifteen (definitions); section two-b, article fifteen
11 (guaranteed issue; limitation of coverage; election; denial of coverage; network plans); section
12 two-d, article fifteen (exceptions to guaranteed renewability); section two-e, article fifteen
13 (discontinuation of particular type of coverage; uniform termination of all coverage; uniform
14 modification of coverage); section two-f, article fifteen (certification of creditable coverage); section
15 two-g, article fifteen (applicability); section four-e, article fifteen (benefits for mothers and
16 newborns); section fourteen, article fifteen (policies discriminating among health care providers);
17 section sixteen, article fifteen (policies not to exclude insured's children from coverage; required
18 services; coordination with other insurance); section eighteen, article fifteen (equal treatment of state
19 agency); section nineteen, article fifteen (coordination of benefits with medicaid); article fifteen-a
20 (West Virginia Long-Term Care Insurance Act); article fifteen-c (diabetes insurance); section three,
21 article sixteen (required policy provisions); section three-a, article sixteen (same - mental health);

1 section three-d, article sixteen (medicare supplement insurance); section three-f, article sixteen
2 (required policy provisions - treatment of temporomandibular joint disorder and craniomandibular
3 disorder); section three-j, article sixteen (hospital benefits for mothers and newborns); section
4 three-k, article sixteen (limitations on preexisting condition exclusions for health benefit plans);
5 section three-l, article sixteen (renewability and modification of health benefit plans); section
6 three-m, article sixteen (creditable coverage); section three-n, article sixteen (eligibility for
7 enrollment); section eleven, article sixteen (group policies not to exclude insured's children from
8 coverage; required services; coordination with other insurance); section thirteen, article sixteen
9 (equal treatment of state agency); section fourteen, article sixteen (coordination of benefits with
10 medicaid); section sixteen, article sixteen (insurance for diabetics); article sixteen-a (group health
11 insurance conversion); article sixteen-c (employer group accident and sickness insurance policies);
12 article sixteen-d (marketing and rate practices for small employer accident and sickness insurance
13 policies); article twenty-six-a (West Virginia Life and Health Insurance Guaranty Association Act),
14 after October 1, 1999, article twenty-seven (insurance holding company systems); article
15 twenty-eight (individual accident and sickness insurance minimum standards); article thirty-three
16 (annual audited financial report); article thirty-four (administrative supervision); article thirty-four-a
17 (standards and commissioner's authority for companies ~~deemed~~ considered to be in hazardous
18 financial condition); article thirty-five (criminal sanctions for failure to report impairment); article
19 thirty-seven (managing general agents); article forty-a (risk-based capital for health organizations);
20 and article forty-one (Insurance Fraud Prevention Act) and no other provision of this chapter may
21 apply to these corporations unless specifically made applicable by the provisions of this article. If,

1 however, the corporation is converted into a corporation organized for a pecuniary profit or if it
2 transacts business without having obtained a license as required by section five of this article, it shall
3 thereupon forfeit its right to these exemptions.

4 **ARTICLE 25. HEALTH CARE CORPORATIONS.**

5 **§33-25-6. Supervision and regulation by Insurance Commissioner; exemption from insurance** 6 **laws.**

7 Corporations organized under this article are subject to supervision and regulation of the
8 Insurance Commissioner. The corporations organized under this article, to the same extent these
9 provisions are applicable to insurers transacting similar kinds of insurance and not inconsistent with
10 the provisions of this article, shall be governed by and be subject to the provisions as herein below
11 indicated of the following articles of this chapter: Article four (general provisions), except that
12 section sixteen of said article shall not be applicable thereto; article six-c (guaranteed loss ratio);
13 article seven (assets and liabilities); article eight (investments); article ten (rehabilitation and
14 liquidation); section two-a, article fifteen (definitions); section two-b, article fifteen (guaranteed
15 issue); section two-d, article fifteen (exception to guaranteed renewability); section two-e, article
16 fifteen (discontinuation of coverage); section two-f, article fifteen (certification of creditable
17 coverage); section two-g, article fifteen (applicability); section four-e, article fifteen (benefits for
18 mothers and newborns); section fourteen, article fifteen (individual accident and sickness insurance);
19 section sixteen, article fifteen (coverage of children); section eighteen, article fifteen (equal treatment
20 of state agency); section nineteen, article fifteen (coordination of benefits with medicaid); article
21 fifteen-c (diabetes insurance); section three, article sixteen (required policy provisions); section

1 three-a, article sixteen (mental health); section three-j, article sixteen (benefits for mothers and
 2 newborns); section three-k, article sixteen (preexisting condition exclusions); section three-l, article
 3 sixteen (guaranteed renewability); section three-m, article sixteen (creditable coverage); section
 4 three-n, article sixteen (eligibility for enrollment); section eleven, article sixteen (coverage of
 5 children); section thirteen, article sixteen (equal treatment of state agency); section fourteen, article
 6 sixteen (coordination of benefits with medicaid); section sixteen, article sixteen (diabetes insurance);
 7 article sixteen-a (group health insurance conversion); article sixteen-c (small employer group
 8 policies); article sixteen-d (marketing and rate practices for small employers); article twenty-five-f
 9 (coverage for patient cost of clinical trials); article twenty-six-a (West Virginia life and health
 10 insurance guaranty association act); article twenty-seven (insurance holding company systems);
 11 article thirty-three (annual audited financial report); article thirty-four-a (standards and
 12 commissioner's authority for companies ~~deemed~~ considered to be in hazardous financial condition);
 13 article thirty-five (criminal sanctions for failure to report impairment); article thirty-seven (managing
 14 general agents); article forty-a (risk-based capital for health organizations); and article forty-one
 15 (privileges and immunity); and no other provision of this chapter may apply to these corporations
 16 unless specifically made applicable by the provisions of this article.

17 **ARTICLE 25A. HEALTH MAINTENANCE ORGANIZATION ACT.**

18 **§33-25A-24. Scope of provisions; applicability of other laws.**

19 (a) Except as otherwise provided in this article, provisions of the insurance laws and
 20 provisions of hospital or medical service corporation laws are not applicable to any health
 21 maintenance organization granted a certificate of authority under this article. The provisions of this

1 article ~~shall~~ may not apply to an insurer or hospital or medical service corporation licensed and
2 regulated pursuant to the insurance laws or the hospital or medical service corporation laws of this
3 state except with respect to its health maintenance corporation activities authorized and regulated
4 pursuant to this article. The provisions of this article may not apply to an entity properly licensed by
5 a reciprocal state to provide health care services to employer groups, where residents of West
6 Virginia are members of an employer group, and the employer group contract is entered into in the
7 reciprocal state. For purposes of this subsection, a “reciprocal state” means a state which physically
8 borders West Virginia and which has subscriber or enrollee hold harmless requirements substantially
9 similar to those set out in section seven-a of this article.

10 (b) Factually accurate advertising or solicitation regarding the range of services provided, the
11 premiums and copayments charged, the sites of services and hours of operation and any other
12 quantifiable, nonprofessional aspects of its operation by a health maintenance organization granted
13 a certificate of authority or its representative may not be construed to violate any provision of law
14 relating to solicitation or advertising by health professions: *Provided*, That nothing contained in this
15 subsection ~~shall~~ may be construed as authorizing any solicitation or advertising which identifies or
16 refers to any individual provider or makes any qualitative judgment concerning any provider.

17 (c) Any health maintenance organization authorized under this article may not be considered
18 to be practicing medicine and is exempt from the provisions of chapter thirty of this code relating
19 to the practice of medicine.

20 (d) The following provisions of this chapter ~~shall be~~ are applicable to any health maintenance
21 organization granted a certificate of authority under this article or which is otherwise subject to the

1 provisions of this article: The provisions of sections four, five, six, seven, eight, nine and nine-a,
2 article two (Insurance Commissioner); sections fifteen and twenty, article four (general provisions);
3 section twenty, article five (borrowing by insurers); section seventeen, article six (validity of
4 noncomplying forms); article six-c (guaranteed loss ratios as applied to individual sickness and
5 accident insurance policies); article seven (assets and liabilities); article eight (investments); article
6 eight-a (use of clearing corporations and federal reserve book-entry system); article nine
7 (administration of deposits); article ten (rehabilitation and liquidation); article twelve (insurance
8 producers and solicitors); section fourteen, article fifteen (policies discriminating among health care
9 providers); section sixteen, article fifteen (policies not to exclude insured's children from coverage;
10 required services; coordination with other insurance); section eighteen, article fifteen (equal
11 treatment of state agency); section nineteen, article fifteen (coordination of benefits with Medicaid);
12 article fifteen-b (Uniform Health Care Administration Act); section three, article sixteen (required
13 policy provisions); section three-f, article sixteen (required policy provisions - treatment of
14 temporomandibular joint disorder and craniomandibular disorder); section eleven, article sixteen
15 (group policies not to exclude insured's children from coverage; required services; coordination with
16 other insurance); section thirteen, article sixteen (equal treatment of state agency); section fourteen,
17 article sixteen (coordination of benefits with Medicaid); article sixteen-a (group health insurance
18 conversion); article sixteen-d (marketing and rate practices for small employer accident and sickness
19 insurance policies); article twenty-five-c (Health Maintenance Organization Patient Bill of Rights);
20 article twenty-five-f (coverage for patient cost of clinical trials); article twenty-seven (insurance
21 holding company systems); article thirty-three (annual audited financial report); article thirty-four

1 (administrative supervision); article thirty-four-a (standards and commissioner's authority for
 2 companies considered to be in hazardous financial condition); article thirty-five (criminal sanctions
 3 for failure to report impairment); article thirty-seven (managing general agents); article thirty-nine
 4 (disclosure of material transactions); ~~article forty (risk-based capital for insurers);~~ article forty-a
 5 (risk-based capital for health organizations); article forty-one (Insurance Fraud Prevention Act); and
 6 article forty-two (Women's Access to Health Care Act). In circumstances where the code provisions
 7 made applicable to health maintenance organizations by this subsection refer to the "insurer", the
 8 "corporation" or words of similar import, the language shall be construed to include health
 9 maintenance organizations.

10 (e) Any long-term care insurance policy delivered or issued for delivery in this state by a
 11 health maintenance organization shall comply with the provisions of article fifteen-a of this chapter.

12 **ARTICLE 25D. PREPAID LIMITED HEALTH SERVICE ORGANIZATION ACT.**

13 **§33-25D-26. Scope of provisions; applicability of other laws.**

14 (a) Except as otherwise provided in this article, provisions of the insurance laws, provisions
 15 of hospital, medical, dental or health service corporation laws and provisions of health maintenance
 16 organization laws are not applicable to any prepaid limited health service organization granted a
 17 certificate of authority under this article. The provisions of this article do not apply to an insurer,
 18 hospital, medical, dental or health service corporation, or health maintenance organization licensed
 19 and regulated pursuant to the insurance laws, hospital, medical, dental or health service corporation
 20 laws or health maintenance organization laws of this state except with respect to its prepaid limited
 21 health service corporation activities authorized and regulated pursuant to this article. The provisions

1 of this article do not apply to an entity properly licensed by a reciprocal state to provide a limited
2 health care service to employer groups, where residents of West Virginia are members of an
3 employer group, and the employer group contract is entered into in the reciprocal state. For purposes
4 of this subsection, a "reciprocal state" means a state which physically borders West Virginia and
5 which has subscriber or enrollee hold harmless requirements substantially similar to those set out
6 in section ten of this article.

7 (b) Factually accurate advertising or solicitation regarding the range of services provided, the
8 premiums and copayments charged, the sites of services and hours of operation and any other
9 quantifiable, nonprofessional aspects of its operation by a prepaid limited health service organization
10 granted a certificate of authority, or its representative do not violate any provision of law relating to
11 solicitation or advertising by health professions: *Provided*, That nothing contained in this subsection
12 authorizes any solicitation or advertising which identifies or refers to any individual provider or
13 makes any qualitative judgment concerning any provider.

14 (c) Any prepaid limited health service organization authorized under this article is not
15 considered to be practicing medicine and is exempt from the provision of chapter thirty of this code
16 relating to the practice of medicine.

17 (d) The provisions of section nine, article two, examinations; section nine-a, article two,
18 one-time assessment; section thirteen, article two, hearings; sections fifteen and twenty, article four,
19 general provisions; section twenty, article five, borrowing by insurers; section seventeen, article six,
20 noncomplying forms; article six-c, guaranteed loss ratio; article seven, assets and liabilities; article
21 eight, investments; article eight-a, use of clearing corporations and federal reserve book-entry

1 system; article nine, administration of deposits; article ten, rehabilitation and liquidation; article
2 twelve, agents, brokers, solicitors and excess line; section fourteen, article fifteen, individual
3 accident and sickness insurance; section sixteen, article fifteen, coverage of children; section
4 eighteen, article fifteen, equal treatment of state agency; section nineteen, article fifteen, coordination
5 of benefits with medicaid; article fifteen-b, uniform health care administration act; section three,
6 article sixteen, required policy provisions; section eleven, article sixteen, coverage of children;
7 section thirteen, article sixteen, equal treatment of state agency; section fourteen, article sixteen,
8 coordination of benefits with medicaid; article sixteen-a, group health insurance conversion; article
9 sixteen-d, marketing and rate practices for small employers; article twenty-seven, insurance holding
10 company systems; article thirty-three, annual audited financial report; article thirty-four,
11 administrative supervision; article thirty-four-a, standards and commissioner's authority for
12 companies considered to be in hazardous financial condition; article thirty-five, criminal sanctions
13 for failure to report impairment; article thirty-seven, managing general agents; article thirty-nine,
14 disclosure of material transactions; article forty-a, risk-based capital for health organizations; and
15 article forty-one, privileges and immunity, all of this chapter are applicable to any prepaid limited
16 health service organization granted a certificate of authority under this article. In circumstances
17 where the code provisions made applicable to prepaid limited health service organizations by this
18 section refer to the "insurer", the "corporation" or words of similar import, the language includes
19 prepaid limited health service organizations.

20 (e) Any long-term care insurance policy delivered or issued for delivery in this state by a
21 prepaid limited health service organization shall comply with the provisions of article fifteen-a of

1 this chapter.

2 (f) A prepaid limited health service organization granted a certificate of authority under this
3 article is exempt from paying municipal business and occupation taxes on gross income it receives
4 from its enrollees, or from their employers or others on their behalf, for health care items or services
5 provided directly or indirectly by the prepaid limited health service organization.

6 **ARTICLE 40. RISK-BASED CAPITAL FOR INSURERS.**

7 **§33-40-1. Definitions.**

8 As used in this article, these terms have the following meanings:

9 (a) “Adjusted RBC report” means an RBC report which has been adjusted by the
10 commissioner in accordance with subsection (e), section two of this article.

11 (b) “Corrective order” means an order issued by the commissioner specifying corrective
12 actions which the commissioner has determined are required.

13 ~~(c) “HMO” means the same as defined in subsection (11), section two, article twenty-five-a~~
14 ~~of this chapter; as used in sections one, three, four, five, seven, eight and twelve of this article, the~~
15 ~~term “insurer” includes HMO.~~

16 ~~(d) (c)~~ “Domestic insurer” means any insurance company ~~;~~or farmers' mutual fire insurance
17 company ~~or HMO~~ domiciled in this state.

18 ~~(e) (d)~~ “Foreign insurer” means any insurance company which is licensed to do business in
19 this state under article three of this chapter but is not domiciled in this state. ~~or any HMO that has~~
20 ~~been issued a certificate of authority under article twenty-five-a of this chapter but that is not~~
21 ~~domiciled in this state.~~

- 1 ~~(f)~~ (e) “NAIC” means the National Association of Insurance Commissioners.
- 2 ~~(g)~~ (f) “Life and/or health insurer” means any insurance company licensed under article three
3 of this chapter or a licensed property and casualty insurer writing only accident and health insurance.
- 4 ~~(h)~~ (g) “Property and casualty insurer” means any insurance company licensed under article
5 three of this chapter or any farmers' mutual fire insurance company licensed under article twenty-two
6 of this chapter, but ~~shall~~ may not include monoline mortgage guaranty insurers, financial guaranty
7 insurers and title insurers.
- 8 ~~(i)~~ (h) “Negative trend” means, with respect to a life and/or health insurer, negative trend
9 over a period of time, as determined in accordance with the trend test calculation included in the
10 RBC instructions.
- 11 ~~(j)~~ (I) “RBC instructions” means the RBC report, including risk-based capital instructions
12 adopted by the NAIC, as the RBC instructions may be amended by the NAIC, from time to time, in
13 accordance with the procedures adopted by the NAIC.
- 14 ~~(k)~~ (j) “RBC level” means an insurer's ~~or HMO's~~ company action level RBC, regulatory
15 action level RBC, authorized control level RBC, or mandatory control level RBC where:
- 16 (1) “Company action level RBC” means, with respect to any insurer, the product of two and
17 its authorized control level RBC;
- 18 (2) “Regulatory action level RBC” means the product of one and one-half and its authorized
19 control level RBC;
- 20 (3) “Authorized control level RBC” means the number determined under the risk-based
21 capital formula in accordance with the RBC instructions;

1 (4) “Mandatory control level RBC” means the product of seven-tenths and the authorized
2 control level RBC.

3 ~~(j)~~ (k) “RBC plan” means a comprehensive financial plan containing the elements specified
4 in subsection (b), section three of this article. If the commissioner rejects the RBC plan and it is
5 revised by the insurer ~~or HMO~~, with or without the commissioner's recommendation, the plan shall
6 be called the revised RBC plan.

7 ~~(m)~~ (l) “RBC report” means the report required in section two of this article.

8 ~~(n)~~ (m) “Total adjusted capital” means the sum of:

9 (1) An insurer's ~~or HMO's~~ statutory capital and surplus as determined in accordance with the
10 statutory accounting applicable to the financial statements required to be filed under section fourteen,
11 article four of this chapter; and

12 (2) Any other items required by the RBC instructions.

13 **§33-40-2. RBC reports.**

14 (a) Every domestic insurer ~~shall~~, on or prior to each March 1 (the “filing date”), shall prepare
15 and submit to the commissioner a report of its RBC levels as of the end of the calendar year just
16 ended, in a form and containing the information required by the RBC instructions. In addition, every
17 domestic insurer shall file its RBC report:

18 (1) With the NAIC in accordance with the RBC instructions; and

19 (2) With the Insurance Commissioner in any state in which the insurer is authorized to do
20 business, if the Insurance Commissioner has notified the insurer of its request in writing, in which
21 case the insurer shall file its RBC report not later than the later of:

1 (A) Fifteen days from the receipt of notice to file its RBC report with that state; or

2 (B) The filing date.

3 (b) A life and health insurer's RBC shall be determined in accordance with the formula set
4 forth in the RBC instructions. The formula shall take into account (and may adjust for the covariance
5 between):

6 (1) The risk with respect to the insurer's assets;

7 (2) The risk of adverse insurance experience with respect to the insurer's liabilities and
8 obligations;

9 (3) The interest rate risk with respect to the insurer's business; and

10 (4) All other business risks and any other relevant risks set forth in the RBC instructions
11 determined in each case by applying the factors in the manner set forth in the RBC instructions.

12 (c) A property and casualty insurer's RBC ~~and an HMO's RBC~~ shall be determined in
13 accordance with the applicable formula set forth in the RBC instructions. The formula shall take into
14 account (and may adjust for the covariance between), determined in each case by applying the factors
15 in the manner set forth in the RBC instructions:

16 (1) Asset risk;

17 (2) Credit risk;

18 (3) Underwriting risk; and

19 (4) All other business risks and any other relevant risks as are set forth in the RBC
20 instructions.

21 (d) An excess of capital over the amount produced by the risk-based capital requirements

1 contained in this article and the formulas, schedules and instructions referenced in this article is
2 desirable in the business of insurance. Accordingly, insurers ~~and HMOs~~ should seek to maintain
3 capital above the RBC levels required by this article. Additional capital is used and useful in the
4 insurance business and helps to secure insurers ~~and HMOs~~ against various risks inherent in, or
5 affecting, the business of insurance and not accounted for or only partially measured by the
6 risk-based capital requirements contained in this article.

7 (e) If a domestic insurer files an RBC report which, in the judgment of the commissioner is
8 inaccurate, then the commissioner shall adjust the RBC report to correct the inaccuracy and shall
9 notify the insurer of the adjustment. The notice shall contain a statement of the reason for the
10 adjustment. An RBC report that is adjusted is referred to as an "Adjusted RBC Report".

11 **§33-40-3. Company action level event.**

12 (a) "Company action level event" means any of the following events:

13 (1) The filing of an RBC report by an insurer which indicates that:

14 (A) The insurer's total adjusted capital is greater than or equal to its regulatory action level
15 RBC, but less than its company action level RBC;

16 (B) If a life and/or health insurer, the insurer has total adjusted capital which is greater than
17 or equal to its company action level RBC, but less than the product of its authorized control level
18 RBC and two and one-half and has a negative trend; or

19 (C) If a property and casualty insurer, the insurer has total adjusted capital which is greater
20 than or equal to its company action level RBC, but less than the product of its authorized control
21 level RBC and three and triggers the trend test determined in accordance with the trend test

1 calculation included in the property and casualty RBC instructions;

2 (2) The notification by the commissioner to the insurer of an adjusted RBC report that
3 indicates an event in subdivision (1) of this subsection, provided the insurer does not challenge the
4 adjusted RBC report under section seven of this article; or

5 (3) If, pursuant to section seven of this article, an insurer challenges an adjusted RBC report
6 that indicates the event in subdivision (1) of this subsection, the notification by the commissioner
7 to the insurer that the commissioner has, after a hearing, rejected the insurer's challenge.

8 (b) ~~In the event of~~ If there is a company action level event, the insurer shall prepare and
9 submit to the commissioner an RBC plan which shall:

10 (1) Identify the conditions which contribute to the company action level event;

11 (2) Contain proposals of corrective actions which the insurer intends to take and would be
12 expected to result in the elimination of the company action level event;

13 (3) Provide projections of the insurer's financial results in the current year and at least the
14 four succeeding years, ~~or, in the case of an HMO, in the current year and at least the two succeeding~~
15 ~~years~~, both in the absence of proposed corrective actions and giving effect to the proposed corrective
16 actions, including projections of statutory operating income, net income, capital and/or surplus. (The
17 projections for both new and renewal business may include separate projections for each major line
18 of business and separately identify each significant income, expense and benefit component);

19 (4) Identify the key assumptions impacting the insurer's projections and the sensitivity of the
20 projections to the assumptions; and

21 (5) Identify the quality of, and problems associated with, the insurer's business, including,

1 but not limited to, its assets, anticipated business growth and associated surplus strain, extraordinary
2 exposure to risk, mix of business and use of reinsurance, if any, in each case.

3 (c) The RBC plan shall be submitted:

4 (1) Within forty-five days of the company action level event; or

5 (2) If the insurer challenges an adjusted RBC report pursuant to section seven of this article,
6 within forty-five days after notification to the insurer that the commissioner has, after a hearing,
7 rejected the insurer's challenge.

8 (d) Within sixty days after the submission by an insurer of an RBC plan to the commissioner,
9 the commissioner shall notify the insurer whether the RBC plan may be implemented or is, in the
10 judgment of the commissioner, unsatisfactory. If the commissioner determines the RBC plan is
11 unsatisfactory, the notification to the insurer shall set forth the reasons for the determination and may
12 set forth proposed revisions which will render the RBC plan satisfactory in the judgment of the
13 commissioner. Upon notification from the commissioner, the insurer shall prepare a revised RBC
14 plan, which may incorporate by reference any revisions proposed by the commissioner, and shall
15 submit the revised RBC plan to the commissioner:

16 (1) Within forty-five days after the notification from the commissioner; or

17 (2) If the insurer challenges the notification from the commissioner under section seven of
18 this article, within forty-five days after a notification to the insurer that the commissioner has, after
19 a hearing, rejected the insurer's challenge.

20 (e) ~~In the event of~~ If there is a notification by the commissioner to an insurer that the insurer's
21 RBC plan or revised RBC plan is unsatisfactory, the commissioner may, at the commissioner's

1 discretion, subject to the insurer's right to a hearing under section seven of this article, specify in the
2 notification that the notification constitutes a regulatory action level event.

3 (f) Every domestic insurer that files an RBC plan or revised RBC plan with the commissioner
4 shall file a copy of the RBC plan or revised RBC plan with the Insurance Commissioner in any state
5 in which the insurer is authorized to do business if:

6 (1) The state has an RBC provision substantially similar to subsection (a), section eight of
7 this article; and

8 (2) The Insurance Commissioner of that state has notified the insurer of its request for the
9 filing in writing, in which case the insurer shall file a copy of the RBC plan or revised RBC plan in
10 that state no later than the later of:

11 (A) Fifteen days after the receipt of notice to file a copy of its RBC plan or revised RBC plan
12 with the state; or

13 (B) The date on which the RBC plan or revised RBC plan is filed under subsections (c) and
14 (d) of this section.

15 **§33-40-6. Mandatory control level event.**

16 (a) "Mandatory control level event" means any of the following events:

17 (1) The filing of an RBC report which indicates that the insurer's ~~or HMO's~~ total adjusted
18 capital is less than its mandatory control level RBC;

19 (2) Notification by the commissioner to the insurer ~~or HMO~~ of an adjusted RBC report that
20 indicates the event in subdivision (1) of this subsection, provided the insurer ~~or HMO~~ does not
21 challenge the adjusted RBC report under section seven of this article; or

1 (3) If, pursuant to section seven of this article, the insurer ~~or HMO~~ challenges an adjusted
2 RBC report that indicates the event in subdivision (1) of this subsection, notification by the
3 commissioner to the insurer ~~or HMO~~ that the commissioner has, after a hearing, rejected the insurer's
4 ~~or HMO's~~ challenge.

5 (b) ~~In the event of~~ If there is a mandatory control level event:

6 (1) With respect to a life insurer, the commissioner shall take any actions that are necessary
7 to place the insurer under regulatory control under article ten of this chapter. In that event, the
8 mandatory control level event shall be considered sufficient grounds for the commissioner to take
9 action under said article, and the commissioner has the rights, powers and duties with respect to the
10 insurer that are set forth in said article. If the commissioner takes actions pursuant to an adjusted
11 RBC report, the insurer is entitled to the protections of said article pertaining to summary
12 proceedings. Notwithstanding any of the provisions of this subdivision, the commissioner may
13 forego action for up to ninety days after the mandatory control level event if the commissioner finds
14 there is a reasonable expectation that the mandatory control level event may be eliminated within
15 the ninety-day period.

16 (2) With respect to a property and casualty insurer, the commissioner shall take any actions
17 that are necessary to place the insurer under regulatory control under article ten of this chapter or,
18 in the case of an insurer which is writing no business and which is running-off its existing business,
19 may allow the insurer to continue its run-off under the supervision of the commissioner. In either
20 event, the mandatory control level event shall be considered sufficient grounds for the commissioner
21 to take action under said article and the commissioner has the rights, powers and duties with respect

1 to the insurer that are set forth in said article. If the commissioner takes actions pursuant to an
2 adjusted RBC report, the insurer is entitled to the protections of said article pertaining to summary
3 proceedings. Notwithstanding any of the provisions of this subdivision, the commissioner may
4 forego action for up to ninety days after the mandatory control level event if the commissioner finds
5 there is a reasonable expectation that the mandatory control level event may be eliminated within
6 the ninety-day period.

7 ~~(3) With respect to HMOs, the Commissioner shall take any actions that are necessary to~~
8 ~~place the HMO under regulatory control in accordance with the provisions of article ten and section~~
9 ~~nineteen, article twenty-five of this chapter. In that event, the mandatory control level event shall be~~
10 ~~considered sufficient grounds for the Commissioner to take action under said section and the~~
11 ~~Commissioner has the rights, powers and duties with respect to the HMO as are set forth in said~~
12 ~~section. If the Commissioner takes actions pursuant to an adjusted RBC report, the HMO is entitled~~
13 ~~to the protections of said article pertaining to summary proceedings. Notwithstanding any of the~~
14 ~~provisions of this subdivision, the Commissioner may forego action for up to ninety days after the~~
15 ~~mandatory control level event if the Commissioner finds there is a reasonable expectation that the~~
16 ~~mandatory control level event may be eliminated within the ninety-day period.~~

17 **§33-40-7. Hearings.**

18 Insurers have the right to a confidential departmental hearing, on the record, at which the
19 insurer may challenge any determination or action by the commissioner made pursuant to the
20 provisions of this article. The insurer shall notify the commissioner of its request for a hearing within
21 ten days after receiving notification from the commissioner.

- 1 (a) Notification to an insurer by the commissioner of an adjusted RBC report; or
- 2 (b) Notification to an insurer by the commissioner that:
 - 3 (1) The insurer's RBC plan or revised RBC plan is unsatisfactory; and
 - 4 (2) The notification constitutes a regulatory action level event with respect to the insurer; or
- 5 (c) Notification to any insurer by the commissioner that the insurer has failed to adhere to its
- 6 RBC plan or revised RBC plan and that the failure has a substantial adverse effect on the ability of
- 7 the insurer to eliminate the company action level event with respect to the insurer in accordance with
- 8 its RBC plan or revised RBC plan; or
- 9 (d) Notification to an insurer by the commissioner of a corrective order with respect to the
- 10 insurer.
- 11 (e) Upon receipt of the insurer's request for a hearing, the commissioner shall set a date for
- 12 the hearing, which shall be no less than fifteen nor more than forty-five days after the date of the
- 13 insurer's request.
- 14 ~~(f) To the extent that the provisions of this section conflict with any other provisions~~
- 15 ~~applicable to HMOs, the provisions of this section apply.~~

16 **ARTICLE 40A. RISKED-BASED CAPITAL FOR HEALTH ORGANIZATIONS.**

17 **§33-40A-1. Definitions.**

18 As used in this article, these terms shall have the following meanings:

- 19 (a) “Adjusted RBC report” means an RBC report which has been adjusted by the
- 20 commissioner in accordance with subsection (d), section two of this article.
- 21 (b) “Corrective order” means an order issued by the commissioner specifying corrective

1 actions which the commissioner has determined are required.

2 (c) “Domestic health organization” means a health organization domiciled in this state.

3 (d) “Foreign health organization” means a health organization that is licensed to do business
4 in this state under article twenty-five-a of this chapter but is not domiciled in this state.

5 (e) “Health organization” means a health maintenance organization licensed under article
6 twenty-five-a of this chapter, limited health service organization licensed under article twenty-five-d
7 of this chapter, provider sponsored network licensed under article twenty-five-g of this chapter,
8 hospital, medical and dental indemnity or service corporation licensed under article twenty-four of
9 this chapter or other managed care organization licensed under article twenty-five of this chapter.
10 This definition does not include an organization that is licensed under article three of this chapter
11 as either a life or health insurer or a property and casualty insurer and that is otherwise subject to
12 either the life and health or property and casualty RBC requirements.

13 (f) “NAIC” means the National Association of Insurance Commissioners.

14 (g) “Negative trend” means a negative trend over a period of time, as determined in
15 accordance with the trend test calculation included in the RBC instructions.

16 (h) “RBC instructions” means the RBC report including risk-based capital instructions
17 adopted by the NAIC, as these RBC instructions may be amended by the NAIC from time to time
18 in accordance with the procedures adopted by the NAIC.

19 (I) “RBC level” means a health organization’s company action level RBC, regulatory action
20 level RBC, authorized control level RBC, or mandatory control level RBC where:

21 (1) “Company action level RBC” means, with respect to any health organization, the product

1 of 2.0 and its authorized control level RBC;

2 (2) “Regulatory action level RBC” means the product of 1.5 and its authorized control level
3 RBC;

4 (3) “Authorized Control Level RBC” means the number determined under the risk-based
5 capital formula in accordance with the RBC instructions;

6 (4) “Mandatory Control Level RBC” means the product of .70 and the authorized control
7 level RBC.

8 (j) “RBC plan” means a comprehensive financial plan containing the elements specified in
9 subsection (b), section three of this article. If the commissioner rejects the RBC plan, and it is
10 revised by the health organization, with or without the commissioner’s recommendation, the plan
11 shall be called the “revised RBC plan.”

12 (k) “RBC report” means the report required in section two of this article.

13 (k) “Total adjusted capital” means the sum of:

14 (1) A health organization’s statutory capital and surplus (i.e. net worth) as determined in
15 accordance with the statutory accounting application to the annual financial statements required to
16 be filed under:

17 (A) Section four, article twenty-four of this chapter;

18 (B) Section nine, article twenty-five of this chapter;

19 (C) Section nine, article twenty-five-a of this chapter; or

20 (D) Section twelve, article twenty-five-d of this chapter; and

21 (2) Such other items, if any, as the RBC instructions may provide.

1 **§33-40A-2. RBC reports.**

2 (a) A domestic health organization, on or prior to each March 1 (the "filing date"), shall
3 prepare and submit to the commissioner a report of its RBC levels as of the end of the calendar year
4 just ended, in a form and containing such information as is required by the RBC instructions. In
5 addition, a domestic health organization shall file its RBC report:

6 (1) With the NAIC in accordance with the RBC instructions; and

7 (2) With the Insurance Commissioner in any state in which the health organization is
8 authorized to do business, if the Insurance Commissioner has notified the health organization of its
9 request in writing, in which case the health organization shall file its RBC report not later than the
10 later of:

11 (A) Fifteen days from the receipt of notice to file its RBC report with that state; or

12 (B) The filing date.

13 (b) A health organization's RBC shall be determined in accordance with the formula set forth
14 in the RBC instructions. The formula shall take the following into account (and may adjust for the
15 covariance between) determined in each case by applying the factors in the manner set forth in the
16 RBC instructions.

17 (1) Asset risk;

18 (2) Credit risk;

19 (3) Underwriting risk; and

20 (4) All other business risks and such other relevant risks as are set forth in the RBC
21 instructions.

1 (c) An excess of capital (i.e. net worth) over the amount produced by the risk-based capital
2 requirements contained in this article and the formulas, schedules and instructions referenced in this
3 article is desirable in the business of health insurance. Accordingly, health organizations should seek
4 to maintain capital above the RBC levels required by this article. Additional capital is used and
5 useful in the insurance business and helps to secure a health organization against various risks
6 inherent in, or affecting, the business of insurance and not accounted for or only partially measured
7 by the risk-based capital requirements contained in this article.

8 (d) If a domestic health organization files an RBC report that in the judgment of the
9 commissioner is inaccurate, then the commissioner shall adjust the RBC report to correct the
10 inaccuracy and shall notify the health organization of the adjustment. The notice shall contain a
11 statement of the reason for the adjustment. An RBC report as so adjusted is referred to as an
12 “adjusted RBC report.”

13 **§33-40A-3. Company action level event.**

14 (a) "Company action level event" means any of the following events:

15 (1) The filing of an RBC report by a health organization that indicates that the health
16 organization's total adjusted capital is greater than or equal to its regulatory action level RBC but less
17 than its company action level RBC;

18 (2) If a health organization has total adjusted capital which is greater than or equal to its
19 company action level RBC but less than the product of its authorized control level RBC and 3.0 and
20 triggers the trend test determined in accordance with the trend test calculation included in the health
21 RBC instructions:

1 (3) Notification by the commissioner to the health organization of an adjusted RBC report
2 that indicates an event in subdivision (1) of this subsection, provided the health organization does
3 not challenge the adjusted RBC report under section seven of this article; or

4 (4) If, pursuant to section seven of this article, a health organization challenges an adjusted
5 RBC report that indicates the event in subdivision (1) of this subsection, the notification by the
6 commissioner to the health organization that the commissioner has, after a hearing, rejected the
7 health organization's challenge.

8 (b) If there is a company action level event, the health organization shall prepare and submit
9 to the commissioner an RBC plan that shall:

10 (1) Identify the conditions that contribute to the company action level event;

11 (2) Contain proposals of corrective actions that the health organization intends to take and
12 that would be expected to result in the elimination of the company action level event;

13 (3) Provide projections of the health organization's financial results in the current year and
14 at least two succeeding years, both in the absence of proposed corrective actions and giving effect
15 to the proposed corrective actions, including projections of statutory balance sheets, operating
16 income, net income, capital and surplus, and RBC levels. The projections for both new and renewal
17 business might include separate projections for each major line of business and separately identify
18 each significant income, expense and benefit component;

19 (4) Identify the key assumptions impacting the health organization's projections and the
20 sensitivity of the projections to the assumptions; and

21 (5) Identify the quality of, and problems associated with, the health organization's business,

1 including, but not limited to, its assets, anticipated business growth and associated surplus strain,
2 extraordinary exposure to risk, mix of business and use of reinsurance, if any, in each case.

3 (c) The RBC plan shall be submitted:

4 (1) Within forty-five days of the company action level event; or

5 (2) If the health organization challenges an adjusted RBC report pursuant to section seven
6 of this article, within forty-five days after notification to the health organization that the
7 commissioner has, after a hearing, rejected the health organization's challenge.

8 (d) Within sixty days after the submission by a health organization of an RBC plan to the
9 commissioner, the commissioner shall notify the health organization whether the RBC plan shall be
10 implemented or is, in the judgment of the commissioner, unsatisfactory. If the commissioner
11 determines the RBC plan is unsatisfactory, the notification to the health organization shall set forth
12 the reasons for the determination, and may set forth proposed revisions which will render the RBC
13 plan satisfactory, in the judgment of the commissioner. Upon notification from the commissioner,
14 the health organization shall prepare a revised RBC plan, which may incorporate by reference any
15 revisions proposed by the commissioner, and shall submit the revised RBC plan to the
16 commissioner:

17 (1) Within forty-five days after the notification from the commissioner; or

18 (2) If the health organization challenges the notification from the commissioner under section
19 seven of this article, within forty-five days after a notification to the health organization that the
20 commissioner has, after a hearing, rejected the health organization's challenge.

21 (e) If there is a notification by the commissioner to a health organization that the health

1 organization's RBC plan or revised RBC plan is unsatisfactory, the commissioner may, subject to
2 the health organization's right to a hearing under section seven of this article, specify in the
3 notification that the notification constitutes a regulatory action level event.

4 (f) Every domestic health organization that files an RBC plan or revised RBC plan with the
5 commissioner shall file a copy of the RBC plan or revised RBC plan with the Insurance
6 Commissioner in any state in which the health organization is authorized to do business if:

7 (1) The state has an RBC provision substantially similar to subdivision (1), section eight of
8 this article; and

9 (2) The Insurance Commissioner of that state has notified the health organization of its
10 request for the filing in writing, in which case the health organization shall file a copy of the RBC
11 plan or revised RBC plan in that state no later than the later of:

12 (A) Fifteen days after the receipt of notice to file a copy of its RBC plan or revised RBC plan
13 with the state; or

14 (B) The date on which the RBC plan or revised RBC plan is filed under subsections (c) and
15 (d) of this section.

16 **§33-40A-4. Regulatory action level event.**

17 (a) "Regulatory action level event" means, with respect to a health organization, any of the
18 following events:

19 (1) Filing of an RBC report by the health organization that indicates that the health
20 organization's total adjusted capital is greater than or equal to its authorized control level RBC but
21 less than its regulatory action level RBC;

1 (2) Notification by the commissioner to a health organization of an adjusted RBC report that
2 indicates the event in subdivision (1) of this subsection, provided the health organization does not
3 challenge the adjusted RBC report under section seven of this article;

4 (3) If, pursuant to section seven of this article, the health organization challenges an adjusted
5 RBC report that indicates the event in subdivision (1) of this subsection, the notification by the
6 commissioner to the health organization that the commissioner has, after a hearing, rejected the
7 health organization's challenge;

8 (4) The failure of the health organization to file an RBC report by the filing date, unless the
9 health organization has provided an explanation for the failure that is satisfactory to the
10 commissioner and has cured the failure within ten days after the filing date;

11 (5) The failure of the health organization to submit an RBC plan to the commissioner within
12 the time period set forth in subdivision (3), section three of this article;

13 (6) Notification by the commissioner to the health organization that:

14 (A) The RBC plan or revised RBC plan submitted by the health organization is, in the
15 judgment of the commissioner, unsatisfactory; and

16 (B) Notification constitutes a regulatory action level event with respect to the health
17 organization, provided the health organization has not challenged the determination under section
18 seven of this article;

19 (7) If, pursuant to section seven of this article, the health organization challenges a
20 determination by the commissioner under subdivision (6) of this subsection, the notification by the
21 commissioner to the health organization that the commissioner has, after a hearing, rejected the

1 challenge;

2 (8) Notification by the commissioner to the health organization that the health organization
3 has failed to adhere to its RBC plan or revised RBC plan, but only if the failure has a substantial
4 adverse effect on the ability of the health organization to eliminate the company action level event
5 in accordance with its RBC plan or revised RBC plan and the commissioner has so stated in the
6 notification, provided the health organization has not challenged the determination under section
7 seven of this article; or

8 (9) If, pursuant to section seven of this article, the health organization challenges a
9 determination by the commissioner under subdivision (8) of this subsection, the notification by the
10 commissioner to the health organization that the commissioner has, after a hearing, rejected the
11 challenge.

12 (b) If there is a regulatory action level event, the commissioner shall:

13 (1) Require the health organization to prepare and submit an RBC plan or, if applicable, a
14 revised RBC plan;

15 (2) Perform such examination or analysis as the commissioner considers necessary of the
16 assets, liabilities and operations of the health organization including a review of its RBC plan or
17 revised RBC plan; and

18 (3) Subsequent to the examination or analysis, issue an order specifying such corrective
19 actions as the commissioner determine are required (a "corrective order").

20 (c) In determining corrective actions, the commissioner may take into account factors the
21 commissioner deems relevant with respect to the health organization based upon the commissioner's

1 examination or analysis of the assets, liabilities and operations of the health organization, including,
2 but not limited to, the results of any sensitivity tests undertaken pursuant to the RBC instructions.

3 The RBC plan or revised RBC plan shall be submitted:

4 (1) Within forty-five days after the occurrence of the regulatory action level event;

5 (2) If the health organization challenges an adjusted RBC report pursuant to section seven
6 of this article and the challenge is not frivolous in the judgment of the commissioner, within
7 forty-five days after the notification to the health organization that the commissioner has, after a
8 hearing, rejected the health organization's challenge; or

9 (3) If the health organization challenges a revised RBC plan pursuant to section seven of this
10 article and the challenge is not frivolous in the judgment of the commissioner, within forty-five days
11 after the notification to the health organization that the commissioner has, after a hearing, rejected
12 the health organization's challenge.

13 (d) The commissioner may retain actuaries and investment experts and other consultants as
14 may be necessary in the judgment of the commissioner to review the health organization's RBC plan
15 or revised RBC plan, examine or analyze the assets, liabilities and operations (including contractual
16 relationships) of the health organization and formulate the corrective order with respect to the health
17 organization. The fees, costs and expenses relating to consultants shall be borne by the affected
18 health organization or such other party as directed by the commissioner.

19 **§33-40A-5. Authorized control level event.**

20 (a) "Authorized control level event" means any of the following events:

21 (1) The filing of an RBC report by the health organization that indicates that the health

1 organization's total adjusted capital is greater than or equal to its mandatory control level RBC but
2 less than its authorized control level RBC;

3 (2) The notification by the commissioner to the health organization of an adjusted RBC
4 report that indicates the event in subdivision (1) of this subsection, if the health organization does
5 not challenge the adjusted RBC report under section seven of this article;

6 (3) If, pursuant to section seven of this article, the health organization challenges an adjusted
7 RBC report that indicates the event in subdivision (1) of this subsection, notification by the
8 commissioner to the health organization that the commissioner has, after a hearing, rejected the
9 health organization's challenge;

10 (4) The failure of the health organization to respond, in a manner satisfactory to the
11 commissioner, to a corrective order, if the health organization has not challenged the corrective order
12 under section seven of this article; or

13 (5) If the health organization has challenged a corrective order under section seven of this
14 article and the commissioner has, after a hearing, rejected the challenge or modified the corrective
15 order, the failure of the health organization to respond, in a manner satisfactory to the commissioner,
16 to the corrective order subsequent to rejection or modification by the commissioner.

17 (b) If there is an authorized control level event with respect to a health organization, the
18 commissioner shall:

19 (1) Take such actions as are required under section four of this article regarding a health
20 organization with respect to which a regulatory action level event has occurred; or

21 (2) If the commissioner considers it to be in the best interests of the policyholders and

1 creditors of the health organization and of the public, take such actions as are necessary to cause the
2 health organization to be placed under regulatory control under article ten of this chapter. If the
3 commissioner takes such actions, the authorized control level event shall be considered sufficient
4 grounds for the commissioner to take action under article ten of this chapter, and the commissioner
5 has the rights, powers and duties with respect to the health organization as are set forth in article ten
6 of this chapter. If the commissioner takes actions under this subdivision pursuant to an adjusted
7 RBC report, the health organization is entitled to such protections as are afforded to health
8 organizations under the provisions of section four-b, article ten of this chapter pertaining to summary
9 proceedings.

10 **§33-40A-6. Mandatory control level event.**

11 (a) “Mandatory control level event” means any of the following events:

12 (1) The filing of an RBC report which indicates that the health organization's total adjusted
13 capital is less than its mandatory control level RBC;

14 (2) Notification by the commissioner to the health organization of an adjusted RBC report
15 that indicates the event in subdivision (1) of this subsection, if the health organization does not
16 challenge the adjusted RBC report under section seven of this article; or

17 (3) If, pursuant to section seven of this article, the health organization challenges an adjusted
18 RBC report that indicates the event in subdivision (1) of this subsection, notification by the
19 commissioner to the health organization that the commissioner has, after a hearing, rejected the
20 health organization's challenge.

21 (b) If is a mandatory control level event, the commissioner shall take such actions as are

1 necessary to place the health organization under regulatory control under article ten of this chapter.
2 In that event, the mandatory control level event is sufficient grounds for the commissioner to take
3 action under article ten of this chapter, and the commissioner has the rights, powers and duties with
4 respect to the health organization as are set forth in article ten of this chapter. If the commissioner
5 takes actions pursuant to an adjusted RBC report, the health organization is entitled to the protections
6 of section four-b, article ten of this chapter pertaining to summary proceedings. Notwithstanding any
7 of the foregoing, the commissioner may forego action for up to ninety days after the mandatory
8 control level event if the commissioner finds there is a reasonable expectation that the mandatory
9 control level event may be eliminated within the ninety-day period.

10 **§33-40A-7. Hearings.**

11 Upon the occurrence of any of the following events the health organization has the right to
12 a confidential departmental hearing, on a record, at which the health organization may challenge any
13 determination or action by the commissioner. The health organization shall notify the commissioner
14 of its request for a hearing within five days after the notification by the commissioner under
15 subsections (a), (b), (c) or (d) of this section. Upon receipt of the health organization's request for
16 a hearing, the commissioner shall set a date for the hearing, which shall be no less than ten nor more
17 than thirty days after the date of the health organization's request. The events include:

- 18 (a) Notification to a health organization by the commissioner of an adjusted RBC report;
19 (b) Notification to a health organization by the commissioner that:
20 (1) The health organization's RBC plan or revised RBC plan is unsatisfactory; and
21 (2) Notification constitutes a regulatory action level event with respect to the health

1 organization;

2 (c) Notification to a health organization by the commissioner that the health organization
3 has failed to adhere to its RBC plan or revised RBC plan and that the failure has a substantial adverse
4 effect on the ability of the health organization to eliminate the company action level event with
5 respect to the health organization in accordance with its RBC plan or revised RBC plan; or

6 (d) Notification to a health organization by the commissioner of a corrective order with
7 respect to the health organization.

8 **§33-40A-8. Confidentiality; prohibition on announcements; prohibition on use in ratemaking.**

9 (a) All RBC reports (to the extent the information is not required to be set forth in a publicly
10 available annual statement schedule) and RBC plans (including the results or report of any
11 examination or analysis of a health organization performed pursuant to this statute and any corrective
12 order issued by the commissioner pursuant to examination or analysis) with respect to a domestic
13 health organization or foreign health organization that are in the possession or control of the
14 commissioner shall be confidential by law and privileged, are not subject to the provisions of chapter
15 twenty-nine-b of this code, are not subject to subpoena, and are not subject to discovery or
16 admissible in evidence in any private civil action. However, the commissioner may use the
17 documents, materials or other information in the furtherance of any regulatory or legal action brought
18 as a part of the commissioner's official duties.

19 (b) Neither the commissioner nor any person who received documents, materials or other
20 information while acting under the authority of the commissioner are permitted or required to testify
21 in any private civil action concerning any confidential documents, materials or information subject

1 to subsection (a) of this section.

2 (c) In order to assist in the performance of the commissioner's duties, the commissioner:

3 (1) May share documents, materials or other information, including the confidential and
4 privileged documents, materials or information subject to subsection (a) of this section, with other
5 state, federal and international regulatory agencies, with the NAIC and its affiliates and subsidiaries,
6 and with state, federal and international law-enforcement authorities the recipient agrees to maintain
7 the confidentiality and privileged status of the document, material or other information;

8 (2) May receive documents, materials or information, including otherwise confidential and
9 privileged documents, materials or information, from the NAIC and its affiliates and subsidiaries,
10 and from regulatory and law-enforcement officials of other foreign or domestic jurisdictions, and
11 shall maintain as confidential or privileged any document, material or information received with
12 notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that
13 is the source of the document, material or information; and

14 (3) May enter into agreements governing sharing and use of information consistent with this
15 subsection.

16 (d) No waiver of any applicable privilege or claim of confidentiality in the documents,
17 materials or information may occur as a result of disclosure to the commissioner under this section
18 or as a result of sharing as authorized in subdivision (3), subsection (c) of this section.

19 (e) It is the finding of the Legislature that the comparison of a health organization's total
20 adjusted capital to any of its RBC levels is a regulatory tool which may indicate the need for
21 corrective action with respect to the health organization, and is not intended as a means to rank

1 health organizations generally. Therefore, except as otherwise required under the provisions of this
2 article, the making, publishing, disseminating, circulating or placing before the public, or causing,
3 directly or indirectly to be made, published, disseminated, circulated or placed before the public, in
4 a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or
5 poster, or over a radio or television station, or in any other way, an advertisement, announcement or
6 statement containing an assertion, representation or statement with regard to the RBC levels of any
7 health organization, or of any component derived in the calculation by any health organization, agent,
8 broker or other person engaged in any manner in the insurance business would be misleading and
9 is therefore prohibited: *Provided*, That if any materially false statement with respect to the
10 comparison regarding a health organization's total adjusted capital to its RBC levels (or any of them)
11 or an inappropriate comparison of any other amount to the health organization's RBC levels is
12 published in any written publication and the health organization is able to demonstrate to the
13 commissioner with substantial proof the falsity of the statement, or the inappropriateness, as the case
14 may be, then the health organization may publish an announcement in a written publication if the
15 sole purpose of the announcement is to rebut the materially false statement.

16 (f) It is the further finding of the Legislature that the RBC instructions, RBC reports,
17 adjusted RBC reports, RBC plans and revised RBC plans are intended solely for use by the
18 commissioner in monitoring the solvency of health organizations and the need for possible corrective
19 action with respect to health organizations and shall not be used by the commissioner for rate making
20 nor considered or introduced as evidence in any rate proceeding nor used by the commissioner to
21 calculate or derive any elements of an appropriate premium level or rate of return for any line of

1 insurance that a health organization or any affiliate is authorized to write.

2 **§33-40A-9. Supplemental provisions; rules; exemption.**

3 (a) The provisions of this article are supplemental to any other provisions of the laws of this
4 state, and do not preclude or limit any other powers or duties of the commissioner under such laws,
5 including, but not limited to, article ten and article thirty-four of this chapter.

6 (b) The commissioner may propose reasonable rules for legislative approval in accordance
7 with chapter twenty-nine-a of this code, as are necessary or proper to effectuate the purposes of this
8 article and to prevent circumvention and evasion thereof.

9 (c) The commissioner may exempt from the application of this article a domestic health
10 organization that:

11 (1) Writes direct business only in this state;

12 (2) Assumes no reinsurance in excess of five percent of direct premiums written; and

13 (3) Writes direct annual premiums for comprehensive medical business of \$2 million or
14 less; or

15 (4) Is a limited health service organization that covers less than two thousand lives.

16 **§33-40A-10. Foreign health organizations.**

17 (a)(1) A foreign health organization, upon the written request of the commissioner, shall
18 submit to the commissioner an RBC report, as of the end of the calendar year just ended, not later
19 than the later of:

20 (A) The date an RBC report would be required to be filed by a domestic health organization
21 under this article; or

1 (B) Fifteen days after the request is received by the foreign health organization.

2 (2) A foreign health organization, at the written request of the commissioner, shall promptly
3 submit to the commissioner a copy of any RBC plan that is filed with the insurance commissioner
4 of any other state.

5 (b) If there is a company action level event, regulatory action level event or authorized
6 control level event with respect to a foreign health organization as determined under the RBC statute
7 applicable in the state of domicile of the health organization (or, if no RBC statute is in force in that
8 state, under the provisions this article), if the Insurance Commissioner of the state of domicile of the
9 foreign health organization fails to require the foreign health organization to file an RBC plan in the
10 manner specified under that state's RBC statute (or, if no RBC statute is in force in that state, under
11 section three of this article), the commissioner may require the foreign health organization to file an
12 RBC plan with the commissioner. In that event, the failure of the foreign health organization to file
13 an RBC plan with the commissioner is grounds to order the health organization to cease and desist
14 from writing new insurance business in this state.

15 (c) If there is a mandatory control level event with respect to a foreign health organization,
16 and no domiciliary receiver has been appointed with respect to the foreign health organization under
17 the rehabilitation and liquidation statute applicable in the state of domicile of the foreign health
18 organization, the commissioner may make application to the Circuit Court of Kanawha County
19 permitted under section two, article ten of this chapter with respect to the liquidation of property of
20 foreign health organizations found in this state, and the occurrence of the mandatory control level
21 even shall be considered adequate grounds for the application.

1 **§33-40A-11. Immunity.**

2 There is no liability on the part of, and no cause of action may arise against, the
3 commissioner or the West Virginia insurance department or its employees or agents for any action
4 taken by them in the performance of their powers and duties under this article.

5 **§33-40A-12. Notices.**

6 All notices by the commissioner to a health organization that may result in regulatory action
7 under this article are effective upon dispatch if transmitted by registered or certified mail, or in the
8 case of any other transmission shall be effective upon the health organization's receipt of notice.

9 **§33-40A-13. Effective date.**

10 This article becomes effective immediately upon its enactment.

NOTE: The purpose of this bill is to adopt a National Association of Insurance Commissioners' model to establish standards for minimum capital and surplus to be maintained by a health organization and provide for the early detection of a potentially hazardous or otherwise dangerous financial condition of a health organization in order to protect its enrollees and the general public.

Strike-throughs indicate language that would be stricken from the present law, and underscoring indicates new language that would be added.

Article 40A is new; therefore strike-throughs and underscoring have been omitted.
