§49-1-102. Legislative Intent; continuation of existing statutory provisions; no increase in funding obligations.

In recodifying the child welfare law of this state during the regular session of the Legislature in the year 2015, it is intended by the Legislature that each specific reenactment of a substantively similar prior statutory provision will be construed as continuing the intended meaning of the corresponding prior statutory provision and any existing judicial interpretation of the prior statutory provision. It is not the intent of the Legislature, by recodifying the child welfare law of this state during the regular session of the Legislature in the year 2015 to alter the
§49-1-103. Operative date of enactment; effect on existing law.

The amendment and reenactment of chapter forty-nine of this code, as enacted by the Legislature during the regular session, 2015, are operative on September 1, 2015. The prior enactments of chapter forty-nine of this code, whether amended and reenacted or repealed by the action of the Legislature during the 2015 regular session, have full force and effect until that time.

§49-1-104. West Virginia Code replacement; no increase of funding obligations to be construed.

(a) The Department of Health and Human Resources and the Department of Military Affairs and Public Safety are not required to change any form or letter that contains a citation to this code that is changed or otherwise affected by the recodification of this chapter during the 2015 regular session of the Legislature unless specifically required by a provision of this code.

(d) Through licensure, approval, and registration of child care, the state exercises its benevolent police power to protect the user of a service from risks against which he or she would have little or no competence for self protection. The department is also authorized to accept children for care from their parent or parents, guardian, custodian or relatives and to accept the custody of children committed to its care by courts. The Department of Health and Human Resources or any county office of the department is also authorized and to accept

(b) A child welfare agency may not be incorporated in this state unless the articles of incorporation have first been examined and approved by the secretary, or his or her designee. Proposed amendments to articles of incorporation shall be subject to the examination and approval of the secretary, or his or her designee.
§49-2-113. Residential child care centers; licensure, certification, approval and registration; requirements.

§49-2-114. Application for license or approval.

(a) Any person or corporation or any governmental agency intending to act as a child welfare agency shall apply for a license, approval or registration certificate to operate child care facilities regulated by this chapter. Applications for licensure, approval or registration shall be made separately for each child care facility to be licensed, approved, certified or registered.

child care homes.

(b) The secretary may revoke the certificate of registration
of any family child care home if a facility materially violates this

§49-2-121. Rule-making.

(a) The secretary shall promulgate legislative rules in accordance with chapter twenty-nine-a of this code regarding the licensure, approval, certification and registration of child care facilities and the implementation of this article. The rules shall provide at a minimum the requirement that every residential child care facility shall be subject to an annual time study regarding the quantification of staff supervision time at each facility. Every residential child care facility shall participate in the time study at the request of the department.
(b) The secretary shall review the rules promulgated pursuant to this article at least once every five years, making revisions when necessary or convenient.

(c) The rules shall incorporate by reference the requirements of the Integrated Pest Management Program established by legislative rule by the Department of Agriculture under section four, article sixteen-a, chapter nineteen of this code.

§49-2-122. Waivers and variances to rules.

Waivers or variances of rules may be granted by the secretary if the health, safety or well-being of a child would not be endangered thereby. The secretary shall promulgate by legislative rule criteria and procedures for the granting of waivers or variances so that uniform practices may be maintained throughout the state.

§49-2-123. Annual reports; directory; licensing reports and recommendations.

(a) The secretary shall submit on or before January 1, of each year a report to the Governor and the Legislative Oversight Commission on Health and Human Resources Accountability, concerning the regulation of child welfare agencies, child
placing agencies, child care centers, family child care facilities, family child care homes, informal family child care homes, relative family child care homes and child care facilities during the year. The report shall include at a minimum, data on the number of children and staff at each facility (except family child care, informal family child care homes and relative family child care), applications received, types of licenses, approvals and registrations granted, denied, made provisional or revoked and any injunctions obtained or facility closures ordered.

(b) The secretary also shall compile annually a directory of licensed, certified and approved child care providers including a brief description of their program and facilities, the program’s capacity and a general profile of children served. A listing of family child care homes shall also be compiled annually.

(c) Licensing reports and recommendations for licensure which are a part of the yearly review of each licensed facility shall be sent to the facility director. Copies shall be available to the public upon written request to the secretary.
§49-2-124. Certificate of need not required; conditions; review.

(a) A certificate of need, as provided in article two-d, chapter sixteen of this code, is not required by an entity proposing behavioral health care facilities or behavioral health care services for children who are placed out of their home, or who are at imminent risk of being placed out of their home, if a summary review is performed in accordance with this section.

(b) A summary review of proposed health care facilities or health care services for children who are placed out of their home, or who are at imminent risk of being placed out of their home, is initiated when the proposal is recommended to the health care cost review authority by the Secretary of the Department of Health and Human Resources and the secretary has made the following findings:

(1) That the proposed facility or service is consistent with the state health plan;

(2) That the proposed facility or service is consistent with the department’s programmatic and fiscal plan for behavioral health services for children with mental health and addiction disorders;
(3) That the proposed facility or service contributes to providing services that are child and family driven, with priority given to keeping children in their own homes;

(4) That the proposed facility or service will contribute to reducing the number of child placements in out-of-state facilities by making placements available in in-state facilities;

(5) That the proposed facility or service contributes to reducing the number of child placements in in-state or out-of-state facilities by returning children to their families, placing them in foster care programs or making available school-based and out-patient services; and

(6) If applicable, that the proposed services will be community-based, locally accessible and provided in an appropriate setting consistent with the unique needs and potential of each child and his or her family.

(c) The secretary’s findings required by subsection (b) of this section shall be filed with the secretary’s recommendation and appropriate documentation. If the secretary’s findings are supported by the accompanying documentation, the proposal shall not require a certificate of need.
(d) Any entity that does not qualify for summary review shall be subject to certificate of need review.

(e) Notwithstanding any other provision of law to the contrary, the provision of regular or therapeutic foster care services does not constitute a behavioral health care facility or a behavioral health care service that would subject it to the summary review procedure established in this section or to the certificate of need requirements provided in article two-d, chapter sixteen of this code.

§49-2-125. Commission to Study Residential Placement of Children; findings; requirements; reports; recommendations; termination.

(a) The Legislature finds that the state’s current system of serving children and families in need of or at risk of needing social, emotional and behavioral health services is fragmented. The existing categorical structure of government programs and their funding streams discourages collaboration, resulting in duplication of efforts and a waste of limited resources. Children are usually involved in multiple child-serving systems, including child welfare, juvenile justice and special education. More than ten percent of children presently in care are presently in
out-of-state placements. Earlier efforts at reform have focused on quick fixes for individual components of the system at the expense of the whole. It is the purpose of this section to establish a mechanism to achieve systemic reform by which all of the state’s child-serving agencies involved in the residential placement of at-risk youth jointly and continually study and improve upon this system and make recommendations to their respective agencies and to the Legislature regarding funding and statutory, regulatory and policy changes. It is further the Legislature’s intent to build upon these recommendations to establish an integrated system of care for at-risk youth and families that makes prudent and cost-effective use of limited state resources by drawing upon the experience of successful models and best practices in this and other jurisdictions, which focuses on delivering services in the least restrictive setting appropriate to the needs of the child, and which produces better outcomes for children, families and the state.

(b) There is created within the Department of Health and Human Resources the Commission to Study the Residential Placement of Children. The commission consists of the Secretary
of the Department of Health and Human Resources, the Commissioner of the Bureau for Children and Families, the Commissioner for the Bureau for Behavioral Health and Health Facilities, the Commissioner for the Bureau for Medical Services, the State Superintendent of Schools, a representative of local educational agencies, the Director of the Office of Institutional Educational Programs, the Director of the Office of Special Education Programs and Assurance, the Director of the Division of Juvenile Services and the Executive Director of the Prosecuting Attorney’s Institute. At the discretion of the West Virginia Supreme Court of Appeals, circuit and family court judges and other court personnel, including the Administrator of the Supreme Court of Appeals and the Director of the Juvenile Probation Services Division, may serve on the commission. These statutory members may further designate additional persons in their respective offices who may attend the meetings of the commission if they are the administrative head of the office or division whose functions necessitate their inclusion in this process. In its deliberations, the commission shall also consult and solicit input from families and service providers.
(c) The Secretary of the Department of Health and Human Resources shall serve as chair of the commission, which shall meet on a quarterly basis at the call of the chair.

(d) At a minimum, the commission shall study:

(1) The current practices of placing children out-of-home and into in-residential placements, with special emphasis on out-of-state placements;

(2) The adequacy, capacity, availability and utilization of existing in-state facilities to serve the needs of children requiring residential placements;

(3) Strategies and methods to reduce the number of children who must be placed in out-of-state facilities and to return children from existing out-of-state placements, initially targeting older youth who have been adjudicated delinquent;

(4) Staffing, facilitation and oversight of multidisciplinary treatment planning teams;

(5) The availability of and investment in community-based, less restrictive and less costly alternatives to residential placements;
(6) Ways in which up-to-date information about in-state placement availability may be made readily accessible to state agency and court personnel, including an interactive secure web site;

(7) Strategies and methods to promote and sustain cooperation and collaboration between the courts, state and local agencies, families and service providers, including the use of inter-agency memoranda of understanding, pooled funding arrangements and sharing of information and staff resources;

(8) The advisability of including “no-refusal” clauses in contracts with in-state providers for placement of children whose treatment needs match the level of licensure held by the provider;

(9) Identification of in-state service gaps and the feasibility of developing services to fill those gaps, including funding;

(10) Identification of fiscal, statutory and regulatory barriers to developing needed services in-state in a timely and responsive way;

(11) Ways to promote and protect the rights and participation of parents, foster parents and children involved in out-of-home care;
(12) Ways to certify out-of-state providers to ensure that children who must be placed out-of-state receive high quality services consistent with this state’s standards of licensure and rules of operation; and

(13) Any other ancillary issue relative to foster care placement.

(e) The commission shall report annually to the Legislative Oversight Commission on Health and Human Resources Accountability its conclusions and recommendations, including an implementation plan whereby:

(1) Out-of-state placements shall be reduced by at least ten percent per year and by at least fifty percent within three years;

(2) Child-serving agencies shall develop joint operating and funding proposals to serve the needs of children and families that cross their jurisdictional boundaries in a more seamless way;

(3) Steps shall be taken to obtain all necessary federal plan waivers or amendments in order for agencies to work collaboratively while maximizing the availability of federal funds;

PART II. HOME-BASED FAMILY PRESERVATION ACT

§49-2-201. Findings and purpose.

The Legislature finds that there exists a need in this state to assist dysfunctional families by providing nurture and care to those families’ children as an alternative to removing children from the families.

The Legislature also finds that the family is the primary social institution responsible for meeting the needs of children and that the state has an obligation to assist families in this regard.
The Legislature further finds that children have significant emotional and social ties to the natural or surrogate family beyond basic care and nurture for which the family is responsible.

The purpose of this article is to establish a pilot program to evaluate the utility of providing intensive intervention with the families of children that are at risk of being removed from the home. For these limited purposes, the department is authorized to use available appropriate funds for that intervention service, but only to the extent that moneys would normally be available for the removal and placement of the particular child at risk.

§49-2-202. When family preservation services required.

Home-based family preservation services are required in all cases where the removal of a child or children is seriously being considered, whether from a natural home or a surrogate home, wherein a child or children have lived for a substantial period of time. However, those services are not required when the child appears in imminent danger of serious bodily or serious emotional injury.
§49-2-203. Caseload limits for home-based preservation services.

For purposes of this article, no contractor employee of the department may exceed three families during any period of time when that contractor employee is engaged in providing intensive, short term home-based family preservation intervention. In addition, no caseload may exceed six families during any period of time when home-based aftercare is provided pursuant to this article. When providing either type of home-based family preservation services to any family, the department or contractor shall provide trained personnel who shall be available during nonworking hours to assist families on an emergency basis.

§49-2-204. Situational criteria requiring service.

The services required by this article shall be made available to any dysfunctional family in which there exists an imminent risk of placement of at least one child outside the home as the result of abuse, neglect, dependency or delinquency or any emotional and behavioral problems. Payment for contractual services shall be on a cost-per-family basis. Any renewal of a contract shall be based on performance.
§49-2-205. Service delivery through service contracts; accountability.

1 The services required by this article which are not practically deliverable directly from the department may be subcontracted to professionally qualified private individuals, associations, agencies, corporations, partnerships or groups. The service provider shall be required to submit monthly activity reports as to any services rendered to the department of human services.

2 The activity reports shall include project evaluation in relation to individual families being served as well as statistical data concerning families that are referred for services which are not served due to unavailability of resources. The costs of program evaluation are an allowable cost consideration in any service contract negotiated in accordance with this article. The department shall conduct a thorough investigation of the contractors utilized by the department pursuant to this article.

§49-2-206. Special services to be provided.

1 The costs of providing special services to families receiving regular services in accordance with this article are allowable to the extent those goods and services are justified pursuant to
carrying out the purposes of this article. Those special services may include, but are not limited to, homemaker assistance, food, clothing, educational materials, respite care and recreational or social activities.

§49-2-207. Development of home-based family preservation services.

The department is authorized to use appropriate state, federal, and/or private funds within its budget for the provision of family preservation and reunification services. Appropriated state funding made available through capture of additional federal funds shall be utilized to provide family preservation and reunification services as described in this article. Costs of providing home-based services described in this article shall not exceed the costs of out-of-home care which would be incurred otherwise.

PART III. QUALITY IMPROVEMENT AND RATING SYSTEM FOR CHILD CARE.

§49-2-301. Findings and intent; advisory council.

(a) The Legislature finds that:
(1) High quality early childhood development substantially improves the intellectual and social potential of children and reduces societal costs;

(2) A child care program quality rating and improvement system provides incentives and resources to improve the quality child care programs; and

(3) A child care program quality rating and improvement system provides information about the quality of child care programs to parents so they may make more informed decisions about the placement of their children.

(b) It is the intent of the Legislature to require the Secretary of the Department of Health and Human Resources promulgate a legislative rule and establish a plan for the phased implementation of a child care program quality rating and improvement system not inconsistent with the provisions of this article.

(c) The Secretary of the Department of Health and Human Resources shall create a Quality Rating and Improvement System Advisory Council to provide advice on the development of the rule and plan for the phased implementation of a child care program quality rating and improvement system.
care program quality rating and improvement system and the ongoing program review and policies for quality improvement. The secretary shall facilitate meetings of the advisory council. §49-2-302. Creation of statewide quality rating system; rule-making; minimum requirements.

(a) The Secretary of the Department of Health and Human Resources shall propose rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code to implement a quality rating and improvement system. The quality rating and improvement system shall be applicable to licensed child care centers and facilities and registered family child care homes. If other types
of child care settings, such as school-age child care programs become licensed after the implementation of a statewide quality rating and improvement system, the secretary may develop quality criteria and incentives that will allow the other types of child care settings to participate in the quality rating and improvement system. The rules shall include, but are not limited to, the following:

(1) A four-star rating system for registered family child care homes and a four-star rating system for all licensed programs, including family child care facilities and child care centers, to easily communicate to consumers four progressively higher levels of quality child care. The system shall reflect the cumulative attainment of the standards at each level and all lesser levels. However, any program accredited by the National Association for the Education of Young Children or the National Association for Family Child Care, as applicable, shall automatically be awarded four-star status;
(2) Program standards for registered family child care homes and program standards for all licensed programs, including family child care facilities and child care centers, that are each divided into four levels of attributes that progressively improve the quality of child care beginning with basic state registration and licensing requirements at level one, through achievement of a national accreditation by the appropriate organization at level four. Participation beyond the first level is voluntary. The program standards shall be categorized using the West Virginia State Training and Registry System Core Knowledge Areas or its equivalent;

(3) Accountability measures that provide for a fair, valid, accurate and reliable assessment of compliance with quality standards, including, but not limited to:

(A) Evaluations conducted by trained evaluators with appropriate early childhood education and training on the selected assessment tool and with a demonstrated inter-rater reliability of eighty-five percent or higher. The evaluations shall include an on-site inspection conducted at least annually to determine whether programs are rated correctly and continue to
meet the appropriate standards. The evaluations and observations shall be conducted on at least a statistically valid percentage of center classrooms, with a minimum of one class per age group;

(C) Two types of grants shall be awarded to child care programs in accordance with the following:

(i) An incentive grant shall be awarded based on the type of child care program and the level at which the child care program is rated with the types of child care programs having more children and child care programs rated at higher tiers being awarded a larger grant than the types of child care programs having less children and child care programs rated at lower tiers; and

PART VI. WEST VIRGINIA FAMILY SUPPORT PROGRAM.

§49-2-601. Findings; intent.

(a) The West Virginia Legislature finds that families are the greatest resource available to individuals with developmental disabilities, and they must be supported in their role as primary caregivers. It further finds that supporting families in their effort to care for their family members at home is more efficient, cost effective and humane than placing the developmentally disabled person in an institutional setting.

(b) The Legislature accepts the following as basic principles for providing services to support families of people with developmental disabilities:

(1) The quality of life of children with developmental disabilities, their families and communities is enhanced by caring for the children within their own homes. Children with disabilities benefit by growing up in their own families, families
(2) Adults with developmental disabilities should be afforded the opportunity to make decisions for themselves, live in typical homes and communities and exercise their full rights as citizens. Developmentally disabled adults should have the option of living separately from their families but when this is not the case, families of disabled adults should be provided the support services they need.

(3) Services and support for families should be individualized and flexible, should focus on the entire family and should promote the inclusion of people with developmental disabilities in all aspects of school and community life.

(4) Families are the best experts about what they need. The service system can best assist families by supporting families as decision makers as opposed to making decisions for them.

(c) The Legislature finds that there are at least ten thousand West Virginians with developmental disabilities who live with and are supported by their families, and that the state’s policy is
to prevent the institutionalization of people with developmental disabilities.

(d) To maximize the number of families supported by this program, each family will contribute to the cost of goods and services based on their ability to pay, taking into account their needs and resources.

(e) Therefore, it is the intent of the Legislature to initiate, within the resources available, a program of services to support families who are caring for family members with developmental disabilities in their homes.

§49-2-602. Family support services; responsibilities; funds; case management; outreach; differential fees.

(a) The regional family support agency, designated under article two of this chapter, shall direct and be responsible for the individual assessment of each developmentally disabled person which it has designated and shall prepare a service plan with the developmentally disabled person’s family. The needs and preferences of the family will be the basis for determining what goods and services will be made available within the resources available.
(b) The family support program may provide funds to families to purchase goods and services included in the family service plan. Those goods and services related to the care of the developmentally disabled person may include, but are not limited to:

1. Respite care;
2. Personal and attendant care;
3. Child care;
4. Architectural and vehicular modifications;
5. Health-related costs not otherwise covered;
6. Equipment and supplies;
7. Specialized nutrition and clothing;
8. Homemaker services;

(c) As part of the family support program, the regional family support agency, designated under section six hundred two of this article, shall provide case management for each family to
provide information, service coordination and other assistance as needed by the family.

(d) The family support program shall assist families of developmentally disabled adults in planning and obtaining community living arrangements, employment services and other resources needed to achieve, to the greatest extent possible, independence, productivity and integration of the developmentally disabled adult into the community.

(e) The family support program shall conduct outreach to identify families in need of assistance and shall maintain a waiting list of individuals and families in the event that there are insufficient resources to provide services to all those who request them.

(f) The family support program may provide for differential fees for services under the program or for appropriate cost participation by the recipient families consistent with the goals of the program and the overall financial condition of the family.

(g) Funds, goods or services provided to eligible families by the family support program under this article shall not be considered as income to those families for any purpose under
§49-2-603. Eligibility; primary focus.

(a) To be eligible for the family support program, a family must have at least one family member who has a developmental disability, as defined in this article, living with the family.

(b) The primary focus of the family support program is supporting: (1) Developmentally disabled children, school age and younger, within their families; (2) adults with developmental disabilities who choose to live with their families; and (3) adults with developmental disabilities for whom other community living arrangements are not available and who are living with their families.

§49-2-604. Program administration; implementation; procedures; annual evaluation; coordination; plans; grievances; reports.

agencies of the family support program will be responsible for

§49-2-605. Regional and state family support councils; membership; meetings; reimbursement of expenses.
1 (a) Each regional family support agency shall establish a regional family support council comprised of at least seven members, of whom at least a majority shall be persons with developmental disabilities or their parents or primary caregivers.
2 Each regional family support council shall meet at least quarterly to advise the regional family support agency on matters related to local implementation of the family support program and to
communicate information and recommendations regarding the family support program to the State Family Support Council.

(d) Members of the state and regional councils who are a 
member of the family or the primary caregiver of a

§49-2-802. Establishment of child protective services; general duties and powers; administrative procedure; immunity from civil liability; cooperation of other state agencies.

(a) The department shall establish or designate in every county a local child protective services office to perform the duties and functions set forth in this article.
(b) The local child protective services office shall investigate all reports of child abuse or neglect. Under no circumstances may investigating personnel be relatives of the accused, the child or the families involved. In accordance with the local plan for child protective services, it shall provide protective services to prevent further abuse or neglect of children and provide for or arrange for and coordinate and monitor the provision of those services necessary to ensure the safety of children. The local child protective services office shall be organized to maximize the continuity of responsibility, care and service of individual workers for individual children and families. Under no circumstances may the secretary or his or her designee promulgate rules or establish any policy which restricts the scope or types of alleged abuse or neglect of minor children which are to be investigated or the provision of appropriate and available services.

(c) Each local child protective services office shall:

(1) Receive or arrange for the receipt of all reports of children known or suspected to be abused or neglected on a twenty-four hour, seven-day-a-week basis and cross-file all
reports under the names of the children, the family and any
person substantiated as being an abuser or neglecter by
inquiry, with use of cross-filing of the person’s name limited
to the internal use of the department;

(2) Provide or arrange for emergency children’s services to
be available at all times;

(3) Upon notification of suspected child abuse or neglect,
commence or cause to be commenced a thorough investigation
of the report and the child’s environment. As a part of this

interview with the child or children and the development of a
protection plan, if necessary for the safety or health of the child,
which may involve law-enforcement officers or the court;

(4) Respond immediately to all allegations of imminent
danger to the physical well-being of the child or of serious
physical abuse. As a part of this response, within seventy-two
hours there shall be a face-to-face interview with the child or
children and the development of a protection plan, which may
involve law-enforcement officers or the court; and
(5) In addition to any other requirements imposed by this section, when any matter regarding child custody is pending, the circuit court or family court may refer allegations of child abuse and neglect to the local child protective services office for investigation of the allegations as defined by this chapter and require the local child protective services office to submit a written report of the investigation to the referring circuit court or family court within the time frames set forth by the circuit court or family court.

(d) In those cases in which the local child protective services office determines that the best interests of the child require court action, the local child protective services office shall initiate the appropriate legal proceeding.

(e) The local child protective services office shall be responsible for providing, directing or coordinating the appropriate and timely delivery of services to any child suspected or known to be abused or neglected, including services to the child’s family and those responsible for the child’s care.

(f) To carry out the purposes of this article, all departments, boards, bureaus and other agencies of the state or any of its

...
political subdivisions and all agencies providing services under
the local child protective services plan shall, upon request,
provide to the local child protective services office any
assistance and information as will enable it to fulfill its
responsibilities.

(g)(1) In order to obtain information regarding the location
of a child who is the subject of an allegation of abuse or neglect,
the Secretary of the Department of Health and Human Resources
may serve, by certified mail or personal service, an
administrative subpoena on any corporation, partnership,
business or organization for the production of information
leading to determining the location of the child.

(2) In case of disobedience to the subpoena, in compelling
the production of documents, the secretary may invoke the aid
of:

(A) The circuit court with jurisdiction over the served party
if the person served is a resident; or

(B) The circuit court of the county in which the local child
protective services office conducting the investigation is located
if the person served is a nonresident.
(3) A circuit court shall not enforce an administrative subpoena unless it finds that:

(A) The investigation is one the Division of Child Protective Services is authorized to make and is being conducted pursuant to a legitimate purpose;

(B) The inquiry is relevant to that purpose;

(C) The inquiry is not too broad or indefinite;

(D) The information sought is not already in the possession of the Division of Child Protective Services; and

(E) Any administrative steps required by law have been followed.

(4) If circumstances arise where the secretary, or his or her designee, determines it necessary to compel an individual to provide information regarding the location of a child who is the subject of an allegation of abuse or neglect, the secretary, or his or her designee, may seek a subpoena from the circuit court with jurisdiction over the individual from whom the information is sought.

(h) No child protective services caseworker may be held personally liable for any professional decision or action taken
pursuant to that decision in the performance of his or her official
duties as set forth in this section or agency rules promulgated
thereupon. However, nothing in this subsection protects any
child protective services worker from any liability arising from
the operation of a motor vehicle or for any loss caused by gross
negligence, willful and wanton misconduct or intentional
misconduct.

§49-2-803. Persons mandated to report suspected abuse and
neglect; requirements.

(a) Any medical, dental or mental health professional,

In the event that the individual receiving the disclosure or observing the sexual abuse or sexual assault has a good faith belief that the reporting of the event to the police would expose either the reporter, the subject child, the reporter’s children or other children in the subject child’s household to an increased threat of serious bodily injury, the individual may delay making the report while he or she undertakes measures to remove themselves or the affected children from the perceived threat of additional harm and the individual makes the report as soon as practicable after the threat of harm has been reduced. The law-enforcement agency that receives a report under this subsection shall report the allegations to the Department of Health and Human Resources and coordinate with any other law-enforcement agency, as necessary to investigate the report.

In the event a child protective service worker, in response to a report mandated by section eight hundred two and eight hundred three of this article, forms a reasonable suspicion that an animal is the victim of cruel or inhumane treatment, he or she shall report the suspicion and the basis therefor to the county humane officer provided under section one, article ten, chapter

number to receive those calls reporting suspected or known child

Notwithstanding section two hundred one, article four of this chapter, the Department of Health and Human Resources shall provide copies of the statistical data maintained pursuant to this subsection to the State Police child abuse and neglect investigations unit to carry out its responsibilities to protect children from abuse and neglect.

The Department of Health and Human Resources shall provide to each status offender committed to the facility a program of treatment and services consistent with the individualized program of rehabilitation developed for the juvenile. In the case of any other juvenile residing at the facility, the department shall provide those programs and services as may be proper in the circumstances including, but not limited to, any programs or services directed to be provided by the court.

(c) The board of education of the county in which the facility is located shall provide instruction for juveniles residing at the facility. Residents who can be permitted to do so shall attend

account designated “The Juvenile Services Reimbursement
Offender Fund” within and for the benefit of the Division of
Juvenile Services for expenses incurred in servicing juvenile
status offenders in need of stabilization and specialized
supervision. Moneys shall be paid into the account by the
Department of Health and Human Resources, based upon an
established per diem rate, or other funding sources. The
Department of Health and Human Resources and the Division of
Juvenile Services shall jointly establish the per diem rate to be
paid into the fund by the Department of Health and Human
Resources for each juvenile status offender in need of
stabilization and specialized supervision by the Division of
Juvenile Services pursuant to this article and by cooperative
agreement. The Director of Juvenile Services is authorized to
make expenditures from the fund in accordance with article
three, chapter twelve of this code to offset expenses incurred by
the Division of Juvenile Services in housing, treatment and
caring for juvenile offenders.

§49-2-1005. Legal custody; law-enforcement agencies.

The Department of Health and Human Resources may
require any juvenile committed to its legal custody to remain at
and to return to the residence to which the juvenile is assigned
by the department or by the juvenile court. In aid of that
authority, and upon request of a designated employee of the
department, any police officer, sheriff, deputy sheriff, or juvenile
court probation officer is authorized to take the juvenile into
custody and return the juvenile to his or her place of residence or
into the custody of a designated employee of the department.

§49-2-1006. Reporting requirements; cataloguing of services.

(a) The Department of Health and Human Resources and the
Division of Juvenile Services shall annually review its programs
and services and submit a report by December 31, of each year
to the Governor, the Legislature and the Supreme Court of
Appeals. This report shall analyze and evaluate the effectiveness of the programs and services being carried out by the Department of Health and Human Resources or the Division of Juvenile Services. That report shall include, but is not limited to:

1. An analysis and evaluation of programs and services continued, established and discontinued during the period covered by the report;

2. A description of programs and services which should be implemented to further the purposes of this article;

3. Relevant information concerning the number of juveniles comprising the population of any rehabilitative facility during the period covered by the report;

4. The length of residence, the nature of the problems of each juvenile, the juvenile’s response to programs and services; and

5. Any other information as will enable a user of the report to ascertain the effectiveness of the facility as a rehabilitative facility.

(b) The Department of Health and Human Resources and the Division of Juvenile Services shall prepare a descriptive
catalogue of its juvenile programs and services available in local communities throughout this state and shall distribute copies of the same to every juvenile court in the state and, at the direction of the juvenile court, the catalogue shall be distributed to attorneys practicing before the court. The catalogue shall:

(1) Be made available to members of the general public upon request;

(2) Contain sufficient information as to particular programs and services so as to enable a user of the catalogue to make inquiries and referrals; and

(3) Be constructed so as to meaningfully identify and describe programs and services.

(c) The requirements of this section are not satisfied by a simple listing of specific agencies or the individuals in charge of programs at a given time. The catalogue shall be updated and republished or supplemented from time to time as may be required to maintain its usefulness as a resource manual.

ARTICLE 3. SPECIALIZED ADVOCACY PROGRAMS.

ARTICLE 4. COURT ACTIONS.

PART I. GENERAL PROVISIONS.

§49-4-101. Exercise of powers and jurisdiction by judge in vacation.

The powers and jurisdiction of the court, under the provisions of this chapter, may be exercised by the judge in vacation.

§49-4-102. Procedure for appealing decisions.

Cases under this chapter, if tried in any inferior court, may be reviewed by writ of error or appeal to the circuit court, and if tried or reviewed in a circuit court, by writ of error or appeal to the Supreme Court of Appeals.

§49-4-103. Proceedings may not be evidence against child, or be published; adjudication is not a conviction and not a bar to civil service eligibility.

Any evidence given in any cause or proceeding under this chapter, or any order, judgment or finding therein, or any adjudication upon the status of juvenile delinquent heretofore
made or rendered, may not in any civil, criminal or other cause
or proceeding whatever in any court, be lawful or proper
evidence against the child for any purpose whatsoever except in
subsequent cases under this chapter involving the same child;
nor may the name of any child, in connection with any
proceedings under this chapter, be published in any newspaper
without a written order of the court; nor may any adjudication
upon the status of any child by a juvenile court operate to impose
any of the civil disabilities ordinarily imposed by conviction, nor
may any child be deemed a criminal by reason of the
adjudication, nor may the adjudication be deemed a conviction,
nor may any adjudication operate to disqualify a child in any
future civil service examination, appointment, or application.

§49-4-104. General provisions relating to court orders regarding
custody; rules.

(a) The Supreme Court of Appeals, in consultation with the
Department of Health and Human Resources and the Division of
Juvenile Services in order to eliminate unnecessary state funding
of out-of-home placements where federal funding is available,
shall develop and disseminate form court orders to effectuate
chapter forty-nine of this code which authorize disclosure and transfer of juvenile records between agencies while requiring maintenance of confidentiality, Child Welfare Services, 42 U.S.C. §620, et seq., and 42 U.S.C. §670, et seq., relating to the promulgation of uniform court orders for placement of minor children and the rules promulgated thereunder, for use in the courts of the state.

(b) Judges and magistrates, upon being supplied the form orders required by subsection (a) of this section, shall act to ensure the proper form order is entered in the case so as to allow federal funding of eligible out-of-home placements.

§49-4-105. Hearing required to determine “reasonable efforts.”

A hearing by a circuit court of competent jurisdiction is required to determine whether or not “reasonable efforts” have been made to stabilize and maintain the family situation before any child may be placed outside the home, except that in the event any child appears in imminent danger of serious bodily or emotional injury or death in any home, a post-removal hearing shall be substituted for the pre-removal hearing.
§49-4-106. Limitation on out-of-home placements.

Before any child may be directed for placement in a particular facility or for services of a child welfare agency licensed by the department, a court shall make inquiry into the bed space of the facility available to accommodate additional children and the ability of the child welfare agency to meet the particular needs of the child. A court may not order the placement of a child in a particular facility, including status offender facilities operated by the Division of Juvenile Services, if it has reached its licensed capacity or order conditions on the placement of the child which conflict with licensure regulations applicable to the facility promulgated pursuant to article two of this chapter and articles one-a, nine and seventeen, chapter twenty-seven of this code. Further, a child welfare agency is not required to accept placement of a child at a particular facility if the facility remains at licensed capacity or is unable to meet the particular needs of the child. A child welfare agency is not required to make special dispensation or accommodation, reorganize existing child placement, or initiate early release of children in placement to reduce actual occupancy at the facility.
§49-4-107. Penalties.

A person who violates an order, rule, or regulation made under the authority of this chapter, or who violates this chapter for which punishment has not been specifically provided, is guilty of a misdemeanor and, upon conviction shall be fined not less than $10 nor more than $100, or confined in jail not less than five days nor more than six months, or both fined and confined.

§49-4-108. Payment of services.

At any time during any proceedings brought pursuant to this article, the court may upon its own motion, or upon a motion of any party, order the Department of Health and Human Resources to pay for professional services rendered by a psychologist, psychiatrist, physician, therapist or other health care professional to a child or other party to the proceedings. Professional services include, but are not limited to, treatment, therapy, counseling, evaluation, report preparation, consultation and preparation of expert testimony. The Department of Health and Human Resources shall set the fee schedule for the services in
11 accordance with the Medicaid rate, if any, or the customary rate
12 and adjust the schedule as appropriate. Every psychologist,
13 psychiatrist, physician, therapist or other health care professional
14 shall be paid by the Department of Health and Human Resources
15 upon completion of services and submission of a final report or
16 other information and documentation as required by the policies
17 and procedures implemented by the Department of Health and
18 Human Resources.

§49-4-109. Guardianship of estate of child unaffected.

1 This chapter may not be construed to give the guardian
2 appointed hereunder the guardianship of the estate of the child,
3 or to change the age of minority for any other purpose except the
4 custody of the child.
5 The guardian of the estate of a child committed to
6 guardianship hereunder shall furnish, when and in the form as
7 may be required, full information concerning the property of the
8 child to the state department or to the court or judge before
9 whom the case of the child is heard.
§49-4-110. Foster care; quarterly status review; transitioning adults; annual permanency hearings.

(a) For each child who remains in foster care as a result of a juvenile proceeding or as a result of a child abuse and neglect proceeding, the circuit court with the assistance of the multidisciplinary treatment team shall conduct quarterly status reviews in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care, and to project a likely date by which the child may be returned to and safety maintained in the home or placed for adoption or legal guardianship. Quarterly status reviews shall commence three months after the entry of the placement order. The permanency hearing provided in subsection (c) of this section may be considered a quarterly status review.

(b) For each transitioning adult as that term is defined in section two hundred two, article one of this chapter who remains in foster care, the circuit court shall conduct status review
hearings as described in subsection (a) of this section once every three months until permanency is achieved.

(c) For each child or transitioning adult who continues to remain in foster care, the circuit court shall conduct a permanency hearing no later that twelve months after the date the child or transitioning adult is considered to have entered foster care, and at least once every twelve months thereafter until permanency is achieved. For purposes of permanency planning for transitioning adults, the circuit court shall make factual findings and conclusions of law as to whether the department made reasonable efforts to finalize a permanency plan to prepare a transitioning adult for emancipation or independence or another approved permanency option such as, but not limited to, adoption or legal guardianship pursuant to the West Virginia Guardianship and Conservatorship Act.

(d) Nothing in this section may be construed to abrogate the responsibilities of the circuit court from conducting required hearings as provided in other provisions of this code, procedural court rules, or setting required hearings at the same time.
§49-4-111. Criteria and procedure for temporary removal of child from foster home; foster care arrangement termination; notice of child’s availability for placement; adoption; sibling placements; limitations.

(a) The department may temporarily remove a child from a foster home based on an allegation of abuse or neglect, including sexual abuse, that occurred while the child resided in the home. If the department determines that reasonable cause exists to support the allegation, the department shall remove all foster children from the arrangement, preclude contact between the children and the foster parents, provide written notice to the multidisciplinary treatment team members and schedule an emergency team meeting to address placement options. If, after investigation, the allegation is determined to be true by the department or after a judicial proceeding a court finds the allegation to be true or if the foster parents fail to contest the allegation in writing within twenty calendar days of receiving written notice of the allegations, the department shall permanently terminate all foster care arrangements with the foster parents. If the department determines that the abuse occurred due to no act or failure to act on the part of the foster...
parents and that continuation of the foster care arrangement is in
the best interests of the child, the department may, in its
discretion, elect not to terminate the foster care arrangement or
arrangements.

(b) When a child has been placed in a foster care
arrangement for a period in excess of eighteen consecutive
months, and the department determines that the placement is a
fit and proper place for the child to reside, the foster care
arrangement may not be terminated unless the termination is in
the best interest of the child and:

(1) The foster care arrangement is terminated pursuant to
subsection (a) of this section;

(2) The foster care arrangement is terminated due to the
child being returned to his or her parent or parents;

(3) The foster care arrangement is terminated due to the
child being united or reunited with a sibling or siblings;

(4) The foster parent or parents agree to the termination in
writing;

(5) The foster care arrangement is terminated at the written
request of a foster child who has attained the age of fourteen; or
(6) A court orders the termination upon a finding that the
department has developed a more suitable long-term placement
for the child upon hearing evidence in a proceeding brought by
the department seeking removal and transfer.

(c) When a child has been residing in a foster home for a
period in excess of six consecutive months in total and for a
period in excess of thirty days after the parental rights of the
child’s biological parents have been terminated and the foster
parents have not made an application to the department to
establish an intent to adopt the child within thirty days of
parental rights being terminated, the department may terminate
the foster care arrangement if another, more beneficial,
long-term placement of the child is developed. If the child is
twelve years of age or older, the child shall be provided the
option of remaining in the existing foster care arrangement if the
child so desires and if continuation of the existing arrangement
is in the best interest of the child.

(d)(1) When a child is placed into foster care or becomes
eligible for adoption and a sibling or siblings have previously
been placed in foster care or have been adopted, the department shall notify the foster parents or adoptive parents of the previously placed or adopted sibling or siblings of the child’s availability for foster care placement or adoption to determine if the foster parents or adoptive parents are desirous of seeking a foster care arrangement or adoption of the child.

(2) Where a sibling or siblings have previously been adopted, the department shall also notify the adoptive parents of a sibling of the child’s availability for foster care placement in that home and a foster care arrangement entered into to place the child in the home if the adoptive parents of the sibling are otherwise qualified or can become qualified to enter into a foster care arrangement with the department and if the arrangement is in the best interests of the child.

(3) The department may petition the court to waive notification to the foster parents or adoptive parents of the child’s siblings. This waiver may be granted, ex parte, upon a showing of compelling circumstances.

(e)(1) When a child is in a foster care arrangement and is residing separately from a sibling or siblings who are in another
foster home or who have been adopted by another family and the parents with whom the placed or adopted sibling or siblings reside have made application to the department to establish an intent to adopt or to enter into a foster care arrangement regarding a child so that the child may be united or reunited with a sibling or siblings, the department shall, upon a determination of the fitness of the persons and household seeking to enter into a foster care arrangement or seek an adoption which would unite or reunite siblings, and if termination and new placement are in the best interests of the children, terminate the foster care arrangement and place the child in the household with the sibling or siblings.

(2) If the department is of the opinion based upon available evidence that residing in the same home would have a harmful physical, mental or psychological effect on one or more of the sibling children or if the child has a physical or mental disability which the existing foster home can better accommodate, or if the department can document that the reunification of the siblings would not be in the best interest of one or all of the children, the
 department may petition the circuit court for an order allowing
the separation of the siblings to continue.

(3) If the child is twelve years of age or older, the
department shall provide the child the option of remaining in the
existing foster care arrangement if remaining is in the best
interests of the child. In any proceeding brought by the
department to maintain separation of siblings, the separation
may be ordered only if the court determines that clear and
convincing evidence supports the department’s determination.

(4) In any proceeding brought by the department seeking to
maintain separation of siblings, notice afforded, in addition to
any other persons required by any provision of this code to
receive notice, to the persons seeking to adopt a sibling or
siblings of a previously placed or adopted child and the persons
may be parties to the action.

(f) Where two or more siblings have been placed in separate
foster care arrangements and the foster parents of the siblings
have made application to the department to enter into a foster
care arrangement regarding the sibling or siblings not in their
home or where two or more adoptive parents seek to adopt a sibling or siblings of a child they have previously adopted, the department’s determination as to placing the child in a foster care arrangement or in an adoptive home shall be based solely upon the best interests of the siblings.

§49-4-112. Subsidized adoption and legal guardianship; conditions.

(a) From funds appropriated to the Department of Health and Human Resources, the secretary shall establish a system of assistance for facilitating the adoption or legal guardianship of children. An adoption subsidy shall be available for children who are legally free for adoption and who are dependents of the department or a child welfare agency licensed to place children for adoption. A legal guardianship subsidy may not require the surrender or termination of parental rights. For either subsidy, the children must be in special circumstances because one or more of the following conditions inhibit their adoption or legal guardianship placement:

(1) They have a physical or mental disability;

(2) They are emotionally disturbed;
(3) They are older children;

(4) They are a part of a sibling group; or

(5) They are a member of a racial or ethnic minority.

(b) (1) The department shall provide assistance in the form of subsidies or other services to parents who are found and approved for adoption or legal guardianship of a child certified as eligible for subsidy by the department, but before the final decree of adoption or order of legal guardianship is entered, there must be a written agreement between the family entering into the subsidized adoption or legal guardianship and the department.

(2) Adoption or legal guardianship subsidies in individual cases may commence with the adoption or legal guardianship placement, and will vary with the needs of the child as well as the availability of other resources to meet the child’s needs. The subsidy may be for special services only, or for money payments, and either for a limited period, or for a long term, or for any combination of the foregoing.

(3) The specific financial terms of the subsidy shall be included in the agreement between the department and the
adoptive parents or legal guardians. The agreement may recognize and provide for direct payment by the department of attorney’s fees to an attorney representing the adoptive parent.

(4) The amount of the time-limited or long-term subsidy may in no case exceed that which would be allowable from time to time for the child under foster family care or, in the case of a special service, the reasonable fee for the service rendered.

(5) In addition, the department shall provide either Medicaid or other health insurance coverage for any special needs child for whom there is an adoption or legal guardianship assistance agreement between the department and the adoptive parent or legal guardian and who the department determines cannot be placed with an adoptive parent or legal guardian without medical assistance because the child has special needs for medical, mental health or rehabilitative care.

(c) After reasonable efforts have been made without the use of subsidy and no appropriate adoptive family or legal guardian has been found for the child, the department shall certify the child as eligible for a subsidy in the event of adoption or a legal
guardianship. Reasonable efforts to place a child without a subsidy shall not be required if it is in the best interest of the child because of the factors as the existence of significant emotional ties developed between the child and the prospective parent or guardian while in care as a foster child.

(d) If the child is the dependent of a voluntary licensed child-placing agency, that agency shall present to the department evidence of the inability to place the child for adoption or legal guardianship without the use of subsidy or evidence that the efforts would not be in the best interests of the child. In no event may the value of the services and assistance provided by the department under an agreement pursuant to this section exceed the value of assistance available to foster families in similar circumstances. All records regarding subsidized adoptions or legal guardianships are to be held in confidence; however, records regarding the payment of public funds for subsidized adoptions or legal guardianships shall be available for public inspection provided they do not directly or indirectly identify any child or persons receiving funds for the child.
§49-4-113. Duration of custody or guardianship of children committed to department.

1. (a) A child committed to the department for guardianship, after termination of parental rights, shall remain in the care of the department until he or she attains the age of eighteen years, or is married, or is adopted, or guardianship is relinquished through the court.

2. (b) A child committed to the department for custody shall remain in the care of the department until he or she attains the age of eighteen years, or until he or she is discharged because he or she is no longer in need of care.

§49-4-114. Consent by agency or department to adoption of child; statement of relinquishment by parent; counseling services; petition to terminate parental rights; notice; hearing; court orders.

1. (a)(1) Whenever a child welfare agency licensed to place children for adoption or the Department of Health and Human Resources has been given the permanent legal and physical custody of any child and the rights of the mother and the rights of the legal, determined, putative, outside or unknown father of the child have been terminated by order of a court of competent
jurisdiction or by a legally executed relinquishment of parental
rights, the child welfare agency or the department may consent
to the adoption of the child pursuant to article twenty-two,
chapter forty-eight of this code.

(2) Relinquishment for an adoption to an agency or to the
department is required of the same persons whose consent or
relinquishment is required under section three hundred one,
article twenty-two, chapter forty-eight of this code. The form of
any relinquishment so required shall conform as nearly as
practicable to the requirements established in section three
hundred three, article twenty-two, chapter forty-eight, and all
other provisions of that article providing for relinquishment for
adoption shall govern the proceedings herein.

(3) For purposes of any placement of a child for adoption by
the department, the department shall first consider the suitability
and willingness of any known grandparent or grandparents to
adopt the child. Once grandparents who are interested in
adopting the child have been identified, the department shall
conduct a home study evaluation, including home visits and
individual interviews by a licensed social worker. If the department determines, based on the home study evaluation, that the grandparents would be suitable adoptive parents, it shall assure that the grandparents are offered the placement of the child prior to the consideration of any other prospective adoptive parents.

(4) The department shall make available, upon request, for purposes of any private or agency adoption proceeding, preplacement and post-placement counseling services by persons experienced in adoption counseling, at no cost, to any person whose consent or relinquishment is required pursuant to article twenty-two, chapter forty-eight of this code.

(b)(1) Whenever the mother has executed a relinquishment pursuant to this section, and the legal, determined, putative, outsider or unknown father, as those terms are defined pursuant to part one, article twenty-two, chapter forty-eight of this code, has not executed a relinquishment, the child welfare agency or the department may, by verified petition, seek to have the father’s rights terminated based upon the grounds of
abandonment or neglect of the child. Abandonment may be established in accordance with section three hundred six, article twenty-two, chapter forty-eight of this code.

(2) Unless waived by a writing acknowledged as in the case of deeds or by other proper means, notice of the petition shall be served on any person entitled to parental rights of a child prior to its adoption who has not signed a relinquishment of custody of the child.

(3) In addition, notice shall be given to any putative, outsider or unknown father who has asserted or exercised parental rights and duties to and with the child and who has not relinquished any parental rights and the rights have not otherwise been terminated, or who has not had reasonable opportunity before or after the birth of the child to assert or exercise those rights, except that if the child is more than six months old at the time the notice would be required and the father has not asserted or exercised his or her parental rights and he or she knew the whereabouts of the child, then the father shall be presumed to have had reasonable opportunity to assert or exercise any rights.
(c)(1) Upon the filing of the verified petition seeking to have the parental rights terminated, the court shall set a hearing on the petition. A copy of the petition and notice of the date, time and place of the hearing on the petition shall be personally served on any respondent at least twenty days prior to the date set for the hearing.

(2) The notice shall inform the person that his or her parental rights, if any, may be terminated in the proceeding and that the person may appear and defend any rights within twenty days of the service. In the case of a person who is a nonresident or whose whereabouts are unknown, service shall be achieved: (1) By personal service; (2) by registered or certified mail, return receipt requested, postage prepaid, to the person’s last known address, with instructions to forward; or (3) by publication. If personal service is not acquired, then if the person giving notice has any knowledge of the whereabouts of the person to be served, including a last known address, service by mail shall be first attempted as herein provided. Service achieved by mail shall be complete upon mailing and is sufficient service without
the need for notice by publication. In the event that no return
receipt is received giving adequate evidence of receipt of the
notice by the addressee or of receipt of the notice at the address
to which the notice was mailed or forwarded, or if the
whereabouts of the person are unknown, then the person required
to give notice shall file with the court an affidavit setting forth
the circumstances of any attempt to serve the notice by mail, and
the diligent efforts to ascertain the whereabouts of the person to
be served. If the court determines that the whereabouts of the
person to be served cannot be ascertained and that due diligence
has been exercised to ascertain the person’s whereabouts, then
the court shall order service of the notice by publication as a
Class II publication in compliance with article three, chapter
fifty-nine of this code, and the publication area shall be the
county where the proceedings are had, and in the county where
the person to be served was last known to reside. In the case of
a person under disability, service shall be made on the person
and his or her personal representative, or if there be none, on a
guardian ad litem.
(3) In the case of service by publication or mail or service on a personal representative or a guardian ad litem, the person is allowed thirty days from the date of the first publication or mailing of the service on a personal representative or guardian ad litem in which to appear and defend the parental rights.

(d) A petition under this section may be instituted in the county where the child resides or where the child is living.

(e) If the court finds that the person certified to parental rights is guilty of the allegations set forth in the petition, the court shall enter an order terminating his or her parental rights and shall award the legal and physical custody and control of the child to the petitioner.

§49-4-115. Emancipation.

(a) A child over the age of sixteen may petition a court to be declared emancipated. The parents or custodians shall be made respondents and, in addition to personal service thereon, there shall be publication as a Class II legal advertisement in compliance with article three, chapter fifty-nine of this code.

(b) Upon a showing that the child can provide for his or her physical and financial well-being and has the ability to make
decisions for himself or herself, the court may for good cause shown declare the child emancipated. The child shall thereafter have full capacity to contract in his or her own right and the parents or custodians have no right to the custody and control of the child or duty to provide the child with care and financial support.

(c) A child over the age of sixteen years who marries is emancipated by operation of law. An emancipated child has all of the privileges, rights and duties of an adult, including the right of contract, except that the child remains a child as defined for the purposes of part ten, article two, or part seven, article four of this chapter.

§49-4-116. Voluntary placement; petition; requirements; attorney appointed; court hearing; orders.

(a) Within ninety days of the date of the signatures to a voluntary placement agreement, after receipt of physical custody, the department shall file with the court a petition for review of the placement. The petition shall include:

(1) A statement regarding the child’s situation; and,
The circumstance that gives rise to the voluntary placement.

If the department intends to extend the voluntary placement agreement, the department shall file with the court a copy of the child’s case plan.

The court shall appoint an attorney for the child, who shall receive a copy of the case plan as provided in subsection (b) of this section.

The court shall schedule a hearing and give notice of the time and place and right to be present at the hearing to:

1. The child’s attorney;
2. The child, if twelve years of age or older;
3. The child’s parents or guardians;
4. The child’s foster parents;
5. Any preadoptive parent or relative providing care for the child; and
6. Any other persons as the court may in its discretion direct.
The child’s presence at the hearing may be waived by the child’s attorney at the request of the child or if the child would suffer emotional harm.

(e) At the conclusion of the proceedings, but no later than ninety days after the date of the signatures to the voluntary placement agreement, the court shall enter an order:

(1) Determining whether or not continuation of the voluntary placement is in the best interests of the child;

(2) Specifying under what conditions the child’s placement will continue;

(3) Specifying whether or not the department is required to and has made reasonable efforts to preserve and to reunify the family; and

(4) Providing a plan for the permanent placement of the child.

the child’s parent within thirty days of the child’s birth, and the
parent did not express an intent to return for the child.

(b) A hospital or health care facility that takes possession of
a child under this article shall perform any act necessary to

otherwise respect the person’s desire to remain anonymous.

§49-4-202. Notification of possession of relinquished child;

(a) Not later than the close of the first business day after the
date on which a hospital or health care facility takes possession
of a child pursuant to section two hundred one of this article, the
hospital or health care facility shall notify the Child Protective

(b) The Department of Health and Human Resources shall assume the care, control and custody of the child as of the time of delivery of the child to the hospital or health care facility, and may contract with private child care agency for the care and placement of the child after the child leaves the hospital or health care facility.

§49-4-203. Filing petition after accepting possession of relinquished child.

A child of whom the Department of Health and Human Resources assumes care, control and custody under this article is a relinquished child and to be treated in all respects as a child taken into custody pursuant to section three hundred three, article four of this chapter. Upon taking custody of a child under this article, the department, with the cooperation of the county prosecuting attorney, shall cause a petition to be presented pursuant to section six hundred two, article four of this chapter. PART III. EMERGENCY CUSTODY OF CHILDREN

PRIOR TO PETITION.

§49-4-301. Custody of a neglected child by law enforcement in emergency situations; protective custody; requirements; notices; petition for appointment of special guardian; discharge; immunity.

(a) A child believed to be a neglected child or an abused child may be taken into custody without the court order otherwise required by section six hundred two of this article by a law-enforcement officer if:
(1) The child is without supervision or shelter for an unreasonable period of time in light of the child’s age and the ability to care for himself or herself in circumstances presenting an immediate threat of serious harm to that child; or

(2) That officer determines that the child is in a condition requiring emergency medical treatment by a physician and the child’s parents, parent, guardian or custodian refuses to permit the treatment, or is unavailable for consent. A child who suffers from a condition requiring emergency medical treatment, whose parents, parent, guardian or custodian refuses to permit the providing of the emergency medical treatment, may be retained in a hospital by a physician against the will of the parents, parent, guardian or custodian, as provided in subsection (c) of this section.

(b) A child taken into protective custody pursuant to subsection (a) of this section may be housed by the department or in any authorized child shelter facility. The authority to hold the child in protective custody, absent a petition and proper order granting temporary custody pursuant to section six hundred two
of this article, terminates by operation of law upon the happening
of either of the following events, whichever occurs first:
(1) The expiration of ninety-six hours from the time the child
is initially taken into protective custody; or
(2) The expiration of the circumstances which initially
warranted the determination of an emergency situation.
No child may be considered in an emergency situation and
custody withheld from the child’s parents, parent, guardian or
custodian presenting themselves, himself or herself in a fit and
proper condition and requesting physical custody of the child.
No child may be removed from a place of residence as in an
emergency under this section until after:
(1) All reasonable efforts to make inquiries and
arrangements with neighbors, relatives and friends have been
exhausted; or if no arrangements can be made; and
(2) The state department may place in the residence a home
services worker with the child for a period of not less than
deevee hours to await the return of the child’s parents, parent,
guardian or custodian.
Prior to taking a child into protective custody as abandoned at a place at or near the residence of the child, the law-enforcement officer shall post a typed or legibly handwritten notice at the place the child is found, informing the parents, parent, guardian or custodian that the child was taken by a law-enforcement officer, the name, address and office telephone number of the officer, the place and telephone number where information can continuously be obtained as to the child’s whereabouts, and if known, the worker for the state department having responsibility for the child.

(c) A child taken into protective custody pursuant to this section for emergency medical treatment may be held in a hospital under the care of a physician against the will of the child’s parents, parent, guardian or custodian for a period not to exceed ninety-six hours. The parents, parent, guardian or custodian may not be denied the right to see or visit with the child in a hospital. The authority to retain a child in protective custody in a hospital as requiring emergency medical treatment terminates by operation of law upon the happening of either of the following events, whichever occurs first:
(1) When the condition, in the opinion of the physician, no longer required emergency hospitalization, or;

(2) Upon the expiration of ninety-six hours from the initiation of custody, unless within that time, a petition is presented and a proper order obtained from the circuit court.

(d) Prior to assuming custody of a child from a law-enforcement officer, pursuant to this section, a physician or worker from the department shall require a typed or legibly handwritten statement from the officer identifying the officer’s name, address and office telephone number and specifying all the facts upon which the decision to take the child into protective custody was based, and the date, time and place of the taking.

(e) Any worker for the department assuming custody of a child pursuant to this section shall immediately notify the parents, parent, guardian or custodian of the child of the taking of the custody and the reasons therefor, if the whereabouts of the parents, parent, guardian or custodian are known or can be discovered with due diligence; and if not, notice and explanation shall be given to the child’s closest relative, if his or her
whereabouts are known or can be discovered with due diligence
within a reasonable time. An inquiry shall be made of relatives
and neighbors, and if a relative or appropriate neighbor is willing
to assume custody of the child, the child will temporarily be
placed in custody.

(f) No child may be taken into custody under circumstances
not justified by this section or pursuant to section six hundred
two of this article without appropriate process. Any retention of
a child or order for retention of a child not complying with the
time limits and other requirements specified in this article shall
be void by operation of law.

(g) Petition for appointment of special guardian. — Upon
the verified petition of any person showing:

(1) That any person under the age of eighteen years is
threatened with or there is a substantial possibility that the
person will suffer death, serious or permanent physical or
emotional disability, disfigurement or suffering; and

(2) That disability, disfigurement or suffering is the result of
the failure or refusal of any parent, guardian or custodian to
procure, consent to or authorize necessary medical treatment, the
circuit court of the county in which the person is located may
direct the appointment of a special guardian for the purposes of
procuring, consenting to and giving authorization for the
administration of necessary medical treatment. The circuit court
may not consider any petition filed in accordance with this
section unless it is accompanied by a supporting affidavit of a
licensed physician.

(h) Notice of petition. — So far as practicable, the parents,
guardian or custodian of any person for whose benefit medical
treatment is sought shall be given notice of the petition for the
appointment of a special guardian under this section. Notice is
not necessary if it would cause a delay that would result in the
death or irreparable harm to the person for whose benefit
medical treatment is sought. Notice may be given in a form and
manner as may be necessary under the circumstances.

(i) Discharge of special guardian. – Upon the termination of
necessary medical treatment to any person under this section, the
circuit court order the discharge of the special guardian from any
further authority, responsibility or duty.
(j) 

Immunity from civil liability. — No person appointed special guardian in accordance with this article is civilly liable for any act done by virtue of the authority vested in him or her by order of the circuit court.

§49-4-302. Authorizing a family court judge to order custody of a child in emergency situations; requirements; orders; investigative reports; notification required.

(a) Notwithstanding the jurisdictional limitations contained in section two, article two-a, chapter fifty-one of this code, family court judges are authorized to order the department to take emergency custody of a child who is in the physical custody of a party to an action or proceeding before the family court, if the family court judge finds that there is clear and convincing evidence that:

(1) There exists an imminent danger to the physical well-being of the child as defined in section two hundred one, article one of this chapter;

(2) The child is not the subject of a pending action before the circuit court alleging abuse and neglect of the child; and

(3) There are no reasonable available alternatives to the emergency custody order.
(b) An order entered pursuant to subsection (a) of this section must include specific written findings.

(c) A copy of the order issued pursuant to subsection (a) of this section shall be transmitted forthwith to the department, the circuit court and the prosecuting attorney.

(d) Upon receipt of an order issued pursuant to subsection (a) of this section, the department shall immediately respond and assist the family court judge in emergency placement of the child.

(e)(1) Upon receipt of an order issued pursuant to subsection (a) of this section, the circuit court shall cause to be entered and served, an administrative order in the name of and regarding the affected child, directing the department to submit, within ninety-six hours from the time the child was taken into custody, an investigative report to both the circuit and family court.

(2) The investigative report shall include a statement of whether the department intends to file a petition pursuant to section six hundred two of this article.

(f)(1) An order issued pursuant to subsection (a) of this section terminates by operation of law upon expiration of
ninetysix hours from the time the child is initially taken into protective custody unless a petition is filed with the circuit court under section six hundred two of this article within ninetysix hours from the time the child is initially taken into protective custody.

(2) The filing of a petition within ninetysix hours from the time the child is initially taken into protective custody extends the emergency custody order issued pursuant to subsection (a) of this section until a preliminary hearing is held before the circuit court, unless the circuit court orders otherwise.

(g)(1) Any worker for the department assuming custody of a child pursuant to this section shall immediately notify the parents, parent, grandparents, grandparent, guardian or custodian of the child of the taking of the custody and the reasons therefor if the whereabouts of the parents, parent, grandparents, grandparent, guardian or custodian are known or can be discovered with due diligence and, if not, a notice and explanation shall be given to the child’s closest relative if his or her whereabouts are known or can be discovered with due diligence within a reasonable time. An inquiry shall be made of
relatives and neighbors and, if an appropriate relative or neighbor is willing to assume custody of the child, the child will temporarily be placed in that person’s custody.

(2) In the event no other reasonable alternative is available for temporary placement of a child pursuant to subdivision (1) of this subsection, the child may be housed by the department in an authorized child shelter facility.

§49-4-303. Emergency removal by department before filing of petition; conditions; referee; application for emergency custody; order.

Prior to the filing of a petition, a child protective service worker may take the child or children into his or her custody (also known as removing the child) without a court order when:

(1) In the presence of a child protective service worker a child or children are in an emergency situation which constitutes an imminent danger to the physical well-being of the child or children, as that phrase is defined in section two hundred one, article one of this chapter; and

(2) The worker has probable cause to believe that the child or children will suffer additional child abuse or neglect or will be
removed from the county before a petition can be filed and
temporary custody can be ordered.

After taking custody of the child or children prior to the
filing of a petition, the worker shall forthwith appear before a
circuit judge or referee of the county where custody was taken
and immediately apply for an order. If no judge or referee is
available, the worker shall appear before a circuit judge or
referee of an adjoining county, and immediately apply for an
order. This order shall ratify the emergency custody of the child
pending the filing of a petition.

The circuit court of every county in the state shall appoint at
least one of the magistrates of the county to act as a referee. He
or she serves at the will and pleasure of the appointing court, and
shall perform the functions prescribed for the position by this
subsection.

The parents, guardians or custodians of the child or children
may be present at the time and place of application for an order
ratifying custody. If at the time the child or children are taken
into custody by the worker he or she knows which judge or
referee is to receive the application, the worker shall so inform
the parents, guardians or custodians.

The application for emergency custody may be on forms
prescribed by the Supreme Court of Appeals or prepared by the
prosecuting attorney or the applicant, and shall set forth facts
from which it may be determined that the probable cause
described above in this subsection exists. Upon the sworn
testimony or other evidence as the judge or referee deems
sufficient, the judge or referee may order the emergency taking
by the worker to be ratified. If appropriate under the
circumstances, the order may include authorization for an
examination as provided in subsection (b), section six hundred
three of this article.

If a referee issues an order, the referee shall by telephonic
communication have that order orally confirmed by a circuit
judge of the circuit or an adjoining circuit who shall, on the next
judicial day, enter an order of confirmation. If the emergency
taking is ratified by the judge or referee, emergency custody of
the child or children is vested in the department until the

49 expiration of the next two judicial days, at which time any child
50 taken into emergency custody shall be returned to the custody of
51 his or her parent or guardian or custodian unless a petition has
52 been filed and custody of the child has been transferred under
53 section six hundred two of this article.

PART IV. MULTIDISCIPLINARY TEAMS, CASE PLANS,
TRANSITION PLANS AND AFTERCARE PLANS.

§49-4-401. Purpose; system to be a complement to existing
programs.

1 (a) This article:
2 (1) Provides a system for evaluation of and coordinated
3 service delivery for children who may be victims of abuse or
4 neglect and children undergoing certain status offense and
5 delinquency proceedings;
6 (2) Establishes, as a complement to other programs of the
7 Department of Health and Human Resources, a multidisciplinary
8 screening, advisory and planning system to assist courts in
9 facilitating permanency planning, following the initiation of
10 judicial proceedings, to recommend alternatives and to
11 coordinate evaluations and in-community services; and
(3) Ensures that children are safe from abuse and neglect and to coordinate investigation of alleged child abuse offenses and competent criminal prosecution of offenders to ensure that safety, as determined appropriate by the prosecuting attorney.

(b) Nothing in this article precludes any multidisciplinary team from considering any case upon the consent of the members of the team.

§49-4-402. Multidisciplinary investigative teams; establishment; membership; procedures; coordination among agencies; confidentiality.

(a) The prosecuting attorney of each county shall establish a multidisciplinary investigative team in that county. The multidisciplinary team shall be headed and directed by the prosecuting attorney, or his or her designee, and includes as permanent members:

(1) The prosecuting attorney, or his or her designee;

(2) A local child protective services caseworker from the Department of Health and Human Resources;

(3) A local law-enforcement officer employed by a law-enforcement agency in the county;
(4) A child advocacy center representative, where available;

(5) A health care provider with pediatric and child abuse expertise, where available;

(6) A mental health professional with pediatric and child abuse expertise, where available;

(7) An educator; and

(8) A representative from a licensed domestic violence program serving the county.

The Department of Health and Human Resources and any local law-enforcement agency or agencies selected by the prosecuting attorney shall appoint their representatives to the team by submitting a written designation of the team to the prosecuting attorney of each county within thirty days of the prosecutor’s request that the appointment be made. Within fifteen days of the appointment, the prosecuting attorney shall notify the chief judge of each circuit within which the county is situated of the names of the representatives so appointed. Any other person or any other appointee of an agency who may contribute to the team’s efforts to assist a minor child as may be
determined by the permanent members of the team may also be appointed as a member of the team by the prosecutor with notification to the chief judge.

(b) Any permanent member of the multidisciplinary investigative team shall refer all cases of accidental death of any child reported to their agency and all cases when a child dies while in the custody of the state for investigation and review by the team. The multidisciplinary investigative team shall meet at regular intervals at least once every calendar month.

(c) The investigative team shall be responsible for coordinating or cooperating in the initial and ongoing investigation of all civil and criminal allegations pertinent to cases involving child sexual assault, child sexual abuse, child abuse and neglect and shall make a recommendation to the county prosecuting attorney as to the initiation or commencement of a civil petition and/or criminal prosecution.

(d) State, county and local agencies shall provide the multidisciplinary investigative team with any information requested in writing by the team as allowable by law or upon
receipt of a certified copy of the circuit court’s order directing
the agencies to release information in its possession relating to
the child. The team shall assure that all information received and
developed in connection with this article remains confidential.

For purposes of this section, the term “confidential” shall be
construed in accordance with article five of this chapter.

§49-4-403. Multidisciplinary treatment planning process;
coordination; access to information.

(a)(1) A multidisciplinary treatment planning process for
cases initiated pursuant to part six and part seven of article four,
shall be established within each county of the state, either
separately or in conjunction with a contiguous county, by the
secretary of the department with advice and assistance from the
prosecutor’s advisory council as set forth in section four, article
four, chapter seven of this code. The Division of Juvenile
Services shall establish a similar treatment planning process for
delinquency cases in which the juvenile has been committed to
its custody, including those cases in which the juvenile has been
committed for examination and diagnosis.
(2) This section does not require a multidisciplinary team meeting to be held prior to temporarily placing a child or juvenile out-of-home under exigent circumstances or upon a court order placing a juvenile in a facility operated by the Division of Juvenile Services.

(b) The case manager in the Department of Health and Human Resources for the child, family or juvenile or the case manager in the Division of Juvenile Services for a juvenile shall convene a treatment team in each case when it is required pursuant to this article.

(1) Prior to disposition, in each case in which a treatment planning team has been convened, the team shall advise the court as to the types of services the team has determined are needed and the type of placement, if any, which will best serve the needs of the child. If the team determines that an out-of-home placement will best serve the needs of the child, the team shall first consider placement with appropriate relatives then with foster care homes, facilities or programs located within the state. The team may only recommend placement in an out-of-state facility if it concludes, after considering the best interests and
overall needs of the child, that there are no available and suitable in-state facilities which can satisfactorily meet the specific needs of the child.

(2) Any person authorized by this chapter to convene a multidisciplinary team meeting may seek and receive an order of the circuit court setting the meeting and directing attendance. Members of the multidisciplinary team may participate in team meetings by telephone or video conferencing. This subsection does not prevent the respective agencies from designating a person other than the case manager as a facilitator for treatment team meetings. Written notice shall be provided to all team members of the availability to participate by videoconferencing.

(c) The treatment team shall coordinate its activities and membership with local family resource networks and coordinate with other local and regional child and family service planning committees to assure the efficient planning and delivery of child and family services on a local and regional level.

(d) The multidisciplinary treatment team shall be afforded access to information in the possession of the Department of Health and Human Resources, Division of Juvenile Services,
law-enforcement agencies and other state, county and local
agencies. Those agencies shall cooperate in the sharing of
information, as may be provided in article five or this chapter or
any other relevant provision of law. Any multidisciplinary team
member who acquires confidential information may not disclose
the information except as permitted by this code or court rules.

§49-4-404. Court review of service plan; hearing; required
findings; order; team member’s objections.

(a) In any case in which a multidisciplinary treatment team
develops an individualized service plan for a child or family
pursuant to this article, the court shall review the proposed
service plan to determine if implementation of the plan is in the
child’s best interests. If the multidisciplinary team cannot agree
on a plan or if the court determines not to adopt the team’s
recommendations, it shall, upon motion or sua sponte, schedule
and hold within ten days of the determination, and prior to the
entry of an order placing the child in the custody of the
department or in an out-of-home setting, a hearing to consider
evidence from the team as to its rationale for the proposed
service plan. If, after a hearing held pursuant to this section, the
court does not adopt the teams’s recommended service plan, it
shall make specific written findings as to why the team’s recommended service plan was not adopted.

(b) In any case in which the court decides to order the child placed in an out-of-state facility or program it shall set forth in the order directing the placement the reasons why the child was not placed in an in-state facility or program.

(c) Any member of the multidisciplinary treatment team who disagrees with recommendations of the team may inform the court of his or her own recommendations and objections to the team’s recommendations. The recommendations and objections of the dissenting team member may be made in a hearing on the record, made in writing and served upon each team member and filed with the court and indicated in the case plan, or both made in writing and indicated in the case plan. Upon receiving objections, the court will conduct a hearing pursuant to paragraph (a) of this section.

§49-4-405. Multidisciplinary treatment planning process involving child abuse and neglect; team membership; duties; reports; admissions.

(a) Within thirty days of the initiation of a judicial proceeding pursuant to part six, of this article, the Department of
Health and Human Services shall convene a multidisciplinary treatment team to assess, plan and implement a comprehensive, individualized service plan for children who are victims of abuse or neglect and their families. The multidisciplinary team shall obtain and utilize any assessments for the children or the adult respondents that it deems necessary to assist in the development of that plan.

(b) In a case initiated pursuant to part six of this article, the treatment team consists of:

(1) The child or family’s case manager in the Department of Health and Human Resources;

(2) The adult respondent or respondents;

(8) Any court-appointed special advocate assigned to a case;

(9) Any other person entitled to notice and the right to be heard;

(10) An appropriate school official; and

(11) Any other person or agency representative who may assist in providing recommendations for the particular needs of the child and family, including domestic violence service providers.

The child may participate in multidisciplinary treatment team meetings if the child’s participation is deemed appropriate by the multidisciplinary treatment team. Unless otherwise ordered by the court, a party whose parental rights have been terminated and his or her attorney may not be given notice of a multidisciplinary treatment team meeting and does not have the right to participate in any treatment team meeting.
(c) Prior to disposition in each case which a treatment planning team has been convened, the team shall advise the court as to the types of services the team has determined are needed and the type of placement, if any, which will best serve the needs of the child. If the team determines that an out-of-home placement will best serve the needs of the child, the team shall first consider placement with appropriate relatives then with foster care homes, facilities or programs located within the state. The team may only recommend placement in an out-of-state facility if it concludes, after considering the best interests and overall needs of the child, that there are no available and suitable in-state facilities which can satisfactorily meet the specific needs of the child.

(d) The multidisciplinary treatment team shall submit written reports to the court as required by the rules governing this type of proceeding or by the court, and shall meet as often as deemed necessary but at least every three months until the case is dismissed from the docket of the court. The multidisciplinary treatment team shall be available for status conferences and hearings as required by the court.
(e) If a respondent or copetitioner admits the underlying allegations of child abuse or neglect, or both abuse and neglect, in the multidisciplinary treatment planning process, his or her statements may not be used in any subsequent criminal proceeding against him or her, except for perjury or false swearing.

§49-4-406. Multidisciplinary treatment process for juvenile status offenders and delinquents; requirements; custody; procedure; reports; cooperation; inadmissability of certain statements.

(a) When a juvenile is adjudicated as a status offender pursuant to section seven hundred eleven, of this article, the Department of Health and Human Resources shall promptly convene a multidisciplinary treatment team and conduct an assessment, utilizing a standard uniform comprehensive assessment instrument or protocol, to determine the juvenile’s mental and physical condition, maturity and education level, home and family environment, rehabilitative needs and recommended service plan, which shall be provided in writing to the court and team members. Upon completion of the
assessment, the treatment team shall prepare and implement a comprehensive, individualized service plan for the juvenile.

(b) When a juvenile is adjudicated as a delinquent or has been granted a preadjudicatory community supervision period pursuant to section seven hundred eight of this article, the court, either upon its own motion or motion of a party, may require the Department of Health and Human Resources to convene a multidisciplinary treatment team and conduct an assessment, utilizing a standard uniform comprehensive assessment instrument or protocol, to determine the juvenile’s mental and physical condition, maturity and education level, home and family environment, rehabilitative needs and recommended service plan, which shall be provided in writing to the court and team members. A referral to the Department of Health and Human Resources to convene a multidisciplinary treatment team and to conduct an assessment shall be made when the court is considering placing the juvenile in the department’s custody or placing the juvenile out-of-home at the department’s expense pursuant to section seven hundred fourteen, of this article. In any
(c) When a juvenile has been adjudicated and committed to the custody of the Director of the Division of Juvenile Services, including those cases in which the juvenile has been committed for examination and diagnosis, the Division of Juvenile Services shall promptly convene a multidisciplinary treatment team and conduct an assessment, utilizing a standard uniform comprehensive assessment instrument or protocol, to determine the juvenile’s mental and physical condition, maturity and education level, home and family environment, rehabilitative needs and recommended service plan. Upon completion of the assessment, the treatment team shall prepare and implement a comprehensive, individualized service plan for the juvenile,
which will be provided in writing to the court and team members. In cases where the juvenile is committed as a post-sentence disposition to the custody of the Division of Juvenile Services, the plan shall be reviewed quarterly by the multidisciplinary treatment team. Where a juvenile has been detained in a facility operated by the Division of Juvenile Services without an active service plan for more than sixty days, the director of the facility may call a multidisciplinary team meeting to review the case and discuss the status of the service plan.

(d)(1) The rules of juvenile procedure govern the procedure for obtaining an assessment of a juvenile, preparing an individualized service plan and submitting the plan and assessment to the court.

(2) In juvenile proceedings conducted pursuant to part seven of this article, the treatment team consists of:

(A) The juvenile;

(B) The juvenile’s case manager in the Department of Health and Human Resources or the Division of Juvenile Services;

When appropriate, the juvenile case manager in the Department of Health and Human Resources and the Division of Juvenile Services shall cooperate in conducting multidisciplinary treatment team meetings when it is in the juvenile’s best interest.

(3) Prior to disposition, in each case in which a treatment planning team has been convened, the team shall advise the court as to the types of services the team has determined are needed
and type of placement, if any, which will best serve the needs of
the child. If the team determines that an out-of-home placement
will best serve the needs of the child, the team shall first
consider placement at facilities or programs located within the
state. The team may only recommend placement in an
out-of-state facility if it concludes, after considering the best
interests and overall needs of the child, that there are no
available and suitable in-state facilities which can satisfactorily
meet the specific needs of the child.

(4) The multidisciplinary treatment team shall submit written
reports to the court as required by applicable law or by the court,
shall meet with the court at least every three months, as long as
the juvenile remains in the legal or physical custody of the state,
and shall be available for status conferences and hearings as
required by the court.

(5) In any case in which a juvenile has been placed out of his
or her home except for a temporary placement in a shelter or
detention center, the multidisciplinary treatment team shall
cooperate with the state agency in whose custody the juvenile is
placed to develop an after-care plan. The rules of juvenile
procedure and section four hundred nine of this article govern
the development of an after-care plan for a juvenile, the
submission of the plan to the court and any objection to the
after-care plan.

(6) If a juvenile respondent admits the underlying allegations
of the case initiated pursuant to part VII of this article, in the
multidisciplinary treatment planning process, his or her
statements may not be used in any juvenile or criminal
proceedings against the juvenile, except for perjury or false
swearing.

§49-4-407. Team directors; records; case logs.

All persons directing any team created pursuant to this
article shall maintain records of each meeting indicating the
name and position of persons attending each meeting and the
number of cases discussed at the meeting, including a
designation of whether or not that case was previously discussed
by any multidisciplinary team. Further, all investigative teams
shall maintain a log of all cases to indicate the number of
referrals to that team, whether or not a police report was filed
with the prosecuting attorney’s office, whether or not a petition
was sought pursuant to part six of this article or whether or not
a criminal complaint was issued and a case was criminally
prosecuted. All treatment teams shall maintain a log of all cases
to indicate the basis for failure to review a case for a period in
excess of six months.

§49-4-408. Unified child and family case plans; treatment teams;
programs; agency requirements.

(a) The Department of Health and Human Resources shall
develop a unified child and family case plan for every family
wherein a person has been referred to the department after being
allowed an improvement period or where the child is placed in
foster care. The case plan must be filed within sixty days of the
child coming into foster care or within thirty days of the
inception of the improvement period, whichever occurs first. The
department may also prepare a case plan for any person who
voluntarily seeks child abuse and neglect services from the
department, or who is referred to the department by another
public agency or private organization. The case plan provisions
shall comply with federal law and the rules of procedure for child abuse and neglect proceedings.

(b) The department shall convene a multidisciplinary treatment team, which shall develop the case plan. Parents, guardians or custodians shall participate fully in the development of the case plan, and the child shall also fully participate if sufficiently mature and the child’s participation is otherwise appropriate. The case plan may be modified from time to time to allow for flexibility in goal development, and in each case the modifications shall be submitted to the court in writing. Reasonable efforts to place a child for adoption or with a legal guardian may be made at the same time as reasonable efforts are being made to prevent removal or to make it possible for a child to return safely home. The court shall examine the proposed case plan or any modification thereof, and upon a finding by the court that the plan or modified plan can be easily communicated, explained and discussed so as to make the participants accountable and able to understand the reasons for any success or failure under the plan, the court shall inform the participants of the probable action of the court if goals are met or not met.
(c) In furtherance of the provisions of this article, the department shall, within the limits of available funds, establish programs and services for the following purposes:

(1) For the development and establishment of training programs for professional and paraprofessional personnel in the fields of medicine, law, education, social work and other relevant fields who are engaged in, or intend to work in, the field of the prevention, identification and treatment of child abuse and neglect; and training programs for children, and for persons responsible for the welfare of children, in methods of protecting children from child abuse and neglect;

(2) For the establishment and maintenance of centers, serving defined geographic areas, staffed by multidisciplinary teams and community teams of personnel trained in the prevention, identification and treatment of child abuse and neglect cases, to provide a broad range of services related to child abuse and neglect, including direct support as well as providing advice and consultation to individuals, agencies and organizations which request the services;
(3) For furnishing services of multidisciplinary teams and community teams, trained in the prevention, identification and treatment of child abuse and neglect cases, on a consulting basis to small communities where the services are not available;

(4) For other innovative programs and projects that show promise of successfully identifying, preventing or remedying the causes of child abuse and neglect, including, but not limited to, programs and services designed to improve and maintain parenting skills, programs and projects for parent self help, and for prevention and treatment of drug-related child abuse and neglect; and

(5) Assisting public agencies or nonprofit private organizations or combinations thereof in making applications for grants from, or in entering into contracts with, the federal Secretary of the Department of Health and Human Services for demonstration programs and projects designed to identify, prevent and treat child abuse and neglect.

(d) Agencies, organizations and programs funded to carry out the purposes of this section shall be structured so as to
comply with any applicable federal law, any regulation of the federal Department of Health and Human Services or its secretary, and any final comprehensive plan of the federal advisory board on child abuse and neglect. In funding organizations, the department shall, to the extent feasible, ensure that parental organizations combating child abuse and neglect receive preferential treatment.

§49-4-409. After care plans; contents; written comments; contacts; objections; courts.

(a) Prior to the discharge of a child from any institution or facility to which the child was committed pursuant to this chapter, the superintendent of the institution or facility shall call a meeting of the multidisciplinary treatment team to which the child has been referred or, if no referral has been made, convene a multidisciplinary treatment team for any child for which a multidisciplinary treatment plan is required by this article and forward a copy of the child’s proposed after-care plan to the court which committed the child. A copy of the plan shall also be sent to: (1) The child’s parents or legal guardian; (2) the child’s lawyer; (3) the child’s probation officer or community
mental health center professional; (4) the prosecuting attorney of
the county in which the original commitment proceedings were
held; and (5) the principal of the school which the child will
attend. The plan shall have a list of the names and addresses of
these persons attached to it.

(b) The after-care plan shall contain a detailed description of
the education, counseling and treatment which the child received
while at the institution or facility and it shall also propose a plan
for education, counseling and treatment for the child upon the
child’s discharge. The plan shall also contain a description of
any problems the child has, including the source of those
problems, and it shall propose a manner for addressing those
problems upon discharge.

(c) Within twenty-one days of receiving the plan, the child’s
probation officer or community mental health center
professional shall submit written comments upon the plan to the
court which committed the child. Any other person who received
a copy of the plan pursuant to subsection (a) of this section may
submit written comments upon the plan to the court which
committed the child. Any person who submits comments upon
the plan shall send a copy of those comments to every other
person who received a copy of the plan.

(d) Within twenty-one days of receiving the plan, the child’s
probation officer or community mental health center
professional shall contact all persons, organizations and agencies
which are to be involved in executing the plan to determine
whether they are capable of executing their responsibilities under
the plan and to further determine whether they are willing to
execute their responsibilities under the plan.

(e) If adverse comments or objections regarding the plan are
submitted to the circuit court, it shall, within forty-five days of
receiving the plan, hold a hearing to consider the plan and the
adverse comments or objections. Any person, organization or
agency which has responsibilities in executing the plan, or their
representatives, may be required to appear at the hearing unless
they are excused by the circuit court. Within five days of the
hearing, the circuit court shall issue an order which adopts the
plan as submitted or as modified in response to any comments or
objections.
(f) If no adverse comments or objections are submitted, a hearing need not be held. In that case, the court shall consider the plan as submitted and shall, within forty-five days of receiving the plan, issue an order which adopts the plan as submitted.

(g) Notwithstanding the provisions of subsections (e) and (f) of this section, the plan which is adopted by the court shall be in the best interests of the child and shall also be in conformity with West Virginia’s interest in youths as embodied in this chapter.

(h) The court which committed the child shall appoint the child’s probation officer or community mental health center professional to act as supervisor of the plan. The supervisor shall report the child’s progress under the plan to the court every sixty days or until the court determines that no report or no further care is necessary.

§49-4-410. Other agencies of government required to cooperate.

State, county and local agencies shall provide the multidisciplinary teams with any information requested in writing by the team as allowable by law or upon receipt of a
certified copy of the circuit court’s order directing the agencies
to release information in its possession relating to the child. The
team shall assure that all information received and developed in
connection with this article remain confidential. For purposes of
this section, the term “confidential” shall be construed in
accordance with article five of this chapter.

§49-4-411. Law enforcement; prosecution; interference with
performance of duties.

No multidisciplinary team may take any action which, in the
determination of the prosecuting attorney or his or her assistant,
impairs the ability of the prosecuting attorney, his or her
assistant, or any law-enforcement officer to perform his or her
statutory duties.

§49-4-412. Exemption from multidisciplinary team review before
emergency out-of-home placements.

Notwithstanding any provision of this article to the contrary,
a multidisciplinary team meeting may not be required before
temporary out-of-home placement of a child in an emergency
circumstance or for purposes of assessment as provided by this
article. As soon a practicable after the emergency circumstance,
PART V. DUTIES OF THE PROSECUTING ATTORNEY.

§49-4-501. Prosecuting attorney representation of the Department of Health and Human Resources; conflict resolution.

(a) The prosecuting attorney shall render to the Department of Health and Human Resources, without additional compensation, the legal services as the department may require. This section shall not be construed to prohibit the department from developing plans for cooperation with courts, prosecuting attorneys, and other law-enforcement officials in a manner as to permit the state and its citizens to obtain maximum fiscal benefits under federal laws, rules and regulations.

(b) Nothing in this code may be construed to limit the authority of a prosecuting attorney to file an abuse or neglect petition, including the duties and responsibilities owed to its client the Department of Health and Human Resources, in his or her fulfillment of the provisions of this article.

(c) Whenever, pursuant to this chapter, a prosecuting attorney acts as counsel for the Department of Health and
Human Resources, and a dispute arises between the prosecuting attorney and the department’s representative because an action proposed by the other is believed to place the child at imminent risk of abuse or serious neglect, either the prosecuting attorney or the department’s representative may contact the secretary of the department and the executive director of the West Virginia Prosecuting Attorneys Institute for prompt mediation and resolution. The secretary may designate either his or her general counsel or the director of social services to act as his or her designee and the executive director may designate an objective prosecuting attorney as his or her designee.

§49-4-502. Prosecuting attorney to represent and cooperate with persons other than the department in child abuse and neglect matters; duties.

It is the duty of every prosecuting attorney to fully and promptly cooperate with persons seeking to apply for relief, including co-petitioners with the department, under this article in all cases of suspected child abuse and neglect; to promptly prepare applications and petitions for relief requested by those persons, to investigate reported cases of suspected child abuse

The prosecuting attorney of each county shall establish a multidisciplinary investigative team in that county, pursuant to section four hundred two of this article, and section five, article four of chapter seven.

PART VI. PROCEDURES IN CASES OF CHILD NEGLECT OR ABUSE.

§49-4-601. Petition to court when child believed neglected or abused; venue; notice; right to counsel; continuing legal education; findings; proceedings; procedure.

(a) Petitioner and venue. — If the department or a reputable person believes that a child is neglected or abused, the
department or the person may present a petition setting forth the
facts to the circuit court in the county in which the child resides,
or if the petition is being brought by the department, in the
county in which the custodial respondent or other named party
abuser resides, or in which the abuse or neglect occurred, or to
the judge of the court in vacation. Under no circumstance may
a party file a petition in more than one county based on the same
set of facts.

(b) Contents of Petition. — The petition shall be verified by
the oath of some credible person having knowledge of the facts.
The petition shall allege specific conduct including time and
place, how the conduct comes within the statutory definition of
neglect or abuse with references thereto, any supportive services
provided by the department to remedy the alleged circumstances
and the relief sought.

(c) Court action upon filing of petition. – Upon filing of the
petition, the court shall set a time and place for a hearing and
shall appoint counsel for the child. When there is an order for
temporary custody pursuant to this article, the preliminary
(d) Department action upon filing of the petition. — At the time of the institution of any proceeding under this article, the department shall provide supportive services in an effort to remedy circumstances detrimental to a child.

(e) Notice of hearing. —

(1) The petition and notice of the hearing shall be served upon both parents and any other custodian, giving to the parents or custodian at least five days’ actual notice of a preliminary hearing and at least ten days’ notice of any other hearing.

(2) Notice shall be given to the department, any foster or preadoptive parent, and any relative providing care for the child.

(3) In cases where personal service within West Virginia cannot be obtained after due diligence upon any parent or other custodian, a copy of the petition and notice of the hearing shall be mailed to the person by certified mail, addressee only, return receipt requested, to the last known address of the person. If the
person signs the certificate, service shall be complete and the
certificate shall be filed as proof of the service with the clerk of
the circuit court.

(4) If service cannot be obtained by personal service or by
certified mail, notice shall be by publication as a Class II legal
advertisement in compliance with article three, chapter fifty-nine
of this code.

(5) A notice of hearing shall specify the time and place of
the hearing, the right to counsel of the child and parents or other
custodians at every stage of the proceedings and the fact that the
proceedings can result in the permanent termination of the
parental rights.

(6) Failure to object to defects in the petition and notice may
not be construed as a waiver.

(f) Right to counsel. —

(1) In any proceeding under this article, the child, his or her
parents and his or her legally established custodian or other
persons standing in loco parentis to him or her has the right to be
represented by counsel at every stage of the proceedings and
shall be informed by the court of their right to be so represented
and that if they cannot pay for the services of counsel, that
counsel will be appointed.

(2) Counsel shall be appointed in the initial order. For
parents, legal guardians, and other persons standing in loco
parentis, the representation may only continue after the first
appearance if the parent or other persons standing in loco
parentis cannot pay for the services of counsel.

(3) Counsel for other parties shall only be appointed upon
request for appointment of counsel. If the requesting parties have
not retained counsel and cannot pay for the services of counsel,
the court shall, by order entered of record, appoint an attorney or
attorneys to represent the other party or parties and so inform the
parties.

(4) Under no circumstances may the same attorney represent
both the child and the other party or parties, nor may the same
attorney represent both parents or custodians. However, one
attorney may represent both parents or custodians where both
parents or guardians consent to this representation after the
attorney fully discloses to the client the possible conflict and
where the attorney assures the court that she or he is able to
represent each client without impairing her or his professional
judgment; however, if more than one child from a family is
involved in the proceeding, one attorney may represent all the
children.

(5) A parent who is a copetitioner is entitled to his or her
own attorney. The court may allow to each attorney so appointed
a fee in the same amount which appointed counsel can receive in
felony cases.

(g) Continuing education for counsel. — Any attorney
representing a party under this article shall receive a minimum
of eight hours of continuing legal education training per
reporting period on child abuse and neglect procedure and
practice. In addition to this requirement, any attorney appointed
to represent a child must first complete training on
representation of children that is approved by the administrative
office of the Supreme Court of Appeals. The Supreme Court of
Appeals shall develop procedures for approval and certification
of training required under this section. Where no attorney has completed the training required by this subsection, the court shall appoint a competent attorney with demonstrated knowledge of child welfare law to represent the parent or child. Any attorney appointed pursuant to this section shall perform all duties required of an attorney licensed to practice law in the State of West Virginia.

(h) Right to be heard. — In any proceeding pursuant to this article, the party or parties having custodial or other parental rights or responsibilities to the child shall be afforded a meaningful opportunity to be heard, including the opportunity to testify and to present and cross-examine witnesses. Foster parents, preadoptive parents, and relative caregivers shall also have a meaningful opportunity to be heard.

(i) Findings of the court. — Where relevant, the court shall consider the efforts of the department to remedy the alleged circumstances. At the conclusion of the adjudicatory hearing, the court shall make a determination based upon the evidence and shall make findings of fact and conclusions of law as to whether
the child is abused or neglected and whether the respondent is
abusing, neglecting, or, if applicable, a battered parent, all of
which shall be incorporated into the order of the court. The
findings must be based upon conditions existing at the time of
the filing of the petition and proven by clear and convincing
evidence.

(j) Priority of proceedings. — Any petition filed and any
proceeding held under this article shall, to the extent practicable,
be given priority over any other civil action before the court,
except proceedings under section three hundred nine, article
twenty-seven, chapter forty-eight of this code and actions in
which trial is in progress. Any petition filed under this article
shall be docketed immediately upon filing. Any hearing to be
held at the end of an improvement period and any other hearing
to be held during any proceedings under this article shall be held
as nearly as practicable on successive days and, with respect to
the hearing to be held at the end of an improvement period, shall
be held as close in time as possible after the end of the
improvement period and shall be held within thirty days of the
termination of the improvement period.
(k) **Procedural safeguards.** — The petition may not be taken as confessed. A transcript or recording shall be made of all proceedings unless waived by all parties to the proceeding. The rules of evidence shall apply. Following the court’s determination, it shall be inquired of the parents or custodians whether or not appeal is desired and the response transcribed. A negative response may not be construed as a waiver. The evidence shall be transcribed and made available to the parties or their counsel as soon as practicable, if the same is required for purposes of further proceedings. If an indigent person intends to pursue further proceedings, the court reporter shall furnish a transcript of the hearing without cost to the indigent person if an affidavit is filed stating that he or she cannot pay therefor.

§49-4-602. Petition to court when child believed neglected or abused; temporary care, custody, and control of child at different stages of proceeding; temporary care; orders; emergency removal; when reasonable efforts to preserve family are unnecessary.

(a) (1) **Temporary care, custody, and control upon filing of the petition.** — Upon the filing of a petition, the court may order that the child alleged to be an abused or neglected child be
delivered for not more than ten days into the care, custody, and
control of the department or a responsible person who is not the
custodial parent or guardian of the child, if it finds that:

(A) There exists imminent danger to the physical well-being
of the child; and

(B) There are no reasonably available alternatives to removal
of the child, including, but not limited to, the provision of
medical, psychiatric, psychological or homemaking services in
the child’s present custody.

(2) Where the alleged abusing person, if known, is a member
of a household, the court shall not allow placement pursuant to
this section of the child or children in the home unless the
alleged abusing person is or has been precluded from visiting or
residing in the home by judicial order.

(3) In a case where there is more than one child in the home,
or in the temporary care, custody or control of the alleged
offending parent, the petition shall so state. Notwithstanding the
fact that the allegations of abuse or neglect may pertain to less
than all of those children, each child in the home for whom relief
is sought shall be made a party to the proceeding. Even though
the acts of abuse or neglect alleged in the petition were not
directed against a specific child who is named in the petition, the
court shall order the removal of the child, pending final
disposition, if it finds that there exists imminent danger to the
physical well-being of the child and a lack of reasonable
available alternatives to removal.

(4) The initial order directing custody shall contain an order
appointing counsel and scheduling the preliminary hearing, and
upon its service shall require the immediate transfer of care,
custody, and control of the child or children to the department or
a responsible relative, which may include any parent, guardian,
or other custodian. The court order shall state:

(A) That continuation in the home is contrary to the best
interests of the child and why; and

(B) Whether or not the department made reasonable efforts
to preserve the family and prevent the placement or that the
emergency situation made those efforts unreasonable or
impossible. The order may also direct any party or the
department to initiate or become involved in services to facilitate
reunification of the family.

(b) Temporary care, custody and control at preliminary hearing. — Whether or not the court orders immediate transfer
of custody as provided in subsection (a) of this section, if the
facts alleged in the petition demonstrate to the court that there
exists imminent danger to the child, the court may schedule a
preliminary hearing giving the respondents at least five days’
actual notice. If the court finds at the preliminary hearing that
there are no alternatives less drastic than removal of the child
and that a hearing on the petition cannot be scheduled in the
interim period, the court may order that the child be delivered
into the temporary care, custody, and control of the department
or a responsible person or agency found by the court to be a fit
and proper person for the temporary care of the child for a period
not exceeding sixty days. The court order shall state:

(1) That continuation in the home is contrary to the best
interests of the child and set forth the reasons therefor;
(2) Whether or not the department made reasonable efforts to preserve the family and to prevent the child’s removal from his or her home;

(3) Whether or not the department made reasonable efforts to preserve the family and to prevent the placement or that the emergency situation made those efforts unreasonable or impossible;

(4) Whether or not the department made reasonable accommodations in accordance with the Americans with Disabilities Act of 1990, 42 U.S.C. §12101, et seq., to parents with disabilities in order to allow them meaningful access to reunification and family preservation services; and

(5) What efforts should be made by the department, if any, to facilitate the child’s return home. If the court grants an improvement period as provided in section six hundred ten of this article, the sixty-day limit upon temporary custody is waived.

(c) Emergency removal by department during pendency of case. — Regardless of whether the court has previously granted
the department care and custody of a child, if the department
takes physical custody of a child during the pendency of a child
abuse and neglect case (also known as removing the child) due
to a change in circumstances and without a court order issued at
the time of the removal, the department must immediately notify
the court and a hearing shall take place within ten days to
determine if there is imminent danger to the physical well-being
of the child, and there is no reasonably available alternative to
removal of the child. The court findings and order shall be
consistent with subsections (a) and (b) of this section.

(d) Situations when reasonable efforts to preserve the family
are not required. — For purposes of the court’s consideration of
temporary custody pursuant to subsection (a), (b), or (c) of this
section, the department is not required to make reasonable
efforts to preserve the family if the court determines:

(1) The parent has subjected the child, another child of the
parent or any other child residing in the same household or under
the temporary or permanent custody of the parent to aggravated
circumstances which include, but are not limited to,
abandonment, torture, chronic abuse and sexual abuse;
(2) The parent has:

(A) Committed murder of the child’s other parent, guardian or custodian, another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent;

(B) Committed voluntary manslaughter of the child’s other parent, guardian or custodian, another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent;

(C) Attempted or conspired to commit murder or voluntary manslaughter or been an accessory before or after the fact to either crime;

(D) Committed unlawful or malicious wounding that results in serious bodily injury to the child, the child’s other parent, guardian or custodian, to another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent;

(E) Committed sexual assault or sexual abuse of the child, the child’s other parent, guardian or custodian, another child of
the parent or any other child residing in the same household or
under the temporary or permanent custody of the parent; or
(F) Has been required by state or federal law to register with
a sex offender registry, and the court has determined in
consideration of the nature and circumstances surrounding the
prior charges against that parent, that the child’s interests would
not be promoted by a preservation of the family; or
(3) The parental rights of the parent to another child have
been terminated involuntarily.

§49-4-603. Medical and mental examinations; limitation of
evidence; probable cause; testimony; judge or
referee.

(a)(1) At any time during proceedings under this article the
court may, upon its own motion or upon motion of the child or
other parties, order the child or other parties to be examined by
a physician, psychologist or psychiatrist, and may require
testimony from the expert, subject to cross-examination and the
rules of evidence.

(2) The court may not terminate parental or custodial rights
of a party solely because the party refuses to submit to the
(3) The physician, psychologist or psychiatrist shall be allowed to testify as to the conclusions reached from hospital, medical, psychological or laboratory records provided the same are produced at the hearing.

(4) If the child, parent or custodian is indigent, the witnesses shall be compensated out of the Treasury of the State, upon certificate of the court wherein the case is pending.

(5) No evidence acquired as a result of an examination of the parent or any other person having custody of the child may be used against the person in any subsequent criminal proceedings against the person.

(b) (1) If a person with authority to file a petition under this article shall have probable cause to believe that evidence exists that a child has been abused or neglected and that the evidence may be found by a medical examination, the person may apply to a judge or juvenile referee for an order to take the child into custody for delivery to a physician or hospital for examination.
(2) The application may be on forms prescribed by the Supreme Court of Appeals or prepared by the prosecuting attorney or the applicant, and shall set forth facts from which it may be determined that probable cause exists for the belief.

(3) Upon sworn testimony or other evidence as the judge or referee deems sufficient, the judge or referee may order any law-enforcement officer to take the child into custody and deliver the child to a physician or hospital for examination.

(4) If a referee issues an order the referee shall by telephonic communication have such order orally confirmed by a circuit judge of the circuit or an adjoining circuit who shall, on the next judicial day, enter an order of confirmation.

(5) Any child protection worker and the child’s parents, guardians or custodians may accompany the officer for examination.

(6) After the examination the officer may return the child to the custody of his or her parent, guardian or custodian, retain custody of the child or deliver custody to the state department until the end of the next judicial day, at which time the child
shall be returned to the custody of his or her parent, guardian or
custodian unless a petition has been filed and custody of the
child has been transferred to the department under section six
hundred two of this article.

§49-4-604. Disposition of neglected or abused children; case plans;
dispositions; factors to be considered; reunification;
orders; alternative dispositions.

(a) Child and family case plans. — Following a
determination pursuant to section six hundred two of this article
wherein the court finds a child to be abused or neglected, the
department shall file with the court a copy of the child’s case
plan, including the permanency plan for the child. The term
“case plan” means a written document that includes, where
applicable, the requirements of the family case plan as provided
in section four hundred eight of this article and that also
includes, at a minimum, the following:

(1) A description of the type of home or institution in which
the child is to be placed, including a discussion of the
appropriateness of the placement and how the agency which is
responsible for the child plans to assure that the child receives
proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions that made the child unsafe in the care of his or her parent(s), including any reasonable accommodations in accordance with the Americans with Disabilities Act of 1990, 42 U.S.C. §12101 et seq., to parents with disabilities in order to allow them meaningful access to reunification and family preservation services;

(2) A plan to facilitate the return of the child to his or her own home or the concurrent permanent placement of the child; and address the needs of the child while in relative or foster care, including a discussion of the appropriateness of the services that have been provided to the child.

The term “permanency plan” refers to that part of the case plan which is designed to achieve a permanent home for the child in the least restrictive setting available. The plan must document efforts to ensure that the child is returned home within approximate time lines for reunification as set out in the plan. Reasonable efforts to place a child for adoption or with a legal guardian should be made at the same time, or concurrent with,
reasonable efforts to prevent removal or to make it possible for a child to return to the care of his or her parent(s) safely. If reunification is not the permanency plan for the child, the plan must state why reunification is not appropriate and detail the alternative, concurrent permanent placement plans for the child to include approximate time lines for when the placement is expected to become a permanent placement. This case plan shall serve as the family case plan for parents of abused or neglected children. Copies of the child’s case plan shall be sent to the child’s attorney and parent, guardian or custodian or their counsel at least five days prior to the dispositional hearing. The court shall forthwith proceed to disposition giving both the petitioner and respondents an opportunity to be heard.

(b) Disposition decisions. — The court shall give precedence to dispositions in the following sequence:

(1) Dismiss the petition;

(2) Refer the child, the abusing parent, the battered parent or other family members to a community agency for needed assistance and dismiss the petition;
52 (3) Return the child to his or her own home under supervision of the department;

54 (4) Order terms of supervision calculated to assist the child and any abusing parent or battered parent or parents or custodian which prescribe the manner of supervision and care of the child and which are within the ability of any parent or parents or custodian to perform;

59 (5) Upon a finding that the abusing parent or battered parent or parents are presently unwilling or unable to provide adequately for the child’s needs, commit the child temporarily to the care, custody, and control of the state department, a licensed private child welfare agency, or a suitable person who may be appointed guardian by the court. The court order shall state:

66 (A) That continuation in the home is contrary to the best interests of the child and why;

68 (B) Whether or not the department has made reasonable efforts, with the child’s health and safety being the paramount concern, to preserve the family, or some portion thereof, and to
prevent or eliminate the need for removing the child from the
child’s home and to make it possible for the child to safely return home;

(C) Whether the department has made reasonable accommodations in accordance with the Americans with Disabilities Act of 1990, 42 U.S.C. §12101 et seq., to parents with disabilities in order to allow them meaningful access to reunification and family preservation services;

(D) What efforts were made or that the emergency situation made those efforts unreasonable or impossible; and

(E) The specific circumstances of the situation which made those efforts unreasonable if services were not offered by the department. The court order shall also determine under what circumstances the child’s commitment to the department are to continue. Considerations pertinent to the determination include whether the child should:

(i) Be considered for legal guardianship;

(ii) Be considered for permanent placement with a fit and willing relative; or
(iii) Be placed in another planned permanent living arrangement, but only in cases where the child has attained 16 years of age and the department has documented to the circuit court a compelling reason for determining that it would not be in the best interests of the child to follow one of the options set forth in subparagraphs (i) or (ii) of this paragraph. The court may order services to meet the special needs of the child. Whenever the court transfers custody of a youth to the department, an appropriate order of financial support by the parents or guardians shall be entered in accordance with part eight of this article; and

(6) Upon a finding that there is no reasonable likelihood that the conditions of neglect or abuse can be substantially corrected in the near future and, when necessary for the welfare of the child, terminate the parental, custodial and guardianship rights and responsibilities of the abusing parent and commit the child to the permanent sole custody of the nonabusing parent, if there be one, or, if not, to either the permanent guardianship of the department or a licensed child welfare agency. The court may award sole custody of the child to a nonabusing battered parent.
If the court shall so find, then in fixing its dispositional order the court shall consider the following factors:

(A) The child’s need for continuity of care and caretakers;
(B) The amount of time required for the child to be integrated into a stable and permanent home environment; and
(C) Other factors as the court considers necessary and proper. Notwithstanding any other provision of this article, the court shall give consideration to the wishes of a child fourteen years of age or older or otherwise of an age of discretion as determined by the court regarding the permanent termination of parental rights. No adoption of a child shall take place until all proceedings for termination of parental rights under this article and appeals thereof are final. In determining whether or not parental rights should be terminated, the court shall consider the efforts made by the department to provide remedial and reunification services to the parent. The court order shall state:

(i) That continuation in the home is not in the best interest of the child and why;
(ii) Why reunification is not in the best interests of the child;
(iii) Whether or not the department made reasonable efforts, with the child’s health and safety being the paramount concern, to preserve the family, or some portion thereof, and to prevent the placement or to eliminate the need for removing the child from the child’s home and to make it possible for the child to safely return home, or that the emergency situation made those efforts unreasonable or impossible; and

(iv) Whether or not the department made reasonable efforts to preserve and reunify the family, or some portion thereof, including a description of what efforts were made or that those efforts were unreasonable due to specific circumstances.

(7) For purposes of the court’s consideration of the disposition custody of a child pursuant to this subsection, the department is not required to make reasonable efforts to preserve the family if the court determines:

(A) The parent has subjected the child, another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent to aggravated circumstances which include, but are not limited to, abandonment, torture, chronic abuse and sexual abuse;
(B) The parent has:

(i) Committed murder of the child’s other parent, guardian or custodian, another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent;

(ii) Committed voluntary manslaughter of the child’s other parent, guardian or custodian, another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent;

(iii) Attempted or conspired to commit murder or voluntary manslaughter or been an accessory before or after the fact to either crime;

(iv) Committed a felonious assault that results in serious bodily injury to the child, the child’s other parent, guardian or custodian, to another child of the parent or any other child residing in the same household or under the temporary or permanent custody of the parent; or

(v) Committed sexual assault or sexual abuse of the child, the child’s other parent, guardian or custodian, another child of
the parent or any other child residing in the same household or
under the temporary or permanent custody of the parent;

(C) The parental rights of the parent to another child have
been terminated involuntarily;

(D) A parent has been required by state or federal law to
register with a sex offender registry, and the court has
determined in consideration of the nature and circumstances
surrounding the prior charges against that parent, that the child’s
interests would not be promoted by a preservation of the family.

(c) As used in this section, “no reasonable likelihood that
conditions of neglect or abuse can be substantially corrected”
means that, based upon the evidence before the court, the
abusing adult or adults have demonstrated an inadequate
capacity to solve the problems of abuse or neglect on their own
or with help. Those conditions exist in the following
circumstances, which are not exclusive:

(1) The abusing parent or parents have habitually abused or
are addicted to alcohol, controlled substances or drugs, to the
extent that proper parenting skills have been seriously impaired
and the person or persons have not responded to or followed
through the recommended and appropriate treatment which
could have improved the capacity for adequate parental
functioning;

(2) The abusing parent or parents have willfully refused or
are presently unwilling to cooperate in the development of a
reasonable family case plan designed to lead to the child’s return
to their care, custody and control;

(3) The abusing parent or parents have not responded to or
followed through with a reasonable family case plan or other
rehabilitative efforts of social, medical, mental health or other
rehabilitative agencies designed to reduce or prevent the abuse
or neglect of the child, as evidenced by the continuation or
insubstantial diminution of conditions which threatened the
health, welfare or life of the child;

(4) The abusing parent or parents have abandoned the child;

(5) The abusing parent or parents have repeatedly or
seriously injured the child physically or emotionally, or have
sexually abused or sexually exploited the child, and the degree
of family stress and the potential for further abuse and neglect
are so great as to preclude the use of resources to mitigate or
resolve family problems or assist the abusing parent or parents
in fulfilling their responsibilities to the child:

(6) The battered parent’s parenting skills have been seriously
impaired and the person has willfully refused or is presently
unwilling or unable to cooperate in the development of a
reasonable treatment plan or has not adequately responded to or
followed through with the recommended and appropriate
treatment plan.

(d) The court may, as an alternative disposition, allow the
parents or custodians an improvement period not to exceed six
months. During this period the court shall require the parent to
rectify the conditions upon which the determination was based.
The court may order the child to be placed with the parents, or
any person found to be a fit and proper person, for the temporary
care of the child during the period. At the end of the period, the
court shall hold a hearing to determine whether the conditions
have been adequately improved and at the conclusion of the
§49-4-605. When department efforts to terminate parental rights are required.

(a) Except as provided in subsection (b) of this section, the department shall file or join in a petition or otherwise seek a ruling in any pending proceeding to terminate parental rights:

(1) If a child has been in foster care for fifteen of the most recent twenty-two months as determined by the earlier of the date of the first judicial finding that the child is subjected to abuse or neglect or the date which is sixty days after the child is removed from the home;

(2) If a court has determined the child is abandoned, tortured, sexually abused, or chronically abused; or

(3) If a court has determined the parent has committed murder or voluntary manslaughter of another of his or her children, another child in the household, or the other parent of his or her children; has attempted or conspired to commit murder or voluntary manslaughter or has been an accessory before or after the fact of either crime; has committed unlawful or
malicious wounding resulting in serious bodily injury to the
cchild or to another of his or her children, another child in the
household, or to the other parent of his or her children; or the
parental rights of the parent to another child have been
terminated involuntarily.

(b) The department may determine not to file a petition to
terminate parental rights when:

(1) At the option of the department, the child has been
placed permanently with a relative by court order;

(2) The department has documented in the case plan made
available for court review a compelling reason, including, but
not limited to, the child’s age and preference regarding
termination or the child’s placement in custody of the
department based on any proceedings initiated under part seven
of this article, that filing the petition would not be in the best
interests of the child; or

(3) The department has not provided, when reasonable
efforts to return a child to the family are required, the services to
the child’s family as the department deems necessary for the safe
return of the child to the home.
§49-4-606. Modification of dispositional orders; hearings; treatment team; unadopted children.

(a) Upon motion of a child, a child’s parent or custodian or the department alleging a change of circumstances requiring a different disposition, the court shall conduct a hearing pursuant to section six hundred four of this article and may modify a dispositional order if the court finds by clear and convincing evidence a material change of circumstances and that the modification is in the child’s best interests. A dispositional order may not be modified after the child has been adopted, except as provided in subsections (b) and (c) of this section. Adequate and timely notice of any motion for modification shall be given to the child’s counsel, counsel for the child’s parent or custodian, the department and any person entitled to notice and the right to be heard. The circuit court of origin has exclusive jurisdiction over placement of the child, and the placement may not be disrupted or delayed by any administrative process of the department.

(b) If the child is removed or relinquished from an adoptive home or other permanent placement after the case has been
dismissed, any party with notice thereof and the receiving agency shall promptly report the matter to the circuit court of origin, the department and the child’s counsel, and the court shall schedule a permanency hearing within sixty days of the report to the circuit court, with notice given to any appropriate parties and persons entitled to notice and the right to be heard. The department shall convene a multidisciplinary treatment team meeting within thirty days of the receipt of notice of permanent placement disruption.

(c) If a child has not been adopted, the child or department may move the court to place the child with a parent or custodian whose rights have been terminated and/or restore the parent’s or guardian’s rights. Under these circumstances, the court may order the placement and/or restoration of a parent’s or guardian’s rights if it finds by clear and convincing evidence a material change of circumstances and that the placement and/or restoration is in the child’s best interests.

§49-4-607. Consensual termination of parental rights.

An agreement of a natural parent in termination of parental rights are valid if made by a duly acknowledged writing, and
entered into under circumstances free from duress and fraud.

Where during the pendency of an abuse and neglect proceeding, a parent offers voluntarily relinquish of his or her parental rights, and the relinquishment is accepted by the circuit court, the relinquishment may, without further evidence, be used as the basis of an order of adjudication of abuse and neglect by that parent of his or her children.

§49-4-608. Permanency hearing; frequency; transitional planning; out-of-state placements; findings; notice; permanent placement review.

(a) Permanency hearing when reasonable efforts are not required. — If the court finds, pursuant to this article, that the department is not required to make reasonable efforts to preserve the family, then, notwithstanding any other provision, a permanency hearing must be held within thirty days following the entry of the court order so finding, and a permanent placement review hearing must be conducted at least once every ninety days thereafter until a permanent placement is achieved.

(b) Permanency hearing every twelve months until permanency is achieved. — If, twelve months after receipt by the
department or its authorized agent of physical care, custody, and control of a child either by a court-ordered placement or by a voluntary agreement, the department has not placed a child in an adoptive home; placed the child with a natural parent, placed the child in legal guardianship, or permanently placed the child with a fit and willing relative, the court shall hold a permanency hearing. The department shall file a progress report with the court detailing the efforts that have been made to place the child in a permanent home and copies of the child’s case plan, including the permanency plan as defined in section two hundred one, article one, and section six hundred four, article four of this chapter. Copies of the report shall be sent to the parties and all persons entitled to notice and the right to be heard. The court shall schedule a hearing, giving notice and the right to be present to the child’s attorney; the child; the child’s parents; the child’s guardians; the child’s foster parents; any preadoptive parent or any relative providing care for the child; any person entitled to notice and the right to be heard; and other persons as the court may, in its discretion, direct. The child’s presence may be
waived by the child’s attorney at the request of the child or if the
child is younger than twelve years and would suffer emotional
harm. The purpose of the hearing is to review the child’s case, to
determine whether and under what conditions the child’s
commitment to the department shall continue, to determine what
efforts are necessary to provide the child with a permanent
home, and to determine if the department has made reasonable
efforts to finalize the permanency plan. The court shall conduct
another permanency hearing within twelve months thereafter for
each child who remains in the care, custody, and control of the
department until the child is placed in an adoptive home,
returned to his or her parents, placed in legal guardianship, or
permanently placed with a fit and willing relative.

(c) Transitional planning for older children. — In the case
of a child who has attained sixteen years of age, the court shall
determine the services needed to assist the child to make the
transition from foster care to independent living. The child’s
case plan should specify services aimed at transitioning the child
into adulthood. When a child turns seventeen, or as soon as a
child aged seventeen comes into a case, the department must immediately provide the child with assistance and support in developing a transition plan that is personalized at the direction of the child. The plan must include specific options on housing, health insurance, education, local opportunities for mentors, continuing support services, work force support, and employment services, and the plan should be as detailed as the child may elect. In addition to these requirements, when a child with special needs turns seventeen, or as soon as a child aged seventeen with special needs comes into a case, he or she is entitled to the appointment of a department adult services worker to the multidisciplinary treatment team and coordination between the multidisciplinary treatment team and other transition planning teams, such as special education individualized education planning (IEP) teams.

(d) Out-of-state placements. – In any case in which the court decides to order the child placed in an out-of-state facility or program it shall set forth in the order directing the placement the reasons why the child was not placed in an in-state facility or
program. If the child is to be placed with a relative or other
responsible person out of state, the court shall use judicial
leadership to help expedite the process under the Interstate
Compact for the Placement of Children provided in part one,
article seven of this chapter and the Uniform Child Custody
Jurisdiction and Enforcement Act provided in article twenty,
chapter forty-eight of this code.

(e) Findings in order. – At the conclusion of the hearing the
court shall, in accordance with the best interests of the child,
enter an order containing all the appropriate findings. The court
order shall state:

(1) Whether or not the department made reasonable efforts
to preserve the family and to prevent out-of-home placement or
that the specific situation made the effort unreasonable;

(2) Whether or not the department made reasonable efforts
to finalize the permanency plan and concurrent plan for the
child;

(3) The appropriateness of the child’s current placement,
including its distance from the child’s home and whether or not
it is the least restrictive one (most family-like one) available;
(4) The appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement;

(5) Services required to meet the child’s needs and achieve permanency; and

(6) In addition, in the case of any child for whom another planned permanent living arrangement is the permanency plan, the court shall (A) inquire of the child about the desired permanency outcome for the child; (B) make a judicial determination explaining why, as of the date of the hearing, another planned permanent living arrangement is the best permanency plan for the child; and, (C) provide in the court order compelling reasons why it continues to not be in the best interest of the child to (i) return home, (ii) be placed for adoption, (iii) be placed with a legal guardian, or (iv) be placed with a fit and willing relative.

(f) The department shall annually report to the court the current status of the placements of children in the care, custody and control of the state department who have not been adopted.

(g) The department shall file a report with the court in any case where any child in the custody of the state receives more
than three placements in one year no later than thirty days after
the third placement. This report shall be provided to all parties
and persons entitled to notice and the right to be heard. Upon
motion by any party, the court shall review these placements and
determine what efforts are necessary to provide the child with a
permanent home. No report may be provided to any parent or
parent’s attorney whose parental rights have been terminated
pursuant to this article.

(h) The department shall give actual notice, in writing, to the
court, the child, the child’s attorney, the parents and the parents’
attorney at least forty-eight hours prior to the move if this is a
planned move, or within forty-eight hours of the next business
day after the move if the child is in imminent danger in the
child’s current placement, except where the notification would
endanger the child or the foster family. A multidisciplinary
treatment team shall convene as soon as practicable after notice
to explore placement options. This requirement is not waived by
placement of the child in a home or other residence maintained
by a private provider. No notice may be provided pursuant to this
provision to any parent or parent’s attorney whose parental rights
have been terminated pursuant to this article.
Nothing in this article precludes any party from petitioning the court for review of the child’s case at any time. The court shall grant the petition upon a showing that there is a change in circumstance or needs of the child that warrants court review.

Any foster parent, preadoptive parent or relative providing care for the child shall be given notice of and the right to be heard at the permanency hearing provided in this section.

§49-4-609. Conviction for offenses against children.

In any case where a person is convicted of an offense against a child described in section twelve, article eight, chapter sixty-one of this code or articles eight-b or eight-d of that chapter and the person has custodial, visitation or other parental rights to the child who is the victim of the offense or to any child who resides in the same household as the victim, the court shall, at the time of sentencing, find that the person is an abusing parent within the meaning of this chapter as to the child victim, and may find that the person is an abusing parent as to any child who resides in the same household as the victim, and the court shall take further steps as are required by this article.
§49-4-610. Improvement periods in cases of child neglect or abuse; findings; orders; extensions; hearings; time limits.

In any proceeding brought pursuant to this article, the court may grant any respondent an improvement period in accord with this article. During the period, the court may require temporary custody with a responsible person which has been found to be a fit and proper person for the temporary custody of the child or children or the state department or other agency during the improvement period. An order granting an improvement period shall require the department to prepare and submit to the court a family case plan in accordance with section four hundred eight, of this article. The types of improvement periods are as follows:

(1) **Preadjudicatory improvement period.** — A court may grant a respondent an improvement period of a period not to exceed three months prior to making a finding that a child is abused or neglected pursuant to section six hundred one of this article only when:

(A) The respondent files a written motion requesting the improvement period;

(B) The respondent demonstrates, by clear and convincing evidence, that the respondent is likely to fully participate in the
improvement period and the court further makes a finding, on the record, of the terms of the improvement period;

(C) In the order granting the improvement period, the court:

(i) Orders that a hearing be held to review the matter within sixty days of the granting of the improvement period; or

(ii) Orders that a hearing be held to review the matter within ninety days of the granting of the improvement period and that the department submit a report as to the respondents progress in the improvement period within sixty days of the order granting the improvement period; and

(D) The order granting the improvement period requires the department to prepare and submit to the court an individualized family case plan in accordance with section four hundred eight of this article;

(2) Post-adjudicatory improvement period. — After finding that a child is an abused or neglected child pursuant to section six hundred one of this article, a court may grant a respondent an improvement period of a period not to exceed six months when:

(A) The respondent files a written motion requesting the improvement period;
(B) The respondent demonstrates, by clear and convincing evidence, that the respondent is likely to fully participate in the improvement period and the court further makes a finding, on the record, of the terms of the improvement period;

(C) In the order granting the improvement period, the court:

(i) orders that a hearing be held to review the matter within thirty days of the granting of the improvement period; or

(ii) orders that a hearing be held to review the matter within ninety days of the granting of the improvement period and that the department submit a report as to the respondent’s progress in the improvement period within sixty days of the order granting the improvement period;

(D) Since the initiation of the proceeding, the respondent has not previously been granted any improvement period or the respondent demonstrates that since the initial improvement period, the respondent has experienced a substantial change in circumstances. Further, the respondent shall demonstrate that due to that change in circumstances the respondent is likely to fully participate in a further improvement period; and

(E) The order granting the improvement period requires the department to prepare and submit to the court an individualized
family case plan in accordance with section four hundred eight of this article.

(3) Post-dispositional improvement period. – The court may grant an improvement period not to exceed six months as a disposition pursuant to section six hundred four of this article when:

(A) The respondent moves in writing for the improvement period;

(B) The respondent demonstrates, by clear and convincing evidence, that the respondent is likely to fully participate in the improvement period and the court further makes a finding, on the record, of the terms of the improvement period;

(C) In the order granting the improvement period, the court:

(i) Orders that a hearing be held to review the matter within sixty days of the granting of the improvement period; or

(ii) Orders that a hearing be held to review the matter within ninety days of the granting of the improvement period and that the department submit a report as to the respondent’s progress in the improvement period within sixty days of the order granting the improvement period;
(D) Since the initiation of the proceeding, the respondent has not previously been granted any improvement period or the respondent demonstrates that since the initial improvement period, the respondent has experienced a substantial change in circumstances. Further, the respondent shall demonstrate that due to that change in circumstances, the respondent is likely to fully participate in the improvement period; and

(E) The order granting the improvement period shall require the department to prepare and submit to the court an individualized family case plan in accordance with section four hundred eight of this article.

(4) Responsibilities of the respondent receiving improvement period. —

(A) When any improvement period is granted to a respondent pursuant to this section, the respondent shall be responsible for the initiation and completion of all terms of the improvement period. The court may order the state department to pay expenses associated with the services provided during the improvement period when the respondent has demonstrated that he or she is unable to bear the expenses.
(B) When any improvement period is granted to a respondent pursuant to this section, the respondent shall execute a release of all medical information regarding that respondent, including, but not limited to, information provided by mental health and substance abuse professionals and facilities. The release shall be accepted by a professional or facility regardless of whether the release conforms to any standard required by that facility.

5 Responsibilities of the department during improvement period. — When any respondent is granted an improvement period pursuant to this article, the department shall monitor the progress of the person in the improvement period. This section may not be construed to prohibit a court from ordering a respondent to participate in services designed to reunify a family or to relieve the department of any duty to make reasonable efforts to reunify a family required by state or federal law.

6 Extension of improvement period. — A court may extend any improvement period granted pursuant to subdivision (2) or (3) of this section for a period not to exceed three months when the court finds that the respondent has substantially complied with the terms of the improvement period; that the continuation
of the improvement period will not substantially impair the
ability of the department to permanently place the child; and that
the extension is otherwise consistent with the best interest of the
child.

(7) Termination of improvement period. — Upon the motion
by any party, the court shall terminate any improvement period
granted pursuant to this section when the court finds that
respondent has failed to fully participate in the terms of the
improvement period or has satisfied the terms of the
improvement period to correct any behavior alleged in the
petition or amended petition to make his or her child unsafe.

(8) Hearings on improvement period. —

(A) Any hearing scheduled pursuant to this section may be
continued only for good cause upon a written motion properly
served on all parties. When a court grants a continuance, the
court shall enter an order granting the continuance specifying a
future date when the hearing will be held.

(B) Any hearing to be held at the end of an improvement
period shall be held as nearly as practicable on successive days
and shall be held as close in time as possible after the end of the
improvement period and shall be held no later than thirty days of
the termination of the improvement period.

(9) *Time limit for improvement periods.* — Notwithstanding
any other provision of this section, no combination of any
improvement periods or extensions thereto may cause a child to
be in foster care more than fifteen months of the most recent
twenty-two months, unless the court finds compelling
circumstances by clear and convincing evidence that it is in the
child’s best interests to extend the time limits contained in this
paragraph.

PART VII. JUVENILE PROCEEDINGS.

§49-4-701. Juvenile jurisdiction of circuit courts, magistrate courts
and municipal courts; constitutional guarantees; requirements; hearings; right to counsel; opportunity to be heard; evidence and transcripts.

(a) The circuit court has original jurisdiction of proceedings
brought under this article. A person under the age of eighteen
years who appears before the circuit court in proceedings under
this article is a ward of the court and protected accordingly.

(b) If during a criminal proceeding in any court it is
ascertained or appears that the defendant is under the age of
nineteen years and was under the age of eighteen years at the
time of the alleged offense, the matter shall be immediately
certified to the juvenile jurisdiction of the circuit court. The
circuit court shall assume jurisdiction of the case in the same
manner as cases which are originally instituted in the circuit
court by petition.

(c) Notwithstanding any other provision of this article,

magistrate courts have concurrent juvenile jurisdiction with the
circuit court for a violation of a traffic law of West Virginia, for
a violation of section nine, article six, chapter sixty, section three
or section four, article nine-a, chapter sixteen, or section
nineteen, article sixteen, chapter eleven of this code, or for any
violation of chapter twenty of this code. Juveniles are liable for
punishment for violations of these laws in the same manner as
adults except that magistrate courts have no jurisdiction to
impose a sentence of incarceration for the violation of these
laws.

(d) Notwithstanding any other provision of this article,
municipal courts have concurrent juvenile jurisdiction with the
circuit court for a violation of any municipal ordinance
regulating traffic, for any municipal curfew ordinance which is
enforceable or for any municipal ordinance regulating or prohibiting public intoxication, drinking or possessing alcoholic liquor or nonintoxicating beer in public places, any other act prohibited by section nine, article six, chapter sixty or section nineteen, article sixteen, chapter eleven of this code or underage possession or use of tobacco or tobacco products, as provided in article nine-a, chapter sixteen of this code. Municipal courts may impose the same punishment for these violations as a circuit court exercising its juvenile jurisdiction could properly impose, except that municipal courts have no jurisdiction to impose a sentence of incarceration for the violation of these laws.

(e) A juvenile may be brought before the circuit court for proceedings under this article only by the following means:

(1) By a juvenile petition requesting that the juvenile be adjudicated as a status offender or a juvenile delinquent; or

(2) By certification or transfer to the juvenile jurisdiction of the circuit court from the criminal jurisdiction of the circuit court, from any foreign court, or from any magistrate court or municipal court in West Virginia.
(f)(1) If a juvenile commits an act which would be a crime if committed by an adult, and the juvenile is adjudicated delinquent for that act, the jurisdiction of the court which adjudged the juvenile delinquent continues until the juvenile becomes twenty-one years of age. The court has the same power over that person that it had before he or she became an adult, and has the power to sentence that person to a term of incarceration. Any term of incarceration may not exceed six months. This authority does not preclude the court from exercising criminal jurisdiction over that person if he or she violates the law after becoming an adult or if the proceedings have been transferred to the court’s criminal jurisdiction pursuant to section seven hundred four of this article.

(2) If a juvenile is adjudicated as a status offender because he or she is habitually absent from school without good cause, the jurisdiction of the court which adjudged the juvenile a status offender continues until either the juvenile becomes twenty-one years of age, completes high school, completes a high school equivalent or other education plan approved by the court, or the court otherwise voluntarily relinquishes jurisdiction, whichever
occurs first. If the jurisdiction of the court is extended pursuant to this subdivision, the court has the same power over that person that it had before he or she became an adult. No person so adjudicated who has attained the age of nineteen may be ordered to attend school in a regular, nonalternative setting.

(g) A juvenile is entitled to be admitted to bail or recognizance in the same manner as an adult and be afforded the protection guaranteed by Article III of the West Virginia Constitution.

(h) A juvenile has the right to be effectively represented by counsel at all stages of proceedings under this article, including participation in multidisciplinary team meetings, until the child is no longer under the jurisdiction of the court. If the juvenile or the juvenile's parent or custodian executes an affidavit showing that the juvenile cannot afford an attorney, the court shall appoint an attorney, who shall be paid in accordance with article twenty-one, chapter twenty-nine of this code.

(i)(1) In all proceedings under this article, the juvenile will be afforded a meaningful opportunity to be heard. This includes the opportunity to testify and to present and cross-examine
87 witnesses. The general public shall be excluded from all
88 proceedings under this article except that persons whose
89 presence is requested by the parties and other persons whom the
90 circuit court determines have a legitimate interest in the
91 proceedings may attend.
92
93 (2) In cases in which a juvenile is accused of committing
94 what would be a felony if the juvenile were an adult, an alleged
95 victim or his or her representative may attend any related
96 juvenile proceedings, at the discretion of the presiding judicial
97 officer.
98
99 (3) In any case in which the alleged victim is a juvenile, he
100 or she may be accompanied by his or her parents or
101 representative, at the discretion of the presiding judicial officer.
102
103 (j) At all adjudicatory hearings held under this article, all
104 procedural rights afforded to adults in criminal proceedings shall
105 be afforded the juvenile unless specifically provided otherwise
106 in this chapter.
107
108 (k) At all adjudicatory hearings held under this article, the
109 rules of evidence applicable in criminal cases apply, including
110 the rule against written reports based upon hearsay.
(l) Except for res gestae, extrajudicial statements made by a juvenile who has not attained fourteen years of age to law-enforcement officials or while in custody are not admissible unless those statements were made in the presence of the juvenile’s counsel. Except for res gestae, extrajudicial statements made by a juvenile who has not attained sixteen years of age but who is at least fourteen years of age to law-enforcement officers or while in custody, are not admissible unless made in the presence of the juvenile’s counsel or made in the presence of, and with the consent of, the juvenile’s parent or custodian, and the parent or custodian has been fully informed regarding the juvenile’s right to a prompt detention hearing, the juvenile’s right to counsel, including appointed counsel if the juvenile cannot afford counsel, and the juvenile’s privilege against self-incrimination.

(m) A transcript or recording shall be made of all transfer, adjudicatory and dispositional hearings held in circuit court. At the conclusion of each of these hearings, the circuit court shall make findings of fact and conclusions of law, both of which shall appear on the record. The court reporter shall furnish a transcript
of the proceedings at no charge to any indigent juvenile who seeks review of any proceeding under this article if an affidavit is filed stating that neither the juvenile nor the juvenile’s parents or custodian have the ability to pay for the transcript.

§49-4-702. Prepetition interventions; court referrals; probation officers; giving of counsel.

(a) Before a juvenile petition is formally filed with the court, the court may refer the matter to a state department worker or probation officer for preliminary inquiry to determine whether the matter can be resolved informally without the formal filing of a petition with the court.

(b) The court at any time, or the department or other official upon a request from a parent, guardian or custodian, may, before proceedings under this article are formally instituted by the filing of a petition with the court, refer a juvenile alleged to be delinquent or a status offender to a counselor at the department or a community mental health center, or other professional counselor in the community. In the event the juvenile refuses to respond to this referral, the department may serve a notice by first class mail or personal service of process upon the juvenile,
setting forth the facts and stating that a noncustodial order will
be sought from the court directing the juvenile to submit to
counseling. The notice shall set forth the time and place for the
hearing on the matter. The court after a hearing may direct the
juvenile to participate in a noncustodial period of counseling that
may not exceed six months. Upon recommendation of the
department or request by the juvenile’s parent, custodian or
guardian, the court may allow or require the parent, custodian or
guardian to participate in this noncustodial counseling. No
information obtained as the result of this counseling is
admissible in a subsequent proceeding under this article.

(c) Before a petition is formally filed with the court, the
probation officer or other officer of the court designated by it,
subject to its direction, may give counsel and advice to the
parties with a view to an informal adjustment period if it
appears:

(1) The admitted facts bring the case within the jurisdiction
of the court;

(2) Counsel and advice without an adjudication would be in
the best interest of the public and the juvenile; and
The juvenile and his or her parents, guardian or other custodian consent thereto with knowledge that consent is not obligatory.

The giving of counsel and advice pursuant to this section may not continue longer than six months from the day it is commenced unless extended by the court for an additional period not to exceed six months.

§49-4-703. Juvenile drug courts; hearing officers.

Juvenile drug courts shall be designed and operated consistent with the developmental and rehabilitative needs of juveniles as defined in this article. The Supreme Court shall provide uniform referral, procedure and order forms that shall be used in juvenile drug courts. The Supreme Court is further authorized to appoint appropriate hearing officers in those jurisdictions which choose to operate a juvenile drug court. Hearing officers for juvenile drug courts shall be limited to current or senior status circuit court judges or family court judges.
§49-4-704. Institution of proceedings by petition; notice to juvenile and parents; preliminary hearings; subpoena.

(a)(1) A petition alleging that a juvenile is a status offender or a juvenile delinquent may be filed by a person who has knowledge of or information concerning the facts alleged. The petition shall be verified by the petitioner, shall set forth the name and address of the juvenile’s parents, guardians or custodians, if known to the petitioner, and shall be filed in the circuit court in the county where the alleged status offense or act of delinquency occurred. However, a proceeding under this chapter may be removed, for good cause shown, in accordance with section one, article nine, chapter fifty-six of this code. The petition shall contain specific allegations of the conduct and facts upon which the petition is based, including the approximate time and place of the alleged conduct; a statement of the right to have counsel appointed and consult with counsel at every stage of the proceedings; and the relief sought.

(2) Upon the filing of the petition, the court shall set a time and place for a preliminary hearing and may appoint counsel. A copy of the petition and summons may be served upon the
respondent juvenile by first class mail or personal service of 
process. If a juvenile does not appear in response to a summons 
served by mail, no further proceeding may be held until the 
juvenile is served a copy of the petition and summons by 
personal service of process. If a juvenile fails to appear in 
response to a summons served in person upon him or her, an 
order of arrest may be issued by the court for that reason alone. 
(b) The parents, guardians or custodians shall be named in 
the petition as respondents and shall be served with notice of the 
proceedings in the same manner as provided in subsection (a) of 
this section for service upon the juvenile and required to appear 
with the juvenile at the time and place set for the proceedings 
unless the respondent cannot be found after diligent search. If a 
respondent cannot be found after diligent search, the court may 
proceed without further requirement of notice. However, the 
court may order service by first class mail to the last known 
address of the respondent. The respondent shall be afforded 
fifteen days after the date of mailing to appear or answer.
(c) The court or referee may order the issuance of a subpoena against the person having custody and control of the juvenile ordering him or her to bring the juvenile before the court.

(d) When any case of a juvenile charged with the commission of a crime is certified or transferred to the circuit court, the court shall forthwith cause the juvenile and his or her parents, guardians or custodians to be served with a petition as provided in subsections (a) and (b) of this section. In the event the juvenile is in custody, the petition shall be served upon the juvenile within ninety-six hours of the time custody began and if the petition is not served within that time, the juvenile shall be released forthwith.

(e) The clerk of the court shall notify, within two judicial days, the local office of the Department of Health and Human Resources of all proceedings under this article, which is responsible for convening and directing the multidisciplinary treatment planning process in accordance with section four hundred six of this article. In status offense or delinquency cases
where a case manager has not been assigned, the juvenile probation officer is responsible for notifying the local office of the Department of Health and Human Services which will assign a case manager who will initiate assessment and be responsible for convening and directing the multidisciplinary treatment planning process.

(f) Notwithstanding any other provision of this code to the contrary, a petition filed pursuant to section four hundred three, article twenty-seven, chapter forty-eight of this code in which the petition for the emergency protective order is filed by or on behalf of the juvenile’s parent, guardian or custodian or other person with whom the juvenile resides and that results in the issuance of an emergency protective order naming a juvenile as the respondent, shall be treated as a petition authorized by this section, alleging the juvenile is a juvenile delinquent. However, the magistrate court shall notify the prosecuting attorney in the county where the emergency protective order is issued within twenty-four hours of the issuance of the emergency protective order and the prosecuting attorney may file an amended verified
petition to comply with subsection (a) of this section within two judicial days.

§49-4-705. Taking a juvenile into custody; requirements; existing conditions; detention centers; medical aid.

(a) In proceedings formally instituted by the filing of a juvenile petition, the circuit court or a magistrate may issue an order directing that a juvenile be taken into custody before adjudication only upon a showing of probable cause to believe that one of the following conditions exists: (1) The petition shows that grounds exist for the arrest of an adult in identical circumstances; (2) the health, safety and welfare of the juvenile demand custody; (3) the juvenile is a fugitive from a lawful custody or commitment order of a juvenile court; or (4) the juvenile is alleged to be a juvenile delinquent with a record of willful failure to appear at juvenile proceedings and custody is necessary to assure his or her presence before the court. A detention hearing pursuant to section seven hundred six of this article shall be held by the judge or magistrate authorized to conduct the hearings without unnecessary delay and in no event may any delay exceed the next day.
(b) Absent a court order, a juvenile may be taken into custody by a law-enforcement official only if one of the following conditions exists:

(1) Grounds exist for the arrest of an adult in identical circumstances;

(2) Emergency conditions exist which, in the judgment of the officer, pose imminent danger to the health, safety and welfare of the juvenile;

(3) The official has reasonable grounds to believe that the juvenile has left the care of his or her parents, guardian or custodian without the consent of the person and the health, safety and welfare of the juvenile is endangered;

(4) The juvenile is a fugitive from a lawful custody or commitment order of a juvenile court;

(5) The official has reasonable grounds to believe the juvenile to have been driving a motor vehicle with any amount of alcohol in his or her blood; or

(6) The juvenile is the named respondent in an emergency domestic violence protective order issued pursuant to section
four hundred three, article twenty-seven, chapter forty-eight of this code and the individual filing the petition for the emergency protective order is the juvenile’s parent, guardian or custodian or other person with whom the juvenile resides.

(c) Upon taking a juvenile into custody, with or without a court order, the official shall:

(1) Immediately notify the juvenile’s parent, guardian, custodian or, if the parent, guardian or custodian cannot be located, a close relative;

(2) Release the juvenile into the custody of his or her parent, guardian or custodian unless:

(A) Circumstances present an immediate threat of serious bodily harm to the juvenile if released;

(B) No responsible adult can be found into whose custody the juvenile can be delivered. Each day the juvenile is detained, a written record must be made of all attempts to locate a responsible adult; or

(C) The juvenile has been taken into custody for an alleged act of delinquency for which secure detention is permissible.
(3) If the juvenile is an alleged status offender or has been taken into custody pursuant to subdivision (6), subsection (b) of this section, immediately notify the Department of Health and Human Resources and, if the circumstances of either paragraph (A) or (B), subdivision (2) of this subsection exist and the requirements therein are met, the official may detain the juvenile, but only in a nonsecure or staff-secure facility;

(4) Take the juvenile without unnecessary delay before a judge of the circuit court for a detention hearing pursuant to section seven hundred six of this article. If a circuit court judge is not available in the county, the official shall take the juvenile without unnecessary delay before any magistrate available in the county for the sole purpose of conducting the detention hearing. In no event may any delay in presenting the juvenile for a detention hearing exceed the next day after he or she is taken into custody.

(d) In the event that a juvenile is delivered into the custody of a sheriff or director of a detention facility, the sheriff or director shall immediately notify the sheriff or director shall
immediately provide to every juvenile who is delivered into his or her custody a written statement explaining the juvenile’s right to a prompt detention hearing, his or her right to counsel, including appointed counsel if he or she cannot afford counsel, and his or her privilege against self-incrimination. In all cases when a juvenile is delivered into a sheriff’s or detention center director’s custody, that official shall release the juvenile to his or her parent, guardian or custodian by the end of the next day unless the juvenile has been placed in detention after a hearing conducted pursuant to section seven hundred six of this article.

(e) The law-enforcement agency that takes a juvenile into custody or places a juvenile under arrest is responsible for the juvenile’s initial transportation to a juvenile detention center or other Division of Juvenile Services’ residential facility.

(f) Notwithstanding any other provision of this code, a juvenile detention center, or other Division of Juvenile Services’ residential facility, is not required to accept a juvenile if the juvenile appears to be in need of medical attention of a degree necessitating treatment by a physician. If a juvenile is refused
pursuant to this subsection, the juvenile detention center, or other
Division of Juvenile Services’ residential facility, may not
subsequently accept the juvenile for detention until the arresting
or transporting officer provides the juvenile detention center, or
other Division of Juvenile Services’ residential facility, with a
written clearance from a licensed physician reflecting that the
juvenile has been examined and, if necessary, treated and which
states that in the physician’s medical opinion the juvenile can be
safely confined in the juvenile detention center or other Division
of Juvenile Services’ residential facility.
§49-4-706. Detention hearing; rights of juvenile; notification;
counsel; hearings.
(a) The circuit court judge or magistrate shall inform the
juvenile of his or her right to remain silent, that any statement
may be used against him or her and of his or her right to counsel,
and no interrogation may be made without the presence of a
parent or counsel. If the juvenile or his or her parent, guardian or
custodian has not retained counsel, counsel shall be appointed as
soon as practicable. The circuit court judge or magistrate shall
hear testimony concerning the circumstances for taking the
juvenile into custody and the possible need for detention. The
sole mandatory issue at the detention hearing is whether the
juvenile should be detained pending further court proceedings.
The court shall, if the health, safety and welfare of the juvenile
will not be endangered thereby, release the juvenile on
recognizance to his or her parents, custodians or an appropriate
agency; however, if warranted, the court may require bail, except
that bail may be denied in any case where bail could be denied
if the accused were an adult. The court shall:
(1) Immediately notify the juvenile’s parent, guardian or
custodian or, if the parent, guardian or custodian cannot be
located, a close relative;
(2) Release the juvenile into the custody of his or her parent,
guardian or custodian unless:
(A) Circumstances present an immediate threat of serious
bodily harm to the juvenile if released;
(B) No responsible adult can be found into whose custody
the juvenile can be delivered. However, each day the juvenile is
detained, a written record must be made of all attempts to locate
a responsible adult; or
(C) The juvenile is charged with an act of delinquency for which secure detention is permissible; and

(3) If the juvenile is an alleged status offender, immediately notify the Department of Health and Human Resources, and, if the circumstances of either paragraph (A) or (B), subdivision (2) of this subsection exist and the requirements therein are met, the court may order the juvenile detained, but only in a nonsecure or staff-secure facility. Any juvenile detained pursuant to this subdivision shall be placed in the legal custody of the Department of Health and Human Resources pending further proceedings by the court.

(b) The circuit court judge or magistrate may, in conjunction with the detention hearing, conduct a preliminary hearing pursuant to section seven hundred and four of this article if all the parties are prepared to proceed and the juvenile has counsel during the hearing.

49-4-707. Review of order following detention hearing.

Upon the application of any person in interest or on his or her own motion, a circuit court judge may modify or vacate any
order entered in his or her court after a detention hearing and
enter the order as to detention, or release from detention, as he
or she deems just and proper.

§49-4-708. Preliminary hearing; counsel; custody; court
requirements; preadjudicatory community
supervision period.

(a) Following the filing of a juvenile petition, unless a
preliminary hearing has previously been held in conjunction with
a detention hearing with respect to the same charge contained in
the petition, the circuit court judge or magistrate shall hold a
preliminary hearing. In the event that the juvenile is being
detained, the hearing shall be held within ten days of the time the
juvenile is placed in detention unless good cause is shown for a
continuance. If no preliminary hearing is held within ten days of
the time the juvenile is placed in detention, the juvenile shall be
released on recognizance unless the hearing has been continued
for good cause. If the judge is in another county in the circuit,
the hearing may be conducted in that other county or by video
conferencing. Written notice shall be provided to all parties of
the availability to participate by videoconferencing. The
preliminary hearing may be waived by the juvenile, upon advice of counsel. At the hearing, the circuit court judge or magistrate shall:

(1) If the juvenile is not represented by counsel, inform the juvenile and his or her parents, guardian or custodian or any other person standing in loco parentis to him or her of the juvenile’s right to be represented at all stages of proceedings under this article and the right to have counsel appointed;

(2) Appoint counsel by order entered of record, if counsel has not already been retained, or appointed. Counsel must represent the child until he or she is no longer under the jurisdiction of the court;

(3) Determine after hearing if there is probable cause to believe that the juvenile is a status offender or a juvenile delinquent. If probable cause is not found, the juvenile, if in detention, shall be released and the proceedings dismissed. If probable cause is found, the case shall proceed to adjudication. At this hearing or as soon thereafter as is practicable, the date for the adjudicatory hearing shall be set to give the juvenile and the
juvenile’s parents and attorney at least ten days’ notice unless
notice is waived by all parties;

(4) In lieu of placing the juvenile in a detention facility, the
court may place the juvenile in the temporary legal and/or
physical custody of the department. If the juvenile is detained,
the detention may not continue longer than thirty days without
commencement of the adjudicatory hearing unless good cause
for a continuance is shown by either party or, if a jury trial is
demanded, no longer than the next regular term of the court. A
juvenile who is alleged to be a status offender may not be placed
in a secure detention facility; and

(5) Inform the juvenile of the right to demand a jury trial.

(b) The juvenile may move to be allowed a preadjudicatory
community supervision period not to exceed one year. If the
court is satisfied that the best interest of the juvenile is likely to
be served by a preadjudicatory community supervision period,
the court may delay the adjudicatory hearing and allow a
preadjudicatory community supervision period upon terms
calculated to serve the rehabilitative needs of the juvenile. At the
conclusion of the preadjudicatory community supervision period,
the court shall dismiss the proceeding if the terms have been fulfilled; otherwise, the court shall proceed to the adjudicatory stage. A motion for a pre-adjudicatory community supervision period, may not be construed as an admission or be used as evidence. Preadjudicatory community supervision periods authorized by this subsection may be, in the court’s discretion, either custodial or noncustodial.

§49-4-709. Right to jury trial for juveniles; inapplicability.

(a) In a proceeding under this article, the juvenile, the juvenile’s counsel or the juvenile’s parent or guardian may demand, or the judge on his or her own motion may order a jury trial on any question of fact, in which the juvenile is accused of any act or acts of delinquency which, if committed by an adult would expose the adult to incarceration.

(b) A juvenile who is charged with a status offense or other offense where incarceration is not a possibility due either to the statutory penalty or where the court rules pretrial that a sentence of incarceration will not be imposed upon adjudication is not entitled to a trial by jury.
(c) This section is inapplicable to proceedings held pursuant to section one hundred seventeen of this article.

(d) Juries consist of twelve members.

§49-4-710. Waiver and transfer of jurisdiction.

(a) Upon written motion of the prosecuting attorney filed at least eight days prior to the adjudicatory hearing and with reasonable notice to the juvenile, his or her counsel, and his or her parents, guardians or custodians, the court shall conduct a hearing to determine if juvenile jurisdiction should or must be waived and the proceeding transferred to the criminal jurisdiction of the court. Any motion filed in accordance with this section is to state, with particularity, the grounds for the requested transfer, including the grounds relied upon as set forth in subsection (d), (e), (f) or (g) of this section, and the burden is upon the state to establish the grounds by clear and convincing evidence. Any hearing held under this section is to be held within seven days of the filing of the motion for transfer unless it is continued for good cause.

(b) No inquiry relative to admission or denial of the allegations of the charge or the demand for jury trial may be
made by or before the court until the court has determined whether the proceeding is to be transferred to criminal jurisdiction.

(c) The court shall transfer a juvenile proceeding to criminal jurisdiction if a juvenile who has attained the age of fourteen years makes a demand on the record to be transferred to the criminal jurisdiction of the court. The case may then be referred to magistrate or circuit court for further proceedings, subject to the court’s jurisdiction.

(d) The court shall transfer a juvenile proceeding to criminal jurisdiction if there is probable cause to believe that:

(1) The juvenile is at least fourteen years of age and has committed the crime of treason under section one, article one, chapter sixty-one of this code; the crime of murder under sections one, two and three, article two of that chapter; the crime of robbery involving the use or presenting of firearms or other deadly weapons under section twelve, article two of that chapter; the crime of kidnapping under section fourteen-a of article two of that chapter; the crime of first degree arson under section one,
article three of that chapter; or the crime of sexual assault in the first degree under section three, article eight-b of that chapter;

(2) The juvenile is at least fourteen years of age and has committed an offense of violence to the person which would be a felony if the juvenile was an adult. However, the juvenile has been previously adjudged delinquent for the commission of an offense of violence to the person which would be a felony if the juvenile was an adult; or

(3) The juvenile is at least fourteen years of age and has committed an offense which would be a felony if the juvenile was an adult. However, the juvenile has been twice previously adjudged delinquent for the commission of an offense which would be a felony if the juvenile was an adult.

(e) The court may transfer a juvenile proceeding to criminal jurisdiction if there is probable cause to believe that the juvenile would otherwise satisfy the provisions of subdivision (1), subsection (d) of this section, but who is younger than fourteen years of age.
(f) The court may, upon consideration of the juvenile’s mental and physical condition, maturity, emotional attitude, home or family environment, school experience and similar personal factors, transfer a juvenile proceeding to criminal jurisdiction if there is probable cause to believe that the juvenile would otherwise satisfy the provisions of subdivision (2) or (3), subsection (d) of this section, but who is younger than fourteen years of age.

(g) The court may, upon consideration of the juvenile’s mental and physical condition, maturity, emotional attitude, home or family environment, school experience and similar personal factors, transfer a juvenile proceeding to criminal jurisdiction if there is probable cause to believe that:

(1) The juvenile, who is at least fourteen years of age, has committed an offense of violence to a person which would be a felony if the juvenile was an adult;

(2) The juvenile, who is at least fourteen years of age, has committed an offense which would be a felony if the juvenile was an adult. However, the juvenile has been previously
adjudged delinquent for the commission of a crime which would be a felony if the juvenile was an adult;

(3) The juvenile, who is at least fourteen years of age, used or presented a firearm or other deadly weapon during the commission of a felony; or

(4) The juvenile has committed a violation of section four hundred one, article four, chapter sixty-a of this code which would be a felony if the juvenile was an adult involving the manufacture, delivery or possession with the intent to deliver a narcotic drug. For purposes of this subdivision, the term narcotic drug has the same definition as that set forth in section one hundred one, article one of that chapter;

(5) The juvenile has committed the crime of second degree arson as defined in section two, article three, chapter sixty-one of this code involving setting fire to or burning a public building or church. For purposes of this subdivision, the term public building means a building or structure of any nature owned, leased or occupied by this state, a political subdivision of this state or a county board of education and used at the time of the
alleged offense for public purposes. For purposes of this subdivision, the term church means a building or structure of any nature owned, leased or occupied by a church, religious sect, society or denomination and used at the time of the alleged offense for religious worship or other religious or benevolent purpose, or as a residence of a minister or other member of clergy.

(h) For purposes of this section, the term offense of violence means an offense which involves the use or threatened use of physical force against a person.

(i) If, after a hearing, the court directs the transfer of any juvenile proceeding to criminal jurisdiction, it shall state on the record the findings of fact and conclusions of law upon which its decision is based or shall incorporate findings of fact and conclusions of law in its order directing transfer.

(j) A juvenile who has been transferred to criminal jurisdiction pursuant to subsection (e), (f) or (g) of this section, by an order of transfer, has the right to either directly appeal an order of transfer to the supreme court of appeals or to appeal the
order of transfer following a conviction of the offense of
transfer. If the juvenile exercises the right to a direct appeal from
an order of transfer, the notice of intent to appeal and a request
for transcript is to be filed within ten days from the date of the
entry of any order of transfer, and the petition for appeal is to be
presented to the Supreme Court of Appeals within forty-five
days from the entry of the order of transfer. Article five, chapter
fifty-eight of this code pertaining to the appeals of judgments in
civil actions applies to appeals under this chapter except as
modified in this section. The court may, within forty-five days
of the entry of the order of transfer, by appropriate order, extend
and reextend the period in which to file the petition for appeal
for additional time, not to exceed a total extension of sixty days,
as in the court's opinion may be necessary for preparation of the
transcript. However, the request for a transcript was made by the
party seeking appeal within ten days of entry of the order of
transfer. In the event any notice of intent to appeal and request
for transcript be timely filed, proceedings in criminal court are
§49-4-711. Adjudication for alleged status offenders and delinquents; mandatory initial disposition of status offenders; court orders.

1 At the outset of an adjudicatory hearing, the court shall inquire of the juvenile whether he or she wishes to admit or deny the allegations in the petition. The juvenile may elect to stand mute, in which event the court shall enter a general denial of all allegations in the petition.

(1) If the respondent juvenile admits the allegations of the petition, the court shall consider the admission to be proof of the allegations if the court finds: (1) The respondent fully understands all of his or her rights under this article; (2) the respondent voluntarily, intelligently and knowingly admits all facts requisite for an adjudication; and (3) the respondent in his or her admission has not set forth facts which constitute a defense to the allegations.

(2) If the respondent juvenile denies the allegations, the court shall dispose of all pretrial motions and the court or jury shall proceed to hear evidence.
(3) If the allegations in a petition alleging that the juvenile is delinquent are admitted or are sustained by proof beyond a reasonable doubt, the court shall schedule the matter for disposition pursuant to section seven hundred four of this article.

(4) If the allegations in a petition alleging that the juvenile is a status offender are admitted or sustained by clear and convincing proof, the court shall refer the juvenile to the Department of Health and Human Resources for services, pursuant to section seven hundred twelve of this article and order the department to report back to the court with regard to the juvenile’s progress at least every ninety days or until the court, upon motion or sua sponte, orders further disposition under section seven hundred four of this article or dismisses the case from its docket. In a judicial circuit operating its own truancy program, a circuit judge may in lieu of referring truant juveniles to the department, order that the juveniles be supervised by his or her probation office.

(5) If the allegations in a petition are not sustained by proof as provided in subsections (3) and (4) of this section, the petition
shall be dismissed and the juvenile shall be discharged if he or she is in custody.

(6) Findings of fact and conclusions of law addressed to all allegations in the petition shall be stated on the record or reduced to writing and filed with the record or incorporated into the order of the court.

§49-4-712. Intervention and services by the department pursuant to initial disposition for status offenders; service plan; enforcement; further disposition; detention; out-of-home placement; department custody; least restrictive alternative; appeal.

(a) The services provided by the department for juveniles adjudicated as status offenders shall be consistent with part ten, article two of this chapter and shall be designed to develop skills and supports within families and to resolve problems related to the juveniles or conflicts within their families. Services may include, but are not limited to, referral of juveniles and parents, guardians or custodians and other family members to services for psychiatric or other medical care, or psychological, welfare, legal, educational or other social services, as appropriate to the needs of the juvenile and his or her family.
(b) If the child or family of the child fails to comply with the service plan, the department may petition the circuit court:

(1) For a valid court order, as defined in section two hundred seven, article one of this chapter, to enforce compliance with a service plan or to restrain actions that interfere with or defeat a service plan; or

(2) For a valid court order to place a juvenile out of home in a nonsecure or staff-secure setting, and/or to place a juvenile in custody of the department.

(c) In ordering any further disposition under this section, the court is not limited to the relief sought in the department’s petition and reasonable efforts made to prevent removal of the juvenile from his or her home or as an alternative to place the juvenile in community-based facilities which are the least restrictive alternatives appropriate to the needs of the juvenile and the community.

(d) The disposition of the juvenile may not be affected by the fact that the juvenile demanded a trial by jury or made a plea of denial. Any order providing disposition other than mandatory
referral to the department for services is subject to appeal to the
Supreme Court of Appeals.

(e) Following any further disposition by the court, the court
shall inquire of the juvenile whether or not appeal is desired and
the response shall be transcribed; a negative response may not be
construed as a waiver. The evidence shall be transcribed as soon
as practicable and made available to the juvenile or his or her
counsel, if it is requested for purposes of further proceedings. A
judge may grant a stay of execution pending further proceedings.

§49-4-713. Graduated penalties for juvenile alcohol consumption;
fines; community service; revocation of driver’s license.

(a) Notwithstanding any provision of this article to the
contrary, in addition to any other penalty available to the court,
any child who is adjudicated to have consumed alcoholic liquor
or nonintoxicating beer as defined in section five, article one,
chapter sixty of this code, shall:

(1) Upon a first adjudication, he or she shall be ordered to
perform community service for not more than eight hours or
fined not more than $25, or both performing community service
and fined.
(2) Upon a second adjudication, he or she shall be ordered to perform community service for not more than sixteen hours or fined not more than $50, or both performing community service and fined.

(3) Upon a third or subsequent adjudication, he or she shall be ordered to perform not more than twenty-four hours of community service or fined not more than $100, or both performing community service and fined.

(b) In addition to the penalties set forth in subsection (a) of this section and notwithstanding the provisions of subdivision (4), subsection (a), section seven hundred fifteen of this article, any child adjudicated a second time for consumption of alcoholic liquor or nonintoxicating beer shall have his or her license to operate a motor vehicle suspended for a definite term of not less than five nor more than ninety days. Any child adjudicated a third or subsequent time for consumption of an alcoholic liquor or nonintoxicating beer shall have his or her license to operate a motor vehicle suspended until he or she attains the age of eighteen years.
§49-4-714. Disposition of juvenile delinquents; investigation; proceedings; court discretion; orders; appeal.

(a) In aid of disposition of juvenile delinquents, the juvenile probation officer assigned to the court shall, upon request of the court, make an investigation of the environment of the juvenile and the alternative dispositions possible. The court, upon its own motion, or upon request of counsel, may order a psychological examination of the juvenile. The report of an examination and other investigative and social reports are not to be made available to the court until after the adjudicatory hearing. Unless waived, copies of the report shall be provided to counsel for the petitioner and counsel for the juvenile no later than seventy-two hours prior to the dispositional hearing.

(b) Following the adjudication, the court shall conduct the dispositional proceeding, giving all parties an opportunity to be heard. In disposition the court shall not be limited to the relief sought in the petition and shall, in electing from the following alternatives, consider the best interests of the juvenile and the welfare of the public:

(1) Dismiss the petition;
(2) Refer the juvenile and the juvenile’s parent or custodian to a community agency for needed assistance and dismiss the petition;

(3) Upon a finding that the juvenile is in need of extra-parental supervision: (A) Place the juvenile under the supervision of a probation officer of the court or of the court of the county where the juvenile has his or her usual place of abode or other person while leaving the juvenile in custody of his or her parent or custodian; and (B) prescribe a program of treatment or therapy or limit the juvenile’s activities under terms which are reasonable and within the child’s ability to perform, including participation in the litter control program established pursuant to section three, article fifteen-a, chapter twenty-two of this code or other appropriate programs of community service;

(4) Upon a finding that a parent or custodian is not willing or able to take custody of the juvenile, that a juvenile is not willing to reside in the custody of his or her parent or custodian or that a parent or custodian cannot provide the necessary supervision and care of the juvenile, the court may place the
juvenile in temporary foster care or temporarily commit the
juvenile to the department or a child welfare agency. The court
order shall state that continuation in the home is contrary to the
best interest of the juvenile and why; and whether or not the
department made a reasonable effort to prevent the placement or
that the emergency situation made those efforts unreasonable or
impossible. Whenever the court transfers custody of a youth to
the department, an appropriate order of financial support by the
parents or guardians shall be entered in accordance with part
eight, article four of this chapter and guidelines promulgated by
the Supreme Court of Appeals;

(5)(A) Upon a finding that the best interests of the juvenile
or the welfare of the public require it, and upon an adjudication
of delinquency the court may commit the juvenile to the custody
of the Director of the Division of Juvenile Services for
placement in a juvenile services facility for the treatment,
instruction and rehabilitation of juveniles. The court maintains
discretion to consider alternative sentencing arrangements.

(B) Notwithstanding any provision of this code to the
contrary, in the event that the court determines that it is in the
juvenile’s best interests or required by the public welfare to place the juvenile in the custody of the Division of Juvenile Services, the court shall provide the Division of Juvenile Services with access to all relevant court orders and records involving the underlying offense or offenses for which the juvenile was adjudicated delinquent, including sentencing and presentencing reports and evaluations, and provide the division with access to school records, psychological reports and evaluations, medical reports and evaluations or any other records as may be in the court’s possession as would enable the Division of Juvenile Services to better assess and determine the appropriate counseling, education and placement needs for the juvenile offender.

(C) Commitments may not exceed the maximum term for which an adult could have been sentenced for the same offense and any maximum allowable sentence to be served in a juvenile correctional facility may take into account any time served by the juvenile in a detention center pending adjudication, disposition or transfer. The order shall state that continuation in
the home is contrary to the best interests of the juvenile and why;
and whether or not the state department made a reasonable effort
to prevent the placement or that the emergency situation made
those efforts unreasonable or impossible; or

(6) After a hearing conducted under the procedures set out
in subsections (c) and (d), section four, article five, chapter
twenty-seven of this code, commit the juvenile to a mental health
facility in accordance with the juvenile’s treatment plan; the
director of the mental health facility may release a juvenile and
return him or her to the court for further disposition. The order
shall state that continuation in the home is contrary to the best
interests of the juvenile and why; and whether or not the state
department made a reasonable effort to prevent the placement or
that the emergency situation made those efforts unreasonable or
impossible.

(c) In any case in which the court decides to order the
juvenile placed in an out-of-state facility or program, it shall set
forth in the order directing the placement the reasons the juvenile
was not placed in an in-state facility or program.
(d) The disposition of the juvenile may not be affected by the fact that the juvenile demanded a trial by jury or made a plea of denial. Any dispositional order is subject to appeal to the Supreme Court of Appeals.

(e) Following disposition, the court shall inquire whether the juvenile wishes to appeal and the response shall be transcribed; a negative response may not be construed as a waiver. The evidence shall be transcribed as soon as practicable and made available to the juvenile or his or her counsel, if the same is requested for purposes of further proceedings. A judge may grant a stay of execution pending further proceedings.

(f) Notwithstanding any other provision of this code to the contrary, if a juvenile charged with delinquency under this chapter is transferred to adult jurisdiction and there tried and convicted, the court may make its disposition in accordance with this section in lieu of sentencing the person as an adult.

§49-4-715. Authority of the courts to impose additional penalties; public service projects; ineligible to operate a motor vehicle; restitution.

(a) In addition to the methods of disposition provided in section seven hundred fourteen of this article, the court may
enter an order imposing one or more of the following penalties, conditions and limitations:

(1) Impose a fine not to exceed $100 upon the child;

(2) Require the child to make restitution or reparation to the aggrieved party or parties for actual damages or loss caused by the offense for which the child was found to be delinquent, or if the child does not make full restitution, require the custodial parent or parents, as defined in section two, article seven-a, chapter fifty-five, of the child to make partial or full restitution to the victim to the extent the child fails to make full restitution;

(3) Require the child to participate in a public service project under the conditions as the court prescribes, including participation in the litter control program established pursuant to the authority of section three, article fifteen-a, chapter twenty-two of this code; and

(4) When the child is fifteen years of age or younger and has been adjudged delinquent, the court may order that the child is not eligible to be issued a junior probationary operator’s license or when the child is between the ages of sixteen and eighteen
years and has been adjudged delinquent, the court may order that the child is not eligible to operate a motor vehicle in this state, and any junior or probationary operator’s license shall be surrendered to the court. The child’s driving privileges shall be suspended for a period not to exceed two years, and the clerk of the court shall notify the Commissioner of the Division of Motor Vehicles of the order.

(b) Nothing may limit the discretion of the court in disposing of a juvenile case. The juvenile may not be denied probation or any other disposition pursuant to this article because the juvenile is financially unable to pay a fine or make restitution or reparation. All penalties, conditions and limitations imposed under this section shall be based upon a consideration by the court of the seriousness of the offense, the child’s ability to pay and a program of rehabilitation consistent with the best interests of the child.

(c) Notwithstanding any other provisions of this code to the contrary, in the event a child charged with delinquency under this chapter is transferred to adult jurisdiction and there
convicted, the court may nevertheless, in lieu of sentencing the
person as an adult, make its disposition in accordance with this
section.

§49-4-716. Teen court program; alternative; suitability;
unsuccessful cooperation; requirements; fees.

(a) Notwithstanding any provision of this article to the
contrary, any county or municipality may choose to institute a
teen court program in accordance with this section.

(b) An juvenile may be given the option of proceeding in a
ten court program as an alternative to the filing of a formal
proceeding pursuant to section seven hundred four or section
seven hundred fourteen of this article if:

(1) The juvenile is alleged to have committed a status
offense or an act of delinquency that would be a misdemeanor if
committed by an adult;

(2) The juvenile is alleged to have violated a municipal
ordinance over which municipal court and state court have
concurrent jurisdiction; or

(3) The juvenile is otherwise subject to the provisions of this
article.
(c) If the circuit court or municipal court finds that the offender is a suitable candidate for the teen court program, it may extend the option to enter the program as an alternative procedure. A juvenile may not enter the teen court program unless he or she and his or her parent or guardian consent to participating in the program.

(d) Any juvenile who does not successfully cooperate in, and complete, the teen court program and any disposition imposed during the juvenile’s participation shall be returned to the circuit court for further disposition as provided by section seven hundred and twelve or seven hundred fourteen of this article, as the case may be or returned to the municipal court for further disposition for cases originating in municipal court consistent with any applicable ordinance.

(e) The following provisions apply to all teen court programs:

(1) The judge for each teen court proceeding shall be an acting or retired circuit court judge or an active member of the West Virginia State Bar, who serves on a voluntary basis.
(2) Any juvenile who selects the teen court program as an alternative disposition shall agree to serve thereafter on at least two occasions as a teen court juror.

(3) Volunteer students from grades seven through twelve of the schools within the county shall be selected to serve as defense attorney, prosecuting attorney, court clerk, bailiff and jurors for each proceeding.

(4) Disposition in a teen court proceeding shall consist of requiring the juvenile to perform sixteen to forty hours of community service, the duration and type of which shall be determined by the teen court jury from a standard list of available community service programs provided by the county juvenile probation system and a standard list of alternative consequences that are consistent with the purposes of this article. The performance of the juvenile shall be monitored by the county juvenile probation system for cases originating in the circuit court’s jurisdiction, or municipal teen court coordinator or other designee for cases originating in the municipal court’s jurisdiction. The juvenile shall also perform at least two sessions
of teen court jury service and, if considered appropriate by the
circuit court judge or teen court judge, participate in an
education program. Nothing in this section may be construed so
as to deny availability of the services provided under section
seven hundred and twelve of this article to juveniles who are
otherwise eligible for the service.

(f) The rules for administration, procedure and admission of
evidence shall be determined by the chief circuit judge or teen
court judge, but in no case may the court require a juvenile to
admit the allegation against him or her as a prerequisite to
participation in the teen court program. A copy of these rules
shall be provided to every teen court participant.

(g) Each county or municipality that operates, or wishes to
operate, a teen court program as provided in this section is
hereby authorized to adopt a mandatory fee of up to $5 to be
assessed as provided in this subsection. Municipal courts may
assess a fee pursuant to this section upon authorization by the
city council of the municipality. Assessments collected by the
clerk of the court pursuant to this subsection shall be deposited
into an account specifically for the operation and administration
of a teen court program. The clerk of the court of conviction
shall collect the fees established in this subsection and shall
remit the fees to the teen court program.

(h) Any mandatory fee established by a county commission
or city council in accordance with this subsection shall be paid
by the defendant on a judgment of guilty or a plea of nolo
contendere for each violation committed in the county or
municipality of any felony, misdemeanor or any local ordinance,
including traffic violations and moving violations but excluding
municipal parking ordinances. Municipalities operating teen
courts are authorized to use fees assessed in municipal court
pursuant to this subsection for operation of a teen court in their
municipality

§49-4-717. Sexting educational diversion program; requirements.

(a) Before a juvenile petition is filed for activity proscribed
by article eight-a or eight-c, chapter sixty-one of this code, or
after probable cause has been found to believe a juvenile has
committee a violation thereof, but before an adjudicatory hearing
on the petition, the court or a prosecuting attorney may direct or allow a minor who engaged in the activity to participate in an educational diversion program which meets the requirements of subsection (b) of this section. The prosecutor or court may refer the minor to the educational diversion program, as part of a prepetition intervention pursuant to section seven hundred two of this article.

(b) The West Virginia Supreme Court of Appeals may develop an educational diversion program for minors who are accused of activity proscribed by article eight-a or eight-c, chapter sixty-one of this code. As a part of any specialized educational diversion program so developed, the following issues and topics should be included:

(1) The legal consequences of and penalties for sharing sexually suggestive or explicit materials, including applicable federal and state statutes;

(2) The nonlegal consequences of sharing sexually suggestive or explicit materials including, but not limited to, the effect on relationships, loss of educational and employment
opportunities, and being barred or removed from school programs and extracurricular activities;

(3) How the unique characteristics of cyberspace and the Internet, including searchability, replicability and an infinite audience, can produce long-term and unforeseen consequences for sharing sexually suggestive or explicit materials; and

(4) The connection between bullying and cyber-bullying and minors sharing sexually suggestive or explicit materials.

(c) Once a specialized educational diversion program is established by the West Virginia Supreme Court of Appeals consistent with this section, the minor’s successful completion of the educational diversion program shall be duly considered by the prosecutor or the court in their respective decisions to either abstain from filing the juvenile petition or to dismiss the juvenile petition, as follows:

(1) If the minor has not previously been judicially determined to be delinquent, and the minor’s activities represent a first offense for a violation of section three-b, article eight-c, chapter sixty-one of this code, the minor is not subject to the
requirements of that section, as long as he or she successfully completes the educational diversion program; and

(2) If the minor commits a second or subsequent violation of article eight-a or eight-c, chapter sixty-one of this code, the minor’s successful completion of the educational diversion program may be considered as a factor to be considered by the prosecutor and court in deciding to not file a petition or to dismiss a petition, upon successful completion of an improvement plan established by the court.

§49-4-718. Modification of dispositional orders; motions; hearings.

(a) A dispositional order of the court may be modified:

(1) Upon the motion of the probation officer, a department official, the director of the division of juvenile services or prosecuting attorney; or

(2) Upon the request of the child or a child’s parent or custodian who alleges a change of circumstances relating to disposition of the child.

(b) Upon a motion or request, the court shall conduct a review proceeding, except that if the last dispositional order was
within the previous six months the court may deny a request for review. Notice in writing of a review proceeding shall be given to the child, the child’s parent or custodian and all counsel not less than seventy-two hours prior to the proceeding. The court shall review the performance of the child, the child’s parent or custodian, the child’s social worker and other persons providing assistance to the child or child’s family. If the motion or request for review of disposition is based upon an alleged violation of a court order, the court may modify the dispositional order to a more restrictive alternative if it finds clear and convincing proof of substantial violation. In the absence of proof, the court may decline to modify the dispositional order or may modify the order to one of the less restrictive alternatives set forth in section seven hundred twelve of this article. A juvenile may not be required to seek a modification order as provided in this section in order to exercise his or her right to seek release by habeas corpus.

(c) In a hearing for modification of a dispositional order, or in any other dispositional hearing, the court shall consider the best interests of the child and the welfare of the public.
§49-4-719. Juvenile probation officers; appointment; salary; facilities; expenses; duties; powers.

(a)(1) Each circuit court, subject to the approval of the Supreme Court of Appeals and in accordance with the rules of the Supreme Court of Appeals, shall appoint one or more juvenile probation officers and clerical assistants for the circuit. A probation officer or clerical assistant may not be related by blood or marriage to the appointing judge.

(2) The salary for juvenile probation officers and clerical assistants shall be determined and fixed by the Supreme Court of Appeals. All expenses and costs incurred by the juvenile probation officers and their staff shall be paid by the Supreme Court of Appeals in accordance with its rules. The county commission of each county shall provide adequate office facilities for juvenile probation officers and their staff. All equipment and supplies required by juvenile probation officers and their staff shall be provided by the Supreme Court of Appeals.

(3) A juvenile probation officer may not be considered a law-enforcement official under this chapter.
(b) The clerk of a court shall notify, if practicable, the chief probation officer of the county, or his or her designee, when a juvenile is brought before the court or judge for proceedings under this article. When notified, or if the probation officer otherwise obtains knowledge of fact, he or she or one of his or her assistants shall:

(1) Make investigation of the case; and

(2) Furnish information and assistance that the court or judge may require.

§49-4-720. Prohibition on committing juveniles to adult facilities; copy provided to juvenile.

(a) No juvenile, including one who has been transferred to criminal jurisdiction of the court, shall be detained or confined in any institution in which he or she has contact with or comes within sight or sound of any adult persons incarcerated because they have been convicted of a crime or are awaiting trial on criminal charges or with the security staff (including management) or direct-care staff of a jail or locked facility for adults.
(b) No child who has been convicted of an offense under the adult jurisdiction of the circuit court shall be held in custody in a correctional facility of this state. The Division of Juvenile Services shall be responsible for notifying the sentencing court within forty-five days of the child’s eighteenth birthday that the child will be turning eighteen years of age. Within ten days of the child’s eighteenth birthday, the court shall transfer the offender to an adult correctional facility or to any other disposition the court deems appropriate for adult offenders. Notwithstanding any other provision of this code to the contrary, prior to the transfer the child shall be returned to the sentencing court for the purpose of reconsideration and modification of the imposed sentence, which shall be based upon a review of all records and relevant information relating to the child’s rehabilitation since his or her conviction under the adult jurisdiction of the court.

§49-4-721. Rules governing juvenile facilities; rights of juveniles.

(a) The Director of the Division of Juvenile Services within the Department of Military Affairs and Public Safety shall
propose legislative rules for promulgation in accordance with
drop article three, chapter twenty-nine-a of this code, outlining
policies and procedures governing the operation of those
correctional, detention, predispositional detention centers and
other facilities wherein juveniles may be housed. These policies
and procedures shall include, but are not limited to, standards of
cleanliness, temperature and lighting; availability of medical and
dental care; provision of food, furnishings, clothing and toilet
articles; supervision; procedures for enforcing rules of conduct
consistent with due process of law; and visitation privileges. A
juvenile in custody or detention has, at a minimum, the
following rights, and the policies prescribed ensuring that:

(1) A juvenile may not be punished by physical force,
deprivation of nutritious meals, deprivation of family visits or
imposition of solitary confinement;

(2) A juvenile shall be afforded an opportunity to participate
in physical exercise each day;

(3) Except for sleeping hours, a juvenile in a state facility
may not be locked alone in a room unless that juvenile is not
amenable to reasonable direction and control;
(4) A juvenile shall be provided with his or her own clothing or individualized clothing which is clean and supplied by the facility, and shall also be afforded daily access to showers;

(5) A juvenile shall be afforded constant access to writing materials and may send mail without limitation, censorship or prior reading, and may receive mail without prior reading, except that mail may be opened in the juvenile’s presence, without being read, to inspect for contraband;

(6) A juvenile may make and receive regular local phone calls without charge and long distance calls to his or her family without charge at least once a week, and receive visitors daily and on a regular basis;

(7) A juvenile shall be afforded immediate access to medical care as needed;

(b) Upon admission to a detention facility or juvenile corrections facility, a juvenile shall be furnished with a copy of the rights provided him or her by virtue of this section and as further prescribed by rules proposed and promulgated pursuant to this section.

§49-4-722. Conviction for offense while in custody.

(a) Notwithstanding any other provision of law to the contrary, any person who is eighteen years of age or older who is convicted as an adult of an offense that he or she committed while in the custody of the Division of Juvenile Services and who is therefor sentenced to a regional jail or state correctional facility for the offense may not be returned to the custody of the division upon the completion of his or her adult sentence until a hearing is held before the court which committed the person to the custody of the Division of Juvenile Services at which hearing the division may present any objections it may have to return the person to its custody. If the division does object and the court
overrules the division’s objections, it shall make specific written
findings as to its rationale for overruling the objections.

(b) No person who is eighteen years of age or older who is
convicted as an adult of a felony crime of violence against the
person while in the custody of the Division of Juvenile Services
be returned to the custody of the Division of Juvenile Services
upon completion of his or her adult sentence.

§49-4-723. Discrimination prohibited; penalties; damages.

(a) No individual, firm, corporation or other entity may
discriminate against any person in any manner due to that
person’s prior involvement in a proceeding under this article if
that person’s records have been expunged pursuant to this
article. This includes, but is not limited to, discrimination
relating to employment, housing, education, obtaining credit, and
contractual rights.

(b) Any person who willfully violates this section is guilty
of a misdemeanor and, upon conviction, shall be fined not more
than $1,000, or confined in jail for not more than six months, or
both fined and confined. Additionally, a person who violates this
section is liable to the person who has been discriminated against for damages in the amount of $300 or the actual amount of damages, whichever is greater.

PART VIII. SUPPORT AND SUPPORT ORDERS.

§49-4-801. Support of a child removed from home pursuant to this chapter; order requirements.

(a) It is the intent of the Legislature that to the extent practicable, this article should encourage and require a child’s parents to meet the obligation of providing that child with adequate food, shelter, clothing, education, and health and child care.

(b) This article shall be construed to be consistent with articles one, eleven, twelve, thirteen, fourteen, fifteen, sixteen, eighteen, nineteen and twenty four of chapter forty-eight of this code, and those articles apply to actions pursuant to this chapter unless expressly stated otherwise.

(c) When a child is removed from his or her home pursuant to this chapter, the court shall issue a support order payable by the child’s mother. If the child’s legal father has been determined, the court shall issue a child support order payable by
the legal father. If no legal father has been determined, the court shall issue an order establishing paternity prior to or simultaneously with establishing a support order payable by the child’s legal father. Copies of the orders shall be provided to the Department of Health and Human Resources, Bureau of Child Support Enforcement.

(d) The order establishing a child support obligation must use the Guidelines for Child Support Awards that are set forth in article thirteen, chapter forty-eight of this code.

(e) In addition to the reasons for deviation listed in section seven hundred two, article thirteen, chapter forty-eight of this code, deviation from the child support guidelines is appropriate when the court finds that:

(1) It may assist the parent in successful completion of an improvement period;

(2) It may be in the best interest of the minor child to issue a zero child support order; and/or

(3) The parent temporarily or permanently has no gross income as defined in section two hundred twenty eight, article one, chapter forty-eight of this code.
§49-4-802. General provisions for support orders; contempt.

(a) Any pre-existing support order from any other court or administrative agency with authority to issue a support order shall remain in full force and effect until a superseding order is issued.

(b) If a child is returned to the physical custody of a parent, that parent is not responsible for paying child support for the duration of time that parent has physical custody of the child without the necessity of entry of another court order terminating that parent’s child support obligation.

(c) If the action is dismissed for failure to prove the allegations of abuse or neglect, any support provision issued pursuant to this chapter are void ab initio. Any adjudication of paternity shall remain in full force and effect.

(d) The support obligation shall automatically continue beyond the termination of the payor’s parental rights, unless the support obligation is explicitly ended in an order.

§49-4-803. Enforcement of support orders.

(a) Support orders may be enforced through any manner provided in chapters thirty-eight and forty-eight of this code.
(b) An action for contempt for nonpayment of support may be brought by the Department of Health and Human Resources, Bureau for Children and Families or Bureau for Child Support Enforcement; the child’s physical custodian; the child’s guardian ad litem; or the prosecuting attorney.

PART IX. CONTRIBUTING TO THE DELINQUENCY OF A CHILD.

§49-4-901. Contributing to delinquency or neglect of a child; penalties; payment of medical costs; proof; court discretion; other payments; suspended sentence; maintenance and care; temporary custody.

(a) A person who by any act or omission contributes to, encourages or tends to cause the delinquency or neglect of any child, including, but not limited to, aiding or encouraging the child to habitually or continually refuse to respond, without just cause, to the lawful supervision of the child’s parents, guardian or custodian or to be habitually absent from school without just cause, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than $50 nor more than $500, or confined in jail for a period not exceeding one year, or both fined and confined.
11 (b) In addition to any penalty provided under this section and
12 any restitution which may be ordered by the court under article
13 eleven-a, chapter sixty-one of this code, the court may order any
14 person convicted under this section to pay all or any portion of
15 the cost of medical, psychological or psychiatric treatment of the
16 child resulting from the act or acts for which the person is
17 convicted, whether or not the child is considered to have
18 sustained bodily injury.
19 (c) This section does not apply to any parent, guardian or
20 custodian who fails or refuses, or allows another person to fail or
21 refuse, to supply a child under the care, custody or control of the
22 parent, guardian or custodian with necessary medical care, when
23 medical care conflicts with the tenets and practices of a
24 recognized religious denomination or order of which parent,
25 guardian or custodian is an adherent or member.
26 (d) In finding a person guilty of contributing to the
27 delinquency of a child, it is not necessary to prove that the child
28 has actually become delinquent, if it appears from the evidence
29 that the accused is guilty of conduct or of an act of neglect or
omission of duty on his or her part toward the child which would
tend to bring about or to encourage the delinquency.

(e) A court or judge, upon convictions as are imposed in
accordance with this chapter, may:

(1) Suspend the sentence of a person found guilty of
contributing to the delinquency of a child;

(2) Stay or postpone the enforcement of execution of
sentence; or

(3) Release the person from custody.

(f) If the sentence of the person found guilty is suspended,
the court or judge may make it a condition of suspending
sentence that the person pay for whatever treatment and care
may be required for the welfare of the child, and for its support
and maintenance while in the custody of the department, person,
or institution, and any other expense that may have resulted
from, or be necessary because of, the act or acts of the person
found guilty.

(g) The conditions upon which the sentence of a person
found guilty of contributing to the delinquency, or to the neglect
of any child, may be suspended, may include the furnishing of a
good and sufficient bond to the State of West Virginia in the
penal sum as the court shall determine, not exceeding $1,000,
conditioned upon:

(1) Furnishing whatever treatment and care may be required
for the welfare of the child;

(2) Doing whatever may be calculated to secure obedience
to the law or to remove the cause of delinquency, or neglect; and

(3) Payment of the amount as the court may order, not
exceeding $20 per month, for the support, care, and maintenance
of the child to whose delinquency the person contributed. The
sum shall be expended under the order of the court or judge for
the purposes enumerated.

(h)(1) The penalty of a bond given upon suspension of
sentence which becomes forfeited is recoverable without
separate suit. The court or judge may cause citation or summons
to issue to the principal and surety, requiring that they appear at
a time named by the court or judge, not less than ten nor more
than twenty days from the issuance of the summons, and show
cause why judgment should not be entered for the penalty of the bond and execution issued against the property of the principal and of the surety. Upon failure to appear, or failure to show sufficient cause, the court shall enter judgment in behalf of the State of West Virginia against the principal and surety in an amount not to exceed the penalty of the bond plus costs.

(2) Any money collected or paid upon an execution, or upon the bond, shall be deposited with the clerk of the court in which the bond was given. The money shall be applied first to the payment of all court costs and then to the treatment, care, or maintenance of the child for whose delinquency conviction was had. If any money so collected is not required for these purposes, it shall be paid within one year into the State Treasury.

(i) If it appear to the satisfaction of the court or judge at any time while a suspension of sentence or stay of execution remains in effect, that the sentence ought to be enforced, the court or judge may enforce the sentence. A jail sentence shall commence from the date upon which the sentence is so ordered to be enforced.
(j) If the conditions of suspension are complied with, the sentence shall remain suspended, subject to enforcement upon the violation of any of the conditions imposed. Upon a failure to comply with any of the conditions imposed, the sentence shall be enforced and any bond given to insure the performance of the conditions shall be forfeited.

(k) A sentence may not be suspended, or final judgment or execution stayed, for a period exceeding two years. At the end of two years from the time of imposition of sentence or sooner in the discretion of the court or judge, the defendant shall be finally released and discharged.

(l) Where a person is found guilty of contributing to the delinquency of a child, the court or judge may place the child in the temporary custody of the department or of some responsible person or approved institution.

§49-4-902. Custody of child by convicted person.

If the guilty person had custody of the child prior to conviction, the court or judge may, on suspending sentence, permit the child to remain in the custody of the person, and make
it a condition of suspending sentence that the person provides
whatever treatment and care may be required for the welfare of
the child, and shall do whatever may be calculated to secure
obedience to the law or to remove the cause of the delinquency.

§49-4-903. Interference with disposition of child punishable as
contempt of court.

A person who interferes with the direction of disposition of
a child in accordance with an order of the court or judge made in
pursuance of this chapter, or with the department, or a probation
or other officer of the court in carrying out the directions of the
court or judge under an order, is subject to punishment as for
contempt of court.

§49-4-904. Enticing child from custody; penalties.

However, information released by the Department of Health and Human Resources pursuant to this subsection may not include the identity of a person reporting or making a complaint of child abuse or neglect. For purposes of this subsection, “near fatality” means any medical condition of the child which is certified by the attending physician to be life threatening.
(e) Except in juvenile proceedings which are transferred to criminal proceedings, law-enforcement records and files concerning a child or juvenile shall be kept separate from the records and files of adults and not included within the court files. Law-enforcement records and files concerning a child or juvenile shall only be open to inspection pursuant to section one hundred three of this article.

(f) Any person who willfully violates this section is guilty of a misdemeanor and, upon conviction, shall be fined not more than $1,000, or confined in jail for not more than six months, or both fined and confined. A person convicted of violating this section is also liable for damages in the amount of $300 or actual damages, whichever is greater.

The proceedings, records, reports, case histories, and all other papers or documents of or received by the state department in the administration of this chapter shall be filed of record and preserved.

§49-5-103. Confidentiality of juvenile records; permissible disclosures; conditions; penalties; damages.

(a) Any findings or orders of the court in a juvenile proceeding shall be known as the “juvenile record” and shall be maintained by the clerk of the court.

(b) Records of a juvenile proceeding conducted under this chapter are not public records and shall not be disclosed to anyone unless disclosure is otherwise authorized by this section.

(c) Notwithstanding the provisions of subsection (a) of this section, a copy of a juvenile’s records shall automatically be disclosed to certain school officials, subject to the following terms and conditions:

(1) Only the records of certain juveniles shall be disclosed. These include, and are limited to, cases in which:

(A) The juvenile has been charged with an offense which: 
(i) Involves violence against another person;
(ii) Involves possession of a dangerous or deadly weapon; or
(iii) Involves possession or delivery of a controlled substance as that term is defined in section one hundred one, article one, chapter sixty-a of this code; and

(B) The juvenile’s case has proceeded to a point where one or more of the following has occurred:

(i) A circuit court judge or magistrate has determined that there is probable cause to believe that the juvenile committed the offense as charged;

(ii) A circuit court judge or magistrate has placed the juvenile on probation for the offense;

(iii) A circuit court judge or magistrate has placed the juvenile into an pre-adjudicatory community supervision period in accordance with section seven hundred eight, article four of this chapter; or

(iv) Some other type of disposition has been made of the case other than dismissal.

(2) The circuit court for each judicial circuit in West Virginia shall designate one person to supervise the disclosure of juvenile records to certain school officials;
(3) If the juvenile attends a West Virginia public school, the person designated by the circuit court shall automatically disclose all records of the juvenile’s case to the county superintendent of schools in the county in which the juvenile attends school and to the principal of the school which the juvenile attends, subject to the following:

(A) At a minimum, the records shall disclose the following information:

(i) Copies of the arrest report;

(ii) Copies of all investigations;

(iii) Copies of any psychological test results and any mental health records;

(iv) Copies of any evaluation reports for probation or facility placement; and

(v) Any other material that would alert the school to potential danger that the juvenile may pose to himself, herself or others;

(B) The disclosure of the juvenile’s psychological test results and any mental health records may only be made in accordance with subdivision (14) of this subsection:
(C) If the disclosure of any record to be automatically disclosed under this section is restricted in its disclosure by the Health Insurance Portability and Accountability Act of 1996, PL 104-191, and any amendments and regulations under the act, the person designated by the circuit court shall provide the superintendent and principal any notice of the existence of the record that is permissible under the act and, if applicable, any action that is required to obtain the record; and

(D) When multiple disclosures are required by this subsection, the person designated by the circuit court is required to disclose only material in the juvenile record that had not previously been disclosed to the county superintendent and the principal of the school which the juvenile attends.

(4) If the juvenile attends a private school in West Virginia, the person designated by the circuit court shall determine the identity of the highest ranking person at that school and shall automatically disclose all records of a juvenile’s case to that person.

(5) If the juvenile does not attend school at the time the juvenile’s case is pending, the person designated by the circuit
court may not transmit the juvenile’s records to any school. However, the person designated by the circuit court shall transmit the juvenile’s records to any school in West Virginia which the juvenile subsequently attends.

(6) The person designated by the circuit court may not automatically transmit juvenile records to a school which is not located in West Virginia. Instead, the person designated by the circuit court shall contact the out-of-state school, inform it that juvenile records exist and make an inquiry regarding whether the laws of that state permit the disclosure of juvenile records. If so, the person designated by the circuit court shall consult with the circuit judge who presided over the case to determine whether the juvenile records should be disclosed to the out-of-state school. The circuit judge has discretion in determining whether to disclose the juvenile records and shall consider whether the other state’s law regarding disclosure provides for sufficient confidentiality of juvenile records, using this section as a guide.

If the circuit judge orders the juvenile records to be disclosed, they shall be disclosed in accordance with subdivision (7) of this subsection.
(7) The person designated by the circuit court shall transmit
the juvenile’s records to the appropriate school official under
cover of a letter emphasizing the confidentiality of those records
and directing the official to consult this section of the code. A
copy of this section of the code shall be transmitted with the
juvenile’s records and cover letter.

(8) Juvenile records are absolutely confidential by the school
official to whom they are transmitted, and nothing contained
within the juvenile’s records may be noted on the juvenile’s
permanent educational record. The juvenile records are to be
maintained in a secure location and are not to be copied under
any circumstances. However, the principal of a school to whom
the records are transmitted shall have the duty to disclose the
contents of those records to any teacher who teaches a class in
which the subject juvenile is enrolled and to the regular driver of
a school bus in which the subject juvenile is regularly
transported to or from school, except that the disclosure of the
juvenile’s psychological test results and any mental health
records may only be made in accordance with subdivision (14)
of this subsection. Furthermore, any school official to whom the
juvenile’s records are transmitted may disclose the contents of
those records to any adult within the school system who, in the
discretion of the school official, has the need to be aware of the
contents of those records.

(9) If for any reason a juvenile ceases to attend a school
which possesses that juvenile’s records, the appropriate official
at that school shall seal the records and return them to the circuit
court which sent them to that school. If the juvenile has changed
schools for any reason, the former school shall inform the circuit
court of the name and location of the new school which the
juvenile attends or will be attending. If the new school is located
within West Virginia, the person designated by the circuit court
shall forward the juvenile’s records to the juvenile’s new school
in the same manner as provided in subdivision (7) of this
subsection. If the new school is not located within West
Virginia, the person designated by the circuit court shall handle
the juvenile records in accordance with subdivision (6) of this
subsection.
If the juvenile has been found not guilty of an offense for which records were previously forwarded to the juvenile’s school on the basis of a finding of probable cause, the circuit court may not forward those records to the juvenile’s new school. However, this does not affect records related to other prior or future offenses. If the juvenile has graduated or quit school or will otherwise not be attending another school, the circuit court shall retain the juvenile’s records and handle them as otherwise provided in this article.

(10) Under no circumstances may one school transmit a juvenile’s records to another school.

(11) Under no circumstances may juvenile records be automatically transmitted to a college, university or other post-secondary school.

(12) No one may suffer any penalty, civil or criminal, for accidentally or negligently attributing certain juvenile records to the wrong person. However, that person has the affirmative duty to promptly correct any mistake that he or she has made in disclosing juvenile records when the mistake is brought to his or
her attention. A person who intentionally attributes false
information to a certain person shall be subjected to both
criminal and civil penalties in accordance with subsection (e) of
this section.

(13) If a circuit court judge or magistrate has determined that
there is probable cause to believe that a juvenile has committed
an offense but there has been no final adjudication of the charge,
the records which are transmitted by the circuit court shall be
accompanied by a notice which clearly states in bold print that
there has been no determination of delinquency and that our
legal system requires a presumption of innocence.

(14) The county superintendent shall designate the school
psychologist or psychologists to receive the juvenile’s
psychological test results and any mental health records. The
psychologist designated shall review the juvenile’s
psychological test results and any mental health records and, in
the psychologist’s professional judgment, may disclose to the
principal of the school that the juvenile attends and other school
employees who would have a need to know the psychological
test results, mental health records and any behavior that may trigger violence or other disruptive behavior by the juvenile.
Other school employees include, but are not limited to, any teacher who teaches a class in which the subject juvenile is enrolled and the regular driver of a school bus in which the subject juvenile is regularly transported to or from school.

(c) Notwithstanding the provisions of subsection (a) of this section, juvenile records may be disclosed, subject to the following terms and conditions:

(1) If a juvenile case is transferred to the criminal jurisdiction of the circuit court pursuant to subsection (c) or (d), section seven hundred ten, article four of this chapter, the juvenile records are open to public inspection.

(2) If a juvenile case is transferred to the criminal jurisdiction of the circuit court pursuant to subsection (e), (f) or (g), section seven hundred ten, article four of this chapter, the juvenile records are open to public inspection only if the juvenile fails to file a timely appeal of the transfer order, or the Supreme Court of Appeals refuses to hear or denies an appeal which has been timely filed.
(3) If a juvenile is fourteen years of age or older and a court has determined there is a probable cause to believe the juvenile committed an offense set forth in subsection (g), section seven hundred ten of article four of this chapter, but the case is not transferred to criminal jurisdiction, the juvenile records are open to public inspection pending trial only if the juvenile is released on bond and no longer detained or adjudicated delinquent of the offense.

(4) If a juvenile is younger than fourteen years of age and a court has determined there is probable cause to believe that the juvenile committed the crime of murder under section one, two or three, article two, chapter sixty-one of this code, or the crime of sexual assault in the first degree under section three, article eight-b of chapter sixty-one, but the case is not transferred to criminal jurisdiction, the juvenile records are open to public inspection pending trial only if the juvenile is released on bond and no longer detained or adjudicated delinquent of the offense.

(5) Upon a written petition and pursuant to a written order, the circuit court may permit disclosure of juvenile records to:
A court, in this state or another state, which has juvenile jurisdiction and has the juvenile before it in a juvenile proceeding;

(B) A court, in this state or another state, exercising criminal jurisdiction over the juvenile which requests records for the purpose of a presentence report or disposition proceeding;

(C) The juvenile, the juvenile’s parents or legal guardian, or the juvenile’s counsel;

(D) The officials of a public institution to which the juvenile is committed if they require those records for transfer, parole or discharge; or

(E) A person who is conducting research. However, juvenile records may be disclosed for research purposes only upon the condition that information which would identify the subject juvenile or the juvenile’s family may not be disclosed.

Notwithstanding any other provision of this code, juvenile records shall be disclosed, or copies made available, to a probation officer upon his or her request. Any probation officer may access relevant juvenile case information contained in any
(7) Notwithstanding any other provision of this code, juvenile records shall be disclosed, or copies made available, in response to any lawfully issued subpoena from a federal court or federal agency.

(d) Any records open to public inspection pursuant to this section are subject to the same requirements governing the disclosure of adult criminal records.

(e) Any person who willfully violates this section is guilty of a misdemeanor and, upon conviction, shall be fined not more than $1,000, or confined in jail for not more than six months, or both fined and confined. A person who violates this section is also liable for damages in the amount of $300 or actual damages, whichever is greater.

§49-5-104. Confidentiality of juvenile records for children who become of age while a ward of the state or who have been transferred to adult criminal jurisdiction; separate and secure location; penalties; damages.

(a) One year after the juvenile’s eighteenth birthday, or one year after personal or juvenile jurisdiction has terminated,
whichever is later, the records of a juvenile proceeding conducted under this chapter, including, but not limited to, law-enforcement files and records, may be kept in a separate secure confidential place and the records may not be inspected except by order of the circuit court.

(b) The records of a juvenile proceeding in which a juvenile was transferred to criminal jurisdiction pursuant to section seven hundred ten, article four of this chapter shall be kept in a separate secure confidential place and the records may not be inspected except by order of the circuit court if the juvenile is subsequently acquitted or found guilty only of an offense other than an offense upon which the waiver or order of transfer was based, or if the offense upon which the waiver or order of transfer was based is subsequently dismissed.

(c) To keep the confidentiality of juvenile records, they shall be returned to the circuit court in which the case was pending and be kept in a separate confidential file. The records shall be physically marked to show that they are to remain confidential and shall be securely kept and filed in a manner so that no one
can have access to determine the identity of the juvenile, except
upon order of the circuit court.

(d) Marking the juvenile records to show they are to remain
confidential has the legal effect of extinguishing the offense as
if it never occurred.

(e) The records of a juvenile convicted under the criminal
jurisdiction of the circuit court pursuant to subdivision (1),
subsection (d), section seven hundred ten, article four of this
chapter may not be marked and kept as confidential.

(f) Any person who willfully violates this section is guilty of
a misdemeanor and, upon conviction thereof, shall be fined not
more than $1,000, or confined in jail for not more than six
months, or both so fined and confined, and is liable for damages
in the amount of $300 or actual damages, whichever is greater.

§49-5-105. Juvenile justice database; individual records
confidential.

The West Virginia Supreme Court of Appeals is responsible
for collecting, compiling and disseminating information in the
juvenile justice database. Notwithstanding any other provision
of this code to the contrary, the court shall grant the Division of
Justice and Community Services access to confidential juvenile records for the limited purpose of the collection and analysis of statistical data. However, the division shall keep the records confidential and not publish any information that would identify any individual juvenile.

(8) Provide training materials and technical assistance to law-enforcement agencies and social services agencies pertaining to missing children; and

(9) Establish a media protocol for disseminating information pertaining to missing children.

(e) The State Police may accept public or private grants, gifts and donations to assist in carrying out the provisions of this article.

§49-6-102. State Department of Education; missing children program; rule-making.

(c) The State Board of Education may promulgate rules in accordance with article three, chapter twenty-nine-a of this code for the operation of the program and shall require the participation of all school districts and state-accredited private schools in this state.

§49-6-103. Information to clearinghouse.

Every law-enforcement agency in West Virginia shall provide to the clearinghouse any information the law-enforcement agency has that would assist in locating or identifying a missing child.

§49-6-104. Custodian request for information.

(a) Upon written request made to a law-enforcement agency by the custodian of a missing child, the law-enforcement agency shall request from the clearinghouse information concerning the child that may aid the custodian in locating or identifying the child.

(b) A law-enforcement agency to which a request has been made pursuant to subsection (a) of this section shall report to the custodian on the results of its inquiry within fourteen calendar
days after the day the written request is received by the law-enforcement agency.

§49-6-106. Missing child reports; law-enforcement agency requirements; unidentified bodies.

(a) A law-enforcement agency, upon receiving a missing child report, shall:

(c) All West Virginia law-enforcement agencies shall enter information about all unidentified bodies of children found in their jurisdiction into the clearinghouse and the national crime information center unidentified person file, including all available identifying features of the body and a description of the clothing found on the body. law-enforcement agency is not required to make a direct entry of
that information into the clearinghouse.

§49-6-107. Release of dental records; cause shown; immunity.

(a) At the time a missing child report is made, the

However, if an information entry into the national crime information center file results in an automatic entry of the information into the clearinghouse, the law-enforcement agency is not required to make a direct entry of that information into the clearinghouse.

(b) Within fifteen days after completion of the report, if the child is less than thirteen years of age the law-enforcement agency may, when appropriate, forward the contents of the report to the last:

Each subsequent appointment shall be for a full three-year term. Any appointed member whose term is expired shall serve until a successor has been duly appointed and qualified. Any person appointed to fill a vacancy may serve only for the unexpired term. A member is eligible for only one successive reappointment. It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.
Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE II. DEFINITIONS.

As used in this compact:

(a) “Child” means a person who, by reason of minority is legally subject to parental, guardianship or similar control.

(b) “Sending agency” means a party state, officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) “Receiving state” means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) “Placement” means the arrangement for the care of a child in a family free home or boarding home or in a child-caring agency or institution but does not include any institution caring
for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE III. CONDITIONS FOR REPLACEMENT.

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

(1) The name, date and place of birth of the child.

(2) The identity and address or addresses of the parents or legal guardian.
(3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.

(4) A full statement of the reasons for the proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency’s state, and shall be entitled to receive therefrom, the supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

ARTICLE IV. PENALTY FOR ILLEGAL PLACEMENT.

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this
3 compact shall constitute a violation of the laws respecting the
4 placement of children of both the state in which the sending
5 agency is located or from which it sends or brings the child and
6 of the receiving state. A violation may be punished or subjected
7 to penalty in either jurisdiction in accordance with its laws. In
8 addition to liability for any punishment or penalty, a violation
9 shall constitute full and sufficient grounds for the suspension or
10 revocation of any license, permit, or other legal authorization
11 held by the sending agency which empowers or allows it to
12 place, or care for children.

ARTICLE V. RETENTION OF JURISDICTION.
1 (a) The sending agency shall retain jurisdiction over the
2 child sufficient to determine all matters in relation to the
3 custody, supervision, care, treatment and disposition of the child
4 which it would have had if the child had remained in the sending
5 agency’s state, until the child is adopted, reaches majority,
6 becomes self-supporting or is discharged with the concurrence
7 of the appropriate authority in the receiving state. The
8 jurisdiction shall also include the power to effect or cause the
9 return of the child or its transfer to another location and custody
pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of the case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.
ARTICLE VI. INSTITUTIONAL CARE OF DELINQUENT CHILDREN.

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his or her being sent to the other party jurisdiction for institutional care and the court finds that:

1. Equivalent facilities for the child are not available in the sending agency’s jurisdiction; and
2. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII. COMPACT ADMINISTRATOR.

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his or her jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII. LIMITATIONS.

This compact shall not apply to:
(a) The sending or bringing of a child into a receiving state by his or her parent, stepparent, grandparent, adult brother or sister, adult uncle or aunt, or his or her guardian and leaving the child with a relative or nonagency guardian in the receiving state.

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between the states which has the force of law.

ARTICLE IX. ENACTMENT AND WITHDRAWAL.

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to those jurisdictions when that other jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of the statute and until written notice of the
withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X. CONSTRUCTION.

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the Constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.
§49-7-102. Definitions; implementation.

(a) Financial responsibility for any child placed pursuant to the provisions of the Interstate Compact on the Placement of Children shall be determined in accordance with the provisions of Article V thereof in the first instance. (b) The “appropriate public authorities” as used in Article III of the Interstate Compact on the Placement of Children shall, with reference to this state, mean the Department of Health and Human Resources and the agency shall receive and act with reference to notices required by Article III.

(c) As used in paragraph (a) of Article V of the Interstate Compact on the Placement of Children, the phrase “appropriate authority in the receiving state” with reference to this state shall mean the Department of Health and Human Resources.

(d) The officers and agencies of this state and its subdivisions having authority to place children are hereby empowered to enter into agreements with appropriate officers or
agencies of or in other party states pursuant to paragraph (b) of Article V of the Interstate Compact on the Placement of Children. An agreement which contains a financial commitment or imposes a financial obligation on this state or subdivision or agency thereof is not binding unless it has the approval in writing of the Auditor in the case of the state and of the chief local fiscal officer in the case of a subdivision of the state.

(e) Any requirements for visitation, inspection or supervision of children, homes, institutions or other agencies in another party state which may apply under sections one hundred eight and one hundred eleven, article two of this chapter shall be deemed to be met if performed pursuant to an agreement entered into by appropriate officers or agencies of this state or a subdivision thereof as contemplated by paragraph (b) of Article V of the Interstate Compact on the Placement of Children.

(f) Section one hundred nine, article two of this chapter does not apply to placements made pursuant to the Interstate Compact on the Placement of Children.
(g) Any court having jurisdiction to place delinquent children may place a child in an institution of or in another state pursuant to Article VI of the Interstate Compact on the Placement of Children and shall retain jurisdiction as provided in Article V thereof.

(h) As used in Article VII of the interstate compact on the placement of children, the term “executive head” means the Governor. The Governor is hereby authorized to appoint a compact administrator in accordance with the terms of that Article VII.

(2) Provision of medical and other necessary services for children, with state assistance, encounters special difficulties when the provision of services takes place in other states.

(b) The purposes of sections two hundred one through two hundred four of this article are to:

(1) Authorize the Department of Health and Human Resources to enter into interstate agreements with agencies of other states for the protection of children on behalf of whom adoption assistance is being provided by the Department of Health and Human Resources; and

(2) Provide procedures for interstate children’s adoption assistance payments, including medical payments.

§49-7-202. Interstate adoption assistance compacts authorized; definitions.

(a) The Department of Health and Human Resources is authorized to develop, participate in the development of, negotiate and enter into one or more interstate compacts on behalf of this state with other states to implement one or more of the purposes set forth in sections two hundred one through two hundred four of this article. When so entered into, and for so
long as it shall remain in force, the compact shall have the force
and effect of law.

(b) For the purposes of sections two hundred one through
two hundred four of this article, the term “state” means a state of
the United States, the District of Columbia, the Commonwealth

by sections two hundred one through two hundred four of this
article shall have the following content:
(1) A provision making it available to joinder by all states.

(2) A provision or provisions for withdrawal from the compact upon written notice to the parties, but with a period of one year between the date of the notice and the effective date of the withdrawal.

(3) A requirement that the protections afforded by or pursuant to the compact continue in force for the duration of the adoption assistance and be applicable to all children and their adoptive parents who on the effective date of the withdrawal are receiving adoption assistance from a party state other than the one in which they are resident and have their principal place of abode.

(4) A requirement that each instance of adoption assistance to which the compact applies be covered by an adoption assistance agreement in writing between the adoptive parents and the state department which undertakes to provide the adoption assistance, and further, that the agreement be expressly for the benefit of the adopted child and enforceable by the adoptive parents, and the state agency providing the adoption assistance.
(5) Other provisions as may be appropriate to implement the
proper administration of the compact.

§49-7-204. Medical assistance for children with special needs; rule-

(a) A child with special needs resident in this state who is the
subject of an adoption assistance agreement with another state
shall be entitled to receive a medical assistance identification

the adoptive parents shall be required at least annually to show

procedures as for other recipients of medical assistance.
(c) The Department of Health and Human Resources shall provide coverage and benefits for a child who is in another state and who is covered by an adoption assistance agreement made by the Department of Health and Human Resources for the coverage or benefits, if any, not provided by the residence state. To this end, the adoptive parents acting for the child may submit evidence of payment for services or benefit amounts not payable in the residence state and shall be reimbursed therefor. However, there may be no reimbursement for services or benefit amounts covered under any insurance or other third party medical contract or arrangement held by the child or the adoptive parents. The Department of Health and Human Resources shall propose rules in accordance with article three, chapter twenty-nine-a of this code that are necessary to effectuate the requirements and purposes of this section. The additional coverages and benefit amounts provided pursuant to this section shall be for services to the cost of which there is no federal contribution, or which, if federally aided, are not provided by the residence state. Among other things, the regulations shall include procedures to be
followed in obtaining prior approvals for services in those instances where required for the assistance.

(d) Any person who submits a claim for payment or reimbursement for services or benefits pursuant to this section or the making of any statement in connection therewith, which claim of statement the maker knows or should know to be false, misleading or fraudulent is guilty of a felony and, upon conviction, shall be fined not more than $10,000, or incarcerated in a correctional facility not more than two years, or both fined and incarcerated.

(e) This section applies only to medical assistance for children under adoption assistance agreements from states that have entered into a compact with this state under which the other state provides medical assistance to children with special needs under adoption assistance agreements made by this state. All other children entitled to medical assistance pursuant to adoption assistance agreements entered into by this state shall be eligible to receive it in accordance with the laws and procedures applicable thereto.
PART III. INTERSTATE COMPACT FOR JUVENILES.

§49-7-301. Execution of interstate compact for juveniles.

1 The Governor of this state is authorized and directed to
2 execute a compact on behalf of the State of West Virginia with
3 any state or states of the United States legally joining therein,
4 and substantially as follows:

INTERSTATE COMPACT FOR JUVENILES

ARTICLE I. PURPOSE.

1 (a) The compacting states to this interstate compact
2 recognize that each state is responsible for the proper supervision
3 or return of juveniles, delinquents and status offenders who are
4 on probation or parole and who have absconded, escaped or run
5 away from supervision and control and in so doing have
6 endangered their own safety and the safety of others. The
7 compacting states also recognize that each state is responsible
8 for the safe return of juveniles who have run away from home
9 and in doing so have left their state of residence. The compacting
10 states also recognize that Congress, by enacting the Crime
11 Control Act, 4 U.S.C. Section 112 (1965), has authorized and
encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

(b) It is the purpose of this compact, through means of joint and cooperative action among the compacting states:

(1) To ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state;

(2) To ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected;

(3) To return juveniles who have run away, absconded or escaped from supervision or control or have been accused of an offense to the state requesting their return;

(4) To make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services;

(5) To provide for the effective tracking and supervision of juveniles;
(6) To equitably allocate the costs, benefits and obligations of the compacting states;

(7) To establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders;

(8) To ensure immediate notice to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(9) To establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this compact;

(10) To establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of compact activities to heads of state executive, judicial, and legislative branches and juvenile and criminal justice administrators;
(11) To monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance;

(12) To coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in the activity; and

(13) To coordinate the implementation and operation of the compact with the interstate compact for the placement of children, the interstate compact for adult offender supervision and other compacts affecting juveniles, particularly in those cases where concurrent or overlapping supervision issues arise.

(c) It is the policy of the compacting states that the activities conducted by the interstate commission created herein are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall
be reasonably and liberally construed to accomplish the purposes and policies of the compact.

set forth herein, and the additional powers as may be conferred
upon it by subsequent action of the respective Legislatures of the
compacting states in accordance with the terms of this compact.

(b) The interstate commission shall consist of commissioners
appointed by the appropriate appointing authority in each state
pursuant to the rules and requirements of each compacting state
and in consultation with the state council for interstate juvenile
supervision created hereunder. The commissioner shall be the
compact administrator, deputy compact administrator or

All noncommissioner members of the interstate commission shall be ex officio (nonvoting) members. The interstate commission may provide in its bylaws for the additional ex officio (nonvoting) members, including members of other national organizations, in such numbers as shall be determined by the commission.

the provisions of the compact, its bylaws and rules, and performs
other duties as directed by the interstate commission or set forth
in the bylaws.

right and power to cast a vote to which that compacting state is
entitled and to participate in the business and affairs of the
interstate commission. A member shall vote in person and shall
not delegate a vote to another compacting state. However, a

(j) For every meeting closed pursuant to subsection (i) of this section, the interstate commission’s legal counsel shall publicly certify that, in the legal counsel’s opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The interstate commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefore, including a description
of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in the minutes.

(k) The interstate commission shall collect standardized data concerning the interstate movement of juveniles as directed through its rules which shall specify the data to be collected, the means of collection and data exchange and reporting requirements. employment, duties or responsibilities, or that the defendant had
a reasonable basis for believing occurred within the scope of
interstate commission employment, duties, or responsibilities,
provided that the actual or alleged act, error, or omission did not
result from intentional or willful and wanton misconduct on the
part of such person.

If the court finds that the interstate commission’s action is not supported by substantial evidence in the rule-making record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the Model State Administrative Procedures Act.

(e) If a majority of the Legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that such rule shall have no further force and effect in any compacting state.
