[Passed February 19, 2016; in effect ninety days from passage.]

1 AN ACT to amend and reenact §31C-2-6 of the Code of West Virginia, 1931, as amended, relating  
2 to eliminating the need for a public hearing when no objection is filed on an application  
3 from an out of state state-chartered credit union to establish a branch in West Virginia;  
4 requiring public notice to be given of application; setting forth requirements for the public  
5 notice; and providing for notice to banking institutions and credit unions when requested  
6 for in writing.

*Be it enacted by the Legislature of West Virginia:*

1 That §31C-2-6 of the Code of West Virginia, 1931, as amended, be amended and  
2 reenacted to read as follows:

**ARTICLE 2. FORMATION OF CREDIT UNION.**

**§31C-2-6. Out-of-state credit unions.**

1 (a) A credit union organized under the laws of another state or territory of the United States  
2 may conduct business as a credit union through a branch or service facility in this state with the  
3 approval by written order of the commissioner, provided credit unions incorporated under this  
4 chapter are allowed to do business in the other state under conditions similar to these provisions.  
5 Unless the context clearly requires otherwise, the term “territory of the United States”, as used in  
6 this chapter, includes the District of Columbia. The commissioner shall, after filing a public notice  
7 of the application, hold a public hearing to consider the application: *Provided*, That a hearing may  
8 be waived by the commissioner if no objection to the application is received within ten days after  
9 the filing of the public notice. Public notice of the application shall be provided by posting it on  
10 the division’s website, filing it with the secretary of state for inclusion in the state register, and  
11 mailing or electronically providing a copy to all banking institutions and credit unions who have  
12 requested notice of any such application. The request by any such banking institution or credit  
13 union to receive such notice shall be in writing and shall request the commissioner to notify it of  
14 the receipt by the commissioner of any application to conduct business by a credit union pursuant  
15 to this section.

16 (b) Before granting approval, the commissioner shall enter an order finding that the  
17 applicant out-of-state credit union:

18 (1) Is a credit union organized and operating under standards recognized as appropriate  
19 pursuant to the provisions of this chapter;

20 (2) Is financially solvent and has an adequate capital structure;

21 (3) Has account insurance as required for credit unions incorporated under this chapter;

22 (4) Has a board of directors and supervisory committee with the reputation, character and  
23 abilities to provide assurance that the credit union's affairs will be properly administered;

24 (5) Has in connection with any office of operations in this state made provision for suitable  
25 quarters from which to conduct the business of a credit union;

26 (6) Is examined and supervised by a regulatory agency of the state or territory in which it  
27 is organized; and

28 (7) Needs to conduct business in this state to adequately serve its members in this state.

29 (c) No out-of-state credit union may conduct business in this state unless it:

30 (1) Complies with the limits on finance charges applicable to credit unions set forth in  
31 section two, article seven of this chapter when making loans in this state;

32 (2) Complies with the consumer protection statutes and rules applicable to credit unions  
33 incorporated under this chapter;

34 (3) Agrees to furnish the commissioner a copy of the report of examination of its regulatory  
35 agency, and if deemed necessary by the commissioner, to submit to an examination by the  
36 commissioner, the cost of which shall be paid for by the credit union; and

37 (4) Designates and maintains an agent for the service of process in this state.

38 (d) The commissioner may revoke the approval of a credit union to conduct business in  
39 this state if the commissioner finds that:

40 (1) The credit union no longer meets the requirements of subsection (a) of this section;

41 (2) The credit union has violated the laws of this state or lawful rules or orders issued by  
42 the commissioner;

43           (3) The credit union has engaged in a pattern of unsafe or unsound credit union practices;

44    or

45           (4) Continued operation by the credit union is likely to have a substantially adverse impact

46    on the financial, economic or other interests of residents of this state.
