

# WEST VIRGINIA LEGISLATURE

## 2016 REGULAR SESSION

**Introduced**

### **Senate Bill 397**

**FISCAL  
NOTE**

BY SENATORS WALTERS AND BEACH

[Introduced January 27, 2016;

Referred to the Committee on Transportation and  
Infrastructure; and then to the Committee on Finance.]

1 A BILL to amend and reenact §17-16A-18 of the Code of West Virginia, 1931, as amended,  
 2 relating to Parkways Authority and maintaining status quo in the event bond indebtedness  
 3 relative to Parkways Authority is eliminated; continuing tolls; and maintaining projects with  
 4 Parkways Authority.

*Be it enacted by the Legislature of West Virginia:*

1 That §17-16A-18 of the Code of West Virginia, 1931, as amended, be amended and  
 2 reenacted to read as follows:

**ARTICLE 16A. WEST VIRGINIA PARKWAYS, ECONOMIC DEVELOPMENT AND  
 TOURISM AUTHORITY.**

**§17-16A-18. Cessation of tolls.**

1 ~~(a) Except as provided herein, when all bonds issued under the provisions of this article~~  
 2 ~~in connection with any parkway project or projects and the interest thereon shall have been paid~~  
 3 ~~or a sufficient amount for the payment of all such bonds and the interest thereon to the maturity~~  
 4 ~~thereof shall have been set aside in trust for the benefit of the bondholders, such project or~~  
 5 ~~projects, if then in good condition and repair to the satisfaction of the Commissioner of the state~~  
 6 ~~Division of Highways, shall be transferred to the state Division of Highways and shall thereafter~~  
 7 ~~be maintained by the state Division of Highways free of tolls.~~

8 (b) ~~No later than February 1, 1990,~~ The Parkways Authority shall discontinue, remove and  
 9 not relocate all toll collection facilities on the West Virginia Turnpike as the same existed on June  
 10 1, 1989, except for the three main toll barriers and collection facilities and, provided solely that  
 11 the provisions of section eighteen-a are complied with, the toll collection facilities at the  
 12 intersection of U.S. Route 19 (Corridor "L") and said turnpike.

NOTE: The purpose of this bill is to maintain the status quo in the event bond indebtedness is eliminated as the result of being paid off in order to continue collecting revenue for parkways roads and infrastructure projects. Current law would require, in the event bond indebtedness was satisfied, that tolls be eliminated and Parkway Authority roads and infrastructure projects if in good condition be transferred to the Division of Highways..

Strike-throughs indicate language that would be stricken from a heading or the present law

and underscoring indicates new language that would be added.
