95 subsection.

97 is the responsibility of the individual being screened and receiving treatment.

98 (l) An applicant who is denied assistance under this section may request a review of the
99 denial by the Board of Review. The results of a drug screen or test are admissible without further
100 authentication or qualification in the review of denial by the Board of Review and in any appeal.

102 to applicants who have been denied Temporary Assistance for Needy Families pursuant to the
103 provisions of this section. The Board of Review shall make findings regarding the denial of benefits

106 may seek judicial review of that decision.

107 (m) The secretary shall ensure the confidentiality of all drug screen and drug test results
108 administered as part of this program. Drug screen and test results shall be used only for the

110 no time may drug screen or test results be released to any public or private person or entity or
111 any law-enforcement agency, except as otherwise authorized by this section.

112 (n) The secretary shall promulgate emergency rules pursuant to the provisions of article
113 three, chapter twenty-nine-a to prescribe the design, operation and standards for the
114 implementation of this section.

115 (o) A person who intentionally misrepresents any material fact in an application filed under
116 the provisions of this section is guilty of a misdemeanor and, upon conviction thereof, shall be
117 punished by a fine of not less than \$100 nor more than \$1,000 or by confinement in jail not to
118 exceed six months, or by both fine and confinement.

119 (p) The secretary shall report to the Joint Committee on Government and Finance by
120 December 31, 2016, and annually after that until the conclusion of the pilot program on the status
121 of the federal approval and pilot program described in this section. The report shall include, but is
122 not limited to:

123 (1) The total number of applicants who were deemed ineligible to receive benefits under
124 the program due to a positive drug test for controlled substances;

125 (2) The number of applicants for whom there was a reasonable suspicion due to a
126 conviction of a drug-related offense within the five years prior to an application for assistance;

127 (3) The number of those applicants that receive benefits after successful completion of a
128 drug treatment program as specified in this section; and

129 (4) The total cost to operate the program.

130 (q) Should federal approval not be given for any portion of the program as set forth in this
131 section, the secretary shall implement the program to meet the federal objections and continue to
132 operate a three year pilot program consistent with the purpose of this section.

NOTE: The purpose of this bill is to require drug screening and testing of applicants for the Temporary Assistance for Needy Families Program for whom there is a reasonable suspicion of substance abuse.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.

This bill is recommended for passage during the 2016 Session of the Legislature by the Legislative Oversight Commission on Health and Human Resources Accountability.
