(7) If a voter participating in the Address Confidentiality Program established by section one hundred three, article twenty-eight-a, chapter forty-eight of this code, executes a voter identity affidavit, the program participant’s residential or mailing address is subject to the confidentiality provisions of section one hundred eight, article twenty-eight-a, chapter forty-eight of this code and shall be used only for those statutory and administrative purposes authorized by this section.

(8) Prior to the next primary or general election following the effective date of this section, the Secretary of State shall educate voters about the identification requirement and develop a program to help ensure that all eligible voters are able to obtain an identifying document.

(b) The clerk of the county commission is authorized, upon verification that the precinct at which a handicapped person is registered to vote is not handicap accessible, to transfer that person’s registration to the nearest polling place in the county which is handicap accessible. A request by a handicapped person for a transfer of registration must be received by the county clerk no later than thirty days prior to the date of the election. Any handicapped person who has not made a request for a transfer of registration at least thirty days prior to the date of the election may vote a provisional ballot at a handicap accessible polling place in the county of his or her registration. If during the canvass the county commission determines that the person had been registered in a precinct that is not handicap accessible, the voted ballot, if otherwise valid, shall be counted. The handicapped person may vote in the precinct to which the registration was transferred only as long as the disability exists or the precinct from which the handicapped person was transferred remains inaccessible to the handicapped. To ensure confidentiality of the transferred ballot, the county clerk processing the ballot shall provide the voter with an unmarked envelope and an outer envelope designated “provisional ballot/handicapped voter”. After validation of the ballot at the canvass, the outer envelope shall be destroyed and the handicapped voter’s ballot shall be placed with other approved provisional ballots prior to removal of the ballot from the unmarked envelope.
(c) When the voter’s signature is properly marked and the voter has presented a valid identifying document, the two poll clerks shall sign their names in the places indicated on the back of the official ballot and deliver the ballot to the voter to be voted by him or her without leaving the election room. If he or she returns the ballot spoiled to the clerks, they shall immediately mark the ballot “spoiled” and it shall be preserved and placed in a spoiled ballot envelope together with other spoiled ballots to be delivered to the board of canvassers and deliver to the voter another official ballot, signed by the clerks on the reverse side. The voter shall thereupon retire alone to the booth or compartment prepared within the election room for voting purposes and there prepare his or her ballot. In voting for candidates in general and special elections, the voter shall comply with the rules and procedures prescribed in section five, article six of this chapter.

(d) It is the duty of a poll clerk, in the presence of the other poll clerk, to indicate by a check mark, or by other means, inserted in the appropriate place on the registration record of each voter the fact that the voter voted in the election. In primary elections the clerk shall also insert thereon on the registration record of each voter a distinguishing initial or initials of the political party for whose candidates the voter voted. If a person is challenged at the polls, the challenge shall be indicated by the poll clerks on the registration record, together with the name of the challenger. The subsequent removal of the challenge shall be recorded on the registration record by the clerk of the county commission.

(e) (1) No voter may receive any assistance in voting unless, by reason of blindness, disability, advanced age or inability to read and write, that voter is unable to vote without assistance. Any voter so qualified to receive assistance in voting under the provisions of this section may:

(A) Declare his or her choice of candidates to an Election Commissioner of each political party who, in the presence of the voter and in the presence of each other, shall prepare the ballot for voting in the manner hereinbefore provided in this section and, on request, shall read to the voter the names of the candidates selected on the ballot;
(B) Require the Election Commissioners to indicate to him or her the relative position of
the names of the candidates on the ballot, whereupon the voter shall then retire to one of the
booths or compartments to prepare his or her ballot in the manner hereinbefore provided in this
section:

(C) Be assisted by any person of the voter's choice, other than the voter's present or
former employer or agent of that employer, the officer or agent of a labor union of which the voter
is a past or present member or a candidate on the ballot or an official write-in candidate; or

(D) If he or she is handicapped, vote from an automobile outside the polling place or
precinct by the absentee balloting method provided in subsection (e), section five, article three of
this chapter in the presence of an Election Commissioner of each political party if all of the
following conditions are met:

(i) The polling place is not handicap accessible; and

(ii) No voters are voting or waiting to vote inside the polling place.

(2) The voted ballot shall then be returned to the precinct officials and secured in a sealed
envelope to be returned to the clerk of the county commission with all other election materials.
The ballot shall then be tabulated using the appropriate method provided in section eight of this
chapter as it relates to the specific voting system in use.

(3) Any A voter who requests assistance in voting but who is believed not to be qualified
for assistance under the provisions of this section shall nevertheless be permitted to vote a
provisional ballot with the assistance of any person herein authorized to render assistance.

(4) Any One or more of the Election Commissioners or poll clerks in the precinct may
challenge the ballot on the ground that the voter thereof received assistance in voting it when in
his, her or their opinion the person who received assistance in voting is not so illiterate, blind,
disabled or of such advanced age as to have been unable to vote without assistance. The
Election Commissioner or poll clerk or commissioners or poll clerks making the challenge shall
enter the challenge and reason therefor the reason for such challenge on the form and in the
manner prescribed or authorized by article three of this chapter.

(5) An Election Commissioner or other person who assists a voter in voting:

(B) Shall sign a written oath or affirmation before assisting the voter on a form prescribed by the Secretary of State stating that he or she will not override the actual preference of the voter being assisted, attempt to influence the voter's choice or mislead the voter into voting for someone other than the candidate of voter's choice. The person assisting the voter shall also swear or affirm that he or she believes that the voter is voting free of intimidation or manipulation. Provided, that No person providing assistance to a voter is required to sign an oath or affirmation where the reason for requesting assistance is the voter's inability to vote without assistance because of blindness as defined in section three, article fifteen, chapter five of this code and the inability to vote without assistance because of blindness is certified in writing by a physician of the voter's choice and is on file in the office of the clerk of the county commission.

(6) In accordance with instructions issued by the Secretary of State, the clerk of the county commission shall provide a form entitled “list of assisted voters”, the form of which list shall likewise be on a form as prescribed by the Secretary of State. The commissioners shall enter the name of each voter receiving assistance in voting the ballot, together with the poll slip number of that voter and the signature of the person or the commissioner from each party who assisted the voter. If no voter has been assisted in voting, the commissioners shall likewise make and
 subscribe to an oath of that fact on the list.

(f) After preparing the ballot, the voter shall fold the ballot so that the face is not exposed and so that the names of the poll clerks thereon are seen. The voter shall announce his or her name and present his or her ballot to one of the commissioners who shall hand the same to another commissioner, of a different political party, who shall deposit it in the ballot box if the ballot is the official one and properly signed. The commissioner of election may inspect every ballot before it is deposited in the ballot box to ascertain whether it is single; but without unfolding or unrolling it so as to disclose its content. When the voter has voted, he or she shall retire immediately from the election room and beyond the sixty-foot limit thereof and may not return except by permission of the commissioners.

(g) Following the election, the oaths or affirmations required by this section from those assisting voters, together with the “list of assisted voters”, shall be returned by the Election Commissioners to the clerk of the county commission along with the election supplies, records and returns. The clerk of the county commission shall make the oaths, affirmations and list available for public inspection and shall preserve them for a period of twenty-two months or until disposition is authorized or directed by the Secretary of State or court of record. Provided, That the clerk may use these records to update the voter registration records in accordance with subsection (d), section eighteen, article two of this chapter.

(h) Any person making an oath or affirmation required under the provisions of this section who knowingly swears falsely or any person who counsels, advises, aids or abets another in the commission of false swearing under this section, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than $1,000 or confined in jail for a period of not more than one year, or both fined and confined.

(i) Any Election Commissioner or poll clerk who authorizes or provides unchallenged assistance to a voter when the voter is known to the Election Commissioner or poll clerk not to require assistance in voting, is guilty of a felony and, upon conviction thereof, shall be fined not
more than $5,000 or imprisoned in a state correctional facility for a period of not less than one year nor more than five years, or both fined and imprisoned.

§3-1-41. Challenged and provisional voter procedures; counting of provisional voters' ballots; ballots of election officials.

(a) It is the duty of the members of the receiving board, jointly or severally, to challenge the right of any person requesting a ballot to vote in any election:

(1) If the person's registration record is not available at the time of the election;

(2) If the signature written by the person in the poll book does not correspond with the signature purported to be his or hers on the registration record;

(3) If the registration record of the person indicates any other legal disqualification; or

(4) If the person fails to present a valid identifying document pursuant to section 34 of this article; or

(4)(5) If any other valid challenge exists against the voter pursuant to section ten, article three of this chapter.

(b) Any person challenged shall nevertheless be permitted to vote in the election. He or she shall be furnished an official ballot not endorsed by the poll clerks. The form shall be securely attached to the voter's ballot and deposited together with the ballot in a separate box or envelope marked “provisional ballots”.

(c) At the time that an individual casts a provisional ballot, the poll clerk shall give the individual written information stating that an individual who casts a provisional ballot will be able to ascertain under the free access system established in this section whether the vote was counted and, if the vote was not counted, the reason that the vote was not counted.

(d) Before an individual casts a provisional ballot, the poll clerk shall provide the individual written instructions, supplied by the board of ballot commissioners, stating that if the voter is
casting a ballot in the incorrect precinct, the ballot cast may not be counted for that election:  

Provided, That if the voter is found to be in the incorrect precinct, then the poll worker shall attempt to ascertain the appropriate precinct for the voter to cast a ballot and immediately give the voter the information if ascertainable.

(e) Provisional ballots may not be counted by the election officials. The county commission shall, on its own motion, at the time of canvassing of the election returns, sit in session to determine the validity of any challenges according to the provisions of this chapter. If the county commission determines that the challenges are unfounded, each provisional ballot of each challenged voter, if otherwise valid, shall be counted and tallied together with the regular ballots cast in the election. The county commission, as the board of canvassers, shall protect the privacy of each provisional ballot cast. The county commission shall disregard technical errors, omissions or oversights if it can reasonably be ascertained that the challenged voter was entitled to vote.

(f) Any person duly appointed as an Election Commissioner or clerk under the provisions of section twenty-eight of this article who serves in that capacity in a precinct other than the precinct in which the person is legally entitled to vote may cast a provisional ballot in the precinct in which the person is serving as a commissioner or clerk. The ballot is not invalid for the sole reason of having been cast in a precinct other than the precinct in which the person is legally entitled to vote. The county commission shall record the provisional ballot on the voter's permanent registration record: Provided, That the county commission may count only the votes for the offices that the voter was legally authorized to vote for in his or her own precinct.

(g) The Secretary of State shall establish a free access system, which may include a toll-free telephone number or an Internet website, that may be accessed by any individual who casts a provisional ballot to discover whether his or her vote was counted and, if not, the reason that the vote was not counted.

§3-1-51. Identity Verification of Voters Executing a Voter Identity Affidavit.
(a) The clerk of the county commission shall cause a letter to be mailed by first class mail to each voter who executed a voter identity affidavit pursuant to section thirty-four of this article. The clerk shall mark the envelope with instructions to the United States Post Office not to forward the letter and to provide address correction information. The letter shall notify the addressee that a person who did not present valid photo identification voted using his or her name and address and instruct the addressee to contact the clerk immediately if he or she did not vote. The letter shall also inform the addressee of the procedure for obtaining a nondriver's picture identification card for voting purposes.

(b) The clerk of the county commission shall cause letters mailed pursuant to subsection (a) of this section that are returned as undeliverable by the United States Post Office to be referred to the Secretary of State. The clerk shall also prepare and forward to the Secretary of State a list of all persons who were mailed letters under subsection (a) of this section and who notified the clerk that they did not vote. Upon receipt of notice from a person who receives a letter mailed pursuant to subsection (a) of this section that the person did not vote, or upon receipt of a referral from the clerk, the Secretary of State shall cause an investigation to be made to determine whether fraudulent voting occurred.
