 7 chapter, as applicable. ~~Provided, That the motor fuel excise tax shall take effect January 1, 2004:~~

21 ~~variable component~~ shall be equal to five percent of the average wholesale price of the alternative  
22 fuel.

23 (b) *Determination of average wholesale price.* –

24 (1) To simplify determining the average wholesale price of all motor fuel, the Tax  
25 Commissioner shall, effective with the period beginning the first day of the month of the effective  
26 date of the tax and each January 1 thereafter, determine the average wholesale price of motor  
27 fuel for each annual period on the basis of sales data gathered for the preceding period of July 1  
28 through October 31. Notification of the average wholesale price of motor fuel shall be given by  
29 the Tax Commissioner at least thirty days in advance of each January 1 by filing notice of the  
30 average wholesale price in the State Register and by other means as the Tax Commissioner  
31 considers reasonable.

32 (2) The "average wholesale price" means the single, statewide average per gallon  
33 wholesale price, rounded to the third decimal (thousandth of a cent), exclusive of state and federal  
34 excise taxes on each gallon of motor fuel or on each gallon equivalent of alternative fuel as  
35 determined by the Tax Commissioner from information furnished by suppliers, importers and  
36 distributors of motor fuel and alternative-fuel providers, alternative-fuel bulk end users and  
37 retailers of alternative fuel in this state, or other information regarding wholesale selling prices as  
38 the Tax Commissioner may gather or a combination of information. ~~In no event shall the average~~  
39 ~~wholesale price be determined to be less than \$.97 per gallon of motor fuel. For calendar year~~  
40 ~~2009, the average wholesale price of motor fuel shall not exceed the average wholesale price of~~  
41 ~~motor fuel for calendar year 2008 as determined pursuant to the notice filed by the Tax~~

45 and after July 1, 2017, the average wholesale price may not be determined to be less than \$3.04  
46 per gallon of motor fuel. On and after January 1, 2011, the average wholesale price shall not vary  
47 by more than ten percent from the average wholesale price of motor fuel as determined by the  
48 Tax Commissioner for the previous calendar year: Provided, however, That in no case shall  
49 average wholesale price of motor fuel may not be determined to be less than \$3.04 per invoiced  
50 gallon. Any limitation on the average wholesale price of motor fuel contained in this subsection  
51 shall not be applicable to alternative fuel.

52 (3) All actions of the Tax Commissioner in acquiring data necessary to establish and  
53 determine the average wholesale price of motor fuel, in providing notification of his or her  
54 determination prior to the effective date of a change in rate, and in establishing and determining  
55 the average wholesale price of motor fuel may be made by the Tax Commissioner without  
56 compliance with the provisions of article three, chapter twenty-nine-a of this code.

57 (4) In an administrative or court proceeding brought to challenge the average wholesale  
58 price of motor fuel as determined by the Tax Commissioner, his or her determination is presumed  
59 to be correct and shall not be set aside unless it is clearly erroneous.

60 ~~(c) There is hereby levied a floorstocks tax on motor fuel held in storage outside the bulk~~  
61 ~~transfer/terminal system as of the close of the business day preceding January 1, 2004, and upon~~  
62 ~~which the tax levied by this section has not been paid. For the purposes of this section, "close of~~  
63 ~~the business day" means the time at which the last transaction has occurred for that day. The~~  
64 ~~floorstocks tax is payable by the person in possession of the motor fuel on January 1, 2004. The~~  
65 ~~amount of the floorstocks tax on motor fuel is equal to the sum of the tax rate specified in~~  
66 ~~subsection (a) of this section multiplied by the gallons in storage as of the close of the business~~  
67 ~~day preceding January 1, 2004.~~

68 ~~(1) Persons in possession of taxable motor fuel in storage outside the bulk~~  
69 ~~transfer/terminal system as of the close of the business day preceding January 1, 2004, shall:~~

70 ~~(A) Take an inventory at the close of the business day preceding January 1, 2004, to~~  
71 ~~determine the gallons in storage for purposes of determining the floorstocks tax;~~

72 ~~(B) Report no later than January 31, 2004, the gallons on forms provided by the~~  
73 ~~commissioner; and~~

74 ~~(C) Remit the tax levied under this section no later than June 1, 2004.~~

75 ~~(2) In the event the tax due is paid to the commissioner on or before January 31, 2004,~~  
76 ~~the person remitting the tax may deduct from their remittance five percent of the tax liability due.~~

77 ~~(3) In the event the tax due is paid to the commissioner after June 1, 2004, the person~~  
78 ~~remitting the tax shall pay, in addition to the tax, a penalty in the amount of five percent of the tax~~  
79 ~~liability due.~~

80 ~~(4) In determining the amount of floorstocks tax due under this section, the amount of~~  
81 ~~motor fuel in dead storage may be excluded. There are two methods for calculating the amount~~  
82 ~~of motor fuel in dead storage:~~

83 ~~(A) If the tank has a capacity of less than ten thousand gallons, the amount of motor fuel~~  
84 ~~in dead storage is two hundred gallons and if the tank has a capacity of ten thousand gallons or~~  
85 ~~more, the amount of motor fuel in dead storage is four hundred gallons; or~~

86 ~~(B) Use the manufacturer's conversion table for the tank after measuring the number of~~  
87 ~~inches between the bottom of the tank and the bottom of the mouth of the drainpipe: *Provided,*~~  
88 ~~That the distance between the bottom of the tank and the bottom of the mouth of the draw pipe is~~  
89 ~~presumed to be six inches~~

90 ~~(d) (c) Every licensee who, on the effective date of any rate change, has in inventory any~~  
91 ~~motor fuel upon which the tax or any portion thereof has been previously paid shall take a physical~~  
92 ~~inventory and file a report thereof with the commissioner, in the format as required by the~~  
93 ~~commissioner, within thirty days after the effective date of the rate change, and shall pay to the~~  
94 ~~commissioner at the time of filing the report any additional tax due under the increased rate.~~

95 ~~(e) (d) The Tax Commissioner shall determine by January 1, 2014, the gasoline gallon~~

96 equivalent for each alternative fuel by filing a notice of the gasoline gallon equivalent in the State  
 97 Register and by other means that the Tax Commissioner considers reasonable. The Tax  
 98 Commissioner may redetermine the gasoline gallon equivalent for each alternative fuel by filing a  
 99 notice of the gasoline gallon equivalent in the State Register at least thirty days in advance of  
 100 January 1 for the next succeeding tax year. For purposes of this notice, the Tax Commissioner  
 101 may adopt or incorporate by reference provisions of the National Institute of Standards and  
 102 Technology, United States Department of Commerce, the Internal Revenue Code, United States  
 103 Treasury Regulations, the Internal Revenue Service publications or guidelines or other  
 104 publications or guidelines which may be useful in determining, setting or describing the gasoline  
 105 gallon equivalent for each alternative fuel used as motor fuel.

106 (e) Effective date. -- The amendments to this section enacted during the first extra  
 107 ordinary session of 2017 shall take effect on July 1, 2017.

9 (b) *Measure of tax.* – The measure of tax imposed by this article is as follows:

10 (1) On sales of motor fuel, the average wholesale price as defined and determined in  
11 section five, article fourteen-c of this chapter. For purposes of maintaining revenue for highways,  
12 and recognizing that the tax imposed by this article is generally imposed on gross proceeds from  
13 sales to ultimate consumers, whereas the tax on motor fuel herein is imposed on the average  
14 wholesale price of the motor fuel; in no case, for the purposes of taxation under this article, may  
15 the average wholesale price be determined to be less than \$.97 per gallon of motor fuel for all  
16 gallons of motor fuel sold during the reporting period, notwithstanding any provision of this article  
17 to the contrary. On and after January 1, 2010, for the purpose of taxation under this article, in no  
18 case may the average wholesale price be determined to be less than \$2.34 per gallon of motor  
19 fuel for all gallons of motor fuel sold during the reporting period notwithstanding any provision of  
20 this article to the contrary: Provided, That on and after July 1, 2017, in no case may the average

21 wholesale price be determined to be less than \$3.04 per gallon of motor fuel for all gallons of

23 contrary and on and after July 1, 2017, the tax per gallon shall be not less than 15.2 cents per  
24 gallon of motor fuel. Any limitation on the average wholesale price of motor fuel contained in this  
25 subsection shall not be applicable to alternative fuel.

26 (2) On sales of alternative fuel, the average wholesale price as defined and determined in  
27 section five, article fourteen-c of this chapter.

28 (c) *Definitions.* – For purposes of this article, the terms “gasoline” and “special fuel” and  
29 “alternative fuel” are defined as provided in section two, article fourteen-c of this chapter. Other  
30 terms used in this section have the same meaning as when used in a similar context in said article.

31 (d) *Tax return and tax due.* –

32 (1) The tax imposed by this article on sales of motor fuel shall be paid by each taxpayer  
33 on or before the last day of the calendar month by check, bank draft, certified check or money  
34 order payable to the Tax Commissioner for the amount of tax due for the preceding month  
35 notwithstanding any provision of this article to the contrary. The commissioner may require all or  
36 certain taxpayers to file tax returns and payments electronically. The return required by the  
37 commissioner shall accompany the payment of tax. If no tax is due, the return required by the  
38 commissioner shall be completed and filed on or before the last day of the month.

39 (2) The tax due under this article comprising the variable component of the tax due under  
40 article fourteen-c of this chapter on alternative fuel, is due and shall be collected and remitted at  
41 the time the tax imposed by section five, article fourteen-c of this chapter is due, collected and  
42 remitted.

43 (e) *Compliance.* – To facilitate ease of administration and compliance by taxpayers, the  
44 Tax Commissioner shall require persons liable for the tax imposed by this article on sales of motor  
45 fuel to file a combined return and make a combined payment of the tax due under this article on  
46 sales of motor fuel and the tax due under article fourteen-c of this chapter on motor fuel. In order

47 to encourage use of a combined return each month and the making of a single payment each  
48 month for both taxes, the due date of the return and tax due under article fourteen-c of this chapter  
49 is the last day of each month notwithstanding any provision in said article to the contrary. The Tax  
50 Commissioner may prescribe reporting and payment requirements for tax due under this article  
51 on alternative fuel which accommodate the due dates and requirements prescribed in this article  
52 and article fourteen-c of this chapter, either under a separate return and payment or a combined  
53 return and payment, within the discretion of the Tax Commissioner.

54 (f) *Dedication of tax.* – All tax collected under the provisions of this section, after deducting  
55 the amount of refunds lawfully paid, shall be deposited in the road fund in the State Treasurer's  
56 office and used only for the purpose of construction, reconstruction, maintenance and repair of  
57 highways and payment of principal and interest on state bonds issued for highway purposes.  
58 Notwithstanding any provision to the contrary, tax collected on the sale of aviation fuel after  
59 deducting the amount of refunds lawfully paid shall be deposited in the State Treasurer's office  
60 and transferred to the state Aeronautical Commission to be used for the purpose of matching  
61 federal funds available for the reconstruction, maintenance and repair of public airports and airport  
62 runways.

63 (g) *Construction.* – This section does not tax a sale of motor fuel which this state is  
64 prohibited from taxing under the Constitution of this state or the Constitution or laws of the United  
65 States.

66 (h) *Effective date.* – The provisions of this section take effect on January 1, 2004. The  
67 provisions of this section enacted during the 2007 legislative session take effect on January 1,  
68 2008. The provisions of this section enacted during the 2013 regular legislative session take effect  
69 on January 1, 2014. The amendments of this section enacted during the first extraordinary  
70 session of 2017 take effect on July 1, 2017.

14 of ~~one dollar~~ \$1.50 for each registration about which information is furnished. This fee will be  
15 increased every five years on September 1 based on the U.S. Department of Labor, Bureau of  
16 Labor Statistics most current Consumer Price Index.

17 (d) The provisions of this section enacted in 2017 take effect on July 1, 2017.

**ARTICLE 3. ORIGINAL AND RENEWAL OF REGISTRATION; ISSUANCE OF CERTIFICATES OF TITLE.**

**§17A-3-4. Application for certificate of title; fees; abolishing privilege tax; prohibition of issuance of certificate of title without compliance with consumer sales and service**

**tax provisions; exceptions.**

1 (a) Certificates of registration of any vehicle or registration plates for the vehicle, whether  
2 original issues or duplicates, may not be issued or furnished by the Division of Motor Vehicles or  
3 any other officer or agent charged with the duty, unless the applicant already has received, or at  
4 the same time makes application for and is granted, an official certificate of title of the vehicle in  
5 either an electronic or paper format. The application shall be upon a blank form to be furnished  
6 by the Division of Motor Vehicles and shall contain a full description of the vehicle, which  
7 description shall contain a manufacturer's serial or identification number or other number as  
8 determined by the commissioner and any distinguishing marks, together with a statement of the  
9 applicant's title and of any liens or encumbrances upon the vehicle, the names and addresses of  
10 the holders of the liens and any other information as the Division of Motor Vehicles may require.  
11 The application shall be signed and sworn to by the applicant. A duly certified copy of the division's  
12 electronic record of a certificate of title is admissible in any civil, criminal or administrative  
13 proceeding in this state as evidence of ownership.

14 (b) A tax is imposed upon the privilege of effecting the certification of title of each vehicle  
15 in the amount equal to five percent of the value of the motor vehicle at the time of the certification,  
16 to be assessed as follows:

17 (1) If the vehicle is new, the actual purchase price or consideration to the purchaser of the  
18 vehicle is the value of the vehicle. If the vehicle is a used or secondhand vehicle, the present  
19 market value at time of transfer or purchase is the value of the vehicle for the purposes of this  
20 section: *Provided*, That so much of the purchase price or consideration as is represented by the  
21 exchange of other vehicles on which the tax imposed by this section has been paid by the  
22 purchaser shall be deducted from the total actual price or consideration paid for the vehicle,  
23 whether the vehicle be new or secondhand. If the vehicle is acquired through gift or by any manner  
24 whatsoever, unless specifically exempted in this section, the present market value of the vehicle  
25 at the time of the gift or transfer is the value of the vehicle for the purposes of this section.

26           (2) No certificate of title for any vehicle may be issued to any applicant unless the applicant  
27 has paid to the Division of Motor Vehicles the tax imposed by this section which is five percent of  
28 the true and actual value of the vehicle whether the vehicle is acquired through purchase, by gift  
29 or by any other manner whatsoever, except gifts between husband and wife or between parents  
30 and children: *Provided*, That the husband or wife, or the parents or children, previously have paid  
31 the tax on the vehicles transferred to the State of West Virginia.

32           (3) The Division of Motor Vehicles may issue a certificate of registration and title to an  
33 applicant if the applicant provides sufficient proof to the Division of Motor Vehicles that the  
34 applicant has paid the taxes and fees required by this section to a motor vehicle dealership that  
35 has gone out of business or has filed bankruptcy proceedings in the United States bankruptcy  
36 court and the taxes and fees so required to be paid by the applicant have not been sent to the  
37 division by the motor vehicle dealership or have been impounded due to the bankruptcy  
38 proceedings: *Provided*, That the applicant makes an affidavit of the same and assigns all rights  
39 to claims for money the applicant may have against the motor vehicle dealership to the Division  
40 of Motor Vehicles.

41           (4) The Division of Motor Vehicles shall issue a certificate of registration and title to an  
42 applicant without payment of the tax imposed by this section if the applicant is a corporation,  
43 partnership or limited liability company transferring the vehicle to another corporation, partnership  
44 or limited liability company when the entities involved in the transfer are members of the same  
45 controlled group and the transferring entity has previously paid the tax on the vehicle transferred.  
46 For the purposes of this section, control means ownership, directly or indirectly, of stock or equity  
47 interests possessing fifty percent or more of the total combined voting power of all classes of the  
48 stock of a corporation or equity interests of a partnership or limited liability company entitled to  
49 vote or ownership, directly or indirectly, of stock or equity interests possessing fifty percent or  
50 more of the value of the corporation, partnership or limited liability company.

51           (5) The tax imposed by this section does not apply to vehicles to be registered as Class

52 H vehicles or Class M vehicles, as defined in section one, article ten of this chapter, which are  
53 used or to be used in interstate commerce. Nor does the tax imposed by this section apply to the  
54 titling of Class B vehicles registered at a gross weight of fifty-five thousand pounds or more, or to  
55 the titling of Class C semitrailers, full trailers, pole trailers and converter gear: *Provided*, That if an  
56 owner of a vehicle has previously titled the vehicle at a declared gross weight of fifty-five thousand  
57 pounds or more and the title was issued without the payment of the tax imposed by this section,  
58 then before the owner may obtain registration for the vehicle at a gross weight less than fifty-five  
59 thousand pounds, the owner shall surrender to the commissioner the exempted registration, the  
60 exempted certificate of title and pay the tax imposed by this section based upon the current market  
61 value of the vehicle: *Provided, however*, That notwithstanding the provisions of section nine,  
62 article fifteen, chapter eleven of this code, the exemption from tax under this section for Class B  
63 vehicles in excess of fifty-five thousand pounds and Class C semitrailers, full trailers, pole trailers  
64 and converter gear does not subject the sale or purchase of the vehicles to the consumers sales  
65 and service tax.

66 (6) The tax imposed by this section does not apply to titling of vehicles leased by residents  
67 of West Virginia. A tax is imposed upon the monthly payments for the lease of any motor vehicle  
68 leased by a resident of West Virginia, which tax is equal to five percent of the amount of the  
69 monthly payment, applied to each payment, and continuing for the entire term of the initial lease  
70 period. The tax shall be remitted to the Division of Motor Vehicles on a monthly basis by the lessor  
71 of the vehicle.

72 (7) The tax imposed by this section does not apply to titling of vehicles by a registered  
73 dealer of this state for resale only, nor does the tax imposed by this section apply to titling of  
74 vehicles by this state or any political subdivision thereof, or by any volunteer fire department or  
75 duly chartered rescue or ambulance squad organized and incorporated under the laws of this  
76 state as a nonprofit corporation for protection of life or property. The total amount of revenue  
77 collected by reason of this tax shall be paid into the State Road Fund and expended by the

78 Commissioner of Highways for matching federal funds allocated for West Virginia. In addition to  
79 the tax, there is a charge of ~~\$5~~ \$10 for each original certificate of title or duplicate certificate of  
80 title so issued: *Provided*, That this state or any political subdivision of this state or any volunteer  
81 fire department or duly chartered rescue squad is exempt from payment of the charge. The fee  
82 for each original certificate or duplicate certificate of title will be increased every five years on  
83 September 1 based on the U. S. Department of Labor, Bureau of Labor Statistics most current  
84 Consumer Price Index.

85 (8) The certificate is good for the life of the vehicle, so long as the vehicle is owned or held  
86 by the original holder of the certificate and need not be renewed annually, or any other time,  
87 except as provided in this section.

88 (9) If, by will or direct inheritance, a person becomes the owner of a motor vehicle and the  
89 tax imposed by this section previously has been paid to the Division of Motor Vehicles on that  
90 vehicle, he or she is not required to pay the tax.

91 (10) A person who has paid the tax imposed by this section is not required to pay the tax  
92 a second time for the same motor vehicle, but is required to pay a charge of ~~\$5~~ \$10 for the  
93 certificate of retitle of that motor vehicle, except that the tax shall be paid by the person when the  
94 title to the vehicle has been transferred either in this or another state from the person to another  
95 person and transferred back to the person. The fee for each original certificate of title will be  
96 increased every five years on September 1 based on the U. S. Department of Labor, Bureau of  
97 Labor Statistics most current Consumer Price Index.

98 (11) The tax imposed by this section does not apply to any passenger vehicle offered for  
99 rent in the normal course of business by a daily passenger rental car business as licensed under  
100 the provisions of article six-d of this chapter. For purposes of this section, a daily passenger car  
101 means a Class A motor vehicle having a gross weight of eight thousand pounds or less and is  
102 registered in this state or any other state. In lieu of the tax imposed by this section, there is hereby  
103 imposed a tax of not less than \$1 nor more than \$1.50 for each day or part of the rental period.

104 The commissioner shall propose an emergency rule in accordance with the provisions of article  
105 three, chapter twenty-nine-a of this code to establish this tax.

106 (12) The tax imposed by this article does not apply to the titling of any vehicle purchased  
107 by a senior citizen service organization which is exempt from the payment of income taxes under  
108 the United States Internal Revenue Code, Title 26 U.S.C. §501(c)(3) and which is recognized to  
109 be a bona fide senior citizen service organization by the senior services bureau existing under  
110 the provisions of article five, chapter sixteen of this code.

111 (13) The tax imposed by this section does not apply to the titling of any vehicle operated  
112 by an urban mass transit authority as defined in article twenty-seven, chapter eight of this code  
113 or a nonprofit entity exempt from federal and state income tax under the Internal Revenue Code  
114 and whose purpose is to provide mass transportation to the public at large designed for the  
115 transportation of persons and being operated for the transportation of persons in the public  
116 interest.

117 (14) The tax imposed by this section does not apply to the transfer of a title to a vehicle  
118 owned and titled in the name of a resident of this state if the applicant:

119 (A) Was not a resident of this state at the time the applicant purchased or otherwise  
120 acquired ownership of the vehicle;

121 (B) Presents evidence as the commissioner may require of having titled the vehicle in the  
122 applicant's previous state of residence;

123 (C) Has relocated to this state and can present such evidence as the commissioner may  
124 require to show bona-fide residency in this state;

125 (D) Presents an affidavit, completed by the assessor of the applicant's county of residence,  
126 establishing that the vehicle has been properly reported and is on record in the office of the  
127 assessor as personal property; and

128 (E) Makes application to the division for a title and registration, and pays all other fees  
129 required by this chapter within thirty days of establishing residency in this state as prescribed in

130 subsection (a), section one-a of this article: *Provided*, That a period of amnesty of three months  
131 be established by the commissioner during the calendar year 2007, during which time any  
132 resident of this state, having titled his or her vehicle in a previous state of residence, may pay  
133 without penalty any fees required by this chapter and transfer the title of his or her vehicle in  
134 accordance with the provisions of this section.

135 (c) Notwithstanding any provisions of this code to the contrary, the owners of trailers,  
136 semitrailers, recreational vehicles and other vehicles not subject to the certificate of title tax prior  
137 to the enactment of this chapter are subject to the privilege tax imposed by this section: *Provided*,  
138 That the certification of title of any recreational vehicle owned by the applicant on June 30, 1989,  
139 is not subject to the tax imposed by this section: *Provided, however*, That mobile homes,  
140 manufactured homes, modular homes and similar nonmotive propelled vehicles, except  
141 recreational vehicles and house trailers, susceptible of being moved upon the highways but  
142 primarily designed for habitation and occupancy, rather than for transporting persons or property,  
143 or any vehicle operated on a nonprofit basis and used exclusively for the transportation of  
144 intellectually disabled or physically disabled children when the application for certificate of  
145 registration for the vehicle is accompanied by an affidavit stating that the vehicle will be operated  
146 on a nonprofit basis and used exclusively for the transportation of intellectually disabled and  
147 physically disabled children, are not subject to the tax imposed by this section, but are taxable  
148 under the provisions of articles fifteen and fifteen-a, chapter eleven of this code.

149 (d) Beginning on July 1, 2008, the tax imposed under this subsection (b) of this section is  
150 abolished and after that date no certificate of title for any motor vehicle may be issued to any  
151 applicant unless the applicant provides sufficient proof to the Division of Motor Vehicles that the  
152 applicant has paid the fees required by this article and the tax imposed under section ~~three-b~~  
153 three-c, article fifteen, chapter eleven of this code.

154 (e) Any person making any affidavit required under any provision of this section who  
155 knowingly swears falsely, or any person who counsels, advises, aids or abets another in the

156 commission of false swearing, or any person, while acting as an agent of the Division of Motor  
157 Vehicles, issues a vehicle registration without first collecting the fees and taxes or fails to perform  
158 any other duty required by this chapter or chapter eleven of this code to be performed before a  
159 vehicle registration is issued is, on the first offense, guilty of a misdemeanor and, upon conviction  
160 thereof, shall be fined not more than \$500 or be confined in jail for a period not to exceed six  
161 months or, in the discretion of the court, both fined and confined. For a second or any subsequent  
162 conviction within five years, that person is guilty of a felony and, upon conviction thereof, shall be  
163 fined not more than \$5,000 or be imprisoned in a state correctional facility for not less than one  
164 year nor more than five years or, in the discretion of the court, both fined and imprisoned.

165 (f) Notwithstanding any other provisions of this section, any person in the military stationed

169 (g) No person may transfer, purchase or sell a factory-built home without a certificate of  
170 title issued by the commissioner in accordance with the provisions of this article:

171 (1) Any person who fails to provide a certificate of title upon the transfer, purchase or sale  
172 of a factory-built home is guilty of a misdemeanor and, upon conviction thereof, shall for the first  
173 offense be fined not less than \$100 nor more than \$1,000, or be confined in jail for not more than  
174 one year, or both fined and confined. For each subsequent offense, the fine may be increased to  
175 not more than \$2,000, with confinement in jail not more than one year, or both fined and confined.

176 (2) Failure of the seller to transfer a certificate of title upon sale or transfer of the factory-  
177 built home gives rise to a cause of action, upon prosecution thereof, and allows for the recovery  
178 of damages, costs and reasonable attorney fees.

179 (3) This subsection does not apply to a mobile or manufactured home for which a  
180 certificate of title has been canceled pursuant to section twelve-b of this article.

181 (h) Notwithstanding any other provision to the contrary, whenever reference is made to

182 the application for or issuance of any title or the recordation or release of any lien, it includes the  
183 application, transmission, recordation, transfer of ownership and storage of information in an  
184 electronic format.

#### **ARTICLE 4. TRANSFERS OF TITLE OR INTEREST.**

##### **§17A-4-1. Registration expires on transfer by owner; transfer, surrender or retention of plates.**

1 Whenever the owner of a registered vehicle transfers or assigns his or her title, or interest  
2 thereto, the registration of such vehicle shall expire: *Provided*, That such owner, if he or she has  
3 made application to the department within sixty days from the date of purchase to have said  
4 registration plates transferred to be used on another vehicle owned by said owner, may then  
5 operate the other vehicle for a period of sixty days, but in no event longer than sixty days from  
6 the date of original transfer. Upon such transfer, it shall be the duty of the original owner to retain  
7 the registration plates issued therefor and to immediately notify the commissioner of such transfer  
8 upon such form as may be provided therefor and to deliver to him or her the certificate of  
9 registration, whereupon the commissioner shall, upon the payment of a fee of ~~\$5~~ \$10, issue a  
10 new certificate showing the use to be made of such plates. The fee for each new certificate will  
11 be increased every five years on September 1 based on the U.S. Department of Labor, Bureau  
12 of Labor Statistics most current Consumer Price Index. Such plates may then be used by such  
13 owner on another vehicle of the same class as the vehicle for which they were originally issued if  
14 such other vehicle does not require a greater license fee than was required for such original

15 vehicle. If such other vehicle requires a greater license fee than such original vehicle, then such  
16 plates may be used by paying such difference to the commissioner. When such transfer of  
17 ownership is made to a licensed dealer in motor vehicles it shall be the duty of such dealer to  
18 immediately execute notification of transfer, in triplicate, and to have this notification properly  
19 signed by the owner making the transfer. The dealer shall immediately forward to the department  
20 the original copy of the notification of transfer. One copy of the notification of transfer shall be  
21 given to the owner and one shall be retained by the dealer. The owner shall immediately send to  
22 the department the transfer fee of ~~\$5~~ \$10 with any additional fee that may be required under the  
23 terms of this chapter. The owner's copy, properly signed by the dealer, will be the owner's  
24 identification until he or she receives a new registration card from the department.

25 The owner of a set of registration plates may surrender them to the commissioner together  
26 with the registration card and, upon the payment of ~~\$5~~ \$10 as an exchange fee and upon the  
27 payment of such additional fees as are necessary to equalize the value of the plates surrendered  
28 with the value of registration plates desired, receive in exchange a set of plates and registration  
29 card for a vehicle of a different class.

**§17A-4-10. Salvage certificates for certain wrecked or damaged vehicles; fee; penalty.**

1 (a) In the event a motor vehicle is determined to be a total loss or otherwise designated  
2 as totaled by an insurance company or insurer, and upon payment of a total loss claim to an  
3 insured or claimant owner for the purchase of the vehicle, the insurance company or the insurer,  
4 as a condition of the payment, shall require the owner to surrender the certificate of title: *Provided,*  
5 That an insured or claimant owner may choose to retain physical possession and ownership of a  
6 total loss vehicle. If the vehicle owner chooses to retain the vehicle and the vehicle has not been  
7 determined to be a cosmetic total loss in accordance with subsection (d) of this section, the  
8 insurance company or insurer shall also require the owner to surrender the vehicle registration  
9 certificate. The term "total loss" means a motor vehicle which has sustained damages equivalent  
10 to seventy-five percent or more of the market value as determined by a nationally accepted used

11 car value guide or meets the definition of a flood-damaged vehicle as defined in this section.

12 (b) The insurance company or insurer shall, prior to the payment of the total loss claim,  
13 determine if the vehicle is repairable, cosmetically damaged or nonrepairable. Within ten days of  
14 payment of the total loss claim, the insurance company or insurer shall surrender the certificate  
15 of title, a copy of the claim settlement, a completed application on a form prescribed by the  
16 commissioner and the registration certificate if the owner has chosen to keep the vehicle to the  
17 Division of Motor Vehicles.

18 (c) If the insurance company or insurer determines that the vehicle is repairable, the  
19 division shall issue a salvage certificate, on a form prescribed by the commissioner, in the name  
20 of the insurance company, the insurer or the vehicle owner if the owner has chosen to retain the  
21 vehicle. The certificate shall contain, on the reverse, spaces for one successive assignment  
22 before a new certificate at an additional fee is required. Upon the sale of the vehicle, the insurance  
23 company, insurer or vehicle owner if the owner has chosen to retain the vehicle, shall complete  
24 the assignment of ownership on the salvage certificate and deliver it to the purchaser. The vehicle  
25 may not be titled or registered for operation on the streets or highways of this state unless there  
26 is compliance with subsection ~~(g)~~ (h) of this section. The division shall charge a fee of ~~\$15~~ \$22.50  
27 for each salvage title issued. The fee for each salvage title will be increased every five years on  
28 September 1 based on the U. S. Department of Labor, Bureau of Labor Statistics most current  
29 Consumer Price Index.

30 (d) If the insurance company or insurer determines the damage to a totaled vehicle is  
31 exclusively cosmetic and no repair is necessary in order to legally and safely operate the motor  
32 vehicle on the roads and highways of this state, the insurance company or insurer shall, upon  
33 payment of the claim, submit the certificate of title to the division. Neither the insurance company  
34 nor the division may require the vehicle owner to surrender the registration certificate in the event  
35 of a cosmetic total loss settlement.

36 (1) The division shall, without further inspection, issue a title branded "cosmetic total loss"

37 to the insured or claimant owner if the insured or claimant owner wishes to retain possession of  
38 the vehicle, in lieu of a salvage certificate. The division shall charge a fee of ~~\$5~~ \$22.50 for each  
39 cosmetic total loss title issued. The terms "cosmetically damaged" and "cosmetic total loss" do  
40 not include any vehicle which has been damaged by flood or fire. The designation "cosmetic total  
41 loss" on a title may not be removed. The fee for each cosmetic total loss title will be increased  
42 every five years on September 1 based on the U. S. Department of Labor, Bureau of Labor  
43 Statistics most current Consumer Price Index.

56 no resale value except as a source of parts or scrap, the insurance company or vehicle owner  
57 shall, in the manner prescribed by the commissioner, request that the division issue a

71 inspected by an official state inspection station and by the Division of Motor Vehicles. Following  
72 an approved inspection, an application for a new certificate of title may be submitted to the  
73 division. The applicant is required to retain all receipts for component parts, equipment and  
74 materials used in the reconstruction. The salvage certificate shall also be surrendered to the  
75 division before a certificate of title may be issued with the appropriate brand.

76 (i) The owner or title holder of a motor vehicle titled in this state which has previously been  
77 branded in this state or another state as salvage, reconstructed, cosmetic total loss, cosmetic

93 as reconstructed, cosmetic total loss, flood, fire or other brand under the provisions of this section  
94 shall be based on fifty percent of the fair market value of the vehicle as determined by a nationally  
95 accepted used car value guide to be used by the commissioner.

96 (k) The division shall charge a fee of ~~\$45~~ \$22.50 for the issuance of each salvage

104 payment of such privilege tax. A wrecker/dismantler/rebuilder, licensed by the division, is exempt  
105 from the payment of the five percent privilege tax upon titling a reconstructed vehicle. The division  
106 shall collect a fee of \$35 per vehicle for inspections of reconstructed vehicles. These fees shall  
107 be deposited in a special fund created in the State Treasurer's Office and may be expended by  
108 the division to carry out the provisions of this article: *Provided*, That on and after July 1, 2007, any
