1 A BILL to amend and reenact §3-5-13 of the Code of West Virginia, 1931, as amended, relating
2 to primary elections and nominating procedures; and designating the placement of
3 nonpartisan offices on the primary election ballot.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5. PRIMARY ELECTIONS AND NOMINATING PROCEDURES.

§3-5-13. Form and contents of ballots.

1 The following provisions apply to the form and contents of election ballots:

2 (1) The face of every primary election ballot shall conform as nearly as practicable to that
3 used at the general election.

4 (2) The heading of every ballot is to be printed in display type. The heading is to contain
5 a ballot title, the name of the county, the state, the words "Primary Election", and the month, day,
6 and year of the election. The ballot title of the political party ballots is to contain the words "Official
7 Ballot of the (Name) Party" and the official symbol of the political party may be included in the
8 heading. As presented to the voter, this partisan ballot is to be immediately preceded by the non-
9 partisan ballots described in subdivisions (A) and (B) below.

10 (A) The ballot title of any separate paper ballot or portion of any electronic or voting
11 machine ballot for all judicial officers shall commence with the words "Nonpartisan Ballot of
12 Election of Judicial Officers" and each such office shall be listed in the following-order:

13 (i) The ballot title of any separate paper ballot or portion of any electronic or voting machine
14 ballot for all justices of the Supreme Court of Appeals shall contain the words "Nonpartisan Ballot
15 of Election of Justice(s) of the Supreme Court of Appeals of West Virginia". The names of the
16 candidates for the Supreme Court of Appeals shall be printed by division without references to
17 political party affiliation or registration.

18 (ii) The ballot title of any separate paper ballot or portion of any electronic or voting
19 machine ballot for all circuit court judges in the respective circuits shall contain the words
20 "Nonpartisan Ballot of Election of Circuit Court Judge(s)". The names of the candidates for the

21 respective circuit court judge office shall be printed by division without references to political party
22 affiliation or registration.

23 (iii) The ballot title of any separate paper ballot or portion of any electronic or voting
24 machine ballot for all family court judges in the respective circuits shall contain the words
25 “Nonpartisan Ballot of Election of Family Court Judge(s)”. The names of the candidates for the
26 respective family court judge office shall be printed by division without references to political party
27 affiliation or registration.

28 (iv) The ballot title of any separate paper ballot or portion of any electronic or voting
29 machine ballot for all magistrates in the respective circuits shall contain the words “Nonpartisan
30 Ballot of Election of Magistrate(s)”. The names of the candidates for the respective magistrate
31 office shall be printed by division without references to political party affiliation or registration.

32 (B) The ballot title of any separate paper ballot or portion of any electronic or voting
33 machine ballot for the Board of Education is to contain the words “Nonpartisan Ballot of Election
34 of Members of the _____ County Board of Education”. The districts for which less than
35 two candidates may be elected and the number of available seats are to be specified and the
36 names of the candidates are to be printed without reference to political party affiliation and without
37 designation as to a particular term of office.

38 (C) Any other ballot or portion of a ballot on a question is to have a heading which clearly
39 states the purpose of the election according to the statutory requirements for that question.

40 (3) (A) For paper ballots, the heading of the ballot is to be separated from the rest of the
41 ballot by heavy lines and the offices shall be arranged in columns with the following headings,
42 from left to right across the ballot: “National Ticket”, “State Ticket”, “County Ticket” and, in a
43 presidential election year, “National Convention” or, in a nonpresidential election year, “District
44 Ticket”. The columns are to be separated by heavy lines. Within the columns, the offices are to
45 be arranged in the order prescribed in section thirteen-a of this article.

46 (B) For voting machines, electronic voting devices, and any ballot tabulated by electronic
47 means, the offices are to appear in the same sequence as prescribed in section thirteen-a of this
48 article and under the same headings as prescribed in paragraph (A) of this subdivision. The
49 number of pages, columns, or rows, where applicable, may be modified to meet the limitations of
50 ballot size and composition requirements subject to approval by the Secretary of State.

51 (C) The title of each office is to be separated from preceding offices or candidates by a
52 line and is to be printed in bold type no smaller than eight point. Below the office is to be printed
53 the number of the district, if any, the number of the division, if any, and the words "Vote for
54 _____" with the number to be nominated or elected or "Vote For Not More Than _____"
55 in multicandidate elections. For offices in which there are limitations relating to the number of
56 candidates which may be nominated, elected, or appointed to or hold office at one time from a
57 political subdivision within the district or county in which they are elected, there is to be a clear
58 explanation of the limitation, as prescribed by the Secretary of State, printed in bold type
59 immediately preceding the names of the candidates for those offices on the ballot in every voting
60 system. For counties in which the number of county commissioners exceeds three and the total
61 number of members of the county commission is equal to the number of magisterial districts within
62 the county, the office of county commission is to be listed separately for each district to be filled
63 with the name of the magisterial district and the words "Vote for One" printed below the name of
64 the office: *Provided*, That the office title and applicable instructions may span the width of the
65 ballot so as it is centered among the respective columns.

66 (D) The location for indicating the voter's choices on the ballot is to be clearly shown. For
67 paper ballots, other than those tabulated electronically, the official primary ballot is to contain a
68 square formed in dark lines at the left of each name on the ballot, arranged in a perpendicular
69 column of squares before each column of names.

70 (4) (A) The name of every candidate certified by the Secretary of State or the board of
71 ballot commissioners is to be printed in capital letters in no smaller than eight point type on the

72 ballot for the appropriate precincts. Subject to the rules promulgated by the Secretary of State,
73 the name of each candidate is to appear in the form set out by the candidate on the certificate of
74 announcement, but in no case may the name misrepresent the identity of the candidate nor may
75 the name include any title, position, rank, degree, or nickname implying or inferring any status as
76 a member of a class or group or affiliation with any system of belief.

77 (B) The city of residence of every candidate, the state of residence of every candidate
78 residing outside the state, the county of residence of every candidate for an office on the ballot in
79 more than one county and the magisterial district of residence of every candidate for an office
80 subject to magisterial district limitations are to be printed in lower case letters beneath the names
81 of the candidates.

82 (C) The arrangement of names within each office must be determined as prescribed in
83 section thirteen-a of this article.

84 (D) If the number of candidates for an office exceeds the space available on a column or
85 ballot page and requires that candidates for a single office be separated, to the extent possible,
86 the number of candidates for the office on separate columns or pages are to be nearly equal and
87 clear instructions given the voter that the candidates for the office are continued on the following
88 column or page.

89 (5) When an insufficient number of candidates has filed for a party to make the number of
90 nominations allowed for the office or for the voters to elect sufficient members to the Board of
91 Education or to executive committees, the vacant positions on the ballot shall be filled with the
92 words "No Candidate Filed": *Provided*, That in paper ballot systems which allow for write-ins to
93 be made directly on the ballot, a blank line shall be placed in any vacant position in the office of
94 Board of Education or for election to any party executive committee. A line shall separate each
95 candidate from every other candidate for the same office. Notwithstanding any other provision of
96 this code, if there are multiple vacant positions on a ballot for one office, the multiple vacant
97 positions which would otherwise be filled with the words "No Candidate Filed" may be replaced

98 with a brief detailed description, approved by the Secretary of State, indicating that there are no
99 candidates listed for the vacant positions.

100 (6) In presidential election years, the words “For election in accordance with the plan
101 adopted by the party and filed with the Secretary of State” is to be printed following the names of
102 all candidates for delegate to national convention.

103 (7) All paper ballots are to be printed in black ink on paper sufficiently thick so that the
104 printing or marking cannot be discernible from the back: *Provided*, That no paper ballot voted
105 pursuant to the provisions of 42 U. S. C. §1973, *et seq.*, the Uniformed and Overseas Citizens
106 Absentee Voting Act of 1986, or federal write-in absentee ballot may be rejected due to paper
107 type, envelope type, or notarization requirement. Ballot cards and paper for printing ballots using
108 electronically sensible ink are to meet minimum requirements of the tabulating systems and are
109 to conform in size and weight to ensure ease in tabulation.

110 (8) Ballots are to contain perforated tabs at the top of the ballots and are to be printed with
111 unique sequential numbers from one to the highest number representing the total number of
112 ballots printed. On paper ballots, the ballot is to be bordered by a solid line at least one sixteenth
113 of an inch wide and the ballot is to be trimmed to within one-half inch of that border.

114 (9) On the back of every official ballot or ballot card the words “Official Ballot” with the
115 name of the county and the date of the election are to be printed. Beneath the date of the election
116 there are to be two blank lines followed by the words “Poll Clerks”.

117 (10) The face of sample paper ballots and sample ballot labels are to be like other official
118 ballots or ballot labels except that the word “sample” is to be prominently printed across the front
119 of the ballot in a manner that ensures the names of candidates are not obscured and the word
120 “sample” may be printed in red ink. No printing may be placed on the back of the sample.

NOTE: The purpose of this bill is to designate the placement of nonpartisan judicial offices
on the primary election ballot.
