51 (D) All moneys received from permit fees and civil penalties assessed pursuant to this
52 section shall be credited to the special account within the Division of Forestry to be used for the

154 to renew. The division may require a late fee when renewal is received more than sixty days after
155 the expiration of the current permit.

156 (3) The permit holder shall notify the division of any changes in the information on the
