36 renter agreeing to restore the interior of the premises to the condition that existed before the
37 modification, reasonable wear and tear excepted;

38 (B) A refusal to make reasonable accommodations in rules, policies, practices or services
39 when the accommodations may be necessary to afford the person equal opportunity to use and

57 (5) (A) If a unit of general local government has incorporated into its laws the requirements
58 set forth in subparagraph (3)(C) of this subdivision, compliance with those laws satisfy the
59 requirements of that subparagraph.

60 (B) The commission or unit of general local government may review and approve newly
61 constructed covered multifamily dwellings for the purpose of making determinations as to whether
62 the design and construction requirements of subparagraph (3)(C) of this subdivision are met.

63 (C) The commission shall encourage, but may not require, units of local government to
64 include in their existing procedures for the review and approval of newly constructed covered
65 multifamily dwellings, determinations as to whether the design and construction of such dwellings
66 are consistent with subparagraph (3)(C) of this subdivision, and may provide technical assistance
67 to units of local government and other persons to implement the requirements of that
68 subparagraph.

69 (D) Nothing in this article requires the commission to review or approve the plans, designs

70 or construction of all covered multifamily dwellings to determine whether the design and
71 construction of the dwellings are consistent with the requirements of subparagraph (3)(C) of this
72 subdivision.

73 (6) (A) Nothing in paragraph (5) of this subdivision affects the authority and responsibility
74 of the commission or a local public agency to receive and process complaints or otherwise engage

79 consisting of four or more units if the buildings have one or more elevators; and (B) ground floor

82 subdivision of this state that requires dwellings to be designed and constructed in a manner that
83 affords disabled persons greater access than is required by this article.

84 (9) This section does not require that a dwelling be made available to an individual whose
85 tenancy would constitute a direct threat to the health or safety of other individuals or whose

92 services, a person with a disability may be required to submit documentation, from a professional
93 treatment provider, of the disability related need for the assistance animal.

94 (i) ~~Such~~ The documentation is sufficient if it establishes that the assistance animal will
95 provide some type of disability-related assistance or emotional support.

96 (ii) A person with a disability may not be required to submit or provide access to medical
97 records or medical providers, or to provide detailed or extensive information or documentation of
98 a person's physical or mental impairments.

99 (B) A person with a disability may be denied the accommodation of an assistance animal
100 if there is credible evidence that:

101 (i) The assistance animal poses a direct threat to the health or safety of others that cannot
102 be eliminated by another reasonable accommodation; or

103 (ii) The assistance animal would cause substantial physical damage to the property of
104 other that cannot be reduced or eliminated by another reasonable accommodation.

105 (C) A determination that an assistance animal poses a direct threat of harm to others or

107 individualized assessment that relies on objective evidence about the specific animal's actual
108 conduct.

109 (D) A request for a reasonable accommodation may not be unreasonably denied,
110 conditioned on payment of a fee or deposit or other terms and conditions applied to applicants or
111 residents with pets, and a response may not be unreasonably delayed.
