[Passed March 10, 2018; in effect 90 days from passage]

OFFICE WEST VIRGINIA
SECRETARY OF STATE

2018 MAR 21 P 4: 40

FILED

1 AN ACT to repeal §16-4C-6c of the Code of West Virginia, 1931, as amended; and to amend said
2 code by adding thereto a new section, designated §22A-10-3, relating to emergency
3 medical technicians – mining; transferring certification requirements for emergency
4 medical technician – mining to the chapter governing miners’ health, safety and training;
5 eliminating the authority of the Director of Miners’ Health Safety and Training to authorize
6 providers to administer certification courses and examinations; modifying requirements for
7 training personnel and independent trainers; and making technical corrections.

Be it enacted by the Legislature of West Virginia:

ARTICLE 4C. EMERGENCY MEDICAL SERVICES ACT.

§16-4C-6c. Certification requirements for emergency medical technician – mining.

1 [Repealed.]

ARTICLE 10. EMERGENCY MEDICAL PERSONNEL.

§22A-10-3. Certification requirements for emergency medical technician – mining.

1 (a) An applicant for certification as an emergency medical technician - mining shall:

2 (1) Be at least 18 years old;

3 (2) Apply on a form prescribed by the Director of Miners’ Health, Safety and Training;

4 (3) Pay the application fee;

5 (4) Possess a valid cardiopulmonary resuscitation certification;

6 (5) Successfully complete an emergency medical technician - mining education program

7 authorized by the Director of Miners’ Health, Safety and Training in consultation with the Board of

8 Coal Mine Health and Safety; and

9 (6) Successfully complete emergency medical technician - mining cognitive and skills

10 examinations authorized by the Director of Miners’ Health, Safety and Training in consultation

11 with the Board of Coal Mine Health and Safety.

12 (b) The emergency medical technician - mining certification is valid for three years.

13 (c) A certified emergency medical technician - mining may only practice on mining
14 operations, as defined in §11-13C-3 of this code.

15 (d) To be recertified as an emergency medical technician - mining, a certificate holder
16 shall:

17 (1) Apply on a form prescribed by the Director of Miners' Health, Safety and Training;

18 (2) Pay the application fee;

19 (3) Possess a valid cardiopulmonary resuscitation certification;

20 (4) Successfully complete one of the following:

21 (A) A one-time 32-hour emergency medical technician - mining recertification course
22 authorized by the Director of Miners' Health, Safety and Training in consultation with the Board of
23 Coal Mine Health and Safety; or

24 (B) Three annual eight-hour retraining and testing programs authorized by the Director of
25 Miners' Health, Safety and Training in consultation with the Board of Coal Mine Health and Safety;
26 and

27 (5) Successfully complete emergency medical technician - mining cognitive and skills
28 recertification examinations authorized by the Director of Miners' Health, Safety and Training in
29 consultation with the Board of Coal Mine Health and Safety.

30 (e) The education program, training, courses, and cognitive and skills examinations
31 required for certification and recertification as an emergency medical technician - miner, also
32 known as emergency medical technician - mining, in existence on January 1, 2014, shall remain
33 in effect for the certification and recertification of emergency medical technician - industrial until
34 they are changed by legislative rule by the director in consultation with the Board of Coal Mine
35 Health and Safety.

36 (f) The administration of the emergency medical technician - mining certification and
37 recertification program by the Director of Miners' Health, Safety and Training shall be done in
38 consultation with the Board of Coal Mine Health and Safety.

39 (g) The Director of Miners' Health, Safety and Training shall propose rules for legislative
40 approval, pursuant to the provisions of §29A-3-1 *et seq.* of this code, in consultation with the
41 Board of Coal Mine Health and Safety and may propose emergency rules to:

42 (1) Establish emergency medical technician - mining certification and recertification
43 courses and examinations;

44 (2) Authorize providers to administer the recertification courses and examinations,
45 including mine training personnel, independent trainers, community and technical colleges,
46 regional education service agencies, and educational service cooperatives: *Provided*, That the
47 mine training personnel and independent trainers must obtain an EMT-M Instructor Certification
48 issued by the West Virginia Office of Miners' Health, Safety and Training;

49 (3) Establish a fee schedule: *Provided*, That the application fee may not exceed \$10 and
50 there shall be no fee for a certificate; and

51 (4) Implement the provisions of this section.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
