ARTICLE 8. COMPULSORY SCHOOL ATTENDANCE.

§18-8-1. Compulsory school attendance; exemptions.

(a) Exemption from the requirements of compulsory public school attendance established in §18-8-1a of this code shall be made on behalf of any child for the causes or conditions set forth in this section. Each cause or condition set forth in this section is subject to confirmation by the attendance authority of the county. A child who is exempt from compulsory school attendance under this section is not subject to prosecution under §18-8-2 of this code, nor is such a child a status offender as defined by §49-1-202 of this code.

(b) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to instruction in a private, parochial or other approved school, are met. The instruction shall be in a school approved by the county board and for a time equal to the instructional term set forth in §18-5-45 of this code. In all private, parochial or other schools approved pursuant to this subsection, it is the duty of the principal or other person in control, upon the request of the county superintendent, to furnish to the county board such information and records as may be required with respect to attendance, instruction and progress of students enrolled.

(c) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of either subdivision (1) or subdivision (2) of this subsection, both relating to home instruction, are met.

(1) The instruction shall be in the home of the child or children or at some other place approved by the county board and for a time equal to the instructional term set forth in §18-5-45 of this code. If the request for home instruction is denied by the county board, good and reasonable justification for the denial shall be furnished in writing to the applicant by the county board. The instruction shall be conducted by a person or persons who, in the judgment of the county superintendent and county board, are qualified to give instruction in subjects required to be taught in public elementary schools in the state. The person or persons providing the
instruction, upon request of the county superintendent, shall furnish to the county board information and records as may be required periodically with respect to attendance, instruction and progress of students receiving the instruction. The state board shall develop guidelines for the home schooling of special education students including alternative assessment measures to assure that satisfactory academic progress is achieved.

(2) The child meets the requirements set forth in this subdivision: Provided, That the county superintendent may, after a showing of probable cause, seek from the circuit court of the county an order denying home instruction of the child. The order may be granted upon a showing of clear and convincing evidence that the child will suffer neglect in his or her education or that there are other compelling reasons to deny home instruction.

(A) Upon commencing home instruction under this section the parent of a child receiving home instruction shall present to the county superintendent or county board a notice of intent to provide home instruction that includes the name, address, and age of any child of compulsory school age to be instructed and assurance that the child shall receive instruction in reading, language, mathematics, science and social studies and that the child shall be assessed annually in accordance with this subdivision. The person providing home instruction shall notify the county superintendent upon termination of home instruction for a child who is of compulsory attendance age. Upon establishing residence in a new county, the person providing home instruction shall notify the previous county superintendent and submit a new notice of intent to the superintendent of the new county of residence: Provided, That if a child is enrolled in a public school, notice of intent to provide home instruction shall be given on or before the date home instruction is to begin.

(B) The person or persons providing home instruction shall submit satisfactory evidence of a high school diploma or equivalent, or a post-secondary degree or certificate from a regionally accredited institution or from an institution of higher education that has been authorized to confer a post-secondary degree or certificate in West Virginia by the West Virginia Council for Community and Technical College Education or by the West Virginia Higher Education Policy
Commission.

(C) Annually, the person or persons providing home instruction shall obtain an academic assessment of the child for the previous school year in one of the following ways:

(i) The child receiving home instruction takes a nationally normed standardized achievement test published or normed not more than 10 years from the date of administration and administered under the conditions as set forth by the published instructions of the selected test and by a person qualified in accordance with the test's published guidelines in the subjects of reading, language, mathematics, science and social studies. The child is considered to have made acceptable progress when the mean of the child’s test results in the required subject areas for any single year is within or above the fourth stanine or, if below the fourth stanine, shows improvement from the previous year’s results;

(ii) The child participates in the testing program currently in use in the state’s public schools. The test shall be administered to the child at a public school in the county of residence. Determination of acceptable progress shall be based on current guidelines of the state testing program;

(iii) A portfolio of samples of the child’s work is reviewed by a certified teacher who determines whether the child’s academic progress for the year is in accordance with the child’s abilities. The teacher shall provide a written narrative about the child’s progress in the areas of reading, language, mathematics, science and social studies and shall note any areas which, in the professional opinion of the reviewer, show need for improvement or remediation. If the narrative indicates that the child’s academic progress for the year is in accordance with the child’s abilities, the child is considered to have made acceptable progress; or

(iv) The child completes an alternative academic assessment of proficiency that is mutually agreed upon by the parent or legal guardian and the county superintendent.

(D) A parent or legal guardian shall maintain copies of each student’s Academic Assessment for three years. When the annual assessment fails to show acceptable progress, the
person or persons providing home instruction shall initiate a remedial program to foster acceptable progress. The county board upon request shall notify the parents or legal guardian of the child, in writing, of the services available to assist in the assessment of the child’s eligibility for special education services. Identification of a disability does not preclude the continuation of home schooling. In the event that the child does not achieve acceptable progress for a second consecutive year, the person or persons providing instruction shall submit to the county superintendent additional evidence that appropriate instruction is being provided.

(E) The parent or legal guardian shall submit to the county superintendent the results of the academic assessment of the child at grade levels three, five, eight and 11, as applicable, by June 30 of the year in which the assessment was administered.

(3) This subdivision applies to both home instruction exemptions set forth in subdivisions (1) and (2) of this subsection. The county superintendent or a designee shall offer such assistance, including textbooks, other teaching materials and available resources, all subject to availability, as may assist the person or persons providing home instruction. Any child receiving home instruction may upon approval of the county board exercise the option to attend any class offered by the county board as the person or persons providing home instruction may consider appropriate subject to normal registration and attendance requirements.

(d) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to physical or mental incapacity, are met. Physical or mental incapacity consists of incapacity for school attendance and the performance of school work. In all cases of prolonged absence from school due to incapacity of the child to attend, the written statement of a licensed physician or authorized school nurse is required. Incapacity shall be narrowly defined and in any case the provisions of this article may not allow for the exclusion of the mentally, physically, emotionally or behaviorally handicapped child otherwise entitled to a free appropriate education.

(e) A child is exempt from the compulsory school attendance requirement set forth in §18-
8-1a of this code if conditions rendering school attendance impossible or hazardous to the life, health or safety of the child exist.

(f) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code upon regular graduation from a standard senior high school or alternate secondary program completion as determined by the state board.

(g) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the child is granted a work permit pursuant to the subsection. After due investigation the county superintendent may grant work permits to youths under the termination age designated in §18-8-1a of this code, subject to state and federal labor laws and regulations. A work permit may not be granted on behalf of any youth who has not completed the eighth grade of school.

(h) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if a serious illness or death in the immediate family of the child has occurred. It is expected that the county attendance director will ascertain the facts in all cases of such absences about which information is inadequate and report the facts to the county superintendent.

(i) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to destitution in the home, are met. Exemption based on a condition of extreme destitution in the home may be granted only upon the written recommendation of the county attendance director to the county superintendent following careful investigation of the case. A copy of the report confirming the condition and school exemption shall be placed with the county director of public assistance. This enactment contemplates every reasonable effort that may properly be taken on the part of both school and public assistance authorities for the relief of home conditions officially recognized as being so destitute as to deprive children of the privilege of school attendance. Exemption for this cause is not allowed when the destitution is relieved through public or private means.

(j) A child is exempt from the compulsory school attendance requirement set forth in §18-
8-1a of this code if the requirements of this subsection, relating to church ordinances and observances of regular church ordinances, are met. The county board may approve exemption for religious instruction upon written request of the person having legal or actual charge of a child or children. This exemption is subject to the rules prescribed by the county superintendent and approved by the county board.

(k) A child is exempt from the compulsory school attendance requirement set forth in §18-8-1a of this code if the requirements of this subsection, relating to alternative private, parochial, church or religious school instruction, are met. Exemption shall be made for any child attending any private school, parochial school, church school, school operated by a religious order or other nonpublic school which elects to comply with the provisions of §18-28-1 et seq. of this code.

(l) Completion of the eighth grade does not exempt any child under the termination age designated in §18-8-1a of this code from the compulsory attendance provision of this article.

(m) A child is exempt from the compulsory school attendance requirements set forth in §18-8-1a of this code if the parent, as defined in §18-31-2 of this code, of the child has applied to the Treasurer to establish an education savings account pursuant to §18-31-1 et seq. of this code, the Treasurer has approved the application, the education savings account remains open, and payments continue to be made into the education savings account.

ARTICLE 9A. PUBLIC SCHOOL SUPPORT.

(a) The Department of Education annually shall make a projection of the amount required to fund education savings accounts pursuant to §18-31-1 et seq. of this code, and shall request an appropriation for that amount. The Legislature shall appropriate the amount requested by the Department of Education pursuant to this subsection, and the Department of Education shall pay to the West Virginia State Treasurer’s Office the amount appropriated pursuant to this subsection.

(b) The state board may, by rule, determine how the fund transfer to the Treasurer shall be accomplished.

However, if an ESA student turns 21 years of age or completes secondary education, the ESA shall be closed and any unused funds revert to the Treasurer and be allocated to fund other ESAs.

(h) Nothing in this article requires that an ESA student must be enrolled, full or part-time, in either a private school or nonpublic online school.
§18-31-4. Application for an Education Savings Account.

(a) A parent may apply to the Treasurer to establish an ESA for an eligible student at any point on or after July 1, 2020. The household income of an eligible student shall be less than $150,000 per year to qualify for the education savings account program. For purposes of this article, the household income shall be the adjusted gross income claimed for federal income tax purposes by the biological parent or parents, legal guardian or guardians, custodian or custodians, or person or persons with legal authority to act on behalf of an eligible student plus any income of the eligible student. The Treasurer shall develop a process for verifying the income of any applicant for the ESA.

(b) The Treasurer shall accept and approve applications year-round and shall establish procedures for approving applications in an expeditious manner.

(c) The Treasurer shall create a standard form that parents can submit to establish their student’s eligibility for the ESA Program and shall ensure that the application is readily available and may be submitted through various sources, including the Internet.

(d) The Treasurer shall approve an application for an ESA if:

1. The parent submits an application for an ESA in accordance with any application procedures established by the Treasurer;
2. The student on whose behalf the parent is applying is an eligible student;
3. Funds are available for the ESA: Provided, That if insufficient funding is available, priority shall be given to approving applications meeting the requirements of this subsection that were submitted first; and
4. The parent signs an agreement with the Treasurer, promising:
   A. To provide an education for the eligible student in at least the subjects of reading, language, mathematics, science, and social studies;
   B. Not to enroll the ESA student, full-time, in a district school, an Innovation in Education School, the West Virginia Virtual School, or a West Virginia School for the Deaf and Blind;

(2) For an ESA student who chooses an individualized instructional program, he or she has annually taken a nationally normed standardized test of academic achievement and received a score within or above the fourth stanine or if below the fourth stanine, shown improvement from the previous year’s results; or a certified teacher conducts a review of the student’s academic work and determines that the student is making academic progress commensurate with his or her age and ability and reports the results to the county board in which the student resides no later than July 30.

(g) Upon notice to the Treasurer, an ESA student may choose to stop receiving ESA funding and enroll full-time in a public school.

(h) Enrolling as a full-time student in a public school shall result in the immediate suspension of payment of additional funds into and closure of the student’s ESA.

(i) If an eligible student decides to return to the ESA Program, they must reapply.

(j) The Treasurer may adopt rules and policies to provide the least disruptive process for
§18-31-5. Responsibilities of the Treasurer.

In addition to the Treasurer’s duties, obligations, and authority stated in other parts of this article, the Treasurer has the following duties, obligations, and authority:

(1) The Treasurer shall maintain an updated list of participating schools and shall ensure that the list is publicly available through various sources, including the Internet.

(2) The Treasurer shall provide parents with a written explanation of the allowable uses of ESA funds, the responsibilities of parents, the duties of the Treasurer and the role of any private financial management firms or other private organizations that the Treasurer may contract with to administer the ESA Program or any aspect of the ESA Program.

(3) The Treasurer shall ensure that parents of students with a disability receive notice that participation in the ESA Program is a parental placement under 20 U.S.C. § 1412 of the Individuals with Disabilities Education Act (IDEA) along with an explanation of the rights that parentally placed students possess under (IDEA) and any applicable state laws and regulations.

(4) The Treasurer shall contract with private organizations to administer the ESA Program. This includes, but is not limited to, private financial management firms to manage ESAs.

(5) The Treasurer may deduct an amount from education savings accounts to cover the costs of administering the ESA Program, up to a maximum of three percent annually.

(6) The Treasurer shall implement or contract with a private organization to implement a commercially viable, cost effective, and parent-friendly system for payment for services from ESAs to education service providers by electronic or online funds transfer and by debit card. The Treasurer shall not adopt a system that relies exclusively on requiring parents to be reimbursed for out-of-pocket expenses, but rather shall provide maximum flexibility to parents by facilitating direct payments to education service providers as well as requests for preapproval of and reimbursements for qualifying expenses.

(7) The Treasurer shall also seek to implement a commercially viable, cost-effective, and
parent-friendly system for publicly rating, reviewing, and sharing information about education
service providers, ideally as part of the same system that facilitates the electronic or online funds
transfers so as to create a one-stop-shop for parents and ESA students.

(8) If an education service provider requires partial payment of tuition or fees prior to the
start of the academic year to reserve space for an ESA student admitted to the education service
provider, such partial payment may be paid by the Treasurer prior to the start of the school year
in which the ESA is awarded, and deducted in an equitable manner from subsequent ESA
deposits to ensure adequate funds remain available throughout the school year; but if an ESA
student decides not to use the education service provider, the partial reservation payment must
be returned to the Treasurer by such education service provider and credited to the student’s
ESA.

(9) The Treasurer shall continue making deposits into a student’s ESA until:

(A) The Treasurer determines that the ESA student is no longer an eligible student;

(B) The Treasurer determines that there was substantial misuse of the funds in the ESA;

(C) The parent or ESA student withdraws from the ESA Program;

(D) The ESA student enrolls full-time in a public school; or

(E) The ESA student completes a secondary education program.

(10) The Treasurer shall have the authority to conduct or contract for the auditing of
individual ESAs, and shall, at a minimum, conduct random audits of ESAs on an annual basis.

(11) The Treasurer shall have the authority to make any parent or ESA student ineligible
for the ESA Program in the event of intentional and substantial misuse of ESA funds.

(A) The Treasurer shall create procedures to ensure that a fair process exists to determine
whether an intentional and substantial misuse of ESA funds has occurred.

(B) The Treasurer shall have the authority to refer suspected cases of intentional and
substantial misuse of ESA funds to the Attorney General for investigation if evidence of fraudulent
use of ESA funds is obtained.
(C) A parent or ESA student may appeal the Treasurer’s decision to make a parent or ESA student ineligible for the ESA Program.

(12) The Treasurer may bar an education service provider from accepting payments from ESAs if the Treasurer determines that the education service provider has:

(A) Intentionally and substantially misrepresented information or failed to refund any overpayments in a timely manner; or

(B) Routinely failed to provide students with promised educational goods or services.

(13) The Treasurer shall create procedures to ensure that a fair process exists to determine whether an education service provider may be barred from receiving payment from ESAs.

(A) If the Treasurer bars an education service provider from receiving payments from ESAs, it shall notify parents and ESA students of its decision as quickly as possible.

(B) Education service providers may appeal the Treasurer’s decision to bar them from receiving payments from ESAs.

(14) The Treasurer may accept gifts and grants from any source to cover administrative costs, to inform the public about the ESA Program, or to fund additional ESAs.

(15) The Treasurer may adopt rules and policies that are not inconsistent with this article and that are necessary for the administration of this article, including:

(A) Establishing or contracting for the establishment of an online anonymous fraud reporting service;

(B) Establishing an anonymous telephone hotline for fraud reporting;

(C) Policies that require a surety bond for education service providers receiving more than $100,000 in ESA funds;

(D) Procedures for refunding payments from education service providers back to ESAs;

and

(E) Procedures for entering into reciprocal agreements with other state ESA agencies or
entities, whether public or private, to recognize and allow education service providers approved in other states to receive payments from ESAs under this article.

(16) Any rules or policies adopted by the Treasurer should avoid excessive bureaucracy and overly prescriptive mandates and instead focus on easing parental involvement and encouraging education service providers to provide parents and ESA students with a broad array of educational options.

(a) There is created the Parent Review Committee to assist the Treasurer in determining whether questionable expenditures meet the requirements to be considered qualifying expenses to educate the ESA student pursuant to §18-31-3(b) of this code, and to provide recommendations to the Treasurer about how to implement, administer, and improve the ESA Program.

(b) (1) The Parent Review Committee:

(A) Consists of seven members who are parents of ESA students and represent no fewer than four counties in the state; and

(B) Shall include four members appointed by the Governor and three members appointed by the Treasurer all of whom shall serve for one calendar year and may be reappointed; and

(2) The State Treasurer, or the director’s designee, serves as the nonvoting chair of the committee.

(c) The Treasurer may request the committee to meet, in person or virtually, to determine whether an expenditure of ESA funds is or was a qualifying expense to educate an ESA student pursuant to §18-31-3(b) of this code. The committee may deny or approve questionable expenditures by a majority vote.

(d) The Treasurer may also request the committee to meet, in person or virtually, to review appeals of education service provider denials pursuant to §18-31-7 of this code, and to provide a recommendation to the Treasurer as to whether an education service provider should be allowed to receive, or continue receiving, payments from ESAs.
§18-31-7. Requirements for and rights of education service providers.

(a) To be eligible to accept payments from an ESA, an education service provider shall:

(1) Submit notice to the Treasurer that they wish to participate in the ESA Program;

(2) Provide parents with a receipt for all qualifying educational expenses;

(3) Agree not to refund, rebate, or share ESA funds with parents or ESA students in any manner, except that funds may be remitted or refunded to an ESA in accordance with procedures established by the Treasurer;

(4) Certify that it will not discriminate on any basis prohibited by any federal law for any purpose; and

(5) Agree to submit any employee who will have contact with ESA students to a criminal background check.

(b) This article does not limit the independence or autonomy of an education service provider or makes the actions of an education service provider the actions of the state government.

(c) Education service providers shall be given maximum freedom to provide for the educational needs of ESA students without governmental control.

(d) This article does not expand the regulatory authority of the state, its officers, or any school district to impose any additional regulation of education service providers beyond those necessary to enforce the requirements of the program.

§18-31-8. Responsibilities of resident school districts.

The resident school district or school district in which the student was last enrolled, as applicable, shall provide an education service provider that has enrolled an ESA student with a complete copy of the student’s school records, while complying with the Family Educational Rights and Privacy Act of 1974 (20 USC Section 1232 g).

§18-31-9. Legal proceedings.

(a) In any legal proceeding challenging the application of this article to a participating
entity, the state bears the burden of establishing that the challenged action, rule, or requirement is necessary and does not impose any undue burden on education service providers.

(b) No liability arises on the part of the Treasurer or the state or of any county school district based on the award or use of an ESA awarded pursuant to this article.

(c) If any part of this article is challenged in a state court as violating either the state or federal constitutions, parents of eligible and/or ESA students are permitted to intervene in the lawsuit for the purposes of defending the article’s constitutionality. However, for the purposes of judicial administration, a court may limit the number of parents permitted to intervene or require that all parents file a joint brief, so long as they are not required to join any brief filed on behalf of any named state defendant.
