11 hospital and surgical insurance coverage or individual or group major medical insurance coverage

12 or group prescription drug coverage in which the spouse or dependent is the named insured or
13 certificate holder. For the purposes of this section, “dependent” includes an eligible employee's
14 unmarried child or stepchild under the age of 25 if that child or stepchild meets the definition of a
15 “qualifying child” or a “qualifying relative” in Section 152 of the Internal Revenue Code. The
16 director may require proof regarding spouse and dependent primary coverage and shall adopt
17 rules governing the nature, discontinuance and resumption of any employee's coverage for his or
18 her spouse and dependents.

19 (c) *Continuation after termination.* — If an employee participating in the plan is terminated
20 from employment involuntarily or in reduction of work force, the employee’s insurance coverage
21 provided under this article shall continue for a period of three months at no additional cost to the
22 employee and the employer shall continue to contribute the employer's share of plan premiums
23 for the coverage. An employee discharged for misconduct shall not be eligible for extended
24 benefits under this section. Coverage may be extended up to the maximum period of three
25 months, while administrative remedies contesting the charge of misconduct are pursued. If the
26 discharge for misconduct be upheld, the full cost of the extended coverage shall be reimbursed
27 by the employee. If the employee is again employed or recalled to active employment within
28 twelve months of his or her prior termination, he or she shall not be considered a new enrollee
29 and may not be required to again contribute his or her share of the premium cost, if he or she had
30 already fully contributed such share during the prior period of employment.

31 (d) *Conversion of accrued annual and sick leave for extended insurance coverage upon*
32 *retirement for employees who elected to participate in the plan before July, 1988.* — Except as
33 otherwise provided in subsection (g) of this section, when an employee participating in the plan,
34 who elected to participate in the plan before July 1, 1988, is compelled or required by law to retire
35 before reaching the age of 65, or when a participating employee voluntarily retires as provided by
36 law, that employee's accrued annual leave and sick leave, if any, shall be credited toward an
37 extension of the insurance coverage provided by this article, according to the following formulae:

38 The insurance coverage for a retired employee shall continue one additional month for every two
39 days of annual leave or sick leave, or both, which the employee had accrued as of the effective
40 date of his or her retirement. For a retired employee, his or her spouse and dependents, the
41 insurance coverage shall continue one additional month for every three days of annual leave or
42 sick leave, or both, which the employee had accrued as of the effective date of his or her
43 retirement.

44 (e) *Conversion of accrued annual and sick leave for extended insurance coverage upon*
45 *retirement for employees who elected to participate in the plan after June, 1988. —*

46 Notwithstanding subsection (d) of this section, and except as otherwise provided in subsections
47 (g) and (l) of this section, when an employee participating in the plan who elected to participate
48 in the plan on and after July 1, 1988, is compelled or required by law to retire before reaching the
49 age of 65, or when the participating employee voluntarily retires as provided by law, that
50 employee's annual leave or sick leave, if any, shall be credited toward one-half of the premium
51 cost of the insurance provided by this article, for periods and scope of coverage determined
52 according to the following formulae: (1) One additional month of single retiree coverage for every
53 two days of annual leave or sick leave, or both, which the employee had accrued as of the
54 effective date of his or her retirement; or (2) one additional month of coverage for a retiree, his or
55 her spouse and dependents for every three days of annual leave or sick leave, or both, which the
56 employee had accrued as of the effective date of his or her retirement. The remaining premium
57 cost shall be borne by the retired employee if he or she elects the coverage. For purposes of this
58 subsection, an employee who has been a participant under spouse or dependent coverage and
59 who reenters the plan within 12 months after termination of his or her prior coverage shall be
60 considered to have elected to participate in the plan as of the date of commencement of the prior
61 coverage. For purposes of this subsection, an employee shall not be considered a new employee
62 after returning from extended authorized leave on or after July 1, 1988.

63 (f) *Increased retirement benefits for retired employees with accrued annual and sick leave.*

64 — In the alternative to the extension of insurance coverage through premium payment provided
65 in subsections (d) and (e) of this section, the accrued annual leave and sick leave of an employee
66 participating in the plan may be applied, on the basis of two days' retirement service credit for
67 each one day of accrued annual and sick leave, toward an increase in the employee's retirement
68 benefits with those days constituting additional credited service in computation of the benefits
69 under any state retirement system: *Provided*, That for a person who first becomes a member of
70 the Teachers Retirement System as provided in §18-7A-1 *et seq.* of this code on or after July 1,
71 2015, accrued annual and sick leave of an employee participating in the plan may not be applied
72 for retirement service credit. However, the additional credited service shall not be used in meeting
73 initial eligibility for retirement criteria, but only as additional service credited in excess thereof.

74 (g) *Conversion of accrued annual and sick leave for extended insurance coverage upon*
75 *retirement for certain higher education employees.* – Except as otherwise provided in subsection
76 (l) of this section, when an employee, who is a higher education full-time faculty member
77 employed on an annual contract basis other than for 12 months, is compelled or required by law
78 to retire before reaching the age of 65, or when such a participating employee voluntarily retires
79 as provided by law, that employee's insurance coverage, as provided by this article, shall be
80 extended according to the following formulae: The insurance coverage for a retired higher
81 education full-time faculty member, formerly employed on an annual contract basis other than for
82 12 months, shall continue beyond the effective date of his or her retirement one additional year
83 for each three and one-third years of teaching service, as determined by uniform guidelines
84 established by the University of West Virginia Board of Trustees and the board of directors of the
85 state college system, for individual coverage, or one additional year for each five years of teaching
86 service for family coverage.

87 (h) Any employee who retired prior to April 21, 1972, and who also otherwise meets the
88 conditions of the "retired employee" definition in section two of this article, shall be eligible for
89 insurance coverage under the same terms and provisions of this article. The retired employee's

90 premium contribution for any such coverage shall be established by the finance board.

91 (i) *Retiree participation.* — All retirees under the provisions of this article, including those
92 defined in section two of this article; those retiring prior to April 21, 1972; and those hereafter
93 retiring are eligible to obtain health insurance coverage. The retired employee's premium
94 contribution for the coverage shall be established by the finance board.

95 (j) *Surviving spouse and dependent participation.* — A surviving spouse and dependents
96 of a deceased employee, who was either an active or retired employee participating in the plan
97 just prior to his or her death, are entitled to be included in any comprehensive group health
98 insurance coverage provided under this article to which the deceased employee was entitled, and
99 the spouse and dependents shall bear the premium cost of the insurance coverage. The finance
100 board shall establish the premium cost of the coverage.

101 (k) *Elected officials.* — In construing the provisions of this section or any other provisions
102 of this code, the Legislature declares that it is not now nor has it ever been the Legislature's intent
103 that elected public officials be provided any sick leave, annual leave or personal leave, and the
104 enactment of this section is based upon the fact and assumption that no statutory or inherent
105 authority exists extending sick leave, annual leave or personal leave to elected public officials and
106 the very nature of those positions preclude the arising or accumulation of any leave, so as to be
107 thereafter usable as premium paying credits for which the officials may claim extended insurance
108 benefits.

109 (l) *Participation of certain former employees.* — An employee, eligible for coverage under
110 the provisions of this article who has 20 years of service with any agency or entity participating in
111 the public employees insurance program or who has been covered by the public employees
112 insurance program for twenty years may, upon leaving employment with a participating agency
113 or entity, continue to be covered by the program if the employee pays 105 percent of the cost of
114 retiree coverage: *Provided*, That the employee shall elect to continue coverage under this
115 subsection within two years of the date the employment with a participating agency or entity is

116 terminated: Provided, further That if an employee, eligible for coverage under the provisions of
117 this article, is a member of the Teachers Retirement System as defined in §18-7A-1 et seq. of this
118 code on or after July 1, 2019, that employee's accrued sick leave, if any, shall be credited toward
119 the premium cost of the insurance provided by this article for one additional month of coverage
120 for the retiree and his or her dependents for every 10 days of sick leave which the employee had
121 accrued as of the effective date of his or her retirement.

122 (m) *Prohibition on conversion of accrued annual and sick leave for extended coverage*
123 *upon retirement for new employees who elect to participate in the plan after June, 2001. — Any*
124 *employee hired on or after July 1, 2001, who elects to participate in the plan may not apply*
125 *accrued annual or sick leave toward the cost of premiums for extended insurance coverage upon*
126 *his or her retirement. This prohibition does not apply to the conversion of accrued annual or sick*
127 *leave for increased retirement benefits, as authorized by this section: Provided, That any person*
128 *who has participated in the plan prior to July 1, 2001, is not a new employee for purposes of this*
129 *subsection if he or she becomes reemployed with an employer participating in the plan within two*
130 *years following his or her separation from employment and he or she elects to participate in the*
131 *plan upon his or her reemployment.*

19 provisions of §33-14-1 *et seq.* through §33-16-1 *et seq.* of this code are in conflict with or contrary
20 to any provision set forth in this article or to any plan or plans established by the Public Employees
21 Insurance Agency.

22 ~~Any plan established or administered by the Public Employees Insurance Agency~~
23 ~~pursuant to this article is exempt from the provisions of chapter thirty-three of this code unless~~
24 ~~explicitly stated. Notwithstanding any provision of this code to the contrary, the Public Employees~~
25 ~~Insurance Agency is not an insurer or engaged in the business of insurance as defined in chapter~~
26 ~~thirty-three of this code.~~

27 Employers, other than the State of West Virginia, its boards, agencies, commissions,
28 departments, institutions, spending units, ~~or~~ and a county board of education are exempt from
29 participating in the insurance program provided for by the provisions of this article unless
30 participation by the employer has been approved by a majority vote of the employer's governing

31 body. It is the duty of the clerk or secretary of the governing body of an employer who by majority
32 vote becomes a participant in the insurance program to notify the director not later than 10 days
33 after the vote.

34 Any employer, whether the employer participates in the Public Employees Insurance
35 Agency insurance program as a group or not, which has retired employees, their dependents or
36 surviving dependents of deceased retired employees who participate in the Public Employees
37 Insurance Agency insurance program as authorized by this article, shall pay to the agency the
38 same contribution toward the cost of coverage for its retired employees, their dependents or
39 surviving dependents of deceased retired employees as the State of West Virginia, its boards,
40 agencies, commissions, departments, institutions, spending units, or a county board of
41 education pay for their retired employees, their dependents and surviving dependents of
42 deceased retired employees, as determined by the finance board: *Provided*, That after June 30,
43 1996, an employer not mandated to participate in the plan is only required to pay a contribution
44 toward the cost of coverage for its retired employees, their dependents or the surviving
45 dependents of deceased retired employees who elect coverage when the retired employee
46 participated in the plan as an active employee of the employer for at least five years: *Provided*,
47 *however*, That those retired employees of an employer not participating in the plan who retire on
48 or after July 1, 2010, who have participated in the plan as active employees of the employer for
49 less than five years are responsible for the entire premium cost for coverage and the Public
50 Employees Insurance Agency shall bill for and collect the entire premium from the retired
51 employees, unless the employer elects to pay the employer share of the premium. Each employer
52 is hereby authorized and required to budget for and make such payments as are required by this
53 section.

CHAPTER 11. TAXATION.

ARTICLE 8. LEVIES.

§11-8-6f. Regular school board levy rate; creation and implementation of Growth County School Facilities Act; creation of Growth County School Facilities Act Fund.

1 (a) Notwithstanding any other provision of law except §11-8-6f(c) of this code, where any
2 annual appraisal, triennial appraisal, or general valuation of property would produce a statewide
3 aggregate assessment that would cause an increase of two percent or more in the total property
4 tax revenues that would be realized were the then current regular levy rates of the county boards
5 of education to be imposed, the rate of levy for county boards of education shall be reduced
6 uniformly statewide and proportionately for all classes of property for the forthcoming tax year so
7 as to cause the rate of levy to produce no more than 102 percent of the previous year's projected
8 statewide aggregate property tax revenues from extending the county board of education levy
9 rate, unless subsection (b) of this section is complied with. The reduced rates of levy shall be
10 calculated in the following manner: (1) The total assessed value of each class of property as it is
11 defined by section five of this article for the assessment period just concluded shall be reduced
12 by deducting the total assessed value of newly created properties not assessed in the previous
13 year's tax book for each class of property; (2) the resulting net assessed value of Class I property
14 shall be multiplied by .01; the value of Class II by .02; and the values of Classes III and IV, each
15 by .04; (3) total the current year's property tax revenue resulting from regular levies for the boards
16 of education throughout this state and multiply the resulting sum by one hundred two percent:
17 *Provided*, That the 102 percent figure shall be increased by the amount the boards of education's
18 increased levy provided for in subsection (b), section eight, article one-c of this chapter; (4) divide
19 the total regular levy tax revenues, thus increased in subdivision (3) of this subsection, by the
20 total weighted net assessed value as calculated in subdivision (2) of this subsection and multiply
21 the resulting product by 100; the resulting number is the Class I regular levy rate, stated as cents-
22 per-100 of assessed value; and (5) the Class II rate is two times the Class I rate; Classes III and
23 IV, four times the Class I rate as calculated in the preceding subdivision.

24 An additional appraisal or valuation due to new construction or improvements, including

25 beginning recovery of natural resources, to existing real property or newly acquired personal
26 property shall not be an annual appraisal or general valuation within the meaning of this section,
27 nor shall the assessed value of the improvements be included in calculating the new tax levy for
28 purposes of this section. Special levies shall not be included in any calculations under this section.

29 (b) After conducting a public hearing, the Legislature may, by act, increase the rate above
30 the reduced rate required in subsection (a) of this section if an increase is determined to be
31 necessary.

32 (c) Beginning with the 2020 fiscal year and the 2019 tax year, §11-8-6f(a) and (b) of this
33 code expire and the regular levy rates for the county boards of education shall be the following:
34 (1) For Class I property, 19.4 cents per \$100; (2) for Class II property, 38.8 cents per \$100; and
35 (3) for Class III and Class IV property, 77.6 cents per \$100: *Provided, That, annually, county*
36 boards of education may increase their regular levy rates through a majority vote of their members
37 up to the sum of the levy rates set forth in subdivisions (1), (2), and (3), section six-c of this article
38 for each class of property, which are: (1) For Class I property, 22.95 cents per \$100; (2) for Class
39 II property, 45.9 cents per \$100; and (3) for Class III and Class IV property, 91.8 cents per \$100.

40 ~~(e)~~ (d) The State Tax Commissioner shall report to the Joint Committee on Government
41 and Finance and the Legislative Oversight Commission on Education Accountability by March 1
42 of each year on the progress of assessors in each county in assessing properties at the
43 Constitutionally required 60 percent of market value and the effects of increasing the limit on the
44 increase in total property tax revenues set forth in this section to two percent.

45 ~~(d)~~ (e) *Growth County School Facilities Act. — Legislative findings. —*

46 The Legislature finds and declares that there has been, overall, a statewide decline in
47 enrollment in the public schools of this state; due to this decline, most public schools have ample
48 space for students, teachers, and administrators; however, some counties of this state have
49 experienced significant increases in enrollment due to significant growth in those counties; that
50 those counties experiencing significant increases do not have adequate facilities to accommodate

51 students, teachers, and administrators. Therefore, the Legislature finds that county boards of
52 education in those high-growth counties should have the authority to designate revenues
53 generated from the application of the regular school board levy due to new construction or
54 improvements placed in a Growth County School Facilities Act Fund be used for school facilities
55 in those counties to promote the best interests of this state's students.

56 (1) For the purposes of this subsection, "growth county" means any county that has
57 experienced an increase in second month net enrollment of 50 or more during any three of the
58 last five years, as determined by the state Department of Education.

59 (2) The provisions of this subsection shall only apply to any growth county, as defined in
60 subdivision (1) of this subsection, that, by resolution of its county board of education, chooses to
61 use the provisions of this subsection.

62 (3) For any growth county, as defined in subdivision (1) of this subsection, that adopts a
63 resolution choosing to use the provisions of this subsection, pursuant to subdivision (2) of this
64 subsection, assessed values resulting from additional appraisal or valuation due to new
65 construction or improvements to existing real property shall be designated as new property values
66 and identified by the county assessor. The statewide regular school board levy rate as established
67 by the Legislature shall be applied to the assessed value designated as new property values and
68 the resulting property tax revenues collected from application of the regular school board levy rate
69 shall be placed in a separate account designated as the Growth County School Facilities Act
70 Fund. Revenues deposited in the Growth County School Facilities Act Fund shall be appropriated
71 by the county board of education for construction, maintenance or repair of school facilities.
72 Revenues in the fund may be carried over for an indefinite length of time and may be used as
73 matching funds for the purpose of obtaining funds from the School Building Authority or for the
74 payment of bonded indebtedness incurred for school facilities. For any growth county choosing
75 to use the provisions of this subsection, estimated school board revenues generated from
76 application of the regular school board levy rate to new property values are not to be considered

77 as local funds for purposes of the computation of local share under the provisions of §18-9A-11
78 of this code.

79 ~~(e)~~ (f) This section, as amended during the legislative session in the year 2004, shall be
80 effective as to any regular levy rate imposed for the county boards of education for taxes due
81 and payable on or after July 1, 2004. If any provision of this section is held invalid, the invalidity
82 shall not affect other provisions or applications of this section which can be given effect without
83 the invalid provision or its application and to this end the provisions of this section are declared
84 to be severable.

ARTICLE 21. PERSONAL INCOME TAX.

§11-21-25. Education expenses tax credits.

1 (a) Credit allowed. — For those tax years beginning on or after January 1, 2019, there is
2 allowed a nonrefundable credit for expenses incurred for the purchase of supplementary
3 education materials or professional development costs incurred by a classroom teacher employed
4 by a public or private school.

5 (b) Amount of credit. — A classroom teacher employed by a public or private school may
6 claim a tax credit not to exceed \$250.

7 (c) Qualifying educational expenses. — Qualifying expenses include costs relating to
8 computer equipment including education-related software and services, textbooks, workbooks,
9 curricula and other written or supplementary materials used for curricular, cocurricular, or extra-
10 curricular instruction and expenses for curricular or cocurricular activities.

11 (d) Unused credit. — If any credit remains after application of §11-21-25(c) of this code,
12 that amount is forfeited. A carryback to a prior taxable year is not allowed for the amount of any
13 unused portion of any annual credit allowance.

CHAPTER 18. EDUCATION.

ARTICLE 1. DEFINITIONS; LIMITATIONS OF CHAPTER; GOALS FOR EDUCATION.

§18-1-5. Non-severability.

1 If any provision of this Act, passed during the regular session, 2019, is held invalid, then,
2 notwithstanding any other provision of law, every other provision of this Act shall be deemed
3 invalid and of no further force and effect.

ARTICLE 2E. HIGH QUALITY EDUCATIONAL PROGRAMS.

ARTICLE 5. COUNTY BOARD OF EDUCATION.

§18-5-16. Student transfers; definitions; ~~legislative findings~~; appeals; calculating net enrollment; fees for transfer.

1 ~~(a) County districts and school attendance.~~ — Establishment of attendance zones within
2 counties. — The county board ~~may divide~~ shall establish attendance zones within the county into
3 ~~such districts as are necessary to determine~~ to designate the schools ~~the~~ that its resident students
4 ~~of its county~~ shall attend. Upon the written request of any parent or guardian, or person legally
5 responsible for any student, or for reasons affecting the best interests of the schools, the
6 superintendent may transfer students from one school to another within the county. Any
7 aggrieved person may appeal the decision of the county superintendent to the county board, and
8 the decision of the county board ~~shall be~~ is final.

9 ~~(b) Transfers between counties; legislative findings~~ —

10 ~~(1) Transfers of students from one county to another may be made by the county board of~~
11 ~~the county in which the student desiring to be transferred resides. The transfer shall be subject to~~
12 ~~the approval of both the board of the county in which the student resides and the board to which~~
13 ~~the student wishes to be transferred.~~

14 ~~(2) Legislative findings.~~ — ~~Over the past several years, counties have been forced to close~~
15 ~~a number of schools because of declining student enrollment. School officials predict that an~~
16 ~~additional eighteen percent loss in enrollment may occur between 2002 and 2012. This continued~~
17 ~~decrease in the number of students enrolled in the public schools of the state may result in more~~

18 instances of consolidation which will increase the problem of long bus rides for students if they
19 remain in a school in their county of residence.

20 Therefore the Legislature makes the following findings:

21 (A) County lines may impede the effective and efficient delivery of education services;

22 (B) Students often must endure long bus rides to a school within their county of residence
23 when a school in an adjacent county is a fraction of the distance away;

24 (C) The wishes of parents or guardians to have their children transferred to a county other
25 than their county of residence should be considered by the county boards; and

26 (D) Where counties cannot agree, it is necessary to establish a process to determine when
27 transfers are appropriate.

28 (3) The state board shall establish a process whereby a parent or guardian of a student
29 may appeal the refusal of a county board to enter into an agreement to transfer or accept the
30 transfer of the student.

31 (A) The process shall designate the state superintendent to hear the appeal. In
32 determining whether to overturn a decision of a county board, the state superintendent shall
33 consider such factors as the following:

34 (i) Travel time for the student;

35 (ii) Impact on levies or bonds;

36 (iii) Other financial impact on the county of residence; and

37 (iv) Such other factors as the state superintendent may determine.

38 (B) If, during the appeal process, the state superintendent discovers that the education
39 and the welfare of students in the transferring county could be enhanced, the state superintendent
40 may direct that students may be permitted to attend a school in another county.

41 (C) If multiple appeals are received from the same geographical area of a county, the state
42 superintendent may impose on the receiving county restrictions including, but not limited to,
43 requiring the receiving county to accept all students in that geographical area of the sending

44 ~~county who wish to transfer to the receiving county.~~

45 ~~(D) If a student is transferred on either a full-time or a part-time basis without the~~
46 ~~agreement of both boards by official action as reflected in the minutes of their respective meetings~~
47 ~~and if the student's parent or guardian fails to appeal or loses the appeal under the process~~
48 ~~established in subdivision (3) of this subsection, the student shall be counted only in the net~~
49 ~~enrollment of the county in which the student resides.~~

50 ~~(4) If, after two county boards have agreed to a transfer arrangement for a student, that~~
51 ~~student chooses to return to a school in his or her county of residence after the second month of~~
52 ~~any school year, the following shall apply:~~

53 ~~(A) The county of residence may issue an invoice to the county from which the student~~
54 ~~transferred for the amount, determined on a pro rata basis, that the county of residence otherwise~~
55 ~~would have received under the state basic foundation program established in article nine-a [§§~~
56 ~~18-9A-1 et seq.] of this chapter; and~~

57 ~~(B) The county from which the student transferred shall reimburse the county of residence~~
58 ~~for the amount of the invoice.~~

59 ~~(c) *Transfers between high schools.* --- In any county where a high school is maintained,~~
60 ~~but topography, impassable roads, long bus rides, or other conditions prevent the practicable~~
61 ~~transportation of any students to such high school, the board may transfer them to a high school~~
62 ~~in an adjoining county. In any such case, the county boards may enter into an agreement providing~~
63 ~~for the payment of the cost of transportation, if any, of the students.~~

64 ~~(1) *Definitions.* – For the purposes of this section, unless a different meaning clearly~~
65 ~~appears from the context:~~

66 ~~“Nonresident student” means a student who resides in this state and who is enrolled in or~~
67 ~~is seeking enrollment in a school district other than the school district in which the student resides.~~

68 ~~“Open enrollment” means a policy adopted and implemented by a county board to allow~~
69 ~~nonresident students to enroll in any school within the district pursuant to subsection (a) of this~~

70 section. Open enrollment is distinct from a mutual agreement of two county boards regarding
71 mass transfer of students, as contemplated in §18-5-13(f)(1)(C) of this code.

72 (2) Enrollment policies. – County boards may establish and implement an open enrollment
73 policy without charging tuition and without obtaining approval from the board of the county in
74 which a student resides and transfers. These policies shall clearly articulate any admission
75 criteria, application procedures, transportation provisions, timelines for open enrollment periods,
76 and restrictions on transfers due to building capacity constraints.

77 (A) A county board may give enrollment preference to:

78 (i) Siblings of students already enrolled through the open enrollment policy;

79 (ii) Secondary students who have completed tenth grade and, due to family relocation,
80 become nonresident students, but express the desire to remain in a specific school to complete
81 their education;

82 (iii) Students who are children, grandchildren, or legal wards of employees;

83 (iv) Students whose legal residences, though geographically within another county, are
84 more proximate to a school within the receiving county, whether calculated by miles or
85 transportation time; and

86 (v) Students who reside in a portion of a county where topography, impassable roads, long
87 bus rides, or other conditions prevent the practicable transportation of the student to a school
88 within the county, and a school within a contiguous county is more easily accessible.

89 (B) A county must comply with all enrollment requirements for children who are in foster
90 care or who meet the definition of unaccompanied youth prescribed in the McKinney-Vento
91 Homeless Assistance Act (42 U.S.C. §11434a(6)).

92 (C) The county board for the county educating the nonresident student may provide an
93 adequate means of transportation to nonresident students when students have complied with the
94 procedure for obtaining authorization to attend school outside their county of residence.

95 (i) County boards of education are not required to uniformly provide nonresident student

96 transportation, and may consider whether a nonresident student meets the eligibility criteria for
97 free or reduced price lunches and milk established within the Richard B. Russell National School
98 Lunch Act (42 U.S.C. §1758).

99 (ii) The county board for the county educating the nonresident student shall provide
100 transportation to and from the school of attendance, or to and from an agreed pickup point on a
101 regular transportation route, or for the total miles traveled each day for the nonresident student to
102 reach the school of enrollment if the nonresident student with disabilities has an individualized
103 education program that specifies that transportation is necessary for fulfillment of the program.

104 (3) Appeal. – The state board of education shall establish a process whereby a parent or
105 guardian of a student may appeal the refusal of a county board to accept the transfer of the
106 student. If during the appeal process, the State Superintendent discovers that the education and
107 the welfare of the student could be enhanced, the State Superintended may direct that the student
108 may be permitted to attend a school in the receiving county.

109 (4) Net enrollment. – For purposes of net enrollment as defined in §18-9A-2 of this code,
110 whenever a student is transferred on a full-time basis from one school district to another district
111 pursuant to the provisions of this section, the county to which the student is transferred shall
112 include the student in its net enrollment.

113 (A) If, after transferring to another county, a student chooses to return to a school in his or
114 her county of residence after the second month of any school year, the following applies:

115 (i) The county of residence may issue an invoice to the county from which the student
116 transferred for the amount, determined on a pro rata basis, that the county of residence otherwise
117 would have received under the state basic foundation program established in § 18-9A-1 et seq.
118 of this code; and

119 (ii) The county from which the student transferred shall reimburse the county of residence
120 for the amount of the invoice.

121 (c) ~~Transfers between high schools.~~ -- In any county where a high school is maintained,

122 ~~but topography, impassable roads, long bus rides, or other conditions prevent the practicable~~
123 ~~transportation of any students to such high school, the board may transfer them to a high school~~
124 ~~in an adjoining county. In any such case, the county boards may enter into an agreement providing~~
125 ~~for the payment of the cost of transportation, if any, of the students.~~

126 ~~(d)~~ (b) *Transfers between states.* — Transfer of students from this state to another state
127 shall be upon such terms, including payment of tuition, as shall be mutually agreed upon by the
128 board of the ~~transferring~~ receiving county and the authorities of the school ~~to~~ or district from which
129 the transfer is made.

130 ~~(e)~~ (c) No parent, guardian, or person acting as parent or guardian ~~shall be~~ is required to
131 pay for the transfer of a student or for the tuition of the student after the transfer when ~~such~~ the
132 transfer is carried out under the terms of this section.

§18-5-16a. Authorization to transfer pupils from one district to another; mandatory transfer; payment of tuition; net enrollment.

1 [Repealed]

§18-5-18a. Maximum teacher-pupil ratio.

1 (a) County boards of education shall provide ~~by the school year 1983-84, and thereafter~~
2 sufficient personnel, equipment and facilities as will ensure that each first ~~and second~~ through
3 sixth grade classroom, or classrooms having two or more grades that include ~~either the first or~~
4 ~~second~~ one or more of the first through sixth grades shall not have more than ~~twenty-five~~ 28 pupils
5 for each teacher of the grade or grades and shall not have more than 20 pupils for each
6 kindergarten teacher per session, unless the State Superintendent has excepted a specific
7 classroom upon application therefor by a county board.

8 ~~County boards shall provide by the school year 1984-85, and continue thereafter, sufficient~~
9 ~~personnel, equipment and facilities as will ensure that each third, fourth, fifth and sixth grade~~
10 ~~classroom, or classrooms having two or more grades that include one or more of the third, fourth,~~
11 ~~fifth and sixth grades, shall not have more than twenty-five pupils for each teacher of the grade~~

12 or grades.

13 ~~Beginning with the school year 1986-87, and thereafter, no county shall maintain a greater~~
14 ~~number of classrooms having two or more grades that include one or more of the grade levels~~
15 ~~referred to in this section than were in existence in said county as of January 1, 1983. *Provided,*~~
16 ~~That for the prior school years, and only if there is insufficient classroom space available in the~~
17 ~~school or county, a county may maintain one hundred ten percent of such number of classrooms.~~

18 ~~(b) During the school year 1984-85, and thereafter, the The State Superintendent is~~
19 ~~authorized, consistent with sound educational policy, (a) to permit on a statewide basis, in grades~~
20 ~~four through six, more than ~~twenty-five~~ 28 pupils per teacher in a classroom for the purposes of~~
21 ~~instruction in physical education, and (b) to permit more than 20 pupils per teacher in a specific~~
22 ~~kindergarten classroom and ~~twenty-five~~ 28 pupils per teacher in a specific classroom in grades~~
23 ~~one through six during a school year in the event of extraordinary circumstances as determined~~
24 ~~by the State Superintendent after application by a county board of education.~~

25 ~~(c) The state board shall establish guidelines for the exceptions authorized in this section,~~
26 ~~but in no event shall the superintendent except classrooms having more than three pupils above~~
27 ~~the pupil-teacher ratio as set forth in this section.~~

28 ~~(d) The requirement for approval of an exception to exceed the 20 pupils per kindergarten~~
29 ~~teacher per session limit or the ~~twenty-five~~ 28 pupils per teacher limit in grades one through six is~~
30 ~~waived in schools where the schoolwide pupil-teacher ratio is ~~twenty-five~~ 28 or less in grades one~~
31 ~~through six: *Provided,* That a teacher shall not have more than three pupils above the~~
32 ~~teacher/pupil ratio as set forth in this section. Any kindergarten teacher who has more than 20~~
33 ~~pupils per session and any classroom teacher of grades one through six who has more than 25~~
34 ~~pupils shall be paid additional compensation based on the affected classroom teacher's average~~
35 ~~daily salary divided by 20 for kindergarten teachers or 25 for teachers of grades one through six~~
36 ~~for every day times the number of additional pupils enrolled up to the maximum pupils permitted~~
37 ~~in the teacher's classroom. All such additional compensation shall be paid from county funds~~

38 exclusively.

39 ~~Notwithstanding any other provision of this section to the contrary, commencing with the~~

49 (g) Each school principal shall assign students equitably among the classroom teachers,
50 taking into consideration reasonable differences due to subject areas and/or grade levels.

51 (h) The state board shall collect from each county board of education information on class
52 size and the number of pupils per teacher for all classes in grades seven through 12. The state
53 board shall report such information to the Legislative Oversight Commission on Education
54 Accountability before January 1, of each year.

9 teachers, and administrators and may use outside referral services, when appropriate, if no
10 additional cost is incurred by the county board.

11 (d) The state board may adopt rules consistent with the provisions of this section that
12 define the role of a school counselor based on the "National Standards for School Counseling
13 Programs" of the American school counselor association. A school counselor is authorized to
14 perform such services as are not inconsistent with the provisions of the rule as adopted by the
15 state board. To the extent that any funds are made available for this purpose, county boards shall
16 provide training for counselors and administrators to implement the rule as adopted by the state
17 board.

18 (e) Each county board shall develop a comprehensive drop-out prevention program
19 utilizing the expertise of school counselors and any other appropriate resources available.

20 (f) School counselors shall be full-time professional personnel, ~~shall spend at least~~

24 students. The primary purpose of this position shall be to support students with their academic,
25 social, and emotional needs.

26 (g) Nothing in this section prohibits a county board from exceeding the provisions of this
27 section, or requires any specific level of funding by the Legislature.

**§18-5-32. Assistant superintendents; directors and supervisors of instruction and other
educational activities.**

1 (a) The county board, upon the recommendation of the county superintendent, may
2 employ an assistant whose term of employment may be not less than one nor more than four
3 years: *Provided, That* his or her term may not extend beyond that of the incumbent county

5 (b) The board may not employ more than one assistant for each 200 teachers or major

14 qualifications required for any assistant superintendent may not be higher than those required for
15 the county superintendent: *Provided, however*, That the rules do not affect the status of any
16 incumbent nor his or her right to succeed himself or herself in his or her assigned position.

17 (f) The county board is authorized to reimburse the employees for their necessary traveling
18 expenses upon presentation of a monthly, itemized, sworn statement approved by the county
19 superintendent.

20 (g) Any person employed under the foregoing provision of this section, provided he or she

§18-5-45a. Further expressions of legislative intent with respect to school calendar; applicability to time lost due to work stoppage or strike; effect on pay.

1 (a) Section 18-5-45 of this code is designed to define the school term both for employees
2 and for instruction. The employment term consists of at least 200 days as provided in the section
3 and, within the employment term, an instructional term for students must consist of at least 180
4 separate instructional days. Section 18-5-45 also defines the minimum length of an instructional
5 day, requires county boards to develop a policy for additional minutes of instruction to recover
6 time lost due to late arrivals and early dismissals, and also allows schools with an instructional
7 day in excess of certain minimums to apply this equivalent instructional time to cancel time lost
8 due to necessary closures and other purposes designed to improve instruction. The use of
9 equivalent time gained to cancel days lost and the use of alternative methods to deliver instruction
10 on canceled days as defined in §18-5-45 of this code constitute instructional days for the purposes
11 of meeting both the 200 day minimum employment term and the 180 day minimum separate
12 instructional day requirements. The Legislature intended with the enactment of these provisions
13 regarding equivalent instructional time and alternative instructional delivery to help improve
14 instruction and lessen the disruption to the planned school calendar if rescheduling and adding
15 instructional days became necessary to make up lost days due to closures pursuant to §18-4-
16 10(5) of this code when conditions are detrimental to the health, safety, or welfare of pupils. The
17 Legislature did not intend with the enactment of these provisions to permit a reduction in of the
18 instructional term for students or of the employment term for personnel when the conditions
19 causing the closure of the school are a concerted work stoppage or strike by the employees. The
20 provisions of §18-5-45 of this code permitting accrued or equivalent instructional time to cancel
21 days lost, and the delivery of instruction through alternative methods, do not apply to and may not
22 be used to cancel days lost due to a concerted work stoppage or strike.

23 (b) When a concerted work stoppage or strike by the employees assigned to a school

24 causes the county superintendent to close the school temporarily, the county board shall withhold
25 the pay of the employees for each day that the school is closed for that cause. The county board
26 shall apply the withheld pay to the employees who subsequently fulfill their assigned duties for
27 the instructional term and the employment term as per their employment contract. The state
28 portion of any funds which are withheld and are not applied for such payment shall be returned to
29 the accounts of the Department of Education for carry-forward in the next fiscal year.

30 (c) If an originally scheduled instructional day is canceled, the school for which the day
31 was canceled may not participate in any interscholastic athletic events during any part of that
32 same day.

§18-5-46. Requiring teacher to change grade prohibited; teacher recommendation relating to promotion.

1 (a) No teacher may be required by a principal or any other person to change a student's
2 grade on either an individual assignment or a report card unless there is clear and convincing
3 evidence that there was a mathematical error in calculating the student's grade.

4 (b) The teacher's recommendation relating to whether or not a student should be promoted
5 to the next grade level shall be a primary consideration when making such a determination.

56 (h) To cover authorizer costs for overseeing public charter schools in accordance with this
57 Act, each public charter school shall remit to its respective authorizer an oversight fee. The
58 oversight fee shall be drawn from and calculated as a uniform percentage of the per student
59 operational funding allocated to each public charter school under §18-5G-13 of this code, not to
60 exceed one percent of each public charter school's per-student funding in a single school year.
61 The state board shall establish a statewide formula for authorizer funding, which shall apply
62 uniformly to every authorizer in the state. The state board may establish a sliding scale for
63 authorizing funding, with the funding percentage decreasing after the authorizer has achieved a
64 certain threshold, such as after a certain number of schools have been authorized or after a
65 certain number of students are enrolled in the authorizer's public charter schools. The state board
66 shall establish a cap on the total amount of funding that an authorizer may withhold from a full-
67 time charter school. The state board shall annually review the effectiveness of the state formula

19 related to appropriate oversight of the virtual charter school; and

66 to the following:

67 (A) If the authorizer is a public or private institution of higher education that has no
68 institutional board of governors, the decision shall be adopted during an open meeting of the
69 institution's level of authority immediately above the president or other chief administrator of the
70 institution; and

71 (B) If the level of authority immediately above the president or other chief administrator is
72 an individual, the open meeting requirement of this subdivision does not apply; and

73 (10) A provision that the failure of the authorizer to act on a renewal application within the
74 designated timeframes shall be deemed.

75 (e) Notwithstanding the process set forth in §18-5G-8(d) of this code, an authorizer shall
76 take immediate action to revoke a charter contract if the health and safety of students attending
77 the public charter school is threatened. A governing board whose charter contract has been
78 revoked pursuant to this provision may appeal the authorizer's action to the West Virginia Public
79 Charter School Commission, subject to the following:

85 may appeal the authorizer's final decision to the West Virginia Public Charter School Commission

86 pursuant to §18-5G-10 of this code: *Provided*, That if the Commission is the authorizer that fails
87 to renew or revokes a charter contract, the Commission's decision is final.

88 (g) An authorizer shall develop a public charter school closure protocol or protocol for

90 notification to parents, orderly transition of students and student records to new schools when
91 applicable, and proper disposition of school funds, property, and assets. The protocol shall specify
92 tasks, timelines, and responsible parties, including delineating the respective duties of the public
93 charter school and the authorizer. If a public charter school closes or transitions to noncharter
94 public school status for any reason, the authorizer shall oversee and work with the closing or
95 transitioning school to ensure a smooth and orderly closure or transition and transition for students
96 and parents, as guided by the closure or school transition protocol. If a public charter school is
97 subject to closure or transition, following exhaustion of any appeal allowed under §18-5G-9 of this
98 code, an authorizer may remove at will at any time any or all of the members of the board of
99 directors of the public charter school in connection with ensuring a smooth and orderly closure or
100 transition. If the authorizer removes members of the board of directors such that the board of
101 directors can no longer function, the authorizer shall be empowered to take any further necessary
102 and proper acts connected with closure or transition of the public charter school in the name and
103 interest of the public charter school.

§18-5G-10. West Virginia Public Charter School Commission; members; appointments;
meetings.

1 (a) There is hereby created the West Virginia Public Charter School Commission which
2 shall report directly to and be responsible to the state board, separate from the Department of
3 Education, for carrying out its duties in accordance with this article. The mission of the West
4 Virginia Public Charter School Commission is to authorize high-quality public charter schools
5 throughout the state that provide more options for students to attain a thorough and efficient
6 education, particularly through schools designed to expand the opportunities for at-risk students.

7 The Public Charter School Commission and public charter schools authorized in accordance with
8 this article are subject to the general supervision by the state board solely for the purposes of
9 accountability for meeting the standards for student performance required of other public school
10 students under §18-2E-5 of this code. Consistent with the provisions of this article, the Public
11 Charter School Commission has authority to authorize public charter schools in school districts
12 that do not meet standards as determined pursuant to state board policy. Except as otherwise
13 authorized in this article, no other governmental agency or entity may assume any charter
14 authorizing function or duty in any form.

28 possess strong experience and expertise in public and nonprofit governance, management and
29 finance, public school leadership, assessment, curriculum and instruction, and public education
30 law. Each member appointed to the Public Charter School Commission must have demonstrated
31 an understanding of, and commitment to, charter schooling as a strategy for strengthening public
32 education. Members appointed to the Public Charter School Commission, collectively, shall

33 represent diverse geographical areas of the state. The Governor may not appoint any person to
34 be a member of the Public Charter School Oversight and Authorizer Board who is the holder of
35 any other public office or public employment under the government of this state or any of its
36 political subdivisions, or who is an appointee or employee of any charter school governing board
37 or an immediate family member of any employee under the jurisdiction of the Public Charter
38 School Commission or any charter school governing board. An individual may not serve on the
39 authorizer board who is engaged in, or employed by a person or company whose primary function
40 involves, the sale of services and activities to public charter schools or charter school governing
41 boards.

42 (d) To establish staggered terms of office for the members appointed to the Public Charter
43 School Commission, of the initial members, one shall serve a term of two years, one shall serve

47 and shall organize for business by selecting a chairman and adopting bylaws. Subsequent
48 meetings shall be called by the chairman.

49 (e) A member of the Public Charter School Commission may be removed from office by
50 the Governor for official misconduct, incompetence, neglect of duty, or gross immorality. A
51 member may also be removed if the member's personal incapacity renders the member incapable
52 or unfit to discharge the duties of the office or if the member is absent from a number of meetings
53 of the board as determined and specified by the board in its bylaws. Whenever an appointed
54 member vacancy on the Public Charter School Commission exists, the Governor shall appoint a
55 member for the remaining portion of the term.

56 (f) Except in the case of gross negligence or reckless disregard of the safety and well-
57 being of another person, the Public Charter School Commission and members of the board in
58 their official capacity are immune from civil liability with respect to all activities related to a public

59 charter school approved by the board. The official actions of the members of the board who are
60 serving in an ex officio capacity by virtue of their designation or employment in another position
61 are board member actions only, and may not be construed as official actions or positions of such
62 member's employing entity.

63 (g) The Public Charter School Commission may appoint an executive director and may
64 employ such additional staff as may be necessary. The executive director shall serve at the will
65 and pleasure of the board. The executive director must have demonstrated an understanding of
66 and commitment to charter schooling as a strategy for strengthening public education and must
67 possess an understanding of state and federal education law.

68 (h) The Public Charter School Commission shall meet at least quarterly. From funds
69 appropriated or otherwise made available for such purpose, its members shall be reimbursed for
70 reasonable and necessary expenses actually incurred in the performance of official duties upon

1 (a) A charter applicant or governing board of an existing public charter school may appeal
2 a decision of an authorizer concerning the denial of a charter application, the nonrenewal of a
3 charter contract, or the revocation of a charter contract to the Public Charter School Commission
4 within 30 days of the authorizer's decision: *Provided*, That if the Commission is the authorizer
5 that denies the charter application, fails to renew a charter contract, or revokes a charter contract,
6 the Commission's decision is final.

7 (b) The State Board of Education shall promulgate a rule establishing the process and
8 timeline for appeals filed pursuant to §18-5G-9(a) of this code.

9 (c) If the West Virginia Public Charter School Commission finds that the application,
10 applicant, and public charter school, as applicable, meet the requirements of this Act, the

11 Commission shall remand the decision to the authorizer with written instructions to approve the
12 application, or renew or reinstate the charter contract.

§18-5G-12. Prohibitions.

1 Notwithstanding any provision in this article that may be interpreted to the contrary, a
2 public charter school shall not:

3 (1) Be home-school based; and

4 (2) Discriminate on any basis for which the noncharter public schools of this state may
5 not discriminate: *Provided*, That nothing in this subsection may be construed to limit the formation
6 of a public charter school that is dedicated to focusing education services on at-risk students,
7 students with disabilities, and students who pose such severe disciplinary problems that they
8 warrant a specific education program.

§18-5G-13. Funding for charter school enrollment.

1 The state board shall promulgate a rule in accordance with §29A-3B-1 *et seq.* of this code
2 setting forth requirements for public charter school funding. The rule shall include a requirement
3 that 90 percent of the per pupil total basic foundation allowance follow the student to the public
4 charter school, subject to the following:

5 (1) Notwithstanding §18-9A-1 *et seq.* of this code, the rule may provide for modifications
6 to the calculations outlined in §18-9A-7 regarding the allowance for student transportation and in
7 §18-9A-9(1) regarding the allowance for current expense for the purpose of providing additional
8 state aid funding to county boards of education related to the operation of public charter schools;

9 (2) The rule shall designate which county school district is required to pay for a student
10 attending a public charter school; and

11 (3) The rule shall require the Department of Education to follow federal requirements in
12 ensuring that federal funding follows the student to a public charter school.

§18-5G-14. Access to public facilities.

1 (a) A public charter school may request usage of public facilities from a local county board
2 where the charter school is located. A local county board or other public entity shall make facilities
3 available to the charter school that are either not used in whole or in part for classroom instruction
4 at the time the charter school seeks to use or lease the public facility.

5 (b) If a charter school seeks to lease the whole or part of a public facility, the cost of the
6 lease must be at or under current market value.

7 (c) During the term of the lease, the charter school is solely responsible for the direct
8 expenses related to the public facility lease, including utilities, insurance, maintenance, repairs
9 and remodeling. The county school board is responsible for any debt incurred or liens that are
10 attached to the school building before the charter school leases the public facility.

§18-5G-15. Reports.

1 (a) An authorizer that has authorized a public charter school that is currently in operation
2 shall submit to the state superintendent for presentation to the state board and the West Virginia
3 Public Charter School Commission an annual report within 60 days of the end of each school

11 report on the state's public charter school program, drawing from the annual reports submitted by
12 authorizers pursuant to this section, as well as any additional relevant data compiled by the State

14 include an assessment of the public charter school program's successes, challenges, and areas
15 for improvement in meeting the purposes of this chapter as well as any suggested changes in

16 state law or policy necessary to strengthen the public charter school program.

46 enrollment therein and the personnel shall be considered within the above-stated limit.

47 (5) For the 2019-20 fiscal year only, the number of positions funded for each county by
48 subsection (1) cannot be less than the number of positions that would have been funded in
49 accordance with the previous methodology for determining the number of professional student
50 support personnel positions funded for each county.

**§18-9A-9. Foundation allowance for other current expense and substitute employees and
faculty senates.**

1 The total allowance for other current expense and substitute employees is the sum of the
2 following:

3 (1) For current expense:

4 (A) The non-salary related expenditures for operations and maintenance, exclusive of
5 expenditures reported in special revenue funds, for the latest available school year, in each
6 county, divided by the total square footage of school buildings in each county is used to calculate
7 a state average expenditure per square foot for operations and maintenance;

8 (B) The total square footage of school buildings in each county divided by each county's
9 net enrollment for school aid purposes is used to calculate a state average square footage per
10 student;

11 (C) Each county's net enrollment for school aid purposes multiplied by the state average
12 expenditure per square foot for operations and maintenance as calculated in paragraph (A) of this
13 subdivision and multiplied by the state average square footage per student as calculated in
14 paragraph (B) of this subdivision is that county's state average costs per square footage per
15 student for operations and maintenance;

16 (D) Where two or more counties join together in support of a vocational or comprehensive
17 high school or any other program or service, the allowance for current expense may be prorated
18 among the participating counties by adjusting the net enrollment for school aid purposes utilized
19 in the calculation by the number of students enrolled therein for each county; and

20 (E) Each county's allowance for current expense is ~~70.25%~~ 71.25 percent of the county's

21 state average costs per square footage per student for operations and maintenance amount as
22 calculated in paragraph (C) of this subdivision; plus

23 (2) For professional educator substitutes or current expense, two and five-tenths percent
24 of the computed state allocation for professional educators and professional student support
25 personnel as determined in sections four and eight of this article. Distribution to the counties is
26 made proportional to the number of professional educators and professional student support
27 personnel authorized for the county in compliance with sections four and eight of this article; plus

28 (3) For service personnel substitutes or current expense, two and five-tenths percent of
29 the computed state allocation for service personnel as determined in section five of this article.
30 Distribution to the counties is made proportional to the number of service personnel authorized
31 for the county in compliance with section five of this article; plus

32 (4) For academic materials, supplies, and equipment for use in instructional programs,
33 \$200 multiplied by the number of professional instructional personnel and professional student
34 support personnel employed in the schools of the county. Distribution is made to each county for
35 allocation to the faculty senate of each school in the county on the basis of \$200 per professional
36 instructional personnel employed at the school. "Faculty Senate" means a faculty senate created
37 pursuant to §18-5A-5 of this code. Decisions for the expenditure of such funds are made at the
38 school level by the faculty senate in accordance with the provisions of ~~said~~ §18-5A-5 of this code
39 and may not be used to supplant the current expense expenditures of the county. Beginning on
40 September 1, 1994, and every September thereafter, county boards shall forward to each school
41 for the use by faculty senates the appropriation specified in this section. Each school shall be
42 responsible for keeping accurate records of expenditures.

§18-9A-12. County basic foundation; total basic state aid allowance.

1 (a) The basic foundation program for each county for the fiscal year shall be the sum of
2 the amounts computed in accordance with the provisions of sections four, five, six, seven, eight,
3 nine, and ten of this article. On the first working day of July in each year, the State Board shall

4 determine the basic foundation program for each county for that fiscal year. Data used in the
5 computations relating to net and adjusted enrollment, and the number of professional educators,
6 shall be for the second month of the prior school term. Transportation expenditures used in these
7 computations shall be for the most recent year in which data are available. The allocated state
8 aid share of the county's basic foundation program shall be the difference between the cost of its
9 basic foundation program and the county's local share as determined in §18-9A-11 of this code
10 except as provided in subsection (b) of this section: Provided, That for all years after 2018, in
11 calculating the allocated state aid share of the county's basic foundation program, when subtracting
12 the amount of the county's local share, if the county's local share as determined in §18-9A-11 of this
13 code is greater than the county's local share was determined to be for fiscal year 2015-2016, then the
14 allocated state aid share of the county's basic foundation program shall be the difference between the
15 cost of its basic foundation program and the county's 2015-2016 determined local share.

16 (b) The allocated state aid share shall be adjusted in the following circumstances in the
17 following manner: *Provided*, That prior to such adjustment, the State Tax Commissioner shall
18 provide the State Board, by January 15 of each year, a certified listing of those counties in which
19 such adjustment shall be made pursuant to this subsection, together with the amount of revenue
20 which will not be available to each county board in the ensuing fiscal year as a result of the
21 circumstance:

22 (1) In those instances where the local share as computed under §18-9A-11 of this code is
23 not reflective of local funds available because the county is under a final court order, or a final
24 decision of a board of assessment appeals under §11-3-24b of this code, to refund or credit
25 property taxes paid in prior years, the allocated state aid share shall be the county's basic
26 foundation program, minus the local share as computed under §18-9A-11 of this code, plus the
27 amount of property tax the county is unable to collect or must refund due to the final court order
28 or final decision of a board of assessment appeals: *Provided*, That said adjustment shall not be
29 made or shall only be made proportionately when the Legislature fails to fund, or funds only in

30 part, the public school basic foundation support plan state share at a level sufficient to cover the
31 reduction in state share: *Provided, however,* That nothing herein provided shall be construed to
32 require or mandate any level of funding by the Legislature.

33 (2) In those instances where the local share as computed under §18-9A-11 of this code is
34 not reflective of local funds available because the county is collecting tax based upon an assessed
35 value which is less than that determined by the tax commissioner in the most recent published
36 survey of property valuations in the state due to an error in the published survey, which error is
37 certified to by the tax commissioner, the allocated state aid share shall be the county's basic
38 foundation program, minus the local share as computed under §18-9A-11 of this code, plus the
39 amount of property tax the county is unable to collect based on differences in the assessed
40 valuation between those in the most recent published survey of valuation and the corrected
41 assessed value actually levied upon by the county: *Provided,* That said adjustment shall not be
42 made or shall only be made proportionately when the Legislature fails to fund or funds only in part
43 the public school basic foundation support plan state share at a level sufficient to cover the
44 reduction in state share: *Provided, however,* That nothing herein provided shall be construed to
45 require or mandate any level of funding by the Legislature.

46 (3) In instances where a county is unable to collect property taxes from a taxpayer during
47 the pendency of any court proceeding, the allocated state aid share shall be the county's basic
48 foundation program minus the local share as computed under §18-9A-11 of this code, plus the
49 amount the county is unable to collect as a result of the pending court proceedings as certified by
50 the tax commissioner: *Provided,* That the county is required to reimburse the amount of allocated
51 state aid share attributable to the amount of property tax it later receives upon completion of court
52 proceedings, which shall be paid into the General Revenue Fund of the state: *Provided, however,*
53 That said adjustment shall not be made or shall only be made proportionately when the
54 Legislature fails to fund or funds only in part the public school basic foundation support plan state
55 share at a level sufficient to cover the reduction in state share: *Provided further,* That nothing

56 herein provided shall be construed to require or mandate any level of funding by the Legislature.

57 (c) The allocated state aid share shall be adjusted in any county receiving payments or
58 contributions in lieu of property taxes. In instances where a county receives payments or
59 contributions in lieu of property taxes, the allocated state aid share shall be the county's basic
60 foundation program minus the local share as computed under §18-9A-11 of this code, plus any
61 amounts added pursuant to subsection (b) of this section minus the payments or contributions in
62 lieu of property taxes which are distributed by the sheriff to the county board of education. In
63 determining the amount of such contribution or payment in lieu of taxes, each county commission
64 shall provide to the State Tax Commissioner, by January 1 of each year, the total amount of such
65 payments or contributions paid to the county and the proportion of the total amount that has been
66 or will be distributed to the county board of education. The State Tax Commissioner then shall
67 provide the State Board, by January 15 of each year, a certified listing of those counties in which
68 an adjustment pursuant to this section shall be made, together with the amount of revenue which
69 will be available to each county board in the ensuing fiscal year as a result of contribution or
70 payment in lieu of taxes.

71 (d) Total basic state aid to the county shall be the computed state share of basic foundation
72 support. After such computation is completed, the State Board shall immediately certify to each
73 county board the amount of state aid allocated to the county for that fiscal year, subject to any
74 qualifying provisions of this article.

10 (1) The parent submits an application for an ESA in accordance with any application
11 procedures established by the treasurer;

12 (2) The student on whose behalf the parent is applying is an eligible student;

13 (3) Funds are available for the ESA; and

27 (g) Upon notice to the treasurer, an ESA student may choose to stop receiving ESA
28 funding and enroll full-time in a public school.

29 (h) Enrolling as a full-time student in a public school shall result in the immediate

30 suspension of payment of additional funds into the student's ESA; however, the ESA shall remain
31 open and active for the parent to make qualifying expenditures to educate the student from funds
32 remaining in the ESA. When or if no funds remain in the student's ESA or the student turns 24,

1 In addition to the treasurer's duties, obligations, and authority stated in other parts of this
2 article, the treasurer has the following duties, obligations, and authority:

3 (1) The treasurer shall maintain an updated list of participating schools and shall ensure
4 that the list is publicly available through various sources, including the Internet.

5 (2) The treasurer shall provide parents with a written explanation of the allowable uses of
6 ESA funds, the responsibilities of parents, the duties of the treasurer and the role of any private
7 financial management firms or other private organizations that the treasurer may contract with to
8 administer the ESA Program or any aspect of the ESA Program.

9 (3) The treasurer shall ensure that parents of students with a disability receive notice that
10 participation in the ESA Program is a parental placement under 20 U.S.C. § 1412 of the
11 Individuals with Disabilities Education Act (IDEA) along with an explanation of the rights that
12 parentally placed students possess under (IDEA) and any applicable state laws and regulations.

13 (4) The treasurer shall contract with private organizations to administer the ESA Program.
14 This includes, but is not limited to, private financial management firms to manage ESAs.

15 (5) The treasurer may deduct an amount from education savings accounts to cover the
16 costs of administering the ESA Program, up to a maximum of five percent annually in the first two
17 years of the ESA Program and up to a maximum of three percent annually thereafter.

18 (6) The reasurer shall implement or contract with a private organization to implement a

19 commercially viable, cost effective, and parent-friendly system for payment for services from
20 ESAs to education service providers by electronic or online funds transfer and by debit card. The
21 Treasurer shall not adopt a system that relies exclusively on requiring parents to be reimbursed
22 for out-of-pocket expenses, but rather shall provide maximum flexibility to parents by facilitating
23 direct payments to education service providers as well as requests for preapproval of and
24 reimbursements for qualifying expenses, including expenses pursuant to §18-31-3(d)(15) of this
25 code.

26 (7) The treasurer shall also seek to implement a commercially viable, cost-effective, and
27 parent-friendly system for publicly rating, reviewing, and sharing information about education
28 service providers, ideally as part of the same system that facilitates the electronic or online funds
29 transfers so as to create a one-stop-shop for parents and ESA students.

30 (8) If an education service provider requires partial payment of tuition or fees prior to the
31 start of the academic year to reserve space for an ESA student admitted to the education service
32 provider, such partial payment may be paid by the treasurer prior to the start of the school year in
33 which the ESA is awarded, and deducted in an equitable manner from subsequent ESA deposits
34 to ensure adequate funds remain available throughout the school year; but if an ESA student
35 decides not to use the education service provider, the partial reservation payment must be
36 returned to the treasurer by such education service provider and credited to the student's ESA.

37 (9) The treasurer shall continue making deposits into a student's ESA until:

38 (A) The treasurer determines that the ESA student is no longer an eligible student;

39 (B) The treasurer determines that there was substantial misuse of the funds in the ESA;

40 (C) The parent or ESA student withdraws from the ESA Program;

41 (D) The ESA student enrolls full-time in a public school; or

42 (E) The ESA student graduates from high school.

43 (10) The treasurer shall have the authority to conduct or contract for the auditing of
44 individual ESAs, and shall, at a minimum, conduct random audits of ESAs on an annual basis.

45 (11) The treasurer shall have the authority to make any parent or ESA student ineligible
46 for the ESA Program in the event of intentional and substantial misuse of ESA funds.

47 (A) The treasurer shall create procedures to ensure that a fair process exists to determine
48 whether an intentional and substantial misuse of ESA funds has occurred.

49 (B) The treasurer shall have the authority to refer suspected cases of intentional and
50 substantial misuse of ESA funds to the Attorney General for investigation if evidence of fraudulent
51 use of ESA funds is obtained.

52 (C) A parent or ESA student may appeal the treasurer's decision to make a parent or ESA
53 student ineligible for the ESA Program.

54 (12) The treasurer may bar an education service provider from accepting payments from
55 ESAs if the Treasurer determines that the education service provider has:

56 (A) Intentionally and substantially misrepresented information or failed to refund any
57 overpayments in a timely manner; or

58 (B) Routinely failed to provide students with promised educational goods or services.

59 (13) The treasurer shall create procedures to ensure that a fair process exists to determine
60 whether an education service provider may be barred from receiving payment from ESAs.

61 (A) If the treasurer bars an education service provider from receiving payments from
62 ESAs, it shall notify parents and ESA students of its decision as quickly as possible.

63 (B) Education service providers may appeal the Treasurer's decision to bar them from
64 receiving payments from ESAs.

65 (14) The treasurer may accept gifts and grants from any source to cover administrative
66 costs, to inform the public about the ESA Program, or to fund additional ESAs.

67 (15) The treasurer may adopt rules and policies that are not inconsistent with this article
68 and that are necessary for the administration of this article, including:

69 (A) Establishing or contracting for the establishment of an online anonymous fraud
70 reporting service;

71 (B) Establishing an anonymous telephone hotline for fraud reporting;

72 (C) Policies that require a surety bond for education service providers receiving more than
73 \$100,000 in ESA funds;

74 (D) Procedures for refunding payments from education service providers back to ESAs;
75 and

76 (E) Procedures for entering into reciprocal agreements with other state ESA agencies or
77 entities, whether public or private, to recognize and allow education service providers approved
78 in other states to receive payments from ESAs under this article.

79 (16) Any rules or policies adopted by the treasurer should avoid excessive bureaucracy
80 and overly prescriptive mandates and instead focus on easing parental involvement and
81 encouraging education service providers to provide parents and ESA students with a broad array
82 of educational options.

§18-31-6. Parent Review Committee.

1 (a) There is created the Parent Review Committee to assist the treasurer in determining
2 whether questionable expenditures meet the requirements to be considered qualifying expenses
3 to educate the ESA student pursuant to §18-31-3(d) of this code, and to provide recommendations
4 to the treasurer about how to implement, administer, and improve the ESA Program.

5 (b) (1) The Parent Review Committee:

6 (A) Consists of seven members who are parents of ESA students and represent no fewer
7 than four counties in the state; and

8 (B) Shall be appointed by the State Treasurer and serve at the State Treasurer's pleasure
9 for one calendar year and may be reappointed; and

10 (2) The State Treasurer, or the director's designee, serves as the nonvoting chair of the
11 committee.

12 (c) The treasurer may request the committee to meet, in person or virtually, to determine
13 whether an expenditure of ESA funds is or was a qualifying expense to educate an ESA student

14 pursuant to §18-31-3(d) of this code. The committee may deny or approve questionable
15 expenditures by a majority vote.

16 (d) The treasurer may also request the committee to meet, in person or virtually, to review
17 appeals of education service provider denials pursuant to §18-31-7 of this code, and to provide a
18 recommendation to the treasurer as to whether an education service provider should be allowed
19 to receive, or continue receiving, payments from ESAs.

§18-31-7. Requirements for and rights of education service providers.

1 (a) To be eligible to accept payments from an ESA, an education service provider shall:

2 (1) Submit notice to the treasurer that they wish to participate in the ESA Program;

3 (2) Provide parents with a receipt for all qualifying educational expenses;

4 (3) Agree not to refund, rebate, or share ESA funds with parents or ESA students in any
5 manner, except that funds may be remitted or refunded to an ESA in accordance with procedures
6 established by the treasurer;

7 (4) Certify that it will not discriminate on any basis for which the public schools of the state
8 may not discriminate; and

9 (5) Agree to submit any employee who will have contact with ESA students to a criminal
10 background check.

11 (b) This article does not limit the independence or autonomy of an education service
12 provider or makes the actions of an education service provider the actions of the state
13 government.

14 (c) Education service providers shall be given maximum freedom to provide for the
15 educational needs of ESA students without governmental control.

16 (d) This article does not expand the regulatory authority of the state, its officers, or any
17 school district to impose any additional regulation of education service providers beyond those
18 necessary to enforce the requirements of the program.

§18-31-8. Responsibilities of resident school districts.

1 The resident school district shall provide an education service provider that has enrolled
2 an ESA student with a complete copy of the student's school records, while complying with the
3 Family Educational Rights and Privacy Act of 1974 (20 USC Section 1232 g).

§18-31-9. Legal proceedings.

1 (a) In any legal proceeding challenging the application of this chapter to a participating
2 entity, the state bears the burden of establishing that the challenged action, rule, or requirement
3 is necessary and does not impose any undue burden on education service providers.

4 (b) No liability arises on the part of the treasurer or the state or of any county school district
5 based on the award or use of an ESA awarded pursuant to this article.

6 (c) If any part of this article is challenged in a state court as violating either the state or
7 federal constitutions, parents of eligible and/or ESA students are permitted to intervene in the
8 lawsuit for the purposes of defending the article's constitutionality. However, for the purposes of
9 judicial administration, a court may limit the number of parents permitted to intervene or require
10 that all parents file a joint brief, so long as they are not required to join any brief filed on behalf of
11 any named state defendant.

§18A-4-5. Salary equity among the counties; state salary supplement.

1 ~~(a) For the purposes of this section, salary equity among the counties means that the~~
2 ~~salary potential of school employees employed by the various districts throughout the state does~~
3 ~~not differ by greater than ten percent between those offering the highest salaries and those~~
4 ~~offering the lowest salaries. In the case of professional educators, the difference shall be~~
5 ~~calculated using the average of the professional educator salary schedules, degree classifications~~
6 ~~B. A. through doctorate and the years of experience provided in the most recent state minimum~~
7 ~~salary schedule for teachers, in effect in the ten counties offering the highest salary schedules~~
8 ~~compared to the lowest salary schedule in effect among the fifty-five counties. In the case of~~
9 ~~school service personnel, the difference shall be calculated utilizing the average of the school~~
10 ~~service personnel salary schedules, pay grades A through H and the years of experience provided~~
11 ~~in the most recent state minimum pay scale pay grade for service personnel, in effect in the ten~~
12 ~~counties offering the highest salary schedules compared to the lowest salary schedule in effect~~
13 ~~among the fifty-five counties.~~

14 (a) The Legislature recognizes its constitutional responsibility to provide for a thorough
15 and efficient system of education. To carry out this responsibility the Legislature enacted, and
16 continues to update, as necessary, the public school support program as set forth in §18-9A-1, et
17 seq. The public school support program is a non-discriminatory funding mechanism for financing
18 the educational system in this state as it takes into account each county's specific characteristics,
19 and ensures that all counties are provided equitable funding.

20 (b) The Legislature further finds that the purpose of the public school support program is
21 not to deter counties from growing economically or from using county resources in a manner that
22 best meets their specific educational needs and the desires of their citizens. To that end, counties
23 must have the discretion and flexibility to use local county funds, not otherwise factored into the

24 public school support program, to provide the best education possible to their students, including,
25 but not limited to, providing salary supplements to teachers.

26 (b) ~~(c)~~ To meet the objective of salary equity among the counties, as defined in subsection
27 (a) of this section, on and after July 1, 1984, subject Subject to available state appropriations and
28 the conditions set forth herein, each teacher and school service personnel shall receive an equity
29 supplement amount as specified in sections two and eight-a, respectively, of this article in addition
30 to the amount from the State Minimum Salary Schedules provided in those sections. State funds
31 for this purpose shall be paid within the West Virginia public school support plan in accordance
32 with §18-9A-1 et seq. of this code. The amount allocated for this supplement shall be apportioned
33 between teachers and school service personnel in direct proportion to that amount necessary to
34 support the professional salaries and service personnel salaries statewide under §18-9A-4, §18-
35 9A-5, and §18-9A-8 of this code.

36 ~~(c) State funds for this purpose shall be paid within the West Virginia public school support~~
37 ~~plan in accordance with article nine-a, chapter eighteen of this code. The amount allocated for~~
38 ~~salary equity shall be apportioned between teachers and school service personnel in direct~~
39 ~~proportion to that amount necessary to support the professional salaries and service personnel~~
40 ~~salaries statewide under sections four, five and eight, article nine-a, chapter eighteen of this code.~~
41 ~~In the event the Department of Education determines that the objective of salary equity among~~
42 ~~the counties has not been met, it shall include in its budget request for the public school support~~
43 ~~plan for the next school year a request for funding sufficient to meet the objective of salary equity~~
44 ~~through an across-the-board increase in the equity supplement amount of the affected class of~~
45 ~~employees.~~

46 (d) Pursuant to this section, each teacher and service person shall receive from state
47 funds the equity supplement amount indicated in ~~subsection (c), section two and subsection (f),~~
48 ~~section eight-a of this article~~ §18A-4-2 and §18A-4-8a of this code, as applicable, reduced by any
49 amount provided by the county as a salary supplement for teachers and school service personnel

50 on January 1, 1984.

51 (e) The amount received pursuant to this section shall not be decreased as a result of any
52 county supplement increase instituted after January 1, 1984: *Provided*, That any amount received
53 pursuant to this section may be reduced proportionately based upon the amount of funds
54 appropriated for this purpose. No county may reduce any salary supplement that was in effect on
55 January 1, 1984, except as permitted by sections five-a and five-b of this article.

28 ~~no county shall~~ a county may not reduce local funds allocated for salaries in effect on January 1,
29 1990, and used in supplementing the state minimum salaries as provided for in this article, unless
30 forced to do so by defeat of a special levy, or a loss in assessed values or events over which it
31 has no control and for which the county board has received approval from the state board prior to
32 making such reduction.

33 (c) Counties may provide, in a uniform manner, benefits for teachers which require an
34 appropriation from local funds including, but not limited to, dental, optical, health and income

5 year to the various classes of employees shall be determined by the board: *Provided*, That the
6 sum of such pays for any employee does not exceed the equivalent of an annual salary based
7 upon 12 calendar months. In the event a teacher or other employee is not paid the full salary or
8 wage earned in the fiscal year in which the work is performed, the unpaid amount may be paid
9 during July and August of the following fiscal year. Adjustments for time loss due to absence may
10 be made in the next paycheck following such time loss.

3 is entitled ~~annually to accrue to~~ at least one and one-half days personal leave for each
4 employment month or major fraction thereof in the employee's employment term. Personal leave
5 is accrued at the end of each pay period based on a ten month pay calendar or on the last workday
6 for separating employees. Unused leave shall be accumulative without limitation and is
7 transferable within the state. A change in job assignment during the school year does not affect
8 the employee's rights or benefits.

9 (2) A regular full-time employee who is absent from assigned duties due to accident,
10 sickness, death in the immediate family, or life threatening illness of the employee's spouse,
11 parents or child, or other cause authorized or approved by the board, shall be paid the full salary
12 from his or her regular budgeted salary appropriation during the period which the employee is

15 cause for the absence. Personal leave without cause may not be used on consecutive work days
16 unless authorized or approved by the employee's principal or immediate supervisor, as
17 appropriate. The employee shall give notice of leave without cause to the principal or immediate
18 supervisor at least 24 hours in advance, except that in the case of sudden and unexpected
19 circumstances, notice shall be given as soon as reasonably practicable. The principal or
20 immediate supervisor may deny use of the day if, at the time notice is given, either 15 percent of
21 the employees or three employees, whichever is greater, under the supervision of the principal or
22 immediate supervisor, have previously given notice of their intention to use that day for leave.
23 Personal leave may not be used in connection with a concerted work stoppage or strike. Where
24 the cause for leave originated prior to the beginning of the employment term, the employee shall
25 be paid for time lost after the start of the employment term, but not to exceed the total amount of
26 leave the employee has accrued. ~~If an employee uses personal leave which the employee has~~
27 ~~not yet accumulated on a monthly basis and subsequently leaves the employment, the employee~~
28 ~~is required to reimburse the board for the salary or wages paid for the unaccumulated leave.~~

29 (4) The State Board shall maintain a rule to restrict the payment of personal leave benefits
30 and the charging of personal leave time used to an employee receiving a workers' compensation
31 benefit from a claim filed against and billed to the county board by which the person is employed.
32 If an employee is awarded this benefit, the employee shall receive personal leave compensation
33 only to the extent the compensation is required, when added to the workers' compensation
34 benefit, to equal the amount of compensation regularly paid the employee. If personal leave
35 compensation equal to the employee's regular pay is paid prior to the award of the workers'
36 compensation benefit, the amount which, when added to the benefit, is in excess of the
37 employee's regular pay shall be deducted from the employee's subsequent pay. The employee's
38 accrued personal leave days shall be charged only for such days as equal the amount of personal
39 leave compensation required to compensate the employee at the employee's regular rate of pay.

40 (5) The county board may establish reasonable rules for reporting and verification of
41 absences for cause. If any error in reporting absences occurs, the county board may make
42 necessary salary adjustments:

43 (A) In the next pay after the employee has returned to duty; or

44 (B) In the final pay if the absence occurs during the last month of the employment term.

45 (b) *Leave Banks.*

46 (1) Each county board shall establish a personal leave bank that is available to all school
47 personnel. The board may establish joint or separate banks for professional personnel and school
48 service personnel. Each employee may contribute up to two days of personal leave per school
49 year. An employee may not be coerced or compelled to contribute to a personal leave bank.

50 (2) The personal leave bank shall be established and operated pursuant to a rule adopted
51 by the county board. The rule:

52 (A) May limit the maximum number of days used by an employee;

53 (B) Shall limit the use of leave bank days to an active employee with fewer than five days
54 accumulated personal leave who is absent from work due to accident or illness of the employee;

62 (ii) Is not deducted from the personal leave days without cause to which a donor employee
63 is entitled if sufficient general personal leave days are otherwise available to the donor employee;

65 (iv) May not be credited for more or less than a full day by calculating the value of the
66 leave according to the hourly wage of each employee; and

67 (v) May be used only for an absence due to the purpose for which the leave was
68 transferred. Any transferred days remaining when the catastrophic medical emergency ends
69 revert back to the leave bank.

70 (3) The administration, subject to county board approval, may use its discretion as to the
71 need for a substitute where limited absence may prevail, when an allowable absence does not:

72 (i) Directly affect the instruction of the students; or

73 (ii) Require a substitute employee because of the nature of the work and the duration of
74 the cause for the absence.

75 (4) If funds in any fiscal year, including transfers, are insufficient to pay the full cost of
76 substitutes for meeting the provisions of this section, the remainder shall be paid on or before
77 August 31 from the budget of the next fiscal year.

78 (5) A county board may supplement the leave provisions in any manner it considers
79 advisable in accordance with applicable rules of the state Board and the provisions of this chapter
80 and chapter eighteen of this code.
