 preparation of the financial statements and that receipts and expenditures are being made only
 in accordance with authorizations of management and directors; and

of the Securities Exchange Act of 1934; and

64 (C) The internal control over financial reporting requirements of Section 404, Item 308 of
 65 SEC Regulation S-K.

## §33-33-12. Requirements for audit committees.

This section does not apply to foreign or alien insurers licensed in this state or an insurer
 that is a SOX Compliant Entity or a direct or indirect wholly-owned subsidiary of a SOX Compliant
 Entity.

4 (1) The audit committee is directly responsible for the appointment, compensation and
5 oversight of the work of any accountant, including resolution of disagreements between
6 management and the accountant regarding financial reporting, for the purpose of preparing or
7 issuing the audited financial report or related work pursuant to this article. Each accountant shall
8 report directly to the audit committee.

9 (2) The audit committee of an insurer or group of insurers is responsible for overseeing 10 the insurer's internal audit function and granting the person or persons performing the function 11 suitable authority and resources to fulfill their responsibilities as required by §33-33-12a of this 12 code.

(3) Each member of the audit committee shall be a member of the board of directors of
the insurer or a member of the board of directors of an entity elected pursuant to subdivision (3),
section two of this article and subdivision (6) of this section.

16 (4) In order to be considered independent for purposes of this section, a member of the 17 audit committee may not, other than in his or her capacity as a member of the audit committee, 18 the board of directors, or any other board committee, accept any consulting, advisory or other 19 compensatory fee from the entity or be an affiliated person of the entity or subsidiary thereof. 20 However, if law requires board participation by otherwise nonindependent members, that law shall 21 prevail and such members may participate in the audit committee and be designated as 22 independent for audit committee purposes, unless they are an officer or employee of the insurer 23 or one of its affiliates.

(5) If a member of the audit committee ceases to be independent for reasons outside the
 member's reasonable control, that person, with notice by the responsible entity to the state, may
 remain an audit committee member of the responsible entity until the earlier of the next annual

27 meeting of the responsible entity or one year from the occurrence of the event that caused the28 member to be no longer independent.

(6) To exercise the election of the controlling person to designate the audit committee for purposes of this article, the ultimate controlling person shall provide written notice to the commissioners of the affected insurers. Notification shall be made timely prior to the issuance of the statutory audit report and include a description of the basis for the election. The election can be changed through notice to the commissioner by the insurer, which shall include a description of the basis for the change. The election shall remain in effect for perpetuity, until rescinded.

35 (7)(A) The audit committee shall require the accountant that performs for an insurer any 36 audit required by this article to timely report to the audit committee in accordance with the 37 requirements of Statement of Auditing Standards (SAS) No. 61, "Communication with Audit 38 Committees" or its replacement, including:

(i) All significant accounting policies and material permitted practices;

(ii) All material alternative treatments of financial information within statutory accounting
 principles that have been discussed with management officials of the insurer, ramifications of the

42 use of the alternative disclosures and treatments, and the treatment preferred by the accountant;

43 and

(iii) Other material written communications between the accountant and the management
 of the insurer, such as any management letter or schedule of unadjusted differences.

(B) If an insurer is a member of an insurance holding company system, the reports
required by paragraph (A) of this subdivision may be provided to the audit committee on an
aggregate basis for insurers in the holding company system, provided that any substantial
differences among insurers in the system are identified to the audit committee.

50 (8) The proportion of independent audit committee members shall meet or exceed the 51 following criteria with respect to prior calendar year, direct and assumed premiums:

52 \$0 - \$300 million: No minimum requirements;

53 Over \$300 million - \$500 million: Majority (50 percent or more) of members shall be 54 independent;

55 Over \$500 million: Supermajority (75 percent or more) of members shall be independent. 56 (A) The commissioner has authority afforded by state law to require the entity's board to 57 enact improvements to the independence of the audit committee membership if the insurer is in 58 a risk based capital action level event, meets one or more of the standards of an insurer deemed 59 to be in hazardous financial condition, or otherwise exhibits qualities of a troubled insurer.

60 (B) All insurers with less than \$500 million in prior year direct written and assumed 61 premiums are encouraged to structure their audit committees with at least a supermajority of 62 independent audit committee members.

63 (C) Prior calendar year direct written and assumed premiums shall be the combined total
 64 of direct premiums and assumed premiums from nonaffiliates for the reporting entities.

65 (9) An insurer with direct written and assumed premium, excluding premiums reinsured 66 with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$500 million 67 may make application to the commissioner for a waiver from this section's requirements based 68 upon hardship. The insurer shall file, with its annual statement filing, the approval for relief from 69 this section with the states that it is licensed in or doing business in and the National Association 70 of Insurance Commissioners. If the nondomestic state accepts electronic filing with the National 71 Association of Insurance Commissioners, the insurer shall file the approval in an electronic format 72 acceptable to the National Association of Insurance Commissioners.

#### §33-33-12a. Internal Audit Function Requirements.

1

(a) An insurer is exempt from the requirements of this section if:

(1) The insurer has annual direct written and unaffiliated assumed premium, including
international direct and assumed premium but excluding premiums reinsured with the Federal
Crop Insurance Corporation and Federal Flood Program, less than \$500 million; and

5 (2) If the insurer is a member of a group of insurers, the group has annual direct written 6 and unaffiliated assumed premium, including international direct and assumed premium but 7 excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood 8 Program, less than \$1 billion.

9 (b) The insurer or group of insurers shall establish an internal audit function providing 10 independent, objective and reasonable assurance to the audit committee and insurer 11 management regarding the insurer's governance, risk management and internal controls. This 12 assurance shall be provided by performing general and specific audits, reviews and tests and by 13 employing other techniques deemed necessary to protect assets, evaluate control effectiveness 14 and efficiency, and evaluate compliance with policies and regulations.

(c) In order to ensure that internal auditors remain objective, the internal audit function must be organizationally independent. Specifically, the internal audit function may not defer ultimate judgment on audit matters to others, and shall appoint an individual to head the internal audit function who will have direct and unrestricted access to the board of directors. Organizational independence does not preclude dual-reporting relationships.

(d) The head of the internal audit function shall report to the audit committee regularly, but
no less than annually, on the periodic audit plan, factors that may adversely impact the internal
audit function's independence or effectiveness, material findings from completed audits and the
appropriateness of corrective actions implemented by management as a result of audit findings.

(e) If an insurer is a member of an insurance holding company system or included in a
group of insurers, the insurer may satisfy the internal audit function requirements set forth in this
section at the ultimate controlling parent level, an intermediate holding company level or the
individual legal entity level.

### §33-33-16. Exemptions and effective dates.

(a) Upon written application of any insurer, the commissioner may grant an exemption
 from compliance with any and all provisions of this article if the commissioner finds, upon review

of the application, that compliance with this article would constitute a financial or organizational hardship upon the insurer. An exemption may be granted at any time and from time to time for a specified period or periods. Within 10 days from a denial of an insurer's written request for an exemption from this article, the insurer may request in writing a hearing on its application for an exemption.

8 (b) Unless otherwise provided in this section, the provisions of this article shall become
9 effective on January 1, 2010.

(c) Domestic insurers retaining a certified public accountant on the effective date of this
article who qualify as independent shall comply with this article for the year ending December 31,
2010, and each year thereafter, unless the commissioner permits otherwise.

(d) Domestic insurers not retaining a certified public accountant on the effective date of
this article who qualifies as independent may meet the following schedule for compliance unless
the commissioner permits otherwise:

(1) As of December 31, 2010, file with the commissioner an audited financial report; and
(2) For the year ending December 31, 2010, and each year thereafter, such insurers shall

18 file with the commissioner all reports and communication required by this article.

(e) Foreign insurers shall comply with this article for the year ending December 31, 2010,
and each year thereafter, unless the commissioner permits otherwise.

(f) The requirements of subsection (d), section six of this article shall be in effect for audits
of the year beginning January 1, 2010, and each year thereafter.

(g) The requirements of section twelve of this article are to be in effect January 1, 2010, and each year thereafter. An insurer or group of insurers that is not required to have independent audit committee members or only a majority of independent audit committee members, as opposed to a supermajority, because the total written and assumed premium is below the threshold and subsequently becomes subject to one of the independence requirements due to changes in premium shall have one year following the year the threshold exceeded to comply

with the independence requirements. An insurer that becomes subject to one of the independence requirements as a result of a business combination shall have one calendar year following the date of acquisition or combination to comply with the independence requirements.

(h) The requirements of section fifteen of this article are effective beginning with the reporting period ending December 31, 2010, and each year thereafter. An insurer or group of insurers that is not required to file a report because the total written premium is below the threshold and subsequently becomes subject to the reporting requirements shall have two years following the year the threshold is exceeded to file a report. An insurer acquired in a business combination shall have two calendar years following the date of acquisition or combination to comply with the reporting requirements.

(i) The requirements of §33-33-12a of this code are effective on January 1, 2020, and
each year thereafter. If an insurer or group of insurers that is exempt from the requirements of
§33-33-12a of this code no longer qualifies for that exemption, it shall have one year after the
year the threshold is exceeded to comply with the requirements of this article.

(c) Nothing in this article limits the commissioner's examination authority, or the rights or
obligations of third parties, under §33-2-9 of this code.

1 (a) An insurer, or the insurance group of which the insurer is a member, shall annually 2 submit to the commissioner a CGAD that contains the information described in §33-52-4 of this 3 code. Notwithstanding any request from the commissioner made pursuant to subsection (c) of 4 this section, if the insurer is a member of an insurance group, the insurer shall submit the report 5 required by this section to the commissioner of the lead state for the insurance group, in 6 accordance with the laws of the lead state, as determined by the procedures outlined in the most 7 recent financial analysis handbook adopted by the National Association of Insurance 8 Commissioners.

16 (d) For purposes of completing the CGAD, the insurer or insurance group may provide 17 information regarding corporate governance at the ultimate controlling parent level, an 18 intermediate holding company level and/or the individual legal entity level, depending upon how 19 the insurer or insurance group has structured its system of corporate governance. The insurer or 20 insurance group is encouraged to make the CGAD disclosures at the level at which the insurer's 21 or insurance group's risk appetite is determined, or at which the earnings, capital, liquidity, 22 operations, and reputation of the insurer are overseen collectively and at which the supervision 23 of those factors are coordinated and exercised, or the level at which legal liability for failure of 24 general corporate governance duties would be placed. #### §33-52-5. Filing procedures.

(a) An insurer, or the insurance group of which the insurer is a member, required to file a
 CGAD by §33-52-3 of this code, shall, no later than June 1 of each calendar year, submit to the
 commissioner a CGAD that contains the information described in §33-52-4 of this code.

4 (b) The insurer or insurance group has discretion regarding the appropriate format for 5 providing the information required by this article and is permitted to customize the CGAD to 6 provide the most relevant information necessary to permit the commissioner to gain an 7 understanding of the corporate governance structure, policies and practices utilized by the insurer 8 or insurance group.

9 (c) Notwithstanding subsection (a) of this section, and as outlined in §33-52-3 of this code, 10 if the CGAD is completed at the insurance group level, then it must be filed with the lead state of 11 the group as determined by the procedures outlined in the most recent financial analysis 12 handbook adopted by the National Association of Insurance Commissioners. In these instances, 13 a copy of the CGAD must also be provided to the chief regulatory official of any state in which the 14 insurance group has a domestic insurer, upon request.

(d) An insurer or insurance group may comply with this section by referencing other
 existing documents, including, but not limited to, ORSA summary report, holding company Form
