Be it enacted by the Legislature of West Virginia:

ARTICLE 22C. WEST VIRGINIA LOTTERY RACETRACK TABLE GAMES ACT.

§29-22C-2. State authorization of table games at licensed racetrack facilities; legislative findings and declarations.

1 (a) *Operation of West Virginia Lottery table games.* — Notwithstanding any provision of
2 law to the contrary, the operation of West Virginia lottery racetrack table games and ancillary
3 activities at a licensed racetrack and the playing of those West Virginia Lottery table games at a
4 licensed racetrack are only lawful when conducted in accordance with the provisions of this article
5 and rules of the commission.

6 (b) *Legislative findings:* —

7 (1) The Legislature finds that horse racing and dog racing and breeding play a critical role
8 in the economy of this state, enhance the revenue collected at the racetracks, contribute vital
9 revenues to the counties and municipalities in which the activities are conducted, provide for
10 significant employment and protect and preserve greenspace and; that a substantial state interest
11 exists in protecting these industries. Furthermore, it finds that the breeding and racing of
12 thoroughbred horses is an integral part of West Virginia's agriculture, and that agriculture is a
13 critical ingredient in West Virginia's economy. It further finds that the operation of table games
14 pursuant to this article, at racetracks in this state that hold racetrack video lottery licenses and
15 licenses to conduct horse or dog racing, will protect and preserve the horse racing and dog racing

16 industries and horse and dog breeding industries, will protect and enhance the tourism industry
17 in this state, and indirectly benefit other segments of the economy of this state.

18 (2) The Legislature finds that, pursuant to Section 36, Article VI of the Constitution of the
19 State of West Virginia grants exclusively to the state the right to lawfully own and operate a lottery
20 in this state.

21 (3) The Legislature finds that recognized principals of ownership allow an owner to
22 maintain ownership while operating an enterprise through agents, ~~and~~ licensees, and registrants.

23 (4) The Legislature finds that it is in the best interest of the State of West Virginia for the
24 state to operate a lottery in the form of table games.

25 (5) The Legislature finds that the table games authorized under the provisions of this article
26 are lotteries as each game involves consideration, the possibility of a prize, and their outcome is
27 determined predominantly by chance, which the common law of West Virginia has long held are
28 the three essential elements of a lottery.

29 (6) The Legislature finds that the lottery authorized by the provisions of this article is the
30 exclusive intangible intellectual property of the State of West Virginia as are the other versions of
31 lottery authorized under this chapter.

32 (7) The Legislature finds that the most effective manner in which the state can operate
33 and regulate the forms of lottery authorized by the provisions of this article is to do so through
34 agents, licensees, and registrants, and, further, that effective operation and regulation requires
35 limiting the number of locations at which the lottery and lottery games so authorized are allowed.

36 (8) The Legislature finds that limiting such table games as authorized under this article to
37 facilities authorized by the provisions of §19-23-1 *et seq.* of this code, which are licensed pursuant
38 to the provisions of §29-22A-1 *et seq.* of this code to operate video lottery terminals is the most
39 efficient and effective manner in which to regulate agents, licensees, and registrants.

40 (9) The Legislature finds that the granting of licenses and registrations pursuant to the
41 provisions of this article while maintaining all ownership rights and exercising control through strict

42 regulation of all West Virginia lottery table games authorized by the provisions of this article
43 constitutes an appropriate exercise by the Legislature of the power granted it by the Constitution
44 pursuant to the provisions of Section 36, Article VI of the Constitution of West Virginia.

45 (10) The Legislature finds that the operation of West Virginia lottery table games at
46 racetracks licensed pursuant to the provisions of §29-22A-1 *et seq.* of this code and by the
47 provisions of §19-23-1 *et seq.* of this code serves to protect, preserve, and promote the horse
48 and dog racing and breeding industries of this state and will serve to protect, promote, and
49 enhance the tourism industry of the state as well as the general fiscal well-being of the state and
50 its subdivisions.
