complaints which it receives in accordance with the provisions of Chapter 29B of this code, and
shall provide public access on a website to all completed disciplinary actions in which discipline

appropriate board any violations of individual practice acts by any individual.

by that board, it may apply to the circuit court for an order enjoining the act. Upon a showing that
the person has engaged, is engaging or is about to engage in any such act, the court shall order
an injunction, restraining order or other order as the court may deem appropriate.

(a) Whenever a board referred to in this chapter obtains information that an employee,
officer or member of the board may have misappropriated funds, engaged in fraud, or otherwise
violated a law relating to the public trust, the board shall timely report such information or
allegation in writing to the commission on special investigations, established in §4-5-1 et seq. of

(f) A board may deny an applicant an authorization to practice in this state if an applicant’s authorization to practice in another jurisdiction has been revoked. The denial may be made by the board without a hearing unless the applicant requests a hearing within 30 days of the denial. A hearing must be conducted pursuant to the provisions of this article or the provisions contained in the rules of the board.

§30A-1-11. Contents of license or certificate of registration.

Every license or certificate of registration issued by each board shall bear a serial or license number, the full name of the applicant, the date of issuance, and the seal of the board: Provided, That licenses or certificates of registration issued or renewed on or after July 1, 2020, will indicate both the date of issuance and the date of expiration. The licenses or certificates of registration shall be signed by the board’s president and secretary or executive secretary. No
license or certificate of registration granted or issued under the provisions of this chapter may be
assigned or transferred to another person.

Each board referred to in this chapter shall establish continuing education requirements
as a prerequisite to license renewal. A board shall develop continuing education criteria
appropriate to its discipline, which shall include, but not be limited to, course content, course
approval, hours required and reporting periods.

§30A-1-13. Denial, suspension or revocation of a license or registration; probation;
proceedings; effect of suspension or revocation; transcript; report; judicial

(a) Every board referred to in this chapter may suspend or revoke the license of any person
who has been convicted of a felony or who has been found to have engaged in conduct, practices,
or acts constituting professional negligence or a willful departure from accepted standards of
professional conduct. Where any person has been convicted of a felony or has been found to
have engaged in such conduct, practices, or acts, every board referred to in this chapter may also
enter into consent decrees, to reprimand, to enter into probation orders, to levy fines not to exceed
$1,000 per day per violation, or any of these, singly or in combination. Each board may also

Revenue Fund.

accordance with the provisions of §29A-3-1 et seq. of this code to delineate conduct, practices or
acts which, in the judgment of the board, constitute professional negligence, a willful departure
from accepted standards of professional conduct, or which may render an individual unqualified
or unfit for licensure, registration, or other authorization to practice.

(d) Every board referred to in this chapter may revoke the license or registration of an individual licensed or otherwise lawfully practicing within this state whose license or registration in any other state, territory, jurisdiction or foreign nation has been revoked by the licensing authority thereof.

(e) Notwithstanding any other provision of law to the contrary, no certificate, license, registration, or authority issued under the provisions of this chapter may be suspended or revoked without a prior hearing before the board or court which issued the certificate, license, registration or authority, except:

(1) A board is authorized to suspend or revoke a certificate, license, registration or authority prior to a hearing if the person’s continuation in practice constitutes an immediate danger to the public; or

(2) After due diligence, if a board cannot locate a person licensed under the provisions of this chapter within 60 days of a complaint being filed against the licensee, then the board may suspend the license, certificate, registration, or authority of the person without holding a hearing. After due diligence, if a Board still cannot locate the person licensed under the provisions of this chapter 30 days after the suspension of the person’s license, certificate, registration, or authority, then the board may revoke the license, certificate, registration or authority of the person without holding a hearing.

(f) In all proceedings before a board or court for the suspension or revocation of any certificate, license, registration, or authority issued under the provisions of this chapter, a statement of the charges against the holder of the certificate, license, registration, or authority and a notice of the time and place of hearing shall be served upon the person as a notice is served under §56-2-1 of this code at least 30 days prior to the hearing and he or she may appear with witnesses and be heard in person, by counsel, or both. The board may take oral or written proof, for or against the accused, as it may consider advisable. If upon hearing the board finds that the
charges are true, it may suspend or revoke the certificate, license, registration or authority and
suspension or revocation shall take from the person all rights and privileges acquired thereby.

(g) Pursuant to the provisions of §29A-5-1 of this code, informal disposition may also be
made by the board of any contested case by stipulation, agreed settlement, consent order, or
default. Further, the board may suspend its decision and place a licensee found by the board to
be in violation of the applicable practice on probation.

(h) Any person denied a license, certificate, registration, or authority who believes the
denial was in violation of this article or the article under which the license, certificate, registration,
or authority is authorized shall be entitled to a hearing on the action denying the license,
certificate, registration or authority. Hearings under this subsection are in accordance with the
provisions for hearings which are set forth in this section.

(i) A stenographic report of each proceeding on the denial, suspension, or revocation of a
certificate, license, registration, or authority shall be made at the expense of the board and a
transcript of the hearing retained in its files. The board shall make a written report of its findings,
which shall constitute part of the record.

Supreme Court of Appeals.

(k) On or before July 1, 2020, every board referred to in this chapter shall adopt procedural
rules in accordance with the provisions of §29A-3-1 et seq. of this code, which shall specify a
procedure for the investigation and resolution of all complaints against persons licensed under
this chapter.

(a) Every board referred to in this chapter is authorized to consider the reinstatement of
any license or registration that has been suspended, revoked, or not renewed, upon a showing
that the applicant can resume practicing with reasonable skill and safety.

(b) Each board may adopt a procedural rule in accordance with the provisions of §29A-3-

The board shall designate a mediator from the list by neutral rotation.

(c) The mediation is not considered a proceeding open to the public and any reports and records introduced at the mediation are not part of the public record. The mediator and all participants in the mediation shall maintain and preserve the confidentiality of all proceedings and records. The mediator may not be subpoenaed or called to testify or otherwise be subject to process requiring disclosure of confidential information in any proceeding relating to or arising out of the disciplinary or licensure matter mediated. Provided, That any confidentiality agreement and any written agreement made and signed by the parties as a result of mediation may be used in any proceedings subsequently instituted to enforce the written agreement. The agreements may be used in other proceedings if the parties agree to the use in writing.

(d) The mediation may not be used to delay any disciplinary proceeding.

§30A-1-16. Review by circuit court and supreme court of board's refusal to issue; suspension or revocation of license or registration.

A person, who has been refused a license or registration for any cause other than failure to pass the examination given by the board, or whose certificate, license, registration, or authority has been suspended or revoked, may, within 30 days after the decision of the board, present his or her petition in writing to the circuit court of the county in which such person resides, or to the judge of such court in vacation, praying for the review and reversal of such decision. Before presenting his or her petition to the court or judge, the petitioner shall mail copies thereof to the
president and secretary, respectively, of the board. Upon receipt of such copy the secretary shall forthwith transmit to the clerk of such court the record of the proceeding before the board. The court or judge shall fix a time for the review of said proceeding at his or her earliest convenience. Notice in writing of the time and place of such hearing shall be given to the president and secretary of the board at least 10 days before the date set therefor. The court or judge shall, without a jury, hear and determine the case upon the record of the proceedings before the board. The court or judge may enter an order affirming, revising or reversing the decision of the board if it appears that the decision was clearly wrong. Prior to the entry of such order, no order shall be made or entered by the court to stay or supersede any suspension, revocation or cancellation of any such certificate, license, registration, or authority. The judgment of the circuit court may be reviewed upon appeal in the Supreme Court of Appeals.

(a) The secretary of every board referred to in this chapter shall receive and account for all money which it derives pursuant to the provisions of this chapter which are applicable to it. With the exception of money received as fines, each board shall pay all money which is collected into a separate special fund of the State Treasury which has been established for each board. This money shall be used exclusively by each board for purposes of administration and enforcement of its duties pursuant to this chapter. Any money received as fines shall be deposited into the General Revenue Fund of the State Treasury. When the special fund of any board accumulates to an amount which exceeds twice the annual budget of the board or $10,000, whichever is greater, the State Treasurer shall:

(1) Transfer the excess amount to the state General Revenue Fund; and

(2) Notify the Legislative Auditor that the transfer has been made.

(b) (1) Every licensing board which is authorized by the provisions of this chapter shall be subject to audit by the office of the Legislative Auditor.
(2) Within a reasonable time after the State Treasurer notifies the Legislative Auditor of a transfer required to be made under this section, the Legislative Auditor shall conduct a review of the fee structure of the applicable board to determine if the amount of the board’s fees generate excessive revenue, when compared to the board’s normal expenses. If the Legislative Auditor finds that excess revenue is generated, he or she shall report his or her findings to the Legislature’s Joint Standing Committee on Government Organization, along with recommendations on how the fees can be adjusted to generate only the amount the board reasonably needs to operate under this chapter.

(a) Each member of every board in this chapter is entitled to receive compensation for attending official meetings or engaging in official duties not to exceed the amount paid to members of the Legislature for their interim duties as recommended by the Citizens Legislative Compensation Commission and authorized by law. The report shall be certified by the president and the secretary of the board, and a copy of the report shall be filed with the Secretary of State and with the legislative librarian.

(c) To promote public access, the secretary of every board shall ensure that the address and telephone number of the board are included every year in the state government listings of the Charleston area telephone directory. Every board shall regularly evaluate the feasibility of adopting additional methods of providing public access, including, but not limited to, listings in additional telephone directories, toll-free telephone numbers, facsimile, and computer-based communications.

§30A-1-28. Waiver of initial licensing fees for certain individuals; definitions.

(a) As used in this section:

(1) “Initial” means obtaining a license in West Virginia for the occupation sought for the first time;

(2) “Low-income individuals” means individuals in the local labor market as defined in §21-1C-2 of this code whose household adjusted gross income is below 130 percent of the federal poverty line. This term also includes any person enrolled in a state or federal public assistance program including, but not limited to, the Temporary Assistance for Needy Families Program, Medicaid, or the Supplemental Nutrition Assistance Program; and

(3) “Military families” means any person who serves as an active member of the armed forces of the United States, the National Guard, or a reserve component as described in 38 U.S.C. § 101, honorably discharged veterans of those forces, and their spouses. This term also includes surviving spouses of deceased service members who have not remarried.

(b) Each board or licensing authority referred to in this chapter shall waive all initial occupational licensing fees for the following classes of individuals:

(1) Low-income individuals; and

(2) Military families.

(c) Individuals seeking a waiver of initial occupational licensing fees must apply to the appropriate board or licensing authority in a format prescribed by the board or licensing authority. The board or licensing authority shall process the application within 30 days of receiving it from the applicant.
(d) The board or licensing authority shall propose rules for legislative approval in accordance with §29A-3-1 et seq. of this code to implement the provisions of this section.

§30A-1-29. Use of criminal records as disqualification from authorization to practice.

(a) Definitions. — For the purposes of this section:

(1) “Board” means the board, authority, or other agency authorized by the provisions of this chapter to issue licenses, certifications, registrations, or other authorizations to engage in a particular profession or occupation.

(2) “License” or “licensure” means the official authorization to engage in a profession or occupation issued by a board, pursuant to the requirements of this chapter.

(3) “Unreversed”, as that term refers to a criminal conviction, means that a conviction has not been set aside, vacated, pardoned, or expunged.

(b) (1) Boards subject to the requirements of this section may not disqualify an applicant from initial licensure to engage in a profession or occupation because of a prior criminal conviction that remains unreversed unless that conviction is for a crime that bears a rational nexus to the profession or occupation requiring licensure. In determining whether a criminal conviction bears a rational nexus to a profession or occupation, the board shall consider at a minimum:

(A) The nature and seriousness of the crime for which the individual was convicted;

(B) The passage of time since the commission of the crime;

(C) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the profession or occupation; and

(D) Any evidence of rehabilitation or treatment undertaken by the individual.

(2) Because the term “moral turpitude” is vague and subject to inconsistent applications, boards subject to the requirements of this section may not rely upon the description of a crime for which an applicant has been convicted as one of “moral turpitude” as a basis for denying licensure: Provided, That if the prior conviction for the underlying crime bears a rational nexus to
the profession or occupation requiring licensure, the board may consider the conviction according
to the requirements of subdivision (1) of this subsection.

(3) Notwithstanding any other provision of this chapter to the contrary, if an applicant is
disqualified from licensure because of a prior criminal conviction, a board shall permit the
applicant to apply for initial licensure if:

(A) A period of five years has elapsed from the date of conviction or the date of release
from incarceration, whichever is later;

(B) The individual has not been convicted of any other crime during the period of time
following the disqualifying offense; and

(C) The conviction was not for an offense of a violent or sexual nature: Provided, That a
conviction for an offense of a violent or sexual nature may subject an individual to a longer period
of disqualification from licensure, to be determined by the individual board.

(4) An individual with a criminal record who has not previously applied for licensure may
petition the appropriate board at any time for a determination of whether the individual’s criminal
record will disqualify the individual from obtaining a license. This petition shall include sufficient
details about the individual’s criminal record to enable the board to identify the jurisdiction where
the conviction occurred, the date of the conviction, and the specific nature of the conviction. The
board shall provide the determination within 60 days of receiving the petition from the applicant.

The board may charge a fee to recoup its costs for each petition.

(5) The requirements of this section do not apply to the criteria that boards may consider
when making determinations regarding relicensure or discipline of licensees.

(c) Every board subject to the provisions of this section shall propose rules or amendments
to existing rules for legislative approval to comply with the provisions of this section. These rules
or amendments to rules shall be proposed pursuant to the provisions of §29A-3-1 et seq. of this
code within the applicable time limit to be considered by the Legislature during its regular session
in the year 2020.

(2) Without payment of fees for the renewal of the license, certification or registration.

(b) The licensee, certificate holder, or registrant shall submit a waiver request to the appropriate board, informing the board of circumstances which include, but are not limited to,

   (1) Without meeting continuing education requirements for the license, certification, or registration when:

      (A) Circumstances associated with accompanying his or her spouse who is on active duty prevent the obtaining of continuing education, or

      (B) The licensee, certificate holder or registrant presents evidence that he or she performs or performed the profession or occupation while accompanying his or her spouse on active duty;

   and

   (2) Without payment of fees for the maintenance or renewal of the license, certification, or registration.

(financial statements) of (name of entity) as of (time period) for the (period) then ended. A
compilation is limited to presenting in the form of financial statements information that is the
representation of management (owners). I (We) have not audited or reviewed the accompanying
financial statements and, accordingly, do not express an opinion or any other form of assurance
on them. Management has elected to omit substantially all (or certain) required disclosures (and

No architect holding a registration may impress his or her seal on any technical submissions unless they were prepared under his or her direct supervision: Provided, That in the case of the portions of such technical submissions prepared under the direct supervision of persons consulting with or employed by the architect, the architect may sign or seal those portions of the technical submission if the architect has reviewed such portions and has coordinated their preparation.

(b) No public official charged with the enforcement duties of a municipal building inspector may accept or approve any technical submissions involving the practice of architecture unless the technical submissions have been stamped as required by this section or by a registered engineer or the applicant has certified thereon the applicability of a specific exception under §30A-2-12 of this code permitting the preparation of such technical submissions by a person not registered thereunder. A building permit issued with respect to technical submissions which do not conform with the requirements of this section is invalid.

§30A-3-8. Disciplinary powers.

The board may revoke, suspend or annul a registration, or impose a civil penalty in an amount not more than $2,000 for each violation, upon satisfactory proof to the board that any person has violated the provisions of this article or any rules promulgated by the board under this article. In hearing matters arising under this section, the board may take into account suitable evidence of reform.

Charges against any person involving any matter coming within the jurisdiction of the board shall be in writing and shall be filed with the board. Such charges, at the discretion of the
board, shall be heard within a reasonable time after being so filed. The accused person has the
right at such hearing to appear personally, with or without counsel, to cross-examine adverse
witnesses and to produce evidence and witnesses in his or her defense. The board shall set the
time and place for such hearing and shall cause a copy of the charges, together with a notice of
the time and place fixed for the hearing, to be sent by registered mail to the accused person, at
his or her latest place or residence or business known to the board, at least 30 days before such
date. If after such hearing the board finds the accused person has violated any of the provisions
of this article or any of the rules promulgated by the board, it may issue any order described in
§30A-3-8 of this code. If the board finds no such violation, then it shall enter an order dismissing
the charges. If the order revokes, suspends or annuls an architect's registration, the board shall
so notify, in writing, the Secretary of State and the clerk of the municipality in the state wherein
such architect has a place of business, if any.

The board may reissue a registration to any person whose registration has been revoked.
Application for the reissuance of the registration shall be made in such a manner as the board
may direct and shall be accompanied by a fee established in accordance with §30A-3-3 of this
code.

§30A-3-10. Registration; prima facie evidence.
Every registration issued and remaining in force is prima facie evidence in all courts of the
state that the person named therein is legally registered as an architect for the period for which it
is issued and of all other facts stated therein.

§30A-3-11. Prohibition.
Except as hereinafter set forth in §30A-3-12 of this code, no person may directly or
indirectly engage in the practice of architecture in the state or use the title “architect,” “registered
architect,” “architectural designer,” or display or use any words, letters, figures, titles, sign, card,
advertisement or other symbol or device indicating that such person is an architect or is practicing
architecture, unless he or she is registered under the provisions of this article. No person may aid
or abet any person, not registered under the provisions of this chapter, in the practice of architecture.

§30A-3-11a. Construction administration services required.

(a) The owner of any real property who allows a project to be constructed on such real property shall be engaged in the practice of architecture unless such owner may have employed or may have caused others to have employed a registered architect or registered engineer to furnish "construction administration services" with respect to such project.

(b) For purposes of this section, the following terms shall have the following meanings:

(1) "Building official" means the person appointed by the municipality or state subdivision having jurisdiction over the project to have principal responsibility for the safety of the project as finally built.

(2) "Construction administration services" comprises at the following services: (A) Visiting the construction site on a regular basis as is necessary to determine that the work is proceeding generally in accordance with the technical submissions submitted to the building official at the time the building permit was issued; (B) processing shop drawings, samples, and other submittals required of the contractor by the terms of construction contract documents; and (C) notifying an owner and the building official of any code violations, changes which affect code compliance, the use of any materials, assemblies, components, or equipment prohibited by a code, major or substantial changes between such technical submissions which he or she identifies as constituting a hazard to the public, which he or she observes in the course of performing his or her duties.

(3) "Owner" means with respect to any real property and of the following persons: (A) The holder of a mortgage secured by such real property; (B) the holder, directly or indirectly, of an equity interest in such real property exceeding 10 percent of the aggregate equity interests in such real property; (C) the record owner of such real property; or (D) the lessee of all or any portion of such real property when the lease covers all of that portion of such real property upon

of not less than 10 years.

(4) “Project” means the construction, enlargement, or alteration of a building, other than a
building exempted by the provisions of §30A-3-12 of this code, which has as its principal purpose
human occupancy or habitation.

(c) If the registered engineer or registered architect who sealed the technical submissions
which were submitted to the building official at the time the building permit was issued has not
been employed to furnish construction administration services at the time such registered
architect or registered engineer issued such technical submissions, he or she shall note on such
technical submissions that he or she has not been so employed. If he or she is not employed to
furnish construction administration services when construction of the project begins, he or she
shall file, not later than 30 days after such construction begins, with the board and with the building
official, on a form prescribed by the board, a notice setting forth the names of the owner or owners
known to him or her, the address of the project, and the name, if known to him or her, of the
registered architect employed to perform construction administration services. If he or she
believes that no registered architect or registered engineer has been so employed, he or she shall
so state on the form. Any registered architect or registered engineer who fails to place the note
on his or her technical submissions or to file such notice, as required by this paragraph, shall have
violated the provisions of this chapter and shall be subject to discipline as set forth herein.

(d) If the board determines, with respect to a particular project or class of projects, that the
public is adequately protected without the necessity of a registered architect or registered
engineer performing construction administrative services, the board may waive the requirements
of this section with respect to such project or class of projects.

§30A-3-12. Exceptions.

(b) The board's rules for examination shall include the following minimum requirements:

(1) An examination to qualify to be an engineer intern, to test the applicant's knowledge and understanding of the fundamentals of engineering; and

(2) An examination to qualify as a professional engineer, to test the applicant's knowledge and understanding of the principles and practice of engineering.

(c) If the board determines that the safe and ethical practice of engineering in this state requires examination of matters specific to the law and practice in this state, the board may also establish criteria, by legislative rule, for an examination of the applicant's knowledge and understanding of this state's statutes, rules, professional ethics and design requirements.

(d) A candidate for registration as a professional engineer who fails the examination of the
principles and practice of engineering may retake the examination one time upon payment of the

additional instruction or training to correct the candidate’s deficit areas of knowledge.

(e) In the event that examination requirements, test administration procedures, scoring or 
testing methods are modified by a board-approved testing entity providing standard tests for use

on it is entitled to all rights, privileges and responsibilities of a professional engineer.

(c) Every registrant shall obtain a seal for use in identifying his or her official professional 
work. The design of the seal shall be determined by the board and shall bear the registrant's

signature and date shall be placed on all specifications, reports, drawings, plans, design 
information and calculations in accordance with rules promulgated by the board. The seal and 
signature shall be used by registrants only when the work being stamped was under the
registrant's complete direction and control.

In the case of a registrant of another state using a temporary permit issued by this state, the registrant shall use the state of permanent registration seal and shall affix his or her signature and temporary permit number to all work. In the case of a registrant checking the work of an out-of-state registrant, the state registrant shall completely check and have complete dominion and control of the design. The complete dominion and control includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

(d) The board shall issue to any applicant who, in the opinion of the board, has met the requirements of this article, an enrollment card as engineer intern, which indicates that his or her name has been recorded in the board office. The required information shall include the sworn statement of the engineer in responsible charge who is a professional engineer registered in this state. The board shall issue a certificate of authorization to an applicant who has met all the requirements and paid the fees set forth in board rules.

(c) No person or firm is relieved of responsibility for the conduct or acts of its agents, employees, officers or partners due to compliance with the provisions of this article. No individual practicing engineering under the provisions of this article is relieved of responsibility for
engineering services performed due to his or her employment or other relationship with a person
or firm holding a certificate of authorization.

(d) An engineer who renders occasional, part-time or contract engineering services to or
for a firm may not be designated as being in responsible charge for the professional activities of
the firm unless that engineer is an owner or principal of the firm.

(e) The Secretary of State shall not issue a certificate of authority or business registration
or license to an applicant whose business includes, among the objectives for which it is
established, the words engineer, engineering or any modification or derivation thereof unless the
board of registration for this profession has issued to the applicant a certificate of authorization or
a letter indicating eligibility to receive the certificate. The certificate or letter from the board shall
be filed with the application filed with the Secretary of State to do business in West Virginia.

(f) The Secretary of State shall decline to register a trade name or service mark which
includes the words engineer, engineering or modifications or derivatives thereof in its business
name or logotype except those businesses holding a certificate of authorization issued under the
provisions of this article.

(g) The certificate of authorization may be renewed or reinstated in accordance with board
rule and upon payment of the required fees.

(h) Every holder of a certificate of authorization has a duty to notify the board promptly of
any change in information previously submitted to the board in an application for a certificate of
authorization.

§30A-4-18. Renewals and reinstatement.

(a) Certificates of registration and certificates of authorization expire on the last day of
December of the year indicated on the certificate, and the holder of any certificate that is not timely
renewed is ineligible to practice or offer to practice engineering in this state until the certificate

The person named in the form as the person authorized to direct disposition of the remains may arrange for the final disposition of the declarant's last remains.

(c) Any person who violates the provisions of this section is guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than $500, nor more than $1,000, or imprisoned not less than 10 days nor more than 90 days, or both.

arrangements for funeral goods and services to be provided upon the person’s death. The disposition directions and funeral prearrangements that are contained in a preneed burial contract are not subject to cancellation or revision unless any resources set aside to fund the preneed burial contract are insufficient under the terms of the preneed burial contract to carry out the disposition directions and funeral prearrangements contained in the contract.

(b) As to any matter not addressed in a preneed burial contract as described in subsection (a) of this section and except as provided in subsection (c) of this section, the right to control the disposition of the remains of a deceased person, the location, manner and conditions of disposition, and arrangements for funeral goods and services to be provided vests in the following, in the order named, provided that the person is 18 years or older and is of sound mind:

(2) The surviving spouse of the decedent;

(3) The sole surviving child of the decedent or, if there is more than one child of the
decedent, the majority of the surviving children. However, less than one half of the surviving
children shall be vested with the rights under this section if they have used reasonable efforts to
notify all other surviving children of their instructions and are not aware of any opposition to those
instructions on the part of more than one half of all surviving children;

(4) The surviving parent or parents of the decedent. If one of the surviving parents is
absent, the remaining parent shall be vested with the rights and duties under this section after
reasonable efforts have been unsuccessful in locating the absent surviving parent;

(5) The surviving brother or sister of the decedent or, if there is more than one sibling of
the decedent, the majority of the surviving siblings. However, less than the majority of surviving
siblings shall be vested with the rights and duties under this section if they have used reasonable
efforts to notify all other surviving siblings of their instructions and are not aware of any opposition
to those instructions on the part of more than one half of all surviving siblings;

(6) The surviving grandparent of the decedent or, if there is more than one surviving
grandparent, the majority of the grandparents. However, less than the majority of the surviving
grandparents shall be vested with the rights and duties under this section if they have used
reasonable efforts to notify all other surviving grandparents of their instructions and are not aware
of any opposition to those instructions on the part of more than one half of all surviving
grandparents;
(7) The guardian of the person of the decedent at the time of the decedent's death if one had been appointed;

(8) The personal representative of the estate of the decedent;

(9) The person in the classes of the next degree of kinship, in descending order, under the laws of descent and distribution to inherit the estate of the decedent. If there is more than one person of the same degree, any person of that degree may exercise the right of disposition;

(10) If the disposition of the remains of the decedent is the responsibility of the state or a political subdivision of the state, the public officer, administrator or employee responsible for arranging the final disposition of decedent's remains; or

(11) In the absence of any person under subdivisions (1) through (10) of this subsection, any other person willing to assume the responsibilities to act and arrange the final disposition of the decedent's remains, including the funeral director with custody of the body, after attesting in writing that a good-faith effort has been made to no avail to contact the individuals under subdivisions (1) through (10) of this subsection.

(c) A person entitled under law to the right of disposition forfeits that right, and the right is passed on to the next qualifying person as listed in subsection (b) of this section, in the following circumstances:

(1) Any person charged with murder or voluntary manslaughter in connection with the decedent's death and whose charges are known to the funeral director. However, if the charges against that person are dismissed or if the person is acquitted of the charges, the right of disposition is returned to the person;

(2) Any person who does not exercise his or her right of disposition within two days of notification of the death of decedent or within three days of decedent's death, whichever is earlier;

(3) If the person and the decedent are spouses and a petition to dissolve the marriage was pending at the time of decedent's death.

(d) Any person signing a funeral service agreement, cremation authorization form or any
other authorization for disposition shall be deemed to warrant the truthfulness of any facts set forth therein, including the identity of the decedent whose remains are to be buried, cremated or otherwise disposed of, and the party's authority to order the disposition. A funeral home has the right to rely on that funeral service agreement or authorization and shall have the authority to carry out the instructions of the person or persons the funeral home reasonably believes holds the right of disposition. The funeral home has no responsibility to independently investigate the existence of any next of kin or relative of the decedent where a means of disposition is fully set forth in a preneed funeral contract or other written directive of the deceased in accordance with this section.

If there is more than one person in a class who are equal in priority and the funeral home has no knowledge of any objection by other members of that class, the funeral home may rely on and act according to the instructions of the first person in the class to make funeral and disposition arrangements, if no other person in that class provides written objections to the funeral home.

(e) No funeral establishment or funeral director who relies in good faith upon the instructions of a preneed funeral contract, written directive of the deceased, or an individual claiming the right of disposition in accordance with this section shall be subject to criminal or civil liability or subject to disciplinary action under this section for carrying out the disposition of the remains in accordance with those instructions.

(b) The board may investigate the complaint. If the board finds upon investigation that probable cause exists that the licensee, or certificate or registration holder, has violated any provision of this article or the rules promulgated hereunder, then the board shall serve the licensee, or certificate or registration holder, with a written statement of charges and a notice specifying the date, time and place of the hearing. The hearing shall be held in accordance with the provisions of this article.

(c) In addition to other sanctions imposed, the board may require a licensee, or certificate or registration holder to pay the costs of the proceeding if the licensee, or certificate or registration holder is in violation of any provision of this article or the rules promulgated hereunder.

§30A-10-27. Unlawful acts.

It is unlawful for any person not licensed or certified under the provisions of this article to practice or offer to practice embalming, funeral directing or cremation, or to operate a funeral establishment or crematory in this state.

The provisions of this article do not apply to or interfere with:

the complaint and the board agree in writing to extend the time for the final ruling. The time period for final ruling shall be tolled for any delay requested or caused by the respondent or by counsel for the respondent and in no event shall a complaint proceeding be dismissed for exceeding the time standards in this section when such overage is the result of procedural delay or obstructive action by the accused or his or her counsel or agents.

(d) Every board shall provide public access to the record of the disposition of the complaints which it receives in accordance with the provisions of Chapter 29B of this code, and shall provide public access on a website to all completed disciplinary actions in which discipline was ordered. §30B-1-9. Reporting of fraud and misappropriation of funds.
(a) Whenever a board referred to in this chapter obtains information that an employee, officer or member of the board may have misappropriated funds, engaged in fraud, or otherwise violated a law relating to the public trust, the board shall timely report such information or allegation in writing to the commission on special investigations, established in §4-5-1 et seq. of this code.

(b) The reporting of such information under subsection (a) of this section shall not prevent, relieve or replace a report to a law-enforcement agency, if appropriate or warranted.

§30B-1-10. Application for license or registration; examination fee; establishment of application deadline and fees by legislative rule; prohibiting discrimination.

(a) An applicant for an authorization to practice under the provisions of this chapter shall apply in writing to the proper board and submit the applicable fees.

(b) Each board may establish, by legislative rule, a deadline for an application for an examination.

At least 30 days prior to proposing a rule on fees, the board shall notify its membership of the proposed rule by:

(1) Mailing a copy of the proposed rule to its membership; or

(2) Posting the proposed rule on its website and notifying its membership of the website posting by:

(e) A board may not discriminate against an applicant because of political or religious opinion or affiliation, marital status, race, color, gender, creed, age, national origin, disability or other protected group status.

(f) A board may deny an applicant an authorization to practice in this state if an applicant’s authorization to practice in another jurisdiction has been revoked. Every license or certificate of registration issued by each board shall bear a serial or license number, the full name of the applicant, the date of issuance, and the seal of the board: Provided, That licenses or certificates of registration issued or renewed on or after July 1, 2020, will indicate both the date of issuance and the date of expiration. The licenses or certificates of registration shall be signed by the board’s president and secretary or executive secretary. No license or certificate of registration granted or issued under the provisions of this chapter may be assigned or transferred to another person.

§30B-1-12. Denial, suspension or revocation of a license or registration; probation; proceedings; effect of suspension or revocation; transcript; report; judicial review.

(a) Every board referred to in this chapter may suspend or revoke the license of any person who has been convicted of a felony or who has been found to have engaged in conduct, practices, or acts constituting professional negligence or a willful departure from accepted standards of professional conduct. Where any person has been convicted of a felony or has been found to have engaged in such conduct, practices, or acts, every board referred to in this chapter may also enter into consent decrees, to reprimand, to enter into probation orders, to levy fines not to exceed $1,000 per day per violation, or any of these, singly or in combination. Each board may also
assess administrative costs. Any costs which are assessed shall be placed in the special account
of the board and any fine which is levied shall be deposited in the state Treasury's General
Revenue Fund.

(b) For purposes of this section, the word "felony" means a felony or crime punishable as
a felony under the laws of this state, any other state, or the United States.

(c) Every board referred to in this chapter may propose rules for legislative approval in
accordance with the provisions of §29A-3-1 et seq. of this code to delineate conduct, practices or
acts which, in the judgment of the board, constitute professional negligence, a willful departure
from accepted standards of professional conduct, or which may render an individual unqualified
or unfit for licensure, registration, or other authorization to practice.

(d) Every board referred to in this chapter may revoke the license or registration of an
individual licensed or otherwise lawfully practicing within this state whose license or registration
in any other state, territory, jurisdiction or foreign nation has been revoked by the licensing
authority thereof.

(e) Notwithstanding any other provision of law to the contrary, no certificate, license,
registration, or authority issued under the provisions of this chapter may be suspended or revoked
without a prior hearing before the board or court which issued the certificate, license, registration
or authority, except:

(1) A board is authorized to suspend or revoke a certificate, license, registration or
authority prior to a hearing if the person's continuation in practice constitutes an immediate danger
to the public; or

(2) After due diligence, if a board cannot locate a person licensed under the provisions of
this chapter within 60 days of a complaint being filed against the licensee, then the board may
suspend the license, certificate, registration, or authority of the person without holding a hearing.
After due diligence, if a Board still cannot locate the person licensed under the provisions of this
chapter 30 days after the suspension of the person's license, certificate, registration, or authority,
then the board may revoke the license, certificate, registration or authority of the person without holding a hearing.

(f) In all proceedings before a board or court for the suspension or revocation of any certificate, license, registration, or authority issued under the provisions of this chapter, a statement of the charges against the holder of the certificate, license, registration, or authority and a notice of the time and place of hearing shall be served upon the person as a notice is served under §56-2-1 of this code at least 30 days prior to the hearing and he or she may appear with witnesses and be heard in person, by counsel, or both. The board may take oral or written proof, for or against the accused, as it may consider advisable. If upon hearing the board finds that the charges are true, it may suspend or revoke the certificate, license, registration or authority and suspension or revocation shall take from the person all rights and privileges acquired thereby.

(g) Pursuant to the provisions of §29A-5-1 of this code, informal disposition may also be made by the board of any contested case by stipulation, agreed settlement, consent order, or default. Further, the board may suspend its decision and place a licensee found by the board to be in violation of the applicable practice on probation.

(h) Any person denied a license, certificate, registration, or authority who believes the denial was in violation of this article or the article under which the license, certificate, registration, or authority is authorized shall be entitled to a hearing on the action denying the license, certificate, registration or authority. Hearings under this subsection are in accordance with the provisions for hearings which are set forth in this section.

(i) A stenographic report of each proceeding on the denial, suspension, or revocation of a certificate, license, registration, or authority shall be made at the expense of the board and a transcript of the hearing retained in its files. The board shall make a written report of its findings, which shall constitute part of the record.

(j) All proceedings under the provisions of this section are subject to review by the Supreme Court of Appeals.
(k) On or before July 1, 2020, every board referred to in this chapter shall adopt procedural rules in accordance with the provisions of §29A-3-1 et seq. of this code, which shall specify a procedure for the investigation and resolution of all complaints against persons licensed under this chapter.

§30B-1-13. Reinstatement of license.

(a) Every board referred to in this chapter is authorized to consider the reinstatement of any license or registration that has been suspended, revoked, or not renewed, upon a showing that the applicant can resume practicing with reasonable skill and safety.

(b) Each board may adopt a procedural rule in accordance with the provisions of §29A-3-1 et seq. of this code, specifying forms and procedures for application for reinstatement.

§30B-1-14. Mediation of complaints.

(a) Any board referred to in this chapter may, on its own motion or by stipulation of the parties, refer any complaints against persons licensed under this chapter to mediation.

(b) Any board may maintain a list of mediators with expertise in professional disciplinary matters or may obtain a list from the West Virginia center for dispute resolution or the West Virginia State Bar's mediator referral service. The board shall designate a mediator from the list by neutral rotation.

(c) The mediation is not considered a proceeding open to the public and any reports and records introduced at the mediation are not part of the public record. The mediator and all participants in the mediation shall maintain and preserve the confidentiality of all proceedings and records. The mediator may not be subpoenaed or called to testify or otherwise be subject to process requiring disclosure of confidential information in any proceeding relating to or arising out of the disciplinary or licensure matter mediated: Provided, That any confidentiality agreement and any written agreement made and signed by the parties as a result of mediation may be used in any proceedings subsequently instituted to enforce the written agreement. The agreements may be used in other proceedings if the parties agree to the use in writing.
(d) The mediation may not be used to delay any disciplinary proceeding.

§30B-1-15. Review by circuit court and supreme court of board's refusal to issue; suspension or revocation of license or registration.

A person, who has been refused a license or registration for any cause other than failure to pass the examination given by the board, or whose certificate, license, registration, or authority has been suspended or revoked, may, within 30 days after the decision of the board, present his or her petition in writing to the circuit court of the county in which such person resides, or to the judge of such court in vacation, praying for the review and reversal of such decision. Before presenting his or her petition to the court or judge, the petitioner shall mail copies thereof to the president and secretary, respectively, of the board. (2) “Low-income individuals” means individuals in the local labor market as defined in §21-1C-2 of this code whose household adjusted gross income is below 130 percent of the federal poverty line. This term also includes any person enrolled in a state or federal public assistance program including, but not limited to, the Temporary Assistance for Needy Families Program, Medicaid, or the Supplemental Nutrition Assistance Program; and

(3) “Military families” means any person who serves as an active member of the armed forces of the United States, the National Guard, or a reserve component as described in 38 U.S.C. § 101, honorably discharged veterans of those forces, and their spouses. This term also includes surviving spouses of deceased service members who have not remarried.
(b) Each board or licensing authority referred to in this chapter shall waive all initial occupational licensing fees for the following classes of individuals:

(a) Definitions. — For the purposes of this section:

(1) “Board” means the board, authority, or other agency authorized by the provisions of this chapter to issue licenses, certifications, registrations, or other authorizations to engage in a particular profession or occupation.

(2) “License” or “licensure” means the official authorization to engage in a profession or occupation issued by a board, pursuant to the requirements of this chapter.

(3) “Unreversed”, as that term refers to a criminal conviction, means that a conviction has not been set aside, vacated, pardoned, or expunged.

(b) (1) Boards subject to the requirements of this section may not disqualify an applicant from initial licensure to engage in a profession or occupation because of a prior criminal conviction that remains unreversed unless that conviction is for a crime that bears a rational nexus to the profession or occupation requiring licensure. In determining whether a criminal conviction bears a rational nexus to a profession or occupation, the board shall consider at a minimum:

(A) The nature and seriousness of the crime for which the individual was convicted;

(B) The passage of time since the commission of the crime;
16 (C) The relationship of the crime to the ability, capacity, and fitness required to perform
17 the duties and discharge the responsibilities of the profession or occupation; and
18 (D) Any evidence of rehabilitation or treatment undertaken by the individual.
19
20 (2) Because the term "moral turpitude" is vague and subject to inconsistent applications,
21 boards subject to the requirements of this section may not rely upon the description of a crime for
22 which an applicant has been convicted as one of "moral turpitude" as a basis for denying
23 licensure: Provided, That if the prior conviction for the underlying crime bears a rational nexus to
24 the profession or occupation requiring licensure, the board may consider the conviction according
25 to the requirements of subdivision (1) of this subsection.
26
27 (3) Notwithstanding any other provision of this chapter to the contrary, if an applicant is
28 disqualified from licensure because of a prior criminal conviction, a board shall permit the
29 applicant to apply for initial licensure if:
30 (A) A period of five years has elapsed from the date of conviction or the date of release
31 from incarceration, whichever is later;
32 (B) The individual has not been convicted of any other crime during the period of time
33 following the disqualifying offense; and
34 (C) The conviction was not for an offense of a violent or sexual nature: Provided, That a
35 conviction for an offense of a violent or sexual nature may subject an individual to a longer period
36 of disqualification from licensure, to be determined by the individual board.
37
38 (4) An individual with a criminal record who has not previously applied for licensure may
39 petition the appropriate board at any time for a determination of whether the individual’s criminal
40 record will disqualify the individual from obtaining a license. This petition shall include sufficient
41 details about the individual’s criminal record to enable the board to identify the jurisdiction where
42 the conviction occurred, the date of the conviction, and the specific nature of the conviction. The
43 board shall provide the determination within 60 days of receiving the petition from the applicant.
44 The board may charge a fee to recoup its costs for each petition.
(5) The requirements of this section do not apply to the criteria that boards may consider when making determinations regarding relicensure or discipline of licensees.

(c) Every board subject to the provisions of this section shall propose rules or amendments to existing rules for legislative approval to comply with the provisions of this section. These rules or amendments to rules shall be proposed pursuant to the provisions of §29A-3-1 et seq. of this code within the applicable time limit to be considered by the Legislature during its regular session in the year 2020.

(2) Many current and former members of the United States Armed Forces have acquired extensive academic, professional and occupational training and experience in various professions and occupations while serving in the Armed Forces, comparable to or exceeding that required in this state to register for examination or qualify for licensure, certification, or registration for similar or related occupations and professions;

§30B-1B-2. Consideration of military education, training and experience for licensure or registration, generally.

Notwithstanding any law to the contrary, all boards referred to in this chapter shall, upon presentation of satisfactory evidence by an applicant for licensure, certification, or registration, consider the individual’s education, training, or experience as a member of the Armed Forces or Reserves of the United States, the National Guard of any state, or the military reserves of any state, as part of the evaluation process toward the qualifications to receive, or take examination for, that respective professional license, certification, or registration.

§30B-1B-3. Licensure, certification or registration of persons on military active duty outside this state; extension of licenses or registration; waiver of certain license, certification or registration requirements.

(1) Without meeting continuing education requirements for the license, certification, or registration when:
(A) Circumstances associated with accompanying his or her spouse who is on active duty prevent the obtaining of continuing education, or
(B) The licensee, certificate holder or registrant presents evidence that he or she performs or performed the profession or occupation while accompanying his or her spouse on active duty; and

(1) A completed application for temporary license, certification, or registration, as developed by the board;

(2) The required application fee;

(3) Proof that the applicant is married to a member of the Armed Forces of the United States who is on active duty; and

(4) Proof that the applicant holds a valid license, certification, or registration for the profession issued by another state, the District of Columbia, or a possession or territory of the United States, and whose license, certification, or registration is not and has not been the subject of disciplinary action in that jurisdiction.

(b) Notwithstanding subsection (a), a board may require the applicant to submit to a criminal history records check, to be paid for by the applicant, and the board may deny a request for a temporary license, certification, or registration if the criminal history records check provides reason to believe that the applicant does not meet the requirements of the board or presents a safety risk to the public.

(c) A temporary license expires six months after the date of issuance and is not renewable.

(d) An applicant under this section may submit an application for waiver of the temporary license application fee, and the board shall grant the waiver if the applicant has paid a fee for his or her previous license, certification, or registration in another state, the District of Columbia, or a

The amount of repayment shall be a pro rata portion of the total compensation which is equal to the portion of the year which the employee chose not to remain employed.

§30B-3-10. Prohibition of racial profiling.

(a) The Legislature finds that the use by a law-enforcement officer of race, ethnicity, or national origin in deciding which persons should be subject to traffic stops, stops and frisks, questioning, searches, and seizures is a problematic law-enforcement tactic. The reality or public perception of racial profiling alienates people from police, hinders community policing efforts, and causes law-enforcement officers and law-enforcement agencies to lose credibility and trust among the people law-enforcement is sworn to protect and serve. Therefore, the West Virginia Legislature declares that racial profiling is contrary to public policy and should not be used as a law-enforcement investigative tactic.

(b) For purposes of this section:

(1) The term “law-enforcement officer” means any duly authorized member of a law-enforcement agency who is authorized to maintain public peace and order, prevent and detect crime, make arrests and enforce the laws of the state or any county or municipality thereof.

(2) The term “municipality” means any incorporated town or city whose boundaries lie within the geographic boundaries of the state.

(3) The term “racial profiling” means the practice of a law-enforcement officer relying, to any degree, on race, ethnicity, or national origin in selecting which individuals to subject to routine investigatory activities, or in deciding upon the scope and substance of law-enforcement activity
following the initial routine investigatory activity. Racial profiling does not include reliance on race, ethnicity, or national origin in combination with other identifying factors when the law-enforcement officer is seeking to apprehend a specific suspect whose race, ethnicity, or national origin is part of the description of the suspect.

(4) The term “state and local law-enforcement agencies” means any duly authorized state, county or municipal organization employing one or more persons whose responsibility is the enforcement of laws of the state or any county or municipality thereof.

(c) No law-enforcement officer shall engage in racial profiling.

(d) All state and local law-enforcement agencies shall establish and maintain policies and procedures designed to eliminate racial profiling. Policies and procedures shall include the following:

(1) A prohibition on racial profiling;

(2) Independent procedures for receiving, investigating, and responding to complaints alleging racial profiling by law-enforcement officers;

(3) Procedures to discipline law-enforcement officers who engage in racial profiling;

(5) Any other policies and procedures deemed necessary by state and local law-enforcement agencies to eliminate racial profiling.

§30B-3-11. Certified law-enforcement officers who are separated from their employment.

(a) The certification of a law-enforcement officer who is separated from his or her employment with a West Virginia law-enforcement agency, shall immediately become inactive and remain inactive until the subcommittee authorizes reactivation of the officer’s certification pursuant to the procedure set forth in this section.

(b) Whenever a law-enforcement officer is separated from his or her employment with a
West Virginia law-enforcement agency, the chief law-enforcement officer of that law-enforcement agency shall notify the subcommittee of the separation within 10 days of the date of separation. The notification of the separation from employment shall include reason or reasons the officer is no longer employed.

(c) A person whose law-enforcement certification has become inactive pursuant to subsection (a), may apply to the subcommittee to have his or her certification reactivated.

(d) At the time of his or her application, an applicant for the reactivation of his or her certification, whether for employment purposes or otherwise, shall provide the subcommittee with an authorization for the release of his or her personnel file from the law-enforcement agency with which they were most recently employed.

(e) Upon receipt of an application for reactivation, the subcommittee shall review the notification of separation received from the law-enforcement agency with which the applicant was most recently employed, and unless the notification indicates that the separation from employment was based on circumstances that would result in the applicant being ineligible for certification pursuant to §30B-3-5 of this code, the subcommittee shall grant the applicant a temporary reactivation of his or her certification until a final determination is made pursuant to subsection (i).

(f) The subcommittee may request that the law-enforcement agency from which the applicant was most recently separated, provide a copy of the applicants personnel file or other information relevant to the applicant's separation of employment.

(g) Upon receipt of a request by the subcommittee, the chief law-enforcement official of the law-enforcement agency with which the applicant was most recently employed, or his or her designee, shall, within eight calendar days, provide the subcommittee with a copy of the applicant's personnel file or other information relevant to the applicant's separation of employment.

(h) An applicant shall be entitled to a copy of all documents or other materials submitted
to the subcommittee related to the application.

(i) Within 30 days of the receipt of the applicant's personnel file or any other information provided by the law-enforcement agency, the subcommittee shall review the information and issue a final decision.

(j) For the purpose of making a determination on an application for reactivation, the subcommittee is authorized to examine witnesses and to subpoena persons, books, records or documents from law-enforcement agencies in this state.

(k) An application for reactivation shall be approved unless the subcommittee affirmatively demonstrates, in writing, that the applicant has engaged in conduct that may result in his or her decertification. Where information available to the subcommittee indicates that the applicant has engaged in conduct that is in violation of this article or other laws or rules, the application for reactivation may not be granted.

(l) An applicant whose certification is not reactivated pursuant to a final decision of the subcommittee, may appeal the final decision of the subcommittee to the Governor's committee.

(m) Nothing in this section shall be construed to require the rehiring of a person by a law enforcement agency from which he or she was separated, even though the subcommittee authorizes his or her certification to be reactivated.

(n) A law-enforcement official, or appointing officer, or his or her designee, is immune from civil liability for providing to the subcommittee any information required or requested by this section.

(o) The provisions of this section apply only to those certified law-enforcement officers who are separated from employment with a West Virginia law enforcement agency after the effective date of this section during the 2011 Regular Session of the Legislature.

§30B-3-12. Law-enforcement officers to receive identification and certification to carry weapons off duty.
