51 the local child protective services plan shall, upon request, provide to the local child protective
52 services office any assistance and information as will enable it to fulfill its responsibilities.

53 (g)(1) In order to obtain information regarding the location of a child who is the subject of
54 an allegation of abuse or neglect, the Secretary of the Department of Health and Human
55 Resources may serve, by certified mail or personal service, an administrative subpoena on any
56 corporation, partnership, business, or organization for the production of information leading to
57 determining the location of the child.

68 (C) The inquiry is not too broad or indefinite;

69 (D) The information sought is not already in the possession of the Division of Child
70 Protective Services; and

73 necessary to compel an individual to provide information regarding the location of a child who is
74 the subject of an allegation of abuse or neglect, the secretary, or his or her designee, may seek
75 a subpoena from the circuit court with jurisdiction over the individual from whom the information
76 is sought.

77 (h) No child protective services caseworker may be held personally liable for any
78 professional decision or action taken pursuant to that decision in the performance of his or her
79 official duties as set forth in this section or agency rules promulgated thereupon. However, nothing
80 in this subsection protects any child protective services worker from any liability arising from the
81 operation of a motor vehicle or for any loss caused by gross negligence, willful and wanton
82 misconduct, or intentional misconduct.

83 (i) Beginning January 1, 2021, a child protective caseworker may file a grievance, as
