8	which may affect the powers, responsibilities or actions of the Commission.
9	(3) The Commission shall be entitled to receive service of process in any such proceeding
10	and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
11	service of process to the Commission shall render a judgment or order void as to the Commission,

13	(b) Default, Technical Assistance, and Termination:

15	of its obligations or responsibilities under this Compact or the promulgated rules, the Commission
16	shall:

22	from the Compact upon an affirmative vote of a majority of the Compact States, and all rights,
23	privileges, and benefits conferred by this Compact shall be terminated on the effective date of
24	termination. A remedy of the default does not relieve the offending state of obligations or liabilities
25	incurred during the period of default.
26	(3) Termination of membership in the Compact shall be imposed only after all other means
27	of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
28	submitted by the Commission to the Governor, the majority and minority leaders of the defaulting
29	state's legislature, and each of the Compact States.
30	(4) A Compact State which has been terminated is responsible for all assessments,
31	obligations, and liabilities incurred through the effective date of termination, including obligations
32	which extend beyond the effective date of termination.
33	(5) The Commission shall not bear any costs incurred by the state which is found to be in
34	default, or which has been terminated from the Compact, unless agreed upon in writing between
35	the Commission and the defaulting state.
36	(6) The defaulting state may appeal the action of the Commission by petitioning the U.S.
37	District Court for the state of Georgia or the federal district where the Compact has its principal
38	offices. The prevailing member shall be awarded all costs of such litigation, including reasonable
39	attorney's fees.

42	related to the Compact which arise among Compact States and between Compact and Non-

48	provisions and Rules of this Compact.

50	Court for the State of Georgia or the federal district where the Compact has its principal offices
51	against a Compact State in default to enforce compliance with the provisions of the Compact and
52	its promulgated Rules and Bylaws. The relief sought may include both injunctive relief and
53	damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded
54	all costs of such litigation, including reasonable attorney's fees.
55	(3) The remedies herein shall not be the exclusive remedies of the Commission. The
56	Commission may pursue any other remedies available under federal or state law.
	§30-21A-12. Date of implementation of the psychology interjurisdictional compact
	commission and associated rules, withdrawal, and amendments.
1	(a) The Compact shall come into effect on the date on which the Compact is enacted into
2	law in the seventh Compact State. The provisions which become effective at that time shall be
3	limited to the powers granted to the Commission relating to assembly and the promulgation of
4	rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the
5	implementation and administration of the Compact.
6	(b) Any state which joins the Compact subsequent to the Commission's initial adoption of
7	the rules shall be subject to the rules as they exist on the date on which the Compact becomes
8	law in that state. Any rule which has been previously adopted by the Commission shall have the
9	full force and effect of law on the day the Compact becomes law in that state.
10	(c) Any Compact State may withdraw from this Compact by enacting a statute repealing
11	the same.
12	(1) A Compact State's withdrawal shall not take effect until six months after enactment of
13	the repealing statute.
14	(2) Withdrawal shall not affect the continuing requirement of the withdrawing State's
15	Psychology Regulatory Authority to comply with the investigative and adverse action reporting

- 16 requirements of this act prior to the effective date of withdrawal.
- 17 (d) Nothing contained in this Compact shall be construed to invalidate or prevent any
- 18 psychology licensure agreement or other cooperative arrangement between a Compact State and
- 19 <u>a Non-Compact State which does not conflict with the provisions of this Compact.</u>
- 20 (e) This Compact may be amended by the Compact States. No amendment to this
- 21 Compact shall become effective and binding upon any Compact State until it is enacted into the
- 22 law of all Compact States.

#### §30-21A-13. Construction and severability.

- 1 This Compact may be amended by the Compact States. No amendment to this Compact
- 2 shall become effective and binding upon any Compact State until it is enacted into the law of all
- 3 Compact States.

NOTE: The purpose of this bill is to develop a compact that will increase public access to professional psychological services by allowing for telepsychological practice across state lines as well as temporary in-person, face-to-face services into a state which the psychologist is not licensed to practice psychology; to enhance the states' ability to protect the public's health and safety, especially client/patient safety; to encourage the cooperation of Compact States in the areas of psychology licensure and regulation; to facilitate the exchange of information between Compact States regarding psychologist licensure, adverse actions and disciplinary history; to promote compliance with the laws governing psychological practice in each Compact State; and to invest all Compact States with the authority to hold licensed psychologists accountable through the mutual recognition of Compact State licenses.
