

# WEST VIRGINIA LEGISLATURE

## 2020 REGULAR SESSION

Introduced

### House Bill 4750

FISCAL  
NOTE

BY DELEGATES ROWE AND PYLES

[Introduced February 07, 2020; Referred to the  
Committee on Education then Finance]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article,  
 2 designated §18C-8-1, §18C-8-2, §18C-8-3, §18C-8-4, §18C-8-5, §18C-8-6, §18C-8-7,  
 3 and §18C-8-8, all relating to creating the Katherine Johnson College Award Program;  
 4 providing tuition assistance to qualified students pursuing baccalaureate degrees in  
 5 eligible post-secondary programs at state regional colleges or universities.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 8. KATHERINE JOHNSON COLLEGE AWARD PROGRAM.**

**§18C-8-1. Short title.**

1 This article shall be known and may be cited as the Katherine Johnson College Award  
 2 Program.

**§18C-8-2. Findings by the Legislature.**

1 The Legislature finds that even with the many efforts made by the state to provide its  
 2 citizens with tuition assistance and other grants for post-secondary education, many potential  
 3 students remain uncertain that they can finance a four-year higher education, even at regional  
 4 colleges and universities conveniently located in or near their communities. Only when these  
 5 anticipated financial barriers are addressed, can the state improve the education level of its  
 6 citizens and workforce, enhance the quality of life for its citizens, develop and sustain economic  
 7 growth, improve the culture for education in secondary schools, and expand education opportunity  
 8 to all citizens.

9 The Legislature further finds that facilitating attendance at the state regional colleges and  
 10 universities supports the academic missions of these institutions to provide top level educational  
 11 opportunities to their students and also strengthens the contributions these institutions make in  
 12 the intellectual and cultural lives of the communities in the various regions of the state.

**§18C-8-3. Definitions.**

1 “Chancellor” means the Chancellor of the Higher Education Policy Commission.

2 “Eligible institution” means a state regional college or university as defined in this section.

3 “Eligible post-secondary program” means a curriculum of courses offered at one or more  
4 eligible institutions leading to a baccalaureate degree.

5 “State regional college or university” means Bluefield State College, Concord University,  
6 Fairmont State University, Glenville State College, Shepherd University, West Liberty University,  
7 West Virginia State University, or West Virginia University Institute of Technology.

8 “Tuition” means the semester or term charges imposed by an eligible institution required  
9 as a condition of enrollment by all students and includes mandatory fees.

**§18C-8-4. Katherine Johnson, space program mathematician, celebrated.**

1 The Legislature recognizes and celebrates the determination, work and success of  
2 Katherine Johnson, who is a native of White Sulphur Springs in Greenbrier County. Katherine  
3 Johnson is an internationally acclaimed physicist and mathematician who in 1937 graduated from  
4 the college that is today West Virginia State University. Following graduation, she became the  
5 first female African American graduate student to attend West Virginia University and began a  
6 career of accomplishment as a lead mathematician for the national space program of the National  
7 Aeronautics and Space Administration. The State of West Virginia salutes Katherine Johnson for  
8 her success with the national space program and as an example of a woman, mother and African  
9 American who excelled in her career in a time when women, mothers and African Americans were  
10 limited in their opportunities.
