778 commissioner shall notify the organization of the commissioner's approval or disapproval of the
779 application.

780 (C)(i) The commissioner may not begin the design or production of any license plates
781 authorized and approved pursuant to this subdivision until the organization which applied for the
782 special registration plate has collected and submitted collectively to the division applications
783 completed by at least 250 persons and collectively deposited with the division all fees necessary
784 to cover the first year's basic registration, one-time design and manufacturing costs, and to cover
785 the first year additional annual fee for all of the applications submitted.

786 (ii) If the organization fails to submit the required number of applications and fees within
787 six months of the effective date of the approval of the application for the plate by the
788 commissioner, the plate will not be produced until a new application is submitted and is approved
789 by the commissioner: *Provided*, That an organization that is unsuccessful in obtaining the
790 minimum number of applications may not make a new application for a special plate until at least
791 two years have passed since the approval of the previous application of the organization.

792 (D) The division shall charge a special initial application fee of \$25 for each special license
793 plate in addition to all other fees required by law. This special fee shall be collected by the division

794 and deposited in the State Road Fund.

795 (E) The division shall charge an annual fee of \$15 for each special registration plate in
796 addition to all other fees required by this chapter.

797 (F) Upon appropriate application, the division may issue a special registration plate
798 designed by the commissioner in consultation with the organization for any number of vehicles
799 titled in the name of a qualified registration plate applicant. Persons desiring the special
800 registration plate shall offer sufficient proof of membership in the organization.

801 (G) The commissioner shall discontinue the issuance or renewal of the registration of any
802 special plate issued pursuant to this subdivision if:

803 (i) The number of valid registrations for the specialty plate falls below 250 plates for at
804 least 12 consecutive months; or

805 (ii) The organization no longer exists or no longer meets the requirements of this
806 subdivision.

807 (d) The minimum number of applications required prior to design and production of a
808 special license plate shall be as follows:

809 (1) The commissioner may not begin the design or production of any license plates for
810 which eligibility is based on membership or affiliation with a particular private organization until at
811 least 100 persons complete an application and deposit with the organization a check to cover the
812 first year's basic registration, one-time design and manufacturing costs, and to cover the first year
813 additional annual fee. If the organization fails to submit the required number of applications with
814 attached checks within six months of the effective date of the original authorizing legislation, the
815 plate will not be produced and will require legislative reauthorization: *Provided*, That an
816 organization or group that is unsuccessful in obtaining the minimum number of applications may
817 not request reconsideration of a special plate until at least two years have passed since the
818 effective date of the original authorization: *Provided, however*, That the provisions of this
819 subdivision are not applicable to the issuance of plates authorized pursuant to §17A-3-14(c)(60)

820 of this code.

821 (2) The commissioner may not begin the design or production of any license plates
822 authorized by this section for which membership or affiliation with a particular organization is not
823 required until at least 250 registrants complete an application and deposit a fee with the division
824 to cover the first year's basic registration fee, one-time design and manufacturing fee, and
825 additional annual fee if applicable. If the commissioner fails to receive the required number of
826 applications within six months of the effective date of the original authorizing legislation, the plate
827 will not be produced and will require legislative reauthorization: *Provided*, That if the minimum
828 number of applications is not satisfied within the six months of the effective date of the original
829 authorizing legislation, a person may not request reconsideration of a special plate until at least
830 two years have passed since the effective date of the original authorization.

831 (e)(1) Nothing in this section requires a charge for a free prisoner of war license plate or
832 a free recipient of the Congressional Medal of Honor license plate for a vehicle titled in the name
833 of the qualified applicant as authorized by other provisions of this code.

834 (2) A surviving spouse may continue to use his or her deceased spouse's prisoner of war
835 license plate or Congressional Medal of Honor license plate until the surviving spouse dies,
836 remarries, or does not renew the license plate.

837 (3) Qualified former prisoners of war and recipients of the Congressional Medal of Honor
838 may obtain a second special registration plate for use on a passenger vehicle titled in the name
839 of the qualified applicant. The division shall charge a one-time fee of \$10 to be deposited into the
840 State Road Fund, in addition to all other fees required by this chapter, for the second special
841 plate.

842 (f) The division may issue special 10-year registration plates as follows:

843 (1) The commissioner may issue or renew for a period of no more than 10 years any
844 registration plate exempted from registration fees pursuant to any provision of this code or any
845 restricted use antique motor vehicle license plate authorized by §17A-10-3a of this code:

846 *Provided*, That the provisions of this subsection do not apply to any person who has had a special
847 registration suspended for failure to maintain motor vehicle liability insurance as required by
848 §17D-2A-3 of this code or failure to pay personal property taxes as required by §17A-3-3a of this
849 code.

850 (2) An initial nonrefundable fee shall be charged for each special registration plate issued
851 pursuant to this subsection, which is the total amount of fees required by §17A-3-3, §17A-10-3a,
852 or §17A-10-15 of this code for the period requested.

853 (g) The provisions of this section may not be construed to exempt any registrant from
854 maintaining motor vehicle liability insurance as required by §17D-2A-3 of this code or from paying
855 personal property taxes on any motor vehicle as required by §17A-3-3a of this code.

856 (h) The commissioner may, in his or her discretion, issue a registration plate of
857 reflectorized material suitable for permanent use on motor vehicles, trailers, and semitrailers,
858 together with appropriate devices to be attached to the registration to indicate the year for which
859 the vehicles have been properly registered or the date of expiration of the registration. The design
860 and expiration of the plates shall be determined by the commissioner. The commissioner shall,
861 whenever possible and cost effective, implement the latest technology in the design, production,
862 and issuance of registration plates, indices of registration renewal and vehicle ownership
863 documents, including, but not limited to, offering Internet renewal of vehicle registration and the
864 use of bar codes for instant identification of vehicles by scanning equipment to promote the
865 efficient and effective coordination and communication of data for improving highway safety,
866 aiding law enforcement, and enhancing revenue collection.

867 (i) Any license plate issued or renewed pursuant to this chapter which is paid for by a
868 check that is returned for nonsufficient funds is void without further notice to the applicant. The
869 applicant may not reinstate the registration until the returned check is paid by the applicant in
870 cash, money order, or certified check and all applicable fees assessed as a result thereof have
871 been paid.

872 (j) The division shall, upon request of a qualifying applicant, exempt one nonexempt
873 military special registration plate per qualifying applicant from all registration fees. For purposes
874 of this subsection:

875 (1) "Exempt military special registration plate" means a special registration plate related
876 to military service that is issued pursuant to this section for which registration fees are exempt
877 pursuant to this section or §17A-10-8 of this code, including, but not limited to, a special
878 registration plate issued to one of the following:

879 (A) A disabled veteran pursuant to §17A-3-14(c)(6), §17A-10-8(4), or §17A-10-8(5) of this
880 code;

881 (B) A recipient of the Purple Heart medal pursuant to §17A-3-14(c)(7) of this code;

882 (C) A survivor of the attack on Pearl Harbor pursuant to §17A-3-14(c)(8) of this code;

883 (D) A former prisoner of war pursuant to §17A-10-8(6) of this code; or

884 (E) A recipient of the Congressional Medal of Honor pursuant to §17A-10-8(7) of this code.

885 (2) "Nonexempt military special registration plate" means a special registration plate
886 related to military service that is issued pursuant to this section for which registration fees are not
887 exempt pursuant to this section or §17A-10-8 of this code, including, but not limited to, special
888 registration plate issued to one of the following:

889 (A) A member of the National Guard forces pursuant to §17A-3-14(c)(3) of this code;

890 (B) An honorably discharged veteran pursuant to §17A-3-14(c)(5) or §17A-3-14(c)(21) of
891 this code;

892 (C) An honorably discharged Marine Corps League member pursuant to §17A-3-14(c)(13)
893 of this code;

894 (D) A member of a military organization pursuant to §17A-3-14(c)(14) of this code;

895 (E) A recipient of the Navy Cross, Distinguished Service Cross, Distinguished Flying
896 Cross, Air Force Cross, Bronze Star, Silver Star, or Air Medal pursuant to §17A-3-14(c)(20) of this
897 code;

898 (F) A recipient of the Combat Infantry Badge or the Combat Medic Badge pursuant to
899 §17A-3-14(c)(29) of this code;

900 (G) An honorably discharged female veteran pursuant to §17A-3-14(c)(33) of this code;

901 (H) A person retired from any branch of the armed services of the United States pursuant
902 to §17A-3-14(c)(36) of this code; or

903 (I) A member of the 82nd Airborne Division Association pursuant to §17A-3-14(c)(40) of
904 this code.

905 (3) "Qualifying applicant" means an applicant who qualifies for an exempt military special
906 registration plate, and who also qualifies for a nonexempt military special registration plate, who
907 requests that the division issue one such nonexempt military special registration plate instead of
908 such exempt military special registration plate in order to have such nonexempt military special
909 registration plate be exempt from the payment of registration fees.

NOTE: The purpose of this bill is to allow a veteran or current member of the military who qualifies for a military special registration plate that is exempt from all registration fees (such as the Purple Heart combat wounded plate), but who also qualifies for another military special registration plate for which registration fees are not exempt (such as a Marine Corps plate), to select one nonexempt plate instead of the exempt plate without having to pay the registration fee for the nonexempt plate. This would, for example, permit a Purple Heart recipient to obtain one Marine Corps plate instead of the Purple Heart plate without having to pay registration fees for such Marine Corps plate.
