1	A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article,
2	designated §5-9A-1, §5-9A-2, §5-9A-3, and §5-9A-4, all relating to job creation and
3	economic incentives; making findings and stating its purpose; creating the Tax and
4	Economic Incentives Review Committee; establishing who may serve on the committee;
5	establishing the committee's powers; providing for the review of all tax and economic
6	incentives every five years; providing guidelines for the review of incentives; requiring
7	reports; and defining terms.

Be it enacted by the Legislature of West Virginia:

ARTICLE 9A. REVIEW, EVALUATION, AND ANALYSIS OF TAX AND ECONOMIC INCENTIVES.

§5-9A-1. Legislative intent and purpose.

- 1 The Legislature finds and declares that:
- 2 (1) The State of West Virginia and its political subdivisions rely on a number of tax and 3 economic development incentives, including credits, exemptions, and deductions, as well as 4 economic development programs that utilize the proceeds of state and local revenues to 5 encourage businesses to locate, hire employees, expand, invest, and/or remain in the state; 6 (2) These various tax incentives and economic development programs are intended as a 7 tool for economic development, promoting new jobs and business growth in West Virginia; 8 (3) Given the changing nature of the economy and tax structures of other states, the 9 Legislature finds that the state needs a systematic approach for evaluating whether incentives 10 and economic development programs are fulfilling their intended purposes in a cost-effective 11 manner and for those analyses to become a part of the budget and policymaking process; and (4) A committee is necessary to make recommendations to optimize tax policy with the 12 13 intent to increase GDP growth across any and all existing or potential revenue sectors of the West 14 Virginia economy.
