4 as a statutorily exempt school.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 1. GOVERNANCE.**

**§18B-1-1f. State college and university exemption status.**

1 (a) The Legislature finds that:

2 (1) Efficiencies, entrepreneurialism, and the effectiveness of governing boards in fulfilling  
3 certain goals can be incentivized through the accountability and autonomy associated with  
4 exemption status for state colleges and universities based on meeting certain criteria; and

5 (2) Leading higher education authorities in the nation identify common, key performance  
6 indicators as an important measure of institutional effectiveness, including, but not limited to,  
7 enrollment benchmarks, fiscal benchmarks, and student success benchmarks.

8 (b) The following definitions apply to terms used in this section:

9 (1) "Administratively exempted schools" means state colleges and universities:

10 (A) That achieve and maintain three out of five of the following:

11 (i) Graduation rates: A three-year average graduation rate of not less than 45 percent;

12 (ii) Retention rates: A three-year average retention rate of not less than 60 percent; and

16 and

17 (v) Composite Financial Index: A Composite Financial Index of not less than one as  
18 reported in the college and university's audited financial statements; or

19 (B) Whose governing board requests a review by the chancellor of any special  
20 circumstances and the commission grants administratively exempted status based on those  
21 special circumstances as verified by the chancellor after his or her review.

22 (2) "Composite Financial Index" means the benchmarking tool used by the Higher  
23 Learning Commission as a financial indicator and developed specifically for the higher education  
24 industry and is a combination of several different ratios, each of which is comprised of data that,  
25 when analyzed further, can provide insight into an institution's financial health and inform  
26 decision-making processes;

27 (3) "Credit headcount enrollment" means the total number of unique students, but not  
28 counting dual-enrolled high school students, who enrolled in credit-bearing classes during the fall,  
29 spring, and summer terms in a given academic year at a specific institution;

30 (4) "Days of cash reserved" means the audited end of fiscal year cash balance, multiplied  
31 by 365, and then divided by the audited total expenses less depreciation, and less other post  
32 employment benefit and pension liability expenses;

33 (5) "Graduation rates" means the proportion of first time in college students who obtain a  
34 bachelor's degree within six years, as further defined by and reported to the commission;

38 of this code.

39 (c) Any state college and university may apply to the commission for designation as an  
40 administratively exempted school. The commission shall make its determination as to whether to  
41 grant or deny exemption designation based on the definition of administratively exempted school.  
42 The commission shall propose rules for legislative approval pursuant to §29A-3A-1 *et seq.* of this  
43 code to implement the provisions of this section and that addresses loss of an administratively  
44 exempted designation. The rule shall at least include the following:

45 (1) After the first year an administratively exempted school fails to meet three of the five  
46 criteria under the definition of administratively exempted schools, the commission may advise the  
47 institution on strategies that may be implemented in order to meet three of the five criteria before  
48 the following year;

49 (2) An institution may not lose its designation as an administratively exempted school until  
50 it has failed to meet three of the five criteria under the definition of administratively exempted  
51 schools for two consecutive years;

52 (3) If an institution is administratively exempt based on special circumstances, the  
53 commission may revoke the administratively exempted status of a state college and university if  
54 it determines that the special circumstance that the state college and university's administratively  
55 exempted status is based on no longer exists; and

56 (4) The commission shall provide notice to the institution at least 30 days before revoking  
57 the institution's administratively exempted status.

62 §18B-1-2 of this code, are institutions of unique characteristics and their continuing inclusion as  
63 a statutorily exempted school is confirmed; and

64 (2) No other state institution of higher education maintains exempted school status  
65 pursuant to any other provision of this code except any exempted school status designated by  
66 the commission pursuant to this section: *Provided*, That notwithstanding any provision of this  
67 section to the contrary, any college or university shall be exempt from the requirement that the  
68 commission approve the establishment of new four-year programs on their own campuses for  
69 programs incentivized within the funding formula established in §18B-1B-4 of this code if the state

70 appropriation to that school is less than 40 percent of their operating expenses for three  
71 consecutive years.

72 (e) Notwithstanding any other provision of this code to the contrary, any state college and  
73 university that applies and is designated by the commission as an administratively exempted

83 to §18B-5-4 of this code, upon adoption by the board of governors of said school of its own rule
