3 parking facilities on the streets or otherwise, parks and recreational facilities, street cleaning,  
4 street lighting, street maintenance and improvement, sewerage and sewage disposal, and the

6 plenary power and authority to provide by ordinance for the installation, continuance,  
7 maintenance, or improvement of the service, to make reasonable regulations of the service, and to  
8 impose by ordinance upon the users of the service reasonable rates, fees, and charges to be  
9 collected in the manner specified in the ordinance: Provided, That no fee shall be charged or  
10 assessed against a person solely because that person is employed within the jurisdiction of the  
11 municipality.

12 (b) Any sewerage and sewage disposal service and any service incident to the collection  
13 and disposal of garbage, refuse, waste, ashes, trash, and any other similar matter is subject to the  
14 provisions of Chapter 24 of this code.

15 (c) A municipality shall not have a lien on any property as security for payments due under  
16 subsection (a) of this section except as provided in subsection (d) of this section.

17 (d) A municipality may enact an ordinance, pursuant to this section, permitting it to file a  
18 lien on real property located within the municipal corporate limits for unpaid and delinquent fire,  
19 police, or street fees. The ordinance must provide an administrative procedure for the  
20 municipality's assessment and collection of the fees. The administrative procedure must require

21 that, before any lien is filed, the municipality will give notice to the property owner, by certified mail,  
22 return receipt requested, that the municipality will file the lien unless the delinquency is paid by a  
23 date stated in the notice, which must be no less than 90 days from the date the notice is mailed.  
24 The administrative procedure must include the right to appeal to the circuit court of the county in  
25 which the real property is located. The circuit court shall consider the appeal under its general  
26 authority, including but not limited to §51-2-2(f) of this code.

27 (e) Notwithstanding the provisions of §8-11-4 of this code, any ordinance enacted or  
28 substantially amended under the provisions of this section shall be published as a Class II legal  
29 advertisement in compliance with the provisions of §59-3-1 *et seq.* of this code. The publication  
30 area for the publication is the municipality.

31 (f) In the event 30 percent of the qualified voters of the municipality, by petition duly signed  
32 by them in their own handwriting and filed with the recorder of the municipality within 45 days after  
33 the expiration of the publication, protest against the ordinance as enacted or amended, the  
34 ordinance shall not become effective until it is ratified by a majority of the legal votes cast by the  
35 qualified voters of the municipality at a regular municipal election or special municipal election, as  
36 the governing body directs. Voting shall not take place until after notice of the submission is given  
37 by publication as provided in subsection (e) of this section.

38 (g) The powers and authority granted to municipalities and to the governing bodies of  
39 municipalities in this section are in addition and supplemental to the powers and authority named  
40 in any charters of the municipalities.

41 (h) Notwithstanding any other provisions of this section, if rates, fees, and charges  
42 provided in this section are imposed by the governing body of a municipality for the purpose of  
43 replacing, and in amounts approximately sufficient to replace in its general fund amounts  
44 appropriated to be paid from ad valorem taxes upon property within the municipality, pursuant to  
45 an election duly called and held under the Constitution and laws of the state to authorize the  
46 issuance and sale of the municipality's general obligation bonds for public improvement purposes,

47 the call for the election shall state that the governing body of the municipality proposes to impose  
48 rates, fees, and charges in specified amounts under this section for the use of one or more of the  
49 services specified in subsection (a) of this section, which shall be related to the public  
50 improvement proposed to be made with the proceeds of the bonds, no notice, publication of  
51 notice, or referendum, or election or other condition or prerequisite to the imposition of the rates,

57 that were postmarked on or before the due date shall be considered to be on time and shall not be
