1 (a) A PROMISE scholarship annual award shall meet the following conditions:

2 (1) For a student enrolled in a state institution of higher education, the annual award is  
 3 equal to the lesser of the cost of tuition or \$4,750, except that a student who was awarded and  
 4 used a PROMISE scholarship annual award prior to January 1, 2010, shall continue to receive the  
 5 annual award calculated under the same terms and conditions that applied on the day before the  
 6 effective date of this article;

7 (2) For a student enrolled in an eligible institution other than a state institution of higher  
 8 education, the annual award is equal to, but may not exceed, the lesser of the cost of tuition or

 10 prior to January 1, 2010, shall continue to receive the annual award calculated under the same  
 11 terms and conditions that applied on the day before the effective date of this article;

12 (3) The annual award may exceed \$4,750, if the commission determines that adequate  
 13 funds are available, but in any case may not be greater than the actual cost of tuition;

14 (4) The annual award shall be used by an eligible institution to supplement, but may not  
 15 supplant, a tuition and fee waiver for which the individual is eligible pursuant to §18B-10-5, §18B-  
 16 10-6a, §18B-10-7, or §18B-10-7b of this code.

 18 each student enrolled in a state institution of higher education in a major which falls within the

19 fields of science, technology, engineering, and mathematics (STEM), as determined by the  
20 commission, the annual award shall cover full tuition, room and board.

21 (b) The total cost of all scholarships awarded by the commission in any year may not  
22 exceed the amount of funds available to the commission during that fiscal year.

23 (c) In order to be eligible to receive a PROMISE scholarship award, an individual shall:

24 (1) Submit a scholarship award application to the commission:

25 (A) Within two years of completing a secondary education program in a public, private, or  
26 home school or within two years of obtaining a GED or equivalent; or

27 (B) Within seven years of initially entering military service, and within one year of discharge

36 excluding credits earned in advanced placement, international baccalaureate, dual credit, and  
37 comparable courses while the student is enrolled in high school;

38 (4) Maintain appropriate academic progress toward the completion of a degree at the

48 undergraduate education at that institution or any other eligible institution under the following  
49 circumstances:

50 (A) The institution at which the student is enrolled loses its status as an eligible institution  
51 pursuant to the provisions of §18B-7-3(b)(1) of this code; and

52 (B) The student meets all other renewal requirements of this code and of commission  
53 rules.

54 (d) It is the intent of the Legislature that the commission shall strongly encourage  
55 prospective candidates for the PROMISE scholarship to perform at least 20 hours of unpaid  
56 community service while in high school to help prepare them for success in post-secondary  
57 education. The community service may include, but is not limited to, participation with nonprofit,

65 (1) The rule shall include at least the following provisions:

66 (A) The amount of a PROMISE scholarship award in combination with aid from all other  
67 sources may not exceed the cost of education at the institution the recipient is attending. This  
68 provision does not apply to members of the West Virginia National Guard, recipients of an

77 §18-30-1 *et seq.* of this code;

78 (D) A provision defining the relationship of PROMISE scholarship awards to all other

83 and

84 (iii) Clarification of the relationship between the PROMISE Scholarship Program, tuition

85 savings plans and other state-funded student financial aid programs;

86 (E) A method for awarding scholarships within the limits of available appropriations,

87 including circumstances when program funds are not sufficient to provide awards to all eligible

88 applicants. The commission may not use any of the following methods:

95 scholarship recipient chooses to work outside the state after graduation. The rule may not require

96 a recipient to repay a scholarship, in whole or in part, unless the prospective recipient has been

97 informed of this requirement in writing before initial acceptance of the PROMISE scholarship  
98 award;

99 (B) Targeting a portion of the scholarship funds to be used for applicants enrolled in an  
100 engineering, science, technology or other designated program;

101 (C) Determining what other sources of funding for higher education are to be deducted  
102 from the PROMISE scholarship award; and

103 (D) Providing additional criteria as determined by the commission.

104 (3) The Legislature finds that an emergency exists and, therefore, the commission shall file  
105 a rule to implement the provisions of this section as an emergency rule pursuant to the provisions  
106 of §29A-3A-1 *et seq.* of this code. The rule is subject to the prior approval of the Legislative  
107 Oversight Commission on Education Accountability.

108 (4) Any rule promulgated by the commission pursuant to previous enactments of this  
109 article in effect on the effective date of the amendment and reenactment of this article in the year  
110 2009 remains in effect until amended, modified, repealed, or replaced by the commission.
