138 article and maintain the ability to engage in other gainful employment which exists within the state,
139 but which ability would not enable him or her to earn an amount at least equal to two thirds of the
140 average annual compensation earned by all active members of this plan during the plan year

153 Regulation §1.401(a)-1(b)(2)(v) as they may be amended from time to time.

154 (ii) "Regular interest" means the rate or rates of interest per annum, compounded annually,
155 as the board adopts in accordance with the provisions of this article.

169 by reason of any medically determined physical or mental impairment that can be expected to
170 result in death or that has lasted or can be expected to last for a continuous period of not less than
171 12 months. For purposes of this subdivision:

172 (1) A member is totally disabled only if his or her physical or mental impairment or
173 impairments are so severe that he or she is not only unable to perform his or her previous work as
174 a deputy sheriff but also cannot, considering his or her age, education and work experience,
175 engage in any other kind of substantial gainful employment which exists in the state regardless of
176 whether: (A) The work exists in the immediate area in which the member lives; (B) a specific job

177 vacancy exists; or (C) the member would be hired if he or she applied for work.

178 (2) "Physical or mental impairment" is an impairment that results from an anatomical,
179 physiological, or psychological abnormality that is demonstrated by medically accepted clinical
180 and laboratory diagnostic techniques. A member's receipt of Social Security disability benefits
181 creates a rebuttable presumption that the member is totally disabled for purposes of this plan.
182 Substantial gainful employment rebuts the presumption of total disability.

183 ~~(pp)~~ Year of service. — A member shall, except in his or her first and last years of covered
184 employment, be credited with year of service credit based upon the hours of service performed as
185 covered employment and credited to the member during the plan year based upon the following
186 schedule:

187	Hours of Service	Years of Service Credited
188	Less than 500	0
189	500 to 999	1/3
190	1,000 to 1,499	2/3
191	1,500 or more	1

192 During a member's first and last years of covered employment, the member shall be
193 credited with one-twelfth of a year of service for each month during the plan year in which the
194 member is credited with an hour of service. A member is not entitled to credit for years of service
195 for any time period during which he or she received disability payments under §7-14D-14 or §7-
196 14D-15 of this code. Except as specifically excluded, years of service include covered
197 employment prior to the effective date. Years of service which are credited to a member prior to his
198 or her receipt of accumulated contributions upon termination of employment pursuant to §7-14D-
199 13 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the
200 member repays the accumulated contributions with interest pursuant to §7-14D-13 of this code or
201 had prior to the effective date made the repayment pursuant to §5-10-18 of this code.

NOTE: The purpose of this bill is to increase the multiplier for the deputy sheriff retirement accrued benefit from two and a half percent to three percent.
