CHAPTER 9. HUMAN SERVICES.

ARTICLE 5. MISCELLANEOUS PROVISIONS.

§9-5-19. Summary review for certain behavioral health facilities and services.

1 ~~(a) A certificate of need as provided in article two-d, chapter sixteen of this code is not~~
 2 ~~required by an entity proposing additional behavioral health care services, but only~~ The secretary
 3 shall perform a summary review in accordance with the provisions of this section for any entity
 4 proposing additional health care services to the extent necessary to gain federal approval of the
 5 Medicaid MR/DD waiver program, ~~if a summary review is performed in accordance with the~~
 6 ~~provisions of this section.~~

7 (b) Prior to initiating any summary review, the secretary shall direct the revision of the state

8 mental health plan as required by the provisions of 42 U.S.C. 300x and §27-1A-4 of this code. In
9 developing those revisions, the secretary is to appoint an advisory committee composed of
10 representatives of the associations representing providers, child care providers, physicians and
11 advocates. The secretary shall appoint the appropriate department employees representing
12 regulatory agencies, reimbursement agencies and oversight agencies of the behavioral health
13 system.

14 (c) If the secretary determines that specific services are needed but unavailable, he or she
15 shall provide notice of the department's intent to develop those services. Notice may be provided
16 through publication in the state register, publication in newspapers or a modified request for
17 proposal as developed by the secretary.

18 (d) The secretary may initiate a summary review of additional behavioral health care
19 services, but only to the extent necessary to gain federal approval of the Medicaid MR/DD waiver
20 program, ~~by recommending exemption from the provisions of article two-d, chapter sixteen of this~~
21 ~~code to the Health Care Authority.~~ The recommendation is to include the following findings:

22 (1) That the proposed service is consistent with the state health plan and the state mental
23 health plan;

24 (2) That the proposed service is consistent with the department's programmatic and fiscal
25 plan for behavioral health services;

26 (3) That the proposed service contributes to providing services that prevent admission to
27 restrictive environments or enables an individual to remain in a nonrestrictive environment;

28 (4) That the proposed service contributes to reducing the number of individuals admitted to
29 inpatient or residential treatment programs or services;

30 (5) If applicable, that the proposed service will be community-based, locally accessible,
31 provided in an appropriate setting consistent with the unique needs and potential of each client
32 and his or her family and located in an area that is unserved or underserved or does not allow
33 consumers a choice of providers; and

34 (6) That the secretary is determining that sufficient funds are available for the proposed
 35 service without decreasing access to or provision of existing services. The secretary may, from

 41 review.~~

42 (g) ~~Any provider of the proposed services denied authorization to provide those services
 43 pursuant to the summary review has the right to appeal that decision to the state agency in

 3 manner which is orderly, economical and consistent with the effective development of necessary
 4 and adequate means of providing for the health services of the people of this state and to avoid
 5 unnecessary duplication of health services, and to contain or reduce increases in the cost of
 6 delivering health services.~~

7 (2) ~~That the general welfare and protection of the lives, health and property of the people of
 8 this state require that the type, level and quality of care, the feasibility of providing such care and
 9 other criteria as provided for in this article, including certificate of need standards and criteria
 10 developed by the authority pursuant to provisions of this article, pertaining to health services within
 11 this state, be subject to review and evaluation before any health services are offered or developed~~

12 in order that appropriate and needed health services are made available for persons in the area to
13 be served.

14 Notwithstanding any other provision of this code to the contrary, no health care facility or
15 otherwise covered facility may be required to obtain a certificate of need to operate in this state.

13 ~~article is to protect the health and well-being of the citizens of this state by guarding against~~
14 ~~unreasonable loss of economic resources as well as to ensure the continuation of appropriate~~
15 ~~access to cost-effective, high-quality health care services.~~

16 (a) On January 1, 2026, the authority shall be terminated, and all of its records, assets, and

56 ~~(2) The goal of any cooperative agreement would be to:~~

57 ~~(A) Improve access to care;~~

58 ~~(B) Advance health status;~~

84 ~~the finalization of the cooperative agreement.~~

85 ~~(e) Procedure for review of cooperative agreements.~~

86 ~~(1) Upon receipt of an application, the authority shall determine whether the application is~~
87 ~~complete. If the authority determines the application is incomplete, it shall notify the applicant in~~
88 ~~writing of additional items required to complete the application. A copy of the complete application~~
89 ~~shall be provided by the parties to the Office of the Attorney General simultaneous with the~~
90 ~~submission to the authority. If an applicant believes the materials submitted contain proprietary~~
91 ~~information that is required to remain confidential, such information must be clearly identified and~~

108 ~~deny the proposed cooperative agreement.~~

109 ~~(4) Notice of any hearing shall be sent by certified mail to the applicants and all persons,~~
110 ~~groups or organizations who have submitted written comments on the proposed cooperative~~
111 ~~agreement. Any individual, group or organization who submitted written comments regarding the~~
112 ~~application and wishes to present evidence at the public hearing shall request to be recognized as~~
113 ~~an affected party as set forth in article two-d of this chapter. The hearing shall be held no later than~~
114 ~~forty-five days after receipt of the application. The authority shall publish notice of the hearing on~~

128 ~~result from a reduction in competition from the proposed cooperative agreement.~~

129 ~~(4) In evaluating the potential benefits of a proposed cooperative agreement, the authority~~
130 ~~shall consider whether one or more of the following benefits may result from the proposed~~
131 ~~cooperative agreement:~~

132 ~~(A) Enhancement and preservation of existing academic and clinical educational~~
133 ~~programs;~~

134 ~~(B) Enhancement of the quality of hospital and hospital-related care, including mental~~
135 ~~health services and treatment of substance abuse provided to citizens served by the authority;~~

177 ~~(7) The authority's decision to approve or deny an application shall constitute a final order~~
178 ~~or decision pursuant to the West Virginia Administrative Procedure Act (§ 29A-1-1, et seq.). The~~
179 ~~authority may enforce commitments and conditions imposed by the authority in the circuit court of~~

231 ~~(E) The ability of the authority to investigate, as needed, to ensure compliance with the~~
232 ~~cooperative agreement.~~

233 ~~(F) The ability of the authority to take appropriate action, including revocation of a~~
234 ~~certificate of approval, if it determines that:~~

235 ~~(i) The parties to the agreement are not complying with the terms of the agreement or the~~

236 ~~terms and conditions of approval;~~

237 ~~(ii) The authority's approval was obtained as a result of an intentional material~~
238 ~~misrepresentation;~~

239 ~~(iii) The parties to the agreement have failed to pay any required fee; or~~

240 ~~(iv) The benefits resulting from the approved agreement no longer outweigh the~~
241 ~~disadvantages attributable to the reduction in competition resulting from the agreement.~~

242 ~~(G) If the authority determines the parties to an approved cooperative agreement have~~
243 ~~engaged in conduct that is contrary to state policy or the public interest, including the failure to take~~
244 ~~action required by state policy or the public interest, the authority may initiate a proceeding to~~
245 ~~determine whether to require the parties to refrain from taking such action or requiring the parties~~
246 ~~to take such action, regardless of whether or not the benefits of the cooperative agreement~~
247 ~~continue to outweigh its disadvantages. Any determination by the authority shall be final. The~~
248 ~~authority is specifically authorized to enforce its determination in the circuit court of Kanawha~~
249 ~~County or the circuit court where the principal place of business of a party to the cooperative~~
250 ~~agreement is located.~~

251 ~~(H) Fees as set forth in subsection (h).~~

252 ~~(2) Until the promulgation of the emergency rules, the authority shall monitor and regulate~~
253 ~~cooperative agreements to ensure that their conduct is in the public interest and shall have the~~
254 ~~powers set forth in subdivision (1) of this subsection, including the power of enforcement set forth~~
255 ~~in paragraph (G), subdivision (1) of this subsection.~~

256 ~~(h) Fees. — The authority may set fees for the approval of a cooperative agreement.~~
257 ~~These fees shall be for all reasonable and actual costs incurred by the authority in its review and~~
258 ~~approval of any cooperative agreement pursuant to this section. These fees shall not exceed~~
259 ~~\$75,000. Additionally, the authority may assess an annual fee not to exceed \$75,000 for the~~
260 ~~supervision of any cooperative agreement approved pursuant to this section and to support the~~
261 ~~implementation and administration of the provisions of this section.~~

262 ~~(i) Miscellaneous provisions.—~~

263 ~~(1) (A) An agreement entered into by a hospital party to a cooperative agreement and any~~
264 ~~state official or state agency imposing certain restrictions on rate increases shall be enforceable in~~
265 ~~accordance with its terms and may be considered by the authority in determining whether to~~
266 ~~approve or deny the application. Nothing in this chapter shall undermine the validity of any such~~
267 ~~agreement between a hospital party and the Attorney General entered before the effective date of~~
268 ~~this legislation.~~

269 ~~(B) At least ninety days prior to the implementation of any increase in rates for inpatient~~
270 ~~and outpatient hospital services and at least sixty days prior to the execution of any~~
271 ~~reimbursement agreement with a third party payor, a hospital party to a cooperative agreement~~
272 ~~involving the combination of two or more hospitals through merger, consolidation or acquisition~~
273 ~~which has been approved by the authority shall submit any proposed increase in rates for inpatient~~
274 ~~and outpatient hospital services and any such reimbursement agreement to the Office of the West~~
275 ~~Virginia Attorney General together with such information concerning costs, patient volume, acuity,~~
276 ~~payor mix and other data as the Attorney General may request. Should the Attorney General~~
277 ~~determine that the proposed rates may inappropriately exceed competitive rates for comparable~~
278 ~~services in the hospital's market area which would result in unwarranted consumer harm or impair~~
279 ~~consumer access to health care, the Attorney General may request the authority to evaluate the~~
280 ~~proposed rate increase and to provide its recommendations to the Office of the Attorney General.~~
281 ~~The Attorney General may approve, reject or modify the proposed rate increase and shall~~
282 ~~communicate his or her decision to the hospital no later than 30 days prior to the proposed~~
283 ~~implementation date. The hospital may then only implement the increase approved by the~~
284 ~~Attorney General. Should the Attorney General determine that a reimbursement agreement with a~~
285 ~~third party payor includes pricing terms at anti-competitive levels, the Attorney General may reject~~
286 ~~the reimbursement agreement and communicate such rejection to the parties thereto together~~
287 ~~with the rationale therefor in a timely manner.~~

288 ~~(2) The authority shall maintain on file all cooperative agreements the authority has~~
289 ~~approved, including any conditions imposed by the authority.~~

290 ~~(3) Any party to a cooperative agreement that terminates its participation in such~~
291 ~~cooperative agreement shall file a notice of termination with the authority thirty days after~~
292 ~~termination.~~

293 ~~(4) No hospital which is a party to a cooperative agreement for which approval is required~~
294 ~~pursuant to this section may knowingly bill or charge for health services resulting from, or~~
295 ~~associated with, such cooperative agreement until approved by the authority. Additionally, no~~
296 ~~hospital which is a party to a cooperative agreement may knowingly bill or charge for health~~
297 ~~services resulting from, or associated with, such cooperative agreement for which approval has~~
298 ~~been revoked or terminated.~~

299 ~~(5) By submitting an application for review of a cooperative agreement pursuant to this~~
300 ~~section, the hospitals or health care providers shall be deemed to have agreed to submit to the~~
301 ~~regulation and supervision of the authority as provided in this section.~~
