A message from the Senate, by
The Clerk of the Senate, announced the adoption by the Senate and requested the concurrence of the House of Delegates in the adoption of the following concurrent resolution, which was read by its title and referred to the Committee on the Judiciary then Rules:

S. C. R. 5 “Urging Congress call a convention of the states, under the authority reserved to the states in Article V of the United States Constitution, limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress.”

Whereas, Article IV, Section 4 of the Constitution of the United States guarantees to every state a Republican form of government which gives each state equal standing when calling for an amendments convention. Article V of the Constitution of the United States reserves to the several states the right to call for a convention for the purpose of amending the United States Constitution when Congress or the courts or both Congress and the courts refuse to address an egregious wrong suffered by the people; and

Whereas, The states alone have the authority to “limit” the agenda and authority of a convention. The states alone can call for a “Single Issue” convention by agreeing among themselves the purpose, terms, conditions, duration, and agenda for the convention. Congress does not have the authority to define a “Single Issue” convention. The authority of Congress, under Article V of the United States Constitution empowers it to convene a convention as called for and defined by several states; and

Whereas, The founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government which has created a crushing national debt through improper and imprudent spending; and

Whereas, The federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent, and the
federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, It is the solemn duty of the states to protect the liberty of our people—particularly for the generations to come—by proposing amendments to the Constitution of the United States through a convention of the states under Article V for the purpose of restraining these and related abuses of power; therefore, be it

Resolved by the Legislature of West Virginia:

That the Legislature hereby urges Congress call a convention of the states, under the authority reserved to the states in Article V of the United States Constitution, limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress; and, be it

Further Resolved, That the State of West Virginia hereby applies to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing amendments to the Constitution of the United States that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and for members of Congress and absolutely no other business will be authorized at this convention; and, be it

Further Resolved, That this application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two thirds of several states have made applications on the same subject; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution and application to the President and Secretary of the United States Senate, to the Speaker and Clerk of the United States House of Representatives, to the members of West Virginia’s congressional delegation, and to the presiding officers of each of the legislative houses in several states requesting their cooperation"; which was referred to the Committee on the Judiciary then Rules

Resolutions Introduced

Delegates Reynolds, Bridges, Foster, Summers, Barnhart, Paynter, Criss, Toney, Conley, Rohrbach, J. Pack, Anderson, Cooper, Ferrell, Gearheart, Hanshaw (Mr. Speaker), Holstein, Horst, D. Jeffries, J. Jeffries, Keaton, J. Kelly, Linville, Phillips, Smith, Storch, Tully, Kimble and Mandt offered the following resolution, which was reported by the Clerk as follows:

H. R. 18 - “Recognizing the importance of coal-fired power plants and coal resources to West Virginia’s future.”

Whereas, West Virginia has a rich history cultivating domestic energy and the continued recovery and utilization of coal resources are important to the state’s economy; and

Whereas, The diversity of fuel used to generate electricity is significant to providing reliable and economical energy to the citizens of West Virginia, and the state can continue to take advantage of opportunities in clean energy while supporting our remaining coal-fired power plants and those who rely on their operation; and
Whereas, West Virginia must continue to fight against unreasonable federal regulations intended to crush coal-fired power plants and coal production even while it accepts the importance of diversifying our energy resources; and

Whereas, Coal is an important fuel source for keeping household energy costs low in the State of West Virginia; and

Whereas, Over 600 coal-fired power plants nationally have been forced to close under unobtainable and unreasonable federal regulations, and 18 coal-fired electrical units within West Virginia’s borders have been forced to close; and

Whereas, West Virginia should take steps to maintain its coal-fired power plants including, but not limited to, requiring that any financial subsidies received by manufacturers of renewable sources of energy, such as wind, solar, and hydro power, be paid to or used for the benefit of the coal-fired power plants still operating in West Virginia; and

Whereas, Coal resources are necessary to maintain a baseload of predictable and sustainable sources of power to avoid disasters like that recently experienced in Texas following a February 2021 ice storm which caused extended blackouts, a critical fuel supply failure, and compromised homeland security and defense measures; and

Whereas, When emergency weather situations arise, such as ice storms, snow storms, flooding, etc., clean burning West Virginia coal is the only source of reliable power, and other forms of energy production, such as wind, solar or hydro power, are simply not adequate to meet the needs of West Virginians; and therefore, be it

Resolved by the House of Delegates:

That the House of Delegates recognizes the value of its coal-fired power plants and coal resources to West Virginia’s future, security, and economic growth; and, be it

Further Resolved, Coal-fired power plants and coal resources are necessary to sustain and protect the baseload of power generation for West Virginians and to reinforce homeland security and defense measures; and, be it

Further Resolved, That investing in the protection and sustainability of West Virginia’s coal-fired power plants and coal resources can help build a stronger economy in the Mountain State.

A message from the Senate, by
The Clerk of the Senate, announced the adoption by the Senate and requested the concurrence of the House of Delegates in the adoption of the following concurrent resolution, which was read by its title and referred to the Committee on Rules:

Com. Sub. for S. C. R. 14 - “Requesting that the Joint Committee on Government and Finance recognize the historical legacy of West Virginia suffragists through the creation of the West Virginia Women’s Suffrage Memorial, to be located on the Capitol grounds as a permanent reminder of the impact of the suffragists on West Virginia’s past, present, and future.”

Whereas, The definition of a suffragist is a person advocating to extend the right to vote to more people and especially women; and
Whereas, West Virginia suffragists worked for decades from the advent of statehood to 1920 to win the vote for women in West Virginia and expand the democratic participation in society of women; and

Whereas, The accomplishments and contributions of women have not been fully recognized in West Virginia; and

Whereas, Their sacrifices for a long, persistent, and heroic struggle are not well-known; and

Whereas, The beautiful grounds of our State Capitol would be a proper place to honor women's struggle for their rights including the right to vote; and

Whereas, It is fitting that a permanent memorial be established to honor the lives and work of West Virginia suffragists; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance recognize the historical legacy of West Virginia suffragists through the creation of the West Virginia Women’s Suffrage Memorial, to be located on the Capitol grounds as a permanent reminder of the impact of the suffragists on West Virginia’s past, present, and future; and, be it

Further Resolved, That the West Virginia Governor shall establish a nine-member commission called the Suffragist Memorial Committee. The committee shall be composed of: One member of the Senate; one member of the House of Delegates; one representative of the Governor’s office; one representative from the Office of the Secretary of State; one representative of the League of Women Voters; one representative of the Kanawha Valley National Organization for Women; one member of the WVU Women’s Studies Program; one member of the Marshall University Women's Studies Program; and one representative of the West Virginia Division of Culture and History; and, be it

Further Resolved, That the work of the committee will be staffed by the West Virginia Women’s Commission to provide administrative support to organize meetings and record minutes of all meetings; and, be it

Further Resolved, That meetings will begin in July of 2021 and meet monthly until December 31, 2021. During this time, the committee will consult with the public about the project, research the suffragists active in getting the vote ratified in West Virginia, and choose one prominent suffragist to be honored; and, be it

Further Resolved, That beginning in January 2022, the committee shall consult on the cost of the project, begin to solicit funds, and ultimately solicit proposals for creation of a memorial on the Capitol grounds upon approval of the Capitol Grounds Building Authority; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of the resolution to the West Virginia Women’s Commission.

A message from the Senate, by

The Clerk of the Senate, announced the adoption by the Senate and requested the concurrence of the House of Delegates in the adoption of the following concurrent resolution,
which was read by its title and referred to the Committee on Technology and Infrastructure then Rules:

**S. C. R. 23** - “Requesting the Division of Highways name bridge number 22-007/00-021.18 (22A153), locally known as Myra Pony Truss, carrying CR 7 over Mud River in Lincoln County, the ‘U.S.M.C. CPL Guy Maywood Edwards Memorial Bridge’.”

Whereas, Guy Maywood Edwards was born on September 13, 1918, in Myra, West Virginia, to Hiram Otho Edwards and Elmyra Elizabeth Porter Edwards; and

Whereas, Guy Maywood Edwards graduated from Hamlin High School and enlisted in the U.S. Marine Corps during the winter of 1942; and

Whereas, Corporal Edwards was serving with the Fourth Division of the Marines and, despite having been wounded in October 1944, on Saipan in the Marina Islands, landed on Iwo Jima on February 20, 1945, ready for duty. CPL Guy Maywood Edwards was killed in action six days later on February 26, 1945; and

Whereas, CPL Guy Maywood Edwards’ brother, PFC Donald Edwards, was also serving in the Fourth Marine Division on Iwo Jima and was wounded on February 28, 1945; and

Whereas, It is fitting that an enduring memorial be established to commemorate CPL Guy Maywood Edwards and his sacrifice to our state and country; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Highways is hereby requested to name bridge number 22-007/00-021.18 (22A153), locally known as Myra Pony Truss, carrying CR 7 over Mud River in Lincoln County, the “U.S.M.C CPL Guy Maywood Edwards Memorial Bridge”; and, be it

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the bridge as the “U.S.M.C. CPL Guy Maywood Edwards Memorial Bridge”; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Commissioner of the Division of Highways.

A message from the Senate, by

The Clerk of the Senate, announced the adoption by the Senate and requested the concurrence of the House of Delegates in the adoption of the following concurrent resolution, which was read by its title and referred to the Committee on Health and Human Resources then Rules:

**S. C. R. 53** - “Encouraging certain facilities to improve or offer access to palliative care programs.”

Whereas, Palliative care access remains a challenge across the state of West Virginia and increasing awareness of the availability of this service will align with many of the state’s goals to improve a patient’s health care experience and quality; and
Whereas, Palliative care empowers people to live as fully as possible, surrounded and supported by family and loved ones, despite serious, though not necessarily terminal, illness; and

Whereas, Palliative care brings patients and family caregivers the highest quality of care delivered by an interdisciplinary team of skilled professionals that includes physicians, advanced practice registered nurses or registered nurses, social workers, counselors, spiritual providers, and consulting pharmacists who make the wishes of each patient and family member a priority; and

Whereas, The interdisciplinary team-based model of care process is designed to relieve suffering and improve quality every day living for patients and families through pain management and symptom control, caregiver training and assistance, and emotional and spiritual support; and

Whereas, This care should be available at any stage of illness from birth to advanced age and offered simultaneously with disease modifying interventions, including attempts for cure and remission; and

Resolved by the Legislature of West Virginia:

That the Legislature hereby encourages certain facilities to improve or offer access to palliative care programs; and, be it

Further Resolved, That every long-term care facility or hospital of 50 beds or more offering skilled nursing care should be encouraged to offer a palliative care program to their patients; and, be it

Further Resolved, That every home health and hospice provider should be encouraged to offer palliative care to their patients to complete the continuum of care provided to these patients.

A message from the Senate, by

The Clerk of the Senate, announced the adoption by the Senate and requested the concurrence of the House of Delegates in the adoption of the following concurrent resolution, which was read by its title and referred to the Committee on the Judiciary then Rules:

S. C. R. 54 - “Urging Congress and the President of the United States to protect the Second Amendment of the United States Constitution.”

Whereas, The Second Amendment of the United States Constitution, ratified in 1791 as part of the Bill of Rights, provides that, “A well-regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed”; and

Whereas, The right to keep and bear arms is a fundamental right which is embodied in the constitutions of 44 states, and represents the belief of James Madison that the federal government does not have the authority to disarm citizens; and

Whereas, The Supreme Court of the United States in the case of the District of Columbia v. Heller, 554 U.S 570 (2008), ruled that the undue restriction of handguns, which are commonly used for traditionally lawful purposes like self-protection within the home, is a violation of the Second Amendment of the United States Constitution and declared that the Second Amendment shall be read to, “guarantee the individual right to possess and carry weapons in case of confrontation”; and
Whereas, The Supreme Court of the United States in the case of *McDonald v. Chicago*, 561 U.S 742 (2010), ruled that the “right to keep and bear arms” as protected by the Second Amendment, is incorporated within the Due Process Clause of the Fourteenth Amendment; and

Whereas, The Supreme Court of the United States in *McDonald v. Chicago*, held that the Fourteenth Amendment makes the Second Amendment right to keep and bear arms for the purpose of self-defense applicable to the states; and

Whereas, Justice Samuel A. Alito gave the opinion of the court in *McDonald v. Chicago* stating that rights that are “fundamental to our scheme of ordered liberty” and are “deeply rooted in the country’s history and tradition” are applied to the states through the Fourteenth Amendment; and

Whereas, On November 4th, 1986, the Right to Keep and Bear Arms Amendment to the West Virginia Constitution was approved by the voters of West Virginia, stating that, “A person has the right to keep and bear arms for the defense of self, family, home, and state, and for lawful hunting and recreational use”; and

Whereas, The Right to Keep and Bear Arms Amendment to the West Virginia Constitution was overwhelmingly approved by voters of this great state, which reflects the importance of not unduly restricting this unalienable right; and

Whereas, The citizenry of West Virginia urges the acknowledgment and protection of the right to keep and bear arms; and

Whereas, The natural rights enshrined within the founding of our nation should be protected to the greatest degree possible; and

Whereas, It is the desire of the West Virginia Legislature to respectfully urge Congress and the President of the United States to not unreasonably restrict citizens’ right to keep and bear arms; and

Whereas, Any efforts made to restrict these rights unreasonably will, within the limits of state and federal law, be met with strong opposition and the utilization of all lawful means in order to protect the citizens of West Virginia; and

Whereas, The West Virginia Legislature honors the U.S Supreme Court precedent affirming the right to keep and bear arms and supports both the United States Constitution and the West Virginia Constitutional provisions which protect this cherished right; therefore, be it

*Resolved by the Legislature of West Virginia:*

That the Legislature hereby urges Congress and the President of the United States to protect the Second Amendment of the United States Constitution; and, be it

*Further Resolved,* That the Legislature expresses its unwavering support of the unalienable right to keep and bear arms; and, be it

*Further Resolved,* That the Legislature opposes any executive action by the President of the United States or any act of Congress that unreasonably restricts an individual’s right to keep and bear arms, firearm accessories, or ammunition; and, further
Further Resolved, That the Legislature beseeches Congress to forego and refrain from the enactment of any law or laws that would infringe upon the constitutional right to keep and bear arms; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Governor of West Virginia, the Majority Leader of the United States Senate, the Speaker of the House of the United States House of Representatives, the President of the United States, the Honorable Joe Manchin, the Honorable Shelley Moore Capito, the Honorable David McKinley, the Honorable Alex Mooney, and the Honorable Carol Miller.
