Dear Co-Chairs:

In compliance with the provisions of the WV Code §12-4-14, as amended, we have completed a compliance inspection and review of the financial transactions and records of the South Fork Volunteer Fire Department's state funds for the calendar year ended December 31, 2012. We conducted our compliance inspection and review based on the criteria set forth by the Legislative Post Audit Division.

Our objectives were to determine if the fire department maintained proper documentation to support all expenditures made from their state money, deposited their quarterly state allocations in a separate bank account, and utilized their state money on allowable items in accordance with WV Code §8-15-8(b). **We concluded the department achieved all objectives.**

Respectfully submitted,

A handwritten signature in blue ink that reads "Denny Rhodes".
