

AMD#1 Adopted- Allowing highways enforcement

Delegates Manchin, Fleischauer, Ireland, Anderson and Campbell move to amend the bill on page 36, section 7, line 20, following the period, by inserting a new subsection (m), to read as follows:

(m) Upon receipt of notice from the Division of Highways that the operator has been found in violation of the operators letter of certification as required in section seventeen of this article, the Secretary shall suspend the operator's permit, prohibit initiation or further production of gas or oil from the well subject to the letter of certification, and deny all other pending permits of the operator until the operator provides proof that the violation of the letter of certification has been discharged by the Division of Highways.
